

**Sponsors Backing Candidates  
In Wide Open "Queen" Race**

Four candidates are now in the running for Homecoming Queen. Katie O'Connor, sponsored by the Phi Sigma Epsilon fraternity, Irene Morris, backed by the Chi Delta Rho fraternity and the Cheerleaders club, Lucy Chappell, sponsored by the "S" club and Arlene Kromroy, the Alpha Kappa Lambda candidate, are in the running.

Publicity is rolling. The halls are filled with unique signs, illustrative posters and clever slogans. Each organization is going all out to campaign for its candidate. The campaigning is beginning with the finest show of enthusiasm that has been noted around CSTC for several years. A couple of incidents, displaying poor sportsmanship, have marred the hilarity of the campaigning. Posters bearing the pictures of candidates

**Central Wisconsin Teachers To  
Meet in Wausau Tomorrow**

have been torn from the walls or have had the pictures ripped and mutilated. Such distasteful practices tend to tear down the campaign instead of build it up. It is hoped that the responsible individuals will mend their ways immediately and give all the candidates a fair chance.

**Class Officers to Be  
Elected on October 12**

Freshman class officers and four student council representatives will be elected Tuesday, October 12. All candidates must circulate and file nomination papers by 4 p. m., Friday, October 8. Nomination papers must be signed by at least 25 class members. Petition blanks may be obtained at the information window of the Main Office. Students should not sign more than four petitions. Sophomore, Junior and Senior class officers will also be elected on Tuesday, October 12.

The thirty-sixth annual convention of the Central Wisconsin Teachers association will be held on Friday, October 8, at the Central school, Wausau.

The convention, with Miss Nora Le Roux of Wisconsin Rapids, presiding, will get under way at 8:20 a. m. with a concert by the Wausau Senior High school orchestra directed by Karl Grill. The invocation will be delivered by the Rev. Ray Henry Kieley, followed by a welcome from Mayor Herbert A. Giese. The main address of the morning will be presented by Dean Ernest O. Melby, New York University School of Education, who will speak on "Education and World Peace." At 10:25 a. m. the group will adjourn to sectional meetings.

**Floats Being Solicited  
For Homecoming Parade**

Entries are now being solicited for the Homecoming Parade which will be held on Saturday morning, October 16. According to Jim Cory, parade marshal, all college organizations are eligible to participate.

The parade floats will be classified in two divisions, the serious and the humorous. Two prizes, one of \$5.00 and one of \$2.50 are being offered for the first and second places in both divisions.

Mr. Cory states that the deadline for the entry of floats will be Wednesday, October 13. In order that the float committees may contact him to place their entries, he will be in the Pointer office on Monday and Wednesday, October 11 and 13 from 1 to 2 p. m., and on Tuesday, October 12, from 11 to 12 a. m. and 2 to 3 p. m.

The entry fee is 50¢ per float. All organizations are asked to observe Homecoming Week-end by entering at least one float in the parade.

**Students Are Requested  
To Conserve Electricity**

Because of the severe drain on electric power in this area the major institutions and places of business are being asked to reduce their use of electric power. Although the request has not been made officially to the college, it is to the advantage of every student to use electric power economically.

The needless waste of electricity, especially the habit of letting unnecessary lights burn, is a two-fold detriment. It deprives other places of effective voltage and at the same time lengthens the college electricity bill.

**Radio Workshop Players Make Season's  
Debut with "Legend of Sleepy Hollow"**

The Radio Workshop Players make their initial appearance of the 1948-1948 season today with the production, "The Legend of Sleepy Hollow." John Kowaleski and Daryl Fonstad are directing a cast chosen from a large group of enthusiasts.

A half hour of symphonic selections for general listening pleasure will be on the WLBL airwaves from 3:15 to 3:45 p. m. on Friday. Frank Kostuck will narrate the program arranged by Beatrice Maliarik, record librarian.

Meet the football team and coach Hale Quandt by listening to "Our College" at 3:15 on Monday, Oct. 11. College events and announcements will be reviewed by Maurice Mead, news commentator. John Kowaleski will be the announcer.

