An Old Grad Looks Back

Each year schools, colleges and universities have what is called a "Homecoming". Its purpose is to welcome back former graduates of the school, who, for mostly sentimental reasons, cherish kindly feelings toward the place which graduated them. They wish to contact these scenes again, it is supposed, because of the things which happened to them while they were here, and to greet some of their classmates who might still be students here.

In a certain sense it is impossible to re-create the exact dramatic personae in which we had our place... the background is there, but there is the impossibility of capturing again the elusive memories of the past in their entirety, "home" again has its charms, but not untinged by a kind of haunting sadness, when one remembers the things that are gone... down the trail of years... carrying with them cherished associates.

And then there is the gay side... the return brings laughter, frivolity, thrills, all somewhat blood-tingling... the game... and the evening to follow... and the happy memories that remain "like the familiar, haunting strains of an old refrain, heard again in strange places..."—Old Grad.

to live over again the more captivating moments, those transitory, fleeting bits of life wherein the elusive quality of charm that struck us at that moment cannot be re-defined again in exact terms of the past. The sequence of events necessary to the climactic moments we remember are lacking.

The moment of coming "back home" again has its charms, but not untinged by a kind of haunting sadness, when one remembers the things that are gone... down the trail of years... carrying with them cherished associates.

How About It-Alumni?

"To the banks of old Wisconsin when years are past and gone,
As schoolmates we have parted, our lessons all are done,
We'll return and show our comrades we're loyal as of old
And cheer them on to victory. 'neath the Purple and the Gold."
Will YOU Be There Saturday, Alumni?

President Greets Parents

On behalf of the Faculty and students of Central State Teachers College, I extend a most cordial welcome to all parents and friends who are our guests on this Parents' Day.

Debators To Get Delightful Trip

This year the National Phi Kappa Delta, national debate tourney, will be held in Houston, Texas. C. S. T. C. will send one or more teams to this contest. Here is a wonderful opportunity for someone.

Meeting Today

Remember, both men and women's debate teams will be organized, and all those interested are requested to meet in Mr. Burroughs's room, 211, to-day at 4:00.

Published Weekly, except holidays and examination periods, at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

Where's That Old College Try?

If there's anything worse than a school without a team (legally), it's a school without a cheerleader for the team it hasn't, and it's worse yet not to have any cheers. We have a great team (at least, it looks that's what people thought), we have the cheer leaders, and we have the cheers; so we aren't so bad off after all.

What we need is a little "get-together." A pep-meeting has been scheduled for tomorrow evening at 7:00. Let's all get out and work up some enthusiasm.

We've had cheering and cheerleaders at our former games, but they were dis-organized. Even if you can't come up tomorrow, be there Saturday, sit in a group, and let the team know that you're for them.

SPEECH CLASSES TO GIVE "JOURNEY'S END"

Near Armistice Day, a regular full length play will be given entitled "Journey's End" by Fahrrin. This is an English play of trench war-fare and is one of the biggest things ever attempted in this line by Mr. Burroughs. The play has been secured from Walter Baker and Co. and is a royalty production.

In addition to the staging of this play, Mr. Burroughs will continue to present short plays every Monday afternoon on the College Radio Hour. Because of the new arrangements for spectators, these plays will be staged in a more dramatic manner for the benefit of onlookers. The action will usually involve only two characters.

The plays so far staged have been very interesting and should continue to be so in the future under the capable direction of Mr. Burroughs.

ALUMNI ASSOCIATION PLANS EARLY MEETING

The executive officers of the Alumni Association of Central State are introducing an innovation into the program for this year by having the annual get-together at the state teachers convention in Milwaukee at a noon luncheon at the Schroeder Hotel on Thursday, Nov. 7. This change has been made at the request of many alumni, who find a dinner in the evening conflicting with many other engagements.

Reservations are coming in to Miss Bessie LaVigne of Stevens Point. It would facilitate the general arrangement of details if all those alumni of C. S. T. C. who will be in Milwaukee for the state meeting would signify their plan of attending the college luncheon soon.

