

# ANNUAL BAND CONCERT TONIGHT

C. S. T. C. CONCERT BAND

## Reppen Retires As AWTC Pres.

### Bi-Annual Meeting Held At Madison

Mr. N. O. Reppen of the C.S.T.C. faculty has for the past two years been the President of the Association of Wisconsin Teachers' Colleges. The bi-annual convention of this association was held in Madison last Wednesday and Thursday, the twentieth and twenty-first of March. The general meetings, the first of which was held on Wednesday morning were held in the Assembly Chamber of the Capitol. At this meeting the teachers were addressed by Superintendent of Schools, Mr. Callahan; Mr. Edgar Doudna, Secretary of the Board of Normal School Regents and Dr. C. Ragsdale who is Professor of Education at the University of Wisconsin.

#### Mr. Watson Chairman

Sixteen group conferences were held on Wednesday afternoon. Mr. C. F. Watson of this faculty was the chairman of the Geography section which was composed of the geography faculty of seven colleges and the University. Miss Mary Neuberger, school nurse at C.S.T.C., read a paper at the meeting of the Deans.

At the librarians' conference Miss Devereux gave an interesting talk on the "Outstanding Books of 1939". Miss Devereux is a member of the teaching staff of the Wisconsin Library School of which Mr. George C. Allez, former librarian of C.S.T.C. is now director.

**Oshkosh Instructor New President**  
Also on Wednesday afternoon, a business meeting of the Delegate Assembly was held and new officers were elected. To succeed Mr. Reppen as President, Mr. N. S. James of Oshkosh Teachers College was chosen. Mr. Erle J. Stonemen of Platteville was chosen the Vice-President and Carrie Edmondson of Milwau-

### SENIORS

All 4 year degree graduates must order their caps and gowns this week, March 30th, from the counter. Be sure to know your height, head size, and chest measurement.

## Liquid Air Lost; No Assembly This Morning

Mr. Elliott James who was scheduled to appear in assembly this morning and give a demonstration on liquid air, was forced to cancel his engagement. While enroute, Mr. James' container of liquid air was upset and all but a very small quantity was lost. No new supply is available closer than Milwaukee. His loss, estimated at twenty dollars, has necessitated cancellation of two other appearances.

#### Assembly Next Tuesday

Next Tuesday, Dr. Lyness announces, there will be a talk by Dr. W. W. Bauer, Associate Editor of Hygia, entitled "A Thousand and One Health Questions." Tuesday's ten o'clock classes will meet on Thursday of next week at ten o'clock.

kee was designated the Secretary and Treasurer.

Approximately 300 members attended the banquet held on Wednesday evening at which Mr. Doudna presided as toastmaster. The speaker of the evening was Dr. Syud Hossain who spoke on the topic of "India and Britain." Dr. Hossain is an interpreter of world affairs and a traveler and observer of many nations.

Thursday morning speakers at the general meeting were Mrs. Frank

## Chi Delt Formal Saturday Eve

### Thiessen To Play For 10th Anniversary

Final plans have been completed for the annual Chi Delta Rho formal which will be held at the Whiting Saturday March 30. Besides being the first college social event after Lent, the Chi Delt is celebrating the 10th anniversary of the founding of the fraternity. Both these features combined ought to make the event bigger than ever this year.

#### Spindler Toastmaster

Dearborn Spindler will act as toastmaster at the 6:30 dinner at the hotel. Guests include Regent and Mrs. Delzell, Dean and Mrs. Steiner, President and Mrs. E. T. Smith, Dr. and Mrs. H. M. Tolo, Mr. N. E. Knutzen, Mr. and Mrs. R. M. Rightsell, and Mr. George C. Allez, former C.S.T.C. librarian. A big turnout from the alumni ranks is expected as General Chairman Meverden states that numerous reservations have been received. John Steiner will represent the alumni as one of the after dinner speakers.

#### Music by Eddie Thiessen

Dancing will begin at 9:00 o'clock, to the rhythm of Eddie Thiessen's masters of swing. Thiessen needs no introduction to C.S.T.C. students, having played for several formals in the past, his last appearance here being the Senior Ball in December. The band will also play during the dinner hour.

#### Committees

Other committee members besides General Chairman Meverden are Jim Duecker who contracted the orchestra, Jack Taylor, advertising manager, Sherman Sword, decorations and business. Advance ticket sales are being carried on this week. The tariff is \$1.50 per couple.

## Band Alumni To Participate

### Program Includes Difficult Numbers

The annual home band concert, directed by Peter J. Michelsen, will be given in the College auditorium tonight, March 28. The general public may get tickets from sponsors. A limited number of student tickets will be issued from the Main Office.

