STUDENTS TO FROLIC TOMORROW NIGHT

PURPLE UPSETS RIVER FALLS

LOCALS' COMEBACK WRECKS EX-CHAMP TEAM IN 6-0 WIN

Weronke's Blocked Punt Gives Eggebrecht's Warriors Happy Break

Rejuvenated by their win of 21-0 over Northland the week before, the Purple and Gold squad trained their guns at River Falls' championship balloon and brought it down with a painful thump at the local fair grounds Armistice Day, Nov. 11th.

Eggebrecht's fighting bearcats went into the fracas and kept the beefy Farmers, who haven't been scored upon this season, on the defensive throughout the four stanzas, ripping that Crimson line for gain after gain, and keeping a hawk-like eye on all of the Stanley men passes, allowing them only three completed.

Bennie Blocks Punt

The Pointers, with Captain Paukert leading the driving, marched to the five yard mark almost at once, but there was a hitch in a scoring play and they didn't get across.

It was in the second that Bennie Weronke, Purple center, broke through, blocked a punt on the Fall's five yard line and recovered it. When Referee Wright got to the bottom of the pile, there was Bennie with the ball under him not one foot from the goal line. Les Wray knifed through right tackle on the next play for a touchdown. Charley Pile entered the game and tried for the extra point but his attempt was blocked.

Falls Pass Desperately

In the third frame the Falls, aided by the strong west wind, filled the air with passes, but fumbled so much that they lost all chance of scoring. The Pointers broke through time after time and spoiled passes for the invaders. Harold Baruth scooped up a fumble by a Scarlet-back, headed west with the whole gang at his heels, and got to the twenty yard mark before he was downed. It was here that Paukert tried a set kick but the wind blew it wide. The struggle ended with the Westerners heaving incomplete passes and the Point playing safe.

Coach, We Thank You

Our old rivals are beaten. To Coach Eggebrecht goes a great share of credit. The team itself is the actual victor, rather the whole squad; all those who have had the sand to stick it out, to go out every night and fight for our school.

It is the last grid game for the Purple for a few of the bunch; Captain Paukert, Harold Holmes, Lyle Holmes, Donner, Horak, and Precourt will be missed next fall.

Wait Till Next Year

With characteristic Point luck, the team is in excellent shape right now and is in fine condition to play more games or start a new season, instead of finishing one. The Point camp is cheered by the news that at least twenty-five foot-ballers of note from outside will be at S. P. T. C. next fall. With the present crew back, we will not attempt to prophecy, but things are going to happen when Eggebrecht gets better acquainted here, and all for the best.

Critics Acclaim Harp Trio Great

Monday evening at 8:15 The Zimmer Harp Trio opened the second number on the artists course which is being offered this year. The Zimmer Harp Trio has become known throughout the country as "concerts' greatest novelty". Its appeal is universal. For those reasons alone the audience who heard Miss Zimmer's offering should consider themselves fortunate.

However, there are many other recommendations for this unique company. Miss Zimmer has studied both in America and abroad. Her associates, Misses Mellman and Crockford, are pupils of VanVetchan Rogers.

This is the ninth season for the Zimmer Harp Trio, and it finds the ensemble paramount in this field of musical endeavor. Well acclaimed in New York, the critics could not have been more lavish in their praise.

Accompanying Miss Zimmer's group is Francesco Losavio, tenor, who was born in Southern Italy. He has been a student of George Fergusson, and coached in opera roles under the direction of Giulio Setti of the Metropolitan Opera Company. Mr. Losavio has a voice of that rich, mellow type which has placed Italian tenors in leading positions in the world's greatest opera houses.

Not only was the ensemble of the harpists warmly applauded, but also the soloist work of Miss Zimmer which gave her an opportunity of proving her virtuosity with the harp.

To Present Annual Yuletide Festival

Plans are now being made for the Annual Christmas Music Festival. The faculty members who are in charge of it are: Mr. F. E. Percival, Chairman, Miss Gladys Pritchard, Miss Mae Roach, Miss Edna Carlesten, Miss Eva Seen, and Mr. L. M. Burroughs.

The former festivals have been so successful and so highly commended by the citizens of Stevens Point, that the committee has decided to make it an annual affair. Many customs have grown up in many parts of the world, as American cities to give Handel's "Messiah". The success of the previous festivals has demonstrated the fact that this can also be an annual custom.

