

## RURALS ENTERTAIN 4-H CLUBS

### RECORD CROWD ATTENDS RURAL LIFE MEETING

Mr. Neale's Club Entertains 250  
Portage County Members  
Monday Night

By DONALD CROCKER

An interesting and instructive program was presented by the Rural Life Club at its regular meeting held in the auditorium Monday night, January 16. Over 250 people were present, many of whom were guest members of Portage county 4-H Clubs and Rural Community clubs. Due to the condition of the roads many who had planned to be present were unable to come.

#### Discuss Farm Problems

The program grew out of a class in Rural Economics and Sociology conducted by Mr. Neale. The topic chosen for the evening was that which had been used by the National Rural Life Conference held in West Virginia during the past summer, "What's Right With Rural Life". It was interesting to note that this provided a new angle to the approach of the ever-present "farm problems."

Eunice Anderson of Waupaca gave an interesting talk in which she cited reasons why the farm is economically profitable to the farmer though evidence is not found in huge bank accounts, pointing out that in most instances the farmer is comfortably well-off in the matter of the nec-

(Continued on Page 4, col. 2)

### College Dance In New Gym Saturday

A dance will be held in the new gym Saturday night for students and their friends. The Y. W. C. A. girls are sponsoring the event. Students will be admitted for 25 cents. Outsiders will be assessed 40 cents.

Our social committee is treating college students to a "free" dance in the new gym on the evening of registration day, Monday, January 31. It will be a "mixer" where old students can meet new.

A "social night" for all Rural students will be held in the old gym Monday evening, January 31. Director O. W. Neale invites all Rural students to come and get acquainted. Yes, there will be dancing.

### Committee To Charge \$3 For Use Of Gym Black Native Will Present Rare Program

Organizations sponsoring dances in the new gym will be assessed \$3 by the Athletic Committee, hereafter, for the use of the floor. This money will be used to pay for the labor involved in removing the wax and dirt from the floor. Wax will be furnished by the committee.

In making this announcement Mr. Fred J. Schmecke, chairman of the athletic board said, "The floor must be thoroughly scrubbed after each dance to make it fit for basketball games. In the past, organizations have held their dances and left the dirty work for our coach, players, volunteers and janitors to clean up. The tax imposed will just cover the expense of mopping the floor and the cost of the wax".

### LOCAL COEDS ENTERED IN BEAUTY RACE

Students Vote On Pulchritude  
Queen; Winner May Have  
Picture In Pointer

Candidates for the beauty and popularity contest which is being sponsored by the Harlequin club in conjunction with its play "The Youngest" which will be given in the auditorium Wednesday evening, February 8, have been chosen by the different organizations.

Each group selects three "beauties". Each ticket purchased for the play will entitle the purchaser 100 votes. Each student will receive an additional ten votes upon presentation of his or her activity ticket.

#### Eight Highest Will Usher

The eight coeds receiving the highest number of votes will usher at the play. (Whether they will appear in bathing suits or full dress has not been disclosed by the

(Continued on Page 5, col. 2)

#### NO POINTER

Because of semester examinations there will be no Pointer issued next week.

LO BAGOLA

A rare and unique entertainment is in store for college students next Wednesday at the regular assembly hour when Lo Bagola, world renowned African Bushman, will narrate his experiences as a "black" savage.

#### Kidnapped When a Child

Born in unexplored bush regions of Africa this black native left home when a small child and was latter kidnapped. Finally he was picked up and educated by a kindly Scotland.

LoBagola spent his early years on the look-out for apes and hook-lizards. After running naked through the streets of Edinburgh he was finally installed as a curiosity in the home of this Scotch gentleman.

#### Six Wives At Eleven

At eleven he returned to his native land, married in one night his allotment of six wives and built a miniature village for them and their progeny.

The dramatic narrative of this man, travelling back and forth between Africa and Europe — too refined for the primitive crudities of his tribe and too wild for sophisticated society is an adventure story which has thrilled and drawn comment from some of

### COLLEGE BOARD REJECTS OFFER FOR BIG GAME

Hilltoppers Ready To Meet  
Kotal's Varsity Team On  
Wisconsin Rapids Floor

Plans for the basketball game between the college team and Marquette University were halted when the local Athletic Board, at a meeting Monday afternoon, voted down the offer of Coach Bill Chandler and his Hilltoppers to meet "Eddie" Kotal's varsity squad in the Wisconsin Rapids High school gym.

