

## HOMECOMING DATE CHANGED

### OCTOBER 6th IS THE NEW DATE

#### Athletic And Homecoming Committees Make Plans

Due to popular demand the Athletic Committee has moved Homecoming from October 13th to October 6th. The first date would have meant a game with Northland — a non-conference game. The change makes the Oshkosh game — a conference tussle — the feature event of the homecoming festivities. The Athletic Committee feels that the consequent large gate resulting from the Oshkosh tilt justifies this change.

For one week-end lonesome freshmen and upper-classmen are asked to forget home-going in favor of homecoming. The Homecoming Committee, under the direction of Prof. C. C. Evans has already formulated skeleton plans for the annual gala event.

#### Game is Feature

The feature of the celebration will of course be the game — Pointers vs. Oshkosh — which year in and year out has been the hardest fought game on the schedule.

Festivities will begin with the Annual Phi Sigma Epsilon Alumni Ball — tentatively scheduled for Hotel Whiting, Friday evening October 5. Saturday, Oct. 6, will see this year's version of the Homecoming Parade — the feature event for non-combatants. A depression theme will be carried through the parade. "Costly floats are to be done away with, with the substitution of less costly

(Continued on page 2, col. 3)

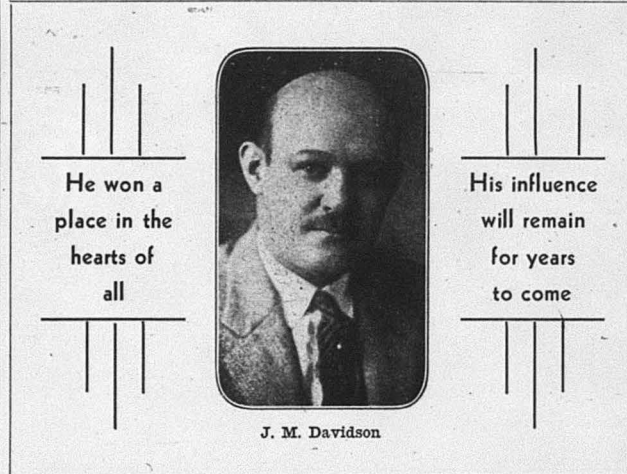

### Miss Horton New Faculty Member

The Biology department has acquired a new instructor in the person of Miss Ethyl Horton. Miss Horton received her B. A. degree at Beloit College. She later earned her M. A. at the U. of Wis., and her Ph. D. at the U. of Minn.

Miss Horton has taught at Baraboo High School, Milwaukee Downer, South Dakota State College, and while earning her Ph. D. at the U. of Minn. she acted as an assistant Botany instructor. Miss Horton earned her M. A. degree at the U. of Wis. after graduating from Beloit College.

When asked how she liked Stevens Point she said, "I am impressed by the friendliness of the members of the faculty whom I have met, and by the business-like attitude of the students".

### IN MEMORIAM

J. M. Davidson

He won a  
place in the  
hearts of  
all

His influence  
will remain  
for years  
to come

J. M. Davidson, whose ten years of devoted and stimulating service had won for him a high place in our esteem as a valued instructor, as well as a warm place in our hearts because of his fine qualities of character and his genial personality, has answered the final call of the Great Teacher.

His active service in our behalf is ended. His face, always genial and kind, now wears the mask of death; but his stimulating influence, his great and good character and his high ideals will always remain fixed in the hearts and minds of those who knew him.

### LA FOLLETTE IS GUEST OF BLOC FRIDAY EVENING

#### Will Speak In College

#### Assembly Friday Night

Bloc Honorary, general discussion group of Central State Teachers College, has completed arrangements with the Honorable Robert M. La Follette, Jr., senior United States Senator from Wisconsin, to be its guest while he is in Stevens Point tomorrow evening, Friday, September 28.

Mr. La Follette will be entertained at a six o'clock dinner at Hotel Whiting, following which he will give a brief talk to the members of Bloc and their guests. At eight o'clock in the evening he will appear in the main auditorium of the Teachers College to deliver a scheduled campaign address.

Arrangements had previously

(Continued on page 2, col. 1)

### NOTICE

Following the assembly program today, the annual dean's meeting with the men of the college will be held. All men are urged to be present as elections will take place to determine the governors of the men's room. Many other subjects of interest to the men will be discussed.

### ENGBRETSEN NEW SENIOR PREXY

#### Scheel Will Lead At

#### Annual Junior Prom

Once again the four classes of C. S. T. C. have named the leaders who will guide them through the coming school year. On Thursday, September 20, after general assembly, class elections were held.

Of greatest interest to the school at large are the Senior elections. This year they were very close. For one office the winner came out a single vote ahead of the runner-up. The complete line-up reads as follows:  
President . . . Wilfred Engebretsen  
Vice-President . . . Richard Schwahn  
Treasurer . . . Orville Halverson  
Secretary . . . . . Morris Skinner

To the president of the senior class and the lady of his choice goes the honor of leading the Senior Class Ball, the only formal function of the first semester. In the two years since its inception this event has won a place in the social calendar and is eagerly looked forward to. Mr. Engebretsen has been prominent in school affairs, and last year was president of Bloc Honorary.

Of equal moment is the question of "Who will be King of the Junior Prom?" This year the class has selected Leonard Scheel, a member of Chi Delta Rho fraternity, and of Harlequin Club. The junior officers are:

President . . . . . Leonard Scheel  
Vice-President . . . . Helen Bunker  
Secretary . . . . . Don Halverson  
Treasurer . . . . . Wilfred McGillivray

President of the Sophomore class is Bill Theisen, a member of Chi Delta Rho fraternity, vice-president of the band, and active in Glee Club, Harlequin, and Loy-

(Continued on page 2, col. 4)

### Training School Library Is A Work Of Art

Due very largely to the talent of Miss Laura Jane Rosenow, popular Stevens Point sophomore coed, the Training School library is now the possessor of an excellent wall mural. Much of Miss Rosenow's time during the past summer was spent working on this painting, which can be found on the third floor of the building in the primary grades' study chamber off the main room, which takes up nearly the entire south wing.

