

**Armistice Day Ceremonies in Auditorium; Senator to Speak**

The annual Armistice Day ceremonies will be observed in the college auditorium this morning starting at 10:50 o'clock. The program has been arranged under the direction of Leland M. Burroughs and Peter J. Michelsen of the assembly program committee and will feature as guest speaker the Hon. Joseph R. McCarthy, junior U. S. senator from Wisconsin.

The program, largely made up of appropriate musical selections, will begin with the playing of Irving Berlin's spirited anthem, "God Bless America," by the college band under the direction of Mr. Michelsen.

Following the opening number the national colors will be introduced from the rear of the auditorium and will be presented from the stage by Sgt. Ferdinand Hirzy, Jr., color-bearer, T/5 Larry Eagleburger and Cpl. David Richman, color-guard. These young men are students at CSTC and are members of the Hq. Bat. 120 FA Bn. of the local National Guard units.

After the presentation of the colors, the national anthem will be sung by the audience accompanied by the band. Taps will be sounded immediately following and the assemblage will observe the traditional minute of silence as it faces the east.

Following the sounding of Taps, a short address will be given by Gerald Czarnezki, senior student from Medford, and president of the Student council.

After the address, the band will present a short concert of familiar airs that have endeared themselves to the hearts of all Americans. They include "Over There," a group of American World War I songs; "Medley of Airs," Stephen C. Foster; "Snow White Overture," Churchill; "Martinique Fantasy," Morrissey and "American Legion March," Grabel.

At approximately 11:30 Senator McCarthy will be introduced to the assembly by President William C. Hansen and will address the group for the remainder of the hour. Later in the day he is to appear before several service groups in Stevens Point to speak on current problems.

Classes at the college will be sus-

**Wesley Foundation to Sponsor Penny Fair at St. Paul's Tonight**

The Wesley Foundation is sponsoring a Penny Fair, which will be held at St. Paul's Methodist church tonight opening at 7:30 o'clock. Roland Rothman is general chairman of the affair.

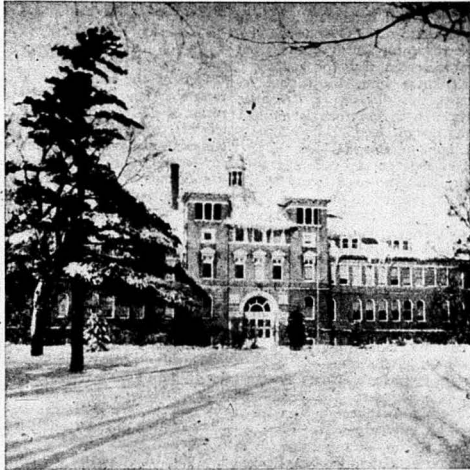

There will be a "mellow-drama," side shows, fortune telling, a bake sale and refreshments to be had for pennies.

The Methodist Student Movement held its fall meeting at the Oshkosh (Algoma Boulevard) Methodist church, October 29, 30 and 31. There were approximately 80 students there from 11 schools throughout the state. Barbara Clark, Phyllis Jar-nick, Fred Stessel and Irene Beaver represented CSTC.

Dr. Caxton Doggett and Reverend Walter Eyster were the principal speakers on the theme, "World Fellowship." Reverend Eyster showed slides that he had taken this summer while working in Europe.

At the meeting of the State Student council it was decided that the council would hold its next meeting at Stevens Point, February 26 and 27, 1949. Plans also were set for the spring conference of the MSM to meet at Platteville on April 29, 30 and May 1.

ended at 10:50 today and will not convene for the rest of the day.

The above scene is just a gentle reminder that soon the icy blasts will be roaring down Main st. from across the river. The green lawns, where have reclined many students of the "outdoor type" during the past few weeks, will shortly be blanketed with a white mantle. Only the squirrels and a few stray notebooks will keep it company. "The dead of winter" is truly a fine description.

**Medieval Times to Be Pan-Hell Dance Theme**

The pages of history will be turned back on Saturday evening, November 20, when the Pan-Hellenic semi-formal will be held with medieval times as the theme. The Greeks and their invited guests will dance to the music of Larry Woodbury and his orchestra at the newly-opened American Legion clubhouse.

