College Theater Adopts New Organization Plan

New Organization Plan During the second semester, all articipants, members, and any other students who are interested in Col-lege Theater activities will meet every Thursday at three o'clock and Thursday evening at seven. Those participating will be divided in two groups: 1. acting and direct-ing and 2. technical. The acting and directing group will meet every Tursday even will meet every Tursday fevery month) at seven o'clock in M. Burroughs' room, and the techni-ticipate in either or both groups. No experience is required and one directing group will meet a three o'clock in Mr. Burroughs' nom. The acting and directing group will meet a three o'clock in Mr. Burroughs' room, and one directing group will meet at three o'clock in Mr. Burroughs' room, and directing group will meet at three o'clock in Mr. Burroughs' room, and the technical group will meet in Mr. Henkins' room at three-thirty. This meeting will be for the purpose of finding out how many are interested and for drawing up tentative plans. Students should keep in mind these heater hours when making out their programs for the coming year.

TEXTBOOK LIBRARY NOTICE

Students who have textbooks not in use and wish to do so may return them to the textbook library on Tuesday and Wednesday, Jan. 24 and 25, during the following hours: 9:00-11:00 A.M. 2:00-4:00 P.M.

In order to avoid congestion the In order to avoid congestion the return of textbooks on Tuesday and Wednesday is encouraged. Re-mainder of textbooks are to be returned during the following hours on Thursday: Grammar and High School Department 8:00-11:30 and Primary and Rural De-partment 1:00-3:30 P.M. The library, L. M. MANSUR, Librarian.

No second semester books will be issued to students until the 1st semester books have been returned.

C.S.T.C. Places Six In Field At Feb. Graduation

Graduation There will be six Central State graduates this semester—one Bachelor of Science, three Bachelors of Educa-tion, and two from the Two-Year State Graded course. B. S. Degree Miss Mullarkey, the Bachelor of Science graduate, will have as her major, English, and two minors— History and Biology. Miss Dresser and L. L. Schwingel will get Bachelor of Education degrees for high school work and Sister Mary Wenceslas for a four-year junior high school course. Mr. Schwingel has a History major and Biology and English minors, be-sides being able to handle band, or-chestra, and publication work. Sister Mary Wenceslas has English and History majors. Mice Ruther and R. C. Margei will

Mary Wencesias nas English and History majors. Miss Butler and R. C. Marggi will receive diplomas signifying that they are qualified to teach in a Rural-State graded school.

Mens Glee Glub To Give **Assembly Concert Thurs.**

Assembly contern rules. The Men's Glee Club of Central State will make its first appearance before the student body of the Col-lege in an assembly program Thursday morning at 10:00 o'clock. The program will feature numbers by the entire organization under the direction of Norman E. Knutzen, and in addition selections by a quartet and soloists. Considerable time is being put into the preparation of the concert and a varied and interesting program has been promised. The fol-lowing group numbers will be sung during the hour program: March of the Musketeers Rudolf Friml

De Kalb, University Of Illinois—Lose Four

Illinois—Lose four Debaters of Central State took part in the Normal, Illinois tourna-ment on January 13-14, winning their debates against DeKalb Teachers College and University of Illinois teams. Competing against fifteen of the better mid-Western teams, the local squad, composed of Gordon Haferbecker and Ben Laske, won two and lost four of their matches. Joe Ophoven and Ben Kordus were en-tered in first division, as only two representatives from each school were allowed to compete in the champion-ship division. These were non-decision debates but suggestions and criticisms will be forwarded to the coaches by the judges of the debates. Ben Kordus made the trip in place of Jim Murat, who, because of poor health, was unable to make the trip. (Continued to page 3, col. 5)

Miss Gormley To Exhibit Training School Activities At Program Jan. 20th

What promises to be a program of unusual interest will be presented by the Training School Physical Educa-tion classes on Friday afternoon, Jan-uary 20, at four o'clock. This demon-stration of activities is under the di-rection of Miss Helen Gormley, head of the Physical Education department, and will be given in the training school gymnasium. Gormley Quotes