#### Life-Like Pictures

In varied colored illustrations, divided into four parts, are the life-like picture stories of "Jack and Jill", "Little Miss Muffit", "Mary, Mary Quite Contrary",

(Continued on page 2, col. 2)

### White Elected Band Prexy For Year

On Thursday of last week the band held its regular annual election. Bill Nason, the outgoing president, who is transferring to the University this year, called the meeting to order and presided over it. The following officers were elected:

President — Francis White  
Vice-President — Bill Theisen  
Secretary — Ward Fonstead  
Publicist — Henry Lampman

### Miss Van Arsdale New Training Teacher

Miss Gladys Van Arsdale has accepted the position left vacant in the Training School by Miss Brown. Miss Arsdale taught formerly at Sioux Falls, S. D., and at State College, Valley City, N. D.

Miss Van Arsdale's Alma Mater is Iowa State College. It was there she earned her B. S. degree. Graduate work at Columbia Teachers College followed and an M. A. degree was conferred on her. She also attended summer sessions at the U. of California, U. of Colorado, and Eastern State Teachers College, S. D.

Miss Van Arsdale says, "It is with great satisfaction that I take up my work at C. S. T. C."

Published Weekly at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year. Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

DEDICATED TO THOSE WHO ARE FORMING THE HABIT OF STANDING AROUND THE HALLS

In a prison a warden presents each convict with a list of 'don'ts' which are intended to keep the inmate in good standing in that institution. Our college is no prison, and the result is that each individual is left to his own initiative. It would be fine if each would possess enough common sense to obey the rules of school ethics, preserving the school's traditions and abiding by its accepted rules of student etiquette.

College life is a transition from the care-free, play-day high school era, to that period when we are pushed upon our own — looking world straight in the face and eagerly making our contributions to society. If we lack the common sense to use our time efficiently and effectively, we are playing the role of a Judas. Incoming classes, freshmen and sophomores of today, should appreciate that college education is a sacrifice on the part of their families and one not to be taken lightly. We cannot believe that any of our students would knowingly play traitor to all the hopes their families have centered on them, casting their years of sacrifice to the winds.

IT'S TIME FOR THE SOPHOMORE TO ACT

Our college athletic program has risen to new heights during the past several years. The music activities have kept pace, and have paralleled our school's growth. The social ladder also seems headed for a new deal. Several seasons ago the Senior Ball was added to our school's social calendar, and our social program was raised to a higher plane; snatching the senior party out of the doldrums, and inaugurating it in a growing plan was a decisive forward step. The time seems ripe to elevate the Sophomore Hop to the higher rung it deserves. The result should be a party that rivals the Senior Ball and Junior Prom for galaxy, gallantry, and grandeur.

The Sophomore class should be anxious to prove to the school that it possesses enough talent and ability to eliminate the ordinary class-sponsored twenty-five cent dance and replace it with a class party worthy of bearing the name Sophomore Hop.

The next move is up to you, Sophomores, to display a desire to sponsor the worthwhile project of which you are capable. If you desire to have a real party — and you should possess the initiative and set a precedent for future sophomore classes — now is the time to plan; now is the time to act.

La Follette Is Guest Of Bloc

(Continued from page 1, col. 2)

been made by Bloc to hold its regular meeting at the home of Mr. N. E. Knutzen, with Mr. E. T. Smith as speaker, and Wilson Schwahn, George Simonson, Dr. N. O. Reppen, and Mr. Neal Glenn of Wisconsin Rapids as guests. These plans have been cancelled and the persons mentioned above will be present at the dinner with Mr. La Follette.

Mr. La Follette needs no introduction to Wisconsin readers. For many years the name has stood before the voters of this state. Naturally Bloc feels highly elated over securing the talents of a man who is known and respected over an entire nation.

At the present time Bloc is composed of six active members. They are Arba Shorey president, N. E. Knutzen, Robert Emery, Wilfred Engebretsen, Tom Smith, and Burton Hotvedt.

Training School Library Is At Work

(Continued from page 1, col. 3)

and "Curlylocks, Curlylocks, Wilt Thou Be Mine". Taken as a whole the dimensions of the group are 28'' by 13 1/2''. Individually they measure 40 by 28 inches. The characters are 23 inches tall. The painting completes a most desirable atmosphere in which small children can read, and then by looking to the walls visualize what they have studied. It will lend much to teachers in helping to create a spirit of interest among students.

One of Best

The training school library is without question one of the best of its type to be found anywhere in the state of Wisconsin. It is there that college students do their practise work required in the Teachers' Library Training Course. Miss Syble Mason of the college staff is acting Training School librarian.

Story of Mr. Davidson's Life

Joseph M. Davidson, a member of our local faculty died at St. Michaels Hospital at 9:20 Wednesday night, September 19. He had been seriously ill since August 22, never having entirely recovered from a serious illness of two years ago.

Mr. Davidson came to C. S. T. C. in 1924 from Missouri, his native state. He was a resident of Green City, Missouri, having been born there December 22, 1892. After having graduated from Green City High School, Mr. Davidson entered Northeast Missouri Teachers college at Kirksville from which he received his Bachelor of Science degree in 1921. Prior to his graduation, Mr. Davidson taught school at Harrisburg, Pilot Grove and Green Castle in Missouri and Winterset, Iowa. After receiving his degree Mr. Davidson became an instructor in Butler, Missouri, High school. He held this position until 1925 when he accepted the position of training teacher in the Mary D. Bradford High School, and in that capacity he had supervision of the teaching of English and General Science.