The Chi Deltas are in charge of the tickets and programs, and the Phi Sigs of the music. The Omegas are supervising the decorative theme and

**College Theater to Present "Life with Father" Next Week**

The long-lived Broadway hit, "Life with Father," will be presented by the College Theater under the direction of Leland M. Burroughs, on the evenings of Wednesday and Thursday, November 17 and 18, in the auditorium at 8 o'clock. The play production has now reached the point where all rehearsals are being held in the auditorium and the cast is being aided by the technical staff headed by James R. Hicks and Dr. Bernard F. Wievel.

**Pointers Meet Huskies At DeKalb Saturday**

The Pointers travel to De Kalb, Illinois, Saturday to face the Northern Illinois Huskies in what should be the surprise game of the year for the Quandtmen.

Little is known about the Huskies from DeKalb, for neither team has met a common foe to be used as a comparison. De Kalb has won three and lost four games this season. Of the three victories turned in by the Huskies, only one has been a conference win and that win was a 25-7 rout over Southern Illinois for the Huskies' first, conference win since 1942.

The Pointers go into play Saturday with a .563 average having won four and lost three and tied one. Coach Hale Quandt said, "I know nothing of De Kalb — not even where it is located." So Saturday's game should be the surprise game of the season as the Pointers travel to De Kalb for their final game of the current football season. Kick-off is at 2 o'clock Saturday afternoon.

**Glee Club Starts Out of Town Tours Monday Night**

The Men's Glee club will present its first out of town concert of this year on Monday, November 15, at the White Lake High school auditorium. About 35 members of the group will take part in this concert. Special soloists for the evening will be Robert Karsten, pianist, Wayne Salter, tenor, and Larry McKinnon, baritone.

Kenneth Bartels, an alumnus of CSTC, is principal of White Lake High school and Richard Lee, another alumnus, is principal of the grade school there.

Tentative plans are being made for another concert which the Glee club will give at the dedication of the new gym-auditorium at Tiger-ton High school on Friday, December 3. Elmer Ruh, a graduate of CSTC, is principal there.

**Sympathy Extended**

Students and faculty members extend deepest sympathy to Frank W. Crow, whose father passed away Sunday, Nov. 7, at Canon City, Colorado, shortly after Mr. and Mrs. Crow arrived there.

**Anyone Dat Can Read Dis Dezarves to Be Ketched**

Wel, t'merra's th' day 4 wich many o' us hav bin waitin'. De fellos will have a nite durin' wich they won't have 2 play "Romeo and Juliet" — that is, "Romie owed" 4 what 'Julie et'.

If u lissen reel care-folly t' merraw marnin' u mae heer the firearm of Marrin'Sam go off-which offisilly will open Sadie Hawkins day.

The gals from th' YWCA hav bin plannin' dis affair 4 a long tyme so, folks, you shud all be thar 2 C all their hard labour.

We heer won dog-patcher say it was gain' 2 bee a hard job 2 git her 2 tak a bath even 4 as big affair as this dance. A friend had sent her a bah o' soaf 2 use—th' furst bath

she'd ever had. We hope more will be lik hir an' follo hir tactics.

Dans 2 yore flavortye peaces bye all th' best nown orchestras in th' cntreee . . . not jest won name band but many. They'll bee shy and hide frum view of th' dansers but u cin heer them enyway.

Bee at the cho cho ing skool jimnaz-um at at thirdy.

"Kickapoo Joy Juice" and "pre-sarved turnips" will be at th' ree-fress-meant stand.

Those little calored jeans (tickets) will bee on sale in frunt o' de liberry 2day and t' merro. They're onaly thirty sense an' bee shure 2 git yures now.

LELAND M. BURROUGHS

the cast will sally forth with Prince Albert coats, button shoes, crimped diceys and knobbed walking sticks. The ladies, besides wearing the pained look brought on by the suffrage movement, will be further adorned with choker collars, leg-o'-mutton sleeves, and long skirts that clearly accent the bustle.

Cast Take Parts to Hear Several members of the cast have been taking their roles very seriously lately. John Stanton, who plays the part of Dr. Humphreys, has grown his own set of "mutton chop" facial foliage that was quite the style when grandpa was a gay blade.

Besides Dr. Humphreys, the cast includes Father, Charles Bart; Vinnie, Mary Jane Rankin; Clarence, William Joanis; John, Louis Jacobowski; Whitney, John Nason; Harlan, Virginia Ann Gmeiner; Cora, Althea Boorman; Mary, Jean Robert—(See COLLEGE THEATER, page 4)

**Women's Club to Present Mrs. Garten in Book Interpretation**

The Stevens Point Business and Professional Women's club is presenting Catherine Turney Garten in the college auditorium on December 6. Mrs. Garten will give an interpretation of "Woman with a Sword" by Hollister Noble. A limited number of tickets are available to college students. Anyone interested in obtaining a ticket will present his activity ticket to Miss Swallow at the Training school office. The same will be checked and the student will be issued a ticket.

"Woman with a Sword" by Hollister Noble is an historical novel based on the life of one of America's great women who, though unknown to most of her countrymen, was a

friend and adviser to Abraham Lincoln and played an almost unbelievable role as unofficial member of his cabinet. There is only one fictitious character in the book, the rest are real people who lived and worked during the period portrayed in the book, 1860-1865. "Woman with a Sword" presents a first hand picture of this momentous era, and in presenting this great woman, Anna Ella Carroll, the book brings to life the history of those years.

Each organization will hold a dinner earlier in the evening following the formal initiation of its new members. The Omega Mu Chi sorority has Marne Guth as general chairman of the dinner. The Tau Gamma Beta sorority has as co-chairmen Phyllis Kasper and Janice Sisley.

Carl Strassburg is chairman of the Chi Delta Rho fraternity dinner and Ray Bartkowiak is chairman for the Phi Sigs.

**Conservationists Add to College Film Library**

The conservation department has recently purchased a set of four color or films. "The Living Earth Series," which are to be the start of a film library owned by the college.

The films deal with soil conservation showing the forming of topsoil, the growth of plants, how plants utilize the sun's energy, and other links in the "chain of life" concept.

These films show great progress in the field of visual education. Each one of them is accompanied by a teacher's and discussion leader's

guide which outlines what the film contains and gives suggestions for (See CONSERVATIONISTS, page 4)

**Boy Scout Leaders' Training Program To Start Tonight**

The Boy Scout Leadership Training Program will have its first meeting tonight at 7 p. m. in the Training school assembly. Any college students who are interested should report at this time.

The course is to be conducted by E. A. Schwechel, Scout executive of the Samoset Council.

Published weekly except holidays and examination periods, at Stevens Point by students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year. Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

Lewis.

## World Peace through Education

This week of November 7-13 has been set aside on a calendar of designated weeks as American Education Week. This year the chosen theme is "Strengthening the Foundations of Freedom," a fitting one in the light of recent history and the dramatic role played by the United States in world affairs. Only informed people can uphold the ideals of freedom.

We hear the slogans, "America's future depends on the schools," "Let us make our schools strong," etc., but what is done about them? They are brought to the surface once yearly during American Education Week. This is not enough. In order actively to bring about eventual world peace, the United States must inculcate the world with its representative democratic form of government. This it can best do through a constant, purposeful education program.

Through education our own people can best realize their privileges as citizens. If we can prove ourselves a nation conscious of its dignity, the world can well look to us for leadership in a world government that will extend to other people the same rights we now enjoy. This is the only way that we can successfully defeat the ideologies which we believe destructive of the inherent rights of man.

## Unification of State Colleges And University Is Recommended

Combination into one system of all state colleges and the university is recommended by the state commission on improvement of the educational system in its tentative proposals.

"Higher education in Wisconsin ought to be so organized as to provide a reasonable opportunity for basic higher education within commuting distance of the majority of the students in the state," said the commission. Teacher training facilities should be well distributed, and there should be a strong university in Madison, the report added.

## An "Integrated" System

The commission recommended that the existing teacher colleges, with Stout institute and the Platteville Institute of Technology, be discontinued as such, and that they be attached to the "integrated" university system. No units would be abolished without legislative sanction. The commission recommended that the new system be put into operation as soon as expedient after October 1, 1949.

Control of the system, however, would be vested in a single board of regents, which would replace all existing boards. Requirements for membership on this board would be determined by the legislature. The commission, however, suggested that it should consist of nine citizens "who have a sustained interest in higher education," selected by the governor with the consent of the senate.

Actual administration of the integrated system would be in the hands of a president and his staff. Each individual institution would be in charge of a dean or provost, responsible to the president.

## Functions of Regents

The board of regents should pay specific attention to these matters, said the report: The need for assuring academic standards in all the institutions at a high level.

Stabilization of a two year college course within commuting distance of the majority of young people in the state, as "community colleges."

Unification of the credit system, entrance and degree requirements. Acquisition of uniformly high teaching personnel. Proper distribution of off campus courses.

"Basic liberal arts training and certain preprofessional training should be available within commuting distance of the majority of the young people of the state," said the commission. Building requirements in existing state educational institutions are too great to permit the state to embark on a junior college building program at this time, the commission said, but it recommended that the state pay maintenance and operational costs for such facilities provided by local governmental units.

## Eliminates Duplication

"The existence of two institutions of higher education supported by the state in Milwaukee (the University Extension division and the State Teachers college) creates a question of the efficient use of state resources," said the commission. "To combine the institutions would eliminate a dual building program which present and future needs of these institutions would facilitate combination, and it may be assumed that the combination of their resources in terms of equipment and high grade staff would result in an enriched program for both liberal arts students and education majors."

## STUDENT ORGANIZATIONS

## Home Economics Club

Plans were made for a Christmas buffet supper to be held at Sims Cottage on Friday, December 10, when the Home Ec club met Monday evening.

Committees for the supper are: Food, Marilyn Bobbe, chairman, Ina Wood, Donna Davison and Mary Noble; program, Elaine Becker, chairman, Joyce Kruger, Susan Hosmanek and Marge Schrank; decoration, Pat Jones, chairman, Lorraine Laszewski and Delores Plaine.

Margaret Jones was appointed chairman for the distribution of "Folkways in Foods." These booklets, which contain recipes from many lands, may be purchased from any Home Ec member.

Committees for the Christmas sale to be held Tuesday, December 7, were also appointed. Dorothy Schmidt is general chairman with the following committees: Pricing, Ina Wood, chairman, Marilyn Bobbe and Beverly Barnes; popcorn, Joyce Kruger, chairman, Ruth Ol-

## OVER A COKE

Certain derogatory remarks about "Over-a-coke" have reached the writer's ear via overheard remarks. (Said writer was not eavesdropping!) Complaints are heard if humor is neglected entirely and just as many are voiced when an attempt is made to inject a bit of humor into our routine, be it "corn" or "raspberries!" Please remember that the country is still democratic! If you don't care to read "Over-a-coke" because it's corny, turn to the front page and read that for a change. Don't know who said it, but remember this old saying, "A little nonsense now and then is relished by the best of men." Here's one to remember—

Marty Due got up before a geography class (no need to say which one) to present a topic on "The Present Use of Oceans." She began her report something like this; "The material which I wanted to use is in periodicals now out at the binders; you might say they were out on the 'binding' main." They note—isn't that a much cleverer way than just saying that "I looked all over but I just couldn't find a time."

It happens all the time—Susan Hosmanek, Home Ec student, is engaged to Ted Zembrzski, South Milwaukee. Brunswick influence—

While typing out an outline for a report on Scotland, Reuben Beilke must have let his mind (?) wander, as this was the result of one phrase, "famous for whiskey."

## On your mark—

Come on gals, what do you say? Remember tomorrow's Sadie Hawkins Day.

The guys have been waiting for you to do the dating. Come one, come all, whether a her or a him,

Tomorrow night to the Training school gym.

Be sure to come with your "heavy date,"

The time's been set for half-past eight.

## What a philosophy!

Caught this remark from a group of chattering girls commenting on the weather. One rather placidly observed that, "If Winter comes, can Spring be far behind." A statement like that at this time of the year would even cause Shelley to turn over in his grave.

(See OVER-A-COKE, page 4)

## Annual Senior Ball Set for December 4

The annual Senior Ball, a semi-formal affair and the first open dance of the year, will be held in the Training school gym on Saturday evening, December 4.

The Gail Shepardson orchestra of Green Bay has been engaged for the occasion. The ensemble includes ten instrumentalists and a girl vocalist.

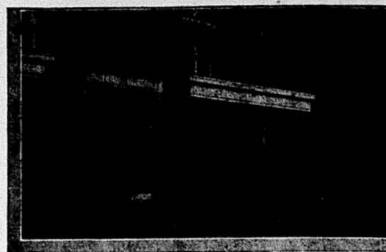

The various committees necessary for sponsoring this annual event have not been chosen as yet but are to be named shortly. Senior class officers are Jack Judd, president; Ray Bartkowiak, vice-president; Clifford Robbins, secretary; and Ernest Link, treasurer.

son, Margaret Jones and Kathleen Kollock; publicity, Susan Hosmanek; ornaments, Lorraine Meyer, chairman, Donna Davison, Lola Van Ornum and Lorraine Laszewski.

Those in charge of setting up are: Elaine Becker, chairman, Gertrude Collum, Pat Jones and Marge Schrank; clean-up, Lola Van Ornum, Lois-Vroman and Colleen Schroeder.

## \* WAA \*

## Never to Be Forgotten — CSTC's "Home away from Home"

One of the places that students remember long after they leave the realm of CSTC is Nelson Hall and its teas, open houses and parties. Nelson Hall has been housing women — and, during World Wars I and II, men — since September 17, 1917. It was named in honor of George B. Nelson, who was a regent of the college and a justice in the state supreme court.

The hall has grown since those days. It now houses 114 college women under the supervision of Mrs. Margaret Angel, the new dorm director, and her assistant, Miss Marion Damon.

Many contrasting opinions about the dormitory have been heard from the upperclassmen. One of the opinions they do agree on is that the Hall is not as strict this year as it has been in previous years.

A poll taken among the dormites

resulted in a variety of opinions on dorm life in general.

Jean Zahner, Althea Boorman and Virginia Hansen, all upperclassmen, pooled their comments and came forth with, "We have two swell housemothers and the dorm is an excellent place for making close friends."

Joan Jewell, a freshman, says, "Life in Nelson Hall is fun. The girls are sincere in their friendliness."

A new rule extending closing time to 11 o'clock Sunday through Thursday was passed recently at the dorm. Lorraine Goth, expressing the opinion of many, thinks the new closing time gives the girls a chance to see a movie without leaving before it ends.

A former dormite, Priscilla Sullivan, visits the dorm often and states that she would like to be living in it again.

(See NELSON HALL, page 4)

## Public Opinion

Dear Editor:

It was gratifying to see such a large crowd at the final home game of the 1948 football season. A hopscotch match between the first and second grades of any local public school would have had more spectators. I would like to commend the "loyalty" of those fine, upstanding, school-spirited students who attended the University of Wisconsin Homecoming. Perhaps when a loud cry for "backing CSTC activities" is raised, their voices will be heard above the rest.

The College Band must be given much credit for their very fine performance. Perhaps, in years to come, the Band will no longer outnumber the spectators.

The squad members contribute 15 hours a week in preparation for the weekly game, but I imagine two hours a week is too much to expect from the student body. The boys must enter the game in high spirits, especially when they can count the spectators on a three-tined fork.

I hope that most of you "five-day-a-week" students feel much pride in your non-support of these school activities. Remember, college life carries duties, as well as privileges. Let's not make it a one-sided affair.

Keith C. Fox

## Familiar Faces

On registration day in 1945 a new group of Freshmen humbly made their way up the broad front walk toward the inviting, but austere, central entrance of CSTC. The first step inside the doorway was the beginning of a frenzied rush called registration. About four o'clock of the third day the dust began to settle slowly on an open page of the registration book on which was written John Judd, home address, Bancroft, Wisconsin.

It is interesting to pass through the next three years in a matter of a few seconds and see this same John Judd, Bancroft, Wisconsin, as the dignified president of the Senior class.

