Stevens Point, Wis., March 12, 1925.

Price Five Cents.

PRES. SIMS' COMMITTEE MEETS AT CINCINNATI.

Pres. Sims returned Feb. 28 from the meeting of the Department of Superintendence at Cincinnati. During the Monday Assembly he told briefly and interestingly of the main features of that great meeting, which was attended by over 13,000 delegates from all over the United States. A unique feature of this year's program, was carried out by means of the use of the Preamble to our Constitution.

On Wednesday afternoon, Feb. 26, the Committee of 1,000, of which Pres. Sims is the chairman, met at the Business Men's Club in Cincinnati, and discussed plans for "a comprehensive educational campaign among the members of the teaching profession and the public". Declaring that much misrepresentation of the Child Labor amendment is being made throughout the country by opponents, the Committee laid the blame for the defeat of the proposal to the fact that there was much inaccurate statement of facts. To this end, the committee will work untiringly in its efforts, and while the road to enactment seems long and even discouraging at times, Pres. Sims and his colleagues are undaunted in their efforts, and in recognition of this, a resolution was passed at the meeting, making it incumbent upon Chairman Sims to apply to the Budget Bureau of the N. E. A. for funds to carry on this work. Without question this will be allowed the committee.

At the faculty meeting held Monday evening, March 2, Pres. Sims discussed in detail, with the faculty, some of the big educational problems and projects which were on the program.

COMING EVENTS.

- March 11 — Margaret Ashmun Club.
- March 11 — Y. W. C. A.
- March 12 — Loyola.
- March 12, 13, 14 — H. S. Basketball Tournament — S. P. High Gym.
- March 16, 18, 20 — Girls' Basketball Tournament — Normal Gym.
- March 17 — Dance under auspices of Rural School.
- March 20 — State Oratorical Contest — Superior.
- March 26 — Ripon College Glee Club.
- March 29 — Civic Orchestra — 3 o'clock P. M. — Normal.

(LOCALS)

Prof. Neale was at Auburndale March 6 where he spoke at a meeting of the White Oak Community Club.

Prof. Delzell addressed a meeting of the Monroe County Teachers at Sparta March 7.

CIVIC MUSIC ORGANIZATIONS ENTERTAIN MARCH 8.

Members of the Civic Orchestra and the MacDowell Club presented the first of their Sunday afternoon concerts before a good sized audience, Sunday afternoon, March 8, at 3 o'clock in the Normal Auditorium. Following is the program presented:

Part I—The Civic Orchestra

1. The Star Spangled Banner..... arranged by Damrosch
1. Fete Arabe (Arab Type)..... Irene Bergee
2. From the Cotton Fields (Southern Negro)..... Clarence C. White
3. Suite for Orchestra—"Sigurd Jorsalfar"..... Grieg
 - 1. Introduction
 - 2. Borghild's Dream
 - 3. Triumphal March

Part 2—The MacDowell Club

1. Viking Song..... Coleridge-Taylor
2. To a Wild Rose..... MacDowell
- Who is Sylvia?..... Schubert
- Moonlight..... Fanning
3. Three Negro Spirituals..... arranged by H. T. Burleigh
 - Deep River
 - Dig my Grave
 - I ain't gwin to study war no more
4. Cast thy burden—from "Elijah"..... Mendelssohn

Both organizations were directed by Prof. Dyer, and were heard to good advantage. It is hoped that we may hear more of them. The MacDowell Club is the newer organization, composed of some thirty singers from the Normal School and Stevens Point. Prof. Steiner is president of the Club, which rehearses every week.

GOOD NEWS FROM MADISON.

March 3, the Joint Finance Committee of the Legislature reported out for passage the Deficiency Bill of about \$212,000, making reductions of about \$12,000, with no reductions at S. P. N.

This action will probably insure the passage of this most important bill by our Legislature within a few days.

Of added interest also is the news from Madison that the Normal Degree Bill has been acted upon favorably by the Senate Committee. Let us hope for its favorable reception by both houses and by Gov. Blaine.

