### Famous Chicago Artists To Give Xmas Program Monday

One of the most elaborate and colorful Christmas programs in the history of the college will be given in the auditorium Monday evening Dec. 19, when the Cathedral artists, a group of noted Chicago soloists, will furnish music for the spectacular musical and dramatic production, "The Light Of The World".

#### A Costly Production

As the story is sung, a panorama in natural, living colors will be shown on a large silver screen. It took five years to make this motion picture at a cost of a million and a half francs. The picture was filmed in the Holy Land by a notable French cast. The story follows the four gospels very closely and moves swiftly

from one great climax to another.

#### Notable Singers

Mary Krakowski, brilliant young soprano, is one of the Cathedral artists to appear here Monday. Miss Alma King is the contralto singer. Kenneth Morrow of opera fame is the tenor. Dan Leiner, outstanding soloists with his deep bass voice, will also appear with the Chicago group. Magdalen Massman is the pianist of the company.

#### Free To Students

College students will be admitted on their activity tickets. A limited number of tickets are being sold townspeople. Many reservations for these tickets have already been made. Citizens desiring tickets may call the office.

### "Show-Off," Speech Play, To Be Jan. 10

"The Show-Off", by Gregory Kelley, which was to have been given last Tuesday, will be presented in the College auditorium on Tuesday, January 10. The famous stage comedy is being produced by the Speech classes of Mr. Burroughs for the purpose of raising money for new curtains for the stage.

Miss Agnes Madsen is coaching the play. The production was postponed due to the large number of activities during the past two weeks.

### JUNIORS WILL ELECT "IRIS" EDITOR SOON

Class To Vote On Business Manager Too, Coeds Edit Annual For Past Eight Years

A Junior Class meeting for the purpose of electing an editor and business manager for the 1934 "Iris" (college annual) will be held sometime before the Christmas vacation.

#### A Class Vote

It is expected that the faculty advisers of the annual will select two or three candidates for each of the two positions. These choices will then be submitted to the Juniors for a class vote.

#### Eight Coed Editors

For the past eight years coeds have held the coveted position of editor-in-chief of the annual. The last male student to edit the "Iris" was Carl Maslowski, way back in 1925. Miss Eileen Mueller is editor of the '33 annual. Alta Stauffer edited the '32 edition, Alice Falk in '31, Sadie Espeseth in '30, Mildred Steinke in '29, Margaret Larson in '28, Graal Herrick in '27 and Claire McClellan supervised the 1926 edition.

#### Pictures Soon

Work on this year's annual is well underway, with a subscription campaign now in full swing. Our official photographer "Dave" Davidson is getting his cameras and reflectors polished in preparation for the snapping of group and organization pictures.

### Training School Gives Xmas Play

"The Gift of Love", a nativity play in two scenes, will be enacted by the Intermediate and Junior High divisions of the training school Tuesday, December 20. Miss Bernita Danielson is directing the production. The Training school rhythm band, under the direction of Virgil Pizer, will present several selections.

#### Orchestra To Play

The play is to be given in the new gymnasium at three o'clock in the afternoon. Mr. Michelsen will direct the College Orchestra in several Christmas selections, and the training school chorus will sing carols.

Mr. B. R. Pierce, director of the training school, expressed the hope that college students will attend the pageant, as well as pupils of the lower grades.

#### XMAS VACATION

Christmas vacation starts next Wednesday afternoon at 4 o'clock. Classes will not meet again until next year, that is, Tuesday January 3.

The depression has shrunk many a chimney — tuff sleighing for Santa Claus. At any rate we wish you all a "Merry Xmas and A Happy New Year".

No Pointer next week.

### "HATS OFF" TO THE SENIORS

After all expenses had been paid the Senior Class discovered that it cost them exactly \$15 to entertain the college students and townspeople at their "Ball" last Saturday night.

Everyone who attended the first winter formal party of the year apparently had a good time. The music of Tommy Temple's orchestra, the tumbling snowballs that fell from the balcony, the winter decorations, snow-houses, punch, Xmas trees and other attractions all helped to inject a spirit into the social crowd that only those who attended can appreciate.

Total receipts, after the federal tax was deducted, amounted to \$135. Expenses for the "Ball" totaled to \$150. The red figures that remain represent, what Modernisto termed, "Profit for the Seniors".

Ninety-eight couples attended the dance. Now that the affair is over everyone can see that it was a wise move on the part of the seniors to tax each couple \$1.50 instead of \$1.00. The extra 50 cents kept away very few couples.

Had the crowd been larger the dancing area of the floor would have been congested. Our new gym can comfortably accommodate 100 couples but not many more.

To President Alta Stauffer and the Senior Class of '33 goes the distinction of sponsoring the first Senior Ball in the history of the college. The social success of the affair will undoubtedly establish a precedent here.

### A REAL TREAT MONDAY NIGHT

Just what is "The Light Of The World" is a question that many students are asking one another. It is a musical panorama, telling with the great sacred songs of the world the dramatic and every compelling story of the Master of Men — Jesus of Nazareth. Stevens Point is very fortunate in being able to house such an entertainment.

Accompanying this outstanding panorama will be the Cathedral Artists, who will furnish the music for the production. They are noted Chicago soloists, ranking with the very best.

In perfect synchronization with the singing of these sacred masterpieces will be the presentation of a beautiful panorama in natural colors on a life sized screen. The film is wonderfully hand-colored. The actual scenes were made in Palestine by a notable French company.

It will appear in the college auditorium Monday evening at 8 o'clock. Only college students and 100 townspeople will be admitted to the gala event.

### College Radio News Over WLBL Tomorrow

Leone Cuff will be in charge of this week's college radio hour which will be broadcast over station WLBL tomorrow afternoon at 3 o'clock.

Burton Hotvedt will sketch the college news. Agnes Brenner will give piano solos; Clarence Styza, readings; Muriel Waid, vocal solos; Katherine Wiggins, and Reinetta Reisinger, a Christmas menu. Gerhard Willecke will give a Sports Review.

### "John" Improving At Bay After Operation

Reports from Green Bay state that the condition of John Urbanowski, college janitor for the past 13 years, is very favorable.

"John The Janitor", as he is better known to his multitude of college friends and admirers, underwent a major operation at Green Bay last Friday morning. It is expected that John will be able to return to Stevens Point about the first of the year.

### Seniors vs. Modernisto

Mr. Modernisto:

Having been struck by the untruthfulness of your accusations against the Senior Class of this school, I am taking this opportunity, in behalf of that class, to set forth facts which should allay the quirks of your brain. I write this, now that the much talked of Senior Ball is a thing of history — in order that you may receive facts, not assumptions nor predictions.

In answer to your declaration that the Senior Class is composed of a poor group of managers — your words were "It was very poor management on the part of the Seniors to pay \$75 for Tom Temple when other places get him for \$50" — I need say little; Tom Temple stated that his lowest price was \$65 — a price received at the Capital on a Tuesday nite. We might inform you, also, that all comments on the orchestra and music were favorable. No analogy was heard which would compare the Senior Ball to a public dance at the Capital Dancehall.

The receipts at the Senior Ball amounted to \$150, allowing us \$135 gross profits after paying the 10% tax, \$15, required by the Federal Government. The expenses of our formal were:

Orchestra .....	\$75.00
Invitations .....	8.00
Programs .....	17.00
Decorations .....	50.00

\$150.00

A class treasury reserve covers the slight deficit.

May I again quote from one of your articles, Modernisto? "The Seniors are trying to profit at the expense of the entire student body, claiming that they have to charge \$1.50 in order to break even, whereas in reality they are expectantly hoping to fill the class coffers. Why?" With the facts of the case — unchangeable as they are — before us, using what powers of deduction I possess, I should say that you do not think, refuse to face the facts, or need considerable training in logic.

The Class of '33 is not ashamed of its endeavors and is not going to quarrel with anyone over its Senior Ball — the first of its kind. We feel that the affair was a true success — due to the efforts of our Chaperones and class members — and that no apologies are due. We were happy to have our Faculty as our guests. We are satisfied.

If there are any future comments please address them to the Senior Class of Central State Teachers College. I assure you that they will be given due consideration at a regular class meeting.

### Our Modern Girls

Dear Editor:

We have in our hectic "Modern World", a double standard of both morality and the judging of morality. It is very evident in our "college". Men are privileged members of society, or rather, society is rather privileged to be associated with men. The rest of us are here merely to try to exist in the meager space allotted to a girl. We dare not trespass — for fear of offending some smug personality.

It isn't fair. "We Moderns", — really that term is quite laughable when applied to girls. Modern, far from it. Girls, in certain respects, have not progressed at all since 1870. Some of us have the "colossal Nerve" to attempt to keep up with the fellows in certain ways. Do we get a "big hand" for all our trouble? People merely smile at us and whisper "she thinks she's smart" or "she's easy".

Girls have dared to smoke, a very new idea, isn't it? All our grandmothers and great grandmothers had their pet pipes along with their pet "peeves". It's a lot of fun to have to light a cigarette and then look around nervously, "take a drag" and then shiver with apprehension. We creep around with this trifling pleasure, like a panther stalking his prey. Sneaks! That's what we are, girls. We'll have to face it.

But you and you and everyone of us, cannot help it. We cannot revise our whole code of morals merely to "suit the whims of a few nonsensical kids". We'll have to go on existing, as is, until (and I hope it's before I'm too old to appreciate it) we obtain for all "our older generation" a new outlook on life and on "we moderns".

### Not Always Saints

The holier than thou attitude of the coach and conference representative at Whitewater does not appear so genuine when we come to look into past history. Not many years ago they certified and played Dick Hallisey in a football game with Platteville, and his eligibility was afterward challenged by Oshkosh. Hallisey was declared ineligible because he had overplayed his time on the Whitewater team under the present coach and representative at Whitewater; both of whom should have known of the player's standing on the team when they certified Hallisey on their squad list.

That year Whitewater forfeited the game to Platteville and withdrew Hallisey from the team in the other conference games. At that time, the Conference took it for granted that the Athletic management at Whitewater had made a mistake, but the Conference Representatives did not act like a group of spoiled boys, meet, adopt a group of malicious resolutions insinuating that the administration at Whitewater had lost control of college athletics and make other unsupportable charges against the athletics committee of the college, as the Conference has done this year in respect to our college.

It is unfortunate that there is no court of appeal to which might be referred the charges and accusation made or hinted at by some of the members of the Athletic Conference, and the members who have made the charges be compelled to furnish the evidence upon which these charges or insinuations are based. It is considered contemptible to conduct a whispering campaign in politics. Some members of the Conference seem to think it permissible in our teachers college athletic affairs.

The administration of our college is in the hands of Regent Atwell and President Hyer. Our Athletic Committee is composed of Professors Schmeckle, Watson, Rightsell, and Steiner. It is quite evident that the Conference members do not know these six men. Come out in the open and tell us what you know. We have confidence in the administration here at home.

## POINTERS DOWN ST. NORBERTS IN FIGHTING TILT

**Krumm High Score Man As Kotal Switches Team; Green Bay Packers Also Play**

Depere, Wis., was the scene of the latest Pointer triumph, when Coach Kotal's quintet invaded the St. Norbert's floor to score a decisive 38 to 28 victory over the Saints.

### Guy Krumm "Hot"

Guy Krumm

Guy Krumm was the big gun in the barrage that sank the basketball hopes of the Depere-men. Guy was "hot", and he sank six buckets to lead both teams in scoring. The floor work of Thompson and Larry Bishop was instrumental in piling up the score.

### Coach "Eddie" Kotal

braved the hand of fate when he selected thirteen men to make the trip. Capt. Art Thompson, Larry Bishop, Harry Hansen, Earl Eckerson, Peter Peterson, Guy Krumm, Bob Tardiff, Ralph Bader, Nolan Gregory, Waldo Marsh, Frank Klement, and Milton Anderson were the courtmen called upon.

### Large Crowd Present

The Pointers played before the largest crowd they will see this year in St. Norberts capacious gym. Additional attractions were games between West Green Bay High School and the St. Norberts frosh, and a professional game between the Green Bay Packers and Kimberly.

The game gave Coach Kotal a chance to shuffle his material around in an attempt to find the smoothest combination for the conference race. One innovation was his placing Larry Bishop at a guard post on the Michigan trip.

### St. Norberts Starts Late

The St. Norberts squad was outplayed in the first half, but came back in the last half to hold the Pointers to even terms. Outstanding on the Depere team were Smithwick, a diminutive forward, Heitpas, the center.

## College "B" Team Organized; Play Full Game Schedule

A college "B" basketball team, composed of men who were not quite up to varsity standards, has been formed, and will play a definite schedule of games this winter.

Ed Baker

### Coached By Ed. Baker

The team will be coached by Ed. "Moon" Baker, varsity college guard for the past three years, who is kept from competition this year by the three year eligibility rule. "Ed" should be able to mold quite a court aggregation out of the material he has to work with.

Twenty-five men are trying for "B" team berths at the present time, and when the varsity squad receives its final cut several more gation out of the material with which he has to work.

### Full Schedule Promised

Last year the "B" team, coached by "Vic" Vroble, played a full season of preliminary games before varsity clashes. This year Coach Kotal is endeavoring to line up a regular schedule for the boys, with independent games away from home.

## Boxing Tournament Off Till "Next Year"

Hopes of some twenty would-be boxers were shattered again when Coach Kotal was compelled to announce that the all-college boxing tournament scheduled tentatively for tonight would have to be postponed until after the New Year.

### Can't Work Out

Lack of training facilities was the reason advanced for the postponement. "It would be silly for the boys to try to fight without suitable training", stated Windy Thomas, sponsor of the bouts. The fights will definitely take place on one of the first available dates in January.

### Indoor Sport

Jack Wied has been nursing a cold sore on his upper lip. He claims a change in weather is responsible for the romance sore. Maybe a switch in street addresses has something to do with it.

## SAM'S SPORT SHORTS

Prayer of DePere drug store owners: Lord, keep that Point basketball team away from my door.

We've got a towel from Peter Peterson and a sweat shirt from Guy Krumm — a pair of size nine basketball shoes would be acceptable.

And if the such-and-so who swiped our Newcomer. "Three Centuries of American Literature", will return same to Prof. Norman Knutzen he will earn our undying gratitude and will not be prosecuted.

Did you ever notice Ralph Baders' resemblance to Adolph Hitler? All he lacks is the mustache.

Whitewater started off its cage season the wrong way when they collided with Marquette in their first game. Milwaukee also started in reverse, being bumped by a Y. M. C. A. team.

River Falls, starting the season with a new coach, reports favorable prospects. Stout is facing a seventeen game schedule with a strong team. Oshkosh and Superior are expected to be the class of the league, with our Pointers the dark horse in the race.

Wonder which basketball man they'll protest?

## TRY FOR FIFTH STRAIGHT WIN IN HOME GAME

**Pointers To Try To Repeat Early Win Over Marquette; "B" Team To Play**

College Basketball fans will have their first chance to see their hopefuls in action Saturday evening when Captain Art Thompson will lead the Pointers onto the floor of the new gym to meet the strong Marquette Teachers quintet.

### Win First Game

Art Thompson

The Kotalmen met the Marquette team on their Michigan team and downed them, 48 to 29. This was the first game of the season for Marquette, and they are bound to have improved by the time Saturday rolls around.

Coach Kotal's basketeers will have improved, too, if workouts mean anything. The varsity squad has been working out nightly in the new gym, and with the squad cut to less than twenty men, more individual attention is given to each man.

### Veterans Returning

A veteran squad will face Marquette. Krumm, Peterson, Bishop, and Hansen are all men of veteran experience at the forward posts. Thompson has been one of the outstanding centers in the conference for the past two years. Gregory, Marsh, and Omholt are experienced guards. In addition there are several new men who will make real bids for places on the team.

All students will be admitted to the game upon presentation of their student ticket, according to Mr. Schmecke, head of the Athletic Committee. Students will be asked to occupy the bleachers and gallery on the south side of the gym, while the north side will be reserved for the paying customers. This step is taken to insure a massed cheering section.

**STUDENT BROADCAST**

In Defense Of The Editor

Editor, Pointer:

In the issue of November 17 there was an editorial entitled "The Missing Half". It deplored the fact that but one-half of the student body was interested in the turbulent political campaign to such a degree as to cooperate in the college election on Nov. 8. It advocated that the registration list be taken for the use of the Training School to provide a basis for marking "Training in Citizenship", as is provided on the graph card of every student teacher. In addition it held that the college election of Mr. Hoover was a tribute to the man because he was the choice of thinking and interested people. Although I am a Democrat, I agree decisively with that statement.

Last week "Two Readers", in a frantic attempt to prevent the registration list from being turned over to the Training School to reveal their absence from participation in this student enterprise, objected on the evident grounds that they were too sophisticated to waste their time in an election that didn't even count. They had cast their ballot for a "dummy" Electoral College with millions of voters and had such self-satisfaction that their ballot with 337 people, whom we know, would have been regarded by them as a waste of ink and two minutes of time.

I know that much of the opposition to the editorial came from students with Socialist views. They feared that their political opinion would be injurious to them if revealed. Although they are justified in holding their political faith, they should understand that a registration has nothing to do with their choice of ballot. Perhaps our "Two Readers" were suffering from the same mis-conception.

If the advocacy of the editorial was accepted and the college election became tradition I am sure that all students would be glad to participate in order to give their critics a foundation for a mark in "Training in Citizenship". Registration would then be the same as a classroom exam. A test such as that given in a classroom might also be a "waste of time" but we don't see very many students trying to argue the professor out the idea on the basis of its impracticability.

When the student speakers appeared in the assembly there were plenty of people interested enough to "boo" them. But a good lot of these destructive individuals find it a good deal more difficult to promote a little constructive effort. I'm for the editorial "The Missing Half" strong.

# SOCIETY NEWS

## Y. W. C. A. Xmas Party

In place of the regular meeting tonight, the Y. W. C. A. will have a Christmas party. The affair is in charge of Thyrsa Iverson. It is the custom of the organization for each girl to bring an inexpensive gift to send to the orphanage at Sparta, Wis. If you have any toys that young people might enjoy, give them, for this will probably be a dreary year for the unfortunate children of the orphanage.

## Sigma Tau Delta Meeting

Members of Sigma Tau Delta, honorary English fraternity, were entertained at the home of Miss Syble Mason, 1428 Clark Street, Wednesday evening, Dec. 7th. Miss Mason and Miss Margaret Morris were in charge of the program which consisted of topics dealing with "Writers of English and American Literature during the Last Century". The next meeting of the group will be January 4th at the home of Mr. Allez on 1208 East Normal Avenue.

## Sigma Zetas Meet

Due to vacation schedules, the Sigma Zetas held their regular meeting Tuesday night, December 13th in Mr. Rightsell's lecture room instead of Wednesday, December 21st. The meeting was called to order at 7:30 o'clock by Miss Evelyn Wimpe, Master Scientist of the Zeta chapter. Programs containing the year's activities have been printed and handed to each member of the society. As it has been planned by the program committee, each meeting is being devoted to each one of the sciences. Each meeting has a student chairman and faculty adviser interested in that particular phase of science in charge. Tuesday night's meeting was devoted to "A Phase of Physics" under the chairmanship of Miss Evelyn Wimpe and Mr. Rightsell as faculty adviser.

