## BASKETEERS OPEN CAGE SEASON

### CHRISTMAS FESTIVAL TO BE ELABORATE

New Gym To Be Beautifully Decorated For The Occasion Next Thursday Evening

The traditional Christmas festival will be a real one this year. Music director, Peter J. Michelsen, is sponsoring fantastic plans for the evening, and the event should be more colorful this season than ever before. The students and faculty will assemble in the auditorium next Thursday evening and will march over to the gymnasium where the majority of the program will be held.

#### Beautifully Trimmed

The gymnasium will have a blue starry canopy representing a sky and there will be a huge Christmas tree on the center of the floor. The stage setting will characterize a snow scene while evergreens will be used in the general trimming of the gym.

#### Play To Be Given

Because of the illness of Mr. Michelsen's daughter, Peggy, Mr. Knutzen and Mr. Giovannini will aid in the preparation of the project.

Mr. Knutzen is preparing a play, while Mr. Giovannini is working on the decorations. Novelty Christmas gifts will be distributed to the students.

### Loyola Club Aids Orphans

It has become a tradition in the Loyola Club to prepare a box of Christmas gifts for the boys in the orphanage at Polonia. Each year much real pleasure is derived by the young women and men who devote and evening to this project. We are told that the children there include Loyola with their idea of Santa Claus. Probably this year the need for helping Santa is a little bit greater.

Tonight, the last meeting night of the year, after a short and entertaining program, packages will be wrapped and labelled for individual children. Come prepared to do your bit. Bring a nickel or a dime to help defray the expense.

The Club picture will be taken for the Iris in the College Studio during the evening. This is another reason why every Catholic student should be present.

### Three Faculty Members At Madison Meeting

Pres. F. S. Hyer, Prof. H. R. Steiner, and Prof. C. F. Watson attended the Convention of Schoolmasters at Madison last week. Pres. Hyer left for Madison Wednesday and returned Thursday night. Steiner and Watson represented the school on Friday.

### CHANGE TO NEW DEBATE CASES

The Stevens Point debate teams presented good cases in their non-conference contests with teams from Lawrence College in the auditorium Friday, Dec. 4.

#### E. T. Smith Aids

The debates, which were non decision contests, attracted good crowds both in the afternoon and in the evening. The local debaters were Marlowe Boyle, George Maurer, city; Donald Crocker, Wausau, for the affirmative; Celestine Nuesse, Sturgeon Bay, Cedric Vig, Hawkins, Tom Smith, city, for the negative. The debaters are again meeting with Mr. Smith, discussing their cases. The affirmative case will be somewhat revamped before the team meets the negative in the final practice debate before the holidays. This will be held Tuesday evening, Dec. 15. Laurin Gordon, city, a veteran of two year's experience and several other debaters will be added to the squad.

### Municipal Skating Rink In Fine Shape

A municipal skating rink located at the fair grounds field and occupying the entire football gridiron and adjoining area has been built by the city during the past week.

A "warming shack" is located at the west end of the rink and it is expected that lights will be installed sometime this week. The ice is reported to be in excellent condition and will receive regular floodings during the skating season.

### ALUMNI WHO'S WHO

Class 1897; Pray, Allan T. — 4 yr. Latin Course; Ph. B. and L. L. B., Univ. of Wisconsin, Attorney at Law, Ashland, Wisconsin.

Class 1898; Pease, Peter L. — 2 yr. English Course; Ph. B. University of Wisconsin; 1904, Visual Education Department, Spencer Lens Company, Buffalo, New York.

Class 1907; Reid, Duncan H. — 4 yr. English Course; B. Sci. 1919, University of Wisconsin, Master of Sci., University of Wisconsin, 1922, Professor of Poultry Husbandry, Texas A. and M. College, College Station, Texas.

Class 1908; Phillips, Verna A. — 4 yr. Home Economics Course; Principal of Mission School, Caracas, Venezuela.