In the afternoon a concert will be presented by the A Capella Choir of the Senior High school directed by Miss Josephine M. Darrin. An address, "The Significance for America of Events in Asia," by Dr. Walter H. Judd, Member of Congress from the Fifth Minnesota District, will conclude the day's proceedings.

Fred J. Schmeckle is a member of the Committee on Resolutions of the association.

Classes will be suspended on Friday to permit the faculty to attend the convention.

**Save Your Pointers if  
You Want them Bound**

Usually, at the end of the school year, the Pointer staff members are beseeched by many students who want bound volumes of the Pointer which include all of the issues for that year. Because of printing costs, only 50 copies of each issue are saved to be bound. These volumes are presented to the staff members and the advisers. There are rarely any copies left over for others.

If any of the students would like to have a bound volume of this year's Pointer they should save their copy of each issue as it is circulated (See POINTER, page 4)

**Ted Thompson Leaving  
For Anchorage, Alaska**

Ted Thompson, sophomore at CSTC and staff photographer for the Iris, has accepted a position as a radio control tower operator at Anchorage, Alaska.

Ted had approximately three years of experience in this type of work while in the Army. He is leaving October 11, flying directly from Chicago to Anchorage.

**State University Host  
For Education Meeting**

President William C. Hansen, Dr. Quincy Doudna, and Dr. Nels O. Reppen will attend the National Education Conference at the University of Wisconsin, October 8, 9, and 10.

Dr. Raymond E. Gotham, director of Training and Placement, will also be in attendance at this conference on Saturday, October 9.

The conference will consist of general sessions in the mornings with several round table discussions being held concurrently in the afternoons. Among those speaking at the general sessions and leading the discussions

will be the following University Presidents: Edwin B. Fred of Wisconsin, George D. Stoddard of Illinois, Robert B. Stewart, Vice-president of Purdue, L. A. Du Bridge of California Institute of Technology, Frank T. Graham of North Carolina and Norman McKenzie of the University of British Columbia. Additional universities whose staff members will speak are: Princeton, Northwestern, Chicago, Iowa, Ohio, Syracuse, Columbia, and Washington State College. Firms, institutions and organizations whose officers or representatives will make contributions to the Round Tables are: The American Council on Education, Bu.

(See EDUCATION, page 4)

**In-Service Conference  
Scheduled for Grads**

An important phase of homecoming week-end, for last year's grads, at least, will be the second annual In-Service Teacher Training Conference to be held Friday, October 15, in the Training school and college.

This conference will provide an opportunity for last year's students now teaching to confer with members of the Training school and college staff about the problems of their initial teaching experience. They will be able to offer suggestions that will increase the value of the training program and take back with them advice relative to the solution of their specific problems. Prior to the conferences with staff members, they will observe classes at the Training school.

Letters have been sent to the superintendents of schools, where CSTC graduates are teaching, requesting their release for this one day conference. Also, letters have been sent to the teachers themselves inviting them to attend.

**Classes As Usual during  
Milwaukee Convention**

The college will not close for the Wisconsin Education association meeting at Milwaukee on Thursday and Friday, November 4 and 5, President William C. Hansen announced last Friday.

Instructors may attend the convention if they so desire and they will make arrangements for their classes during their absence. The instructors who do not choose to go will hold classes as usual.

Because most of the instructors at the Training school plan to attend the convention, all classes there will be suspended on Wednesday afternoon, and on Thursday and Friday of that week.

**NOTICE**

There will be a meeting of all Freshmen in the auditorium at 12:30 p. m., Monday, October 11. This is very important as it concerns the Homecoming week-end festivities.

**Social Science Club Being Formulated  
For Majors and Minors in the Field**

A new Social Science club is being organized at CSTC to augment the smaller International Relations club. It allows for a larger membership of social science students and its purpose is to provide an agency for members of the social studies to express their views and gain assistance in raising their professional standing.