The next meeting will be devoted to "A Phase of Chemistry" with Harvey Raasoch and Prof. T. A. Rogers in charge.

## Entertain Faculty Wives

Mrs. Peter J. Michelsen and Mrs. Bertha Knutzen entertained wives of the Teachers' college faculty Friday afternoon at a Norwegian Christmas party, held at the Michelsen home, 1302 Main street. Small Christmas trees decorated the rooms and the table for a buffet lunch had as its centerpiece a vase of milk glass edged with blue, brought from Norway many years ago, which was filled with bronze chrysanthemums. Brass candlesticks also brought from Norway, holding red Christmas candles, flanked the vase.

## H. E. Xmas Party

With the advent of the Christmas season most of the societies and organizations are having Christmas parties and entertainments. The Home Economics girls were entertained in great style at their party Monday evening, December 12th in the Home Economics rooms. Miss Ella Mortenson was in charge of the games and entertainment, and Miss Louise Kersten had charge of the refreshments, and do those Home girls know how to cook! Christmas parties do not seem like Christmas ones if the persons involved do not exchange presents. So the girls had to keep up with the fashion of the hour and buy each other a small gift.

A program was enjoyed, consisting of readings by Mrs. Charles F. Watson, flute solos by Otis Michelsen, accompanied by Norman E. Knutzen, and vocal solos by Mr. Knutzen, who played his own accompaniment.

Mrs. Frank S. Hyer and Mrs. Alfred J. Herrick presided at the table, and Ruth Michelsen, Vivian Enge and Alma Anderson, dressed in Norwegian costumes, assisted in serving. Each guest was presented a menu and program card, decorated with a Viking ship on the cover. The menu consisted of typical Norwegian dishes, such as herring salad, sliced tongue, Norwegian bread sandwiches, lefse, Norwegian marmalade, fatigmans bakkels, berlindraser, rosettes, candies, tea and coffee.

## Nelson Hall Notes

Miss Bertha Hussey directed a group of Nelson Hall girls, who entertained at the Woman's Club Monday afternoon. Alta Stauffer played a piano solo, and two vocal duets were sung by Doris Erickson and Sophie Nicolazzo. A one-act French play was given in English verse by Leona Henrichs, Doris Erickson, Jean Lynn, and Marlitta Ziehm. Florence Lemker read "The Gift of the Manger" by Edith Delano. Another one-act Christmas play was presented by Natalie Gorski, Alice Paulson, Florence Lemker, and Evelyn Stephenson. The program was concluded with a piano solo by Helen Lansbach.

Miss Kathryn Novitski, a former dormite, stayed with us this weekend. She came to attend the Senior Ball. Miss Erma Groth spent the weekend with Miss Eunice Peterson at Tigerton.

Miss Katherine McCarthy visited with Miss Helen Ryland at Wisconsin Rapids. Miss Carol Weldon was visited by her parents of Birnamwood Sunday. Miss Carol Joerns of this city was a dinner guest of Miss Thyrsa Iverson Sunday.

# B TEAM TO PLAY PRELIM. GAME

(Continued from page 3, col. 4)

## "B" Team To Play

The college band, under the direction of Mr. Michelsen, will render selections appropriate to the occasion. Another feature will be a preliminary game to be played by the "B" team against a strong opponent. It will pay to go early and see two real games. Admission prices will be 40c. and 25c. No children's tickets will be sold, because the seating capacity of the gym will be taxed if the student body and townspeople turn out as they are expected.

## Do You Know That

— Baron Munchausen of Lucky Strike fame is a character from old German literature; The book dates back to 1785, and the title is "Baron Munchausen's narrative of his marvelous travels and campaigns in Russia. Humbly dedicated and recommended to country gentlemen and, if they please, to be repeated as their own, after a hunt, at horse races, in watering places, and other such polite assemblies "round the bottle and fireside".

