

Hanson-Christenson To Rule Senior Ball

Wasserman Tests Will Be Given To Students

Tests To Be Given At Students' Request

According to a statement coming from Miss Mary Neuberger, college nurse, late this week:

"After conferring with President Hyer, Dr. Marrs wishes to announce that Wasserman tests will be given to all students who desire to have them taken."

Students who desire the test are to make appointments with Miss Neuberger at the Health Service on the basement floor of the building.

Such a program was in keeping with a campaign put forward by the United States Health Service Surgeon, General Purran, for the lowering of fatalities and suffering caused by diseases.

Conclave Of Chi Delta Rho Held In Madison Sat.

Delta Chapter Formed At University Of Wisconsin

Members of Chi Delta Rho Fraternity journeyed Saturday to Madison to attend the first of this year's two conclaves. Brother chapters from other colleges in this state also were in attendance. Those attending from the Alpha Chapter here were: Bill Cashin, Ed Duggan, Ted Ketterl, and Bill Larson. Mr. Knutzen, a faculty advisor, accompanied them.

Delta Chapter Formed

Prominent among business affairs discussed was the matter of the formation of a chapter of Chi Delta Rho at the University of Wisconsin. This chapter is to be known as the Delta Chapter and will be made up of alumni of active chapters now in attendance at the University.

Alumni Present

The officers of the Conclave for the coming semester are: National Grand Master, Robert Bilkey, Beta Chapter, Whitewater; Deputy Grand Master, Ed Duggan, Alpha Chapter, Stevens Point; Recorder, Bud Bowan, Gamma Chapter, Milton; Bursar, Thomas Gra-

Assembly Features Electrical Science

Thursday, December 16, the auditorium will be the scene of a very interesting assembly. Glenn L. Morris will present a program of electrical feats. The program promises to be not only very entertaining to those who are especially interested in electrical science but also to the number who are laymen, for his presentations feature both accurate scientific material and popularized science demonstrations.

Central State To Be Hosts To Eau Claire

Verrill-Laschkewitsch Back From Southern Tour

Saturday, December eleventh, C. S. T. C. will be host to Eau Claire in a debate meet. The debates will be non-decision. From the results of this debate, teams will be selected to represent our school in future debates of the year. Coach Donaldson plans to bring six or eight teams for Saturday's debate. Plans for a radio debate between the two schools will be considered.

Southern Tour

Coach Leland M. Burroughs also announces that plans are now underway for a January debate meet. Sixteen schools have been extended invitations.

Debaters Laschkewitsch and Verrill accompanied by Coach Burroughs spent last week-end in a southern debate tour. Marquette University, De Paul University and Loyola University were successfully encountered in debate engagements.

ham, Beta; Marshal, Ted Ketterl, Alpha; National Grand Historian, Bill Larson, Alpha.

Alumni of C. S. T. C. who were present to greet active members were; Robert Emery, Frank Klement, formerly an editor of the Pointer, Willard Hanson, Bill Miller, John Steiner, Ralph Anderson, and George Hyer.

Ruralities Entertained By Mrs. R. M. Rightsell

The members of "Rural Life" and their friends were very fortunate in having the opportunity to hear Mrs. Rightsell review Isabel Field's book "This Life I've Loved" at the regular club meeting on Monday night. The result is that those who possibly can will read this entrancing book before many moons; those of us who cannot find a place to crowd it into our programs will be doubly glad to have had this review.

Vivid Portrayal

Woven into an autobiography of Isabel Field is the intimate story of Robert Louis Stevenson's life that pictures most clearly the struggle which the famous author made to overcome all the ills of the body while retaining the sunny disposition for which all of us remember him. Stevenson of course has been a friend to most of us since we were children. Mrs. Rightsell introduced us another, whom she painted so vividly that we shall always remember Isabel Field.

