

"BLOC" CLUB ORGANIZED HERE

NINE MEN FORM CAMPUS GROUP CALLED "BLOC"

Organized For The Development
Of Individual Opinions
And Expression

A club distinctive from any other group on the campus has been formed by nine men of the teachers college. The new organization will be known as the "Bloc", and will be devoted to the free study and discussion of current topics, government, ethics and controversial problems of value and interest.

Meets Tonight

The Bloc meets tonight at 7:30 p. m. for the first time, at the home of Prof. Norman E. Knutzen, who is an active member of the organization. The issue of the Soldiers' Bonus will be studied, and will be presented by Prof. E. T. Smith and Captain Ferdinand A. Hirzy. It is understood that outside authorities will be invited to each meeting to present their views on the particular subject chosen and to partake in the informal discussion to follow.

Discuss Current Topics

The men plan not to subdue differences of opinion, but rather to encourage and develop individual expression and thought on current questions. The Bloc is an activity entirely aside from the college and voluntary as far as the participants are concerned. Membership will be maintained by the selection of students with records in forensics, scholastics, journalism or other activities that would indicate the type of individualism demanded by the organization. However, it is expected that Bloc will never include more than a dozen members at any time. The Bloc will meet again next Thursday evening and every second Thursday following, to fit itself into the social calendar. All of the meetings will be held in private homes.

Members

The charter members of Bloc are: Samuel Bluthe, Donald Crocker, Marlowe Boyle, John Wied, Tom Smith, George Maurer, Celestine Nuesse, Burton Hotvedt, and Prof. Norman E. Knutzen.

Arrangements have been made with Myron A. Neumann, manager of the local Fox theatre, whereby three complimentary passes will be given local college students and faculty members each week. The tickets are good anytime.

Tickets Every Week

Commencing with today's issue of the Pointer and continuing for the balance of the year there will appear the names of one coed, one male student, and one faculty member.

The letters of the respective names will be disarranged so as to form one line of letters. If you can correctly spell your name from any one line of letters you will receive a free pass to the local theatre. For example from the letters NHOJSENOJ, we get the name John Jones.

Today's Winners

The following names have been selected from the college directory as this week's winners. The first winner is the name of one of our coeds; the second is a male student, and the third represents one of our faculty members:

- (First Winner)
SNEVAELSIROD
- (Second Winner)
ETEPSONRETEP
- (Third Winner)

VIG DEVISES A NEW AD SCHEME

We try to avoid patting members of our staff on the back but Cedric Vig, business manager of the Pointer, has devised an entirely new advertising scheme which we believe is deserving of mention.

Vig, realizing that under the present hard times local merchants would be slashing their advertising expenses, had some attractive window cards printed. The cards, which are found in most of the windows of our down town stores, inform the window shoppers that the store is a Pointer advertiser. The cards are printed in handsome purple and gold, our college colors.

Local faculty members and students spend thousands of dollars with Stevens Point merchants during the year, and naturally they in return, should give us support. But going the other way, we must bear in mind that it is our Pointer advertisers who make possible the publication of our weekly paper. True it is, that money received from the student athletic fund finances more than 50 per cent of our enterprise. But without the support of town merchants we would go heavily in the "red" each year.

Some merchants are of the opinion that advertising in the college paper should be charged to charity expense. We disagree with that contention. Hereafter, when making a purchase, if students will inform local merchants and business men that they are college students and appreciate the support our advertisers are giving the Pointer, we can change this opinion of some.

Last week a college student was soliciting some advertising for our directory. The merchant he approached said that the business he realized from our college didn't warrant his giving an ad for this certain enterprise. The merchant had scarcely made the remark when another student brushed by with an armful of merchandise purchased from this store amounting to approximately \$16. The student purchaser had paid cash for the articles and unintentionally had failed to let the store management know that he was a local college student. Similar occurrences are happening daily.

We want to prove to our merchants that all Pointer advertising can't justly be charged to charity expense. Will you cooperate with us by broadcasting our college and letting local merchants know who you are every time you deposit a dime or dollar in their cash registers?