Class 1911; Olson, Thomas M. — 2 yr. English Course, B. S. Wisconsin, M. S. A., Iowa Univ. Professor of Dairy Husbandry (Continued on page 3, col. 2)

### Alumni Game And Dance Set For Dec. 29th

According to tradition the annual High school and Alumni basketball game and dance will be held in the High school gym Tuesday, December 29.

The basketball game will start at 8 o'clock followed by dancing until midnight. The proceeds will go to local charity.

Coach Harry Ringdahl's basketball quintet will open its conference schedule at Rhinelander Friday night. Unferth and Eckerston will undoubtedly start as forwards, Bader and Slotwinski guards and Tardiff at center.

### SAINT PAUL TEAM HERE FOR BATTLE

First Preliminary To Be Played With Luther College Tomorrow

The curtain of the current basket-ball season will be rung up next Friday night, when the cage men of C. S. T. C. meet the strong St. Paul Luther College five in their inaugural tussle. The real status of the local cagers, unknown as yet, will be determined in this game.

Twenty men constitute the varsity squad, the result of weeks of trial and elimination. They are Alberts, Thompson, Chvala, Krumm, Cashman, Beppler, Andrae, E. Baker, Richman, Kujath, Winn, Bergerson, Gregory, Schwahn, Klappa, Greene, Seimers, Anderson, Peterson, and Clement.

#### To Work Over Holidays

During the Xmas holidays Coach Kotal plans to keep his boys working, hoping to schedule some practise tilts with some outstanding city teams. An alumni- varsity game has also been proposed, and should receive a lot of support. A home engagement with St. Norbert's and a final preliminary game with Lawrence College will usher in the conference schedule.

#### Unknown Quantity

Whether we have a world-beater or just another team here at C. S. T. C. is unknown even by the coaching staff. They look good on the floor, but what they will do when that whistle blows is the thing. St. Paul Luther is bringing a strong and experienced quintet, which should give them the acid test. The fact that St. Paul Luther also plays Stout and Eau Claire ought to give us a line on the comparative strengths of the schools. Let's see what sort of a team we have.

#### THE CHRISTMAS FESTIVAL

Judging from the elaborate plans that have been drawn for the Christmas Festival a week from tonight, there will be plenty of help needed to decorate the gym. There is a request out, from the people in charge of the affair, for help Wednesday evening. Let's give it to them. A bit of cooperation Thursday evening will aid greatly in the colorful program.

#### A REAL CHRISTMAS

Who said that this would be a poor Christmas?

Now that we appreciate a dollar and haven't very many of them to feel that way about, we perhaps appreciate Christmas more than ever before. The wonderful day is not as commercial an event as it has been in years past. The destitution of people who are not as fortunate as we are and our sacrifices to them, also instill a different atmosphere into the day.

It's going to be a real old-fashioned Christmas!

#### ICE HOCKEY

Twenty-three collegians want to present the school with a team versed in the fastest sport, — hockey. It is somewhat doubtful if the desires of the enthusiasts and their fans will materialize because of lack of funds. The Athletic Association has planned to care for practically everything but ping-pong, but hockey is an upstart in student activities. Regardless of the outcome we understand that the committee is willing to sponsor the new sport.

Now that the new football field has not been sodded we have an excellent opportunity for a skating rink just for college people. It might be a combination skating and hockey rink. Contributions must come from the student body to finance the welcome sheet of ice, and since winter is well set, NOW is the time to do things.

#### RIP WINKLES — WAKE UP!

The old sport's alarm clock is buzzing again, and we will have to fasten our interest on basket ball for the coming months. We have been sleeping since football season was over, (and perhaps dozing when that was on) but now we must snap out of it and, using Kotal's favorite expression, show "The Old Pepper."

Remember, there is a game tomorrow night!

## KOLLIN'S KADDY KAPERS

#### PAGING MISH

Spindler in Psychology class, at phone — "Hello, — Hello, — hello. Yes, he's here. Yes, I'll call him. Mish! God or President Hoover or somebody wants to see you down in the office."