Christmas Party Cancelled

Other numbers on the program included two groups of songs by the girls double sextette under the direction of Margaret Torkelson with Leota Brandt at the piano. Miss Brandt also played the accompaniment for club singing directed by Gordon Cowles. During a business meeting it was decided not to hold a Christmas party next Monday night because of the basketball game, which has been scheduled for that date.

Mr. Neale Visits Former Students

Plans To Observe Recent Graduates Of Rural Department

Mr. Neale is busy these days visiting the graduates of the Rural-State Graded Division. He plans to visit all his beginning teachers as early in the year as possible. This means travelling a great many miles since the former students in his group are scattered about in a wide area.

Vital Part Of Administration

Up to the present time Mr. Neale has visited fifty of his graduates since school started in the fall. These visitations have taken

Winter Scene Is Decoration Theme

Back in 1933 a mild furor was created at Amherst High School when the big boy of the school campus began dating the freshman daughter of the mathematics professor. Captain of the basketball team, winner of the half-mile event at the state track meet and an officer of his class, he was the idol of a number of girls in the Junior and Senior classes. Politely, however, he spurned the steady company of these admirers and instead chose an attractive first-year lady as his girl friend.

History Repeats Itself

Naturally, the coeds of the upper classes looked down on this association with considerable scorn and not a little anguish. Here one of the most suitable "dates" in the entire senior class was being won over by a mere "frosch", a practice which just wasn't being done in the best family circles and one that certainly should be remedied. But nothing was done and the romance continued while he went on to college and she kept on with her high school duties.

Miss Hanson to Be Queen

History, it seems, repeats itself again. The young high school freshman of 1933 is now the young college freshman of 1937 and she has been chosen to reign as queen of the Senior ball at the invitation of the class president, the same young upstart who defied his female classmates in high school four years ago. And, once more a hubbub can be heard around the campus—this time at Central State Teachers College—where a protest instigated by feminine members of the Senior class has been making itself prevalent.

Winter Scene

But these trivial obstacles will neither hinder nor spoil the plans of King Christenson of Nelsonville
(Continued on page 2, col. 3)

him into Marathon, Clark, Wau-paca and all corners of Portage County.

Mr. Neale says that he considers this follow-up program a very vital part of the administration of his division. Through it he is able to assist beginners or those who have problems; it provides suggestions for making changes in curricula and policies here; it assists him in recommending his graduates for promotions when opportunities arise.

Published Weekly except holidays and examination periods, at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

A COLLEGE THOUGHT FOR DECEMBER

"Some one thousand six hundred years ago the Christian Church, in order that it might bring its religious influence to the aid of the dying Roman culture, decided to place Christmas, its outstanding celebration, on the leading annual feast day of the Mithrian religion. With this, and other similar gestures, Christianity was able to bring its story and teaching to the unconverted with less violence to their accepted customs.

Throughout the following thousand years the Christian church showed in such manner its supreme human and religious understanding by adapting itself to the needs, the customs, and the daily problems of each new people and generation that it met. By so doing it was the major influence in creating the great medieval culture that just preceded our own. The life and thought of that period was molded and inspired by the teachings of the Christian church. And there is little doubt in the minds of historians that that epoch of Christian influence was due to the humanism of the Church teachers who brought religious inspiration to the people through the medium of their daily customs and problems.

Now we meet another Christmas when our religious leaders will gather in memory of their Great Teacher. This Christmas comes after several centuries of modern time, centuries in which many persons have learned to believe that religion has failed in its effort to inspire and mold the conduct of men and nations.

May we not hope that this Christmas finds hundreds, yes thousands of us college students, those of us who are thinking of Man and his growth, concerning ourselves with this question: Cannot our religious teachers make more diligent effort to bring their teachings into harmony with the growth of mankind, and in so doing, inspire and mold a new world that is in dire need of religion."

SAY IT WITH FLOWERS

for

CHRISTMAS

At Wilson's Flower Shop in Fox Theatre you will find just the gift for your friend, Sweetheart, Mother or Hostess. Full line of the season's cut flowers and blooming plants.

