Annual Tour Over For C.S.T.C. Band

Peter J. Michelsen and his C. S. T. C. band, as the organization was termed in Green Bay, re-

Peter J. Michelsen

turned last Friday, having played their last concert at Weyawega. From the stories which are in circulation, a great time was had by all. The high light of the trip was perhaps the visit to the State Reformatory at Green Bay.

C.M.T.C. Enrollment Started March 1st

President F. S. Hyer has received notification of his appointment as Chairman of the Portage County Enrollment Committee for the Citizen's Military Training Camps.

MEMBERSHIPS MUCH IN DEMAND

Enrollment for the 1936 summer camps began March first. Citizens Military Training Camps play an important part in the scheme of national defense. Young men from 17 to 24 years of age are brought together under the same circumstances. They are taught discipline and also to appreciate the other fellow's point of view. These camps, which are the outgrowth of the Plattsburg camps of 1913 and 1914, have been in constant operation since 1921. There are normally three applications for every camp vacancy. The number of applicants accepted depends upon the War Department's appropriation

GIRLS' GLEE CLUB REHEARSES EASTER SONG PROGRAM

That sprightly group of singers, the Girl's Glee Club, has been busily engaged in rehearsing and mastering a colorful repertoire. Peter J. Michelson, the director, has further unified the group this second semester so that the divisions are better balanced for four part singing.

An Easter program is in preparation and it will well repay the student body to attend. *Queen of the Heaven* from *Cavalleria Rusticana* by Mascagni and Handel's *Holy Art Thou* from *Xerxes* are being made ready for concert rendition. Among lighter numbers, the group is interpreting *Short'nin Bread* with Mr. Neli-doff's facial contortions, a *Song in the Night*, and *Lullaby* by Brahms.

Central State Band Sponsors Movie

The college band will sponsor a double feature theatre party at the Fox on March 16th, 17th, and 18th. The pictures are "Professional Soldier" starring Freddie Bartholomew and Victor McLaglen, plus the Jones Family in "Every Saturday Night".

Victor McLaglen who has left a remarkable impress on the American theatre-loving public through his "hard-boiled" service man roles, such as in *What Price Glory*, adds new laurels to his fame in *Professional Soldier*.

Victor McLaglen last week won the distinguished service award from the Academy of Motion Picture Arts and Sciences, the highest honors to be won in the Amer-

ADVICE TO PLEDGES

With the coming of the pledging season every year there are always a lot of bewildered pledges who just don't know how to take all the deeply intellectual instructions handed to them. Consequently, they are always eager for a little enlightening advice on these matters. To summarize briefly the best way to make yourself popular with the actives is to:

1. Pass them unnoticed in the halls or on the streets—Be aloof, they'll love it.
2. Never speak to them unless approached directly—Be nonchalant, call them by their last names only.
3. Always forget about the little jobs or duties they assign you—they never mean them. But if you do happen to get in on an ironing or pressing job, just scorch the article a bit—it's a sure cure.
4. Always ask the actives to exchange swats with you—they'll appreciate you're wanting to be just.

State Forensic Meet Here March 21st

Central State Teachers College will act as host to the State Oratorical Contest on March 21, Saturday. Today, in the college auditorium, Central State will select speakers to represent the college in that tournament. The local tournament will be judged by the oratorical committee, composed of Mr. Mott, Mr. Burroughs, Mr. Allez and Miss Davis.

LARGE NUMBER OUT

The persons who will represent C. S. T. C. in extemporaneous speaking have already been chosen, as Michael Zylka will enter the men's extemporaneous speaking and Virginia Watson the women's. Jack Burroughs will enter the interpretive reading contest. The entries for the humorous and serious declamation portion of the tournament will be selected this afternoon.

Seven or eight colleges have already signified their intention of participating. Others are expected to enroll before the meet.

WINNER TO NORTH-WESTERN U

The winner of the oratorical contest on March twenty-first will represent the State of Wisconsin in the inter-state Oratorical Contest held at Northwestern University in April. Jack Burroughs, who won the State Oratorical Contest here last year and who tied for third place at Evanston, Illinois, will act as Master of Ceremonies in the evening.

The colleges and universities who have already accepted the invitations are Marquette University, Carroll College, Whitewater, Platteville, Eau Claire, La Crosse and River Falls.

KNUTZEN ANNOUNCES ITINERARY FOR MUSICAL TOUR

Larson Chorus President

The Central State Men's Chorus begins the first of a series of concerts this afternoon at Wausau and this evening at Birnamwood.