OUR VARSITY-ALUMNI GAME

Next Saturday afternoon our annual varsity-alumni game will be played here. Just where the contest is to be staged remains a question. Some faculty members and students advocate that the scrimmage tilt be played at the old fair grounds field instead of on our new athletic ground. They back their statement with the argument that to use our new athletic field Saturday would tear away part of the thrill of our dedication and homecoming game on October 15.

There are two sides to the question. Naturally Coach Eddie Kotal and his gridders want a decent gridiron to play on. So do the alumni. But looking at it from the other angle, to dig up the turf and green sod on our new field next Saturday with no other home games to be played here before the homecoming tilt presents another sound opinion. We play alumni games every year. A dedication ceremony is a rare event in any college. Whatever our athletic committee decides, it's a delicate matter to deal with. We have the assurance that whatever the committee does it will be done in the interest of Coach Eddie Kotal, his gridders, and our college.

COEDS AMUSED WITH OLYMPIC GAMES AT DORM

Nelson Hall Float Committee
Is Appointed; Dance At
Dorm Friday

BY NAT

Now that the initiation party at Nelson Hall is over the new girls have regained their peace of mind. The old girls entertained the newcomers at an Olympics party Tuesday evening at nine o'clock. Part of the "athletics" consisted of a mildly torturous "trip" taken by the blindfolded initiates. After the gruelling part of the program, the girls assembled in the recreation room to take part in feats and games.

Famous Stars

The presence of famous stars such as Ruth, Tunney, Metcalfe, Schmeling, Didrickson, Nurmi, and a score of others kept the girls hopping. Refreshments were served, and dancing was enjoyed. Before the evening was over everyone was convinced that the '32-'33 dormitory group had started a banner year.

Helen Lansbach has brought an additional honor to Nelson Hall. She has received an appointment as accompanist for Mrs. Moss, a WLBL vocalist.

Float Committee

The following have been appointed as the float committee for Nelson Hall: Helen Lansbach, chr., Ella Mortenson, Fern Mangerson, Helen Piehl, Margaret Novitski, Catherine Schultz, Marlitta Ziehm, Doris Leavens, Lorraine Guell, and Frieda Gosse.

Katherine McCarthy visited with Catherine Sargent and Carol Keen at Antigo this week-end; and Mildred Letts of Appleton was hostess to her roommate, Lazette Schmidt. Other new names on the "week-end home" list are: Barbara Fulton, Oconto; Genevieve Eastling, Plainfield; Carol Worden, Amherst; Alta Lupient, Curtiss; Erma Groth, Antigo; Lillian Holt, Wild Rose; and Jean Lynn, Port Edwards.

Visits In Michigan

Miss May Rowe spent the week-end at Knutzens' cottage in Michigan with the Misses Bessie Mae Allen, Carolyn Rolfson, and Marie Swallow, and Mr. Norman Knutzen, and his mother, Mrs. Knutzen. Miss Magdalen Knapstein of New London, one of our alumnae, was the guest of Roberta Lindow for the week-end.

Miss Jane Wright entertained the Misses Mary Wright and Evelyn Finsk, who teach at Neillsville, on Sunday. Jane spent the first part of this week at Ripon, where she took charge of a number of food demonstrations.

The girls of Nelson Hall have been enjoying a number of entertainments provided for them

STUDENT

BROADCAST

Glad You Wrote

Dear Editor:
We have heard the college students of this year are complaining about us attending their dances. Of course, the past few dances have been overly crowded — but — remember last year when you had such small crowds — and at that they were mostly composed of High school students. After all it really is the money that counts. You should be glad that we are interested enough to patronize them. Do you think it's fair to make us pay double your price?
TWO HIGH SCHOOL STUDENTS

