ELECTION DAY FOR STUDENTS TUES., NOV. 8

**Voters Must Register on Monday,
Nov. 7 In Knutzen's Room
On First Floor**

College students are reminded that Tuesday, Nov. 8, is general election day. Cast your vote for president of the United States and for state governor and senator on that date at the college voting booth located in Mr. Knutzen's room.

While millions of citizens throughout the country will be casting their votes for our next president on that day local students likewise will be balloting their decisions.

Students Must Register

Students must register the day before election day, on Monday, Nov. 7, in Mr. Knutzen's room. Members of the social science classes will officiate at the polls. On election day, Nov. 8, the polls will be open in Mr. Knutzen's room from 8 a. m. to 5 p. m.

Everyone Vote

In order to get an accurate and complete election return every student must vote. Don't fail to register on Monday, Nov. 7 and vote on Tuesday, Nov. 8. Other colleges in the state have held similar elections. Some favored Hoover, others Roosevelt. How do we stand?

Student politicians gave you the platforms of the respective parties in assembly this morning. Now give them your vote on election day.

LECTURERS AND OPERA COMPANY HERE, NOV. 2-8

Next Tuesday morning at the regular assembly hour students will be entertained by Phillip Martindale, the horseback lecturer of the Yellowstone. Mr. Martindale has had extensive experience in ranger work and his subject will be brim full of high spots and intimate habits of wild animals. He will also narrate some of his experiences as a ranger.

Opera Coming, Nov. 8

On the following Tuesday evening, Nov. 8, the renowned Hansel and Gretel Opera company will appear in the college auditorium at 8:15 o'clock. Student activity tickets will admit all college students. Townspeople must present their entertainment tickets. Students are asked to leave vacant, rows 3 to 13 in the middle section for townspeople.

Aimee Porter Here

Aimee Porter will entertain at the student assembly on Thursday, Nov. 10. Dr. Robert Parker Miles' lecture presented this morning was gripping, dramatic and intensely human.

"DAD'S DAY"

Saturday afternoon Stevens Point plays Oshkosh. The game marks more than the resumption of a bitter rivalry. It is "Dad's Day". Rouse out your male progenitor (father to you) and bring him to the game. Coach Kotal and the college invite him.

CELESTINE W. NUESSE

Nuesse has taken a prominent part in school organizations and activities. He has participated in both debate and oratory for the past two years, winning the State and Tri-State Oratorical Contests in 1932.

Active In School Affairs

Nuesse is also active in the Margaret Ashmun society, of which he is president, and is a member of the Phi Sigma Epsilon fraternity, Sigma Tau Delta society (pledge), Loyola club, Greek Council representative, Forum, and Harlequin club.

Edward Leuthold, Shawano, co-candidate, and member of the Chi Delta Rho fraternity, lost the race by only a narrow margin. Leuthold received 28 votes to Nuesse's 32.

Sorenson Is Vice President

Alice Sorenson of Stevens Point, was chosen vice president of the class. Fred Cochrane and Alice May Dorsha were the other candidates. Miss Sorenson is also active in school affairs. She is a

SATURDAY IS "DAD'S DAY"

"Dad's Day" is to be celebrated at the local college Saturday afternoon when our ancient rivals, Oshkosh, meet Coach Kotal's gridgers on our new athletic field.

This is the first time in the history of our institution that a Dad's Day has been arranged. Parents and particularly fathers are interested in athletics, especially the old grid game.

Saturday's tilt promises to be one of the toughest on our card. Milwaukee trimmed Oshkosh two weeks ago. Milwaukee beat us by two goals last week. The excitement that will be stirred up this week-end should excite any football fan.

Let's all make it a point to invite our Dads to the big game. The Oshkosh-Point game will afford them real entertainment.

STUDENT ENTERTAINMENT BARGAIN

On Tuesday evening, Nov. 8, at 8:15 o'clock the famous and renowned Hansel and Gretel American Opera company will entertain the student body in the college auditorium. No outsiders will be allowed except the 136 townspeople who purchased entertainment tickets earlier in the season.

Next Tuesday, Nov. 1, Phillip Martindale, the horseback lecturer of the Yellowstone, will give us an interesting account of his experiences as a ranger at the national park. Martindale will address the student body at the regular assembly hour.

