

ZORN'S GRIDDERS OUR GUESTS

A HUGE PARADE, DANCE AND HOP TO GREET GRADS

**Plans For College Homecoming
All Set; Eau Claire
To Be Host**

Baseball has taken the background; from Maine to California and from Wisconsin to Florida footballs are thudding against flying feet as thousands of schools settle down to make the coming season bigger than ever "for dear old Rutgers". And here in Stevens Point we are doing our little bit. On October fifteenth Stevens Point locks horns with Eau Claire. But more than that, October fifteenth is Homecoming!

A Huge Parade

Already plans are being made for the most monstrous parade in the history of the institution. But in order to make this event a real success, we must get busy. Students preparing floats are urged to get in touch with Mr. Evans, Miss Carlsten, or Mr. Giovannini.

Prizes To Be Awarded

Of course, prizes are to be awarded. The second prize banner, won two successive years by the W. A. A., and thereby becoming their own has been replaced. Last year the Omega Mu Chi Sorority won the first prize cup. The year before it was Sigma Zeta. This year it will be — well, upper-classmen, look to your laurels, for Dame Rumor has it that some Freshmen have been working on their float since mid-summer.

Also, there is room for stunts. Last year the "Hungry Five" were eating candy for several days after the parade. Mammoth boxes of candy are not to be sneezed at.

Fun Galore For Grads

Probably the most impressive Homecoming program ever attempted is to be carried out. After the parade, the dedication of the field. Then the game; and last, but by no means least, the dance that so popularizes events of this nature. So c'mon, folks, let's get busy and show these returning grads what a "real" homecoming is.

New Cheerleaders Will Stir Up Pep

Veteran and versatile cheerleader "Burt" Hotvedt, has gone into the dark corners and uncovered some real talent. With a

New Rules Adopted By Greek Council; No Sorority Pledges

Greek Council held its first meeting Tuesday evening, September 27, following the sorority and fraternity meetings. This year the council is made up of the following members:

Omega Mu Chi, Roberta Lindow and Margaret Levi; Tau Gamma Beta, Pearl Merrill and Elizabeth Neuberger; Phi Sigma Epsilon, Cedric Vig and Celestine Nuesse; Chi Delta Rho, Donald Duggan and Edward Luethold. Cedric Vig was elected chairman of the organization, and Edward Luethold was elected secretary.

Adopt New Rules

The following list of rules comprised the business of the meeting:

1. A student must be enrolled for at least one semester in C. S. T. C. before he or she is eligible to be "rushed or pledged" by a fraternity or sorority.
2. Rushing for this semester shall commence October 3 and continue through October 10. On October 11 invitations for pledges shall be presented to the respective deans for approval and mailing. The week of October 11 to October 17 inclusive shall be known as "silent week" during which no organization shall engage in rushing or pledging.

Pledging shall begin on Tuesday, October 18 and continue for four weeks, until November 15. The last period of this pledge week shall be known as "hell week", November 8 to 15 inclusive. It is left to the discretion of the fraternity or sorority for the date and manner of formal initiation.

No Paddles In Class

3. No paddles or devices which cause disturbance shall be permitted in the class rooms or halls during the entire pledge period — during school hours.

4. The fourth Tuesday of every month shall be the regular meeting hour of Greek Council.

No Sorority Pledging

Maybe it's lack of material and maybe it's the "depression" but whatever it is, the Omegas and Tau Gams have agreed not to do any pledging this semester. However the real situation is this; — a great many girls from each sorority were graduated last year, and the girls who are left feel that it would be to their advantage to wait until next semester, when they can take more than just two or three girls into the organizations.

Be on your good behavior girls, you're being watched.

Welsh Group To Sing Here Next Tuesday

Next Tuesday morning, Oct. 11, at assembly a real treat is in store for local college students. The world renowned "Welsh Imperial Singers" will again entertain us. The singers have the distinction of being Britain's greatest male ensemble.

Dr. Charles E. Barker's lecture on "How to Get the Most Out Of Life" was presented with a punch in every word to the student body last Tuesday. Dr. Barker was physical adviser to the late William H. Taft, when the latter was president.

whole raft of pep makers in Fritsch, Schwahn, Vaughn, and Holubetz the 756 students should be able to clean up any student body with a moral victory.

Every one knows of Fritsch's ability as a Paul Whiteman, and his cheer leading, has just as many movements. Vaughn and the rest have plenty of "it".

Teachers To Convene Here On Saturday

A convention will be held in the local college this Saturday when 40 professors and teachers from the different colleges and the university of Wisconsin will convene to discuss problems pertaining to geography.

Banquet At Hotel

C. F. Watson, director of the grammar department, said the assembly will open with a business meeting at 9:30 o'clock Saturday morning. In the afternoon at 3 o'clock the guests will be taken on a sight seeing trip. A banquet at Hotel Whiting at 5:30 o'clock will conclude the day's program.

Awarded Our City

In former years the geography instructors meet bi-annually at Madison. Stevens Point is the first city to be awarded the convention outside the capital city. Hereafter the group will meet annually.