Gormley Quotes

Gormley Quotes -Miss Gormley and her student as-sistants have chosen activities that are typical of work done in the training school physical education classes. Regarding the demonstra-tion, Miss Gormley has made the following explanation: "We have made no effort to prepare a perfect and finished demonstration; rather, the practice teachers are attempting to make the picture of what goes on every day in the physical education classes a little clearer for you." Registration Dates Changed Due To Enrollment

Due to the large enrollment for next semester various changes have been made in the enrollment dates. They are: Friday, January 27, from 2 to 4 P.M.—Saturday, January 28, from 9 to 11:30 A.M. and Monday, January 30, from 8:30 to 12 A.M.— 1:30 to 5:00 P. M. These dates have been arranged so that out-of-town students can enroll before leaving for bome after exams and then they will students can enroll before leaving for home after exams, and then they will not have to return until the following Tuesday for classes. It will also reduce the waste of a student's time on Mon-day which was formerly caused by long lines in front of the office, the library, and in the departmental di-rectors' rooms. The students residing in Stevens Point and all others, who can make the necessary arrangements, are requested to register on Friday or Saturday.

NOTICE! NOTICE! NOTICE!

'NOTICE! NOTICE! NOTICE! NO ENROLLMENTS AFTER 5:00 P. M. MONDAY FOR STUDENTS ENROLLED EXCEPT BY SPECIAL PERMIT SIGNED BY THE PRESI-DENT. THIS MEANS COMPLET-ING 'YOUR PROGRAM WITH YOUR DIRECTOR, PAYING YOUR FEES AND GETTING THE NECES-SARY TEXTBOOKS. FEES MUST BE PAID IN FULL AT TIME OF ENROLLMENT. NO EXTENSION CAN BE ALLOWED. Students wishing assistance in se-ceting a course of study to follow will see President Falk in the main office on the second floor. Be sure that your director has approved and (Continued to page 4, col. 1)

Snodgrass, President Of La Crosse Teachers, Dies

A cold contracted during the Christmas holidays proved fatal on Wednesday, January 11, to George M. Snodgrass, president of La Crosse State Teachers college. Active in Wisconsin educational circles for 38 years, President Snodgrass was ap-pointed La Crosse head by the state normal school board of regents in February, 1927. Beoing Career at Wansau

Begins Career at Wausau

Begins Career at Wausau Educator Snodgrass began his teach-ing career in the Wausau grade schools in 1900. Since that time, he was supervising principal at Alma and Barron, superintendent at Oconto and Neilsville, and director of teaching training at the Superior State Teach-ers college. He was a member of the National Education Association, and the executive committee of the

Wisconsin Education Association, and the executive committee of the Northwestern Teachers association. He is survived by his widow, one daughter, who is a teacher in Merrill High School, and two sons—one a student in a medical college at Louisville, Kentucky, and the other— a student at La Crosse State Teachers college. a studen college...

Temporary President

Dr. Philip H. Falk announced his resignation of the presidency of Cen-tral State Teachers College in a re-lease made to the press January twelfth. This action culminates seven months of work at the teachers col-lease.

months of work at the teachers col-lege. Dr. Falk arrived at this decision to enable him to accept the position of Superintendent of the Madison Public Schools. The resignation will become effective at the end of the semester.

Succeeds Bardwell R. M. Bardwell, who Falk succeeds, has been Superintendent of the Madi-son schools for eleven years. He is resigning his post to become associat-

CONGRATIILATIONS

ed with a publishing concern. The Madison school system comprises a group of 11,000 pupils and 450 teachers. These people are housed in 16 elementary schools and three high schools. Their present building pro-gram includes the erection of three new grade schools necessitating Dr. Falk's immediate assumption of his new duties

new grade schools necessitating Dr. Falk's immediate assumption of his new duties. E. T. Smith to "Take Over" The presidency of the school will be filled by E. T. Smith temporarily. Re-gent Martens said that a search will be started immediately for a new president. Mr. Smith has served the school for twenty nine years and is the oldest man on the faculty. Aty department and chairman of the com-mittee on advanced standing. His qualifications and standing. His qualifications and standing on the faculty make him the most logical faculty make him the most logical faculty man for the post. Falk Quores In answer to a query concerning his accomplishments at the Point, Dr. Falk stated, "T have, for the past seven months, been analyzing the existing situation at Central State from an administrative viewpoint, in a effort to make valid criticisms and suggestions for the course to be taken in the future. The findings of this (Continued to page 3, col. 3)