#### Date Already Set

Had the local board sanctioned the tilt, the game would have been played on the Rapids' new and spacious gym Saturday, February 4. The luxurious gym, which was completed in 1931, can easily accommodate 5,000 fans. It is doubtful if the local board will reconsider the proposition.

#### Rapids Gym Available

Kotal already had received permission to use the Rapids' gym from Principal Aaron Ritchay of that city. The following letter was received by our coach from Marquette's basketball mentor:

Dear Eddie:

Have you done anymore about the proposed basketball game to be played at Wisconsin Rapids?

If you are still desirous for that game we could play you on January 27, 28, February 3 or 4. If any of these dates are satisfactory to you will you let me hear from you immediately?

Sincerely yours,

Bill Chandler,  
Basketball Coach.

#### Hilltoppers Strong

In voting down the offer the local committee stated, "There is nothing to gain and everything to lose". Marquette defeated Wisconsin University twice, Indiana, Notre Dame, two Michigan Colleges and other strong teams this year. The game undoubtedly would have attracted a crowd from Central Wisconsin cities.

America's most famous writers and authors.

#### Public Invited At Night

LoBagola will give a public performance in the evening at 8 o'clock. Admission will be 25 cents.

Published Weekly at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

### PROPOSED HILLTOPPER GAME VOTED DOWN BY LOCAL ATHLETIC BOARD

Unless our Athletic Board reconsiders Coach Bill Chandler's invitation the local varsity team will not play Marquette University's crack cagers at Wisconsin Rapids.

Action of the board in voting down the Hilltopper's offer is disappointing to many. The news naturally is discouraging to Coach Kotal and his team. Marquette has defeated Wisconsin twice, Indiana, Notre Dame and other basketball teams already this season. "Bill" Chandler's team undoubtedly could trim the majority of the Big Ten teams this year. Our cagers couldn't expect a win — but it would have been a "treat" for them to face such a squad.

Many Central Wisconsin basketball fans would like to see our Athletic Board reconsider the matter. So would our Coach, team and perhaps the majority of the students. But our Board has had sufficient years of experience with similar matters to know that there are other things which must be considered.

A guarantee to Marquette, liability and injuries to our players, and unpopular "after game talk" are points that many sports fans too easily overlook in their "sprees" of enthusiasm.

We have committee members who were athletes themselves in bygone days. They appreciate the significance attached to such a game and what a Marquette-varsity tilt would mean to our players as individuals. Taking all these factors into consideration they rejected the offer.

We hope the Board will reconsider the matter. But whether the final outcome is pro or con we know it will be backed by unbiased reasoning and not by selfish motives.

### UNIVERSITY TAKES OUR RADIO HOUR

Criticism of WHA, the University of Wisconsin, radio station for taking the bulk of the broadcasting time of WLBL is not a criticism of the present administration. The remote control schedule was devised preparatory to Governor Schmedeman's inauguration by certain department officials, now under severe criticism, who wished, as their actions have indicated in the past, to remove WLBL from its geographical center in the state. No doubt when the present governor learns from his own investigation and petitions, bearing approximately 5,000 signatures, that the leased wire necessary under the remote control system will add a burden of \$11,000 a year to the taxpayers, he will not be influenced by our University "air hogs". To maintain the old schedule would be in the interest of economy and political expediency.

The change in schedule deprives the Central State Teachers College of a valuable broadcasting hour that has been used weekly for the past several years. In addition to pleasing a large fandom this program has been a tribute to the institution by which it has been sponsored. It has acquainted listeners with the high quality of talent and ability that may be found in Teachers colleges. The Purple and Gold hour has provided a valuable extra-curricular activity to a number of students.

