Debaters Leave For St. Thomas

Four Teams Make Trip

The debate squad will leave next Sunday afternoon for St. Paul where it will take part in the annual Midwest Debate Tournament to be held March 1, 2, and 3. Those teams making the trip are Phyllis Gikling and Shirley Webster, Doris George and Katherine Becker, Bob Hoffman and Ben Laschkewitsch, and George Hyer and Jim Murat.

First Days Are Crucial

The girls' tournament is held at St. Catherine's College and from 80 to 100 girls' teams are expected to take part. The men's section of the tournament is held at St. Thomas College and over 100 teams are expected to participate in this. There will be 3 rounds of debate on each of the first two days at the end of which every team which has lost over one debate will be eliminated. The tournament is then completed on the third day.

A debate meeting was held last night and one will be held tonight at 7 o'clock in preparation for the St. Thomas tournament.

The two girls' teams debated before the Foresters last Tuesday evening in the St. Peters hall.

National Conclave Of Sigma Zeta Here This Year

Sigma Zeta Honorary Science Fraternity's national conclave and Sigma Zeta Open House will be held together this year on the 16th and 17th of April. An interesting feature of this year's Open house is that other chapters of the Science fraternity will take part.

A two-day session of speeches and discussions is planned. Central State has the Zeta chapter of the organization.

Notice!

Gib Pophal, president of the senior classes, announces that as soon as samples for the graduation announcements arrive, at the college counter, the seniors should look them over and indicate how many they want to order. Private name cards may be obtained also at the counter.

Morning Assembly Speaker, B.W. Howe

Beverly Howe

Beverly W. Howe, distinguished Chicago attorney, will speak on Abraham Lincoln this morning at ten. His subject will be, "Lincoln—Our Magnanimous Fellow-man".

Spending the early years of his life in Kentucky, where he was born, Mr. Howe has developed a sympathetic and understanding valuation of our martyred president's character and life. Those who have heard him speak, credit him with possessing Lincoln's saving sense of humor. If reports are correct it takes a Kentuckian, who has moved to Illinois, to truly present Lincoln in an un-

New Iris Heads Assume Duties

Robert Kreilkamp and Ruth Nason have taken over the duties of business manager of the yearbook due to Jim McGuire's withdrawal from school. Jim withdrew at the end of the first semester and accepted a job locally.

Both of these students have distinguished themselves as conscientious, hard workers. The tremendous success of this year's Mardi Gras was due, in no small way, to their untiring efforts.

Ted Meyer is filling the position left vacant by Mr. Kreilkamp, of assistant editor, while Miss Paye Hovda, utility member of the staff, is taking Miss Nason's place as women's sports editor.

Plank Writes For Publications

Edward J. Plank, concert pianist and former student of Central State Teachers College, who is now residing in Stevens Point, recently had several of his articles accepted for publication. Two of these were taken by the Etude magazine. They are "The Sunrise Club" and "The Studio Bulletin Board." Both of the articles are expositions of original ideas which Plank developed himself and has found useful in his own teaching work.

Another article, "Choristers", a humorous sketch concerning glee clubs, has been accepted by the Lorenz Publishing Co. of Dayton, Ohio. This is an essay which was originally written for one of Mr. Burrough's speech classes.

Ed was formerly accompanist for the Mens Glee Club, particularly for its '34-'35 tour. It is possible that he will appear and play for one group of numbers when the club sings its home concert this year.

Three Days Remain Of Glee Club Benefit

Three days remain in the Mens Glee Club movie benefit week. This evening and Friday "The Plainsman", starring Gary Cooper and Jean Arthur, and "We're on the Jury", with Victor Moore and Helen Broderick, will be shown. On Saturday, the last day of the benefit, there will be two features worth banking on, "Plough and Stars" and "The Great O'Malley". The fund obtained by the sale of these tickets is used to further a school activity and students are asked to patronize the Glee Club members for tickets.

Summer School Dates Announced

The Thirteenth Annual Summer Term of C. S. T. C. will be held this year from June 14 to July 23. The requirements for the Summer Session are the same as for the regular year and the credit is equivalent to that of the academic year. The regular members of the college and Training School Faculties will be on duty.

The following program is typical of the kind that is to be used. In the first group, "Drink to Me Only With Thine Eyes," "In A Persian Market," and "Song of the Jolly Roger." Then the quartet composed of Kirk Likes, Bill Clements, Gordon Cowles and Thoburn Peterson will sing. Third is a solo by Tom Faucett. In the fourth group, "Listen to the Lambs," "O Mistress Mine," "The

Flood Benefit Band Concert Successful

The concert which the band presented in the college auditorium on Wednesday evening, Feb. 17 for the benefit of the flood sufferers was a decided success.

