

THIS WEEK AND NEXT

Thursday night the Y.W.C.A. will have a picnic at Iverson Park. All members are urged to attend for the small sum of 15 cents.

Friday night the Training School operetta will be held in the College auditorium.

Due to the Memorial Day recess there will be no school on Monday and Tuesday of next week.

Thursday, June 1, final exams will begin.

Baccalaureate Services will be held in the College auditorium on Sunday, June 4.

A luncheon for the senior class will be served at the Gingham Tea Room, Wednesday noon, June 7.

Commencement exercises will take place on Friday morning, June 9. All seniors are absolutely required to be here by 9:30 A.M.

All Sigma Tau Delta members must pay their Flight obligations and dues before any grades will be handed out.

Men's Glee Club To Sing In "World's Fair" Concert

Final plans are being made for thirty members of the Men's Glee Club to make a ten-day trip to the "World's Fair" at New York to participate in two mass chorus concerts by the Associated Glee Clubs of America on July 1st and 2nd.

LeRoux Heads Arrangements Committee

The trip will probably be made in the new College Bus and the group will leave Stevens Point on Tuesday, June 27. The arrangements for the trip are being made by Warren LeRoux, and he announces that an attempt is being made to sing one concert on the way in order to help defray a small portion of the expenses.

"The City of Wonderful Water" and Central State Teachers College will both receive widespread publicity from this trip. Only one other glee club in the state is making the trip and Central State's representatives will be the only college group.

These two important days at the fair have been set aside by fair officials for these programs by Associated Glee Club of America, and about two-thousand men will participate in the concerts on Saturday and Sunday.

Director Norman E. Knutzen and Miss Roberta Peterson, organization pianist will make the trip. Mr. Gilbert Faust will probably also accompany the group on their twenty five hundred mile jaunt.

SENIORS GRADUATE JUNE 9

Glee Club To Worlds Fair

The Senior Class will find a busy but memorable week from June 4 to June 10. Baccalaureate will be Sunday afternoon, June 4, Class Day will be June 8, and Graduation will be on Friday morning, June 9.

Peterson To Give Address

Rev. Peterson of Watertown, South Dakota will give the sermon. He is the father of Roberta Peterson, one of the graduating members. Rev. Warren LeRoux, another member of the graduating class will deliver the invocation and the benediction. The music will be handled by the Girls Glee Club, the College Orchestra.

On Thursday we find one of the most enjoyable events of the graduating season taking place at ten o'clock in the morning. The annual faculty-senior class softball game. The regular Class Day program will be preceded by a senior luncheon at 1:30 at the Tea Room.

Class To Present Gift

The program will consist of presentation of awards, speech by class president—Franklin Hitzke, presentation of class gift, acceptance by Mr. Smith, and dedication of the class tree.

The day will be climaxed with the President's reception and dancing party to be held in the Training School gym.

Commencement will be held Friday morning in the College Auditorium. The program will start with the professional with orchestra accompaniment. The Men's Glee Club will sing a couple of selections under the direction of Normal E. Knutzen. The program will then be as follows: Orchestra, Address by Professor Kieckhofer of the U. of Wis., Presentation of degrees, Hail Alma Mater, Benediction, and the Recessional.

Herrick Announces More Placements; Tenure Bill Still In The Legislature

The following people have been added to the list of placements according to Mr. A. J. Herrick.

Russel Monroe—Changed from Slinger to Adams. Gets his Two-year diploma at the end of the coming session of summer school.

Thelma Knutson — Changed from Independence to Baraboo. Graduate of 1937.

Walter Collins — Graduated in 1937 — Principal of State Graded — Bryant, Wis.

The contracts are beginning to come in despite the delayed action of the Tenure Bill. Many applications have been made and the season is just starting according to Mr. Herrick.

Board Of Directors Started For Glee Club

A Board of Directors will function as the legislative and administrative body for the Men's Glee Club, beginning next year. The details of organization of this board were worked out by a special committee after the club had passed a constitutional amendment to establish this new body at a meeting two weeks ago. Last Thursday afternoon the members adopted the By-Laws suggested for the Board by the committee.