Was Iris Photographer

Always active in extra-curricular activity, Mr. Davidson was an indispensable part of the Iris staff, serving as official school photographer for many years. He was also a member of Sigma Zeta, national science fraternity.

Mr. Davidson had made considerable progress toward an advanced degree, having attended three summer sessions at the University of Chicago, and two at the University of Colorado. He was selected as a member of Kappa Delta Pi, international educational society, while working at the University of Colorado.

He was married to Miss Mildred Ward at Kirksville on June 18, 1916. Surviving him are Mrs. Da-

vidson and two daughters, Dorothy, 11, and Esther Lee, 7, and his mother, Mrs. A. J. Davidson, who resides with the family here. A daughter, Betty Jane, died just prior to the Davidsons' coming to Stevens Point, as a result of an automobile accident.

Active In Church Work

Mr. Davidson was a member of the Frame Memorial Presbyterian Church, holding the position of Sunday School Superintendent for several years. He was also active in the Arbutus Chapter No. 52, Order of Eastern Star, having held the office of patron, associate patron, and sentinel, over a period of years. Prior to his coming to Stevens Point, Mr. Davidson held membership in the Masonic Lodge and commandery at Kirksville, Missouri. A great lover of nature, Mr. Davidson spent a great deal of his time out of doors, with his family whom he taught to enjoy nature as much as he did.

Buried Last Friday

Funeral services were held Friday, September 21, at the Frame Memorial Presbyterian Church with Reverend Claude R. Shaver officiating. A special quartet consisting of Mrs. A. H. Hetzel, Mrs. H. R. Steiner, A. J. Miller, and W. G. Stevens sang two numbers — "Abide with Me" and "Crossing the Bar". Miss Ruth Hamilton accompanied.

Six members of the local faculty acted as casket bearers; A. J. Herriek, R. M. Rightsell, V. E. Thompson, B. R. Pierce, T. A. Rogers and F. J. Schmeekle.

The Eastern Star conducted its service at Forest Cemetery, where interment took place. Mrs. H. Clay Blaisdell, worthy matron, conducted the ceremony.

We, the students of C. S. T. C., feel we have lost a real friend. A man with the sincerity, integrity, and personality of Mr. Davidson is one in many.

October 6th Is The New Date

(Continued from page 1, col. 1)

stunts by the various organizations," Mr. Evans stated. "The usual prizes will be awarded for winners of the stunt floats." The seventy-two piece College Band will lead the parade.

Band Demonstrates

The main event will be the usual tooth and nail battle between the Pointers and the Oshkosh Sawdusters at 2:30 in the afternoon. The marching band will present maneuvers at half time in addition to furnishing numbers during the game.

Dinner hour will see the re-convention of the Fraternities and Sororities in their annual homecoming banquets held in various places throughout the city.

Dance in Evening

The final event of the day will be the annual Homecoming Dance to be held in the College Gym. This will wind up the program for the day.

These plans are tentative. Many new events are to be added. To you Freshmen and upper classmen who have never attended a

Engebretsen New Senior Prexy

(Continued from page 1, col. 4)

ola. The complete sophomore officers are:

President . . . . . Bill Theisen
Vice-President . . . . .
. . . . . Eleanor Crumme
Secretary . . . . . Arthur Hemmy
Treasurer . . . . . Charles Torbenson

The Freshmen have run true to form by electing a football man as their chief. Tom Benson, a product of the Minneapolis prep schools, and All-City of the Twin City football team, was elected president. Complete Freshmen officers are:

President . . . . . Tom Benson
Vice-President . . . . .
. . . . . Leonard Chartier
Secretary . . . . . Dorothy Cook
Treasurer . . . . . Ray Busch

On these officers, particularly the presidents, devolves much responsibility; they can make or break the spirit of the classes. The Pointer wishes them all success.

C. S. T. C. homecoming — stay in Stevens Point the week-end of Oct. 6 — you will agree it will be well worth your time.

## SOCIETY NEWS

### Tau Gam Tea Saturday

Tau Gamma Beta Sorority Tea which was postponed from last Saturday will be held next Saturday in the Home Economics parlors. The sorority extends an invitation to all college women, faculty women and faculty wives.

### Omega Tea Thursday

Next Thursday afternoon the Omega Mu Chi Sorority will be hostesses at their annual Tea Party. All faculty wives and women of the faculty and college are cordially invited to the Home Economics Parlors, where tea will be served from four to six.

### Faculty Reception To-night

The date of the oft postponed and much anticipated Faculty Reception has been definitely set for Thursday evening, Sept. 27th. The students are urged to be prompt for the receiving line which will form at eight o'clock. Ray Jacob's orchestra will furnish the music for the dancing.

### Omega Matinee Tuesday

The Omega Mu Chi Sorority will sponsor a matinee dance next Tuesday afternoon from four until six. "The Collegians" are scheduled to play for the dancing which will be held in the old gym. Admission, ten cents to everyone.

### Y. W. C. A. Party

The Y. W. C. A. entertained at a delightful party last Wednesday evening in the Nelson Hall recreation rooms. Plans for the year were formulated after which a varied program was given. Candy bars were served as an introduction to the usual sale of candy bars which the Y. W. C. A. sponsors throughout the year at the dormitory. Your patronage is solicited.

### Carlsten Elected Advisor

Miss Edna Carlsten has been elected the new advisor for the Omegas. A second advisor will be elected at some future date. Miss Eva Seen and Miss Florence Brown were former advisors of the sorority.