HIGH SCHOOL TO DEDICATE NEW GRIDIRON

**Coach Cabby Ewers' Gridders
From Wausau To Play
Here Saturday**

Stevens Point High school will officially dedicate its new George Athletic field this Saturday with Coach Cabby Ewers and his strong Wausau eleven furnishing the opposition for the local press.

Game at 2:30

A dedication ceremony will precede the game. The High school band, under the direction of R. R. Grindle, will be on hand and other features will be included on the program. The game will start at 2:30 o'clock.

Last Saturday Coach Harry Ringdahl's gridders battled a scoreless tie with Marshfield while Wausau nipped Shawano, 14 to 13. Both teams are mentioned as contenders for the valley championship. Saturday's tilt will at least eliminate one of them temporarily.

Ticket Sale Friday

Ray A. Goerke, High school financier, stated that college students may purchase their tickets at the regular student price by buying their tickets at the High school Friday afternoon. A new steel fence encircles the entire field area. No cars are allowed inside the new athletic field.

FREE TICKETS TO LOCAL SHOW

Last week's winners of the free Fox theatre ticket contest were Doris Leavens, Mosinee; Pete Peterson, Amherst; and Miss May Roach of the faculty. If you can correctly spell your name from any one of the three lines below report to the Pointer editor. The complimentary tickets are good at the local theatre anytime.

The winners below include one coed, one male student, and one faculty member:

- (First Winner) - REDSONANLORAC
- (Second Winner) - HOLDEDRAWTUEL
- (Third Winner) - NIPLERDSRANKFN

Published Weekly at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

OUR PREPS TAKE US WRONG

We have received several letters during the past few weeks from High school students relative to our all school and college parties. Apparently they have misinterpreted the meaning of the action taken by our college on this point.

We heartily agree with the action of T. A. Rogers and his social committee in prohibiting outsiders from our private all school parties. We don't try to break in on a Rotary club, young married couples', or High school dance. Why should they be entitled to invite themselves to ours? After our 800 students jam into the gym we hardly have room for more.

However, this action only applies to our school parties. High school students and townspeople are always welcome to our college dances after football and basketball games. Our homecoming game is next week and we openly invite all people to the dance in our new gym at night. We are not overlooking the fact that some of our present High school students will comprise our college group in a few short years. We enjoy having them mix with us and we always try to give them a warm welcome here.

But, to ask a little privacy at our class and college parties, surely isn't stamping on the toes of our prep students or townspeople. When admission is charged at our dances, High school students are taxed the same price as college students. A rumor had it that they were being taxed a higher rate. Townspeople, however, are charged the regular outsider admission.

Let's bury the hatchet. To prove our statement we invite all High school students and townspeople to our big homecoming game and dance on Saturday, Oct. 15.

OUR CLASS ELECTIONS AND POLITICS

Class elections will be held on Thursday, Oct. 20, at 11 o'clock after the regular assembly hour. Students should take this matter seriously. Your selection of class officers will, to a great extent, determine the activeness and stability of your group during the coming year. You have two weeks in which to acquaint yourselves with your fellow classmen. Now is the time to scout around for candidates.

Every wide-awake college has a certain amount of politics in it — and we have reason to believe that students will find it here. Our recent state primary election shifted the political power from one group to another, partly because of a powerful and successful campaign drive. As college students we should have sufficient initiative and enthusiasm in politics to be concerned in class elections.

When we vote for our officers two weeks hence, let's vote with a serious intent — and let's forget our High school tricks. Pick out your choice of class officers and start campaigning for them now. Why not make Thursday, Oct. 20, a real political day in the local college?

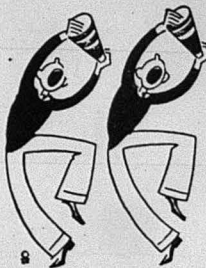

Hard Times Hit Madison Houses

Five fraternity and two sorority houses active on the University of Wisconsin campus in 1931, have been forced to close their doors because of financial difficulties during the last 12 months. This report was issued by Scott H. Goodnight, dean of men.

REMEMBER

The Humor Contest sponsored by the Pointer closes Next Monday, Oct. 10. Three big prizes for the best jokes or funny stories submitted. Drop your entries in the Pointer mail box on the third floor.

STUDENT

BROADCAST

Dear Editor:

I notice you are giving free subscriptions for humor furnished your paper. I nominate you, for the remark which reads, "They, (Carleton) will expect to meet the President, and play some other outstanding teams on the eastern coast". I am informed by my neighbor who has voted the Democratic ticket for forty years that the President is not even an outstanding man, let alone team. With a batting average of .350, how can he be?

Yours truly,
JOHN SMITH, Sr.,
City Delivery Route,
Stevens Point, Wis.

"FROM THE JANITOR'S DUSTPAN"

These are the things that we read about: Eddie Kotal plans Boxing bouts. Four new cheer leaders make us yell. Point plans Whitewater's funeral knell. Giovanni is back again. And a new Prof here called Mr. Reppen A bunch of wranglers form a club called Bloo. Carleton's win termed not a shock. Mish sells directories hand over fist. He's one man they can't resist. Debaters plan a quarrelsome year. Their state tourney will be held right here. And L'il Arthur is the Men's Room head. Homecoming is due, and that's 'nuff sed'.