We believe that the Purple and Gold hour is only one of the many WLBL programs that radio listeners are missing in this part of the state. Out of a total of 37¼ broadcasting hours from Madison last week 17½ were used for reproducing phonograph records. Only three and one-half were devoted to talent programs, while 16½ hours were used for technical talks. While the college Junior High School orchestra, composed of school talent, was broadcasting the Purple and Gold Hour, the week before the change, this same Madison station was broadcasting a dry talk on jack-rabbits. And all this for \$11,000.

## DEBATERS MEET EAU CLAIRE MEN HERE, TODAY

### Eight Pointers Fighting For Positions On Coach Burroughs' squad

Eight Stevens Point debaters, all with past experience, will do their best today to outclass Eau Claire, and will hope for placement on Coach Burroughs' four man debate team. Coach Donaldson, of the Eau Claire Teachers College, is expected here with eight men to make the meet, but one of a series of elimination contests, a real test under fire. Due to the concert this evening the debates will be held this afternoon.

### One Team Selected

The eight local people, all but one having received the debate award, are recognizing the fact that it will be no disgrace to fall by the way-side in face of the competition for the four berths to be won. Four competitors, Celestine Nuesse, Tom Smith, Alta Stauffer and Burton Hotvedt have two service stripes on their sweaters, while Clarence Styza, Marlowe Boyle and Cedric Vig have weathered one year of inter-collegiate argument. Donald Mills, a Junior with plenty of past experience in the theological pulpit, has demonstrated his talent clearly.

These people went through their first elimination series last Tuesday, January 12. From this event Mr. Burroughs, assisted by Mr. Knutzen, selected Celestine Nuesse, Donald Mills, Clarence Styza, and Burton Hotvedt for two exhibition debates, given last Friday at the Tigerton and Birnamwood High schools. Mr. Knutzen accompanied the four men on their all-day trip. Nuesse and Mills argued the negative in the morning debate at Birnamwood, while in the afternoon they met Styza and Hotvedt with the reverse case. This is in keeping with the policy of having the debaters able to argue both sides of the question at a moment's notice.

### Argue War Debts

Besides struggling through a competition hitherto unknown in the college's debate history the debaters are tangling with the difficult, but perfect question, of "Resolved" — that the United States cancel its inter-allied war debts".

January 31 the team will debate at the Wittenberg High school at 3 p. m. and will give another exhibition for the Wittenberg Lion's Club at the dinner hour. February 2 two of the men will argue their cases before the Kiwanis Club at Wisconsin Rapids.

### St. Thomas Coming

Two teams representing St. Thomas college of Minnesota will be here on St. Valentine's day, February 14. Two weeks from that date, on February 28, the local teams will leave for a three day

## Madison Coed Must Have Change Of Men

We thought some of our coeds would be interested in this article which was clipped from Wisconsin's Cardinal.

Miss Helen Snyder, Tri Delt, broke into print suddenly with the statement that a girl appreciates prom more if the boy pays \$10 for tickets than if he pays only \$5. She also went on to say in the same vein, "Let's go to pre-prom with one man, prom with another, and post-prom with a third; I never saw a man who could be interesting and amusing for three evenings."

Isn't sophistication grand? We wonder whether Miss Snyder ever stopped to think that the fault for people not being interesting might lie with her.

### THE INQUIRING REPORTER

**THE QUESTION:** Are you pleased with our present assembly programs, or would you rather have more opportunities to hold "pep" meetings and hear from some of the school organizations?

**BURTON HOTVEDT:** The assembly program is President Hyer's only opportunity to meet the student body. Our programs are marked in improvement. Pep meetings are farces. However, occasionally there should be more student expression.

**LARRY BISHOP:** I'd like to have a little bit of each — 50 per cent assemblies and at least 50 per cent pep meetings and hear from the students.

**GERHARD WILLECKE:** I think that the present system is working out pretty well. It's hard to get students to take charge of a program and make a go of it.

**WILLIAM HERRICK:** I'd like to hear from some of the organizations. I like the present programs, but there ought to be some time to hear from our groups. There ought to be a little talent in these organizations.

**ARTHUR THOMPSON:** We'd ought to hear from the band and a few plays. Better forget about pep meetings. Outside organizations specialize in entertainment, while student organizations do not come up to their level.