Board Members Chosen

The Board will be made up of the following members: Gerald Doherty, President; Alex Manchekski, Librarian; George Quandt, Business Manager; Gerald Torkelson, Publicity Chairman; and Dick Larson, Corresponding Secretary. The first two officers named were elected for next year at a previous business meeting while the last two were elected at the meeting last Thursday. Mr. N. E. Knutzen, glee club director and advisor to the Board, made his announcement of his selection of George Quandt as Business Manager for next year at the club's Annual Banquet.

The two programs are expected to be "America's Greatest Male Chorus Concerts". Member clubs in the East have signed up almost one hundred per cent and representatives are also coming from Wisconsin, Illinois, Michigan, Indiana, and Ohio. One group is even coming from Honolulu to participate.

The concerts are being given in the mammoth Peace Court on the World's Fair grounds, and begin at three o'clock both Saturday and Sunday afternoons.

Text-book Library Notice

Students who have text-books not in use and wish to do so may return them to the text-book library on Friday, June 2, and Monday, June 5, during the following hours:

9:00—11:00 A.M.
2:00—4:00 P.M.

All other text-books from High School, Rural, Primary, and Grammar departments are to be returned during the following hours on Tuesday, June 6.

8:00—11:30 A.M.
1:30—4:00 P.M.

In order to avoid congestion, the return of text-books on Friday and Monday, June 2 and June 5 is encouraged.

The library,
Lulu M. Mansur,
Acting Librarian.

NOTICE

Anyone wishing to apply for positions on next year's Pointer staff please see Florence Smith. Miss Smith can be contacted in the Main Office or at Nelson Hall. Applicants are requested to see or call Miss Smith before the end of the semester. . . . Telephone—652.

Greek Social's Elect 1939-40 Semester Officers

The following officers were elected last Tuesday evening to pilot the Greek social organizations for the first semester of next year.

Chi Delta Rho

President Dearborn Spindler
V. President James Duecker
Rec. Secretary Earl Raabe
Corres. Secretary
..... Gerald Torkelson
Treasurer Francis Weingartner
Sergeant-at-arms Ted Fritsch

Glee Club Booster Pin Day Coming May 31

Wednesday, May 31st, has been designated on the college calendar as Glee Club Booster Pin Day. On this occasion students of Central State will contribute what they can towards representing their school at the New York World's Fair this summer.

Longest Trip In College History

This trip will be the longest one ever made by a representative body in the long history of the college and will find the Glee Club participating in "America's Greatest Male Chorus Concerts". The thirty members with their director and accompanist will be joining voices with five thousand men from all parts of the nation, and even from outside the United States. Two of the most important dates on the busy fair calendar have been set aside for this set of concerts by the Associated Glee Clubs of America, of which the local group is a member.

Expenses Necessarily High

Unfortunately, projects of this magnitude do cost money. Members making the trip will bear the greatest part of the financial bur-

(Continued to page 3, col. 2)

College Graduates' Employment Brighter Than In Last Two Years

Over Nine-Tenths Of Schools Expect 50% Or More Of Their Graduates At Work Before Summer Ends, Survey Reveals

MINNEAPOLIS, May : Employment prospects for 1939 graduates from American colleges and universities are brighter than in the previous two years, or in 1933, though less hopeful than ten years ago, according to preliminary results of a national survey made public here today by King Merritt, vice-president of Investors Syndicate.

Ninety-one per cent of the 146 institutions of higher learning in the survey reported that 50 per cent or more of their 1939 graduates would have steady jobs before the end of this summer.

Job prospects the same as or greater than those of June, 1938, were predicted by 88 per cent of the schools replying to the questionnaire.

Ninety-four per cent of the co-educational and men's colleges expected 50 per cent or more of their male graduates to be attached to a regular payroll within ninety days of graduation. Eighty-

seven per cent of 108 co-educational and women's colleges estimated that 50 per cent or more of their female graduates would be gainfully employed before autumn started.

Outlook for positions the same as or greater than those of June, 1938, was forecast by 88.9 per cent of the co-educational and male universities for their male graduates this year. Job prospects the same as or greater than those of June, 1938, were predicted by 59 per cent of the 108 co-educational and women's institutions for their 1939 female graduates.

This employment survey was started after the Easter vacation, during which considerable numbers of employers always send their representatives to colleges to interview prospective employees.

"Promising prospects for this year's college graduates," explained Mr. Merritt, "result from an improvement in business conditions, greater efforts on the part of colleges and universities to obtain positions for both men and women graduates, and the fact that leading employers are satisfied with employees recruited (Continued to page 2, col. 2)

ANOTHER YEAR.....
WHAT DOES IT MEAN

Another year of C. S. T. C. life has rolled by and left its imprint on the pages of history. C. S. T. C. this year has experienced many upsets and has seen many new things started. Generally speaking, we have tried to make it the policy of The Pointer to keep abreast with the changes and flexible enough to change with changing conditions.

SEPT. 16 — A NEW START

Fall is here. School has started. And thirty million young Americans are beginning and completing long courses of academic work.

— A FRIEND DEPARTS

"We shall meet but we shall miss him." For years these words have been echoed to denote the departure of a friend. Sometimes they are used in jest. Now, we speak in all seriousness. That tall, slender, grey haired figure whom we knew and loved as President Hyer has left us.

— WELCOME DR. FALK

We especially welcome Dr. Falk, who in the opinion of many, already is the most popular man on the campus.

SEPT. 2 — THERE ARE MANY PATHS

There are many paths the editorial policy of a college paper may take. This paper recognizes three divisions of C. S. T. C.—the administration, the faculty, the student body—whose interests we will support and promote

SEPT. 29 — SUPPORT THE TEAM

This week the first home football scramble will be staged at Schmeckle Field. The team, which made an excellent showing last week at Dubuque, deserves and must have the support of the student body.

OCT. 6 — A STUDENT SENATE

Students are just like people—They enjoy living in the accumulated mess, confusion, and hub-bub of many undesirable things in school activities. Occasionally, however, they do get fed up and have a thorough house cleaning. This is customarily known by such names as, "spring cleaning", "racket busting", and various others—For the lack of more descriptive terminology, let us name our check-up committee a Student Senate.

OCT. 26 — THE TEXTBOOK PROBLEM

Next week at the Milwaukee Convention the Wisconsin State Teachers College Association will vote on a petition requesting that the present text-book be abolished. The petition was drawn up at last year's meeting, received some consideration, and shelved until next week's conference.

DEC. 7 — EXTRA CURRICULARS SHOULD BE LIMITED

If the number of activities in which the upper-classmen could participate was limited it would be better for the organizations and the students. The student would try to become a member of a group which he really thought worthwhile and would, consequently, be more active in the organization.....

JAN. 11 — INTELLIGENT ACTION CAN ABOLISH SYPHILIS

As students we are supposed to be leaders in intellectual pursuits. We are expected to direct others toward physical perfection. How then can any of us hesitate to take advantage of the Wassermann test? Let's do our part in making syphilis a forgotten febrile of the past.

FEB. 1 — A NEW LEADER

We are beginning the second unit of this school year under the leadership of another new president. Familiar to all of us.....the students' choice last year for president and one of the most popular members of the faculty....."E. T."

APRIL 26 — STUDENT-FACULTY POLL

(1) Editorial policy
There seem to be a general acceptance of the editorials of The Pointer as being characteristic of the institution it represents.
(2) As to news coverage the criticism prevalent that the school news could be more adequately reported. Suggestions for improvement were to the effect that the staff should have more voluntary contributions by the students.

MAY 3 — COORDINATED GUIDANCE

Guidance, guidance, lots of it administered in the proper channel is the sea of the placement bureau. Overloading in some fields, shortages in other and conglomerated combinations have been the chief causes of A. J. Herricks annual headache—the placement of inexperienced teachers.

POINTS FROM Old Pointers

2 YEARS AGO

The yearbook will soon be out. It is too early to say definitely as this issue of the Pointer goes to press.

Word was received last week from the printers that they would do their best to have the book here by Friday, May 21. However, the book has to be printed in two colors and is in very close register, so they could give no assurance that the book would be here by that time. In the event that the book does not arrive before Friday, the distribution will be held up until Thursday, May 27, due to the faculty's request that no books be distributed while final exams are in session.

The editor has received a message to stand by for a call to Dixon, Illinois, to direct the final activities in the printing of the book. His presence in Dixon will facilitate matters considerably. He will leave some time this week as soon as he receives word that all the type is set and the printers are ready to run the presses.

THE WISDOM CORNER

DOC BEN

Faust And Evans Win

It goes without saying that the validity of the outcome is uncertain in any political matters in which this writer has seen fit to show his interest. Again, in this particular instance I can blame only myself, having composed the questions and selected the voters. However, I used my best possible judgment in choosing the voters to gather the opinions of the senior class. A sufficient number of students were called upon to determine the sentiment with fairly accurate results.

1. Without question Miss Hanna is the best dressed lady on the faculty—Miss Davis rates second.

2. The best dressed coed by a fair margin is Grace Melchior, with Peggy Glennon second, honorable mention going to Natalie Weiser.

3. Mr. Michelsen has no peer in being properly groomed, although Mr. Smith, and Mr. Matravets offer no favors.

4. Among the men students George Quandt leads without the shadow of a doubt, Storaand being a poor second.

5. The most intelligent male student — Gordon Haferbecker. A few friends in a rather playful mood saw fit to humor us by placing Laske at second. (He belongs in question 15.) Runkel brings in a close third.

6. Virginia Johnson leads the parade of intelligent coeds. Jean

College Graduates' Employment

(Continued from page 1, col. 4) from college campuses. The 1939 graduates represent, on the average, 50.7 per cent of the freshmen enrolled in such institutions four years ago.

"Fifty-eight of the 134 co-educational and men's institutions, or 43.3 per cent, predicted that more than ninety per cent of their 1939 male graduates would be at steady work before the summer ends. Of this same group 103, or 76.9 per cent, declared that 70 per cent of their male graduates would be holding steady jobs shortly after graduation. Ninety-four per cent, or 126 schools, said that 50 per cent of their men graduates would get steady positions in the next few months.

"Forty-four of the 108 co-educational and women's institutions, or 40.7 per cent, reported that more than ninety per cent of their 1939 female graduates would be promptly employed. Of this same group of institutions, 72, or 66.7 per cent, asserted that 70 per cent of their women graduates would have positions within a few months. Eighty-seven per cent, or 94 of these schools, declared that 50 per cent of their female graduates would be at work soon.

"Forty-nine of the 134 co-educational and men's institutions, or 36.6 per cent, asserted that employment of male graduates would be greater than in June, 1938, and 70 schools, or 52.3 per cent, reported prospects the same as a year ago. Only 14, or 10.4 per cent, estimated job prospects less favorable than in June, 1938. Thirty-three colleges, or 24.7 per cent, said that job prospects were brighter than in June, 1937. Six-

Dopp, and Eileen Marx will have to toss for second and third. Barbara Gerdes and Jayne Akins complete the forward field.

7. Charlie Burch's quick wit is well appreciated, by his fellow classmates; he leads a span of ten would-be fun makers.

8. Here I doubt the wisdom and choice of my hand-picked voters. The question undoubtedly was misinterpreted to mean most "round headed" instead of best all around man. Laske first, Storaand second.

9. The best all around coed honors go to Eleanor Ruchti; (here the voters got back on the right track.) Eleanor Theisen must be content with second place.

10. Highest honors, an unanimous vote, goes to Mr. Faust for the smelliest jokes. I have often wondered about that disgusting smell in the chem. lab.

11. Mr. Evans and Miss Roach are striving hard to acquaint the students with their relatives. The winner was in doubt until the last vote was counted—Evans wins.

12. The most loved men: Mr. Smith, Washington, Lincoln, Roosevelt.

13. The most gullible coed was chosen from a large field of candidates, but it seems that most of the voters insist on Lois Peden, Dorothy Sieck placed second.

14. Gordy Lewison and Joe Bloom are both gullible (men?). Gordy not being able to get around so well, and not having an Atlas build had to succumb to the superior gullbleness of Mr. Bloom.

There you are! May you underclassmen observe and be likewise, or otherwise—you will anyway.

ED. NOTE: The opinions expressed in the above column are those of Mr. Laschke-witz and are not to be construed as reflecting the editorial policy of the Pointer.

ty-three universities, or 47 per cent, said the employment outlook was the same as in June, 1937, and 31 schools, or 23.1 per cent, stated that prospects were less than two years ago.

"Compared with 1933, thirty-six schools, or 26.9 per cent, thought present prospects greater. Twenty, or 14.9 per cent, believed chances the same; and twelve, or nine per cent, felt prospects less favorable. Contrasting present prospects with those of 1929, twenty-two universities, or 16.4 per cent, thought employment chances now greater than a decade ago; twenty-two, or 16.4 per cent, felt chances were the same; and 64, or 47.8 per cent, believed present prospects less favorable than in 1929.

"Thirty-one of the 108 co-educational and women's institutions, or 28.8 per cent, reported employment of female graduates this year would exceed that of June, 1938, and 63 schools, or 58.3 per cent, said prospects now were the same as a year ago. Only 12, or 11.1 per cent, put position prospects as less favorable than in June, 1938.

"Twenty-eight colleges, or 25.9 per cent, indicated employment prospects were greater than in June, 1937. Fifty-nine schools, or 54.7 per cent, thought the present outlook the same as that in 1937, and only twelve institutions, or 11.1 per cent, believed that prospects were less than two years ago.

"Ain't It The Truth"

"The moving finger writes and having writ,
Moves on; nor all your piety nor wit
Shall lure it back to cancel half a line
Nor all your tears wash out a word of it."

Back in the eleventh century, a certain Persian poet and astronomer, Omar the Tentmaker, better known as Omar Khayyam, wrote the above quatrain. One night he chanced to be sitting in his observatory, which in his characteristic, poetic way he called the "House of the Stars," when he was struck with the impenetrableness of the heavens and his own puny attempts to pierce their secret. He grew despondent over the fact that so few years were allotted to him to devote to his task. "The Moving Finger" of time was sure to overtake him and he could not call back the years.

The same "Finger" has overtaken us. We are at the end of our college years here at Central State. A part of our youth has passed in this building, a few precious golden years. Have we known how bright they were, or does the thought suddenly strike us now, when we are nearing the finishing post?

Do we realize that in some year to come, on a soft, warm, fragrant spring night, memories may come to us — memories sweet and nostalgic of halcyon days when we were young? Perhaps to those of us who are about to finish, is given by some unseen might, a certain far seeing vision, in which we glimpse ourselves a bit older, happily a bit wiser, perchance somewhat more sentimental. Will we wish that the "Moving Finger" could cancel half a line that Father Time has written in his book? Will we still have our youthful hopes and dreams and ideals? Or will the years between have been tinged with the mark of failure and unhappiness? Let us hope not that.

To you underclassmen, may we leave a parting injunction, given in a spirit of friendship, which has been cemented by the bonds of Alma Mater? Treasure these years. Give them your best. Don't take them as being too matter of course. Perhaps, then, when that time comes to you on some spring night, and memory is too strong to be gainsaid, you will have no regrets. Perhaps the foundation built here will have lasted and, you will not have the bitter taste of the gall of things left undone.

Maybe the friendly ghost of some old grad who's passed on, has drifted up through the campus elms into the window of the Pointer office and put these thoughts into our ear. Who knows?

5 YEARS AGO

The student teachers in the Methods 225 class finished the first semester by organizing a demonstration by the Training School classes of representative work done in physical education to which the parents and friends of the children were invited.

During the winter season large groups of girls were active in the basketball, badminton and volleyball instructional periods and tournaments. Following the final games was a "Basketball Bite" supper and dancing for those who had taken part in the season's games.

With the spring, these sports have given way to baseball, archery, and tennis, and the year ends with the Annual WAA picnic at five o'clock tonight. See you all there!

(Not too tough journalism at that).

SOCIETY LIFE

Delta Kappa Gamma, the state chapter of the national fraternity for teachers, held its state convention in Stevens Point last Friday night and Saturday. Miss Bessie Mae Allen, of our faculty, is the state president. The meeting on Saturday was held in the Hardware Insurance building, the luncheon and banquet being at Hotel Whiting. This state has a membership of one hundred twenty.

The Home Ec's enjoyed a scavenger hunt on Monday evening. The "hunt" was followed by a picnic buffet at North Sim's Cottage. Election of officers followed the buffet. Results were: President Edith Einfelt Vice-President Ann Mainland Sec.-Treasurer Lucille Gerhke Reporter Marguerite Bern

New officers of Sigma Zeta elected at the picnic at Wild Rose are: Master Scientist Ethel Hill Vice Master Scientist Recorder-Treasurer .. Ray Wiersig

The Rural Life Club concluded its activities for this year with a picnic at the Boy Scout Lodge at Iverson Park. Lorraine Brown headed the refreshment committee. Entertainment was presented by Ruth Wagner.

Glee Club To Worlds Fair

(Continued from page 1, col. 4) den, but with group expenses, even when operating on an "economy budget", coming to more than a hundred dollars a day, some help is definitely necessary. Members must go beyond their group for that help. Stevens Point Civic organizations have long appreciated the caliber of work being done by this widely-known club and have expressed an eagerness to do their part towards making this venture possible.

Chairman Johnson Requests Cooperation
Booster Pin Day Chairman, Wayne Johnson, makes this final appeal. "Students, here is your opportunity to help in an important project being undertaken by an organization which for the past several years has done such a fine job of advertising your school, representing it in a way that would make you proud to be a part of that school. Give what you can on May 31st."

Chi Delta Rho Captures Intra-Mural Crown

The Chi Deltas won the intra-mural softball championship Tuesday evening when Jim Duecker took the mound for the first time this year and hurled shut-out ball. The score was 6-0 for the Chi Deltas over the House of Yulga who conquered the "Loafers" Monday night by a score of 14-5.

Duecker looked good in gaining the victory; his control was nearly perfect and he was never seriously threatened. Only one hit was made off his slants. Fritsch finished up after the game was well in the bag and held the opponents hitless. In the entire game, the Chi Delt pitchers fanned ten batters. Heavy hitting for the Chi Deltas was done by Van Dyke with three for four, Drobnick with two triples, and Fritsch with a four ply swat. The fielding of Copes, Van Dyke, and Fritsch was outstanding.

Gormley Reviews Sports Season For 1938-39 Coeds

Pat Gormley insisted that we give her a little ink in the Pointer this week. So here goes; she reviews the girls sports season thusly:

The year started with speed-ball, tennis and archery. Speed-ball, played here for the first time this fall and a young sport, is being adopted enthusiastically by many schools because it provides for all around activity and is not expensive to conduct. The fall season was brought to a close by a gay Harvest Party sponsored by W.A.A.

A ladder tournament in ping-pong was conducted with 28 participants, and an elimination tournament was run off later in the season. Since the ping-pong tables are constantly busy during the girls' free hours, many more than those entering the tournament have enjoyed the game.

The Modern Dance classes for the Training School and College culminated in the dance program presented on Play Day, and the tumbling work was demonstrated on that day, too, in a program under the direction of Miss Davidoff.

Mixed group activities were initiated this year under the direction of Miss Gormley and Mr. Heyer — groups of men and women could be seen in the gym four nights a week playing volleyball or badminton, or dancing to the latest recordings of the popular orchestras. The leading badminton players put on a demonstration between the halves of the Stevens Point-Milwaukee basketball game for an enthusiastic crowd; Central State Teachers College was also represented in the Second Annual Intercollegiate Badminton Tournament at River Falls and our contestants made a fine showing.

Sports

"SIZIN 'EM UP"

The most intensive, most varied intra-mural athletic program in the history of this school will be brought to a close in a few days with finals being played in baseball, tennis and chess. The Chi Deltas won the intra-mural championship Tuesday by defeating the House of Yulga 6 to 0.

"Ernie" Ruppel defeated Len Ropella 6-2, 6-1 to enter the finals for the school tennis championship. "Ernie" will play "Bill" Miller who reached the finals by defeating George Quandt 6-2, 6-3 earlier in the week.

Ed Slotwinski will match wits with Phil Runkel for the chess championship.

Ernie Ruppel defeated Bill Miller for the school Ping-Pong championship early this week.

From 30 to 40 entries had been received up until noon yesterday for the school track meet. Results could not be obtained in time for this issue so those interested in seeing who won what will carefully watch coach's bulletin board.

As we look back through the past year, we began to appreciate the fine job which has been done by "Chuck" Heyer, Misses Gormley and Davidoff in the way of intra-mural sports activities.

When "Chuck" arrived last fall, the only students engaged in athletics were those on the varsity football, tennis, and boxing squads. In the short space of six or seven months, he has developed a program in which at least 100 students have been continuously engaged.