As before, the training school pupils as well as college students will take part in its presentation.

Milwaukee Wins State Meet Here

The harriers of Milwaukee Teachers' College won the Inter-Normal Championship in the cross country meet held here last Friday, November 11th, by annexing low score of 26 points, followed by 33 for Platteville and 64 for La Crosse. The race preceded the River Falls game, the finish taking place at one end of the grid iron just before the battle started.

Goehring of Milwaukee snapped the tape after grinding off the three and one-half miles in the fast time of 21:54.4. Captain Butts of Milwaukee was not far behind and scored second.

Three Platteville men were next: Captain Boll finishing third, with Stuart and Blum fourth and fifth. Conrad of Milwaukee was sixth.

La Crosse broke into the scoring as Captain Westerland placed seventh, while Umbs and Kuenimerlein of Milwaukee trotted in soon after to tie for eighth. Vesperman and Fry of Platteville arrived for tenth and eleventh, Christenson of La Crosse twelfth, Longhorne of Platteville thirteenth, and Davis of La Crosse fourteenth.

As La Crosse sent only three runners the count of 15th and 16th was added to their score to even up the shortage.

This is the second year that Milwaukee has won the inter-college event.

The whole affair progressed in a smooth and orderly manner, due largely to the efforts of Clifford Krake and Leo Kraus, Point trackmen who laid out the course and generally supervised the meet. They were ably assisted by Messrs. Hirzy, Vincent, and Ringdahl who acted in official capacities, and by a corps of students who acted as inspectors.

Students Asked To Support Red Cross

A nation wide Red Cross drive is in progress now. They are making house to house calls in Portage county soliciting membership. The organization has asked for help from our students as well as from our county people. The drive is to be taken up in our own college in the following manner.

Each department will be asked to contribute a certain amount for this cause, then all members of the department will be taken in as active members of the Red Cross. The director of each department is to have charge.

As prospective teachers we should be interested in this humanitarian treatment. The Red Cross is one of the greatest organizations; it recognizes no boundaries of religion. Wherever disaster visits the doors of our nation, wherever food is scarce because of failure of crops, wherever disease and pestilence reap their harvest of human lives, the Red Cross is there with doctors, nurses, food and clothing, ready to relieve any sufferings. The value of such aid cannot be denied, and as the former students and citizens of the various communities have endeavored to help this organization, so it is our duty to give our greatest aid.

Now, into our college comes this yearly call for support. Let's make it a one-hundred per cent membership campaign.

ASK STUDENTS TO DRESS AS HOBOES FRIDAY EVENING

Hard-Time Dance To Conclude All-School Frolic Program

It shall never be said that there was a lack of time at the All-School Frolic which opens tomorrow afternoon. The fun starts at 5:30 when the first booths are opened. These stands will sell hot-dogs, hamburger, and cheese sandwiches, coffee, ice-cream, cake, and pie. They will be under the direction of the faculty women. During the entire evening Walter Wasrud will have charge of a booth where pop, ice-cream, candy, and craker-jack can be obtained.

Organization Stunts

The program which starts at 7:00 will consist of various vaudeville stunts under the supervision of the students. These performances will last until 8:00. Under the direction of Walter Allen, the music department will "do its stuff"; the speech department has been trained to put its best foot forward under the tutelage of Pauline Buhlman; Helen Lohr has arranged an enticing program to be put on by the G. A. A.; directed by Harold Paukert, the boys athletic association promises a very amusing stunt; Frank Joswick states that the Margaret Ashmun Club will have a stunt called "The Opory House", and last but by no means least, for the collegiate program, Henry Bannach will head an event to be titled "The Judge and the City Cops". The Junior High School plans to offer a stunt, also.

Faculty Vaudeville

From 8:00 'til 9:30 the auditorium will be the scene of the joyful occasion. There the faculty ladies will entertain with a Female Circus. The men of the faculty are offering a stunt entitled "The Seasons." The third and last act on the vaudeville program in the auditorium, is an act staged by the faculty wives. From all reports this promises to be a most hilarious affair. Doctor Baldwin is directing the Men's act, Miss Leah Diehl is chairman of the Female Circus, and Mrs. Herbert R. Steiner is supervisor of the act of the wives of the faculty.

Students To Be Hoboes

Every one is asked to wear his old clothes, because the frolic is to be an extensive hard-time party. Come as a hobo, gratify that inner longing and be a tramp this one evening, or if you always envied the garbage collector, pretend you are he and dress accordingly.

Hard-Time Dance

In conclusion comes a grand Hobo Dance at 9:30. The orchestra will play the opening strains of that popular thing called jazz and everyone will be invited to repair to the gymnasium to complete the evening with dancing.

Basketball Notice

All young men who are interested in varsity basketball this season will meet in the auditorium, this afternoon at 3:15, for a short session to talk things over, and plan for the coming year. It is mighty important that all those interested be there, so start the season right.

Coach Carl Eggebrecht.

The Pointer, in accordance with its policy of being a students' paper, is glad to publish this article by Allen McVey, and hopes that there will be comments upon it. The idea is worthy of consideration, to say the least. Having worked in other schools, it may work here. Think about it.

OUR SCHOOL TOMORROW, AS IT IS TODAY?

We must make progress or our death knell is sounded. Is Stevens Point College, as it is today, going to be a thing of the past, tomorrow? Progress should be our battle cry as "Forward" is the motto of our state. What improvements should be made? What are the greatest weaknesses in our school life? Comparison shows that our equipment ranks well with other schools. The quality of our student body is good. There are seemingly many weaknesses which can be accredited to lack of proper organization of the students of our school.

Central Wisconsin State Teachers' College needs the following things:

1. Self-supporting, winning athletic teams.
2. A strong, well-organized, school-boosting alumni.
3. A spirited student body.
4. A free, yearly—published college handbook.
5. A well organized student publicity bureau.

These needs exist under our present school system. They have been accredited to the lack of proper organization of student activities.

We cannot blame a single existing organization for these weaknesses. It is not their purpose to meet such needs; they are purely supplementary to our school life, and they have made that accomplishment. It is obvious that a new organization is needed. Shall it be an amalgamation of our existing organizations? No! our present organizations should not be tampered with. To accomplish our purpose, our new organization should contain every member of our student body. Would an associated student organization meet the needs? That is for you to decide.

What is meant by an associated student organization? Let me outline a brief possible structure for it. The Associated Students' Organization should contain all students of the school, organized on a democratic basis for the purpose of promoting the welfare of the school. The executive power being vested in a president, vice president, and secretary. The executive powers would be further vested in the following committees.

1. A committee of finance which would prepare a budget for school expenditures (not administrative), as well as examine and approve all bills.
2. A social committee whose duty is to arrange and supervise the execution of a definite social schedule.
3. An entertainment committee whose purpose is to provide an appropriate, attractive, musical, and artistic entertainment.
4. A publicity committee which is to arrange and supervise a definite schedule of publicity features; such as providing the state press with our college news, a supervision of the publication of the college paper and annual, and special featured programs for the benefit of the high schools.
5. A committee of employment whose purpose is to bring a better coordination between employers and student employees.
6. A Special Student activities committee for promotion of Men's Athletics, Girls' Athletics, forensics, and music.
7. An alumni committee whose main purpose is to keep the school foremost in the minds of the alumni and sponsor such entertainments for them as Homecoming, annual banquet, etc.
8. An advisory committee composed of the vice president and chairmen of other committees for the purpose of settling any controversies that may arise.

Think about an Associated Student Organization. Discuss it with your friends. Talk about it at your organization meetings. Make a decision. Then assert yourselves.
 Allen McVey.

HUMOR
 MORE OR LESS

THE TRUTH

Mr. Steiner: "Do you think we stick too close to the text?"
 M. Smith: "I know that I don't."

BUT SOON, I HOPE

Leander: "Have you heard the last Ford joke?"
 Tack: "Not yet."

NATURE LOVERS

Retta: "Gee, there was a beautiful sunrise this morning."
 Irene: "I don't know. I always get in before that."

SHOULD BE KEPT FOREVER

Wood for making pianos, says a weekly journal, is often kept for forty years. "And even this," said one faculty member, listening to the usual concert during the noon hour, "is not half long enough."

