Welcome from the Chancellor

Linda H. Bunnell

On behalf of the University of Wisconsin-Stevens Point, I welcome you to our Spring 2008 Commencement Ceremony. Commencement is one of our most time-honored and cherished traditions, one we have practiced for 113 years. The University of Wisconsin-Stevens Point held its initial commencement ceremony on June 26, 1895.

"Families, townspeople, faculty and students gathered at 10 a.m. in the Assembly Hall for this historic occasion. Dr. Benjamin S. Terry of the University of Chicago presented the address and spoke on the topic 'What is An Education?' Seven members of the class received diplomas in elementary education."¹

Today we will be honoring over 1,200 students, their families and supporters as they celebrate this major achievement from a university that now includes four academic colleges and 100 program choices within 51 majors, 78 minors and 15 graduate programs. We honor these students, and all who have made it possible, for their achievements, learning and rigorous work.

Completing a university degree is a major accomplishment, one not achieved without significant sacrifices by the students themselves and also by their families, associates, and friends. It is my honor to present these students to you so that you may share in the great joy of their success on this most special day.

I am confident that the faculty and staff of the University of Wisconsin-Stevens Point have broadened the intellectual horizons and contributed to many happy memories that will last the lifetimes of those graduating today. I thank them for their contributions to this day of celebration as well.

It is my pleasure to confer these degrees and to honor our Spring 2008 graduates at this most magnificent of UWSP traditions.

Sincerely,

Linda H. Bunnell

Chancellor

The Speaker

Kevin P. Reilly

As the sixth president of the UW System, Kevin Reilly leads a workforce of 40,000 faculty, academic and classified staff and graduate assistants at two doctoral universities, 11 comprehensives including Stevens Point, 13 freshman-sophomore UW Colleges and the statewide UW-Extension. Together these institutions serve more than 170,000 resident students and reach more than one million state citizens through outreach and continuing education programs. He is also responsible for the System's \$4.3 billion annual budget, made up of state support, federal funding, tuition and fees and private gifts.

Committed to providing access and ensuring quality, he has full executive responsibility for the operation and management of UW System. He works closely with state governance, 14 chancellors and the Board of Regents, the system's 18-member citizen governing board. He also collaborates with the Wisconsin Technical College System, the Wisconsin Department of Public Instruction, and the Wisconsin Association of Independent Colleges and Universities.

Before becoming system president in 2004, Reilly was the chancellor of UW-Extension for four years and its provost and vice chancellor for four years prior. A native of New York City, he came to Wisconsin from the State University of New York System, where he was the associate provost for Academic Programs and then Secretary of the University.

He has served on numerous educational commissions, boards and committees and is a founding member of the UW System Federal Relations Council. He has authored and edited books and articles on higher education policy, accreditation, biography, and Irish studies.

President Reilly earned his bachelor's degree at the University of Notre Dame and his master's and doctoral degrees at the University of Minnesota. He and his wife, Kate, reside at Brittingham House in Madison. They are the parents of three children.

The Albertson Awards were established in 1967 as a memorial to Dr. James H. Albertson, eighth president of the University of Wisconsin-Stevens Point. Each of these students has distinguished himself or herself as a true leader within the academic and co-curricular activities of our campus and community. In awarding the medallions, the students, faculty and staff of UWSP express their great pride in the accomplishments of the graduates during their college experience. The Albertson Medallion further suggests an anticipation of the significant achievement which we believe lies ahead for these recipients.

The Chancellor's Leadership Award was established in 1978 at the urging of Chancellor Lee Sherman Dreyfus. The award recognizes UWSP graduates who contribute significant leadership, demonstrate campus and/or community service and display a commitment to personal growth. The award comes in the form of a one-and-a-half-inch bronze medallion emblazoned with the University Seal presented with a purple and gold ribbon.