WE APPRECIATE THE TIP

Dear Editor:
I like your college, and I think you have a dandy paper but I don't like the way the Pointers are distributed each Thursday. Last week I occupied a front seat in the assembly room. By the time I got out to the hall there was only one Pointer left (not counting those that were torn and crumbled on the floor). Another Frosh and myself each made a dash for that one. We each got half. Now I ask you, can you send me the other half which contains Mr. Schmeekle's picture?
"FROSHIE"

A VERY GOOD IDEA

Dear Editor:
I understand the members of our college band are starting a drive to raise funds for new uniforms. Every one will agree that Mr. Michelson has carved out one of the sweetest little college bands in the state for us during the last year. Why not give them our support and help raise enough money to buy uniforms? The band is giving us music, I think we should help furnish the uniforms as long as they have no funds with which to buy them. Couldn't the fraternities, sororities, classes and other organizations pool together and help?

CARLETON TRIMS LOCALS, 34-0

ALUMNI GAME LOCALS FIRST HOME CONTEST

Old Stars Promise Stiff
Competition; Locals
Ready

Local fans will see their favorites in action for the first time this coming Saturday when the Kotalmen work out with a picked alumni team in a final warmup for the Conference season. The game may be the first to be played on the new college gridiron.

Old Stars

A strong lineup, including former stars who fought for the Purple and Gold for many years, will face the college squad, and will provide plenty of competition. Several of last years luminaries, among them Vic Vrobel, Ollie Neuberger, Art Schroeder, Frank Trebatowski and Cliff Alberts, will try to show the stuff that made them regulars, while old vets like "Tiny" Bannach, Greg Charlesworth, and Ken Fishleigh are likely to make the less experienced collegians look a little foolish at times.

The game will provide Coach Kotal with a final opportunity of sizing up his squad before the conference season begins. Probably all of his available material will be paraded on the field before the last whistle blows.

Stiff Practice

Double workouts have been the rule since the Carleton game, and the gridders have been worked to a fare-you-well. Results of this period ought to be apparent in Saturday's game. Although not a regularly scheduled game, student tickets will be all that is required for admission, according to Mr. Schmeekle.

Boys' Champ Performs On Local Courts

Donald Leavens, 15, boys' national tennis champion, and a junior at the Mosinee High school, performs on the local college courts almost every afternoon at 4 o'clock.

Holds Many Titles

"Don" won the boys' national tournament at Culver, Ind., last August. He won the western championship at St. John's military academy, Delafield, and holds the boys' state titles for singles and doubles.

OUR CARLETON HIKERS

Reading from left to right in the above picture are Arthur Thompson, William Herrick, and Bill Scribner. They occupy this place of prominence because of their loyalty and devotion in following the grid team to Carleton to lend moral support. "Art" has had experience in our most popular profession (hitch-hiking, you dope!) this summer, when he left Stevens Point for the coast with a half-dollar and got back with fifty cents. Bill Scribner is a football man who is not really wearing dark glasses — it only looks that way. And the lanky gentleman in the middle just went along for the ride. The boys left for the North by freight early Friday morning. Their sense of direction was all right, but they couldn't tell it to the engineer. When the "brake" booted them off they found themselves eight miles from St. Paul and three miles from the closest street car. They walked. In St. Paul they located the team and climbed into Harris Shafon's room at four o'clock. Harris says they slept on the floor, but my guess is that they slept on Harris. The fellows rode to Carleton with the team — the team in the bus and the hikers on top of it. They made their way home the same way, sleeping on the floor in Eau Claire Saturday night. When interviewed the fellows stated that fresh air is always desirable, but enough is enough!

Eau Claire Beats Preps, Score, 12-0

Stevens Point High School football team was defeated by Eau Claire 12 to 0 in a non-conference football game played at Eau Claire Saturday afternoon. The Pointers played "heads up" football throughout the game but somehow did not seem to be able to get going. The most distinguishing feature of the game was the wholesale penalizing of Ringdahl's men... the penalties amounting to over a hundred yards.

Pass Ruled Complete

Eau Claire made its first touchdown in the opening period, pushing down the field for four straight first-downs. In the final quarter of the game a long Eau Claire pass was incomplete, but was ruled completed by the official, who charged that the pass was interfered with by Oligney, Point quarterback. This "break" for Eau Claire put the ball on the Point two-yard line, and Eau Claire pushed it over for the second and final touch-down with only two minutes left to play.

New at Game

Three years ago Donald knew nothing of the court game. Under the coaching of his father, he started winter practice at the Wausau Y. M. C. A. Later he practiced on the Stevens Point courts.

Donald is the son of Mr. and Mrs. Carl Leavens of Mosinee. He is a brother of Doris Leavens, a freshman at the local college.

SAM'S SPORT SHORTS

Several Point gridders were injured in the Carleton game. Garber was the severest casualty, suffering two pulled tendons. Oscar Christenson and Leonard Roy suffered minor injuries.

There is a correction on the Carleton-Army game story in last week's Pointer. Carleton does not meet Army, October 1, but October 8. The Northmen plan to spend a week in the east after playing Army. They expect to meet the President, and play some other outstanding teams on the eastern coast.

Coach Kotal has been working out the lads "palenty" this last week. Certain deficiencies in play cropped out during the Carleton game, and he means to iron out these rough spots.

If the fellow next to you in class begins to mutter figures, don't be alarmed. He's either broke, or out for football. Maybe both.

Extra!! Extra!! Do you want to earn fame and glory? The school needs cheer leaders. If you have "that old pepper" see Coach Kotal at once and make arrangements to blow it through a megaphone.

The Point starting lineup:

L. E.—Schwahn; L. T.—Abel; L. G.—Garber; C.—Koehl; R. G.—Miller; R. T.—Christenson; R. E.—Bishop; Q. B.—Omholt (acting captain); R. H. B.—A. Baker; L. H. B.—Murray; F. B.—Becker.

KOTAL MAKES MANY CHANGES DURING TILT

Pointers Hold Victors
In First Half,
7-0

A scrapping Point team took it on the chin in the opening game of the grid season last Saturday at the hands of a strong Carleton eleven at Northfield, Minn., to the tune of 34 to 0.

Hard Battle

The score doesn't indicate at all the relative strengths of the teams, or the closeness of the battle. It was a hammer and tong fight all through the first half, with Carleton emerging on top at mid-period by a score of 7 to 0.

At the beginning of the second half Carleton opened up the bag of tricks that were to be reserved for the Army, sweeping down the field with a tricky passing attack varied by end runs. Four touchdowns were recorded by the Northmen in the final two periods.

Locals Threat

The fact that Carleton made only one touchdown by a concerted march down the field augurs well for the Kotalmen defense. Breaks were responsible for the remainder of the Carleton score, and, incidentally, breaks were responsible for the Pointers' lack of scores. In the last minutes of the game the locals unleashed a real scoring threat, working the ball down to the Carleton half-yard line for a first down, only to have the gun go off to mark the end of the game.

Two of the Carleton markers came through blocked kicks under the shadows of the local goal posts, the husky Northern linemen sifting through to stop them.

The real break of the game came in the beginning of the second half with the locals in possession of the ball on the opponents' twenty yard line. It was a real scoring opportunity, but four thrusts at the line gained nothing and the Pointers lost the ball on downs. Then a Carleton back got away for a long run to a touchdown, and the game was won.

Experimental Lineups

The game was an experimental one for both teams. Coach Kotal started a lineup that included only two varsity veterans of last year, Schwahn at left end and Ray Koehl at center. Carleton used 35 men during the struggle.

Coach Kotal stated that he was satisfied with the work of his men, who played good ball against a really big-time team. He alternated his men all the way through and, after Carleton's third touchdown, withdrew all of the first-stringers and gave the rookies a chance to "strut their stuff".

Nothing Elaborate

Students are asked not to invest too much money in their floats. In awarding prizes this year, originality, humor, novelty and interesting stunts will be considered more than elaborate decorations.

A prize will be given for the best novel and original float portraying school atmosphere. Another prize will be awarded to the best small musical organization such as a German band. The best departmental float will also be given recognition.

Through the efforts of Ignatius L. P. Mish, the early distribution of the directories has been made possible. He is to be complimented on this fine piece of work.

Students, and particularly those who are new to the school, will find the directory to be of inestimable value in getting acquainted with the town and school. Only 500 copies have been printed, so get your issue early.

Dancing Saturday Night

The Sophomore class will sponsor an all school party in the new gymnasium Saturday evening, October 1st. Dancing will be from 8:30 to 11:30 P.M. All college students are invited. The only admission will be your student activity ticket. The social committee requests that no outsiders be admitted unless by invitation from a college student. If a student wishes to invite an outsider, please hand the name to the social committee before the party so that they may O. K. it.

Tau Gam Tea

A color scheme of purple and gold, colors of the Teachers College, was carried out in the decorations at a tea given last Saturday afternoon in the parlors of the Parish house by Tau Gamma Beta Sorority. The tea table had as a centerpiece, a bowl of purple asters, flanked by yellow tapers in silver holders. Mrs. Frank S. Hyer and Mrs. E. L. Kotal, sorority patronesses, poured from silver services. Tiny sandwiches, cookies, and mints, were all in shades of yellow. About the rooms were placed baskets of immense bronze dahlias. Women students, faculty women, wives of faculty men, and sorority alumnae were guests during the afternoon.

Phi Sigs Elect

Members of Phi Sigma Epsilon fraternity held their first business meeting of the school year in the men's room at Central State Teachers College Tuesday evening. Cedric Vig was elected president to succeed Richard Rothman. Mr. Rothman is not enrolling at the college this semester. Arthur Thompson was elected vice-president; Arthur Nygard is secretary; Samuel Bluthe, treasurer; Ignatius Mish, guard, and Celestine Nuesse, Greek council representative. Rushing of prospective pledges for fraternities will commence Monday, Oct. 3.

Chi Deltas Elect

Members of Chi Delta Rho fraternity held a meeting at the home of Fritz Cochrane, 1008 Main street, last week. Donald Duggan, former vice-president, was raised to president. Wendell Crosby, who was elected president last spring, has transferred to Marquette University. John Murat is secretary; Frank Klement, treasurer; Nolan Gregory, guard; and Edward Leuthold, Greek Council representative.

To Go On Hike

All women students are invited to the Y. W. C. A. party tonight. The girls are asked to meet at the dormitory at 5 o'clock. A hike along the river and a wiener roast afterwards sounds promising. Every girl be there and bring a dime!

Omega Tea

Social functions of the Omega Mu Chi sorority began with the annual tea held last Saturday afternoon from three to five o'clock in the Home Economics rooms. The Misses Eva Eeen, Florence Brown, faculty advisers, and Miss Sue Coleman assisted active members in serving tea to the women of the college, and to the alumnae of the sorority. Flowers of the season were used to add charm to the rooms.

Roberta Lindow, Manawa, is president of the sorority for this year; Margaret Cochrane, vice-president; Alice Sorenson, secretary; and Margaret Levi, treasurer. The latter three are Stevens Point girls.

HOCKEY UNDERWAY

Hockey is again underway. Each Tuesday and Thursday at 4 o'clock, the girls assemble on the hockey field to learn more of the intricacies of "getting the ball to that goal post". From 40 to 50 girls have reported for each practice. There is still plenty of time, girls; come on out! You need never have played before. Learn now. Miss Seen especially urges that those come who do not know the game.

CULVER TROPHY

Each Wednesday evening at four o'clock there is organized practice for archers. Do you know the thrill of hitting the bull's eye? If so, come to gain even greater skill; if not, come to learn that thrill. Points are awarded for organized archery practice; each few add toward the total necessary for that coveted "S". Mr. Culver, a retired faculty member of Central State, has donated a trophy to go to the best archer of C. S. T. C.