ON TO SUPERIOR.

"From the frying pan into the fire." characterizes the work of our Forensics Dept. under the able direction of Mr. Burroughs. With the long and careful preparation for Debate out of the way, all efforts are now being bent to develop our Orator-Carrol Van Buskirk and our Extemporaneous Speaker—Donald Vetter, for the State Contest at Superior, March 20.

GIRLS' TOURNAMENT COMING.

Norma Wiesner.

The boy's basket ball season is ended, but something of just as much importance is almost here. If you can't guess what I mean it is the Girls' Basketball Tournament. Perhaps you have heard about it. If you didn't, you could not have been listening to the gossip of the school. Everybody is talking about it. Why? Because everybody is interested in it and eagerly waiting for the sixteenth of March to appear. Yes, it is going to be held Mar. 16—18 and 20th, in the Normal Gymnasium. If any of you have never seen a girls' game you have missed one of the best games ever played.

Every department in school has a team, each one striving to do better than the other, and each one determined to win. With this feeling going on we guarantee exciting and interesting games. Save your pennies now. It's Lent and so instead of eating the candy and pie you do, save your money and then enjoy yourself by going to the tournament.

Remember, students and faculty, the girls need the same enthusiastic backing that the boys received, and it is up to you to make them more eager to give you your money's worth at the games.

Every night, Monday the 16th, Wednesday the 18th, and Friday the 20th, two games will be played each one as interesting as the other, so your 'enthusiasm' cannot lag.

The schedule for the tournament beginning Monday, March 16th.

1. Primary vs Rural —7:15
2. Home Ees. sv High — 8:00
- Wednesday, March 18th.
3. Loser of (1) vs. Loser of (2) — 7:15
4. Winner of (1) vs. Grammars — 8:00

- Friday, March 20th
5. Winner of (3) vs. Loser of (4) — 7:15
 - (For 3rd. and 4th. places)
 6. Winner of (2) vs. Winner of (4) — 8:00
 - (For 1st. and 2nd. places.)

Let's see everyone at the games. Have the balcony and floor crowded. Departments, have your cheer-leader and your corner of the gymnasium decked out in your colors, and let everyone yell and cheer until his lungs refuse to work. We give you a day between games in order that you may recuperate so yell every night and let us know you are there.

Let us unite behind these representatives as we have done with our athletic teams and debators. S. P. N. has an enviable reputation in Forensics. Let's help keep it unchallenged. Get behind these representatives. On to Superior!

LOCAL DEBATERS WIN AND LOOSE.

S. P. N. emerged both victor and loser in the two debates Friday Eve, March 6. The negative team consisting of Edwin Jenson, Maurice Willett, Glen Dexter, with Lee Peterson, alternate lost at Oshkosh Normal. Prof. Burroughs accompanied the team. The debate was judged by Prof. Berolzheimer of the University of Chicago.

A good sized crowd witnessed the local debate with La Crosse Normal in the Auditorium. A unique feature of this debate is that the La Crosse team was composed of ladies, while the S. P. N. team was composed of men. In several instances during the progress of the debate, this fact was illustrated in a rather interesting and humorous way. The La Crosse team comprised Misses Metcalf, Mahlun, Ziegweid, while Donald Vetter, Irving Gordon, Laurin Gordon, Edward Cook, alternate, were S. P. N.'s representatives. Pres. Sims presided.

The question for debate in the Normal Conference was: "Resolved, that the power of the Supreme Court of the United States should be limited by a Constitutional Amendment, providing that Congress may by reenacting a statute by 2/3 vote in each house make it effective over a judicial veto."

The local contest was judged by Prof. Keele, of the Department of Debate, University of Illinois. In his remarks preceding the announcement of his decision, he paid high tribute to the excellent work of both teams, and the relative strong balance of each team's preparation.