THE FIELD

No. 14

To offer congratulations and re-grets in the same breath is difficult indeed.

indeed— We have learned to look upon you, Dr. Falk with the warmest ad-miration—you have won a fond place in the esteem of both faculty and students. You came here under extremely difficult circumstances but have pleased your friends and disap-pointed your critics— We are sorry to see you go—We congratulate you on your new posi-tion, Dr. Falk.

We wish you well, Mr. Smith .--

If you think there's no room to raise the standards in C.S.T.C., take a look at a recent survey covering the student grades over the past few years—For some unknown reason it has become easier to get good grades —this year excepted thus far—'A's have become far too common—they no longer offer a challenge—'Getting an 'A' gives one no satisfaction, no sense of superiority of achievement, no honor; but very often it expresses excellence with the "polishing cloth" look at a recent survey covering student grades over the past cloth

A splendid inauguration into the C.S.T.C.'s system would be a five year program for students who work their way through school.

have often thought that (When l if I have graduated) I would like the library and pick up some of the things I missed—Round out my edu-cation, if you please—

A student, working four to six hours a day definitely misses a valu-able portion of his needed develop-ment. Between work, extra curricular activities, social life, and beers, it is almost impossible for these poor devils to get any "book larnin".

Friday evening, the basketball team Jar will meet Whitewater at P. J. Jacobs open. Jan. 31, second semester classes

EDITORIAL COMMENT

NOW THAT FINAL

.

examinations are in our hair a trip to examinations are in our hair a trip to some of the rooming houses and the dormitory would reveal sights not un-like the side shows of a circus. Book-strewn rooms, "students" madly tear-ing their hair over difficult problems in mathematics in preparation for the test. Of course all this cramming might have been avoided but then who goes to school to study!

SPEAKING OF EXAMS

SPEAKING OF EXAMS... Why not plan to attend the Driving Clinic that is going to be held in the College gym the latter part of this week? For those of us who might be a little hesitant about submitting to the various examinations we are as-sured that the outcome of the tests will not affect the issuance of drivers' licenses. In fact most of us would feel right at home because our old friend, the true-false test will be there. The questionnaire will be on the fine points of driving.

ANOTHER

ANOTHER ... exam that everybody is glad to see end is the 22 year struggle of Tom Mooney for his freedom. Having been imprisoned for his part in the 1916 Preparedness day bombing Mooney's release is regarded by both the American Federation of Labor and the Committee for Industrial Organ-ization as vindication for the labor cause everywhere. Mooney is going to give his entire support to liebral and labor forces all over the world. In-ternational celebrations are being planned.

THE SCORE

of a seven year exam that concerns an entire nation might stand a little perusing. At the end of seven years, according to the New York Sun, the national income of the United States has experienced a 49% recovery.

England's income ... 101% recovery! Our budget is \$20,400,000,000 in the hole! England's is about \$400,000,000 to the good! Nice comparison! Not that it means anything but who is going to make it up. I suppose some-one will be brave enough to bring out the trite old saying, "our chil-dren and grandchildren will pay for it why should I worry." In our "great" nation of America we have 130,000,000 people. The population of the United Kingdom is 45,000,000. Judging the income on a population basis, our national in-come should be three times as great st hat of England. It was four times that of England in 1929. It was only 2.5 times as great in 1937!

2-5 times as great in 1937! Is there still talk of a third term! 2 2-5

PERHAPS THE SOLUTION

of many of our present day problems will be found in another "great" war. Some of the fellows who, while guzzl-ing malteds over in the Eat Shop the other day, were discussing the pos-sibilities of a European conflict in the near future may have struck the nail "right on the head."

Perhaps instead of teaching high school children at \$90 a month they may be learning how to use rifles at \$30 a month. Pleasant thought! It would solve a few problems.