Student directors gained laurels by doing fine work in directing many of the concert numbers. The program included many of the most popular band numbers and was exceptionally long.

Although the concert was not very well attended, considerable money was taken in.

NOTICE, SCOUNDRELS!

Long ago this writer came to the conclusion that it is useless to try to editorialize the students of Central State into doing anything. Notices, reminders, criticisms—all go unnoticed. Last week an oddly indignant message appeared near the main bulletin board. Many students who did not see the original notice would perhaps be anxious to know just what the row was about.

Pres. Hyer is still receiving letters from the places at which the band stopped during its recent tour. Each of them congratulates Central State on the fine quality of its band. Several of these follow:

Dear Mr. Hyer:

This is a tardy note of appreciation for the fine band concert presented by your school organization in our auditorium. The 1600 listeners in the audience thoroughly enjoyed the program. I also wish to congratulate you on the splendid morale of the group. Every member conducted himself in such a manner as to reflect credit to your institution.

Thank you again for permitting them to entertain us.

Very truly yours,
 R. T. Normington,
 Superintendent of Schools

Mr. Normington is superintendent of schools in Reedsburg.

From Tomah comes the following letter:

Dear Mr. Hyer:

I am happy to write that everyone was delighted with the concert given here by your band yesterday. Your institution is to be congratulated for an organization of this kind, and your Director deserves the deepest praise.

Sincerely yours,
 E. J. McKean, Supt.

Basketball Tournament

The basketball tournament will begin Wednesday, March 3rd, at 4 o'clock. This means that your squad has just one week in which to practice. Each squad should be organized with a captain at the head of its basketball team. Squad leaders should attend to this at once because the squads which are to play on Wednesday will be announced this week. Any teams whose players are not in the gym on time will forfeit the game to the opposing team. See that your squad members are out at the scheduled time.

Ping Pong Championship

The championship ping pong game was played off in the gym last Wednesday. Zorka Malesevich became champion of the ping pong players by defeating Grace Okray in a very close match. Zorka won the first two games—2 to 16 and 21 to 1. Grace took the third game and Zorka ended the tournament by winning the fourth game—21 to 16. This finishes ping pong for this year—unless someone wishes to challenge the "Champion".

derstanding fashion.

Mr. Howe is a graduate of the University of Tennessee and he received his law degree at the University of Michigan. His practice has brought him into contact with all types of people and through it he has gained a knowledge of real life in all classes. He is truly a most striking personality, having the abilities of a lawyer, orator, humorist, and bearer of good cheer.

From The Students

Objectors Take Notice

The Young Progressive club which is organized in this school has the use of the bulletin board next to the library to post any information relative to the club or to its objectives. Recently an article was posted by one of the members and it was removed by some unknown objector, then it was reposted by another member of the club, only to be removed again by some unknown malefactor. Now that we have permission from the proper authorities, and that we have not posted anything which was objectionable to the administration then we have grounds for proceeding with legal action to punish those who have removed our posters without seeing us about it first.

We would not mind if someone wanted to use the board, and we do know that if some organization wished to use this board they would have asked us, but the unknown was not man enough to let his objections be known to us, but took things into his own hands. We do not wish to see this happen again, and if it does happen again we will be forced to take proper steps to see that it does not happen again. We believe that the editor of this paper commented on our organization and its aims when we announced its formation. He spoke to this effect; that if anyone did not like our aims or policies they should form an organization of their own to rival us in our activities. He did not suggest the methods of the low-down "communist, or the fanatical fascist". Again we wish to say if anyone has any objections they should state them to us and we will try to help them to or explain our cause to them. We do not care for this sort of action which took place last week, and which reminds us of European methods of censorship.

Several fair minded and well meaning students have taken the trouble to help us, and they are adding their names to my own so that the persons who are responsible for last week's outrage will think it over. We wish to thank the editor for this space, and add the following names to this list of honor; Edward Lightbody, Benjamin I. Kordus, Myron Ropella, Anthony Posluszny, E. Florence, Allen Lepinski, Bjorn Christenson, Bernard Johnson, and L. E. McGinley.

The men in the directors class are Delos Kobs, Geo. Cartmill, W. Theisen, Bill Larson and Kirk Likes. About thirty men will make the tour. They will travel in the school bus and two private cars.

A concert arranged to be given in Minocqua has been postponed until April and the date of the home concert has been changed to Thursday, April first. About forty-three men will participate. Mr. W. G. Jenkins has promised that the new lighting system will be used. Mr. Edward Plank will be the guest-accompanist.