We heard the Welsh Singers the first week in October. In looking over the entertainment program we have some 15 other numbers which promise to be just as appealing and amusing as our past ones.

Many of us little realize the amount of money it requires to bring any one of these nationally known organizations or speakers to a platform. The price varies from twenty five dollars to seven or eight hundred dollars and more.

President Hyer has secured practically all of our entertainment numbers at bargain prices by having them stop over on their way to or from some other point. Had it not been for the keen and bargain eye of our President it would have been impossible to secure even a small percentage of the numbers that will be offered us this semester. Students get these entertainments and educational lectures for less than a dollar each semester. Over 15 outstanding numbers will be presented this semester. Not a bad bargain for students when we think it over.

Stauffer Appoints Senior Ball Heads

Plans for the "Senior Ball", which will be held in the new gym on Dec. 10, are being completed and Alta Stauffer, senior president, has appointed committees for the new event which is expected to rival the annual Junior prom.

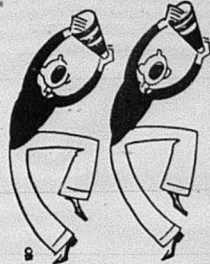

Florence Woboril has been named general chairman. Irl Thurber will take charge of decorations, assisted by Natalie Gorski. Cedric Vig will secure the music. Patricia Cowan has been detailed to invitations. Vera Scheffner will direct the program arrangements. Refreshments are in charge of Jennie Newsome and publicity

will be handled by Samuel Bluthe. There will be a senior class meeting in Mr. Evans' room Tuesday, Nov. 1 at 4 o'clock.

Group Officers Meet With Rogers

The officers of all organizations and classes of the school held a meeting under the direction of Mr. Rogers, chairman of the Social Committee, on Monday evening. The purpose was to clarify committee rules on entertainment. The decision was that any organization planning a social affair, must notify the committee concerning the exact nature of the function.

STUDENT

BROADCAST

A Retaliation

Dear Editor:

We men received a criticism for pushing the stag line out to the middle of the floor at our school dances. How about the women and their habit of herding together like a bunch of sheep in a blizzard after each number? A fellow has to leave his girl and run or get caught in the wild mob that results from this foolishness after every dance. What are seats for?

SITDOWN

Coeditic Impressions

Dear Editor:

In an effort to squelch the brave men who form the receiving line at the east entrance, we hopefully offer the following collections of opinions:

We think that: President Hyer loves his school — watch him when we sing the school song. — Natalie Gorski is a real "inquiring reporter". — Tall people are in luck when the Pointer is distributed. — Mr. Michelsen carries off all honors for sarcasm. — Mr. Collins ought to try radio announcing. He can talk faster than any sports specialist we've heard.

We think that: John the janitor is grand — The students owe a vote of thanks to Clark Gable for starting the turtle necked parade. It saves so much neck washing.

DORMITE

Smells Like a Robber

Dear Editor:

Will the individual who helped himself to the blue corduroy jacket which he found on the third floor near the east stairs kindly return the same to the owner, as the latter did not intend to discard it as yet?

ARTHUR KUSSMANN

P. S. If it doesn't happen to fit why tell me; I have a couple more jackets at home and I'm sure I can give you a fit. Or if you don't like the color I'll be glad to trade even up.

SAYS A SENIOR TO A FROSH

Blessings on you little Frosh
You have lots to learn, "By-Gosh!"
Of the school lore, yell and song,
How to write an essay long,
Or to make a splendid speech
And to try and practice teach;
You must learn to dance and sing
In debate some honors bring;
At C. S. T. C. our greatest pride
Four long years you will reside.

Now you think you're on the spot
Learning lessons we forgot;
But all too soon you'll graduate,
Other Froshes your place will take
You will stand outside the door
Repeat to them the college lore,
Your eyes will dim, your lips will sigh
Like us you'll hate to say "Good-bye!"
And then you'll turn and go your ways
With memories of your college days.
— Y. R. St. Gr. Prince. (Senior)

CROCKER'S CRACKS

Reports from the University of Minnesota's straw vote on the presidential candidates show a two to one preference for President Hoover. How does student preference on our own campus compare with that of Minnesota? We ought to have a pretty fair idea after the election next Tuesday.

Excerpt from a letter written to the editor of the Daily Cardinal, U of W daily paper:

"There is one item that ought to be taken out of your paper, advertising cigarettes. It is bad enough for the young men, but when it comes to the young women, it degrades womanhood."