Let us meet each other on this occasion. Let us show our deep affection for our departed friend and teacher, Frank N. Spindler, for whom this gathering will be a memorial.

BAND GIVEN NEW ROOM

With the band securely ensconced in its quarters, Mr. Michelsen has stated that this arrangement should in every way be superior to the old. Mr. Michelsen's office is now what was formerly Mr. Jenkin's recitation room, and Mr. Jenkins has his class room on the second floor opposite the library. All of the pianos were tuned during the renovating process and are in excellent condition now.

Band To Enliven "Pep-meeting"

The Band will play a short "Pep Program" tomorrow afternoon in advance of the Homecoming game and will march, of course, in gold regalia, for the huge homecoming Parade. The Band will also be on hand at the game to keep the spectators entertained during the "time out" periods and between halves. In addition to these near activities the Concert Band will play a short concert group next Tuesday.

GLEE CLUB TO APPEAR

Next Tuesday, the 29th of October, the Men's Glee Club of Central State will make its first appearance before the college. Considerable hard work has been put in and though it is early, the Glee Club shall put forth its best efforts.

Three songs shall be sung, which are: "Drink to Me Only with Thine Eyes," an old English air; "Requiem," by Homer; and "God So Loved the World," from Stainer's Crucifixion.

Practices are now being held regularly in Mr. Knutzen's room, which has been provided with a piano.

Burroughs Announces Debate Schedule

"Resolved that Congress, by a two thirds vote, can over-rule all 5-4 Supreme Court decisions."

That is the question which has been selected for the "35-36" debate season, and proves to be an interesting one.

Professor Burroughs, debate coach, announces that an interesting debate program has been arranged. The schedule, as it stands at present is as follows:

La Crosse Nov. 23 or Dec. 7
(Date to be decided by vote)
Eau Claire Feb. 1
St. Thomas Last of February

(This is a big three day tournament).

The Inner-State Oratorical Contest this year will be held in Stevens Point. This contest includes extemporaneous speaking, declamation, and oratory. It is to be held on March 21, and on that date C. S. T. C. will act as host to many colleges of the state.

STUDENT COUNCIL NEARING QUOTA

The plans for a student social council are gradually materializing in the form of a compact student representation.

At a recent meeting at Nelson Hall, Miss Jane Reedal was chosen to represent the dormites. Miss Reedal's election brings the total representation to three. Other members are Deane Gordon, representing the professional group, and Francis Bremmer, representing the Greeks and the Pointer.

Mr. Rogers will appoint the representative for the honorary societies and the other two members will be picked by popular election in the near future, representing the religious and athletic groups.

Be sure to watch the bulletin boards for the meeting of your group.

Reminiscences Of a Sophomore

(Rec'd. in the Editor's Mail)

As this reminiscent student sat down to write she thought it possible to recall a few things she learned a year or two ago. Surely the sieve-like receptor she carries around on her shoulders had retained a few particles of knowledge.

She sat a moment in deep thought, then began abruptly, with a flash of memory: Transcendentalism is a theory pertaining to... to... Her memory failing, she decided to try another: Gray's "Elegy in a Country Churchyard" was written by... a... a...

Her reserves, evidently, were just a trifle weak. She was about to surrender and lay down her traitorous pen, but the ghost of her Sophomore year persisted. Ah, remembrance at last... the one unforgettable impression!

She saw herself again as an ex-Freshman, reluctantly leaving behind a summer of fun and frolic to return to the dull grind of the Sophomore year. Much to her surprise, as she neared C. S. T. C., a glimpse of imposing red roofs caused her footsteps to quicken. The newly-mown campus, like a house freshly cleaned for a friend's arrival, seemed to extend an unspoken welcome, and demanded an answering smile from the returning Soph. She had almost forgotten that she was returning to a friend!

When classes met the feeling of friendship remained. Even the bare classrooms looked inviting, decorated as they were by Freshman landmarks.... an initial scratched in a chair, a seat near an old classmate, a favorite location just the right distance from the professor's desk.

An important discovery was the fact that the professors were really human... not stern monarchs to be approached with diffidence and awe, but pleasant intelligent individuals who were always willing to offer suggestions and assistance if she would but admit her ignorance (which, after all, was her reason for attending college).

As the year wore on the "give and take" characteristic of friendship made itself apparent. The more school functions she attended, the more she enjoyed them; the harder she cheered at the games the more enthusiastic she became; and (miracle of miracles) the harder she studied the better she liked her classes.

That elusive, invisible elf, the school spirit, had captured her, and she was proud to be a student at C. S. T. C.

"As She Is Spoke"...

Mr. Knutzen: "I am very disappointed in the way your son, Bill, talks. Only today he said: 'I ain't never went nowhere'."

Mr. Larson: "He did? Why, the young whelp has done traveled twice as far as most kids his age."

Sophomore Party Proves Huge Success

The sophomore class innovated their first annual "hop" last Friday night, October 18, and, in this writer's opinion, it was one of the nicest parties ever held at this school.

A delightful spirit of informality prevailed which seemed to throw the crowd into a gala mood, and this informal note was further carried out in the decorations. Vari-hued leaves and the traditional cornstalks exemplified the autumn theme, which was further enhanced by the mysterious, and in some cases, disturbing appearance of squash and pumpkins later in the evening. The lights were swathed in orange paper, and by way of a special treat, they all were turned off, and a moonlight waltz was enjoyed with only the wandering beams of a baby spotlight for illumination.

Everybody seemed to have a very fine time with the serpentine; dancing was hampered for a while but the dancers did not seem to mind.

The Uptowners were loudly acclaimed as a "slick band", and we hope to have them again soon.

The Chaperones for the evening were Professor and Mrs. Rogers, Miss Sue Colman, and Miss Beatrice Richardson.

The sophomores, and especially the committees in charge, are to be congratulated on the success of their dance. We hope they make it an annual affair.

Loyola This Evening

The second regular meeting of the Loyola club will be held this evening at 8:00. The program will consist of piano duets by Rosaline Dubinsky and Ruth Brock, and vocal solos by Mr. Burton Hotvedt. Following these numbers will be the principal event of the evening, and address by Father De Lloyd Krembs of Lanark.

The photographic department of the Iris has asked that Loyola club be ready to have its picture taken to-night. If everyone will

come at about 7:40, this matter can be taken care of before the meeting.

Smith To Speak At E. L. Meet

Mr. E. T. Smith of the C. S. T. C. faculty, will speak on the Ethiopian situation at the meeting of the Epworth League of St. Paul's M. E. church.

Everyone is welcome to attend this meeting, which will be held Sunday evening, October 27.

Phi Sigs Entertain Tau Gams

The members of the Phi Sigma Epsilon fraternity entertained the Tau Gamma Beta sorority at their semi-annual joint meeting, held last Tuesday night at the fraternity house.

Much latent talent was unearthed among the poor pledges, and much fun was had at their expense. Both groups of pledges combined to give a short pantomime, but the speciality numbers were more interesting; i. e. Ben Laskevitch's fan dance, Tim Winch's hotcha vocal selections, and the most enlightening game of patty-cake via the feet played by Blanche Bader and Edgar Kreilkamp.

Rural Life Club Meets

"Rural Life" held its regular meeting in the auditorium on Monday night. The meeting was called to order by the vice president, Doris Johnson. Edward Plank led the club singing, while Delores Skarweski played the accompaniment.

The program included piano solos by Beatrice Lehr, and a reading, "Explaining Nursery Rhymes" by Iris Precourt.

The main address of the evening was given by Mr. Knutzen, who gave us an interesting talk on how to use our leisure time—the time with which each one does what he wants to do. He gave us food for thought regarding our responsibilities and interests in life. By use of music, song, and story, he challenged our imagination to picture scenes of childhood and nature.

Y. W. C. A. Meeting Tonight

At a regular meeting of the Y. W. C. A. to be held at Nelson hall tonight at 7:30, Miss Richardson will entertain the girls with a talk on her trip to Mexico.

Miss Richardson has spoken many times on this subject, and has proven very entertaining.

Get Acquainted Club To Meet

"Getting acquainted with Mexico by Automobile" will be the subject presented by Miss Richardson, at a meeting of the Young People's Get Acquainted Circle of the Frame Memorial Presbyterian Church. The meeting will be called at 6:45 o'clock, next Sunday evening, in the church parlors.

Alumnae Visit Omegas

Three alumnae of the Omega Mu Chi sorority were present at the last regular meeting of the sorority, held Tuesday evening, at the home of Ruth Schwahn.

The old members were Gwendolyn Colbourne, Port Edwards, Vivian Staven, Wisconsin Rapids, and Alice Sorenson, Stevens Point.

Pledges of the sorority entertained the actives and alumnae with many novel and amusing tricks.

WESLEYAN HERE FOR HOMECOMING

ILLINOIS WESLEYAN ELEVEN CONFIDENT OF DEFEATING CENTRAL STATE FOOTBALL TEAM IN HOMECOMING TUSSLE SATURDAY

POINT UNDERDOGS; WESLEYAN TOUGH FOE TO MEET

Central State's football team is in store for a tough battle Saturday in its annual homecoming classic. Illinois Wesleyan, lone victors over the Pointers last year, will provide plenty of opposition. The Point is severely handicapped due to the breakup of their football schedule after being banished from the Teachers Conference. However, the boys have been working hard for the past week. The Bloomington team defeated Stevens Point last season 13 to 0. Naturally the Point will be out there fighting to avenge last year's defeat.

Murray And Andy Will Help

Milton Anderson and Ron Murray have joined the squad in preparation for Saturday's tilt. These boys were members of the Back-

Coach Kotal

field for the past three seasons, two of which ended in championships. "Andy" is a fine blocker and pass receiver while Murray gained considerable fame in previous years by his broken-field running. Their presence will bolster the Pointers' running attack greatly. The team is almost free of injuries. Kotal's main problem has been to get the gang in shape after their long layoff. Bob Broome suffered a minor casualty in practice when a little finger received a bad sprain. However, Bob will

KOTAL'S MEN ROUND INTO SHAPE AFTER TEN DAY LAYOFF

be available for action when the opening whistle sounds.

Last Year's Sad Story

Illinois Wesleyan got the jump on the Pointers last year and therein lies the tale of their victory. A sixty-five yard dash to the goal line on the first play from scrimmage placed the Pointers in the hole from the start. Late in the last quarter a Central State pass was intercepted and led to Wesleyan's second and final touchdown. Stevens Point piled up thirteen first downs to Wesleyan's three but they don't pay off on first downs.

Wesleyan Faces Stiff Opponents

Wesleyan's record this year is not so impressive but kindly note the stiff opposition they have met up with. Duquesne of Pittsburgh defeated Wesleyan 20 to 6, South Dakota U. followed up with a 7 to 6 victory over the lads from Bloomington. Wesleyan then defeated Carroll, 12 to 6, and last week James Millikin defeated our homecoming opponents 13 to 7. You can see that there are no breathers on Wesleyan's schedule. The probable lineups for Saturday will be:

Wesleyan		Stevens Point
Hawkins	L.E.	F. Menzel
Oliver	L.T.	T. Menzel (C)
Goodpasture	L.G.	Sparhawk
Brault	C.	Weingartner
Pitcher	R.G.	Pophal
Yureci	R.T.	Copes
McMackin	R.E.	Berard
Chittum	Q.B.	Bucholtz
Cochrane	H.B.	Johnston
Wallick	T.B.	Chartier
Kaska	T.B.	Benson

WESLEYAN DEFEATED POINT IN '34

Illini Eleven Boast Fine Team Again This Year

So far this year Wesleyan has played only three games ... one at home and two away from home ... The first game at Duquesne University, Pittsburgh, Penn. Sept. 20, left the Titans on the tail end of a 20 to 6 score ... with quite a few of the first string men injured ... the game was inopportune since it caught the Titans with only one week's preparation and left them with enough injured regulars to more than account for a heart-rending 7-6 score in the city of Vermillion, S. Dakota at the hands of the South Dakota University eleven...

Wesleyan 12; Carroll 6

The Titans stayed home for two weeks, took advantage of a much needed rest and period of recuperation and then went out on the field at home to battle a night game with the Carroll team to a victorious score of 12 to 6 ... last Friday.

This same Carroll Team played the University of Chicago for the little end of 30 to 0. The first string men of the invading team were on the field for the entire game while coach Bell chased out quite a few squad members for their first game during the last half of the game... Carroll scored in the last quarter.

This year Coach Bell (First year at Wesleyan—replacing Dr. Norman J. Elliott, who has retired to his field of business—medicine—eye, ear, nose and throat... Elliott produced two championship teams—1932 and 1933) has been very much handicapped by the absence of good tackles... Tony Blazine and Ernie Henry, the regular tackles, went the way of graduation ... and Tony also went the way of the All Star Game in Chicago this year and is now on his way to the top with the Chicago Cardinals... Yureici was shifted from the backfield to fill the hole at tackle position and Coach Bell has in one way or another covered up the hole which was so gapping at the first of the season...

Dale McMackin has fully recovered from his foot injury and is back at end with Slanec.

Incidentally, the girls at Wesleyan have been thinking of starting a "good looking contest" for the coaches of the Little Nineteen with the idea in mind that Coach Bell would win it with thumbs down ... he's all the hero of a college football story ... wavy

dark hair, wellbuilt, around 6 feet, and prefers tweeds and gum soled sneaker shoes ... popular with the team members, too, for quiet ridings and quotations on psychology ... a great believer in making a quarterback as cocky as possible so he'll have confidence in himself.

Wesleyan Line is not exceptionally heavy but it makes up for this lack of weight in smooth, hard-hitting blocking and plunging ... the backfield is very shifty—moves fast—and is greatly aided by the lack of any "fat" muscled boys with weight...

Only two seniors on the entire squad ... the captain, Benson, and McMackin at end ... Wesleyan should be strong in the next two years with Bell at the helm of these new men whom he is just getting used to college football ... a young team but one that will show up in the upper half of the conference schedule if not at the top ... A new team is always an optimistic team and the consistency is maintained with an optimistic coach who recognizing the newness and lightness, is playing them as craftily as possible to win...

Gene Bedell, the regular center on the Titan team will probably be out of the game for the entire season because of an injured knee at the beginning of the season.

Orville Brult, largest man on the team and a second string center from last year has been holding down the pivot position very well so far this season.

Kenny Chittum, the flashy little broken field runner is still gaining the ground this year and bids fair for conference rating.

Coach Harry Bell is working for the most part with second and third string men left from last year's string and is depending this season quite a bit on his freshman material ... Freshmen showing up well this season are DeSollar, Bigham, Fulton, Cochran, and Posten...

Homecoming this week, and we meet as tough a foe as one could find. Stevens Point's football team must rise to the heights if they are to emerge victorious over Illinois Wesleyan. The Pointers will be fighting to the last ditch Saturday. They'll need support from the sidelines. It may be the student's last opportunity this year to cheer the Pointers on. Everybody should be out there backing up Coach Kotal, Captain Menzel, and the rest of the gang as they do their utmost to bring home victory and even up that little incident of last season.

Figures Don't Lie?

In this era of high scoring games and frequent upsets it might do us well to note just how impossible it is to pick winners by comparative scores. At last we have come upon some real proof of the unreliability of that method. A round robin football affair was staged recently. Colgate played a thirty minute game with St. Lawrence and emerged the victor, 31 to 0. Then the Red Raiders performed for thirty minutes against Amherst and won again, this time 12 to 0. This game was followed by another thirty minute fray in which St. Lawrence trounced Amherst, 13 to 0. Now what does it all prove?

Turn About Is Fair Play

In an effort to discover if football teams run true to form every week, Detroit and Villanova are trying something new. October 26, Coach Gus Dorais and his Detroiters will entertain Harry Strehldreher's Villanova team in the motor city. The following Saturday the same teams will play each other again at Villanova. The two teams played a scoreless tie last season.