Pointers Easily Defeat Platteville, 47-29

Rinka Scores 13 Points For Local Cagers

Bohan and Parish Play Steady Game Against Leitmnen

The Pointers tightened their defense of the championship of the Southern Division of the Teachers conference by defeating the Platteville Teachers, Friday night, 47 to 29, in a rough and fast game.

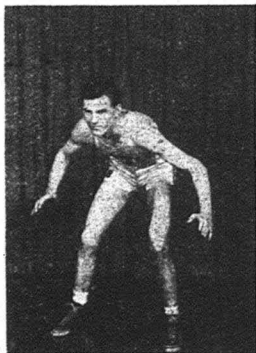

Pointers Lead At Half

Coach Kotal's cagers controlled the ball throughout the entire contest and exhibited a smooth passing machine. The Kotalmen made 15 free throws out of a possible 26 and dropped in 16 field goals to Platteville's 10.

After Platteville scored first on a field goal by Goff, the Pointers grabbed the lead and easily piled up a 14 to 6 margin. However, the Southern five refused to be counted out and when the first half ended the Central Staters held only a margin by virtue of the 16 to 14 score.

Rinka High Point Man

At the start of the second period, the Kotalmen rang up thirteen points before their opponents scored. With the large lead of 29 to 14 the Pointers matched points for the remainder of the game and finished the contest with the score at 47 to 29.

Chet Rinka

High scoring honors for the evening went to Rinka who made six field goals and one free throw for a total of thirteen points. Johnston with nine, and Parish and Nimz with eight each, followed in individual scoring. High point man for Platteville was Disrude, guard, who scored six points on three field goals.

All of the Pointers played fine ball and proved their right to first place in the conference. Bohan performed well at Lindow's guard position while Parish upheld his forward berth in grand style.

Bassler Head Official

Frost Bassler, who does refereeing during his spare time, has been assigned to the Class C basketball tournament at Plainfield as head official. This tournament is to be held on March 3, 4, 5, and 6 in the Plainfield gymnasium. Games will be played only in the evenings in order to give all the fans a chance to witness the contests. The tournament was to be held originally at Wantoma but arrangements were made so that it could be transferred to the new gymnasium at Plainfield.

A Good Yarn

Joe Beaton, student at Central State during the fall of 1933, had a very enjoyable time at Milwaukee last week after he had given his name as Andy Uram, University of Minnesota football star. He was given numerous parties by several Milwaukeeans. Sports-writers interviewed him about football prospects at Minnesota while he was even honored enough to be interviewed over the air by a radio commentator. Beaton was a little confused by all the attention he was receiving, but he enjoyed it too much to reveal his true identity. However, the truth eventually was revealed and when the police questioned Joe and found out that Andy Uram wasn't his name Joe said that "Uram" was the first name he could think of so he thought it would do as well as anything else. Beaton was fined \$10 for disorderly conduct by the Milwaukee police.

Freddy Nimz, Central State's high scoring center, has collected 150 points in 14 games so far, on 52 field goals and 46 free throws to lead Tom Lindow, the runner up, by 46 points.

Nimz has averaged slightly under 11 points per game and leads in the total number of field goals, free throws and personal fouls.

The first games in the intramural basketball league were played Friday afternoon in the new gym.

In the first game the Chi Delta Rho five easily defeated the Unknowns by the score of 27 to 9. High scoring honors were divided among Menzel and Urbans, of the Chi Delts, and "Chub" LeGault, of the Unknowns.

Eight Team League

The second contest, between the Whittings and the Hook Shots, was a much closer affair, with the former five finally emerging victorious by the score of 29 to 21. High point man in this tilt was Belongia, Whiting forward.

The other teams in the league besides the above-mentioned four are the Hawkeyes, Phi Sigs, Galloping Turtles, and the Dark Horses. The winners of the first round of play enter the championship flight while the losers play for consolation honors.

Milwaukee Next Point Opponent

Milwaukee's Green Gulls will furnish the opposition for Coach Kotal's cagers this coming Saturday, with a tie for the Southern Division championship assured for the Pointers if they win this game.

The first meeting between the two teams was at Milwaukee with the Pointers emerging on the long end of the 39-26 score. While this game was an easy one for the Central Staters, the Green Gulls have improved considerably in their last games and a close struggle is expected.

Willard Rudiger and Bob Seeger, regular forwards on the Milwaukee Ped five, are the big guns in their attack. The probable starting lineups are as follows:
