Miss Eva Seen, director of girls' athletics, and her committees have arranged a schedule that will keep the guests entertained from 9:30 o'clock Saturday until the wind-up dance in the new gym at 4 in the afternoon.

Thirteen High schools have been invited to the "Play Day" meet. Representatives from Rosholt, Stevens Point, Wisconsin Rapids, Marshfield, Neenah and Antigo have already promised delegations. Merrill, Wautoma, Hancock, Westfield, Mosinee, Wausau and Amherst are also expected to be represented.

At 10 o'clock the delegates will assemble in the new gym. The teams will march onto the new athletic field accompanied by music from the college band.

From 10:30 o'clock Saturday morning until 3:15 in the afternoon the teams will compete in baseball, cageball, volleyball, line soccer, tennis, horse shoe and archery. At noon the guests will be served a dinner at Nelson Hall. Members of W. A. A. will arrange a dinner program entitled "Sports of Yesterday and Today".

### THIRD ANNUAL "PLAY DAY" SATURDAY

High school girls from all parts of central Wisconsin will be seen strolling about the college campus, dashing in and out of Nelson Hall and engaging in athletic events on the new Schmeeckle athletic field this Saturday when the W. A. A. coeds sponsor their third annual "Play Day" for the prep students.

"Play Day" has become a popular and national event during the past several years. Universities and colleges throughout the country sponsor these athletic tilts for smaller schools in their vicinity. These athletic sports tend to break down the rivalry that usually exists between neighboring schools. It creates new friendships and acquaints the guests with the host college.

Miss Eva M. Seen, director of girls' athletics, adopted the plan here in 1931. It went over big — so big, in fact, that another rally was held last year. Thirteen schools have been invited to this year's "Play Day". Instead of having school compete against school the girls will be mixed into eight teams. This plan eliminates school rivalry (and perhaps a little hair pulling).

It involves lots of hard work to sponsor such an event. Miss Seen and her W. A. A. girls have been working day and night in preparation for it. Spectators are invited to see these feminine athletes in action.

### Grads Plan Novel Commencement Week

Plans for commencement week are being made with an effort on the part of the Seniors to avoid the usual triteness associated with such occasions. A complete schedule of the events of commencement week will be announced in the Pointer next week.

#### Hyer To Be Host

President Hyer will hold his traditional reception for the graduates Monday, June 5. Tuesday morning the Seniors plan to begin Class Day with a breakfast as a festivity opener. A special effort is being made to develop an interesting program for the afternoon when awards will be announced and given to the student body. Very short but appropriate exercises will terminate this program in the main auditorium, from where the session will be adjourned to the front campus. Here a novel presentation of the traditional class gift will be made.

#### Banquet And Ball

Tuesday evening will be marked with a business meeting of the Alumni Association, followed by

a Senior and Alumni banquet and ball. Commencement exercises will terminate the school year with the awarding of degrees and diplomas Wednesday morning.

#### Students In Charge

Natalie Gorski, Helen Lohr, Evelyn Wimme and Burton Hotvedt have been placed in charge of arrangements for commencement week.

### MOTHER'S DECLINING YEARS

One by one the roses from your cheeks are fading away, And your raven locks have changed to a crown of silver gray. Age, with its many cares has left lines upon your brow. Your voice is oh! so precious, and much dearer to us now.

Your hands are growing weaker and more feeble every day, But there still are happy memories of a home so bright and gay. Of happy, dimpled children, grown up so tall and strong Their shoulders have been growing for your hand to rest upon.

And now in your declining years may they be your support, Until you embark for a far and fairer port. And may a peaceful happiness dry their falling tears, For they have loved and cared for you through these declining years.

# KOTAL TRACKSTERS AT MILWAUKEE

## FROSH VICTORS IN INTER-CLASS TRACK TOURNEY

### Berard Leads Freshmen In Annual Classic; Thompson And Reichert Tie For High Score Honors

They played the "Wearing Of The Green" last Saturday because the freshmen, led by Bill Berard, romped off with the annual inter-class track meet held on Schmeckle field.