**MISS HUSSEY:** I am very pleased with the present programs. We might hold our pep meetings and have organization programs at some other time.

**PEARL MERRILL:** I think that the programs we have are very beneficial and instructive, but there ought to be some time for the students to show their talents.

**IONE HARVEY:** I don't think that we have enough pep meetings, although I like our assemblies now. Pep meetings create better feeling among the students.

**JEAN LYNN:** I like 'em the way they are. The students never have anything to say anyway.

**RUSSELL ATWOOD:** I'd just as soon have it as it is. This kid stuff I don't go for, while I do appreciate this stuff they're putting on now.

trip to St. Paul, Minnesota where they will participate in the Northwest Intercollegiate Tournament.

The conference debates will be held here, March 8, with all contenders arguing a series of debates on both sides of the case. The winning team from these "round-robin" debates will be awarded the state championship.

# STOUT, EAU CLAIRE, POINTER FOES

## LOCALS INVADE FOREIGN FLOORS IN CAGE TILTS

**Stout Expected To Be Big Treat; Eau Claire Not As Strong**

	W	L	Pct.
La Crosse	2	0	1.000
Stevens Point	1	0	1.000
Milwaukee	1	0	1.000
River Falls	1	1	.500
Superior	0	1	.000
Stout	0	1	.000
Oshkosh	0	1	.000
Eau Claire	0	1	.000
Platteville	0	0	.000
Whitewater	0	0	.000

Invading two foreign courts on successive nights Coach Kotal's cagers will continue the basketball season, started so successfully against Oshkosh, when they play Stout tomorrow night and Eau Claire Saturday evening.

### Stout Tough Foe

Stout, despite a defeat at the hands of La Crosse, is regarded as one of the toughest aggregations in the conference. Led by Stori, veteran guard, and the Anderson brothers, two sharp-shooting forwards, the team will be hard to beat. In addition, Stout plays in a chicken-coop gym that is bound to handicap the visiting Pointers.

Eau Claire is not expected to provide as much trouble for the Kotalmen, although a hard game with Stout may tire the boys so much that Eau Claire may crash through to win. Two snappy forwards, Burkhart and Clemenson, are expected to keep Eau Claire in the running.

### Team Leaves Friday

The men to make the trip have not been selected yet, and there is a possibility that the entire varsity team, now cut down to twelve men, may make the jaunt. Hard practise the entire week was decreed by Coach Kotal to wipe out the rough spots revealed in the Oshkosh game.

According to results thus far, La Crosse, Milwaukee, and the Point look to be the class of the Teachers College Conference, with Superior, Stout, and River Falls apt to upset the dope at any time.

The Pointers, undefeated as yet, have the best prospect of any recent Point team to annex championship honors. The material is there. If team morale can be kept up and floor play be smoothed out it will be hard to beat the Kotalmen.

## Milwaukee Peds Seek To Drop "Frosh" From Varsity Sports

The Stevens Point Journal of Monday, Jan. 16 carried a story to the effect that Milwaukee Teachers College intends to forbid freshman competition in intercollegiate athletics.

### Wants Tougher Games

Their object in doing this, it was stated, was to make Milwaukee eligible to meet the stronger competition of schools like Lawrence, Ripon, and Carroll.

We may be wrong, but it seems to us that Milwaukee has found its fill of competition in the Teachers College Conference. Their cage team of last year found it

hard to stay in the first division, and their grid team bowed to Superior last fall.

### Teachers Teams Strong

We firmly believe that athletic competition in the Teachers College Conference is every bit as strong as anything played in the state outside of the Big Ten. We also believe that men enrolled in the one, two, and three year courses given in teachers colleges are entitled, to their share of intercollegiate competition. For these reasons we oppose Milwaukee's action in abolishing freshman competition.

## SAM'S SPORT SHORTS

The Pointer carries a story on the front page to the effect that the Athletic Commission, sitting in executive session, has decided not to accept a tentative offer by Marquette University to meet the Pointers in the field house at Wisconsin Rapids.

**The reason given was that the wear and tear on the athletes was not worth whatever other advantages might come from the game.**

We have no quarrel with the Athletic Commission. Undoubtedly in their lights their action was for the best interest of the school. Perhaps there are aspects they haven't considered, though.