If we look further we find that he is also a member of Sigma Zeta honorary science fraternity. His major study is mathematics and during the three years he has studied that subject at CSTC he has maintained a 2.9 average. This indicates

that John is a good student. He is also a "good fellow." He is a member of Chi Delta Rho social fraternity and served as treasurer of that organization last year. His fraternity brothers and his many other friends know him as "Jack" Judd.

Being a college student keeps Jack very busy, but when he goes home weekends he always finds time for a gallop with "Duke," his riding horse.

When Jack graduates in June he expects to enter the teaching profession. He is gaining experience (and credits) by teaching a physics class at P. J. Jacobs High school as a student teacher.

Having selected math, physics and chemistry as his field of study, Jack has been especially interested in the Science department at CSTC. He likes the courses and the way they are presented, but would like to have a few more courses offered in advanced mathematics.

## Blue Devils Battle Pointers to 19-19 Draw in Last Home Game

The Quantmen hit hard and often Saturday night at Goerke park as they played the Stout Blue Devils to a 19-19 tie before an unusually small crowd which braved the cool fall weather.

The Pointers drew first blood early in the first quarter when Tommy Curry scampered 54 yards for the first six points. He made the score 7-0 when he booted the extra point.

### Gaulke Scores

Several plays later Ellis Gaulke scooped up a fumble and drove 24 yards for the second Point tally. Gaulke, one of the best centers in

the conference, scored the first six points of his college career on the play. The quarter ended with CSTC leading 13-0.

The Blue Devils scored their first TD in the third quarter, when passes from Woelffer to Stai started to click. They started on their own 15 yard line and via the Woelffer to Stai route got the ball down to the local 10 yard marker. On the next play Pollack caught a deflected pass from Woelffer to score for Stout. Young's kick was good and Point led 13-7 at the half.

Stout kicked off in the second half and some remarkable running by Curry and Koehn set the ball on the Stout two. Curry plunged over and the locals led 19-7.

Young took the Point kickoff on his own 12 and made his way down to the Pointer 22 yard line. Through some hard running Stout moved down to the Point three. Peterson 'charged' through the line into pay dirt and the score stood 19-13.

### Stout Ties Score

Toward the end of the quarter Stout recovered a Point fumble and by the time the quarter ended had moved the ball to the Point one yard line. On the first play after the final quarter started Peterson went across to tie the score at 19 all.

The remainder of the game was a good defensive game as both teams failed to score.

## Three Records Fall to Grover-Nauta Team

	W	L	Ave.
Grover-Nauta .....	17	4	783
Phi Sigs .....	11	10	785
Alpha Kappa Lambda #1 .....	11	10	760
Campus Cafe .....	11	10	693
Recreation Alleys .....	10	11	777
Alpha Kappa Lambda #2 .....	10	11	684
Chi Deltas .....	9	12	785
Hannon-Bach .....	9	12	731
Brunswick .....	9	12	666
Nigbor Furs .....	8	13	749

Three records were broken in the bowling league last week, all of them by the Grover-Nauta team. They rolled a 2705 record series and Formella hit a 625 individual series and a 257 game for new records. Grover-Nauta won three game from the second place Phi Sigs, to move far ahead of the rest of the league.

Other results found Brunswick winning three from the Chi Deltas, Alpha Kappa Lambda #1 two from Nigbor Furs, Hannon-Bach two from Alpha Kappa Lambda #2 and Campus Cafe two from Recreation Alleys.

Grover-Nauta's record series was rolled on games of 918, 917 and 870. Other high team series were topped by Alpha Kappa Lambda #1, 2485 and Hannon-Bach, 2333 while other high single games were bowled by Recreation Alleys, 863 and Alpha Kappa Lambda #1, 880.

Following Formella in series were Springer, 582; Heinz, 576; Chick, 553; Reis, 537; Buttkie, 513 and Johnson, 506.

In the singles, Springer rolled 247 to take second behind Formella. Other high games were bowled by Heinz, 221 and 215, and Peters, 202.

## The Fifth QUARTER

Though the Conference season has ended, most of the Teachers Colleges saw action last Saturday. Stout and Point were the only conference teams to meet in a non-conference game. Both teams had ended the season in a tie for fifth place and as chance had it the teams tied.