After the debate, members of the two debating teams, together with judge, officers, and a few faculty representatives of each school, were entertained in the Home Economics rooms, where a delicious luncheon was served by Home Economics girls, under the direction of Miss Allen.

As the result of the Triangular debate held March 6, Oshkosh emerged the victor, with wins over both S. P. N. and La Crosse, while La Crosse teams lost both debates, giving S. P. N. second place. While we regret we did not get first place, we are proud of our two teams who have worked so long and untiringly in preparation, and feel assured that we have material that will develop further next year, and give us undisputed first place in the Triangular League.

We are all glad to see Miss Meston back on the job.

Proceeds in the Home Economics Lunch Room for the benefit of the Mardi Gras were \$23.73.

A RETRACTION.

The last issue of the Pointer contained two articles the substance of which resolved itself into a direct, although entirely unjust and incorrect, insinuation against one of the faculty members. The articles claimed first, that a student had flunked when he thought he was passing under flying colors and 2nd. that flunking in psychology kept him from taking part in school activities. Both of these statements were incorrect and unfounded and we wish to retract them and apologise to Mr. Clark for the trouble and commotion caused.

PERSONAL GLIMPSES OF A FACULTY MEMBER.

It must be confessed by the staff member who was responsible for the trouble concerning an athlete's ineligibility that when this reporter found his error and went to Mr. Clark to do his best to rectify the mistake, he did so with a sinking heart and weak knees. For certainly any one of us who had just read the lies about ourselves that Mr. Clark had would be 'out for blood'. Yet, great to his surprise, he found Mr. Clark as good a friend as always. "It is an evil wind that blows nobody good" someone had said; and while this whole affair naturally leaves a rather bad taste in the mouth of each person concerned it has enabled us to come in contact with a side of Mr. Clark which would have been impossible without this unpleasantness, and as a result left us with a great respect and admiration for him.

Note:—The Editor is in receipt of this following communication, which we gladly publish in its entirety:—

The Point
March 1925

To the Editor in chief of the Pointer,
Dear Sir:

We noticed in the Saturday's issue of the Stevens Point Journal, a column in regard to the programme to be broadcasted from our local station. This clipping calls to mind that a student at the Normal by the name of Miss Gertrude Silbernagle is to sing several numbers. Is it not strange that if we possess talent of that kind in this school, it is not made known to the student body? We wish to do all in our power to boost the Normal, and we think that having a student who can do this — it is to be made known.

We also understand that upon further investigation that Miss Silbernagle has appeared a number of times before the many clubs and organizations of this city. It is also known that she is to appear on the broadcasting programme on St. Patrick's Day. What say if she could sing for us at an assembly period some time?

Why not advertise our talent? Let's see what the Pointer can do? You want our support, and

we shall try to give it to you and to help boost the Normal.

We feel obliged to thank you for taking time to read this and ask that you do something so we may all hear her.

A Good Hearty Thank-You!!!
"Fellow Students"

Editor's Note:—A local in regard to Miss Silbernagle's singing was already set up before receipt of this communication.

HOME EC. NOTES.

Monday, March 16th is the first day of the inter-departmental Basketball tournament. One of the games scheduled for that day is the Home Ecs Vs. High School team. Come on out, Home Ecs, and show your pep.

The girls in the Home Economics Club may pay their dues to — Adella Skutley, Margaret Lord, Mertice Hanks, or Alta Peterson. Don't make them ask you for it personally. If you want pins, give your money \$1.50, to any of these 4 girls.

If any one desires a Home Made Pumpkin Pie, call for Hilda Thomson at the North cottage. They say she makes durable ones. Anyway the hostess asked the waitress to bring on the knives, and Miss Allen wanted to know if she had been trying to be economical.

ORGANIZATIONS.

FORUM.

The Forum Club of the High School met Monday evening, Feb. Nineteenth, in the auditorium. An entertainment arranged by program committee, Chairman, Miss Irene Hart, was given.

What has become of the plans for a Forum Party? Who wants one anyway!