During the past week we picked 10 winners and had 6 reverses with one tie. Season's record to date: right—40, wrong—13, ties—1, percentage .755.

Here are this week's guesses:

Ill. Wesleyan	..13	C. S. T. C.	6
Point High	7 Antigo	0
Chicago	7 Wisconsin	6
Purdue	20 Carnegie Tech	0
Ohio State	26 Indiana	0
Fordham	20 Lebanon Valley	0
Yale	13 Army	7
Iowa	12 Illinois	7
Michigan	12 Columbia	6
Marquette	13 Mississippi	20
Pennsylvania	..40	Lafayette	0
Minnesota	20 Northwestern	7
Mich. State	13 Wash. U.	0
Notre Dame	14 Navy	6
Nebraska	6 Oklahoma	0
Pittsburgh	20 Penn. State	10

WESLEYAN TRIMMED IN LEAGUE OPENER

Illinois Wesleyan, Central State's homecoming opponent, was defeated Saturday by James Millikin University football team 13—7. It was Millikin's homecoming and was the second straight conference victory for last year's Little Nineteen co-champions.

Passes Result In Touchdowns

Millikin scored in the initial quarter after a long pass had placed the ball on the two yard line. Another pass gave Millikin its second touchdown in the third period. Wesleyan tallied in the fourth quarter after a sustained drive of sixty yards. Benson (not Tom) passed to Hawkins, left end, for the touchdown from the twenty yard line. Millikin chalked up ten first downs while Wesleyan could gain but four. The defeat spoiled Wesleyan's conference debut.

STRANGE EVENTS ON THE GRIDIRON

Many odd things show up on the gridiron every Saturday. Last week, for example, Tulane made nine first downs. Yet their total net gain from rushing was 2 yards. Tulane gained 90 yards from scrimmage and lost 88 yards. Michigan State rang up the amazing total of 22 first downs to Boston College's 6. However, the score ended 18 to 6 in favor of the bean town bays. Then Indiana piled up 13 first downs while Cincinnati could gain but 2, but the final score found Cincinnati the victor, 7 to 0. Glenn Seidel, Minnesota's captain and quarterback, made a tackle on the one foot line to prevent Tulane from scoring Saturday. This is the last tackle Seidel will ever make for the Gophers because he broke his collarbone on the play.

portant parts in making the event a success.

In previous years, the celebration began with the annual Phi Sigma Epsilon Alumni Ball at Hotel Whiting. This year all arrangements for the affair were cancelled because of the uncertainty of the date of Homecoming and in its stead the nationals will stage a big pow-wow for its old grads at the fraternity house.

A student pep meeting, beginning at seven o'clock in the main auditorium Friday evening will serve as a means of arousing school spirit. A bonfire may also develop afterwards somewhere on the campus.

Parade At Ten O'clock

Ten o'clock Saturday morning is the time set for the parade, one of the features of the day. Many organizations have signified their intentions of entering floats, and Mr. Evans, Chairman of the Homecoming Committee, says that

the parade will be fully as large as any in the past. He also says, "The idea of the parade is not to make an elaborate display, but rather to install the Homecoming spirit." Prizes will be awarded the best float and the best stunt.

Floats will assemble on East College Ave., shortly after nine o'clock. The line of march will be Clark Street, from the corner of Fremont and Clark Streets to the public square, and return to the College via Main Street. Leading the line will be the College Band.

Game Starts At 2:30

After these preliminaries the two elevens will swing into action at 2:30 p. m. on Schmeekle field. During the intermission at half time the fans are promised some entertainment in the form of stunts to be performed by the pledges of the Greek societies.

Social organizations will take advantage of the lull a few hours after the game to hold their annual alumni banquets. Both Omega Mu Chi and Tau Gamma Beta sororities will convene at Hotel Whiting Saturday evening at

NELSON HALL NOTES

One of the "new girls", on seeing Margaret Mallen around, asked her where she roomed. Margaret answered 308 before she remembered that she wasn't living at the Hall this year.