Eau Claire continued its championship manner by handing the Winona Teachers a 20-0 drubbing. Eau Claire took its first conference championship since 1921 and in doing so held all of its opposition to 33 points while scoring 92.

Gustavus Adolphus College of St. Peters, Minnesota, drubbed the River Falls Falcons 34-14.

St. Norbert's of De Pere edged out Milwaukee 13-12. La Crosse slid past Whitewater by an 11-7 score.

Eau Claire, River Falls, Whitewater, Oshkosh and Platteville have ended their 1948 season. This week Superior plays at Duluth, Stout at Michigan Tech and La Crosse at Winona.

The time of the year has come when everyone thinks of packing summer clothes away for the winter and digging winter attire out of mothballs for another season. So it goes in the world of sports. The football season is drawing to a close and away will go the gridiron uniforms and out of the mothballs come the basketball suits in preparation for the big 1948-49 season just around the corner.

Practice — though on a very limited scale — is being held at CSTC, and after the last football game of the season at De Kalb Saturday, basketball will again become the center of attraction on the Central State campus.

## Intra-Mural Cagers to Begin Play Next Week

Intra-mural basketball, under the direction of athletic director George Berg, will begin next week with both the Alphabet league and Independent league in operation.

The Alphabet league, which is open to all college men, will start on Monday afternoon and will play on Monday and Wednesday afternoons. The schedule for the next week is as follows:

Monday, November 15

4:15 ABC vs. VWXYZ

5:15 DEF vs. STU

Wednesday, November 17

4:15 GHI vs. PQR

5:15 JKL vs. MNO

The Independent league will meet on Tuesday and Thursday evenings with three games each evening starting at 6:45 o'clock. The schedule for next week is:

Tuesday, November 16

6:45 Blackhawks vs. Wildcats

7:45 Cadavers vs. Travelers

8:45 Comets vs. Stags

Thursday, November 18

6:45 Peasants vs. Six Footers

7:45 P. U. vs. Rockets

8:45 Pubs vs. Raiders.

Interested players are requested to check the physical education bulletin board for further details.

## Sophs Confirm Choice In Class Re-election

The Sophomores reaffirmed their previous choice of class officers on Tuesday, November 2. The election was reheld owing to a technicality concerning the supervision of the ballot box. Class officers are Ed Pliska, president; Patricia Lasecke, vice-president; Robert Fritsch, secretary and Bill Bart, treasurer.

## JOHNNY'S TUNE-IN BALLROOM

# Training School to Hold Social Hour for Parents

The culminating event of the American Education Week observance at the Training school will be a social hour for parents of the pupils to be held in the library between 3 and 5 o'clock Friday. Refreshments will be served and a brief musical program is planned. The purpose is to provide an opportunity for parents to become acquainted with the student teachers who are working with their children. The Training school pupils will not attend this function, but will be dismissed for the day.

**Speaks at Marshfield**  
Dr. Raymond E. Gotham will be the principal speaker at the Marshfield High school on November 17, when the student body will observe "College Day."

Dr. Gotham will also attend the annual conference of the National Institutional Teacher Placement association to be held at the Morrison hotel in Chicago on November 26-27.

Dr. Gotham is a member of the publications committee of this organization.

## Central State Symphony Presents Fine Concert; Increasing Skill Shown

An excellent concert was presented by the Central State Symphony in the college auditorium on Sunday evening, November 7. The first part of the program was made up of the "Rieszi Overture" by Wagner and the Mozart "Symphony Number 40." At the end of the intermission following these selections the audience was summoned to their seats by a lively trumpet call.

The second portion of the program included selections from "La Sultane Suite" by Couperin, "Aase's Death" from the Peer Gynt Suite" by Grieg, the rollicking reel "Molly on the Shore" by Percy Grainger and the "Grand March" from "Aida" by Verdi.

The receptive audience called the orchestra back for two encores. The first was the familiar "To a Wild Rose" by McDowell and the second was a catchy rhythmic number in the modern idiom — "Pavanne" by Morton Gould.