Captain of football team: "Whoever he is, there is a dirty sneak on this squad. In the past week I have lost a set of Stanford shoulder pads, a Yale sweat shirt, a pair of Harvard pants, a Northwestern blanket, and a couple of Y. M. C. A. towels."

The reason why Scotch merchants don't build fire-proof buildings, is that they won't have any reason for a "fire sale."

A college man likes a girl beautiful but dumb — beautiful enough to please him, but dumb enough to like him.

Donahue — "What's a parasite?"

E. Baker — "A parasite is a person who walks through a revolving door without doing his share of the pushing."

Officer — "How did the accident happen?"  
Driver — "My wife fell asleep in the back seat."

(At the tea-room)  
Lu Sorenson — "I have stewed kidneys, boiled tongue, fried liver and pigs feet."

Customer — "Don't tell me your troubles, sister. I'll take an order of steak."

C. Atwell — "You remind me of the seas."

J. Wied — "Wild, restless, and romantic?"

C. Atwell — "No, you make me sick."

Dorothy Kuhl was testing the knowledge of the third graders. Clapping a half dollar on the desk she said sharply, "What is that?"

Instantly a voice from the back row, "Tails."

Green — "Give me a cake of soap."

Kotal — "What kind of soap do you want?"

Green — "I want some soap to wash my head."

Kotal — "Then you want 'Ivory Soap.'"

"There goes another pupil," said the professor as his glass eye rolled down the sink.

"And there, son, you have the story of your dad and the great war."

"Yes, Dad, but why did they need all the other soldiers?"

Policeman — (to motorist who nearly collided) "You should always give half the road to a woman driver."

Bob B. — "I always do when I find out which side of the road she wants."

Salesman — "How did you like the art galleries?"

Mish — "Oh, the pictures are all right, but there aren't any good jokes under them."

"I want a box of cigars, please."

"Yes, madam, a strong cigar?"

"Oh, yes, my husband bites them so."

#### President Hyer Speaks At Rural Life Club

The Rural Assembly was crowded Monday night to hear the address given by Mr. Hyer. In his own inimitable manner he instructed and entertained at the same time. The Club is looking forward to his next appearance, which we hope may occur before the close of the year.

Other numbers on the program included club singing, led by Alex Peterson; baritone solo by Richard Hetts, accompanied by Edward Plank; a saxophone duet by Myrl Justman and Merville Trader with Ruth Johnson accompanying, and a reading by Gladys Roe.

## PARDON! Here's The Rest

Last week we carried a composite story of three class elections, but the Junior class heads, with the exception of the president, were not included. The copy was written but slipped out somewhere.

Besides electing Cedric Vig president, the third year people chose Arthur Thompson, of Stevens Point as Vice-president. Blanche Tyler, a Brandon Home-Ec girl, was selected as the scribe, while Margaret Morris, of Antigo, will hold the purse strings.

#### SMITH AT JOINT MEETING

Professor E. T. Smith, director of the High School Department, attended a joint meeting of the three Retirement Fund boards at Madison Friday. Mr. Smith, who is a past president of the joint union, is a representative of this school on the Normal Retirement Board. The purpose of the meeting was to discuss the possibilities of preventing politics from dabbling with their funds, which now are towering into the millions.

Professor Williams, of Platteville, was elected president of the three boards. The three divisions represented are, Normal, University, and Public School. Professor Ingham, of the University Board, is the retiring president.

# SOCIETY

## ALL SCHOOL PARTY

The last school party before the students embark on their Christmas vacation will be arranged for next Saturday evening in the new gym. The event is being planned by the Grammar Department, and student tickets, long since paid for, will be the only price of admission.

Dancing will begin at 8:30 P. M. and will terminate at 11:30 P. M. The new school orchestra will furnish the music. Mr. and Mrs. C. F. Watson, and Mr. and Mrs. C. D. Jayne will be the chaperones.