Many C.S.T.C. band "alums" have been called home for this program. Among them are Marguerite Adams Westfahl of Bowler, who will play the baritone solo in *The World Is Waiting for the Sunrise*, Ben Goldberg, Abbottsford; Leslie Hanson, Thorp; Gerald Eyer, Cadott; Ralph Abrahamson, Colby; Frederick Parfrey, Blair; Samuel Winch, Independence; Kenneth Storaandt, Three Lakes; Norman Hinkley, Whitehall; and Arnold Jindrick, Ettrick; and John Steiner, Waunakee.

This year's program contains many different numbers which require much skill and technique from both the director and the band.

#### Program Interpreted

There follows an interpretation of the numbers to be played on Thursday night's program.

I. *The World Is Waiting For The Sunrise* is composed by Lockhart-Seitze and paraphrased by Harry Alford. The baritone obligato will be played by Marguerite Adams Westfahl.

II. *Procession of the Nobles* was composed by Nicolai Rimsky Korsakov, an aristocratic Russian born in St. Petersburg in 1844. This is a selection from an elaborate Opera Ballet based on Slavonic Mythology known as *Mlada*.

III. *Scenes from the Sierras* is a tone poem suggesting moods inspired by the Virginia Lakes in the high Sierras of California.

IV. Jean Sibelius, a modern Finnish composer, wrote *Finlandia*. This piece is seldom played by college bands because of its difficulty.

V. *Simonetta*, a serenade, by Frederick Curzon, is a light number with a lot of style.

VI. One of last year's favorite numbers and a request for this year is *From Africa to Harlem* which depicts the revolution of negro music from the jungle to modern swing.

VII. *Cypress Silhouettes*, composed and arranged by David Bennett, is a new composition of the Deep South. It is a rhapsodic presentation of the life of the negro on the bayous.

#### VIII. Trio—

At Dawning—Cadman  
**The Gingerbread Man**  
Gertrude Rondeau, Ethel Hill,  
Charlotte Reichel.

THE MATTER OF TEACHER TENURE

A citizen of Mauston, Wisconsin, in a letter to the Milwaukee Journal, has stated some facts concerning the teacher tenure law which is to be voted on next week. There are many students here in college who will be voting. This article should be of particular interest to this group.

In the April election teacher tenure in Wisconsin will be put to a vote in the form of a referendum.

In the last session of our legislature tenure for teachers in our rural schools was repealed, leaving only the city teachers some security in their positions. With the repeal of tenure for rural teachers, the legislature further proposed that the matter of teacher tenure should be put to a vote. The result of this referendum vote will not affect the provisions of the tenure law, but it may influence any future action on this law should it be placed before our legislature again.

Any teacher in Wisconsin up to the age of 65 (excluding those teachers in the common rural schools) after successfully teaching for five years in one community become a tenure teacher; that is, the school board is compelled by this law to rehire such teachers unless that board can present definite charges that such teacher is guilty of gross inability, immorality or conduct unbecoming to a person in his position. Such charges must be presented in writing at a public hearing.

Should a tenure teacher change to another position in a different school system, he will again become eligible for tenure after two years of successful service in that community. The age limit of 65 years does not apply to superintendents, principals or school supervisors.

School boards in several instances fear that a teacher will become a "permanent fixture" and that he cannot be dismissed regardless of how inefficient he may become. Others believe that a tenure teacher will become lazy and careless. Others prefer the young vivacious teacher to the older, more experienced and usually efficient type.

Regardless of what arguments may be presented, the fact remains that the tenure teacher can still be dismissed if it can be shown that such a teacher is conducting himself improperly or that his work is inefficient. No teacher will ever become a "permanent fixture" unless his work and his character are of the type that the community approves.

Teachers like to establish themselves, build their homes, join the church, the Rotarians, Lions and so forth, and help to promote what is good for children and parents alike. They like to make friends and enjoy the fruits of such friendship after once established. They are not a group to be set apart as different or possessed with the "wanderlust." They also seek security just as you seek security for yourself and your family.

Give these factors careful consideration before the April election.

ALUMNI BACK

Many young pedagogues, old C.S.T.C. "grads", have been visiting their Alma Mater this past week. These include Norm Hinkley, Asher Shorey, Kenneth Storandt, Thelma Bairel, Charlie Burch, LaNore Olson, John Steiner, Dick Schwahn,

Lois Gene Peden, and Mildred Cram.

Marjorie Leland, an old Dormite, has returned for a whole week, roaming about her old haunts and rooming with Natalie Weisser.

Marjorie is now enrolled in the Home Economics department at the University of Minnesota.

Shootin' from the Lip

During the next two months you boys and gals who like formal dances will have ample opportunity to show off new gowns and old tuxes. Off hand, one can think of four big times promised the public in the form of balls and dinner dances. Those of you who came to college for social life certainly can say no derogatory words about the next couple of months.

Speaking of these formal affairs, reminds us that it is funny that no one has started a movement to taboo corsages at said dances. Corsages are nice and are a pretty thought but they also cost a pretty penny. When a lad attends about five of these dances he has laid out a neat hunk of cash for flowers. Don't get us wrong. We think corsages are wonderful — where they can be well-afforded. But here in C.S.T.C., we have heard a goodly number of lads say the price of a corsage tacked on to the regular tariff keeps them home time and again.

The Newman Club is vieing with College Theater in the play producing field. The cast has been chosen and rehearsals are well under way. The cast plans to present the play at various churches in the surrounding towns. The play is a three-acter with the unexplanatory title "A Pair of Sixes". From beginning to end there are laffs and action to please the most exacting play-goer.

When we were in the fifth or sixth grade we wrote a poem. It was supposed to be about autumn. We slaved and slaved for hours and finally came up with this'n:

The cows are coming homeward;
The harvest's almost done;
The birds are going southward;
Autumn has begun.

We realize that this has no place in this column but we did want to fill up a little more space. We can't quite agree with the man on the radio who said "Blessed is he who has nothing to say and can't be persuaded to say it".

MEGAPHONE

In the spring a young man's fancy turns to thoughts that the girls have had all winter — So it goes — but by the looks of things in this land of beautiful weather (Oh Yeh), no one will have to worry about any thoughts — I, for one, wonder what we are going to have in the line of weather for the fourth of July.

Someone once said that absence makes the heart grow fonder but the end of the verse seems to have been left off for our Betty Smith (for someone else) — she really didn't waste any time in getting into the groove again.

Red Smith seems to be the schools number one (pile-it).....At least that is so according to the latest reports from the boys taking aviation.

It seems one LaRue Smith took a little trip down to Wild Rose this vacation thinking that he was going to have a great time, but much to his surprise — no gal — how sad, but you know, Smithy, the best laid plans of mice and men etc.

Katherine Pihl came back from vacation with that look on her face — She says there is nothing like a vacation to get things moving on the romance line.

Adrian LaBrot went to Coloma the other night only to find Joyce Larson in bed but a little thing like sleep never kept our dear Joyce from dating.

To whom it may concern, I think that it would be a good idea if all of you guys and gals who borrowed books from Miss Colman would bring them back — After all, private

property is private property.

Clap your hands Wunch.....Those band trips really bring things out the best in one, don't they D. J. Radant — anyway, if any one should know I hear tell its you.

Joe Negard says there's nothing like going steady these days — what do you think about that situation, Miss Rose?

And so ends another weeks column. As I said in the beginning — In the spring, a young man's fancy..... — He certainly is.

# CLUB AND SOCIETY

## NEWMAN CLUB

The Newman Club, Catholic Club of the College, had its second breakfast of the year on Palm Sunday, March 17, also St. Patrick's Day. The club received communion in a body at the eight o'clock Mass at St. Stephen's Church, which was followed by breakfast in the St. Stephen's school meeting room. Tables were decorated with green and white, in keeping with St. Patrick's day, and with palms for Palm Sunday. Highlights of the breakfast were some good Irish jokes told by Miss Hanna. There was no special speaker for this breakfast. As the Newman Club had a larger turnout on Palm Sunday than at any other breakfast, they will probably have more of these communion-breakfasts later in the year.

\* \* \*

The club will hold its regular meeting at seven o'clock Thursday evening. Some members of the group plan to attend the band's Spring Concert after the meeting.

## FACULTY NOTES

Coach and Mrs. Eddie Kotal and family visited in Chicago and Kenosha during the Easter holidays.

Dr. and Mrs. Harold Tolo traveled to Decorah for their vacation. Mrs. Tolo has only recently returned from a trip into Arizona with Mrs. Chester Matravers.

Miss Bessie Mae Allen visited in Washington, D. C. during the Easter vacation.

## PAN-HELL DANCE

The Pan-Hellenic Dance, held March 23, was again most intrig-

uing. More people were seen with different people.—But that belongs to the gossip column, and far be the society editor from besmutting her pen with such trivia—

However it seems that Joseph Bloom escorted Jeanette Fierik and Pat Cashin was seen on the arm of Howie Stimm. One Robert Baker squired Gotelind Rademacher, and confidentially this writer feels a great responsibility for the promotion of the match. (Don't journalists do the silliest things).

It was noticed that the assembly as a group arrived and left, mostly left, by the North Door, but it was all attributed to the fact that the cab stations are located along this block. Several reported that the latest thing for a cab station is an orthophonic, but then not being familiar with such, this poor little editor wouldn't know.

X. Sven Dufva, an overture by H. Hedman, is based on a poem "Sven Dufva" by the Finnish poet, Runeberg. Sven's lack of wit and sense discouraged his father who asked Sven what he planned to be. Sven stood up and boldly said, "A Soldier I Will Be." This composition was published after the composer's death.

XI. The concert will be concluded with the playing of Stars and Stripes Forever by Sousa. This piece is now before Congress to be voted upon as being the U. S. National March.

XII. God Bless America by Irving Berlin and popularized by Kate Smith, will be played by the band with Charlotte Reichel singing the vocal solo.

Mr. H. R. Steiner of our school was chairman of the resolutions committee. He read two resolutions, one of which was a tribute to members who had passed away and another to those who had retired.

At this convention education problems of today were analyzed by men who were well acquainted with education problems, professional educators, and also the "laymen". These analyses were in keeping with the convention theme which was "Adjustment of Educational Content and Procedures to Meet Present Day Needs."

# Put Kotal On 1940 All Star Coaching Staff

The move to make our coach, Eddie Kotal, one of the All Star Coaches of 1940 is well under way. The ballots are being circulated around school and to the alumni. Now it is the duty and privilege of every stu-

Vote For Him

dent to do his part in making this campaign a success. We have a coach of whom we should be proud! Lets prove it! With everyone in school doing his part, I don't see how he can lose.

In this copy of the Pointer you will find a ballot. On this ballot there is room for quite a few votes. Collect as many votes as possible and then send it back to the Pointer office.

If our Coach gets to be one of the 1940 All Star Coaches it will give this school more beneficial publicity than it has ever had. It will advertise the school all over the country and help our athletic department a great deal in the future. It will also give coach the recognition he deserves; that of being one of the best coaches in athletic circles today.

## By Jim Duecker "ON THE BALL" And Mason Atwood

The intramural basketball tournament is really going "Great Guns." A fine brand of ball is being played by all teams and the fans are seeing plenty of thrills. Snooky Van Dyke's "Hot Shots" are leading the pack up to this point due to the unexpected starring of "Poolroom Dan Wiersig." He really is slicker around the pivot line. Pete Terzinski's outfit looks like a bunch of champions and this man Parr is plenty classy.

"Polecat" Posluszny again comes into the limelight due his tryout next month with the Madison Blues. If he hasn't told you, he is quite a ball player. He has been a member of several minor league teams, but he gave it up to come to good old C.S.T.C. Here's hoping you make the grade Louie, and we think you will.

It seems that Ted Menzel's boxing team up at Marshfield High is too tough for this part of the country. He has a hard time getting fights, because of his past record. Nobody can give him any competition. The only team that even put up a good show was Chuck Torbenson's outfit over at Wittenberg. Nice going, former Point Athletes.

Pete Terzinski got the recognition he deserved when he was picked all-All-Conference guard last week. Coach reports that he was picked unanimously. Hank Warner and Tony Anderson were given honorable mention. Milwaukee dominated the team, but I believe we all will agree they deserved it.

It seems that one of our athletes was quite a hero over at the Almond basketball tournament. Gordy Lewison, playing with the Scandanavia Vikings, won six medals and that is great going in any language.

### Boxers Lose To La Crosse CYO'S

Answering a rush call, Coach Louie Drobnick rounded up seven members of his boxing squad and traveled to La Crosse on March 14 to substitute for Ripon against the strong La Crosse CYO team. The Pointers lost the match by the close count of 4-3. Winners for the Point were Drobnick, Louie Lang, and Len Ropella. Ropella scored a KO in the second round. Jim Hanig and Howie Stimm were outpointed and Ken Brenner and Dan Young were victims of second round knockouts. A return match may be scheduled between these teams at Stevens Point.

Bowling in the C. S. T. C. League will be resumed tonight after a week of inactivity. The last games were rolled Thursday, March 14 and the boys are anxious to get started. At present the Faculty team is leading the league, two games ahead of the Phi Sigs. The individual leaders have remained practically unchanged with Frankie Koehn still out in front with an average of 169.

Highlight of the matches two weeks ago was a new high 3 game series of 576 rolled by Bob Baker of the Pointer team. Included in this series was a new high single game of 248.

- The games this week are:
- Phi Sigs vs. Eat Shop (4)\*
  - Chi Delts vs. Pointer (31)
  - Taylor vs. Faculty (48)