SOME PROBLEMS

SOME PROBLEMS ... are more easily solved than others. One problem now facing the libra-rians, registrars, and class advisors is that of registration. The enrollment is predicted to increase next semester. Because of the congestion that al-ways occurs during registration the dates have been changed to make it easier for the students and registrar alike. A little cooperation on the part of the students would render the so-lution of this problem relatively sim-ple. See the article on page one for

POISON'S RUNINGS

Scandal to date:

Dr. Flodin accidentally sacrificed his pride last Wednesday night at the Photo Club party. He came up out of the "brawl", the loser. Don't be-lieve that "bumped into a door" or "fell off the steps" gag because Miss Colman will verify dif-ferently. The adhesive X marked the spot for Dr. Flodin.

Don Aucutt is busy these days trying to explain how he lost his ring. For details call 652 and ask for "Tweedles."

Here's the payoff! Earl Cooper agreed to make a graph for Econ. and the duration of the graph was for three weeks. He picked the stock quota-tions for the Soo Line and at the end of three weeks he had a perfectly straight line to show for his effort. Mr. Steiner suggested a fancy border or, at least something to show for three weeks' effort besides a perfectly straight line.

Only a week before such answers as these: Monologue—A conversation between two people, such as man and wife.

Homer was not written by Homer but by another man of the same name.

Milton wrote "Paradise Lost". His wife died and he wrote "Paradise Regained."

A Christian man may have only one wife. This is called monotony.

The body of Helen of Troy was found in King Tut's tomb.

A woman's brain weighs almost as much as a human brain.

What do you know about the nitrates? I know that they are not as much as the day rates.

The giraffe is an example of the highest form of animal life.

The cat is an example of a quadruped. The legs are usually at the four corners. A gargoyle is a thing you swallow when you

have a sore throat. Savages are people that don't know what wrong

is until missionaries show them. When a woman kills her husband it is called

justifiable homicide. Mineral wool is sheared from a hydraulic ram.

Heresy is when a child looks like his father.

Children under one year with tuberculosis usually die very seldom.

Germany was ruled before the war by a geyser. The moon is of more importance than the sun because at night you need the light which you don't in the daytime.

Martyr: Something like a bachelor.

Monsoon: A French gentlemen. Humidor: A Spanish bull fighter. Depicted: To pick to pieces. Ally: A place between two buildings. Eavesdropper: An icicle.

Anecdote: A billy goat without horns. Tantrum: A two-seated bicycle.

Parasite: A male inhabitant of Paris.

Diabolic: A man who went around with a lan-

tern hunting for an honest man. Hottentot: A sausage sandwich with mustard

on it. Disinfectant: A smell greater than the original

smell. Succor: A kind of a candy that comes on the end of a stick.

Triangle: A circle with three corners to it.

Lyric: Something written to be sung by a lyre. Individual: One piece of people. Etiquette: Little things you do that you don't

want to do.

Caviat: The eggs of a surgeon. Every year a Pullet Surprise in America for best writings.

40 YEARS AGO

40 YEARS AGO SOME PERTINENT QUESTONS Students do you realize the fact that each of you is member of the Press Association, and that as such should be vitally interested in its product. THE POINT ER / Do you think that your obligation to promote its fuccess ceased when you tendered your subscription? Have you ever contributed anything in the nature of iterary material to brighten its pages, or has your fore times when you could have contributed a joke, a short poem, or a short story, that would have made glad the heart of scame it would call forth a little extra effor your part? It is not the purpose of our school journal to exploit the litterary merits of any particulat there are a few students to whom an appeal for copy is never made in vain. If you feel that you have sellishly shirked your responsibility as well as neglected exerci-mail box in its usual place.

Educational Service Dr. Falk's Theme

"To be of greater educational service." These words, few in number but with deep significance, give a complete and dignified picture of the aims of a man whom we have already learned to admire and esteem Dr. Falk. In spite of the short time he has been here Dr. Falk has completely won the support of both faculty and students by his friend-ly suggestions and helpful criticisms.