## SIGMA TAU DELTA

The regular meeting of Sigma Tau Delta the English fraternity, was held Wednesday, Dec. 2 in Miss Hussey's room at Nelson Hall. After a short business meeting Miss Hanna gave a very interesting report on Willa Cather's new book, "Shadows on the Rock". Miss Margaret Morris followed this by reading several reviews of the book and leading the general discussion. Refreshments were served.

## TAU GAMMA BETA

Tau Gamma Beta sorority invites all the girls and their escorts to a Christmas Formal to be held Friday evening, Dec. 11 at the Parish House. This is a new event in the social year. Tom Temples's orchestra will play for dancing from 9 to 1:00. The price of admission is \$1.50.

## W. A. A.

A regular W. A. A. meeting was held Wednesday, Dec. 2. Plans for the hockey banquet were completed, and it was also decided to hold meetings the fourth Wednesday of the month so as not to conflict with other organization meetings. Interesting talks were given on "Fencing" by Ruth Lippke and on "La Crosse" by Thyrsa Iversen.

A social meeting followed the business meeting. Popcorn and apples were enjoyed by the girls.

Don't forget basketball practice every Tuesday and Thursday, tap dancing on Wednesday. There is to be a tumbling class arranged soon. Those interested sign in Miss Seen's office.

## Hockey Tournament

Have you noticed some of the girls limping around school these last few days? If you had asked one of them what had happened she would have informed you that the "long practiced-for" hockey tournament had been played Saturday, Dec. 5. One game was played in the morning at 10 o'clock. The two teams were the Purple and the Golds. It was an exciting game and the Purples won by one

point 2-1. The same afternoon at 2:30 another game was played between the two teams. The object was for one of the teams to win two games out of three, and the Purples won the afternoon game by just one more point, 4-3, the same as in the morning. After all the excitement, tumbles, kicks and bumps, from the games everyone seemed happy; so Mr. Davidson thought it was a good time to take the pictures of the teams. Be sure to look for them in the Iris.

## Banquet

To top off all the excitement of the day a banquet was given in the gym at 6:30. Olga Leonardson was chairman, and we all owe her a vote of thanks, because everything was just fine. There were two long tables around which were seated the hockey players and the W. A. A. members. At each hockey player's place there was a special favor, for a remembrance of all the fun they had. After the banquet a couple of games were played, then everybody danced to music from the radio. At 8:30 everyone went stumbling home, tired but happy, determined to go out for basketball, because they all knew they would have just as much fun.

Class 1928; Peterson, Lee W. — 4 yr. Rural Supervisors Course; B. Ed., C. S. T. C. 1928. Superintendent of Schools, Pingree, North Dakota.

## CHRISTMAS— SUGGESTIONS!

FIRST — Prepare the list of people to whom you will present gifts—

NEXT — Decide upon the approximate amount you intend to spend—

AND THEN — Visit our stores where you will find a comprehensive selection for Relatives, young and old—At an attractive range of Prices.

Our constant endeavor is to have something for everyone but an early selection is advisable, so come early and "brouse around" to your hearts' content.

# NEW ATHLETIC FIELD MAY BE USED AS RINK

Grading Work And Seven Foot Fence Completed; Finish Next Spring

All grading work and the construction of a seven foot fence surrounding the grounds have been completed on the college's new athletic field.

Work will be resumed next spring when a football field, surrounded by a 220 yard cinder track, will be built. New bleachers, with a 1,000 seating capacity, will also be constructed at that time. The gridiron will face north and south.

### College Hockey Team

Talk and gossip relative to a college hockey team has been floating around the halls of late now that cold weather has arrived. Earl Hochtritt, who is employed at the Portage County Law and Abstract company, has promised to assist local skaters in organizing a team. Hochtritt has played on the Wausau hockey team for the past several years and has the reputation of being an excellent performer on the steel blades.

