

## MUSIC FESTIVAL HERE TOMORROW

### COLLEGE MUSIC DEPT. PRESENTS OPERA 'SYLVIA'

Performance in Auditorium  
Wednesday, April 25.  
Admission 15c

The operetta "Sylvia" will be presented in the college auditorium next Wednesday evening, April 25, at 8:00 o'clock, under the auspices of the music department.

The cast of characters includes: Sylvia—Vivian Staven; Betty—Lorraine Riplinger; De Lacey—Kirkwood Likes; Prince Tobyttum—Philip Kundinger; William—William Theisen; Arabella—Leda Bassler; Araminta—Margaret Lulloff; Molly—Shirley Webster; Polly—Phyllis Murgatroyd; Dolly—Zelda Weed; Robin—Robert Steiner; Chorus of eight farmers sons; Chorus of eight farmers daughters; Chorus of fifty hay makers. The accompaniment will be furnished by the college orchestra.

#### A Comic Opera

Work on the production, "Sylvia", is being directed by Mr. Michelsen. He is assisted by Mr. Knutzen who is working with the chorus and soloists, Mr. Allez, coach and stage manager, Miss Carlsten, in charge of costumes, and Mr. Evans, who will take care of the facial makeup.

In this comic opera, Sylvia becomes tired of her betrothed and wanders into the hayfield where she overhears Betty bemoaning her fate and wishing she were engaged to marry a nobleman instead of honest William. They decide to change positions since they are both unhappy. Betty fools de Lacey, Sylvia's husband, and Sylvia fools William. De Lacey and Betty set forth to stroll through the lanes, and William drags Sylvia off to help him weed the potato patch.

Admission 15c & 25c

Toward the close of the day, Sylvia, worn out with her experiences of the afternoon, returns to the field, and Betty rushes in, having run away from de Lacey and a bull. Each girl declares that hereafter she will be content with her own lot and will not envy the other.

Light and tuneful melodies are injected at fitting moments into the plot. Musical selections throughout the operetta include solos, duets, quartettes and choruses.

The grand parade which will take place at three o'clock tomorrow afternoon will be led by a group of National Guardsmen of the local unit. The entire body of musicians will march from the college through the business district of the city and back to the Schmeekle Athletic field where they will all join in a mass concert.

### Annual W.A.A. Frazer - James Play Day Set Dance Group Here Tonight For May 12

At the last W. A. A. meeting, May 12 was set as the date for the annual Play Day of that organization. The event will take place on Schmeekle Field and is for the purpose of promoting a spirit of sportsmanship in play. It is not a contest and no prizes are awarded to winners at tennis or any other games where competition enters.

#### Kathryn Slowey Chairman

Last year, the event was a large success and was attended by approximately 125 girls from surrounding high schools. Kathryn Slowey was chosen general chairman of the occasion. Heads of the various committees are: Events, Marion Holman; Registration, Agnes Madsen; Entertainment, Thyra Iverson; Luncheon, Ruth Wagner; Field and Equipment, Yvonne Dallich.

#### NOTICE!

Seniors who desire invitations relating to Commencement exercises are requested to place their order at the table in front of the library during the one o'clock hour either today or tomorrow. The amount must be paid in full at this time. No extra invitations will be ordered.

Mrs. Leland M. Burroughs, wife of Professor Burroughs, and mother of Jack Burroughs, is seriously ill at St. Michaels hospital, where she is recovering from a very serious operation performed last Tuesday morning.

### GRAND PARADE DOWN TOWN AT THREE O'CLOCK

Twenty-Seven Bands Enrolled;

In addition to the college band and orchestra, twenty seven high school bands and eight high school orchestras will take part. Advance estimates as to the number of participants vary from one thousand to fourteen hundred, while the total number of visitors from Wisconsin and neighboring states may reach four thousand.

**WELCOME MUSICIANS**

In behalf of the Faculty and Student Body of Central State Teachers College, the Pointer takes this opportunity to welcome you to the music festival and to our institution. We extend a special welcome to those of you who are Seniors in your respective high schools. We are concerned in having you become interested and learn about our school. Don't be backward in 'browsing' around the building and campus or in stopping college men and women and inquiring about the things in which you are interested. We can assure you every one of them will be more than glad to assist you in whatever way they can.

We hope that your visit to Stevens Point is a pleasant one.

**NEW BULLETIN PUBLISHED**

The C. S. T. C. Bulletin for 1934-36 has recently been completed and will soon be ready for distribution. A few important changes and several valuable additions are to be found in its pages.

The first important addition is a list of several interesting facts titled "Facts Every Student Should Know". The chapter on General Information has a number of new items in its contents, and an additional subject concerning the Provisions For Placing Graduates has been added to the usual discussion of subjects which can be found in the bulletin.

Among the important changes made is a definitely outlined course for Rural students. Beginning next fall diplomas will not be issued to rural students who have not successfully completed at least two years in that course. Likewise other courses one can pursue have been more definitely outlined.