Y. W. C. A.

On Sunday, February 22, Mr. Rogers' message to us at vesper service was "Playing Fair in the Game of Life." He showed us how playing fair pertained to social business, political, and religious activities. On Sunday, February 29, Lucille Lamb, the Bible Study Chairman, gave a spiritual message from "With Jesus in the School of Prayer" by Murray.

Ash Wednesday Mrs. Harter recalled to us experiences of our early childhood by reading the legend of "The House With the Golden Windows." Mrs. Harter developed the moral that we shouldn't always think that the best things lie beyond us, but that we should realize that they are right at hand and are ours if we only have the right squint.

Our first meeting in March was a song service conducted by Mr. Evans, who proved to be a most able leader for the girls sang with great heartiness and enjoyment. Mr. Evans opened the service by singing most effectively the old favorite, "Tell Me the Old Old Story."

PRIMARY COUNCIL.

What's the matter with the Primaries? They're all right! They sure are and we expect to remain so. Are we in it? We have shown that we are at the Mardi Gras. Didn't our nominee for queen win, and didn't we get first prize for our stunt? I should say we did, and we are proud to say so. We all wish to express our thanks to all those who took part in the stunt, to Miss Carlsten, the art teacher, and Miss Foster the Physical Director, for their advice and assistance, and to Janet Wells, Esther Maloney, Geneva Foster, and Margaret Blaney for their work in advertising and getting the audience for our show. We appreciate their work very much.

The only thing left for us to do is to win the Girl's Tournament. Are we going to? We want to, and will try our hardest to do so. In order to do so we must have our entire Department behind us. We know they will be there with bells on and colors flying. Let's go, Primaries, and keep the record going by winning the tournament.

RURAL TEAMS WIN.

Both the first and second basketball teams from the Rural Department played on Friday, Feb. 20 and came out on the winning side. The second team played the Junior Highs in the first game and the score was 11 to 13 in our favor.

The first team played Auburn-dale High School in a very one sided game. Though the visitors put up a good fight, they were not in our class and the resulting score was 33 to 10.

The line up for the Rurals was as follows: Sumner Smith, C. Walter Lenhard, L. G., Sam Tork, R. G., Clarence Poat, (Cap'T) L. F., Alfred Wunrow, R. F. Blomley, Dahl, and Keithly substituting. Mr. Pierce and Mr. Wiesner were the officials. Mr. Davidson is coaching the Rurals.

MARGARET ASHMUN CLUB.

Margaret Ashmun Club will hold a meeting Wednesday evening, March 11th, in the Nelson Hall Recreation Room. An especially good program has been prepared by Miss Hanna. Big secret, but we're going to have chocolate ice-cream and cookies. Let's have one hundred per cent attendance. Ask anyone who comes what kind of times we have.

THE LOYOLA CLUB.

The Loyola Club will hold its regular meeting this evening at 7:30. Let's have a large attendance. Our meetings have had to be postponed for several weeks due to basketball games; so be sure to come tonight.

The members of the Loyola have been quite faithful in attending the Lenten services at St. Stephen's church. Rev. McNamara of Milladore is delivering a series of lecture which are very instructive.

RURAL LIFE CLUB.

One of the most successful meetings of the Rural Life Club was held in their assembly room, Feb. 23. The following program was given:

Community singing by the club.
One act play "Washington's Fortune."

Piano duet ... Amelia Bannach and Estelle Bach.

Reading "Dan McGann Declares Himself"

..... Mrs. Louise Appel

Talk "Washington and Lincoln Day programs." Margaret Baggot

Reading Pearl Abrahams

Arrangements for the St. Patrick's Dance were discussed. Listen and watch for later announcements of this social function.

PEP CLUB.