#### Sophomores Take Second

The frosh scored 42 points to lead in the scoring, followed by the sophomores, winners last year, with 35 points. The seniors scored 26 points to take third place, and the juniors trailed with 22.

Leaders in the individual scoring were Harold Reichert and Art Thompson, each of whom collected 15 points. Reichert made an impressive record, scoring firsts in the broad jump and the 100 yard dash, second in the 220, and third in the high jump and 120 yard high hurdles. Thompson romped off with firsts in the pole vault and high jump, second in the 120 yard high hurdles, and third in the low hurdles and the discus.

#### Berard Leads Frosh

Berard led the frosh point makers, taking a first in the 220 and 440 dashes and a second in the low hurdles to score 13 points. Although the freshmen scored only one other first, that in the two mile, won by Carl Blom, they had sufficient team strength to amass the greatest number of points.

The meet was of value to Coach Kotal, for it enabled him to take stock of his material under actual running conditions. Undoubtedly it will be used as a basis in picking the track team. Unfavorable weather conditions hampered the boys in their quest for new records.

#### Summary Of Events

Summary of the interclass events:  
100-yard dash: Reichert (soph.), first; Strobe (freshman), second; Graney (junior), third. Time 11:00.

One-mile run: Scribner (soph.), first; Blom (freshman), second; Ziegler (soph.), third. Time 5:01.

220-yard dash: Berard (freshman), first; Reichert (soph.), second; Baker (senior), third. Time 24.7.

120-yard high hurdles: Atwood (senior), first; Thompson (senior), second; Reichert (soph.), third. Time 18.0.

440-yard dash: Berard (freshman), first; Tutt (soph.), second; Klement (soph.), third. Time 57.6.

Two-mile run: Blom (freshman), first; Felix (freshman), second; Scribner (freshman), third. Time 11:50.

220-yard low hurdles: Atwood (senior), first; Berard (freshman), second; Thompson (senior), third. Time 28.4.

Half-mile run: Scribner (soph.), first; Tutt (soph.), second. Time 2:15.

#### Puts Shot 38 Feet

Shot put: Fritsch (junior), first; Fitch (freshman), second; Bishop (soph.), third. 38 feet, 3 1/2 inches.

Pole vault: Thompson (senior), first; Graney (junior) and Brunner (freshman), tie for second. 10 feet, 6 inches.

High jump: Thompson (senior), first; Abel (freshman), second; Reichert (soph.), third. 5 feet 8 inches.

Discus: Fritsch (junior), first; Fitch (freshman), second; Thompson (senior), third. 116 feet, 10 inches.

Broad jump: Reichert (soph.), first;

## Championship College Boxing Tournament To Be Held Soon

Plans are being laid by Coach Kotal and promoter "Windy" Thomas to stage the finals of the all-school boxing tournament within the next few weeks. The boxers to meet will be the winners of the bouts of the two preliminary contests held here this year.

#### Medals To Be Given

These championship bouts will have all the thrill of title fights, for each man will be scrapping for a classy silver medal that will go to the "champs". The losers, automatic second-place winners, will receive bronze medals.

Several of the matches of previous bouts were draws. These will have to be fought out privately to decide the contestants for the final honors. All weights will be represented in the final matches.

#### Novelties Planned

Workouts are beginning immediately for the hopeful punchers. Coach Kotal and "Windy" Thomas are planning several novelties for this event much similar to that held last time. Complete details will be given in next week's Pointer.

## Chi Delts Take Second Inter-Fraternity Tilt

Turning the tables with a vengeance The Chi Delts swamped the Phi Sigs, 22 to 7, in the second game of the annual kittenball series for the "little brown jug". The Phi Sigs took the first game, 5 to 4.

#### 4 Home Runs

Hopping on to the southpaw offerings of George Maurer, the Delts pounded out four home runs, Steiner, Schwahn, Blood, and Bishop contributing. The game was close for the first few innings, but after that the Phi Sigs seemed to have their minds on their formal.