Mr. Schmeeckle, chairman of the athletic committee, said the new athletic field could be flooded and used as a college rink if approximately \$50 could be raised to meet the cost. Mr. Schmeeckle stated that the expense of building a rink would have to be met by some group other than the athletic committee as that organization's fund has become exhausted. Schmeeckle said he will gladly work with any person or persons interested in a college hockey field.

Our apologies for all the apology that filled this column last week. Tending strictly to sports, as it were, did you know that the champion Milwaukee Teachers team selected "Ollie" Neuberger as an end on their All-Opponent team?

It seems that a varsity hockey team here could find a lot of opposition right in the Teachers College loop, with La Crosse lining up a team, and other schools agitating for one. We have the place, we sure have the climate — and, after listening to some of the boys, it seems we have lots of talent.

An electric score-board has been proposed for the new gym. This would fill a definite need, but Mr. Schmeeckle has informed us that its all a pleasant dream. Still, dreams do come true, don't they, Mr. Schmeeckle? George rises to remark that he hopes some of his do. Only 160 berries are needed to fulfill this one.

These are uneasy days for coaches and ball-players. The ball-players are getting traded off, and some of the coaches are getting bumped off. They're trying to put the skids under Thistlewaite at the "U", and Crisler has been retired from active service at Minnesota.

For the benefit of those who can't afford a school directory we now publish our annual basketball schedule:

Dec. 11	St. Paul Luther	here
Dec. 17	St. Norberts	there
Jan. 8	Lawrence	there

## MARQUETTE

Marquette University maintains a university greenhouse from which flowers are used for the university chapel and office.

## OSHKOSH

With the advent of the winter weather the minds of many of the young men are turning to ice skating, hockey, and the like. Last year the State Teachers College had a hockey team — and a very successful one. Out of a total of seven games played, five were won and two were lost. Games were played with the surrounding cities in the valley.

Practice will start as soon as the cold weather enables a rink to be formed. Many schools including

Stevens Point, Milwaukee, Ripon, and Lawrence have hockey teams, and it is possible that games may be scheduled with them.

In the meantime the hockey team is attempting to get the school's permission to allow them to flood the so-called tennis courts which are on the campus. This enclosed court would make a very good hockey rink.

# NELSON NOTES BY NAT

Everybody

At the Hall is busy helping Santa Claus in some way, and a number of the girls, under Miss Hussey's direction are entertaining with plays at the Margaret Ashmun and Business and Professional Women's Clubs Wednesday and Thursday nights respectively.

Miss Hussey entertained the Psi Beta Chapter of Sigma Tau Delta at Nelson Hall last Wednesday evening.

We are glad to welcome back Miss Loretta Lensing, who has been spending some time at her Rhineland home after an appendicitis operation.

The Misses Estelle Buhl and Frances Johnson assisted Mrs. McCordie, a demonstrator from the University Extension division, at a Meat and Vegetable Canning demonstration at Almond last Friday.

Miss Kathryn Davis spent the week-end with her cousin at Aniwa, and Miss Amy Boeyink visited with relatives at Vesper.

Miss Carol Joerns, of Stevens Point was a guest of Thyrsa Iversen Sunday.

Miss Joy Oleson was visited by Janesville friends Monday.

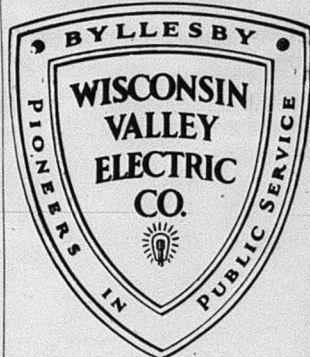

Miss Margaret Mortenson returned after a visit to her mother at a Madison hospital this week-end.

All of us are looking forward to the annual family Christmas dinner party to be held Tuesday, December 15. We are going to have guests, and each table is preparing a song number to be presented at the party. There will be a prize for the best one.

On account of the Christmas party mentioned above Nelson Hall will be at home to all the students on Monday night of next week instead of Tuesday for the after dinner "hop".