The most important and decisive change to be found in the bulletin comes under the subject Classification. Here the requirements to become upperclassmen have been raised. To become a Junior one must have earned 83 credit points rather than 48 as it has been previously. This means one must have an average of 1.3 honor points for each credit hour. To enter the Senior class one must have 144 honor points rather than 88 as was required heretofore. The number of honor points required for graduation remains the same, at an average of 1.5 honor points per credit hour.

**THE "FRILLS OF EDUCATION"**

Cattle, chickens, pigs and horses  
Must be fed just this and that;  
Their food must come from chosen  
sources  
Not just food to make them fat.

Now the baby, 'It don't matter,  
He can eat just what he wants;  
And his parents — 'Well this chatter  
About their food is only cant'.

College men and college women  
Should be able to discourse  
About politics and swimmin'  
And mathematics — oh, of course

But to learn to make a money-plan  
And handle home finance,  
So that father's not an "also ran",  
We're glad to leave to chance.

The business man—he needs to know  
Each new related fact  
That tends to make his business grow  
And customers attract

But the home 'most any dunce  
Can handle without thought:  
Every woman knows at once  
Exactly what she ought.

Army officers need training  
In order to command,  
Must have knowledge that's pertaining  
To the welfare of the land.

But a mother needs no knowledge  
A child or two to rear.  
Ach! What thought should any college  
Bestow to her career? H. M.

Home Economics is a term that is  
often interpreted to mean cooking and  
sewing, but to the students of this sub-  
ject, it means much more.

Home Economics is the 4th R—Right  
living. It includes all things related to  
the home as well as the two mentioned  
above. As every person hopes to have  
a home someday, Home Economics in its  
broadest sense cannot be emphasized  
too much in the educational system of  
our state to-day.

Dear Editor:

Say, how long are we going to use that old blue sky for our formal dance decorations over at the new gym!

For the past six years we have been looking up at that thing at every Junior Promenade and Senior Ball.

After all you know that things do grow tiring to the eye after one has viewed them continually for a very long period of time.

We pay all the way from \$1.50 to \$3.00 just to go to those formals. It would seem as if, in view of the fact that the gym is always packed, and that we have cheap orchestras, some one would be able to buy, or make, a new over-head.

Well, it will never take place as long as the one we have hangs together, so I'm glad that this is the last time that I have to look at that thing.

Confidence is seldom lost, but it is often sadly misplaced.

# PUGS IN RETURN BOUTS SATURDAY

## PLATTEVILLE BOYS TROUNCE LOCALS 8 TO 11

### Beppler Kayoes Opponent In First Round. Roshak And Laabs Win

Local fans will get their first glimpse of intercollegiate boxing next Saturday, April 21, when the undefeated Platteville pugilists will meet the pride of Central State. The card is set for the new gym at 8:15. Students 25 cents, and outsiders 50 cents.

Coach Kotal has a real program lined up with a wrestling bout between Chuck Sparhawk and Julson as an added entertainment. A preliminary bout between two of the toughest kids in town has been arranged. Joe Steinbauer, coach of the University of Wisconsin's undefeated boxing team, is referee. The match will consist of eleven bouts of three, two-minute rounds each. There will be no draws or extra rounds.

### Roshak Kayoes Man

In the card at Platteville last week, the Pioneers won eight of the eleven bouts, of which seven were knock-outs. To start the evening Stanley Roshak dropped his man in the second round. Richardson of Platteville evened it up by flooring Hayes in the third round. The Pioneers then went into the lead when Polich won a decision over Torbenson. Russ Beppler then shoved the Pointers into the lead by kayoing his man, Hoskins, in the first round. Price then knocked out Zaborski to give the Pioneers a lead. Al Zurfluh was dropped by Parr, also of Platteville. Then Art Laabs ended the Point victories by winning a decision over Beaster. Berard, McGuire, and the Slotwinski brothers lost their fights to end the match.

### Sparhawk On Card

Chuck Sparhawk pinned Julson of Platteville in one minute and 56 seconds with a spread eagle in the wrestling bout.

The usual school boxing cards have finally become intercollegiate. In a letter to Coach Kotal, Butch Leitel, of Platteville, expressed the hope and prophecy that other schools in the conference would soon be putting out boxing teams.

At the match Saturday many Platteville fans are expected to follow their team. They are rabid fans, 850 of them turning out for the card last week, and we certainly ought to be able to muster more of a crowd than that.

### Probable Lineup

Some of the matchings for the bouts have been changed but probable pairs are as follows:  
Roshak Joslin  
Hayes Polich

## Tennis Tournament Postponed Vets' Practice Looks Good

Art Thompson's tennis elimination tournament has been postponed till next week because bad weather gave the boys little chance to get in shape. The singles tournament begins Monday and the doubles contests start the following week.

Many of the fellows have been taking advantage of the late favorable weather to get in some heavy practices. Bob Neale, Cletus Collins, Arvie Gordon, Maurice Skinner and Schwahn look especially good.

### Courts Nifty

The tennis courts are in good shape and the regular restrictions are in use. Ask some of the Phi Sig pledges why policemen patrol the courts at night.

No definite schedule has been set but a few matches are being arranged so that one trip will give both the tracksters and the tennis men a chance at each city. The state tournament has not been set as to time and place as yet.