- Subscriptions for all Magazines Published

Musicians Attend Bandmaster's Clinic

Saturday, December 4, Professor Michelsen took the following musicians to West Salem, Wisconsin, for a bandmasters' clinic at which they demonstrated their instruments: Fred Parfrey, flute and piccolo; Kenneth Storandt, clarinet; Raymond Rozelle, oboe; Phil Dakin, French horn; and Margaret Miller, accompanist. Following the formal demonstrations, informal instruction was given to groups.

Senior Ball . . .

(Continued from page 1, col. 4)

or his Queen, Miss Eva Rae Hanson of Amherst, both graduates of the high school at this latter village, for they will assume their regular places at the head of the Grand March at the annual Senior Ball, to be staged in the college gymnasium next Saturday evening, and will feel as dignified and important as the royal couples of years gone by.

The scene over which Mr. Christenson and Miss Hanson will reign will be equally as impressive. A winter decorative scheme intermingled with a Christmas setting has been chosen by the committee, headed by Miss Ethel McDonald. Extensive work of transforming the gymnasium into a ballroom typical of ice, snow, and other winter characteristics began last weekend.

Grand March at 9:30

Elaborately decorated Christmas trees are to play an important part in the plans of the committee with spotlights focused on the trees to add color and beauty to the surroundings. The orchestra will be in the form of an igloo which will add to the winter atmosphere.

Following King Bjorn and Queen Eva Rae in the Grand March which will begin at 9:30, will be General Chairman Charles Torbenson of Stevens Point and his partner, Miss Jean Redemann of Fremont.

Committee chairmen for the ball, besides Mr. Torbenson and Miss McDonald include: Ralph Abrahamson, music chairman; Jesse Caskey, chairman of invitations; Rita Murphy, chairman of programs; Joanna Walker, refreshments; Charles Hartvig, clean-up chairman.

Howard Kraemer's orchestra, featuring Alice Cooper as vocalist, will play.

Primary Council Joins National Organization

At a meeting on Monday the Primary Council voted to join, as a group, the Childhood Education Association, a National organization. This means the council will receive the Childhood Education magazine and several bulletins issued during the year.

Delegate To Convention

A delegate may also represent the group at a convention in Cincinnati, Ohio, this coming spring. After an informative talk by Miss Tobias concerning the association, the girls thought it would be very worthwhile to join.

Christmas plans were made which included a Christmas party on Sunday afternoon from 2:30 to 4 P. M. Everyone is to bring a present in the form of a toy which will be given to the Red Cross.

Alpha Kappa Rho Initiates Fri., Dec. 3

Friday evening, December 3, Alpha Kappa Rho, honorary music fraternity, held its first formal initiation at the Hotel Whiting.

During the candlelight ceremony the following took the membership oath: President Hyer, Honorary life member; Mrs. Michelsen and Mrs. Smith, patronesses; Mr. Allez, Mr. Knutzen, faculty members; Mr. Aaron Mannis of Wisconsin Rapids and Mr. Leslie Hanson of Thorpe, honorary members; Alice Bentz of Nekeosha and Delos Kobs of Colby, active members; Marian Marshall of Omro, and Ula Mae Knutson of Stevens Point, associate members.

Hyer, Guest Speaker

Following the initiation a banquet was served in the private dining room. As the guests entered a Christmas melody came from a small golden harp set on a music box in the center of the table. Gold colored nut cups, black place cards with gold staves and members' names spelled out in notes, black candles set in gold rosettes, and a black staff in the center of the table completed the novel decorations carried out in the fraternity colors.

Charter Members

Following the dinner, Margaret Miller, president, acted as toastmistress. President Hyer, guest speaker of the evening, congratulated the group on its fine purpose and attitude, paying special tribute to Mr. Michelsen whose efforts have made Central State's music department one of the best in the state. Other speakers for the evening were Mrs. Michelsen, Mrs. Smith, Mr. Allez, Mr. Mannis, Mr. Hanson, and Mr. Michelsen who expressed his appreciation to President Hyer for his sincere interest in the welfare of the music department.