Misses Gormley and Davidoff have co-operated well in the mixed group program and kept interest at a high peak in women's athletics. This department should receive more financial aid if this excellent work is to be carried on. Any curtailment in the staff or any decrease in financial aid will seriously impair the quality of the work being done.

Well, this is the last time for this column until another September rolls around so I'll be saying good-bye to the readers (if any) and wish my successor lots of luck. I hope the next writer is a better diplomat than I, so that he will be able to cope with some of these finicky faculty members who think that they should dictate the material to be put in. Au Revoir B'Gorrah!

Jerry Dunn.

Charley: "Ever see one of them machines that can tell when a person is lying?"
Jim: "Seen one? I married one." out right.

Sports Season Hampered By Misinterpreted Rules

By JOE BLOOM

Now that I'm on the last lap of making a mess of the sport page I guess I'll go back and make a grand slam. The Editor says review the season in Sports. That's a tough job. But I'll try—(Father forgive me—I know not what I do.)

Back last fall we started out with prospects of a good grid team. There was Ed Slotwinski 'n Oscar Copes, 'n Bill Loewecke, 'n Frank Hitzke, 'n Mick McGuire, 'n Fe Bohan, 'n Chuck Burch—a tough lookin' bunch of cookies, no matter how you look at 'em. Then the Freshmen had a couple of pretty good boys. Let's see—Fritsch, 'n Cashin, 'n Koehn, 'n Parr, 'n Hank Nimz, 'n Rene Stimart, 'n Jim Hanig and a couple o' other boys. Kotal put a fair to middlin' team together. We didn't get off to such a good start but when we got rollin' the wayside was lined with also ran's. Platteville came up here with an all conference full back, fella named Perkins. He was sposed to be a plenty rugged customer but he didn't make his own length against Stevens Point. Then came the Oshkosh game. Those Titans were kinda cocky when they arrived but then they toned down before the game ended.

Well, we ended the season with three and two. Not bad. During the course of the season White-water put up a sqawk about Mick McGuire but it didn't get 'em nothin' but publicity and short winded for a while. Well then, we had to have an all conference team. Bill Loewecke, 'n Oscar Copes, 'n Mick McGuire, 'n Chuck Burch all got free blowin' up from the coaches.

Then came the basketball season. Fred Nimz, 'n Hank Warner, 'n Art Bandow and by a couple of others looked like a good crew. We started the season with eleven straight victories. Boy, were we goin' ta town. Then came protest time and Milwaukee got her oar in and said that Fred Nimz played too good a game of ball for them—at least that's what the protest amounted to. Away went a good season. Two games went to the other teams as gifts and the team couldn't quite make it without Fritz. They played some O. K. ball though. Pete Terzynski, a freshman, proved to be the find of the year. He's a homerus lad off the floor but he can play an awfully tough game at guard. Hank Warner was the outstanding player and made the all-conference team. Well, we ain't licked yet. Maybe next year, "barin" all protests, we'll go ta town—maybe I sez.

A fella named Heyer and a gal named Gormley joined our faculty and introduced an intra-mural program that was plenty regimental.

"INTO THE NET"

WITH JOE BLOOM

(ED NOTE — aint it the nets)

A double by Roman Baker, Phi Sig Pitcher, in the last half of the seventh inning scored Sybedon from second base and gave the Phi Sigs their second straight victory over the Chi Deltas in the fraternity series Monday night. The first game was won by the P. S. E. boys on Thursday night by a score of 4-3. Monday night's score was 5-4.

The games were two of the finest ever put on by two school teams. The first was a sparkling pitching duel between Sherman Sword of the Chi Deltas and Baker of the Phi Sigs. Both boys allowed four hits each and were heavy on the strike outs. The fielding by both teams was something of note. Duecker, the Chi Delt's short stop handled six chances in the first game without a bobble.

The second game was almost a repetition of the first with the lead changing twice before Baker's booming double put it away. The fielding of Oscar Copes who caught a low line drive to cut off a sure run and the long running catches of Drobnick were a feature.

In Monday's game Baker was touched for four hits while Slotwinski hurling for the Chi Deltas gave up seven safeties.

The next game is as yet unscheduled but sometime this week will find the boys tangling again.