Clinical Doctorate in Audiology

The School of Communicative Disorders has developed a joint Clinical Doctorate in Audiology (Au.D.) program with the University of Wisconsin-Madison Department of Communicative Disorders. Our universities have merged their resources to provide a unique professional doctoral program. The collaborative program between the University of Wisconsin-Stevens Point and the University of Wisconsin-Madison has been awarded candidacy status from the Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language Hearing Association.

Phi Kappa Phi

Phi Kappa Phi is a national honor society that encourages superior scholarship in all academic disciplines and recognizes those persons of good character who have excelled in scholarship. The names of those students who have earned this distinction are noted in the commencement program.

Undergraduate Honors

The faculty has established a program of academic honors to recognize undergraduate students for outstanding academic achievement.

There are three levels of undergraduate academic honors, which are awarded on the basis of grade point average for all courses attempted. Those students graduating *Cum Laude* have achieved an overall grade point average of 3.5 to 3.74; those graduating *Magna Cum Laude* have earned an overall grade point average of 3.75 to 3.89; and those achieving a *Summa Cum Laude* designation have earned an overall grade point average of 3.9 or above.

Special Honor Designations

Teal tassels represent Alpha Kappa Delta, the National Sociology Honor Society.

Blue, brown and gold cords represent Gamma Theta Upsilon, the International Geographical Honor Society.

Green and purple twisted cords represent Kappa Delta Pi Education Honor Society.

Red and white cords represent Lambda Pi Eta, the Communication Honor Society.

White, black and blue twisted cords represent Omicron Delta Kappa, the National Leadership Honor Society.

Blue and white cords represent the National Residence Hall Honorary, which focuses on recognition, scholarship, service and leadership in the residence halls.

Braided navy and gold cords ending in fringed tassels and/or a 2-inch cloisonné medallion featuring a rendering of the Phi Kappa Phi badge hanging from royal blue ribbon represent Phi Kappa Phi.

White, purple and gold cords represent Phi Upsilon Omicron, the National Honor Society in Family and Consumer Sciences.

The cloisonné enamel on brass-finish medallion, hanging from a red grosgrain ribbon, depicts the symbol and Greek letters for Pi Sigma Alpha, the National Political Science Honor Society.

Colored sashes are worn by students who have spent one or more semesters abroad and represent the host countries of UWSP's semester abroad program: Australia, England, France, Germany, Hungary, Ireland, New Zealand, Poland and Spain.

Scarlet and black cords represent Sigma Tau Delta, the English Honor Society.

Green and white cords with an evergreen emblem represent Xi Sigma Pi, the National Forestry Honor Society.

Academic Regalia

History

The origins of the academic dress date back to the 12th and 13th centuries when universities were beginning to form. It is still open to question as to whether academic dress finds its sources chiefly in ecclesiastical or civilian dress. It is often suggested that gowns and hoods were the simplest, most effective method of staying warm in the unheated, stone buildings which housed medieval scholars.

In the days of King Henry VIII of England, Oxford and Cambridge first began prescribing a definite academic dress and made it a matter of university control to the extent of its minor details. The assignment of colors to signify certain faculties was to be a much later development and one which was to be standardized only in the United States in the late 19th century. An Intercollegiate Commission comprised of representatives of leading institutions met at Columbia University in 1895 and adopted a code of academic dress which besides regulating the cut and style and materials of the gowns, prescribed the colors which were to represent the different fields of learning.

In 1959, a Committee on Academic Costumes and Ceremonies, appointed by the American Council on Education, again reviewed the costume code and made several changes. In 1986, the committee updated the code and added a sentence clarifying the use of the color dark blue for the Doctor of Philosophy (Ph.D.) degree.