## BILL'S BULL

More men are engaging in athletics right now than at any time during the year or any other year, for that matter. Track, tennis, baseball, boxing, and golf are among the more important fields open. Coach Kotal must certainly be commended on his efforts to give everyone a chance somewhere.

The college baseball nine has been getting in shape. A game with Platteville will be definitely scheduled when Coach Leitel comes down Saturday with his boxers.

Fellows who remember Virg Pizer will be interested in knowing that he has a brother who is almost certain to be a regular on the University of Wisconsin's football team next year. Gordon Pizer has been doing well in spring training and is working for the center job. Virg was an athlete in high school too but when he came to college he gave it up for more strenuous occupations. (No cracks on our pal).

We understand that a certain few students went to Fremont to catch a string of the pike that are supposed to be running about now. The boys came back talking about flushes, full-houses, and pairs. That may be in the fishing game and it may not. However, tonk it over. (That's a terrible pun, but it's getting late)

Torbenson	Richardson
Beppler	Parr
Zaborski	Price
Zurfluh	Kruetz
McGuire	Stanton
Laabs	Myers
Berard	Beaster
Slotwinski, Br.	Moore
Slotwinski, Ben	Myer

Sparhawk is again slated to take on Julson in a five minute wrestling tussle.

## Sweaters And Awards Given To Athletes

In case you haven't noticed, the athletic sweaters are here, white ones for the football men and gold ones for the basketeers. The football men who received them are Abel, Anderson, Beppler, Becker, Breitenstein, Broome, Copes, Fritsch, Gregory, Holm, Klement, Lampi, McDonald, Frank and Ted Menzel, Murray, Marrs, Nugent, Schwahn, Scribner, Sparhawk, Unferth, Slotwinski, and Zurfluh. Cagers include, Collins, Gregory, Abel, Anderson, Hansen, Gordon, Klement, Marsh, Shorey, Tardiff, and Unferth.

### Special Awards

Ray Urbans and Al Dumphy received heavy white sweaters because of two years' service. Nolan Gregory received a six letter senior award. At that Greg is only a Junior. In three years he has been on football and basketball teams continuously. A gold star, symbol of his captaincy of this year's basketball team, tops the stripes on Greg's purple sweater. Dick Schwahn and Bill Scribner received three letter Senior awards although Scribner is the only Senior. Schwahn was captain of the football squad, champions undefeated this year.

### Gets Blanket

In basketball Harry Hansen received the three letter Senior award. Frank Klement, although never having played either basketball or football before entering college, fought his way to positions his first three years here. Only a Junior, Klement has attained the six letter Senior award. Harry Hansen, instead of the sweater, took a purple and gold blanket to remember his days at C. S. T. C.

## TWENTY-FOUR MEN SIGNED UP FOR TRACK WORK

### Outlook Rather Good For Annual Meet At Camp Randall, May 25

Central State will again be represented in track at the annual State Teachers college field meet to be held at Camp Randall, Madison, May 25. Last year Milwaukee won the state championship at Whitewater.

The usual interclass tournament is scheduled for the 28th. Last year the freshman class won so it looks as if they, now the sophomores, have the best chance.

The C. W. A. workers are laying out cinders and digging the jumping pits.

### Good Material

Men signed up are Abel, Bunnell, Bassler, Blom, Brown, Copes, Frank, Freiberg, Fritsch, Dumphy, Krueger, McGuire, Murray, Nugent, Schmidt, Sparhawk, Scribner, Schultz, Shanks, Slotwinski, Zurfluh, Anderson, and Gordon. Abel is a crack high-jumper. Blom is a two-miler. The Brown brothers handle pole-vaulting; Fritsch, Sparhawk, and Copes are the weight-wrestlers; Nugent is a broad-jumper; Frank is a hurdler, and Scribner is the miler.

### Scribner Should Place

The boys have been working out regularly in their new golden sweat suits getting the kinks out of muscles. The intercollegiate schedule is not yet complete but Scribner and Fritsch, at least, will be consistent winners. Harold and Monroe Brown are specialists in the pole vault but both boys are ineligible. They will, however, be given a chance in the interclass tourney. Coach Kotal feels that they are entitled to the privileges of exercise given to all students and he also hopes they can give valuable teaching in their line.

Annual Affair

The Greek social season will be officially opened by Chi Delta Rho fraternity with its annual spring formal dance, Friday evening, April 20, at Hotel Whiting.

Howard Kraemer's orchestra, which proved so popular at the Senior Ball last fall, will furnish the music. Since that time this same outfit has been engaged at the University of Wisconsin on several different occasions. Faculty, students, and townspeople are invited to attend.

### Townspeople Invited

At 6:45 o'clock, just preceding the dance, a banquet will be held for the active and alumni members, faculty advisers, and their lady friends. During the course of the evening brief speeches will be given by Mr. Rightsell, faculty adviser, President Hyer, Gil Buseh, Donald Blood, president of the fraternity, and Nolan Gregory. Edward Leuthold is to act in the capacity of toastmaster.