Students interested in the club met on Wednesday, September 29, and a committee of five from the social science group adopted a set of temporary resolutions. These included the purpose of the club, temporary qualifications for membership and a few points on future plans. At the same time, temporary officers were elected. They are Lewis McDermott, chairman, and Carl Strassburg, secretary. Members of the resolutions committee are George Whitney, Reuben Beilke, Pat Anderson, Lewis McDermott and Harold Bandow.

**Speakers Sought**

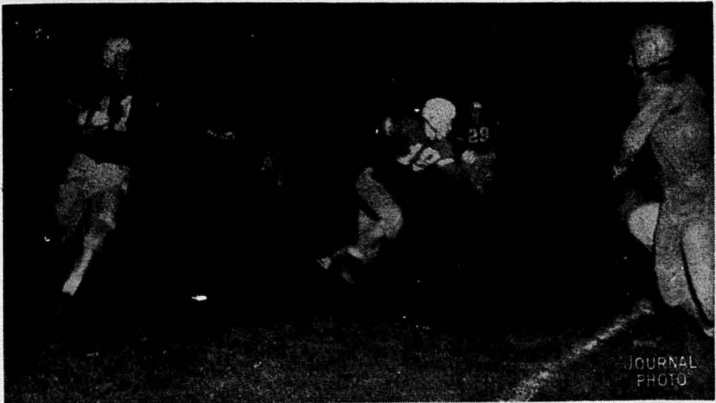

It is hoped that in the near future the club will be able to secure speakers from outside the school who will give some valuable information in the field of social science. These speakers would also lead panel discussions to promote further understanding and straighten out difficulties. Final plans for the club have not yet been formulated, and therefore no specific speakers have been named.

Temporary qualifications for membership as drawn up by the resolutions committee are as follows: The student must have at least a sophomore standing with a 1.5 grade point average in social sciences including history, social science, political science, economics and geography, and in intended major or minor in one or more of those fields. Students interested in joining the club may do so by contacting Mr. McDermott or Mr. Strassburg or by contacting a member of the membership committee. The membership committee has not yet been chosen, but the names of the committee members will be posted as soon as possible.

**Constitution Lacking**

Future plans call for the choosing of a committee to draw up the club's constitution.

Associate membership in the club will include Freshman students and those upper classmen who are not majoring or minoring in the social sciences, but are interested in the problems affecting that field.

Washburn fleet Eau Claire hallway, is off to a flying start around right end in the game with CSTC Saturday night under the lights at Goerke park. Bruin players are from L. to R. Olson, Walker and Hansen. The Pointer is unidentified. Eau Claire won 13-7.

JOURNAL PHOTO

Published weekly except holidays and examination periods, at Stevens Point by students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year. Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the act of March 3, 1879.

# Is Vaudeville Really Dead?

"Politicians can come and go" and from the mounting hodge podge of news sources, they are certainly on their way. Not since the gold rush of '49 has there been such an exodus from the east to the west. In '49 the adventurers were in search of the "golden fleece" but now, almost a century later, their descendants are out to "fleece" the golden west. Transportation companies, if they relied upon the business from politicians alone, could hardly show a deficit this year. Politics has justly filled the ugly gap left in the American scene by the death of vaudeville. In order to be a successful candidate in these times one must be a veteran trouper able to take the old "six-a-day" routine.

President Truman, who wants to tell the United States about his newly-cultivated phobia against Republicans, is causing headaches among the railroad yard superintendents by touring the west in a 17 car train in which his special car, the Ferdinand Magellan, is bringing up the rear. The Republicans claim that this is a good omen because they believe that when November rolls around he will still be in the rear.

Thomas E. Dewey, in his race to be the first Republican president in 16 years, is in the governor's mansion in Albany, New York, these days, just long enough to change his shirt. Between shirts, he is riding the airways and the railroads in a manner that smacks of Paul Revere, warning the people that the Democrats are coming.

And then there is Henry Wallace. His progress is somewhat slower than the others because he has to stop every now and then to wipe the eggs from his eyes and ask people if this is still America. His might be the best campaign method after all because when elections are over he will know where his three squares a day are coming from.

Progress is not the word for national politics of today. Instead, most of the active politicians can be likened to the unhappy wretch who jumped on his horse and rode off in all directions!