### Loyola Elects

An interesting and varied program was given at the Loyola meeting last Wednesday evening. Miss Florence Glennon, who sojournd in Europe the previous summer, provided the main point of interest when she told about the play "Oberammergau". Following the program, the officers for the year were elected.

### Squire's Party

Members of the Loyola Club, college Catholic students' organization, will be entertained this Friday night by the Squires of St. Stephens Church, in that school's gymnasium. The Knights of Columbus have sponsored the event in former years, but this year the Squires have arranged the entertainment. Ray Jacobs orchestra has been engaged to furnish music for the occasion.

### Phi Sig Party

Wednesday evening, September

## W. A. A.

To the women of the college who are interested in the Women's Athletic Association, we wish to state that membership is open to all women of the college. To be eligible one must have been in the college one semester, have a scholastic standing of 81, and must have shown an active interest in the activities sponsored by the association. Active interest is defined specifically as participation in two major sports or one major and two minors. Will those girls interested in joining at this time hand names to Ruth Wagner or any WAA member?

Since our formidable opponent, the weather, has relented a bit, our sports have actually begun. Last week a group of twenty women reported for hockey and were out again Tuesday. The ladder tennis tournament is posted on the bulletin board and with dry courts the challenges are being made.

19, Phi Sigma Epsilon fraternity was host at a card party held at their house, 1011 Main Street. Twelve couples enjoyed six tables of bridge. First prize for the ladies was awarded to Miss Alice Sorenson, '34 degree graduate of C. S. T. C.. Morris Skinner won the men's high scoring honors. Refreshments were served.

### Former Student Honored

Burton Hotvedt, former student at the local teachers college, and an ex-president of Phi Sigma Epsilon, now employed by the Hardware Mutual Insurance Company, was recently notified of his election by the national conclave to the National Council of Phi Sigma Epsilon.

Phi Sigs would like to call the attention of the student body to their national magazine, "The Triangulum", now posted on the bulletin board on the second floor of the main building next to Miss Knaack's office.

### Bloc Meets

Bloc Honorary met Tuesday evening, September 18, at the home of N. E. Knutzen, 1117 Clark Street. Monday evening, October 15, Bloc will discuss with the Rev. Mr. W. Schwemmer, social, religious, and economic conditions of Nazi Germany and Communistic Russia. Rev. Schwemmer, who is pastor of the Peace Evangelical Church, located at the corner of Center and Dixon in this city, has recently returned from an extended vacation abroad.

Tuesday, October 30, Mr. Neal Glenn, well known classical tenor, now located at Wisconsin Rapids, and personal friend of Robert Emery, will discuss, and demonstrate some of the most interesting features of grand opera. Tuesday, November 13, will be taken up with a general business meeting and discussions. No guests or speakers will be invited. All three meetings will be held at the home of Mr. Knutzen.

## NELSON HALL

A certain freshman in the dorm called up L. Scribner and inquired as to a good place to go walking! Imagine his embarrassment!

Tone Rasmussen, who has been ill this last week is back at Nelson Hall again.

Dorm girls turn gun women! No! — just their frivolity coming out in the form of busting paper sacks.

Sally Harsh of Marshfield was called home Monday because of the death of her brother. The dorm girls extend their sympathy.

A certain "Blond Venus" in the dorm left her job after one-half day's work. It seems that there was some scrubbing to be done!

The dorm girls are studying rhythm these days. Several new radios were installed, being the instigator's of the rhythm.

A new interior decorator has been discovered in room 233. If you don't believe it, come up and see her room sometime!

A certain gentleman rang the doorbell of the dormitory the other night. He asked to be taken to room 309. Was he surprised when he found that he was at the dormitory and not the hospital!

Helen Piehl celebrated her birthday Sunday night at Shern's. The regular group who eat there made up the party.

# LA CROSSE GRIDDERS HERE FRIDAY

## TOUGH BATTLE ON PROGRAM

### La Crosse Scored Impressive Win Over Winona Last Saturday

It will be Howard Johnson's La Crosse Collegians against Eddie Kotal's Purgold pigskin toters tomorrow afternoon in the first appearance on the home turf of a La Crosse team in many years. Relations were resumed last year, when the two teams battled to a 6-6 tie near the banks of the Mississippi.

#### Game at 2:30

Well pleased in a few respects, but much worried in others, all disclosed as the result of last Saturday's tune-up with Saint Cloud, Coach Kotal will strive to throw his football machine into high gear for the always tough La Crosse crew, who will do the opening honors when they take the field opposing the Pointers at 2:30 P. M. tomorrow afternoon on Schmeeckle Field in the 1934 Purple and Gold curtain raiser.

#### Nugent Missed

Night practice by floodlights and continuous "skull" sessions have been the steady diet of the C. S. T. C. "Canaries". It is no secret that the wishers and backers of the local crew would feel better if Nugent, last year's full-back, always good for that extra-yardage in the pinch, was once more in the fold, and that the dozens of irritating leg and foot injuries were a thing of the past, instead of an increasing source of alarm as the minor injuries toll mounts daily.