Agriculture — Maize	Medicine — Green
Arts, Letters, Humanities — White	Music — Pink
Commerce, Accountancy, Business — Drab	Nursing — Apricot
Dentistry — Lilac	Oratory — Silver Gray
Economics — Copper	Pharmacy — Olive Green
Education — Light Blue	Philosophy — Dark Blue

Forestry — Russet	Public Health — Salmon Pink
Journalism — Crimson	Science — Golden Yellow
Law — Purple	Social Work — Citron
Library Science — Lemon	Theology — Scarlet
	Veterinary Science — Gray

The Gown

Pattern. Gowns recommended for use in the colleges and universities of this country have the following characteristics. The gown for the bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the master's degree has an oblong sleeve, open at the wrist, like the others. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut, and the front part has an arc cut away. The gown is so designed and supplied with fasteners that it may be worn open or closed. The gown for the doctor's degree has bell-shaped sleeves. It is so designed and supplied with fasteners that it may be worn open or closed.

Material. As a means of adaptation to climate, the material of the gowns may vary from very light to very heavy provided that the material, color, and pattern follow the prescribed rules.

Color. Black is recommended.

Trimnings. Gowns for the bachelor's or master's degrees are untrimmed. For the doctoral degree, the gown is faced down the front with black velvet and three bars of velvet are used across the sleeves. These facings and crossbars may be of velvet of the color distinctive of the disciplines to which the degree pertains, thus agreeing in color with the binding or edging of the hood appropriate to the particular doctoral degree in every instance.

The Hood

Linings. The hoods are to be lined with the official color or colors of the institution which granted the highest degree held by the wearer; more than one color is shown by division of the field color in a variety of ways such as by chevron or chevrons.

Trimmings. The binding or edging of the hood is to be velvet or velveteen, two inches, three inches, and five inches wide for the bachelor's, master's, and doctoral degrees, respectively; the color should be indicative of the subject to which the degree pertains.

Chancellor's Medallion and the University of Wisconsin-Stevens Point Ceremonial Mace

The Chancellor's Medallion and the University of Wisconsin-Stevens Point Ceremonial Mace were both handcrafted by Henry M. Runke, former chairman of the Art Department. The Medallion was cast in a 14k gold pendant in 1968 and contains a purple amethyst to represent the school colors. The four sectioned areas beginning near the center symbolize the four colleges of the university and terminate as prongs for the gem. The Mace, carried by the Grand Marshall of academic processions, was completed in 1976 and has a square base on which important dates from the school's history are recorded. The most prominent feature is the head of the Mace which is a miniature of the cupola on Old Main, the school's symbol. The inside of the Mace also contains a purple amethyst.

University of Wisconsin-Stevens Point Alumni Association

The University of Wisconsin-Stevens Point Alumni Association welcomes our Spring 2008 graduates to the ranks of University of Wisconsin-Stevens Point alumni. To honor this occasion, members of the Future Alumni Association presented each new alumnus with the gift of a UWSP key chain during last week's Senior Breakfast. We hope this will serve as a reminder that, no matter where life may lead our graduates, they will always have a home at UWSP.

The Alumni Association serves to strengthen the ties between over 76,492 Pointer alumni and their university home. Our alumni are among this university's most important assets and collectively constitute a major force in shaping the reputation of our campus.

The association seeks to help alumni stay in touch with former classmates and friends who have graduated from UWSP to make their mark, professionally and personally, on the nation and the world. The association also provides a variety of services to alumni and friends of UWSP including the Pointer Alumnus newspaper, alumni reunions, homecoming, alumni travel, an online alumni directory and other special events.

All graduates and anyone who has attended UWSP are automatic lifetime members of the nondues paying association. Support for the Alumni Association is provided in part by the UWSP Foundation, by proceeds from an alumni endowment and by gifts from alumni and friends.

All of our alumni share memories of their years at UWSP, and they in turn have contributed to the success of the campus. We urge you to continue to think of yourself as a vital participant in the future of your alma mater. UWSP always welcomes your support, involvement, and ideas.

Those interested in learning more about the UWSP Alumni Association and its Board of Directors are encouraged to contact the Alumni Affairs Office at (715) 346-3811 or (877) 764-6801, or by e-mail at alumni@uwsp.edu. The UWSP Alumni Association Web site can be accessed at www.uwsp.edu/alumni.