Don't forget our dances! Remember that these hops are not just for Hall girls and their boy friends. Everyone is invited. We have open house Tuesday and Thursday evenings from six-thirty to seven thirty.

Alice Bentz is not satisfied with torturing the dormites with piano and violin. She has taken up the flute and besides taking it up she blows on it.

A little Freshie saw a couple of inches of water running down the hall yesterday. In her ignorance she thought it was a flood, but the old residents knew better, and quieted her by telling her that Mary Walmsley, another freshie, had forgotten to turn the water off and after an hour or so the bathroom floor was quite submerged. Thus endeth the first lesson.

LIBRARY GETS NEW BOOKS

Many new books have been placed on the shelves in the main library. According to Mr. Allez, all of these books are delightful reading and of real value to the student.

In the line of biographies, two new books are of interest. "Bryant" by McDowell and "Mark Twain" by Pattee really are inspirational pieces.

"Stage Lighting" by Fuchs and "Character Dances for School" both have the quality of being of great use to teachers.

Many new history reference books have been obtained with "The Conquest of Mexico", by Prescott, being the most readable. Excellent illustrations by Keith Anderson make the book very attractive.

Book On Medicine Available

Pre-medical students may be interested in the new Reference Shelf volume bearing the title, "Socialization of Medicine." Johnson is the editor of the latest edition.

Of general interest to the students, such books as "Aristotle's Poetics", by Cooper, "Communism" by Taski, and "The Struggle for Existence", by Gause, are available.

Twenty other very valuable books complete the list. The students should be very proud of this new group and Mr. Allez should be complimented on his fine selection.

Trend To Old Time Dances Is On

With the fall dances showing a trend toward old time dances mixed in with our modern shakers, it behooves all ye women, ye fair lassies of the flaxen tresses, ye mistresses beauteous of the auburn locks, and ye platinum blondes of the peroxide bath to hie thyself to the unused room on the third floor back, or to the "rec" room, and there, to the sonorous tones of some barn dance announcer, teach thyself the genteel art of the square dance or the schottische.

With premiums at a new high for good dancers, the men folk of this college search with intentness the rows of eager faces piled two days near the entrance, and, after the first minute of a dance has passed and the good dancers are already gliding as smoothly as ye olde zephyrs over the waxen floor, the men retire to their side of the gym determined to get a "good" dancer quickly the next time and beat the rest to this or that "peach".

Now, gals (going from old English to slang) with all the floor space provided for the learning of this wonderful art, and, with a chance to shine now at some polka or circle two step, let's get together, call the men a few names, then learn the rudimentary arts of stumbling rapidly away from the efforts of some football man, and above all, let's hear some comments on just what you think they ought to learn.

6:30 for their respective dinners. Chi Delta Rho will entertain its alumni at a dinner at 6:45 at the Gingham Tea Room.

Dance Ends Celebration

A mammoth Homecoming dance will conclude the day's program. This will be held in the New Gym Saturday night and dancing will begin at 8:30 sharp. The Castilians have been engaged to furnish the music, and Don and Norm promise that it's going to be "plenty good."

Admission will be seventy-five cents per couple and forty and thirty-five cents for stags.

SHOTS AT RANDOM

GLEANINGS:—
SUNDRY and DEVIIOUS

After reading a week's output of patent-medicine advertisements, we are convinced that in case of a war all we have to do is feed it to the army and we'll lick the world in half-a-day.

Women have smaller vocabularies than men—but think of the turnover.

The wonders of modern aviation: met a girl in New York in the morning, married at noon in Chicago, divorced or shot in the evening at Reno.

It seems to me a more potent argument against gambling than the oft heard immorality of "getting something for nothing" is "getting nothing for something."

Then, on the other hand, the trouble with so many self-made men is that they knocked off work too soon.

We usually hear enough truthful things about us to overcome the flattering things that are said to us.

Marge Wells opines that hens are justifiably peeved—they can never find things where they lay them.

Best way to get rid of your duties is to discharge them.

This country has the five cent cigar it was in need of but it's marked twenty-five cents in the stores.