#### Large Squad Ready

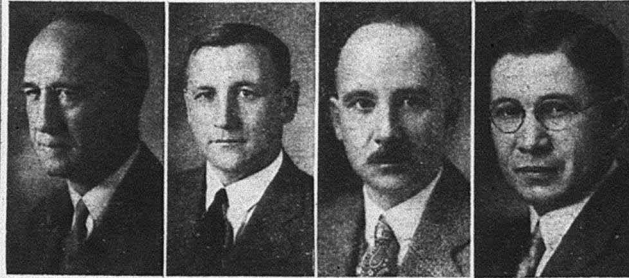

When the wraps are taken off the 1934 C. S. T. C. aspirants for the championship on the morrow, many new faces will dot the greensward, some of whom will see service if regular starting placements falter. Kotal may try various combinations for it is still early in the season, and not at all past the experimental stage. Although the squad is built around hold-overs from last year it is not improbable that many of the new men can be used to advantage in a winning combination. The work of Benson, Chartier, and Lampe as backfield material has met with approval, but sterner competition will be the order as the season lengthens. Regular jobs await the linemen who can show better form than the 1933 crop, who, at this

(Continued on page 5, col. 3)

## NOTICE

There will be an important meeting of S Club members in Mr. Watson's room immediately following today's assembly. All members are urged to be present for the transaction of important business.

## C. S. T. C. ATHLETIC BOARD

C. F. Watson      H. R. Steiner      R. M. Rightsell      F. J. Schmeeckle

The C. S. T. C. Athletic Committee is composed of Mr. Watson, Mr. Steiner, Mr. Rightsell, and Mr. Schmeeckle, Chairman. This body governs all athletic activities at the college and maintains relations with the schools of the conference. The board has decided that Homecoming will occur on Saturday, Oct. 6th, with Oshkosh as the visiting team, instead of Northland on Oct. 13th, as given in the Student Handbook.

As Seen From  
the  
*Sidelines*  
by  
Si

#### Prescription For a Tired Business Man...

Select any brilliant fall weekend afternoon for your grandmother's funeral... and throw twenty-two huskies at each other in a bowl or gridiron... it takes a little dough to work up a good stiff batter... add several million American football nuts... headed by several kangaroos... watch critically to avoid running over goal lines... be careful not to fumble... garnish with touchdowns... and let boil for thirty minutes until half done... then set aside in a cool place and put on the pan for ten minutes... adding copious quantities of liquid and garrulity... after which return to the grid... adding fresh huskies until desired results are obtained... put several officials in a stew... and add to the mixture one burned up Coach... with team left in the soup... serve when cool... and in large quantities... every weekend.

#### Football Realities... V. S. Illusions

Thinking of football in general... and certain practices in connection with "All American" teams... Alonzo Stagg once said "take your strongest All American team... picked by the foremost sports writers of the land... as it is picked today... and I will take a good team of university calibre... and beat the All Americans... because the so-called All American team has a backfield chosen for their ball carrying ability... with little or no thought concerning the selection of blocking backs"... it is worth mentioning here that Stagg never picked an All American

## Athletic Field Named After Faculty Member

For the benefit of those coming to school for the first time we are herein briefly retelling the story of how the athletic field came to be — first conceptions finally blossoming into realities in the fall of 1932, when the field was officially opened. Mr. Fred Schmeeckle, faculty member of the athletic board, and instructor in Agriculture and Chemistry, laid out the grounds, and overseer the hundred other details of sodding, track, seats, landscape gardening, and continuous care. That is why we have an athletic field here, girls and fellows, and that's why authorities were unanimous in deciding that the field for all time shall bear the name "Schmeeckle Field." What do you think about it?

## Izaak Walton Jamboree At Armory Tonight

The Stevens Point chapter of the Izaak Walton League will have a get-together at the Armory tonight. Many prizes will be given away and a fine program has been arranged, according to officials. Admission — four bits.

team because of the strongly entrenched practice he speaks of... Red Grange's phenomenal success at Illinois was in a great measure due to Fullback Britton and Halfback McIlwain... and the men who prepared the way for him... never since has Grange had a pair of blockers who could perform like these men... who helped to make possible Grange's four touchdowns in twelve minutes in the Illinois-Michigan game of '24... tomorrow when at the game, watch the men ahead of the ball carrier... note how these men prepare the way... how the linemen take care of the opposing players... a football team is only as good as its blockers.

## ST. CLOUD UPSET BY KOTAL'S GANG

### Becker's Punting Featured; Teams Evenly Matched

The Stevens Point Teachers College griddeers started the 1934 season with a 7-6 victory over the Saint Cloud Teachers, last year's undefeated Minnesota State Teachers college champions.

The two teams were about evenly matched, and the balance was broken by Captain Warren Becker's talented toe which kicked the extra point, translating a tie into victory for the Pointers.

#### Nip and Tuck

Saint Cloud tallied in the second quarter to lead 6-0, but the Point came back in the third quarter to tie the score and secure the margin of victory. Saint Cloud picked up eleven first downs, several of which came as the result of penalties assessed against the Kotal's crew, who made seven first downs.

#### Place Kick Missed

Stevens Point kicked off with the wind in their favor to begin the game. Shortly afterward Becker got off a long punt and Murray returned Saint Cloud's exchange punt into enemy territory. A try for a place kick by Becker from the thirty yard stripe went wide by a narrow margin. Saint Cloud threatened to score, but their march goalward was terminated by Murray's interception of a Minnesota pass.

#### St. Cloud Scores First

In the middle of the second quarter Saint Cloud scored by virtue of a thirty yard pass, Johnston to Perpich (half-back to right end) which placed the ball on the Purgold three yard line. The remaining distance to the goal line was accomplished by Johnston on a sweeping run around right end. The goal kick was missed, making the score Saint Cloud 6, C. S. T. C. 0 in the second quarter. Lampe's thirty yard run terminated just before the close of the half, the longest Point gain of the period.

(Continued from page 4, col. 4)

## Sam Kingston Wins Club Championship

Sam Kingston, who spent his first two years at C. S. T. C. and who will enroll at the University of Wisconsin as a junior this year, continues to add laurels to his golf record as a member of the Purple and Gold golf team while a student here.