"John The Janitor"

LESS NOISE PLEASE

Dear Editor:
As long as this is going to be a free-for all Vox Pop, may I criticize some of the "kids" in our large classes. Certain of our professors have the right opinion that college students should maintain their own discipline. Taking advantage of this theory and the large classes, some students make such an infernal racket in the back seats that the lecture cannot be heard by those believing that this is a school and not a sewing circle.

BOOK WORM

NO EXCEPTIONS TO THE RULES

Dear Editor:
Remember last spring that the Greek Council made a bunch of much needed rules? Now let's see if all the organizations will abide by them.

TONY DA GREEK

AN HONEST DEBTOR

Plover, Wis., R. 1.
Sept. 20, 1932

Mr. Frank Spindler,
Stevens Point, Wis.
Dear Mr. Spindler:

Last year while I was attending college, I borrowed some money from the Student Loan Fund. Now that I am earning and in a position to pay it back I would like to know where I would find the note and to whom I should go to pay it.

I would appreciate very much if

RADIO PROGRAM IS ANNOUNCED

The Purple and Gold Radio Hour, to be broadcast over station WLBL at three o'clock Friday afternoon will include several piano solos by Mrs. Carol Van Buskirk, several popular piano numbers by Donald Halverson, the College News by Burton Hotvedt, numbers by a trio, XYZ, Home Economics hints, and several violin solos by Fritz Knudsen. A very clever playlet, "Don't Tell My Wife", has been adapted from a story in *Colliers Weekly*. Gerhard Willecke is in charge of this week's program. He will also do the announcing.

You could give me this information. I am enclosing a stamped envelope.

Sincerely

LOUELLA LEARY

P. S. This is the kind of a letter that the committee on student loans delight to receive. Such letters show that our students still believe in the fine virtue of meeting their entailed obligations.

F. N. S.

Dear Editor:

I have written a poem on the men's lounge. You may publish it if you care to.

MEN'S LOUNGE

Lounge set around the room,
Lots of lazy chairs,
Checker boards, a radio,
Some tables here and there.

Pennants hang upon the wall,
School colors form the drapes,
A gathering place for carefree lads,
Exchanging tales of scrapes.

Some are resting on the lounges,
Some sit reading in the chairs,
Some sit at ease and listen
To what's coming via the air.

Mayhap it is a baseball game,
Score standing—two to three;
Mayhap it is some music,
Makes you dream so happily.

What ever a fellow wants to do,
In the way of rest and fun;
This room is just the place to be,
'Tis used by everyone.

When're you want to slip away
When duty seems to irk,
Just tarry a bit within this room,
You'll gain new heart for work.

Here you find friendship good and true,
Here rare camaraderie,
Fellowship and happiness,
The soul of C. S. T. C.

HERBERT W. SEE,
Gilman, Wis.

CONSOLATION FOR THE PREPS

Dear Editor:

Of course there are high school students who will feel hurt now that social committee dances will be limited to the college students, who originally pay for them. The argument will be that the preps are good enough when we want their money but unwelcome when they haven't any. As a student I believe that the Preps should not take that attitude. Paid dances are never as crowded, but it is logical that college students should have first preference, and there just isn't room at a free dance for a second preference.

LOUNGE ROOM LIZARD

LOCALS TO OPEN AT WHITEWATER

GRIDDERS SET FOR HOT SCRAP IN ENEMY CAMP

Kotalmen To Leave Friday Noon For Southern Battle; Squad Fit

Conference football makes its bow next Saturday afternoon, when Coach Kotal takes his gridders to Whitewater to meet the strong Purwhite squad.

Gridiron Grudge

The Southerners have always been tough picking for the locals. Last year they careened down the local gridiron for a 14 to 0 win, and shame forbids our mentioning the score of the year previous. However, this is another year. If you don't believe it, look at the calendar.

The Pointers will be in shape for the Whitewater game, according to trainer Shafton. Garber will be fit to go, and Christenson and Reimer are in perfect trim.

After the Whitewater game local fans are looking forward to the big game of the home season, the Homecoming tilt with Eau Claire.

Strong Team

The Whitewater team numbers many veterans of last year's play, and their new material is outstanding, observers state. Last Friday night they indulged in their final warmup for the Point game, meeting St. Viator's College of Kankakee, Ill. Coach Kotal scouted the game, and brought back a good idea of the Whitewater style of play.

A student send-off is expected to start the team out in the right frame of mind to bring back that game.