The game is desired by the players themselves. As far as possibility of injury goes, the men take the same chances in their daily practice scrimmages. They want the opportunity to play against a team of Marquette's caliber.

The game is desired by the people of Central Wisconsin. We are taught that the purpose of a school is to serve the community. The school could do no greater service to the fans of the district than to bring Marquette, a team they all want to see, to play the Pointers.

The student body wants the game. We feel confident that the showing our team make would be creditable. Coach Kotal wants the game. He worked hard to induce the Hilltoppers to consider coming here.

**Added to that is the fact that the game would be profitable for the college, and would help a sadly depleted treasury.**

Perhaps in view of all this the Athletic Commission may change its ruling and allow the game to go through. We sincerely hope so.

## 'B' Team Game Halted Due To Game, Dance

A tentative "B" team game with a suitable opponent, to be played tomorrow night or Saturday night, had to be postponed when it was found that the dates conflicted with other attractions in the city.

The second-stringers were scheduled to play a return match with the Continentals, a team which had objected to a previous 13 to 11 beating on the grounds of poor refereeing. In a preliminary game a group of unaffiliated college stars were to have tangled with the S. P. A. five. The high school game on Friday and a Y. W. C. A. dance the following evening prevented the plan from going through.

## Oshkosh Game Nets \$94.45; Gym Packed

Total cash receipts from the Oshkosh basketball game held in the new gym last Friday night totaled \$94.45. This represents cash received at the door from outsiders.

Mr. Fred J. Schmeeckle said this is the largest amount of money taken in from a court game since the River Falls game two years ago. The gym was jammed for the game last Friday.

## Point Preps Host To Rapids Quintet

Tomorrow night Stevens Point High School cagers will be host to their oldest and most bitter rivals, Wisconsin Rapids. The Pointers have showed steady improvement over their first appearance against Rhinelander, while Coach Klanrud is quite optimistic over the budding strength of his pupils. Besides, the game is likely to be improved because of the traditional rivalry between the schools.

## OSHKOSH BOWS TO POINTERS IN ROUGH BATTLE

**Final Score Of 40-25 Does Not Indicate Closeness Of Game**

Playing a tattoo on the basket in the second half with a series of long shots the Point quintet drummed out a 40-25 victory over the visiting Oshkosh five last Friday night in the first game of the conference season.

### First Half Close

The game was a contest in the first half, with the locals leading, 15 to 13, at the conclusion of the period. Stoegbauer, Oshkosh guard, was doing an excellent job of covering Larry Bishop, and Lindow, fast forward, was a constant threat in his forays under the Point basket.

Guy Krumm got "on" in the second half and began sinking his famous long ones. Five of them found the hoop, and Bishop and Thompson pushed in a few that didn't go in the first time. The Oshkosh boys couldn't see through the Pointers defense quite as readily, and dropped farther and farther back.

### Gregory Defense Star

The defensive play of Gregory and Guy Krumm's eye for the

NOLAN GREGORY

basket featured the game for the Pointers. The locals played an aggressive type of game, and were in possession of the ball most of the time. However, they couldn't shake a man loose under the basket for a shot.

Art Thompson found Wittig a hard center to get the jump on, and the two broke about even in getting possession of the ball. Coach Kotal's hopefuls evidenced a tendency to foul, and very little

### Artistic Sign Now Decorates Our Door

We owe a vote of thanks to Mr. Peter Giovannini for the artistic sign he printed on the Pointer Office door this week.

He refused to be compensated for the work. Just when we began to get all "puffed up" over the fact that we had at last received something upon which Congress couldn't slap a federal tax Pete stuck us with one. "We'll expect bigger and better Pointers for this work", he concluded.

### Teachers Have Been Necessary

from the dawn of civilization and they are increasingly necessary in our complex civilization. Here are some more of our graduates who are in the work.

## RECORD CROWD ATTENDS RURAL LIFE MEETING

(Continued from Page 1, col. 1)

cessities of life. It was her contention that the farmer is one of the few men who is always sure of a steady job.