Sam was runner-up to Kerwin of Green Bay in the Northeastern Wisconsin Golf Tournament held at Appleton this summer, and recently won the Whiting Country Club Championship, defeating Kotal in the semi-finals, and emerging victorious over Oberweiser in the finals.

## Meet The Squad At Work and Play

Milton Anderson, 1105 Ellis Street, another hold-over from last year, played baseball this summer with the Matson and Racine Coal Company team in the Racine City League, during his resident in that city. He also attended the World's Fair for a few days. He is twenty-one years of age, weighs 190 pounds.

Frank Menzel, 805 Normal Avenue, played ball with the Stevens Point Dells in the Portage County League, and worked at the gas station during the summer months. Frank had planned to enroll at the "U", but he has returned to C.S.T.C. and all the football fans are glad of it for Frank was regular end on the championship team of last year. Menzel weighs 160 pounds, is twenty years of age.

Charles ("Chuck") Sparhawk, whose statement reads "Plover, Wis., (sub-urb)" stayed home helping on the farm and in the garden. He played ball on the Sherwood or South Plover team and we were "pretty successful" says Chuck. Sparhawk weighs 175 pounds and is twenty-one years of age. He was a member of the team last year, and occupied a prominent place on the wrestling squad.

Alvin Bucholtz, of Merrill, Wis., resides at 1018 Briggs Street, has taught school for several years. Al spent the summer months with the Tomahawk Wisconsin Valley League Club, where he belted the horsehide for an average of .410, which put him right up there among the boss swatsmiths of the league. He is also a basket ball player, and plays saxophone in an orchestra. He weighs 158 pounds and is trying for a backfield position.

Tom Benson who hails from this city, and whose present address is 636 Church Street, was employed as chauffeur at Port Edwards during the summer just passed. He is a graduate of Edison High School, in the twin cities, weighs 187 pounds and he is equally at home in the backfield or at end.

Leonard ("Red") Chartier's home town is Merrill, Wis.; his local address is 1018 Briggs Street. Len is a journalist, worked for the Merrill Daily Herald in the summer months. He is twenty years of age, cavorts in the backfield. (More sport personalities next week)

## Advent Of Night Football Here

Wausau and Stevens Point High Schools will usher in the opening of the Wisconsin Valley Conference season in a night football game to be played at Goerke Field tomorrow (Friday) evening.

Wausau defeated Nekoosa in the conference opener at Wausau last Saturday evening by a 14-7 score, thus prolonging her undefeated status of last year as valley champs. Stevens Point was defeated earlier in the season by Eau Claire by 7-6 score, but hopes to break into the win column tomorrow night.

A huge turnout witnessed the inauguration of night football at Wausau last week, indicating that fans will OK the new pastime, while visiting coaches were agreed that no great differences resulted in the game as the result of its change from an afternoon to a bedtime status.

## Football Schedule For 1934 Season

September 28	LaCrosse	here (Booster Game)
October 6	Oshkosh*	here (Homecoming)
October 13	Northland	here (Dad's Day)
October 20	Milwaukee*	there
October 27	Ill. Wesleyan	at Bloomington, Ill.
November 3	Whitewater*	there
November 10	Platteville*	here (?)

Those marked \* are conference games

### ST. CLOUD LOSES TO POINTERS

(Continued on page 5, col. 2)

#### Pointers Retaliate

The Point crew came out in a fighting mood for the start of the second half and were soon threatening their opponent's goal line. Becker punted from his own eight yard line and Broome downed the ball on St. Cloud's one yard line — a beautiful punt of ninety yards. Saint Cloud immediately punted out and the boys from Central Wisconsin began their march to a touchdown. A pass, Lampe to Becker, was good for thirty yards, placing the ball on the Saint Cloud six yard line. Lampe smashed off tackle for two yards; on the final down Becker punted over for a touchdown and the tying six points, adding the extra point to make the score read C. S. T. C. 7, Saint Cloud Teachers 6.

#### Fritsch Recovers

In the final quarter Saint Cloud made their supreme effort to break through the stubborn defense of Kotal's men when interference on a pass gave them the ball on the Point twenty-three yard line. They immediately fumbled however, and Fullback Myron Fritsch was on the ball when the players were disintegrated from the resulting scrimmage. Saint Cloud filled the air with passes in the final minutes but to no avail. The Point gang played good heady ball at all times to take advantage of the few breaks they received.

#### Starting lineups

C. S. T. C.	Saint Cloud Teachers
McGuire	L. E. Perpech
Ben Slotwinski	L. T. Apman
Sparhawk	L. G. Miller
Broome	C. Alden

writing, occupy the majority of the places in the line. The starting linemen will be picked from the following group: Broome, Weingartner, T. Menzel, F. Menzel, Ben Slotwinski, Sparhawk, McGuire, Olson, McDonald, Maurer, Benson, Copes, Pophal, Krenke, Schmeling, Peavy, Birch, Behnke. The backfield will be picked from the following group: Becker, Fritsch, Murray, Lampe, Unferth, Zurfluh, Chartier, Bucholtz, Anderson, Dagneau, Beppler, Schmidt.

#### La Crosse Won Opener

The La Crosse eleven opened their season last Saturday with an impressive win over the Winona State Teachers, 12-0. Harr, left halfback, scored both touchdowns, after substantial gains by Schwogler, fullback. The Raquets flashed a deceptive attack featuring passes and line jabs.

## Key To City In Neale's Office Enrollment At C. S. T. C. Compares Favorably With Other Colleges

It's a large key, 18 inches long, and tied with a purple ribbon. It has a place of honor in Mr. Neale's office on the third floor of this building, and this is its story:

In the year 1918, September 22-25, 400 people from 18 states gathered in this city in the "State Normal School auditorium" for the first Rural Education and Country Life Conference in Wisconsin. To quote from the original newspaper story: "This meeting was the largest, most successful conference ever held by the conference, and the delegates present from Massachusetts to Nebraska, from Virginia to North Dakota listened to the addresses, took part in the discussion, and observed at first-hand Wisconsin's method of dealing with the problems of rural education and life."