The first stop on the regular tour which starts Tuesday, March 17, will be at Oxford, where the chorus will sing a night concert. On Wednesday they will proceed to Westfield and Adams. Thursday morning sees the club at Portage with an evening concert in Mauston the same day. Two programs will be given at Baraboo on Friday, March 20th.

WEEK-END AT STEVENS POINT

Saturday night will be spent at Stevens Point and Sunday the chorus will start to travel in the other direction, singing in the afternoon at Shawano and in the evening at Green Bay. Manitowoc will be the final stop. An afternoon concert will be given, and a potential radio broadcast is tentatively scheduled.

High School Dramatic Teams Guests Here Yesterday

High School Inter-District dramatic teams, consisting of La Crosse, Oshkosh and Stevens Point as contesting representatives, were the guests of Central State yesterday. The high schools that competed were Tomah, Mattoon and Oconto Falls.

Winner To Go To Madison

It is interesting to note that two of the men affiliated with this regional contest, Earl Kjer, and Mr. Neuwel, the latter principal at Mattoon, were students in the speech department in Central State Teachers College some years ago.

Each school has won the contest in the district it previously represented and the winner will represent the three districts of the contesting schools at Madison in April.

Published Weekly, except holidays and examination periods, at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

College Weekly Presents Story Of Pointer's Growth Throughout Years; Project To Run In Serial Form

**SPECIAL FEATURE WRITER TO MAKE SPECIAL PROJECT
 OF POINTERS OF BYGONE DAYS**

II.

Before going into the actual mechanics of the construction of the Pointer may we first tell you something of the members of its staff?

ASSOCIATE EDITOR

Bill Theisen, of Loyal, Wis., is the associate editor. This is Bill's second year on the staff. He served as a reporter last year. Bill is a member of the Band and the Glee Club, also the Sigma Zeta, a national honorary science society. The associate editor is also interested in stage work and has taken part in many musical plays. "Tobe" is an A student, a member of the Loyola club, Chi Delta Rho fraternity, and the Junior class. He likes good music and enjoys philosophical discussion on most any subject.

SPORTS EDITOR

Don Unferth (Stevens Point) has now completed a cycle which has brought him into touch with sports in every possible fashion, progressing from fan to player and player to writer, with coach to follow, we suppose. Don's part in athletics carries him into baseball (pitcher), football (back), basketball (forward present captain), and sports writing, which position as sports editor he fills on the Pointer. Baseball is Don's first and biggest attraction, and the "Cubs" are his favorite team; sports his favorite hobby, recreation, reading diet, or what have you. Don is a Senior and member of Chi Delta Rho fraternity.

ASSISTANT SPORTS EDITOR

Francis Bremmer (Stevens Point) is a Senior, and he is serving his first year on the Pointer staff. Because of efficient reporting work he was promoted to assistant sports editor, for he has taken part in all sports. "Brem's" marks are also of the highest order, and he is a Senior, a member of the Phi Sigma Epsilon fraternity whom he represented on the Greek Council last semester. Mr. Bremmer is now co-editor of the '36 Iris year book.

WOMEN'S SPORTS EDITOR

Maxine Miner (Stevens Point) devotes her attention to women's sports, compiling and editing the Women's

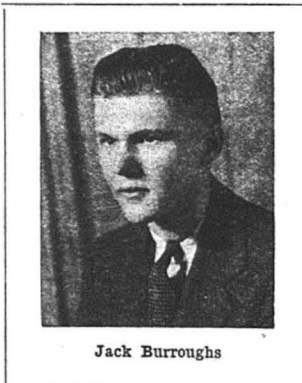

Athletic Association column, a weekly feature of the Pointer, for which Maxine is well qualified. This all-around athlete takes part in all sports, and was selected as a member of the Pointer's All-Star basketball team last year at the conclusion of the women's basketball tourney. Maxine is a Junior, and a member of Omega Mu Chi sorority.

SOCIETY EDITOR

Barbara Joy occupies the position of Society Editor, but don't let that fool you. Barbara finds just as much time for other of her numerous activities as before. Barbara is a member of the Tau Gamma Delta sorority, and she has held an influential position in its affairs for the past several years. Barb is a Senior, and an interesting personality.

NEWS REPORTER

Jack Burroughs, (Stevens Point) familiarly known to associates as Casanova, a title rightfully shared by both

Jack Burroughs

him and Bremmer, for several weeks constituted the news staff of the Pointer in its editorial mast-head on page two, pending a new appointment. Jack is a radio announcer, otherwise a fine chap; also a debater on C. S. T. C. teams. In addition Jack won the oratory crown last year. He is a Senior, a member of the Phi Sigma Epsilon fraternity.

COLUMNIST

Frank Gordon (Stevens Point) holds forth for the second year as a columnist—the man behind Shots At Random column. In spite of the prevailing idea that columnists must have some sort of mental aberrations, we assure you that Frank is quite a personable chap, a brilliant conversationalist, a capable basket ball player, a member of the Bloc discussion group and he likes to spend his summers in communion with nature at summer camps in Wisconsin and Michigan. Frank will not be back next year.

PROOF READERS

Grace McHugh and Doris Johnson are the Pointer proof readers, whose duty it is to see that all errors are checked in the copy. Miss McHugh served as editorial writer of the Marathon City High School news organ, and graduated as a senior with highest honors in her class. Miss McHugh is a Freshman.

Miss Johnson graduates this year, won the short story contest last year, and served this year as president of the Sigma Tau Delta, national honorary English society. One of Miss Johnson's essays recently appeared in an issue of the society's national quarterly.

TYPISTS

Josephine Oberst of Neenah, Kathryn Becker (Wausau), and Otto Pilz (Wausau, rural route) serve as typists. All are serving their first year, and all produce excellent, error-free results. Miss Becker has had several years experience as a rural school instructor, is an expert in both shorthand and typing. Otto Pilz has established a fine scholastic record here. He will go to Madison in the fall. Miss Oberst was a delegate last fall to the Lutheran National Young Peoples' Association national meeting at Kansas City.

BUSINESS MANAGER

Robert (Bob) Steiner (Stevens Point) this year closes a remarkable career of intensive participation in all school activities; perhaps it would be best to quote those organizations to which he doesn't belong, for these are in the minority. He is a Senior, president of the Chi Delta Rho fraternity, member of the band, glee club, Sigma Zeta, Sigma Tau Delta. In spite of all these activities Bob's grades are the "tops." We forgot to put in that Bob is also business manager of the Pointer and doing a darn fine job, too — likes names associated with the available standard dictionaries, is a baseball player, track man, and leans to football.

CIRCULATION MANAGER

Frost Bassler (Almond, Wis.), plain "Al" to some and "Frosty" to others, occupies the position of circulation manager of the Pointer. It is Frosty's job to supervise the clerks, headed by Miss Lorraine Guell, in preparing the Pointer for general distribution to the student body, library, faculty, Training School, advertiser's, alumni, outside subscribers, and over seventy high schools etc. Under Frost's directorship the Pointers go out in mail sacks on Thursday mornings, being folded, wrapt and addressed on Wednesday evening preceding Thursday's distribution, a new procedure inaugurated by Frost this year, and one which has brought many favorable comments from persons formerly concerned with

this college, as well as from other quarters in this conference of state colleges.

Frost is a member of Sigma Zeta, National Honorary Science Society, the Chi Delta Rho fraternity, in which he holds the post of state secretary; he is a Junior, is one of the school's best baseball fence busters, a basket ball man, and his scholastic average hovers close to an "A".

REPORTER—COLUMNIST

Len Scheel (Stevens Point) is a new addition to the staff, being the efficient manager of the second floor counter or College Supply Store. Len was president of the Junior Class last year, and is an ex-president of the Chi Delta Rho fraternity. It is felt that Len's occupancy of the College Counter will give him an opportunity to pick up many news items for Pointer readers. He is a Senior; Len also runs the Campus Column, one of the recent features of the Pointer, and one of its most enjoyable, if we are to judge by student reactions. Len is also present state president of Chi Delta Rho fraternity.

Len Scheel

EDITOR

George Simonson (Wausau) has had a varied career in pharmacy, journalism, retail selling in various places,

George Simonson

now being the Pointer's editor-in-chief. He gives out assignments, puts the paper together etc... has been associated with sports for some years, especially baseball as a player, and in others in a reportorial capacity. This is his second year on the staff, having been sports editor last year in which position he turned out 30 complete pages, much material for other pages, including two special championship issues of fourteen and eight pages, over 45,000 words at least, including numerous front page sports stories. This is his Senior year. "Simonize" as the ed. is irreverently known in some places, is a member of Sigma Tau Delta, national honorary English society, a member of the Chi Delta Rho fraternity, and has managed to amass a consistently high college average; his main scholastic interest is history.

COLLEGE NEWS BRIEFS

Musical Program Enjoyed

An appreciative audience attended a musical program presented in the college auditorium last Monday evening. The group of entertainers consisted of Vera Gillette and Vincent Micari, duo pianists, Harry Sukman, pianist, and Leola Aikman, coloratura soprano.

The enjoyment derived from the recital repaid those who braved the water and slush covering the streets to attend the concert.

Omegas Pledge Ten

The pledging service for the Omega Mu Chi Sorority was held last Tuesday evening at the home of Maxine Miner. A lunch was served following the service.

Those girls pledging to the sorority are: Betty Schwahn, Betty Jacobs, Ruth Mueller and Ruth Nason, all of Stevens Point; Inez Olson, Elcho; Lucille Blech, New London; Gladys Malenowske, Portage; Arletta Newhouse, Marathon; Zilphia Webster, Amherst; and Kathryn Duskey, Wausau.

Chi Delts Pledge Eleven

At the fraternity rooms downtown, ten men became pledges of the Chi Delta Rho fraternity last Sunday evening.

The following men were pledged: Frank Hitzke, Merrill; Newell Jaspersen, Port Edwards; John Krembs, Merrill; Bill Miller, Plover; Bernard Hastreiter, Rib Falls; Ray Weingartner, Gladstone, Michigan; Don Norton, Wisconsin Rapids; John Steiner, George Hyer, Jim Murat, and Fred Miner, of Stevens Point.

Annual French Trip

Miss Mildred Davis is planning to take a number of French students to Madison on April fourth to attend the play, *Le Barbier de Seville*, by Beaumarchais. The play is to be presented at Bascom Hall.

This play will be dramatized by members of the French department of the University of Wisconsin.

Le Barbier de Seville was first produced in February, 1775. It is reflective of the author's love for Spanish music.

Radio Programs Presented

To begin this "hyar colyume" we emphatically wish to make mention that we were in no way responsible for those ungodly "sounds" which passed as "Mountain Music". For complaints, send your queries to Messieurs Schwingle and Kilmer.

Except for this slight exception (excusable) the "hour" represented the usual fine display of Central State's talent.

Next Monday's program will feature the Tau Gamma Beta Sorority (sound effects by B. Joy) and promises to be interesting. And of course the "Cleaned Winged Hearth" every Thursday at 3:00 in the auditorium.

PHI SIGS PLEDGE TEN

At a fraternity house meeting on Tuesday night the following men were pledged to the Phi Sigma Epsilon fraternity: Ray Hodel, James Pfiffner, Joe Hannon, Don Olson, Jerry Krembs, Carl Swanson, of Stevens Point; Ernest Cater, Medford; Kenneth Storandt, Medford; LaVerne Schwingle, Richland Center; Russell Way, Medford.

NEW ASSISTANT TO LIBRARIANS

The Central State library staff will be augmented for the next thirty days by Miss Anna Nordnie B. A., of the University of Wisconsin Library School. Miss Nordnie spent the last four weeks at La Crosse State Teachers College, and will return to Madison after leaving here.

TAU GAMS PLEDGE SERVICE

Tau Gamma Beta sorority held its pledge services Tuesday night at the home of Virginia Watson. The girls pledged were: Mary Gordon, Edith Gordon, and June Emery, all of Stevens Point, Eleanor Theisen, and Irene Dix, of Colby.

BAND AFTERMATH

The annual band pilgrimage is over. For the band members pleasant memories will remain of the hospitable treatment accorded them by the parties among whom their lot was cast while on tour.

The audiences who attended the various concerts must have been well repaid, if we are to judge by the correspondence received from various points of contact, excerpts from which are herein included.

The band played to over 5000 persons. Balancing the costs of contacting each individual if one were inclined to circularize, the individual lowest cost per person contacted favors the band trip method.

PROMINENT MARSHFIELD LISTENER: (NAME ON FILE)

"I want to congratulate you on your wonderful band. Everyone who attended the concert Monday night was very enthusiastic and pronounced it a marvelous aggregation of young musicians, wonderfully directed.

I have talked to several members of our school system and they are superlative in their praise.... Our medical band, which has a rehearsal every Monday night, adjourned and attended in a body, which, one must agree, was a fine gesture; they were amazed at the excellence of the performance.... They were as fine a looking group of young people as I have ever had the pleasure of seeing on any platform."

FROM OSHKOSH STATE TEACHERS COLLEGE:

"Your band was beautiful today, they play so very well. We are glad that they stopped here."
—Florence Case, chairman-Assembly Committee.

FROM GREEN BAY (GREEN BAY PRESS GAZETTE MARCH 5 ISSUE:)

"Completely holding its audience in the spell of beautiful music, wonderfully played, the Central State Teachers College band more than lived up to its reputation as one of the best bands in the state, when it played last night at East High School. Directed by Peter J. Michelsen, who is considered one of the most excellent conductors in Wisconsin, the band presented a program calculated to please the most varied tastes... the audience responded enthusiastically."

Duluth Teachers Win 16 Straight

The Duluth Teachers have won sixteen straight games, eight of these in the Minnesota Teachers Conference. The non-conference games include 36-32 and 48-31 wins over Superior Teachers.

This is the third straight championship for Coach Peterson's "Bulldogs", and the Duluth student paper, the **Chronicle**, calls their team "one of the greatest basketball teams ever developed in the northwest." John Tesar, Maurice Gorham, Louis Barle and Ray Moren, and Captain Vucinovich are the first string five.

Evidentially, a game between Duluth and Central State would be "a natural", with one undefeated string of fifteen meeting up with another of sixteen victories. At any rate it's good chatter for the "hot-stove" league.

Results of Thursday's (Mar. 5) games:

In the opening game of the men's intra-mural the **Holy Terrors** were defeated by the Hawkeyes by a 26-22 score. Joe Szanski of the Terrors had a big day of it, collecting seven field goals. Don Norton was outstanding for the Hawkeyes with seven buckets. The lineups:

In the second game of Thursday, March 5, the Chi Delta Rho fraternity team were victors over the Bluejays by a 28-19 score. Ted Menzel was high scorer for the Greeks with seven field goals and two free throws, and two out of three falls. "Red" Miller, of the Varsity reserves, led the Bluejay's scoring efforts with three field goals and a free throw. The lineups:

HE WHO LAUGHS LAST

By SI

Well, our old Milwaukee friend McGrath, with whom the columnist had the pleasure of "tangling" last season, is indulging in his typical whimsical fashion of dreaming out loud (see Don's Column) in the Milwaukee Echo, student publication of the Milwaukee State Teacher's College, issue of February 26.

Last year you will remember friend McGrath said of the '35 Championship Point team (before the season opened) "They ought to beat Oshkosh".

The Milwaukee forecaster (?) further attempted to dope the other state college games a recent week-end. Here are his choices:

1. Milwaukee over Stevens Point by 10 points.
2. Oshkosh over Platteville by 5 points.
3. Superior over Eau Claire by 20 points.

Here are the actual results:

1. Milwaukee 31; Point 39.
2. Oshkosh 26; Platteville 30.
3. Superior 30; Eau Claire 33.

A mere trifle of 50 points out of the way! It's our bet that McGrath is a Republican. They've been guessing wrong for years.

NELSON HALL NOTES

Miss Alice Martin, graduate of C. S. T. C. and former Dormite visited here Sunday afternoon. Where was Bremmer those few minutes?

How do you like our work of art, on the porch roof? Careful girls, you're being watched.

Many of the dormites are becoming domestic. Knitting, crocheting, crosstitching, etc. are fast becoming fads.

Watch the date for our first meeting of the "dance club" to be held in our newly decorated rec. room. "Its going to be good."

Bet you wonder why all the dorm girls are right up in there, when it comes to humming the latest song hits? We all listen to the "Hit Parade" each Saturday nite.

Adeline Goetch, Emden Rademacher and Dorothy Erickson, attended the Band trip last week. **Van Johnson went to Madison Sunday.**

Miss Naomi Johnson was unexpectedly called home, to Rhineland, Sunday, by the death of her grandmother. She expects to return by Wednesday. We all extend our sincere sympathy, Naomi.

But returning to the Band trip, our Home was more occupied between the hours of 7:00 and 10:30, p. m., than it has been all year.

CAGERS WIN 15 GAMES IN ROW

POINTERS FINISH SEASON BY TAKING WHITEWATER 54-36

AUSTIN SCORES 20 FOR INVADERS. RINKA TALLIES 17 FOR KOTALMEN

Coach Eddie Kotal's Pointers closed one of the most successful cage seasons in the school's history by trouncing Whitewater last Thursday, 54-36. The victory was the fifteenth straight for Stevens Point, and also gave them eight wins in conference play without a defeat. A huge enthusiastic crowd packed the gym to watch the farewell appearance of another of Eddie Kotal's championship teams. A program was held between halves in honor of the team and its coach. During the program Coach Kotal was presented with a large silver trophy inscribed, "To Coach E. L. Kotal, builder of champions and good sportsmanship. The gift was given by Stevens Point Teachers College boosters and was presented by Ferdinand Hirzy.

COPEES STARTS AT CENTER

Fred Nimz, Point center, was ill the day of the game so Oscar Copes started the game at that position. The Pointers started fast, Rinka and Lindow, scoring nine points between them, while Austin, high scoring freshman from Janesville, tallied two gift shots for the Agnewmen. White-

RINKA—JOHNSTON CO-CAPTAINS OF 1936-37 QUINTET

JOHNSTON A VETERAN

Don Johnston, star guard, and Chet Rinka, sharp shooting forward, were elected co-captains of the 1936-37 Stevens Point Teachers College basketball team. The election took place during a banquet held Sunday at the Hotel Whiting in honor of the champions. Rinka and Johnston were two very vital cogs in Coach Eddie Kotal's splendid machine during the season just concluded, and should prove excellent leaders in next season's quest for another title.

JOHNSTON STARS AT GUARD

Johnston hails from Appleton and has just completed his second season as a regular guard on the Point college team. Don won all-conference honors last year and is a cinch to repeat this season. He is a clever dribbler, strong defensively, especially on rebounds, and has been a consistent scorer for the past two campaigns.

ing the tiny "Pop" Farina, who water soon closed the gap to 9-8, but Nimz, Rinka, and Unferth then ran the score to 23-9. Whitewater, led by Autsin, who tallied eleven points in the first half, rallied and the half ended, 23-16.

POINT STEPS OUT

The Agnewmen threatened mildly shortly after the start of the last period and narrowed Stevens Point's lead to 27-22. Then the Pointers spurred far into the lead and were never in danger again. Kotal inserted a reserve five midway in the last half and then shot his regulars back into action with six minutes to play and the score standing 44-31. Johnston and Rinka scored ten points between them while Austin, Hull, and Plyer tallied for the invaders. Nimz scored from under the hoop as the game ended to make the final score, 54-36.

LAST GAME FOR THREE

Austin scored six baskets and eight free throws to take high scoring honors with twenty points, while Chet Rinka, sharp-shooting Point forward, was close behind with seventeen points. As usual the Point regulars all helped themselves to plenty of points, Unferth and Johnston having nine, while Nimz and Lindow each collected eight. The officials had

RINKA REALLY SINKS 'EM

Chet Rinka starred during his prep days at Stevens Point under Harry Ringdahl. He also has just completed his second year as a member of the Pointers. Rinka is a deadly shot from any angle, and is especially adept at long range goals. Chettie really found himself this year and finished among the leading scorers of the conference. He has the ideal build for a basketball player, is a splendid team man, and deserves an all-conference berth by his steady play all season.

BEST WISHES

There we have the leaders of our next season's basketball team. In the Point's 15 game schedule this year they scored 100 baskets and 44 free throws between them for a total of 244 points. Team mates have the utmost confidence in Chettie and Don, and we are expecting them to bring home the bacon again next year. Congratulations, Don and Chet!

MILWAUKEE SWAN-SONG

By DON

The following was taken from the February 26 issue of the Milwaukee Echo.

"Heartened by their 43-38 victory over the strong Oshkosh five, Milwaukee's Green Gulls will entertain the league-leading Stevens Point team Friday in what amounts to the title game. Since the Pointers have given the local team its only conference defeat of the season, the Gulls are looking forward to upsetting the upstate team with considerable relish.

(They must have eaten the relish for supper—S. P. Sports Editor's note.)

HEH! HEH!

"Penwell does not anticipate a hard contest from the invaders, Stevens Point, his chief worry this year having been the Oshkosh team. (Oshkosh at the present writing has been nosed out of the cellar by Whitewater—S. P. Sports Editor's note.) A victory for Milwaukee will boost the local team into a tie for the lead and very probably the title."

WRONG PAY-OFF—NO PLAY-OFF

"Stevens Point has only to face the outclassed Whitewater team. Should a tie eventuate, both teams ending the regular season with seven victories and one defeat, a play-off game is likely."

NIMZ SHOWS 'EM UP

Incidentally the Milwaukee Sports writer (McGrath) also mentioned, in a previous issue, that Rhemstedt of Platteville and Dassow of Milwaukee are the outstanding centers in our conference. Well, maybe those 16 points by Fred Nimz at Milwaukee set the Milwaukee scribe back on the right track.

POINTERS NOT TO ENTER TOURNAMENT AT MILWAUKEE

The Athletic Committee held a meeting the latter part of last week and voted unanimously against having Stevens Point Teachers College enter the A. A. U. cage tournament being held this week in Milwaukee. The expense involved and the missing of classes were among the reasons given for refusing to enter the trials for the Olympics. In view of the fact that prominent teams all over the country are refusing bids to Olympic Trial Tournaments it would seem as though the Olympic basketball idea is turning out to be somewhat in the nature of a flop. Among those teams rejecting bids are Notre Dame, Purdue, Indiana, Ohio State, Illinois, Iowa, Illinois Wesleyan, and many others.

INTRA-MURAL CAGE TOURNAMENT PLAY DRAWS INTEREST

The Intra-Mural Tournament has gotten under way and if anyone wishes to witness an hour or two of real entertainment he would do well to drop in the new gym any night after school. Results in the early rounds of the tournament are as follows:

Upper Bracket	
Chi Delts	28 Bluejays
Hawkeyes	26 Holy Terrors
Lower Bracket	
Phi Sigs	18 Olson's Boarders
Sophomores	2 Seniors (forfeit)

(Continued from col. 2)

a busy evening, calling a total of 33 fouls. Four Whitewater men were forced out on fouls, including Chettie with his floor play. Oscar Copes became the second Pointer in fifteen games to be removed on personal fouls. The game concluded the college cage careers of Captain Don Unferth, regular forward, Frank Gordon, reserve guard, and Webb Berard, reserve forward.

ATTENTION COACH JENKINS!

Bill Bretzke has gone in for "fist-cuffin". Seems that the other day when Bill was going home from school a misdirected snowball glanced off his cranium. His ire aroused, Bill began to flail the hurler of the ill fated missile with his two appendages. There's a box fighter for our college team.

THE HEIGHT OF SOMETHING—OR OTHER

Ron Murray, regular official in the Wisconsin Valley Conference, forgot to report when entering an intra-mural game the other night for the Chi Deltas, so Bill Dagneau called a technical foul on him. How come, Ron? Is this a case of "do as I say"—not "do as I do"?

SOME ATTRACTION?

A new high was reached this semester for students farthest away from home by Phyllis Gikling of Lake Placid, New York. Dorothy Pratt of Sand Springs, Arkansas topped the list last semester. New York City is 1165 miles from Stevens Point.

BURROUGHS-ZYLKA WHOOP UP BABY-CRIB BUSINESS

While in St. Paul last week Jack and Mike went around to a number of furniture stores manifesting an interest in the Lullabye Furniture Company of Stevens Point. Feeling quite eloquent from their last debate they began to expound the features of the Dionne Quintuplet Baby cribs. Evidently they were convincing, for much to our super-salesmen's surprise the Lullabye this week received two orders from the twin cities for Dionne cribs.

Schmeackle Project Finished

Professor Schmeackle of the college faculty has just completed, with the aid of Miss Opal Wiegand of Eagle River and Miss Sadie Espeseth, also of Eagle River, an agriculture supplementary guide book on which work has been in progress for some time. The new book is a complete hand book on agricultural problems.

KRUMM, SHOREY, HANSON STILL AT IT:

In a recent game played at Eagle River, coaches Guy Krumm (Crandon), Asher Shorey, (Argonne), Harry Hanson (Argonne), as part of a "southern coaches" team, played the "northern coaches" team on which Ben Weronke (Elcho) played. All are former C. S. T. C. men. The "southern" team won 37-35. Krumm totaled two baskets and five free throws, Shorey four field goals, and Hanson six field goals. Weronke caged one of each. Coach Kotal was a featured speaker at this event.

"You say you've been on the force eight years? Why haven't you some service stripes on your sleeve?"

"I don't wear 'em Ma'm, they chafe my nose."

DEBATE NEWS

NORTHWEST DEBATE TOURNNEY...

Sunday morning, March first, Jack Burroughs, George Hyer and Arba Shorey left by train for St. Paul to be followed in the afternoon by Michael Zylka, Virginia Watson, Jane Reedal, Mrs. Schmeackle and Mr. Burroughs via automobile for the Northwest Debate Tournament. Mrs. Schmeackle also accompanied the party.

HYER-SHOREY GO FAR

The team of George Hyer and Arba Shorey participated in eight rounds of debate before it was eliminated by Hamlin University and Kearney State Teachers College of Nebraska. When we realize that the team from Hamlin won second place in the National Tournament last year, and that Kearney State Teachers College won the Southwest Tournament, defeating Hastings Nebraska twice, we feel that they made an excellent showing. They were also responsible for the elimination of Hastings, Nebraska in the sixth round.