### Farmer Better Off

Kenneth Carter of Rosholt demonstrated how the farmer is possessed of better advantages than the city person, basing his point on the assertion that a small income provides more essentials on the farm than in the city. August Gabriel of Colby showed evidence in support of his belief that the farm is a superior place to rear children.

Maybelle Kline of Loyal spoke of the pronounced opportunity for cooperation in a farm family, showing how a common end provides unity. Earl Olson spoke of the valuable work now being done by the Four-H Clubs of the country in educating the farm children in matters of agriculture as well as developing a social life, which in the past, has had a tendency to become dwarfed. Adeline Tausch spoke on the opportunities in rural life for recreation.

### Variety Of Entertainment

Others who took a part in the program were Roland Koyen of Washington Island, who led the community singing; Anna May Krause of Plainfield who played a violin solo, and Dorothy Leton, who appeared in a declamation. Muriel Waid showed excellent technique in the presentation of an original version of "The Rosary" which she played as a piano solo. Chester Netzel and Joseph Netzel closed the program with a number of duets on the saxophone and concertina.

Free throws missed: Krumm 4, Thompson 2, Marsh 4, Gregory 1, Bader 1. For Oshkosh—Lindow 4, Blake 1, Wittig 1, Pugh 3, Barlow 2, Stoegbauer 2.

Referee, Denney (Appleton); timekeeper, Davidson (Point); scorer, Mish (Point).

### SOBER JANGLES

Tomorrow is another day  
I couldn't imagine what I'd say  
If someone would politely ask  
What would you do without a flask?

Another poem I could not write  
Unless I got extremely tight  
So if I stop without a cause  
It maybe just a minute pause.  
Anonymous.

### EXAMS NEXT WEEK

Semester examinations will commence next Monday and will carry through Friday, January 27. Second semester enrollment will be held on Monday and classes for the last half will be resumed on Tuesday, January 31. Students who have completed their second semester programs may enroll next week.

# SOCIETY NEWS

By FLORENCE WOBORIL

## Loyola Club Meets

The Loyola Club met in the Rural Assembly Room, Thursday, January 12th. The meeting was turned into a Round Table discussion with several of the members presenting special topics. Miss Natalie Gorski led the discussion and Harry Helminiak and Mary McTigue presented special reports.

## Zetans Study Chemistry

Members of the Sigma Zeta, National Honorary Science Society, met in the Physics lecture room Wednesday night, January 18th at 7:30 o'clock. The meeting was devoted to the study of chemistry and various phases of the subject were presented by members of the society. Harvey Raasoch was general chairman.

## Greeks Dance a Success

Coeds and their escorts were given a real treat Saturday evening, January 14th, when they attended the Omega Mu Chi Sorority benefit dance held in the new gymnasium. One-hundred couples were in attendance. Archie Adrian and his popular orchestra from Fond-du-Lac played from 8:30 o'clock until midnight.

Miss Florence Brown, Miss Eva Seen, and Miss Sue Colman chaperoned the affair.

## Margaret Ashmun Dance

A good crowd attended the dance, after the Oshkosh game, given by the Margaret Ashmun Club. The college orchestra furnished the rhythm. Chaperones for the dance were Miss Mildred Davis and Mr. Peter Giovaninni. After paying all expenses the Club cleared enough to cover the expense of their Iris pictures. Cletus Collins was general chairman of the dance, and was assisted by the Misses Alta Stauffer and Thyrsa Iverson.

## Home Ec. Girls Entertain

Miss Lila Kenyon and Miss Vivian Engle of the North Cottage were hostesses at a formal dinner, Friday night, January 13. The color scheme consisted of yellow, orange, and brown. Their guests were: Dr. and Mrs. Kidder, Miss Meston, Miss Allen, Miss Hussey, and Miss Rowe.

Miss Eileen Mueller and Miss Ardyce Bagnall of the South Cottage were hostesses at a formal dinner Saturday night, January 14. The color scheme which was used throughout was pink and white. The guests were: Mr. and Mrs. Allez, Miss Mansur, Miss Mason, and Miss Allen.