### Four Day Conference

During the four days that the conference was in session material was presented on all aspects of rural life; church, health and leaders in the field, Mr. J. L. McBrien, School Extension Agent, U. S. Bureau of Education, Washington, D. C., Professor Walter E. Larsen, State Rural School Supervisor, Madison, Wisconsin, Rev. Matthew McNutt, representing the board of Home Missions, Presbyterian Church of the United States, of New York City, and 48 other speakers, equally well-known, brought from their wide experience suggestions and ideas that would best further the aim of the conference "to make rural life and rural schools as attractive and efficient as city life and schools".

### Key Presented

A conference of such size and importance is not often brought to a city the size of Stevens Point. It was accomplished in this instance through Mr. Neale's long friendship with Mr. J. L. McBrien, executive secretary of the conference. The occasion called for the presentation of the key to the city to President John F. Sims of the college by Mayor John N. Welsby. Sixteen years later it is a symbol of one of the school's triumphs, and a reminder of past glories.

### LOST AND FOUND

The following have been found and left in the Training School Office.

1—pad notebook filler, large size.

1—cameo ring, filigree setting.

1—set of ear keys in red holder, with Mosinee name and telephone number on same.

The total enrollment of the nine State Teachers Colleges at the end of the first week is six per cent lower than it was at the end of the first week a year ago.

### Enrollments

	1934	1933	change
Eau Claire .....	591	617	- 25
La Crosse .....	650	700	- 50
Milwaukee .....	1,150	1,351	-200
Oshkosh .....	624	134	- 10
Platteville .....	468	461	+ 7
River Falls .....	451	524	- 73
Stevens Point .....	646	664	- 16
Superior .....	676	670	+ 6
Whitewater .....	634	673	- 29
Total .....	5,890	6,294	-404

With the exception of Platteville and Superior, the only schools to show a gain, all schools suffered.

The drought forced many students to stay out of College this year, as did the lack of available loan funds; these reasons coupled with the increased length of courses, discouraged a good many students who would otherwise have enrolled. Interest in teaching as a profession has declined due to the difficulty of securing a position after graduating. This was also a contributing factor in the general decline. C. S. T. C., in spite of the increased length of courses, has retained approximately the same number of students. The State Teachers College can best take care of an average enrollment of about 5,100. As conditions return to normal there will be a decline to about that figure.

Students are still registering. A few more will find the enrollment of last year being surpassed. The latest figures on total attendance are 680.

### College Student's Car Stolen Last Week

It seems that the thieving populace has moved into new fields and has selected as its target students of C. S. T. C. The first major theft of the current term was the stealing of the 1931 Ford Coupe of Miss Lillian Frawley, a coed, from its parking place near Nelson Hall, Wednesday Sept. 19. The car which bore the license 303-193 was dark in color with green wheels. Anyone knowing the whereabouts of said car is requested to communicate with Miss Frawley at Nelson Hall.

### College Radio Hour Program Next Wed.

Next week Wednesday, when the college makes its weekly broadcast, there will be on the program a special contribution from one of our school's alumnae, Mrs. Irene Hite Thompson. Mrs. Thompson is a local music teacher, and a pianist of highest ability.

Although the final arrangements have not yet been completed for the "Play of the Week" series, the program director says that we can expect a play for next

### Pointer Staff Cooperates With Frosh In English

The Pointer staff and the Freshmen are about to join forces in the interest of a livelier paper. Each week, members of Miss Colman's 101 classes, 6 or 7 at a time will meet in conference, be assigned a newspaper story, and given some idea of what the finished product should be. If they can get the facts, whether that requires delving into ancient books or pursuing some elusive gentlemen for an interview, put them into a live story and get it in on time, they'll read it in the next week's Pointer.

This innovation will be purely experimental. How long it lasts will depend on results. Checking the stories may make more work for the staff, but it's worth it, since it gives the English classes practical experience, and may give the staff an O. O. McIntyre.

Wednesday. As usual, the college sports will be reviewed.

**HERE  
AND  
THERE**  
A COLUMNIST'S COLUMN

Student government has been adopted at Nelson Hall. Coeds who stay at the dorm can rest assured that **student government** is going to mean **no government** unless each and every resident makes up her mind to obey the rules which were, we understand, democratically adopted. The chief executive might be a veritable Queen Elizabeth, yet she will produce no results without the cooperation of at least ninety percent of the occupants of Nelson Hall.

**Under any rule girls who are full of the devil usually find an opportunity to meet him. The same goes for fellows.**

In the national, state, and school elections the candidates we supported came in either second or third best. If ever there is someone you would like to have defeated just let this writer know and we'll vote for that party.

Incidentally we would like to see the government classes conduct another "straw" election and have the speech department give political addresses and carry on the campaign.

**Sol Marshall, 1933-34 editor of the Milwaukee Echo, teachers college organ, pays The Pointer a compliment by wishing to have it sent to him, presumably for the purpose of garnering information that he can use in fulfilling his duties with the Milwaukee Sentinel.**

Wilson Schwahn, of the local national guard, says that bravery is the thing that keeps a soldier's feet dry when there's a machine gun in front of him and a creek behind him.

While this thought isn't original with the writer we would like to ask if, in this democratic nation, it does not seem peculiar for the biggest public institution of all, the public schools, to be based so strongly upon autocratic principles.