The orchestra, under the direction of Peter J. Michelsen, is larger than it was at its initial performance last spring and great improvement was shown in this fall concert. Not only an increase in members but an increasing amount of professional skill was evident.

son; Dr. Lloyd, Bernie Alberg; Dr. Somers, Gerald Foster; Margaret, Dolores Kosbab; Annie, Harriet Platt; Delia, Isla Mae Friberg; Nora, Nancy Nichols and Maggie, Barbara Wells.

### Long Broadway Run

This spirited comedy which centers around the bad-tempered Father Day and his red-headed family of patient sufferers, has just completed a six-year run on Broadway and on the major theatrical circuits throughout the English-speaking world. It has now been released to lesser play groups for production and is being warmly received.

The play has been or is being produced at La Crosse and Eau Claire State Teachers colleges and by the Sheboygan Little Theater group.

Tickets to the play will be distributed free of charge among the students at CSTC at a convenient date previous to the first presentation next Wednesday evening. The College Theater has asked that half of the student body attend the first night and the other half on the second evening so as to allow ample seating space for outsiders on both evenings.

Yvonne Jacobson's team won over Carol Mew's team. Lois Ramsay's team beat Betty Mehne's in the second game. High scores for the evening were Hermalinda Bohl 18, Hildegarde Kuse 12, Betty Mehne 12, and Lois Ramsay 13.

Team standings are:

Ramsay .....	2
Jacobson .....	2
Mehne .....	0
Mews .....	0

### Phi Sigma Epsilon

As the Republicans have bowed out of the political scene and as they no longer occupy too much newspaper space, the pledges of Phi Sigma Epsilon made the front page of the Stevens Point Daily Journal on November 5, rather inadvertently, however. The story told of some of their graveyard adventures.

The distinguishing marks of Phi Sig pledges are red satin jazzo ties, painters and painted caps, smoothly varnished paddles, unpromising mustaches and sad-sack countenances. The sound of marching feet at the bird-catching-worm hour of 7:30 a. m. is also those of the pledges going through their daily paces.

As the second week of pledging is nearing its close the prospective members are also giving the appearance of nearing their close. The third and final week of pledging is Hell Week and in only three more days they'll be in it.

### Gamma Delta

The regular business meeting of Gamma Delta will be held this evening in the St. Paul's Lutheran church parlors at 7:30 o'clock.

This meeting is one of importance to all members as plans for the annual Christmas social will be formulated at that time. All members are urged to attend.

### Radio Workshop

The Radio Workshop Players will not be held this week because of the Armistice Day holiday. Next week, however, they will be held at 3:15 p. m. with the show "Let Freedom Ring."

The pages of the "Music Album" will unfold to bring another half-hour of your favorite music on Friday, 3:15 to 4:45 p. m. Frank Kostuch and Beatrice Maliarik arrange the musical program with Daryl Fonstad as control operator.

On Monday John Kowaleski will sing several favorite songs in an appearance on the "Our College" program. Maurice Mead comments on the latest college news.

An exciting picture of the first Thanksgiving is portrayed to children of the primary grades on Tuesday when they gather in the "Book

### Chi Delta-Rho

Anyone who sees a monkey-face peering above the collar of any of the male students hereabouts should not get alarmed and run for the nearest zoo-keeper. It will just be one of those "unfortunates" who are going through the rigors of pledging the Chi Delta Rho fraternity. They are wearing sizzly skull caps that have that "simian" look.

The 11 men that have pledged Chi Delta Rho this semester are Bill Bart, Leland Brunker, Richard Greene, Glen Sauter, Dick Lorenzen, Bob Stenerson, Roland Rothman, Art Witalison, George Gynn, Dick Kowaleski and Everett Humke.

introductory and follow-up discussions.

Though the films were purchased by the conservation department, they will be available to all of the departments of the college and should prove a great aid in the understanding of conservation.

George (Sam) Koshollek, Jr. won an award for a photograph he submitted to the Milwaukee Journal. The photo was printed in last Sunday's Roto section. Sam was formerly a photographer on the Pointer staff.

### They go down in Physics—

Miss Bainter made the statement to her physics class that she hoped some day some one in her classes would make a name for himself in physics. One of her students who mentioned this to the writer commented about multiplying a "Zirn-gibl" by "Peplinski and getting a "Zirnpep." Jule and Watt did it. Why can't they?!

\*Assumed to be members of physics class.