The famous apostles of enthusiasm helped the boys wind up the basketball season in a manner which reflects credit upon the school. Something new was introduced for basketball fans in form of entertainment between halves of the game. In the Milwaukee game the pep club team played the girls — this game resulted in excess holding. During the Whitewater game S. P. N. and Miss Victory were united in the solemn bonds of matrimony, and for the River Falls game Thompson's seven foot crusaders battled with the Junior High Lilluputians in a close contest. For the River Falls game and the At the Pep club assembly, given Debates, the students were entertained by an exhibition of the latest hats, after hearing very interesting talks from Mr. Smith and Mr. Watson. Now that the athletic contests are over we wonder what this organization will do. We are all watching them interestedly for we know that they won't die out now.

THE HONOR ROLL.

The students seem to be very interested in the Honor Roll recently posted on the bulletin board, if we are to judge from the crowds seen in front of it. Mathematicians of the Pointer Staff found the following to be true:

Total number in school	521
Number on the Honor Roll	100
Per cent on the Roll	19
Number of boys	12
Per cent	10
Number of girls	88
Per cent	22

Departments.

Dept.	Number on the Roll	Per cent
Grammar	25	26
Rural	25	26
High School	29	20
Home Economics	11	14
Primary	16	14

Anyone glancing over the honor roll cannot but be impressed by the record of Lawrence Peters, a high school student. Peters carried three courses in mathematics and a two hour course in chemistry. His standings were such as to give him three honor points for every credit hour.

HERE AND THERE.

Nelson Hall family is again to sponsor the Ripon Glee Club. Proceeds will be used to purchase a book case, a set of encyclopedias, and if every one helps to fill the assembly the girls can have a dictionary too. Let our motto be "On for Webster."

We have lately heard of successes by former S. P. N. debaters in high school work. Both of Walter Graunke's debate teams of Mayfield won in their contests with other schools, while Geraldine Rammer, who teaches at Colby, also reports the victory of her debate teams.

Freida Lobeck entertained her sister, at the South Cottage, over the week end.

THE POINTER'S INQUIRING REPORTER.

Question: Do you think the people who compete in forensics should receive sweaters and letters? Why, or why not?

I do not think they should. Those who compete in athletics and those who compete in forensics work for the honor of the school, it is true. The athlete gains very little for himself, while the debator or the orator increases his own power and will profit all his life by these experiences.

It grows out of his regular class work in many instances and leads to actual life occupation. It is very seldom that the athlete makes athletics his life work.

O. W. Neale.

I believe they should receive some form of recognition, which they may have as an outward manifestation of their participation in a school activity. This recognition should be distinguishable from that given to Athletes. They should receive some sort of Emblem representing the school because I believe it is as much a representative of the school as Athletics. I think the sweater is traditional recognition of certain attainment in Athletics, but I believe a corresponding award of recognition should be given for certain attainments in Forensics.

Capt. "Ham" Williams.

I do, but where will the money come from to buy these sweaters and letters? There is as much work connected to working out in a debate as in basket ball.

Virgil Herriek.

Certainly — I think that sweaters and letters are slight tokens of appreciation for those endeavoring to put our school on the map in this way. It has long been a custom to do so in athletics. Why not forensics?

Margaret Davis.

Yes I think they should because they work just as hard for the school in their line as other activities do who receive sweaters. Their sweaters should differ from the athletic sweaters.

Winnie Burns.

WE FOUND THAT.

In answer to the questions under "Would You Like to Know", we found that:

1. There are five heads of shorn locks to one of long silky strands.
2. The average age of S. P. N. students is slightly over twenty years.
3. There are four girls for every man in S. P. N.
4. Miss Hussey's red shawl is now lying in the bottom of her hope chest while a rose and navy blue garment is being made to shine forth in its place.

The three Sanitation classes under Mr. C. C. Evans supervision are working on an outline for a "Sanitary Survey of Stevens Point".

NORMAL DROPS FAST TILT.

In a fast game replete with many fouls on both sides, the Normal went down to defeat to Whitewater 25 to 19. The game was an even encounter — the score at the half being 11 all. The second half was as fast as the first, but Whitewater showed a decided ability to sink free throws, making 13 out of 16 attempts. A poor eye for the basket was responsible in the main for the Point defeat. Levis refereed.