COLLEGE BOUTS TO BE HELD ON ATHLETIC FIELD

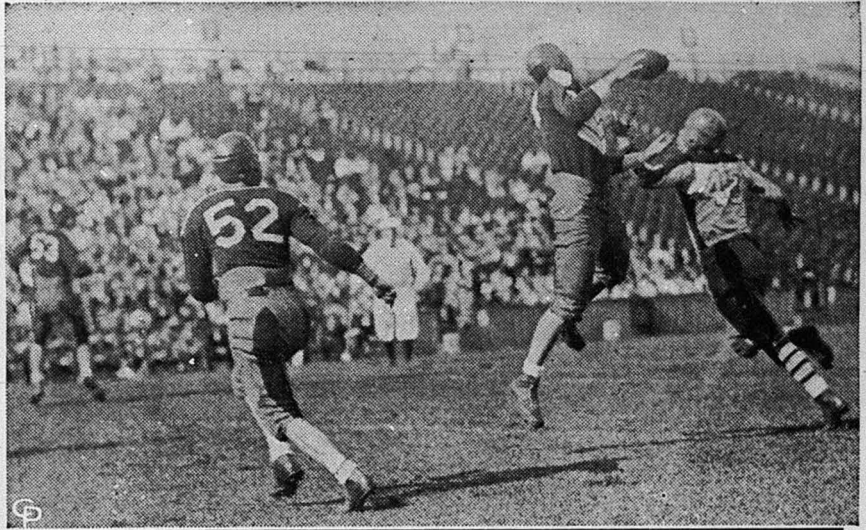

"Windy" Thomas Directs Pugs In Workouts For The Glove Tourney

Another boxing tournament, staged by "Windy" Thomas and presented by the Athletic Association, is planned for the near future, according to Coach Kotal.

A Real Show

Those who saw the fights held in the new gym last spring will appreciate the treat in store for them this fall.

"Windy", the school's outstanding professional boxer, is working out a group of ambitious leather pushers, showing them the

SAM'S SPORT SHORTS

Conference football is not regarded very highly by Milwaukee sports writers. They write that the conference looks quite weak.

For instance, Oshkosh was not impressive, although they beat, 13 to 7, Marquette, Michigan. River Falls didn't show exceptional strength in defeating Macalester.

Superior and Milwaukee alone have shown strength, the Peds defeating Elmhurst, and Superior snowing under her opening opponent.

Stout and Eau Claire are not particularly strong, while our own Kotalmen took it on the chin from Carleton.

And at this time every year, ladies and gentlemen, we start predicting football results. Last year we batted about .500, which is pretty fair guessing.

Next Saturday's results should be: Stevens Point to beat Whitewater La Crosse to whip Platteville Milwaukee to take Oshkosh River Falls to beat Stout Wisconsin to trim Iowa Point High to edge out Wausau

fine points of the game, and getting them in shape.

Held Outdoors

According to tentative plans, the fights will be staged on the new athletic field, under installed lights. The following men have signified their intention of engaging in this form of modified murder:

Garber, Riemer, Omholt, Greene, Abel, Koehl, Auby, Fritsch, Roshak, Willecke.

Cross Country Team Proposed

A varsity cross-country team, planned last year, but dropped because of lack of financial backing, has been proposed again by Coach Kotal.

Veteran Material

The fine showing made by the Point tracksters is undoubtedly a factor in the renewed interest in the sport. Track lettermen, such as Scribner and Reichert, could provide a veteran nucleus to the harrier squad.

Real Competition

Another point in the favor of the cross-country team is the possibility of conference competition. Milwaukee has always had a strong harrier squad, and other colleges can provide suitable opposition.

Men who have signified their intention of going out for the team are:

Greene, Koehl, Scribner, Reichert, Mills, Tutt, A. Baker, McDonald, H. Mueller, Ringness, Roberts.

Student Managers Will Be Assisted

The call issued by managers Harris Shafton and Bill Herriek brought out many applicants for the job of assistant manager. Out of these were selected three men—Gilbert Busch, Bonduel; Ray Urbanowski, city; and Albin Dumphy, also from Stevens Point.

After one year of service as assistant the two managers and Coach Kotal will select a manager for next year. When the manager has served a year he will be awarded an "S" sweater. Next year one of the assistants will be chosen to fill the vacancies to be left by Shafton and Herriek who expect to enroll at Wisconsin.

SCORING CHANCE STOPPED BY GUN AT END OF HALF

Marshfield And Point Fail To Score In Stiff Opener

VALLEY STANDINGS

	W	L	T	Pct.
Merrill	2	0	0	1.000
Nekoosa	1	0	0	1.000
Antigo	1	0	0	1.000
Wisconsin Rapids	1	1	0	.500
Stevens Point	0	0	1	.000
Marshfield	0	0	1	.000
Wausau	0	0	0	.000
Rhineland	0	2	0	.000
Tomahawk	0	2	0	.000

Saturday's Results

Stevens Point 0, Marshfield 0. Nekoosa 7, Rhineland 2. Antigo 28, Wisconsin Rapids 0. Merrill 33, Tomahawk 0. Wausau 14, Shawano 13.

Next Week's Games

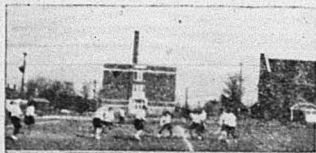

Wausau at Stevens Point. Merrill at Antigo. Marshfield at Wisconsin Rapids. Tomahawk at Rhineland.