## Miss Hanson Speaks

Members and girls interested in Y. W. C. A. are invited to attend the regular meeting of that society. Thursday evening, January 19th at 7:30. The meeting will be held in the recreation room of the

## Dorm Girl Sprains Ankle; Coeds Visit

Attendance at school has been a hundred per cent — now that the "flu" is over — for our family with the exception of Phillis Hibner, who was unfortunate enough to sprain her ankle.

Our ramblers this week were Mary Kosovec, La Zette Schmidt, and Helen Lansbach. Mary visited with Thelma Crawford at Westfield, and LaZette visited at Manawa. It was an occasion for Helen to get home; Merrill is quite far north.

## Korbol Has Birthday

Frances Korbol was surprised at a special table at dinner Sunday by a number of her friends who were anxious to help her celebrate her — th birthday.

We yelled our heads off at the game Friday night, and we think our team is pretty good. The band thrilled us too. Maybe "Toots" wasn't glad Oshkosh played here!

Wonder if "Winn" or "Ev" or any others tried some of "Orphan Annie's" tricks after seeing the matinee Saturday. I just know they went for that free bar.

## COEDS ENTERED IN BEAUTY RACE

(Continued from Page 1, col 2)

committee in charge). The beauty winner may have her picture published in the Pointer and the Daily Journal. Candy will be awarded the eight highest contestants.

The following candidates have been selected by the respective groups:

Home Economics—Eileen Mueller, Kathryn Wiggins, Lois Richards. W. A. A. — Dorothy Hoff, Bonita Newby, Alice Sorenson. Primary — Luella Sorenson, Norma Steinmetz, Evelyn Stephenson. Chi Delta Rho — Cornelia Kluck, Alice Sorenson, Pearl Merrill. Phi Sigma Epsilon — Pearl Merrill, Frances Korbol, Luella Sorenson.

Tau Gamma Beta — Pearl Merrill, Luella Sorenson, Lois Richards. Omega Mu Chi — Neva Redemann, Alice Sorenson, Florence Hubbard.

## Daily Vote Returns

A few returns from other organizations still remain to be reported. A ladder showing total votes from day to day will be on display. Each beauty entry will be represented by a doll on the ladder.

## Local Alumnus To Supervise In Ohio

Mr. Henri Hess, an alumnus of C. S. T. C., has recently written a letter to Mr. Neale, in which he reports that he is now supervising principal of the East Elementary School in Athens, Ohio, a position which he is filling for the first time this year.

Mr. Hess completed the degree course in the Department of Rural Education. Following his graduation he became rural supervisor in Bayfield County. He resigned his position there to accept a fellowship in Ohio University. At the close of a year and one summer session he received his Master of Arts degree from Ohio University.

His present position is particularly attractive to him, since he is located in the neighborhood of the University Campus.

## "Iris" Pictures Of Girls' Sports Today

Pictures of the girls' tennis, hockey and basketball teams will be taken in the Iris studio on the third floor this afternoon at 4 o'clock. Girls who participated in these sports are requested to meet promptly at that hour for the group picture.

All girls who are reporting regularly for basketball practices are also requested to meet in the Iris studio room at 4 o'clock today for group pictures.

A regular W. A. A. meeting will be held in the Girls' Room next Wednesday evening at 7:30 o'clock.

You are welcomed  
into the newest and  
most up-to-date Cafe  
where you will receive  
the best of service and

DENTAL SCHOOL

*To the young man and woman  
with interest in health service*

**Enrollment Feb. 1 and Sept. 21**

—in the 3-year dental course which follows two years of pre-medical or pre-dental liberal arts college work.

Undergraduates with 64 semester hours of acceptable credits — at least 8 semester hours of inorganic chemistry, 4 semester hours of organic chemistry, 8 semester hours of biology or zoology, 8 semester hours of physics and 6 semester hours of English may make application for enrollment. Applicants from colleges requiring 120 semester hours for graduation may be admitted with 60 semester hours.

The February college graduate who complies with the requirements for admission can become a doctor of dental surgery with the Marquette University Class of 1935 by enrolling in the proposed mid-year class and attending summer school for 12 weeks in 1933 and 6 weeks in 1934.