AIM REFLECTED His aim, greater service in IN CAREER the field of education, has

already been reflected many times in his career as educator......Lake Mills, Madison, Waukesha, and Stevens Point. He has served as teacher, superintendent, and college president.

Of course it is both difficult and painful to see the man from whom we expected so much 'leave so early in the game", but let us be the first to congratulate him on his success and the last to urge him to stay if doing so would hinder striving toward an ideal bigger than colleges, schools, or

city school systems. Dr. Falk, in the past seven months, has been especially cooperative in his efforts to help the various organizations on this campus. He is largely responsible for any success the Pointer may attain this year. For this the staff is grateful.

BEST OF LUCK On behalf of the student

DR. FALK On benait of the student **DR. FALK** body we wish you the best of luck in your new position, Dr. Falk, and, if you don't return as an admin-istrator, come back as a friend to whom a hearty welcome will ever be extended.

30 YEARS AGO

30 TEAKS AGO One of the neatest affairs in the Basket Ball line, was the tournament held in the gym, a week or so ago, in which the boys, and girls' Grammar School Team of Grand Rapids, the boys' Grammar School Team of Stevens Point, and the boys' and girls' Model School Teams, took part. The girls played first; and the Model School Team won easily, with a score of 10 to 2. Both teams played well. The Normalites outranked the Grand Rapids people in team work

In the boys' games, the teams played ten minute halves with each other, the team winning which counted the most points after all were through playing. When the contest closed the Model Team was much ahead of the others.

Indoor Picnic Sizzing steaks, crisp vegetable salad, steaming coffee, and delicious pecan pie is a menu if for the wom-en faculty members and secretaries of C.S.T.C. Miss Meston, acting, as Mr. Gulver would say "A catylist" assem-bled twenty-six ladies for a gettoge-ther supper Friday, January 13. Utiliz-ing the cooperative plan, the White Kitchen in the Home E Department was buzzing with groups performing specific duties. One group fried steaks, another prepared the salads, another made coffee, another fried fish for those who could not eat meat, etc. After the supper was over, Chinese Checkers and similar games were played. The faculty women u-nanimously agreed that Miss Meston's operative plan was a huge success without the fuss and worry for one bostes. hostess.

hostess. Phi Sig's Formal "A grand, perfect, 'swell' party", unanimously declared the one hun-dred and twenty couples at the Phi Sig Formal Saturday evening, Janu-ary 14. The dinner, which preceeded the dance, was for the active mem-bers of the fraternity, their guests, and alumni and proved to be very humorous.

bers of the fraternity, their guests, and alumai and proved to be very humorous. Dr. Falk's authority on engage-ments was confirmed by his after-tioner speech. He explained that he bad lost (?) his "frat" pin before being married. Following the President's talk, Earl Michaels added to the humor of the occasion by beginning his speech winde' address-During the course of the dinner Don Olson received the following telegram, "Wishing best of success and sorry we couldn't be there." Signed-Ben Laske, Gordon Hafer-becker, Joe Ophoven, and Mr. Bur-roughs, who were attending the de-bate tournament in Normal, Illinois. Not only Phi Sigs, but old ac-quaintances welcomed the following alumni: Ralph Abrahamson, "Jerry Eyler, Harvey Polzin, Tim Winch, Cal Cook, Robert Baker, John Collins, Alvin Buege, Ralph Okray, Dick Gunderson, Bob Priffner, Park Joy, and Carlyle Sturm.

Itis Dance For all the students in C.S.T.C. here is your chance you have been waiting for. Friday night after the basketball game January 20, the Iris is sponsoring a dance in the new gym at the Training School. Come and dance to the music of Irv Lutz and have a real party. Mr. and Mrs. T. A. Rogers will chaperone.

Debrow-Bremmer Mr. and Mrs. William Debrow Jr., Appleton, Wisconsin have announced the engagement of their daughter, Mary Lou, to Francis Bremmer, son of Harlo Bremmer, 225 Prairie Street, this city. Miss Debrow is a popular member of Appleton's younger set.

- III. Fifth Grade
 a. Forward Roll
 b. Dive over arch
 c. Dive through ring
 d. Cartwheels; Shuttle Roll
 e. Pyramids
 f. Mat work
 IV. Sixth Grade
 a. Skinning the Snake
 b. Cartwheels and Tricks
 c. Premids b. Cartwheels and Tricks
 c. Pyramids
 d. Diving through ring
 V. Junior high school
 a. Forward roll, backward roll, fish flop, and shoulder stand
 b. Merry-go-round
 c. Swan dive; scooter
 d. Fake dive
 e. Diving over four

 - e. f.
 - Fake dive Diving over four Pyramids; high dive Shoulder balance, cart

 - wheels

g.

- h. Rope jumping Waltz 3's Lambeth Walk

RECOMMENDATION BLANKS

RECOMMENDATION BLANKS (Continued from page 1, col. 2) character, reputation, greatest weak-ness, greatest strength, and ancestral stock. Command for the respect of teachers and schoolmates is recorded by different faculty members. The College Library Record tells of the general attitude of the candi-date in the library and whether he has met all library obligations. The special qualifications comprise the extra-curricular activities that the candidate could probably handle in a satisfactory manner—music, drawing, commercial subjects, Librarian's Li-cense, etc. cense, etc.

The seniors will not benefit to any The seniors will not benefit to any great extent by this information, but those of the other classes can better make out their programs knowing what prospective employers expect of their teachers.

Exams may stump you

Mr. Bremmer, who is employed in Neenah is a graduate of Central State Teachers College, and is a member of Phi Sigma Epsilon national fraternity. The wedding is planned for early next fall.

Whitewater To Be **Pointers Next Foe** (And Victim-We Hope)

The Royal-Purple from Whitewater will invade Stevens Point College this Friday at the P. J. Jacobs High School Gym in the second conference

Friday at the P. J. Jacobs High School Gym in the second conference game. Whitewater will be minus the services of Casper 'Pop Farina, star yuard from last year, but nevertheless, they will provide tough opposition. Austin, lanky center, is leading the Whitewater aggregation this year and Lyons and Koenings also are danger-ous competitors. Point will be skat-ing for its tenth straight victory and second conference start to Platteville in a close game—the final score be-ing 48-45. Anxious to get into the win column and especially at the will undoubtedly shoot the works in the game Friday. Kotal will probably rely on the same lineup that has started previous games. Hank Nimz, whose ankle has responded to 'treat-ment, may get, the call at one for-ward, but we're inclined to believe that Point will depend mainly on the regular starters of the past few games. Whitewater will rely on Austin, star center, and Koenings, a guard. These men will be bolstered by Plyer and Lyons at forwards and Gau at guard. The probable starting lineup— Stevens Point Whitewater

Stevens Point		Whitewater
Terzynski	F	Lyons
Warner	F	Plyer
F. Nimz	C	Austin
Bandow	G	Koenings
Olk	G	Gau

Registration Dates Changed

(Continued from page 1, col. 4) signed your program and all cards have been properly filled out before presenting them in the main office on the second floor where your fees will be paid.

presenting them in the main office on the second floor where your fees will be paid. The fees consist of: Student Activi-ty Fees—\$8:00; Incidental fees— \$15.00; and non-Wisconsin residents— \$25.00. (See Instructions for Enroll-ment blanks). Textbooks not in use should be returned to the textbook library on Tuesday and Wednesday, January 24 and 25, from 9 to 11 A.M. and 2 to 4 P.M. In order to avoid congestion the return of textbooks are to be re-turned during the following hours on Thursday: Grammar and High School Departments—8 to 11:30 and the Primary and Rural Department—1 to S:30. Volley Ball

Volley Ball In the Volley ball league on Mon-day night a team Captained by Mick McGuire opposed a team Captained by Eleanor Theisen. Both teams were mixed groups McGuire's team being composed of Frank Metcalfe, M. Kufel, J. Felix, Mick McGuire, Leo Lange, Margaret Kinney, Madeline LeBrot, Fe Bohan, and Ken Parr. The Theisen team was composed of Fritch, L. Drobnick, B. Berkman, H. Faulks, W. Ebert, J. Kalina, E. Theisen, Grace Okray, and F. Sybelldon. Five games were played with McGuire's team winning three and losing two to the Theisen gang. There are still poon for more teams og et your ap-plications in. Mr. Heyer is anxious to get a strong league going.