A bitterly fought game between the Stevens Point preps and Marshfield High School ended in a scoreless tie at Lincoln field, Wisconsin Rapids, Saturday. Although the Pointers literally "mopped up the field" with Marshfield, reeling off seven first downs to the Wood County gridders two, they lacked the scoring punch.

Pointers Threaten

A wonderful scoring chance was missed late in the second quarter, when they had the ball on Marshfield's four-yard line and were unable to put it over in the half-minute remaining.

Girls' Hockey

COEDS ENJOY SPORTS

Many have reported for the fall sports for women. About a dozen girls are in the advanced tennis class. The riding class includes thirty-one. Archery claims twenty-four students while hockey draws the largest group — forty girls. It is not too late to report yet. If you are interested in any or several of the activities, report at the regular practice hour.

HAMBURGER STAND

The first regular meeting of the Women's Athletic Association was held Wednesday, September 28, in the Girls' Lounge Room. After the routine and special business were taken care of, including all Homecoming arrangements, Professor Culver spoke on Sports, in general, and Archery, in particular.

W. A. A. will sponsor a hamburger stand on the Athletic Field during the Homecoming Game. Watch for further announcements of this feature!!

Hot Dog Feed

Last Thursday fifty girls hiked to Scribner's for a hot dog feed. Hot dogs were only a few of the victuals upon which the girls feasted. After most of the viands were capably disposed of, the girls gathered round the bonfire for a "sing", including folk and popular songs.

JOIN Y. W. C. A.

If you haven't already signed up and you do want to join Y. W. this year, see one of the Cabinet Members immediately. Next Thursday the initiation service for all new members will be held. Watch the bulletin board for announcement of the place and time.

THERE WILL BE A CABINET MEETING TONITE AT 7:30 IN THE RECREATION ROOM OF NELSON HALL.

Thompson Elected Michelsen Forms Men's Room Head New Band Group

Arthur Thompson, senior, was elected Chairman of the House Committee, at the last Dean's meeting. The other members of this group will be selected, one from each class, as soon as the class meetings are held. The committee will have charge of the men's lounge room, where improvements, through President Hyers' efforts, have made it a very "clubby" meeting place.

ADVANCED TENNIS

From 4:30 to 5:30 o'clock on Mondays, one may see advanced tennis players improving their technique. Beginning lessons are given in all gym classes. All girls interested in tennis are urged to practice whenever possible. When you have mastered the fundamental strokes of the game, come to the Monday evening practices.

RIDING LESSONS

The class in horseback riding started its maneuvers Saturday morning at the Riding Academy with a two hour lesson in mounting, dismounting, seating, saddles, and other material necessary for good horsemanship. About thirty girls have signed up for this type of Phy. Ed. work.

GIRLS HIKE

On Wednesday evening, September 21, more than 50 girls hiked to the Old Waterworks Park for a hamburger feed. And were those hamburgers good? One had to be there to appreciate the extraordinary "goodness". After the feed, Thyra Iverson, president of W. A. A., introduced each of the Sportheads, who in turn told something significant about the particular sport of which she has charge.

SOCIETY NEWS

"Bloc" Meets Tonight

Members of the recently organized "Bloc" club will hold their regular bi-monthly meeting to-night at the home of Tom Smith, 500 Division street. Mr. J. R. Pfiffner, local attorney, will be a guest speaker. Last week the organization held its first meeting at the home of Professor Norman Knutzen, 1204 East Normal Ave. Professor E. T. Smith and Capt. Ferdinand A. Hirzy were the club's guests last week. The club membership is limited to nine. Burton Hotvedt is chairman.

Fraternity Dance

The Chi Delta Rho fraternity will sponsor a dancing party next Saturday evening. The dance will be held in the new gymnasium and the music will be furnished by Ray Jacobs' six piece orchestra. Chaperones for the affair will be Mr. and Mrs. Rightsell, and Mr. Knutzen. A small admission price will be charged.

Soph. Party

A record crowd attended the dancing party last Saturday night in the new gymnasium. Ben Mannis and his seven-piece orchestra furnished the music for the evening. The Sophomores, under the direction of Richard Schwahn in cooperation with the social committee, sponsored the delightful party. Mr. and Mrs. Schmecke were the chaperones for the evening.

Phi Sig Smoker

Phi Sigma Epsilon fraternity entertained prospective pledges at a smoker at the Gingham Tea Room on Tuesday evening. Refreshments were served.

Dorm Dance

A very congenial crowd gathered at Nelson Hall for a dancing party, Friday evening. Music was furnished by the most human of orchestras, the player piano. The receipts are to be used for the Nelson Hall Homecoming Float.

Rural Life Club

The second meeting of the Rural Life Club was held Monday night, October 3, in the Rural Assembly room. A very interesting program was in store for the members. Community singing was led by Roland Koyen after which Irl Thurber, the president of the organization, gave a short address. His talk conveyed to the new members the thought of how much the Rural Life Club had meant to him as a former student. Two vocal solos were given by Roland Koyen, "Danny Boy" and "Brown Bird Singing." An interesting recitation in Swedish dialect was also given, and Mr. Neale showed and interpreted several of his favorite pictures.