Ray: "Do you know that girl?"
 Chesrown: "Well, not to speak to, but we have a blushing acquaintance."

REMINISCENT

Rezatto: "Doesn't it give you a kind of humble feeling to meet a girl you used to be engaged to long ago?"
 Morrissey: "Yep. Always makes me wonder whether her taste used to be as bad as mine was."

MUSICALLY INCLINED

Alma: "Yes, I'm continually breaking into song."
 Azel: "If you'd ever get the key, you wouldn't have to break in."

A LESSON IN NAIL DRIVING.

Claire Martin (while helping decorate the gym): "Say. How can you drive a nail without hitting your fingers?"
 Richardson: "Take the hammer in both hands."

GEOGRAPHY

Conductor (to Mr. Watson): "Excuse me, sir. Is this lady your wife?"
 Mr. Watson: "I don't know. It depends upon what state we are passing through."

The straight and narrow path is not congested by heavy traffic.

OVERHEARD IN THE SPOT

Greg. C.: "All I've dreamed about for the past week is football."
 Elton Davis: "Well all I've dreamed about for the past four weeks is shoes."
 Mae Gaffney: "Elton, did you ever get a kick out of it?"

WE WOULD ALL LIKE TO KNOW

On the faculty picnic Mr. Roberts inquired why George Schriver hadn't brought his wife with him.

Miss Allen: "What substances do you use in making baking powder?"
 No response.
 Miss Allen: "Why girls, use your heads."

WHAT WE USED TO THINK

I long to be a teacher,
 And before the class to stand
 Books piled high on my desk,
 And a pencil in my hand.

I would not be a student,
 A president or king;
 I long to be a teacher
 And never do a thing.

AUNT WHOZZIT SAYS:—

Spring, summer, autumn, and winter are the principal love-nesting seasons.

Menckens rush in where even Miss Husseys fear to tread.

Boys will be boys, but then what would you expect them to be?

Don't shoot till you finish the Humor Kolum.

Two heads are better than one—when they're on the same shoulder.

Men should be the masters in their love affairs or know the reason why. They usually know the reason why.

He who laughs last is, perhaps, the bird who wanted to tell the story himself.

Two co-eds aren't on speaking terms and as we go to press we haven't found out his name! Succor! Succor!

A GLOSSARY OF
 CAMPUS TERMS

Assembly: The place where some go to talk, some go to listen, some go to sleep, and the rest of us because we have to.

Basketball: A game played with short pants and a whistle. A ball is also used.

Boiler Room: The place where men walk a mile for a Camel.

Campus: The vacant lot on which the Normal was built.

Coach: The man who puts the kick in the football team; also directs other athletics. A director of dramatics is called a stagecoach.

Collegiate: A disease in which the victim goes bareheaded and wears baggy trousers.

SOCIETY

Grammars Entertain Department Members

One of the most interesting Department meetings was held in the Assembly Room, when the Grammar Round Table entertained the other Departments here Wednesday evening, Nov. 16.

The meeting was well attended and a very interesting and pleasant program ensued. The program committee consisted of Faith Herrick, chairman, Pearl Jaaska, and Marjorie Foote.

Several musical numbers were given, Walter Jonas and Martha Forester favored us with a number of vocal selections. The Hawaii Trio played several popular selections. Mildred Foss gave a reading. And last but far from least Mr. Ferdinand Hirzy, one of the business men of this city, gave a very interesting talk, illustrated with pictures, of "A Trip Around the World."

The Grammar Department wishes to extend many thanks to those who took part in the program and helped to make it a great success.

Students Revel At Victory Hop

To complete the grand victory over River Falls last Friday, a big dance was held in the College gym in the evening. The effects of Armistice Day were also carried out.

The gym was beautifully decorated in red, white and blue, under the direction of Miss Carlsten. Miss Margaret Sawyer with the aid of the Primary art class arranged a false ceiling with a large chandelier in the center.

The party was well attended and dancing was enjoyed from eight until eleven thirty. Moen's Blue Streaks furnished the music.

Pledges Perform In Initiation Program

The Margaret Ashmun Society held a regular meeting Wednesday evening.

This was an exceptionally interesting meeting for those who were already members of the society. It was rather a tense hour for the pledges, although all present enjoyed themselves.