Signed

J. F. Grunkin

We don't dast be clever about that, but... well, should we give three rousing cheers for Mr. Grunkin?

An American missionary was killed by Chinese bandits recently. The United States should not let this insult to one of its nationals go unpunished. We should demand the Chinese Eastern railway or at least a large hunk of sea port.

We read in the La Crosse "Racquet" that there is a campus movement afoot at that college to revive the ancient and manly custom of Freshman - Sophomore rushes. This has been brought about by a feeling of general dissatisfaction with the present method of Freshman hazing... that of clipping the hair off disrespectful yearlings. Obviously La Crosse is one of them there now naughty rough colleges. We who look on, here in Stevens Point, find it difficult to repress a certain feeling of envy, however, for there are several mats of greasy freshman hair that we would like, oh so much, to get at with a pair of sheep-clippers.

Way down south in the land of cotton

The crop is good but the price is rotten.

"Sin by the individual and by the nation has brought about the depression", the Rev. C. C. Hein, President of the American Lutheran council, declared in a report to the church convention at Fond du Lac recently. "Oh! and here we've been thinking all the time it was Mr. Hoover's fault..."

Heard on the campus the other day...

"Have a cigarette?"

"Oh dear no... I'm practicing teaching!"

OSHKOSH GRIDDERS POINT FOE

KOTALMEN FACE RIVAL TEAM IN GRUDGE BATTLE

Place In Conference Race At Stake As Rival Elevens Clash

Next Saturday afternoon the new Schmeeckle Field will be the setting for the resumption of one of the oldest and most bitter rivalries in Wisconsin when the Pointers meet Coach Kolf's Oshkosh gridders in an important conference game.

Oshkosh Strong

Oshkosh presents a strong team, having dropped a 13 to 7 tilt over to Milwaukee in its first conference game, only to come back to drop Platteville, 12 to 0, and to hold the strong La Crosse Racquets to a scoreless tie.

The local conference record is a bit more impressive, with wins over Whitewater and Eau Claire recorder, but last week's defeat at the hands of Milwaukee more than off-set any imagined advantage over the Saw-dust boys.

Glandt, Barlow Star

Orr Glandt, diminutive quarterback, and "Bud" Barlow, half back, are outstanding for Oshkosh, with Wandrey, a full back, a threat when it comes to bucking the line. Coach Kotal will trot forth an aggregation possessing a distinct offensive threat, but badly shattered in the line, where the loss of Garber, veteran tackle, and Slotwinski, really hurts. In Becker we have the best punter in the conference, and the combination of Becker, Hinkle, Hansen and Omholt gives the locals a hard-hitting, fast backfield.

Last year the Oshkosh gridders defeated the Point in two games, winning the first, 8 to 6, on a muddy field at Oshkosh, and coming here in a post-season game to trounce the locals, 13 to 0. The Kotalmen will try to wipe out these reverses this year.

Band To Play

The local band, under the direction of Mr. Michelsen, will lend a collegiate air to the festivities, and the Oshkosh-musical organization has been invited to attend. Students are expected to fill the same section assigned to them for the Oshkosh game.

SHE: I think dancing makes a girl's feet to big, don't you?

HIM: Yeah.

(Pause)

SHE: I think swimming gives a girl awfully large shoulders, don't you?

HIM: Yeah.

(Pause)

HIM: You must ride quite a lot, too.

(West Point Pointer)

Eligibility Row Threatens Loss Of Garber, Vet Tackle

Ben Garber, veteran tackle and mainstay of the line of the local eleven, has been protested as ineligible, and may not be able to break into the lineup again this season.

Eligibility Protested

Whitewater and Eau Claire have formally protested Garber's playing, on the grounds that he had not completed the semester's work in residence required of all transferred students before they can be eligible for intercollegiate competition. Our contention is that Garber, by carrying half a load last spring and attending summer school, received the necessary credits and has done the equivalent of a semester's work.

The protest will be referred to the Athletic Board consisting of

one representative from each of the Teachers colleges on Nov. 8. If the protest is upheld, the Point will automatically lose the games he has played in, the Whitewater and Eau Claire tilts. Because of this, Garber will not be entered into the lineup again until his status is known, for his participation, in case the protest is allowed, would automatically lose the game for the Pointers.

Team Spirit Hurt

The loss of Garber hurts doubly, for his most efficient understudy, Slotwinski, picked this time to leave school. Added to this is the loss of morale on the team rising from the thought that games fought for may be lost again. Not an encouraging prospect.

College "B" Squad Beaten By Jordan

The college "B" team, coached by Dave Krembs, and accompanied by Mr. Rightsell, invaded the stadium of Jordan College at Menominee, Mich., last Saturday in their first game. Jordan proved too strong for the inexperienced collegians, and pranced down the turf for a 61 to 0 win.

Tough Picking

Members of the "B" team state that the Jordanites were strong enough to give the first stringers plenty to handle. Jordan College is a new institution, with a new athletic field that is even better than our own, according to team members.

Harry Richman captained the local aggregation, with Pat Christian barking signals from the quarterback berth. Other contests for the "B" team will be scheduled if suitable opposition can be found.

Milwaukee's White Wave rolled over Coach Kotal's gridders last Saturday afternoon at Downer field for a 20 to 7 win. The score in no way indicates the real closeness of the game.

Milwaukee Scores

The Peds started off as if they were going to do a Notre Dame march, strolling through the Point line for first down after first down to a touchdown. Several Point penalties aided in this trek for six points. Boll plunged through for the marker. He also kicked for the extra point.

After the initial scoring the game settled down to a hammer-and-tong battle, with Becker's punting giving the Point the edge. Early in the second quarter Boll, Milwaukee captain and chief threat, broke through the line and found the backfield running through signal practise on the other side of the field. He jaunted 65 yards for the second touchdown, and proceeded to make his kick good for the extra point.

Locals Threaten

The locals woke up after that to show some of the stuff that beat Eau Claire. They secured possession of the ball on the Ped's 30 yard line, and Becker, on a delayed buck, broke through the Milwaukee line and squirmed his way through the entire Péd backfield for a thirty yard run touchdown. Becker place kicked for the extra point.

The Kotalmen began another

SAM'S SPORT SHORTS

Of course, it couldn't last, and the string of correct predictions is broken. Somehow, Eau Claire managed to beat Stout, and River Falls, a team which had barely edged out Stout, trimmed the strong Superior team.

All other conference predictions were right — in the case of the Milwaukee game we wish we had been wrong. Outside of the conference Northwestern only tied Purdue instead of winning.

This week it looks as if:

Stevens Point will beat Oshkosh.

Superior will shade Eau Claire.

La Crosse will edge out River Falls.

Milwaukee will trim Platteville.

Wisconsin and Ohio State will tie.

Northwestern will defeat Minnesota.

Michigan will beat Princeton.

Chicago will shade Illinois.

Notre Dame will defeat Pittsburgh.

Stevens Point High will trim Antigo.

We see that the River Falls Student Voice is predicting conference results and hands the championship to Stevens Point. Ah, sweet might-have-beens!

Still, if Milwaukee loses to Platteville and La Crosse defeats River Falls and we beat Oshkosh —, Big little word, that "if".

Other Officers Selected

The class secretary for the year is Elmer Larsen of Stevens Point, who defeated Harry Rickman, Amherst. Kate Wiggins, of Lake Geneva, was elected class treasurer over Ignatius L. P. Mish, of Stevens Point.

Edward Leuthold is to be Men's Room representative for the year.

Debate Teams Will Convene Here In March

The most drastic changes in the history of the Inter-Collegiate Debating League of the Wisconsin Teachers Colleges were tentatively effected at the meeting of a committee held at Eau Claire Saturday. The committee included Mr. C. D. Donaldson, Eau Claire, Chairman, Mr. L. M. Burroughs, Stevens Point, and Mr. W. D. Wyman, River Falls.

Tourney In March

Instead of holding the conference debates on the first Friday in March, as was previously the rule, a tournament will be held at Stevens Point on March 1, 2, and 3, 1933. The tournament will be a "round robin" affair, in which each team will change sides each successive round.

Debate Both Sides

All of the nine State Teachers Colleges will be represented by two teams. Four complete rounds of debates will be held before any team is eliminated. At the end of the fourth round six teams given the lowest percentage ratings will be dropped. From then on until the end the two lowest teams will be eliminated at each round. Another drastic change is the two man team debating both sides of the question, which will be tried for the first time in March.

Debate Try-Outs To Be Held Soon

Mr. L. M. Burroughs, debate coach, will issue a call for college debaters soon after the Teachers convention in Milwaukee. The question for college debate this year is Resolved: That the United States should agree to the cancellation of the allied war debts.

Local debaters are urged to read up on the question before try-outs. Material for this year's squad looks promising with a list of veterans and plenty of new competition available.

touchdown parade in the third quarter, but it ended sadly when Ernst, Milwaukee right end, intercepted a lateral pass and ran 70 yards for the third Ped touchdown. This time Boll missed his try for the extra point.

Hard To Lose

The game was fast and hard fought. Milwaukee had the breaks, but they also had a fast, well coached team that could take advantage of them. The Pointers, handicapped by the loss of Garber and Slotwinski in the line, and the injury of Hinkle, hard-plunging full back, fought gamely, and earned at least a tie. Milwaukee, losing Iocollucci and Irish for almost all the game, had almost equal cause to complain. The game shoves the Point down to second place in conference standing, and gives Milwaukee a first position berth with River Falls.

New Curtains Received For Girls' Room

Curtains for the Girls' Lounge Room have been received. Not quite enough money has been collected to cover the cost, but the girls' organizations are helping to meet the obligations. The drapes are tan with a vari-colored border, green predominating — the color scheme of the room being lavender and green.

Thru the efforts of the Women's Athletic Association and President Hyer, the girls have one of the finest lounge rooms in this state. Of course, it cannot be compared to the Union at Madison in elaborateness of furnishing, but it is, no doubt, appreciated and used just as much — possibly more. Girls, help W. A. A. keep this an inviting place for the women of our college!

One of our members, Lawrence Berdoll, went to church while in Milwaukee last Sunday. He entered a place of worship with a new dollar bill but came out only with a clear conscience and 45 cents. Fifty cents admission and a nickel for the collection box is the rumored itemized account.

A cowpuncher ordered a steak
at a restaurant. The waiter
brought it in rare... very rare.
The cowpuncher looked at it and
demanded that it be returned to
the kitchen and cooked.

"This cooked", snapped the
waiter.

"Cooked?", said our friend, the
puncher, "why I've seen cows hurt
worse than that get well."

(Exchange)

"So he said I was a polished
gentleman, did he?"

"Well yes, it meant the same
thing."

"Ah! What was the exact
word?"

"He said you were a slippery
fellow."

(Exchange)

Irate Father (to slightly in-
ebriated daughter) entering at
three a. m.:

"What does that clock say?"

Daughter: "Tick-tock, and the
days say Bow-Wow and the
cats say Meow."

(The Boston Bean Pot)

"What is the meanest thing you
can do to a woman?"

"Will her a fortune payable at
the age of thirty-five."

(Wisemen's Octopus)

"Was your date a pledge or an

"He was entirely too active for
me!"

Joe College: "Bill is your side-

A kiss is a peculiar proposition.
Of no use to one, yet absolute bliss
for two. The small boy gets it for
nothing, the young man has to lie
for it, and the old man has to buy
it. The baby's right, the lover's
privilege, and the hypocrite's mask.
To a young girl, faith; to a mar-
ried woman, hope; and to an old
maid, charity.

Speech Classes Will Give Plays

Ten and 11 o'clock Speech
classes, under the tutelage of Mr.
Burroughs, have begun work on
several three act plays. One or
possibly two of the farces will be
presented in a public perform-
ance. The plays are being studied
from all angles including produc-
tion-staging, acting, coaching,
and so on. If you see students in
the library or about the halls
apparently muttering to them-
selves, just remember that they
may be trying to learn the score
of a play or attempting some un-
usual vocal feat.

SOCIETY NEWS

Dance Saturday Night

Phi Sigma Epsilon Fraternity will sponsor a dance Saturday night after the Oshkosh game in the New Gymnasium. A special treat is planned in the way of music. Irv. Lutz and his Florida Five will provide the synecopation, and Irv. claims that he is going to give us some real music. High school students and townspeople are invited.

Greek Party Tuesday

An inter-fraternity-sorority party will be held in the new gym next Tuesday evening from 8:30 to 11:30 o'clock. The Greek dance will be restricted to members of Omega Mu Chi, and Tau Gamma Beta sororities and Chi Delta Rho and Phi Sigma Epsilon members and their escorts. Irv. Lutz and his "Florida Entertainers" will furnish the music.

Matinee Dance

There will be a pre-football dance at the old gymnasium Friday afternoon, sponsored by Omega Mu Chi sorority. The Collegians will begin playing at 4:00 sharp. The admission is one dime. Start celebrating Friday afternoon for the victory over Oshkosh on Saturday. Let's go!

Loyola Meets

The Loyola club will meet tonight in the Rural Assembly room at 7:30 o'clock. Everyone be present. A very interesting program has been planned.

Honorary Pledges

Ethelwyn Baerwaldt, Cletus Collins, Patricia Cowan, Carolyn Hanson, Dorothy McLain, Agnes Madsen, Celestine Nuesse, Vera Scheffner, Sigrid Stark, and Clarence Styza pledged Phi Beta Chapter of Sigma Tau Delta at a service held last Monday. The formal initiation service will be held November 7 after a banquet at Nelson Hall.

Meeting Tonight

Tonight from 7:30 to 8:30 the Y. W. C. A. will have another party. Miss Seen will have charge of a very informal discussion and Doris Erickson will see that everyone has a good time playing games and doing tricks. Everyone is urged to come, because there is a good time in store.

Last Thursday's initiation service was very impressive, candle light and light from the fireplace was the only illumination.

Six Pledges Invited Into Greek Groups

Only six pledges, three from each fraternity, will be seen promenading the college halls this semester. Local sororities are not pledging any coeds this term.

Chi Delta Rho fraternity has invited Vaughan Walch, Pitts-ville; Arthur Laabs, Curtiss; and Gilbert Busch, Bonduel, as their pledges. Phi Sigma Epsilon national fraternity has selected Maurice Skinner, Waupaca; Harvey Polzin, Marion; and Tom Smith, city.

The regular pledge period started last week Tuesday and will continue for one month. "Hell Week" will be celebrated the fourth week of pledging.

Blanche Tyler, the former president had charge of the meeting and Rev. Dybvig gave a very inspiring talk.

Don't forget Thursday at 7:30! You won't want to miss the fun.

Nelson Hall Notes

Illustrated songs were the chief form of entertainment at a party given by the new girls in compliment to the "old girls" Tuesday night at nine o'clock. Every year the new girls entertain in return for an initiation party given for them. Carol Worden was in charge of the program, with Mathilda Killian as finance head, and Barbara Fulton, refreshments chairman.

Jane Wright attended the Homecoming festivities at River Falls State Teachers College this week-end. Sigrid Stark returned from Nass, Minnesota, after a week's absence on account of a death in her family.

Three of our girls, Blanche Fobart, Ione Harvey, and Florence Lemker went along with the band to play at the Milwaukee-Point game Saturday. Helen Piehl was there among the rooters.

Miss Rowe, Miss Allen, Miss Carlsten, and Miss Pfeiffer spent the week-end at Miss Rowe's Pelican Lake cottage.

Lorraine Guell of Fond du Lac entertained her mother at the Hall for a few days. Blanche Fobart was visited by her mother, brother, and sister Sunday. Mr. B. Nelson of Woodruff called on his daughter, Eileen, Monday. Ella Mortenson entertained her mother and sister of South Milwaukee at the dormitory Saturday.

Dr. Erich Wisiol, M. D., delivered an interesting lecture on metabolism and its relation to glandular secretion, at a meeting of the Sigma Zeta Science Society last Wednesday, Oct. 19. The college people met in the staff room of St. Michael's hospital. In conjunction with the lecture a demonstration was given of an intricate respiratory machine employed in determining the basic metabolism.

Art Students Make Designs

The Art and Design class, composed of freshman Home Economics girls, and the Art 105 class, made up of students from the Grammar department, have been studying the principles of design and the history of design of the various countries.

These students have made interesting copies of these various designs and have painted them on panels with show card paints. They have chosen 17 different countries as their subjects and have made the following designs: Egyptian, Grecian, Persian, Chinese, Russian, Turkish, Aegian, North American Indians, South American Indians, Javanese, South Sea Islands, Celtic, Coptic, German, Byzantine, Mexican and Assyrian.

Appropriate designs from this group will be chosen as permanent decorations on the panels of the cupboards in the art room. The faculty and students are invited to come into the art room and see these panels.