The charter members: George Cartmill, Vice President; Dorothy Richards, Secretary; Kenneth Storandt, Treasurer; and Fredrick Parfrey, program chairman; were present.

Society News

Omega Mu Chi

After winning the game Saturday evening, many of the students were in the mood to enjoy the dance sponsored by Omega Mu Chi sorority immediately after the game. A fairly large crowd attended the dance, for which Benny Graham's orchestra played.

Tau Gamma Beta

The Tau Gams will hold their annual Christmas party, Tuesday evening, December 14, at the home of Ula Mae Knutson. A gala evening is anticipated with Christmas games and songs constituting the merriment. After the entertainment gifts will be exchanged and a lunch served.

Christmas Party

The Senior Walther League of St. Paul's Evangelical Lutheran Church is giving a Christmas party at the church parlors this evening at 8:45. All students are cordially invited. The admission is one ten-cent gift.

Chi Delta Rho

The Chi Delta Rho fraternity house will be decked out with Christmas trees, green pine wreaths, and bright red lights, Tuesday evening, December 14, for the annual strictly stag Christmas party.

Chairman Clyde Brunner has promised a gala evening climaxed with the visit of Santa Claus and the serving of refreshments.

Phi Sigma Epsilon

Sunday evening, December 12, the Phi Sigma Epsilon fraternity house will be transformed by pine, holly, and glittering Christmas trees for their annual Christmas party.

Chairman Robert Krielkamp and his committee are planning games, songs and dances for the entertainment of the Phi Sigs and their guests.

After an evening of merriment old Saint Nick will arrive with his pack of gifts and refreshments.

Christmas Spirit Prevades J. H. S

The Training School bulletin boards already breathe the Christmas spirit. Eighth grade English classes once again read the Dickens classic, "The Christmas Carol." In the lower grades teachers are including "The Holy Night" in their picture study lesson plans. The age old word "Madonna" takes on new significance as Christmas approaches.

Plans for a grand Christmas program are underway. Mr. Pierce is emissary of the Christmas spirit when it comes to the Junior High Christmas program. Student teachers and pupils are at work under his direction these December afternoons. The Training School Christmas Program bids fair to vie with the Senior ball in interest.

Pointers Defeat Falcons, 54-28

Central Staters To Play Dec. 13

Rinka, Warner Lead Kotalmen

The 1937 edition of Central State's basketball team opened its season last Saturday with a smashing 54 to 28 victory over a small but fighting Concordia five. After the middle of the second quarter the result was never in doubt but during the first period, it actually looked black for our heroes. The Falcons were intercepting passes all too frequently and were hounding Kotal's big boys into making ludicrous mental errors.

Lossers Stars For Concordia

Every man in uniform for Stevens Point got into the game for at least a few minutes but when the regulars went back in, the game took on an entirely different hue.

Gus Lossers was the main cog in the Concordia team, chalking up thirteen points and at the same time playing a whale of a defensive game. The entire Falcon five had it all over the Central Staters as far as fight was concerned and if they had been blessed with a little more height, might have taken the Kotalmen for a loss.

Rinka High Scorer

The score at the half was 29 to 17 in favor of the Pointers and when they came back on the floor, they started to click in great style until Coach Kotal started substituting freely so that he could get a look at his new material. The new ruling of only having the jump at the start of each half speeded up the game immeasurably and made it much more interesting from the spectator's standpoint. The rule almost forces a coach to keep 10 or 12 good men on his team to relieve each other because the action is so fast that the players tire quickly.