Students often complain that they do not get money's worth out of their student activity tickets. In order to allay any wrong impression that might be prevailing in the minds of freshmen we take the following paragraph from an editorial in last year's Pointer.

**"The seven dollars... is divided in the following manner; the Athletic Department gets \$2.50; The Pointer receives one dollar as does the Iris; likewise one dollar goes to the entertainment fund... This year both Music and Forensics have been allowed... fifty cents each...". The remaining fifty cents went to**

**ALUMNI NEWS**  
by  
**FRANK N. SPINDLER**

It may be interesting, especially to the new students in this school, to know how widely the graduates of this school are scattered over the world. There is not a county in Wisconsin where there are not many of our graduates, and in all cities of this state of any size and in towns and villages our graduates are to be found.

When a student graduates from this school and receives a diploma, he becomes a member of the greatest fraternity that he will ever belong to, — a fraternity, members of which are bound together by loyalty to Alma Mater and by friendship and by common ideals and principles. It is exceedingly gratifying for the members of this faculty when they meet graduates out in the field, for the sincere and evident pleasure with which the graduates meet the members of the faculty whom they have known shows how deeply they regard the school.

Our graduates are found, as we have said, all over the world. We shall note what states of this union we have graduates living in, viz: Alabama, Arkansas, Arizona, California, Connecticut, Colorado, Delaware, District of Columbia, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Hampshire, New Jersey, New Mexico, New York, North Dakota, Ohio, Oregon, Pennsylvania, South Dakota, Texas, Tennessee, Vermont, Washington, West Virginia, Wisconsin, Wyoming.

Not only are our graduates scattered all over the United States, but we find them around the world in Canada, Canal Zone, Panama, Hawaiian Islands, Philippine Islands, China, Sumatra, Madagascar, Germany, Venezuela.

Wherever and whenever around the world you meet a graduate of this school, you meet a friend. What is more valuable than to belong to such a worldwide brotherhood?

a miscellaneous fund which financed all school parties, dances, etc.

Evangeline Johnson, whose headquarters are at Nelson Hall, thinks that all plastic surgeons are great lovers, for women are just like putty in their hands.

School parties, dances, etc. are not for the faculty, and should not be financed with money from the instructors pocketbooks. However, we understand that every member of the teaching and secretarial staff buys annually a season ticket to all athletic contests, and pays a years subscription to The Pointer. That dual purpose ticket costs them exactly five dollars. Too, they donate to every school solicitor whose purpose is recognized by the administration.

The other night we heard Oscar Copes, giant football bruiser, refer in this way to another aspirant for gridiron fame, who had quit the squad after a tough workout,

"He was a brave fella,  
Except he was yella,  
As bold as a sissy could be."

In order to make this column as interesting as possible helpful suggestions, criticisms and contributions are in order.

**Spindler To Contribute  
Alumni News Weekly**

Professor Frank N. Spindler, chairman of the committee on alumni relations, will again be a regular contributor to the Pointer columns. Professor Spindler has written the alumni column in the Pointer for the last three years, and his writing will be a regular weekly feature this year. His contact with the alumni and his willingness to work for their interests has prompted him to write news that is of interest to both graduates and the students. Individual information cards have been sent to the thousands of alumni so the files can be brought up to the minute. Assimilated information will serve as the basis for future stories, notes, and published facts.

# NIGHT SCHOOL GETS UNDER WAY

**Large Enrollment Expected; Mr. Knutzen In Charge**

A record enrollment is expected this year in the night school, according to Mr. Knutzen, the faculty member in charge of the work.

About 40 people enrolled in the night school in 1932-33, the year

N. E. Knutzen

of its inception. Last year the enrollment jumped to 103, and this year, Mr. Knutzen reports, over 150 registrants, some from as far as 120 miles away, are expected. Requests for information from a large number of interested persons enable the teachers to predict a greater demand than ever before for night school work.

**Regular Credit Given**

Teachers who receive regular college credit toward a degree for the work make up a large number of the students, and many others take purely cultural courses.

Twelve members of the faculty offered courses last year. These teachers give freely of their time, receiving no compensation for the work. A great deal of credit is due them for doing such excellent work among students who otherwise probably could find no way of increasing their education.

**Many Subjects Offered**

The subjects offered in the school depend entirely on the demand. Any college course for which ten or more entrants express a preference will be offered by the faculty.

The registrants pay a fee of \$8.00, and they are privileged to take courses aggregating six full credits each semester, in courses with no laboratory work. Classes were formerly held only on Tuesday night, but because of the unprecedented demand, an additional Saturday morning class is planned.

The first meeting was held Tuesday evening, September 25, at which all interested persons were to help plan this year's work.

## Iris Plans Are Under Way

With the expert aid of several of the country's largest school annual concerns, the Iris staff has already come to definite conclusions regarding this year's annual. The Iris. Two entirely new features, yet undivulged by editors Emery and Schwahn, have been selected to play an important part in the makeup of the book. A new type of cover, designed by foremost artists of companies desirous of securing the contract, has already been chosen.

The advertising section promises to be the most comprehensive and largest of any previous year-book.

Editor Emery and his staff feel confident that this year's volume will be entirely different and will equal, if not surpass the best annual the school has produced thus far.

The Editor feels fortunate in having such able colleagues as Wilson Schwahn and Wilfred Engbreetsen. The complete staff will be announced next week.

## Glee Club Turnout Exceptionally Large

If the number of men who turned out for the first practice of the Men's Glee Club is any indication of the appeal of this sort of music to the general student body, this year's program promises to be even more successful than last year's. Fifty men reported last Thursday, even though some who had signed up did not appear. Mr. Knutzen has tentatively set the size of the group at forty members; but he states that he is not going to eliminate any good voices, even if the total does exceed this number.