Prof. Reppen Joins Local Faculty Staff

Professor Nels O. Reppen, Madison, has been added to the local college faculty, a step necessitated by the large enrollment. He will be an instructor in History and Economics. Reppen will occupy a class room on the third floor, adjoining Mr. Spindler's room.

Has Doctor Degree

Our new member received his Doctor of Philosophy degree from Wisconsin last June. He has had teaching experience at the University of Wisconsin and at various teachers colleges in Illinois and Wisconsin.

Fraternity Brothers

Mr. and Mrs. Reppen will reside in Stevens Point. They have no children. Professor Reppen is a member of Phi Delta Kappa educational fraternity of which Professors Smith, Steiner, Mott and Schmecke also are members.

Primary Parents Day

Members of the college primary department are having their first annual "Parents Day" Friday, October 14. In the morning the parents will visit the different classes. A luncheon will be given then at Nelson hall at noon and an assembly program in the afternoon at 3 o'clock. A reception will be held in the Home Economic rooms at 4 o'clock. Miss Susan Colman, director of the primary department, extends a cordial invitation to all parents of primary students and to all faculty members.

New Singers Turn Out For Mixed Chorus

According to Professor Peter J. Michelsen, over 75 reported for mixed chorus tryouts on Monday night. The number is almost double that of last year and, with the addition of several more voices, it is expected that the chorus will be greatly improved.

To Work On Opera

Perhaps the most important function of the chorus this year will be the rendering of all vocal selections from the opera "Faust", by Gounod, to be presented before the assembly sometime in March.

The music has arrived, and the College orchestra is now practising for its part in the opera.

"Iris" Staff To Be Picked Soon

Plans for the new 1932 "Iris", annual yearbook of Central State Teachers college, is well underway. The officers chosen last year by the Junior class are Eileen Mueller, editor; and Art Thompson, business manager.

Mr. T. A. Rogers is the faculty adviser. The selection of a complete staff, at the first class meeting, will start the work of the annual yearbook.

NEW SYSTEM TO BE ADOPTED FOR LOCAL DEBATERS

Stevens Point Is Chosen As Site For Tourney; Many Veterans Back

Intercollegiate debates this year will be conducted under a new system, according to Prof. Leland M. Burroughs, head of the speech department. The old plan of three-men teams with debates held at each of the nine colleges in the league has given place to what is known as the "two-man tournament system".

Tourney Held Here

C. S. T. C. has been honored in being chosen as the place for this year's tournament. Every teachers college in the state will send its debate teams here for competition... the winners of the tournament to be adjudged the state champions. Each team will be expected to debate both the negative and affirmative sides of the question.

Plans Being Drawn

The "Council of Three", the executives of the debating league, the members of which are; Professor Burroughs of C. S. T. C., Mr. Williams of River Falls, and Mr. Donaldson of Eau Claire, will meet Oct. 8 at Eau Claire to draw up final tournament plans for recommendation to the Milwaukee convention.

The question chosen for debate this year is; Resolved, That all banking functions should be regulated by the federal government with deposits guaranteed.

Squad of 12

The debate squad this year, according to Mr. Burroughs, will be composed of twelve men. The competitive system will determine which two teams will have the honor of representing the school in the state tournament. All prospective debaters are advised to acquaint themselves with the details of the question and be prepared for the call for candidates which will come sometime within the next few weeks.

Veterans Back

It is expected that competition this year will be unusually keen, inasmuch as many of last year's squad will be back and a number of students with successful high school records are proposing to try out. Those with college debating records who are expected to turn out are: Celestine Nuess, Alta Stauffer, Cedric Vig, Donald Crocker, Burton Hotvedt, Marlowe Boyle, Clarence Stzya, Tom Smith, and Frank Werner.

CROCKER'S CRACKS

It is interesting to note that the State Teachers College at Milwaukee turned away 250 of 700 applicants for admission to the freshman class this year. The reason for this wholesale rejection, according to John C. Lazenby, chairman of the committee on admissions, is found in the lack of teaching room and the shortage of faculty members.

We hear a party at the Waupaca lakes last week-end resulted in four stiff necks. Baseball or fishing?

Every state and 48 nations send students to the University of Wisconsin.

Quoting C. L. Christensen, Dean of the College of Agriculture, University of Wisconsin: "Today, in the midst of an economic depression, there remains one thing in our American life which has not depreciated in value and that is education."

Needy students last year borrowed \$50,000 from Wisconsin University.

A college education shows a man how little other people know.

Some rival sorority sent a negro woman to the Kappa House during rushing at Madison. It is said that she was given the cold shoulder because she wore red shoes.

"The best armour is to keep out of gun-shot". (Bacon)

You can find plenty of work in Stevens Point, but no one will pay you to do it.

"If I were twenty years younger and confronted with this crisis (depression) I would try very hard to continue my education... because in this new world which will emerge from this crisis there will be a demand for greater skill, better education, and broader understanding." (Glenn Frank, Pres. University of Wisconsin.)

A cat nearly broke up the Rural Life Club Meeting Tuesday night when it jumped on the piano keys. "You're right," the wags piped, "Kitten on the Keys".