Klement did the flinging for the winners, and Boyle caught, while Maurer and Peterson composed the losing battery. The score by innings:

Chi Delts — 2 1 4 13 11 0—22  
Phi Sigs — 2 2 1 0 0 0 2—7

## Seen's Coeds Display Skill At Lake Emily

Miss Seen's class in Club Leadership held its final examination at Loberg's Cottage at Lake Emily May 7, 8, and 9. A daily schedule was drawn up, listing the activities that the women were to perform, and successful completion of the routine was necessary to pass the test.

#### Ten On Trip

Those making the trip were Carol Anderson, Genevieve Podach, Mamie Malueg, Charlotte Gauthier, Ardyce Bagnall, Lila Kenyon, Jennie Newsome, Berenice Edick, Elizabeth Neuberger, and Thyrsa Iverson.

#### Miss Carlsten Aids

Features of the week-end were rain, cooking in the open, and star-gazing at cloud-filled skies. Miss Carlsten spent Saturday and Sunday at the camp instructing in various types of hand-crafts.

## VARSITY TRACK SQUAD IN TRIO MEET SATURDAY

### Point, Oshkosh, And Milwaukee Meet On Cinder Path; Milwaukee Favorite To Win

Invading Milwaukee, Coach Kotal's tracksters will inaugurate the spring track season Saturday when they will meet the Milwaukee Peds and Oshkosh on the cinder path.

#### Lawrence Trip Off

The Pointers were scheduled to travel to Appleton yesterday to meet the Lawrence thinyclads, but cold weather forbade the trip. Coach Kotal feels that indirectly it was a good thing, for his team is sure to be in shape to meet their conference opponents.

Men who are to make the trip have not been listed, but it is certain that the showing in the inter-class meet last Saturday will determine the successful candidates. Sure starters are Thompson, Atwood, and Scribner, our three state champs.

#### Milwaukee The Favorite

Milwaukee is expected to win rather easily Saturday, for they always have a large and well-balanced squad. Oshkosh is an unknown quantity, but Coach Kolf's star, Wittig, is sure to give Art Thompson a real battle in the high jump.

The team will leave by car, and will return from breweryland immediately after the meet. The week following they will journey to Whitewater for another warm-up tilt prior to the State meet.

## College Golfers May Organize For Matches

A college golf team seems assured to link fans this spring, and plans are being made to schedule matches with neighboring colleges.

The Point has a wealth of material for the fairway sport, and if plans don't go into the "rough", we should be able to produce another winning team. The old boxing room has been used as a spot for driving practise during inclement weather.

The "S" Club entertained at a very nice banquet and dance last Thursday evening.

And can those boys eat! A plate of rolls disappeared before you could say Jack Robinson, if anybody wanted to say Jack Robinson.

"Bucky" Miller was the principal speaker of the evening, much to his surprise.

If the school has to feed those boys on trips, we can see now why the athletic budget is in the red.

Many of the men of the school are playing baseball this spring. Larry Bishop starred with the Stevens Point team in the Wisconsin Valley league last Sunday when he led his team in batting and pitched the last two innings to help beat Mosinee, 6 to 0.

Iggie Mish and Jug Marsh are playing with the Stevens Point Brewers of the Portage County league. "Sarge" pitched against and beat Plover, 3 to 2, while Jug held down the first base assignment.

Harry Richman and Pete Peterson performed for Amherst of the Portage County league, and aided in beating Nelsonville, 17 to 0. Our own "Eddie" Kotal will probably hold down an infield job with the Wisconsin Rapids entry in the Wisconsin State league.

Three dozen balls were used in the match between the Oshkosh and Point netters last Saturday. We'll bet that two dozen of them went back to Oshkosh.

Abel (freshman), second; Graney (junior), third, 19 feet, 10 inches.

Javelin throw: Graney (junior), first; Kaskey (junior), second; Klement (soph.), third, 165 feet, 7 inches.