## MOTHER GOOSE'S LETTER TO SANTA

Here's a line to Santa Claus  
Who has many pretty things,  
Raymond wants a fool-proof lab,  
And Pete a top that sings,  
Herb could use a kiddy car  
To help him on his way,  
What Norman most would like to have  
He's far too shy to say.

Give little Lu some talking books,  
That cannot be mislaid,  
And Jessie wants some rubber mice  
Of these she's not afraid.  
Bring May a sturdy mixing spoon  
To stir some Irish stew  
Give Bess and Helen pots and pans  
To hold some other "goo".

Joseph needs some bobby pins  
To pin his flowing hair  
And Frankie hopes his gift will be  
Some snappy clothes to wear.  
The Charlie lads want brush and comb  
And Mildred wants a beau.  
Bring Eve some apples red and sweet  
For Eve likes apples so.

Edna would like a picture book  
Or else a motor car,  
Our other Pete some things to eat  
And Mary a nice warm fur.  
To all the rest bring what is best  
And dear Santa as for me  
A nice diploma ribbon tied  
From dear C. S. T. C.

**THE INQUIRING REPORTER**

**The Question:** What do you think of the attitude of other Teachers Colleges toward our athletics?

**Harry Hanson:** I think that it shows that they can't take it.

**Ray Boyer:** I don't think that they're jealous. I think that it would have been different if "Ed-die" had been there.

**Bill Ringness:** I think that it would have been different if Coach had been there at the meeting of the coaches.

**Bernard Siegler:** I think that it was sore-headedness in the interpretation of the rules.

**Oscar Christiansen:** I didn't know that there was an attitude.

**Inez Braun:** I think that it's the bunk, at least as far as White-water is concerned.

**Clarence Schulte:** They have the attitude that just because we at last have championship material that they are privileged to take advantage of us in any way they can to keep us out of the championship.

**Donald Crocker:** I think that it's unsportsmanlike on the part of the other colleges. It shows a childishness that should not be connected with college athletics.

**Morris Skinner:** I don't think it's one bit nice. What do you think about it?

**High School Preps  
Prime For Rhinos**

Stevens Point High School got off to a flying start last Wednesday night by taking Shawano neatly into camp, 18 to 14. The Red Devils flashed a fast breaking offense that is radically different from anything that we have seen in High School basketball in recent years. Outstanding in the game was the work of Broome at guard, Garragahn at center, and Capt. Oligney at forward.

Local fans will have the opportunity of seeing the High School in action on December 16, when Rhinelander appears here in the opening of the conference season.

(Editors note: We present here our private collection of "Student Voices", never before published, and we hope, never again.)

Our first letter is from HORACE McNURE, who writes:

Gentleman: I want to congratulate you on your article on these two waifs of the storm, Gallant Fox and Twenty Grand. In my capacity of horse master of the "Be Kind To Equines" association I have seen that they were well taken care of.

Twenty Grand is running a bar in Puleifer, Wis. and guarantees a kick with every drink. Gallant Fox turned out to be a wolf in sheep's clothing, for he gave a trusting filly in Plover the runaround.

We mustang together.

N. R. Nujol writes: —  
I have been very much interested in your articles on the relative intelligences of men and women. I would say that it is six of one or half a dozen of the other. If the bird is in the bush, he must have good reasons for staying there.

Yours for immediate relief —

**Harlequin Club To  
Hold Try-Outs Soon**

"The Youngest", a three act play written by Phillip Barry, has been selected as the first play to be presented by the reorganized Harlequin Club. Other plays which received serious consideration were "The Changelings", and "Mr. Pim Passes By". The books are to be ordered immediately, and everything will be in readiness for tryouts by the end of next week.

Now, attention, you prospective 'Romeos' and 'Helen Hayes'. Watch the bulletin board closely for the schedule of try-outs. When the books arrive, notice will be made on the bulletin board as to where to get a copy to read. Then the schedule of try-outs will be posted, telling you when to try out for your part. Remember that the only way you can gain admission into the organization is by taking part in one of the Club plays.