Badminton Tournament

Badminton Tournament The badminton tournament which will start on Wednesday Jan. 18 will play the following schedule in the college gym. 7:15 E. Ruppell vs Anita Jensen C. Jordan vs E. Turner 7:15 D. Ingham vs R. Urbanowski L. Grambsch vs M. Kujwa 8:00 Grace Melchior vs Eleanor Thei-

sen Eddie Essex vs H. Scheel 8:00 George Quandt vs Caroline Prouz Mary Flemming vs Gene Stenz 8:45 A. Faulks vs C. Wirkus J. Halverson vs B. Miller The following people are signed up but need partners before they can compete. Laurell LaValle, Betty Gus-tin, Lucille Weiner and Aloha Walter.

Ping Pong The Ping Pong room will be open-ed starting on Monday Jan. 23. The hours for use will be from 12 o'clock to 1:15; 4:00 to 6:00 and on any night that an intramural program is going on. The fellows that have been put in charge are Fe Bohan, Ernie Ruppel, Geerge Quandt and John Felix. Mr. Heyer would like to get another man who is acquainted with the game to serve on this committee.

"SIZING 'EM UP"

The Point Cagers made it nine straight by scoring victories over Oshkosh and St. Norbert's last week-

straight by scoring victories over Oshkosh and St. Norbert's last week-end. The Oshkosh game was decided in an overtime in which Point scored 8 points while holding Oshkosh to five. Point came from behind in the second game to score a victory over the Green Knights before the final whistle. Richlin of Oshkosh missed a free toss in the final seconds, which would have beaten the locals. Today the first five players of the Point squad have scored an average of 66 points—Warner leads the in-dividual scorers with 85 points fol-lowed by Fred Nimz and Pete Ter-zynski with 81 and 70 points respec-tively—Warner also leads in the per-centage of free throws made, having made good on 17 of 23 tosses. (Prior to January 11.) Some of the Point cagers would appreciate the substitution of a basketball court for the Oshkosh "Somi so our "wasted" hockey talent is being, utilized by the local "Shamrocks"—Quandt. Olingy, and Burquest are playing with the team so as not to forget how to play before and score or the play before and score or tho playing with the team so as not to forget how to play before and score how to play before and score how to play before and based on or 7 and the team so as not to forget how to play before and score how to play before the substitution of a man to forget how to play before the substitution of a man to forget how to play before the substitution of a basket of the playing with the team so as not to forget how to play before our school organizes a team.

Pointers Take 9th In Row. Trim St. Norberts 47-38

January 18, 1939

ITIM JL. NOTDETLS 41-35 In a game that was doped to be a close one and a possible defeat for Stevens Point turned out to be just another ball game for the Kotalmen and a victory by a 47-35 score. St. Norberts who played Point to a stand-still on the P. J. Jacobs high school floor, in the season opener before losing 41-46, was little match for the Purple and Gold who reliased to he denied their ninth straight victory. Game Starts Close The game started as if it was to

denied their ninh straight victory. Game Starts Close The game started as if it was to be a repetition of the first meeting between the two teams. St. Norberts held an 18-11 lead at one time in the first half. The half finally ended 18-14 St. Norberts. The second half was a different story. The Kotal machine swung into action and began to work the ball into the basket for short shots. Hank Warner, who covered himself with glory in the Oshkosh game, added y long shot here and there and a close game was turned into a route. The Purgolds hit the net for 32 points in the last half while St. Norberts had to be content with 17. In the last quarter with a safe lead Kotal in-serted his second string line and the regulars rested on the laurels of a well-played ball game. Warner Leads Scoring For Stevens Point Warner led the way with fourteen points followed by Fred Nimz with nine. For St. Norberts Finke looked best with nine points with the rest of the scor-ing divide almost evenly between Fenke, Kafka, Shumacher and Mc. Nulty. The box score: Stevens Point (47)— FG FT PF