Illinois Students Not Allowed Autos

Students at the University of Illinois will have to do their parking on benches or davenport instead of cars hereafter as a result of the new law concerning automobiles, which was recently put into effect.

Only upon written request of their parents may students at the university drive cars. A \$2 license fee will be charged for the privilege and no student may drive an automobile outside the city limits of Champaign-Urbana, except in cases of demonstrated necessity.

Ben Mannis Forms New Junior Band

Plans are well under way for the organization of a Junior band. Ben Mannis, a practice teacher in the Junior high school, has five active members at present. With the help of some new instruments the band is expected to grow to about twenty. A few members of the regular band will be used until they qualify for Mr. Michelsen's senior organization.

- '32 Kjer, Earl S., 2 yr. State Graded Prin. Tehr. High School and Principal City Grades, Oconto Falls.

MANY BOOKS ARE ADDED HERE

Among the new books to be received at the library will be the very valuable and interesting set of 24 volumes, The Dictionary of National Biography. This set is an outstanding one of English Biography. It is edited by Leslie Stephen and Sidney Lee. The work contains signed articles by specialists, some 30,935 biographies exclusive of living persons. The book dates way back to the times of the Caesars and continues through, taking up some of the leaders who migrated to the English colonies in America.

Fiction Synopsis

Another handy book is the "Guide to Best Fiction," by Ernest A. Baker. This book contains the author, title, publisher and a fine synopsis of all fiction up to the present date. The book is the revised edition and is of a useful nature.

Many books have been received from the binders, and are in very attractive colors. The complete list of magazines bound, are here and will be issued soon.

New Books Ordered

All orders for text books are out, and many have been filled. The rest will be issued at the earliest possible date.

14 In T. L. T. C.

In the library science class 180 have enrolled, while there are 14 in the Teachers Library Training Course.

Hikers Gone, So's Hyer's Dodge Sedan

We have no objections to people's hitch-hiking to and from places but when they only hitch to Stevens Point and hike off with our college President's automobile when they leave our city we draw the line.

Stolen From Garage

President Frank S. Hyer's Dodge sedan was stolen from his garage, 626 Clark street, on the night of September 17. It happened that Appleton High school was defeated here on that day, 12 to 0. Several hitch-hikers attended the game, and while we are not committing ourselves, it is believed that some of the road trodders failed to "Hail a Ride" so selected our President's car for the return trip.

The car was stolen from Mr. Hyer's garage sometime Saturday night. It apparently was pushed from the garage to the road.

Found In Appleton

Our President went to Appleton to get his car last week after police in that city had informed him that a Dodge sedan had been found in an Appleton lot. Damages to the car indicate that it was tipped over on its right side, then righted and driven again. Windows on the right side were broken, the body dented, paint scratched, and the cylinders badly scorched. Loss of oil also burned and damaged interior parts of the engine.

Wanted, by Mr. Evans and the Homecoming Committee, several slightly used Fords of a vintage not later than 1918. No car will be accepted that still contains its original engine, or any sign of upholstery.

FACULTY FLASHES BY MOTHER GOOSE

Our Prexy is loyal and true;
Such leaders we know to be few;
Well does he inspire
Our aims to be Hyer
Without him, Oh, what would we do?

The next is Psychology Frank,
Likes to make believe he's a crank,
For wisdom and wit
He surely has "It";
And He's likely to play any prank.

Two good girls are Bertha and Lou;
They always find plenty to do;
Were it not for their care
Every day everywhere
This college would look like a zoo.
(More next week)

MEMBERSHIP RULES

Due to the request of several new students, we are printing here the section of the W. A. A. Constitution which deals with eligibility for membership:

"Membership in the Women's Athletic Association shall be open to all women of Central State Teachers College.

No woman shall be eligible to membership until she has been in the college one semester, has a scholastic standing of 81, and has shown an active interest in the activities sponsored by the Association.

Each woman desiring membership shall present her name in writing to the Secretary, and after being passed upon by the Executive Board, reading the Constitution, taking the pledges of membership, and paying the initiation fees into the treasury, she shall be declared by the President an active member of the Association, and her name shall be placed on the Secretary's roll."

Still, we feel that Teachers College football will be just as strong as it has been in other years. The limited time of practise undoubtedly had much to do with the poor initial showing of the teams.

Graduates Total 57; 25 Degrees

Total enrollment for the 25th annual summer session of Central State Teachers College which came to a close July 29 was 688, another record mark in the history of the college.

This represents a gain of 57, or nine per cent over last summer. Fifty seven students were graduated, 25 receiving bachelor of education degrees and the others diplomas.

Edgar G. Doudna, Madison, secretary of the board of regents of normal schools, delivered the address. President Frank S. Hyer conferred the degrees and granted the diplomas.

SILENT WHISPERS

We understand that Bill Scribner's canary is getting circles under its eyes on account of Bill's got a new girl friend. We see that Bill has circles too — but for a different reason.

We see by the Daily Cardinal that Northwestern Profs. are going to use dialogues instead of lectures to their classes. We suppose that it will be a relief to have someone to listen to them.

Also at Madison the farmers have installed spray rings in their orchards. Well, there never was anything like a good wetting to discourage an appetite for fruit.

An Oboe is "an ill woodwind that nobody blows good."

It takes twelve feet of film to make a kiss in sound pictures. The word love spells a scrawly message of wavy lines along slightly less than a foot of celluloid, and a wink is most economical, lasting only an inch and a half of film.

COEDS REALIZE NEAT SUM FROM FRIDAY DANCE

Betty Balch Improving; Dorm Girls See World Series And Grid Games

BY NAT

The Nelson Hall float committee realized \$9.75 from the "hop" given last Friday evening. The committee appreciates very much the patronage of the students at the dance. Their slogan now is, "Watch our nine dollar float!"

Betty Balch Improving

Bittersweet now decorates our living-room, Miss Hussey's living room, and Betty Balch's room at the hospital. The sprays came from Miss Rowe's farm in Iowa and from Oconto Falls, where Marjorie Wilson found some. We are glad to hear that Betty is getting along very well.

Our sport fans took in some thrillers this week-end. Jane Wright saw two of the World Series games at Chicago. Frances Korbal was one of the fans at the Wisconsin-Marquette game.

Jean Lynn was the guest of Berenice Edick at Gillette this week-end. Helene Waterman of Mosinee visited relatives at Granton. Catherine Sargent was entertained at Ripon. Thyra Iverson enjoyed the week-end camping at Hazelhurst in northern Wisconsin. Ella Holly was hostess to Agnes Hayes at Rio. Mary Kosovec was the guest of her roommate at Westfield.

Watch our nine-dollar float!

True False Score

- There are 12 planets in the solar system.....
- Oxygen is the lightest gas.....
- Anne Hathaway was the name of Shakespeare's wife.....
- Toledo is situated on the Vermilion river.....
- Saturday afternoon is a legal holiday each week in Illinois.....
- Ohio is the only state in the Union where the term of the governor is three years.....
- The guillotine was originally called the Louison, after its inventor, Dr. Louis.....
- Wilderness was originally written "Wild-deer-ness".....
- "Acrobat" is derived from the Greek word signifying "to run on tiptoe".....
- New York is the only state that has not chosen a state flower.....

TOTAL

Here's how to get your Intelligence score: If you think a statement is true, place a check beside it in the column headed "True." If you think it false, place a check beside it in the column headed "False." After you have completed the questions look up the correct answers and put 10 down in the "Score" column every time you are correct. A perfect score is 100.

BRAIN STORMS

Prof. Steiner: "You can't sleep in my class!"
Wied: "If you'd talk lower I could."

Pete: "Listen, Pizer, if I'm studying when you get back, wake me up."

We can definitely state that the landlady's depression has turned the corner.

All Gaul was divided into three parts... some of our classes should be.

They say Samuel Bluth has been going in for patent medicines lately. Has he asked you yet whether or not you've tried NUJOL?

Overheard in Library Science the other day...

Mr. Allez: "All assignments will be posted on the back of the magazine rack. I want all of you students to visit the rack, at least periodically." And 150 students never cracked a smile.

INNOCENT MAIDEN

(By Estelle B. Marlowe)

"I have never been kissed but twice", she said,
So slim, blonde and frail,
The first time was by Harvard...
The second time by Yale.

(Exchange)

DO YOU INHALE?

(by Henrietta Freeman)

I don't care for the stars that shine,
Nor for the moon they rave about;
Toward dieting I'm not inclined...
I've other things to think about.

I never read the latest books;
Sports get on my nerves.
I don't care if a girl has looks
Nor am I interested in her curves.

I've never yearned to go to sea...
For me it has no lure.
I don't know if I'm glad I'm free,
Of that I'm not quite sure.

There is one thing has me annoyed...
I want to ask each frail,
(I really ought to consult Freud)
"My dear, do you inhale?"

High School Jammed; Has 1100 Pupils

Total enrollment at the Stevens Point High School climbed to a record mark of 1100 the first week of registration. Principal Joseph F. Kraus said this year's total will surpass last year's enrollment by 100 students.

School Is Overcrowded

That the city is in need of a new High school or an addition to the present one is apparent by the congested conditions that now exist in our prep institution. Every available classroom is taken, the assembly room is taxed to capacity and even the teachers are instructing six of the seven periods, instead of five, to alleviate the situation.

When the freshman class of 1923 moved into the present High school quarters the total enrollment was a little over 500 or less than half of the present mark.

Welcome Back

PETER GIOVANNINI

Two new faculty members have been added to the local staff which was necessitated by the increased enrollment. Nels Reppen, Madison, was engaged last week. Peter Giovannini, who served with the college faculty last year as art instructor during Miss Edna Carlsten's one year leave, is the second teacher to be hired. Giovannini won a multitude of friends in college during his stay last year. He was instructor at the Onk Park High school, Illinois, prior to his contract here. Giovannini will teach English and History and undoubtedly will work in other fields. He was in charge of the Junior Prom art decorations last year. He also was responsible for many of the elaborate Christmas festival ornamentals.