Chet Rinka was the high scorer for the Central Staters with fourteen points on six field goals and two free throws. Don Johnston and Hank Warner played an outstanding defensive game. Lossers was the big gun for Concordia with thirteen markers.

would have gotten the short end of the score.... The ball handling was ragged all through the game and was terrible during the first quarter.... The Pointers cashed in heavily on free throws because the Falcon Midgets were fouling frequently in a desperate effort to overcome the height advantage that the Kotalmen had.... Fred Nimz was getting peeved at Gus Lossers, the tiny Concordia guard who was always getting in Fred's hair.... Hank Warner came into his own as a defensive star as well as contributing eight points to the score.... Arnold Zaske showed up well against the Falcons and it looks like he can't miss as a future star.... Among the substitutes, Frank Schneider, in the short time that he was in the game, looked to be better than his brother who was a letterman on the last two championship squads.... While we're handing

Next week Monday, December 13, C. S. T. C. meets its second opponent of the year in Jordan College. Jordan College possesses a good basketball squad built around veterans and two new men who are potential stars. One of these men is very well known in the Point because of his basketball playing. He is Anton Anderson who earned his letter here last year as a freshman and who showed possibilities of becoming a starter this year. The other star is Steffen Shawano, who was a freshman at Wisconsin last year and played guard on the first five. He is left handed and should give the Pointers a lot of trouble.

Chet Rinka

Novice Boxers Enter Tourney

Boxing Coach Inman Whipple has prepared an interschool tournament for Dec. 14 to choose the men who will fight it out with last year's champions in a boxing card to be held after the Christmas vacation. The aspiring leather pushers have been working out daily and are in fine condition.

There is still a dearth of men in the heavier weight divisions and in the 115 pound class but the 135 pound and 145 pound classes have some good men trying out who should put up a stiff fight with last year's veterans.

The title holders this year will be entered in the Wisconsin Rapids Golden Gloves Tournament as part of their collegiate competition if Coach Whipple's present plans mature. He is also arranging cards with other Teachers Colleges and is definitely going to enter the Superior Tournament to be held in May.

out laurels we shouldn't omit Don Johnston, undoubtedly the greatest ball-handler and guard who has ever played the game for Central State.... Chet Rinka only connected on one of his patented long shots but that one was certainly a beauty....

Home Ecs Have Christmas Party

The Home Economics Club enjoyed their Christmas Party Monday, December 6, in the Dietetics Room. A short business meeting was held and later cards and monopoly were played.

Each member attending brought a Christmas gift which was placed under a miniature Christmas tree. After games had been played the presents were distributed among those present.

A delicious lunch closed a very enjoyable evening.

Plans for the party were in the hands of the Social Committee: Cecelia Wohlfert, chairman, Lucille Gehrke, Ethel Hill, and Mildred Brady.

The basketball boys were all wide awake at the game Saturday night but did you notice how Freddy Nimz stayed wide a WAKE long after the game was over?... Madeline and Timmy seem to have joined the ranks of the "inseparables"... The Omegas did themselves proud Saturday night — programs at the game and a swell dance.... Dark, wavy hair causes many a heart to beat just a little faster. He lives at the Chi Delt house—come on, Van, give the gals a break.... If your boy friend works Saturday night, get advice from Jayne A.—Okey, Ole?... Wonder why M. H.'s face turned so red at the basketball game when the score turned upside down.... A few girls looked rather lonesome at the dance Saturday night. Of course, we aren't mentioning any names but.... All the basketball stars look O. K. this year—don't cha think? Some of 'em are single, too.... It's too bad that red-headed tau Gam J. M.) isn't in circulation.... Dates will probably be few and far between these next two weeks with term papers and everything cropping up. Oh well—the Senior Ball will make up for that.... Who's the Chi Delt who "dresses up, walks down Church street, and drinks chocolate sodas" all on a Thursday night? Looks like the love bug!... At the game Saturday night—all the girls on one side and all the boys on the other. Why all the sudden separation?

*A coonskin coat, we've heard it said,
Wards off chill winds from heel to head;
In which respect its chief vocation's
Much like No Draft Ventilation's.*

Folks take such things as No Draft Ventilation as a matter of course now that all GM cars have this improvement. But when you add Knee-Action, the Unisteel Body, the Turret Top, improved Hydraulic Brakes and a steady parade of betterments—you see how a great organization moves ahead—using its resources for the benefit of the public — giving greater value as it wins greater sales.