The meeting was called in the recreation room at the dormitory, but the program was completed in the auditorium where facilities were more appropriate.

After the program of initiation was carried through, some business was transacted. Miss Pauline Buhlman was elected Vice President of the society. The plans for the All School Frolic were also completed. Refreshments were served at the close of the meeting.

LOYOLA DANCE THURSDAY

The Loyola club held a meeting Thursday evening in the Rural Assembly under the direction of Miss Roach. It was a social meeting for the purpose of the members becoming better acquainted.

About thirty-five were present, enjoying dancing throughout the meeting. Refreshments were served.

Junior High Pupils Give Exhibits, Talks

The Junior High School Department did much to make National Education Week a success in Stevens Point. Invitations were sent to the parents to visit school and thus know what it really is doing for their children.

During the week different classes were devoted to some special purpose. For the eleven o'clock periods, pupils gave speeches pertaining to education. On Thursday and Friday they held an exhibit of projects and posters, and at Thursday's assembly several pupils gave talks on what education does.

The week closed with a contest of seventh and eighth graders on Health Turns.

Seventeen Students Fete Football Men

To commemorate our brilliant victory over River Falls, the sixteen players who participated were feted at a six o'clock dinner party at the Pal Tuesday evening. To Leander Van Hecke and Everett Bright belongs the credit for promoting the affair, and it was greatly enjoyed by all who attended.

Seventeen young men of Point College each took a player as his guest for the evening, and it was with regret that Coach Eggebrecht and Bill Albrecht were unable to attend.

The gang gathered at the Pal, waited for missing team-mates, and when all had gathered, attacked a tasty dinner that only the Pal knows how to serve. "Tiny" Bannach and several others tore through the line of scrimmage for three helpings, and everybody threw the chow for big losses.

When the last lump of sugar was devoured, "Butch" appointed our illustrious orator, Frank Joswick as toast-master, and he in turn called on Captain Harold Paukert who rendered a soul-stirring and emotional talk. The football men were called on for a few words apiece, and Frank Wierenzinski, basket-ball captain, did his stuff. Cheers followed, then jokes, and what rare ones they were!

At 8:30 the party disbanded to divers other places of amusement, each expressing the time worn phrase, "a good time was had by all."

The men who acted as hosts to the warriors are as follows: Fors, Joswick, Williams, Van Hecke, Theis, Bright, Welantzik, Allen, Lasecki, Davis, Wierenzinski, McVey, Morrissey, Breitenstein, Wasrud, Vetter, LaBrot.

Jr. Class Officers Chosen Wednesday

The Junior class held a business meeting Wednesday noon at twelve-fifty. Officers were elected: Miss Elliot, Pres.; Miss Behnke, Vice Pres.; Mr. Lintner, Secretary and Treasurer. It has always been the custom to select the assistant editor-in-chief, and assistant business manager of the Iris from the Junior class. This automatically makes them editor-in-chief and business manager when they are Seniors. Miss Mildred Steinke was elected assistant editor-in-chief, and Mr. Lawrence Beaudin, assistant business manager.

Y. W. C. A. Thankful Contest Commenced

The Y. W. C. A. will hold its weekly meeting Thursday, Nov. 17, 7:30 P. M. at Nelson Hall. There will be a general discussion in which all the girls will be asked to participate.

One of the most interesting Y. W. meetings of the year will be held December 1st at Nelson Hall. The Y. W. C. A. girls will present a modern drama at this meeting which they are now very busy preparing for. Further announcements concerning this meeting will appear in the Pointer at a later date.

The Y. W. girls have started a contest this year. Everyone who cares to, may hand in a paper. The contest is called, "Why I Am Thankful Contest." If you know why you are thankful, why not write it down so others may see it? The contest is on now, so you had better get busy.

These papers must be handed in before noon Nov. 22nd to Mary Hughes, president. Prizes will be awarded for the best themes, and some of the best will be read at the meeting, Nov. 22nd.

G. A. A. Notice

All girls working for points in unorganized sports are to hand in their points each week to their respective sport captains.

The captains for unorganized sports from each department are:

- High School Mary Kucirek
- Grammar Pearl Jaaska
- Home Economics Dora Mae Losby
- Primary Celia Leirech
- Rural Mae Koraten