Wednesday morning, Arba Shorey, having completed his debate activities, left St. Paul, Minn. via the new "Hiawatha" for his newly achieved position in Elmhurst, Ill.

BURROUGHS-ZYLKA ELIMINATED

Competition in this tournament was very keen and the other two teams, Jack Burroughs, Michael Zylka, and Virginia Watson, Jane Reedal won one debate and lost three the first day, thus being eliminated.

This St. Thomas Tournament concluded the debate activities for Central State this season and will be one long remembered. In actual percentages of all the debates we have participated in this season we find that we rank near the top.

NIMZ ON SICK LIST

After last Thursday's game with Whitewater Fred Nimz, Point's great center, went right back to his sick bed and remained there several days. Due to his illness Fred was unable to attend Sunday's banquet, but, instead, had to remain in bed. So you see Nimz was a pretty sick boy during that game last week but you just couldn't keep him out of action. Incidentally it was just a year ago that Nimz was seriously ill with scarlet fever.

REMARKABLE RECORD

When Oscar Copes left the game on four personals against Whitewater last week it was only the second time in 15 games that any of Kotal's men were forced out of the game on fouls. Fred Nimz received that doubtful honor back on January 25 when he was ejected on fouls down at Platteville. It seems to us as though that is a record to be proud of, especially when you consider the fact that in one game alone Whitewater lost four men on fouls.

TRIBUTE TO THE TEAM

Harry Ringdahl, popular Stevens Point High School coach, paid the Pointers a fine compliment at Sunday's banquet when he said, "This season's team is the best I've ever seen play for Stevens Point Teachers College and I've been here a long time."

HIGH SCORING AUSTIN

Austin, Whitewater's ace center, who is only a freshman, certainly looked good here in last Thursday's game against the Pointers when he scored 20 points. However, it seems as though he was merely warming up for the following night, when he plunked in 21 points against Oshkosh, giving his team its only conference victory of the season.

COACHES PRESENT

Several notables were in attendance at the Sunday banquet held at the Hotel Whiting. Among the High School coaches present were Karl Klandrud, Wis. Rapids, Palmer Mickelsen, Merrill, Ringdahl and Bostad of Stevens Point, and Kirk of Antgo. Mr. Martins, regent of Stevens Point, along with the Athletic committee, consisting of Profs. Steiner, Watson, Schmeeckle, and Rightsell, and President Hyer were also on hand.

Professional Soldier McLaglen is starred as a happy-go-lucky American soldier of fortune, who is hired to kidnap a boy king of a mythical kingdom. The boy king is played by Freddie Bartholomew, who won his first laurels as the boy "David Copperfield" in the picture of that name last year.

Get your teams organized by March 17th if you plan to play in the tournament. The tournament will be held on March 19th, 24th, and 26th.

W. A. A. has received an invitation to attend the Lawrence College Play Day, April 20th. Swimming, basketball, volleyball and other games are on the schedule.

All teams entered in the basketball tournament may use the regular practice time for team practice. Sign on Miss Richardson's bulletin board the name of your team and the time your team has chosen to practice. The following hours are available:

March 12—4:00 to 5:30
 March 17—4:00 to 6:00
 March 19—4:00 to 5:30

Those who aren't on a team as yet and who wish to play, hand in your name today.

Men's Chorus on Tour

(Continued from page 1, col. 4)

SOLOS, QUARTETS EXTRA

The school bus and several cars have been engaged to transport the club on this tour. In many towns entertainment is being provided for the club in the form of sight seeing tours. In Manitowoc, the special use of the school's swimming pool has been promised.

The program will include solos, quartet numbers and instrumental numbers besides the regular chorus arrangements. Soloists are: F. Parfrey, flute-piccolo, Jim Pfiffner, cornet; Joe Pfiffner, K. Likes and B. Theisen vocalists. A sax quartet, consisting of Eyer, Abrahamson, Joe Pfiffner, and John Steiner, plays a number of novelty arrangements. G. Faust is the piano accompanist for the chorus.

HOME CONCERT CHANGED

The date for the home concert of the chorus has been changed to Tuesday, March 31. The men should be in top shape for their local appearance after a week's rest from their seven day tour.

Bill Larson, president of the group, has worked with Mr. Knutzen in arranging the trip. With the repertoire that the organization has, the librarian, Sherman Groves, has certainly had his work cut out for him lately.