## Excellent School Spirit Shown at Pep Assembly

According to the testimony of several interested parties the pep assembly held in the auditorium last Friday morning, under the direction of the Cheerleaders club, was one of the finest displays of school spirit that CSTC has seen in a long time.

The cheerleaders, assisted by the band, under the direction of Peter J. Michelsen, kept the large audience on their toes with their extended repertoire of school yells and songs.

Coach Hale F. Quandt gave a short talk on the previous game with Milwaukee. He then introduced each player on the team.

The present members of the Cheerleaders club, including President Fred Hubbard, Vice-president Warren Hamele, Secretary-treasurer Mickey Rybick, and Irene Morris, Dorothy Brown, Pat Faucett, Nancy Sannes, Betty Kusserow, Dorothiane Rebella and Carol Gilbertson, are to be complimented on the splendid job they are doing to get the "bleacher boys" to help the team to victory.

## From Wisconsin to Waikiki; Mrs. Williams Enjoys Seven Weeks' Trip

Seven weeks in the beautiful enchanting Hawaiian Islands was the highlight of the vacation of Mrs. Mildrede Williams, second grade supervisor at the Training school. She sailed on the Matson liner, Lurline from San Francisco, on June 16. This magnificent ship had just been reconditioned at a cost of millions. During the war it had been used as a troop transport.

Mrs. Williams said she thoroughly enjoyed every minute of her eight days and 10 nights on the water. The service and food on board was everything one could wish for. The typical Hawaiian welcome is one which Mrs. Williams says will never be forgotten. The Royal Hawaiian orchestra, hula dancers and friends met the boat and greeted the passengers with song, laughter and leis.

Mrs. Williams visited friends who live near the world-famous hotel, the Royal Hawaiian, and only two

## CSTC Placement Report Shows New Gains

The report of placements of recent graduates and alumni of Central State Teachers college shows new gains in numbers placed and salary increases over the past few years, according to Dr. Raymond E. Gotham, Director of Teacher Placement.

An increasing number of alumni are availing themselves of the placement services of CSTC. The placement office is expanding its facilities and services to include all CSTC alumni who are continuing their professional training and whose teaching records indicate professional growth.

The following 1948 graduates received positions and are now teaching:

- Primary — degree graduates; salary range \$2200 - \$2400: Marcia Gunderson, teaching position, Kaukauna, Grade 2; Dolores Lepak, Appleton, Grade 1; Lorraine Levra, Tomahawk, Grade 1; Lucille Tanner, Wausau, Kindergarten.
- Intermediate and upper elementary — degree graduates; salary range \$2400 - \$3500: Elwood Dyke, teaching position, Kenosha, Grade 6; Lynn R. Feutz, Spencer, Grades 7 and 8; Walter Franke, Wausau, Grade 6; Areluis J. Hall, Sheboygan, Social Studies and Science, Junior High School; Lila Ruth Horveth, New London, Grade 4; Chester J. Payne, Fond du Lac, Grades 4 and 5; Franklin Pearson, Appleton, Elementary Principal; Irma Scott, Kenosha, Grade 3; Dorothy Severson, Wausau, Grades 5 or 6; Warren H. Soehler, Kenosha, Upper Elementary; Charles A. Stimm, Sheboygan, Grades 7 and 8; Antoniette Tushinsky, Adams, Grade 7.

# OVER A COKE

"We turned up another choice heading in our campaign for a new name. This time it is "Under the Carpet—with all the Dirt." We admit we may be in a "beneath-the-rug darkness" now and then, but we're not looking for "dirt"!

Do you have spots before your eyes?

Have you noticed anything peculiar about the walls at school this week? If you haven't, you're either very blind or very unobservant. It's a phenomenal sight to see organizations go all out in backing Homecoming Queen candidates. If you're not completely dizzy when Homecoming week-end rolls around be sure to cast your vote for the Queen of your choice.

The campaigners are even giving the campus squirrels a rough time. With all the ropes attached to their abodes, chances are they'll hang themselves while storing away their acorn supply!