## BOOK "MEMOIRS" BY LOCAL GRAD RATES AT YALE

Mary D. Bradford, who was a member of the local faculty from the beginning of the College in 1894 until 1906, and founder of the Junior High School, which still bears her name, has recently published a book, "The Memoirs of Mary D. Bradford".

The book has caused much comment. Perhaps the most interesting to us is that of Dr. Arnold Gesell, a member of the Class of 1899. Dr. Gesell is the director of the Clinic of Child Development at the School of Medicine at Yale University. His comment reads:

### Lauds Her Work

"Mrs. Bradford's book will be read with keen interest by a wide circle of graduates of the Stevens Point Normal School (Teachers' College). For the older graduates the pages tingle with familiar scenes and events; for the younger graduates the book will give a vivid impression of the pioneer days of their Alma Mater.

### Very Cleverly Written

"But this volume also has a more general appeal and value. The reminiscences are skillfully treated in a way which converts biography into history. We get authentic glimpses of this cultural background and the early developments of public education. Mrs. Bradford was a moving force in these developments. We are grateful that she has made such an engaging illuminating record."

# NELSON HALL

Guests at the Y. W. C. A. Conference this week-end were Miss Susan Cheng, an exchange student from China; Miss Alice Brown, National Student Secretary; Miss MacKechney, of the state university; and Mr. Peabody of Ripon College.

## Enjoy The Dorm

The Milwaukee and Eau Claire girls liked the dormitory so much that they wished they might have carried it away. Sorry, visitors, but we wouldn't give it up for anything. Miss Inez Sparks, a former C. S. T. C. student, and now a teacher at the Eau Claire State Teachers College, chaperoned a group from that college at the conference.

Mrs. A. R. Mangerson and son Earl of Rhinelander visited with Fern Mangerson Sunday.

## A Bird Hike

Ten people braved the cold wind early last Friday morning in search of birds. The same group intends to venture out again this month. Leora Streblov entertained her roommate, Alene Stock, at her Oconto Falls home this week-end. Winifred McGillivray visited her home in Pulaski.

Say It Isn't So — that Satan has to pay a syntax.

A military banquet and ball at hotel Wausau Saturday night forced the Omegas to change their formal to Friday night.

Six of our college soldiers, Willie and Dick Schwahn, Frank Klement, Ronald Murray, Ralph Okray and our one and only I. L. P. Mish will participate in the Wisconsin Reserve Officers meet at Wausau Saturday.

The "milk strike" goes into effect Saturday and farmers will be parading all highways looking for violators. College folks coming home from the Omega formal had better not be caught with milk concealed in their flasks.

She's worried and thought of you long before you were smaller and cuter than our Asher. Don't forget her on "Mother's Day" next Sunday, May 14.

Our "Pete" says the reason he locks his \$50 job, which he bought from Bob Steiner recently, when he parks it up town is to prevent snoopers from stealing the dash light bulb.

We've been wrong all the time. Ignatius Loyal Petricious Mish's third name isn't Petricious but Pious.

Fritz Cochrane and his Prom gang are having an under sea setting this year. On Prom night if you see gold fish, lizards, sharks and pink elephants floating around the gym don't blame it onto the "Bull of The Woods". You'll be seein' things but they'll be real.

Help, Help — 25 College he — men would like dates to the Omega dance. And Coeds you may drop into the Men's Room and have your pick.

## 28 Visitors Attend Y.W.C.A. Conference

Delegates from Eau Claire, Milwaukee, and River Falls teachers colleges were assembled here last week for the annual convention of the Y. W. C. A. which was held May 5, 6, and 7. From all reports given by the visitors, the affair was a large success.

Miss Susan Cheng, Chinese student of Monmouth college, was the principal speaker at a banquet given at Nelson Hall Saturday evening. President Hyer extended a welcome on behalf of the college to the delegates.

Dr. Peabody of Ripon College related some of his experiences as a missionary and presented many points of interest regarding the Sino-Japanese situation. The 28 delegates were lodged at Nelson Hall.