If you are in doubt whether to kiss a pretty girl, give her the benefit of the doubt.—Carlyle.

The war dogs are beginning to bark. To relieve tension we suggest the use of women diplomats—it would certainly do away with objectionable secret diplomacy.

Scientists say we are what we eat. In that case, the "Honest Pointer Readers" of last week had better lay off the nuts.

A radio philosopher says, "all men are born free from avarice, hate, jealousy, and greed—which probably accounts for so many self-made men".

Are we being attacked on two fronts? Or are we the victims of our environment? Conservationists tell us the country is being denuded—portions of the people are following suit, (or aren't, depending upon how you look at them).

COLLEGE RADIO HOUR HAS LARGE AUDIENCE

The "College Radio Hour" may add another successful program to its list. A large crowd attended in the auditorium, as well as a listening audience, which can be proven by the "fan mail" that is beginning to "pour" in.

Radio Listeners Active In Voting
The voting is really getting quite heavy and those in charge wish to thank those who have been kind enough to write.

Francis White and his orchestra are doing an excellent job taking care of the musical side of the program.

Last week's winner of the "Amateur Contest", according to the judges, was Bill Theisen—but the audience voting did not agree with this—for the listening audience picked Miss Florence Quast as their choice. Both will compete in the final contest. Congratulations.

Others who appeared on last week's program were, "Gid" Carswell, J. Prault, Fred Parfrey, Richard Colby, and Miss Emden Rodamacher. The winners of this contest will be announced at a later date.

(Continued from col. 1)

Quoting from the Lawrence College paper: "Up at Stevens Point, where the Teachers "College" is located, Main hall is now being rented every Wednesday night to local boxing club. A shooting gallery is being installed in the basement of the library, and there are definite rumors to the effect that the gymnasium will be used for public dances and roller skating.

The Pointers, as some may know, played a little "harmless" pre-season game with the Green Bay Packers and were politely kicked out of their conference. Eddie Kotal who started with the Vikings eight or nine years ago, is head coach for the Teachers. Maybe Eddie can arrange a tussle with Ohio State, where players get a good "business" training as well as their college education.—"

You forget to mention the crap games on the third floor, the bar in the basement, the continuous burlesque performance in the assembly, and the Matador practice on the front steps—Collegiate Cal

Sororities to Give Box Social

I wonder how many of you have ever attended a real old fashioned box social? If you haven't, here's the lowdown: Each girl packs a basket lunch for two and makes it as attractive as possible. Then she brings it to the social and places it with all the other baskets. When the masculine contingent arrives, the baskets are auctioned off to the highest bidder. Of course, the pinker and perkier the bow on the basket, the more money it will bring. Then it is only proper that She eats supper with the gentleman that bought it. Oh! its fun!

Now we come to the real purpose of this article. The Tau Gamma Beta and Omega Mu Chi sororities are going to hold one of these socials, Wednesday, October 30, in the new gym. The ladies will arrive at 5:30, and the gentlemen at 6:00. Of course, the fun would be spoiled if anyone dated, so... dates are positively forbidden, (until after supper).

Dean Steiner... Auctioneer

Mr. Steiner has consented to be auctioneer, and you know how much fun that will be. The price of admission is only a quarter, which is the minimum price a basket will sell for. Also, coffee will be served to make the meal more complete.

Last, but not least, the most excellent hill billy band in the state has been engaged to play for an old time dance, which will be held later in the evening. So, you dignified college students, and faculty members too, put on your old clothes and lets see you kick up your heels and swing your partners in the good old dances that ma and pa used to go to.

Dream Girl????

And all for 25 cents, ladies and gentlemen, only 25 cents. Something entirely different in the line of entertainment for you people, and you just can't help but have a good time. (Imagine seeing your best girl eating supper across the hall with some good looking stranger) and you bachelors... maybe you'll meet your dream girl, who knows?

The sororities have spared no pains in planning a hilarious evening, and assure you that it will be well worth the small insignificant sum involved.

THERE is no greater regret than the memory of the wasted dollar.