RIVER FALLS TAKES FAST GAMEE.

Before a real S. P. N. crowd, our team met the fast River Falls team Thursday eve., March 5. The game started with a rush, the Falls scoring first. S. P. N. followed closely, and the score at the end of the first half stood 12-10 for the visitors.

The second half was a fight in real earnest, the score keeping close until within the last few minutes, when River Falls broke through our defense, and when the "smoke cleared" they emerged the victors by the score of 28-19. A great game!

The game marked the last appearance in an S. P. N. uniform for Capt. Williams, Herrick, and Swan.

POINT WINS AND LOSES.

In the second home conference tilt of the season the local normal five triumphed over Milwaukee Normal in a close game 20 to 18.

The first half of the game was rather slow and dragged, Milwaukee having the edge during the entire first half. The score at the end of the half was 12 to 6 in Milwaukee's favor.

In the second half the Pointers came back with a determination to win and playing a fast brand of ball knotted the count at 14 all. A few seconds later the score stood 18 to 14 in the Point's favor. A desperate rally by Milwaukee knotted the count at 18 all, but a field goal shortly after gave the Point the final count and the game 20 to 18.

"A MIDSUMMER NIGHT'S DREAM" BROADCASTED.

The speaking parts of the public speaking class play "A Midsummer Night's Dream" were broadcasted from station WLBL Tuesday evening, March 10, at 7:30 o'clock.

All of Scene I, Act I was given with the following characters:
 Theseus Vance Williams
 Hippolyta Bernice Vinkle
 Egeus Alois Hoffman
 Hermia Beatrice Swaneutt
 Lysander Carl Maslowski
 Demetrius Valerian Wiesner
 Helena Genevieve Murray
 The quarrel between the King and the Queen of Fairies, Scene 3,

Act I was also broadcasted. Borghilde Odegard took the part of Titania, and Laurin Gordon that of Oberon.

Scene 3, Act III, the clown play, which proved such a tremendous success in the former production was given with this cast:

Pyranus Claire McClellan
 Thisbe Edward Plank
 Quince Rodney Wilson
 Wall Juanita Lawrie
 Moon Olive Kelley
 Lion James Topping
 Miss Irene Hite was at the piano for the musical program.

A duet Hark, Hark, the Lark was sung by Julia Van Hecke and Beatrice Swaneutt. Mr. Knutzen sang two Shakespeare songs. Mr. Evans sang a group of old English songs, and Mr. Burroughs read "All the world's a stage". This is one of the most pretentious broadcast programs yet given by S. P. N.

LOCALS.

Miss Meston, Mr. Schmeeckle, and Miss Jones were unfortunately absent from school a few days because of illness.

Winifred Burns and Gertrude Silbernagel broadcasted a program of old-fashioned songs from station WLBL, March 3.

Laura Freiman, a Senior Home Ec., is substituting for Garnet Knoke at Wrightstown.

Marjorie Stevenson, an alumnus of S. P. N. visited her sister Marie of Nelson Hall. Marjorie still retains her "schoolgirl" complexion without the aid of an artistic touch.

Benita Mack entertained a friend from Appleton this past week end.

The South side cottage was a scene of great activity Saturday, Feb. 28. They gave both formals, — a luncheon, and a dinner. Their guests were the following: Pearl Rose, Margaret Davis, Miss Wilson, Miss Church, Elsie Kresen, and Frieda Lobeck.

UNNATURAL, EH?

Mr. Burroughs: (speaking of "Experience and Literature") Take for example the statue of Venus. Some artist combined his knowledge of women and his knowledge of beauty in an unnatural way and made the statue.

Jeanne S.: Is some ice harder than others?

Marguerite O'B.: Not unless the water was harder to begin with.

WE WONDER.

Mibs. (kissing Mertice as she leaves for a dance) Save the third one for me.

Mertice: The third what?