Class elections are coming up, too. This being an election year certainly shows up in the enthusiastic campaigns launched by some of the electoneering class officers. They're even carrying it to the point of running a "straight ticket"!

On Monday morning, at that! "I knew all the answers in class this morning so I waved my hand, but the instructor didn't even notice me."

Quote, a Freshman (Perhaps this student hasn't learned that only the unknowing are called upon!)

(See OVER-A-COKE, page 4)

sha, Grade 6; Lynn R. Feutz, Spencer, Grades 7 and 8; Walter Franke, Wausau, Grade 6; Areluis J. Hall, Sheboygan, Social Studies and Science, Junior High School; Lila Ruth Horveth, New London, Grade 4; Chester J. Payne, Fond du Lac, Grades 4 and 5; Franklin Pearson, Appleton, Elementary Principal; Irma Scott, Kenosha, Grade 3; Dorothy Severson, Wausau, Grades 5 or 6; Warren H. Soehler, Kenosha, Upper Elementary; Charles A. Stimm, Sheboygan, Grades 7 and 8; Antoniette Tushinsky, Adams, Grade 7.

(See PLACEMENT, page 3)

## V-5's Enjoying Navy And Florida Sunshine

At the close of school last June, 28 naval V-5 trainees left the CSTC campus permanently to report to the United States Navy for the rest of their five years of training. They had been at CSTC for two years.

On June 9 they arrived at Pensacola, Florida, and after passing the necessary physical examination were given the rank of midshipman and assigned to pre-flight school. Code and blinker, aerology, history, engines and navigation are a few of the subjects necessary to complete this first course. Completion of this course will occur in the latter part of this month.

The boys' leisure time, though limited, is spent swimming, enjoying the Florida sunshine and writing letters to CSTC co-eds. In the swimming field, two of the midshipmen, Wayne Kuckkahn and Jerry Amelang, have won honorable recognition by saving the life of a fellow swimmer. Earl Dryfoose is still able to find time to entertain others with his boogie woogie piano interpretations.

Navy life seems to be agreeing with the fellows from all reports. Two local V-5's, Jim Neale and Harold Sparks are among the contingent who went from CSTC to Pensacola.

A letter received by a co-ed friend of one of the boys said: "I joined the navy because I liked the way the ships were kept so clean and tidy. But I never knew until this week who keeps them so clean and tidy."

NOTICE

A Waterman automatic pen was found several days ago in Room 253. The pen is now in the possession of Miss Susan Colman, who will return it to the owner upon identification.

## STUDENT ORGANIZATIONS

### Gamma Delta

Homecoming was discussed and a float committee was appointed at a meeting of Gamma Delta last Thursday evening in the Student Lounge. It was decided to trim the float at the church on Thursday evening, October 14, instead of having a regular meeting. All members will turn out to help decorate it.

The Homecoming Banquet was discussed and it was decided to abandon it for this year and put more effort on other things.

In accordance with a request from Mrs. Elizabeth Pfiffner, the regular meeting nights were changed to the second and fourth Thursday of each month.

The next meeting will be a Halloween Party on Thursday evening, October 28, at which time new members will be initiated. A special effort will be made to collect the dues of a dollar per member at that meeting.

The 30 members that were present were urged to watch the bulletin board for announcements.

### "S" Club

President Ells Gaulke announced at a meeting of the "S" club at the Campus Cafe last Wednesday that the committee headed by Jim Dalnord to select a new faculty adviser had contacted Frank W. Crow. Mr. Crow agreed to accept the position and the "S" club group voted him in unanimously.

The numbered jackets worn by the dads last Saturday night at the football game were sponsored by the "S" club. Jack Chvala was placed in

## Anything from Cook Books to Candy; Mr. Green Has It.

Richard Green, a junior majoring in mathematics, is the present operator of the college counter, replacing Daryl Fonstad who was in charge of the counter last year.

Richard carries as complete a stock of school supplies as is possible under the limited space conditions. Displayed in the windows are a variety of articles including outline books on various subjects, "The Boston Cooking-School Cook Book," candy and gum — everything to take care of the student's needs.

The hours at which the counter is scheduled to be open are:

- 7:45—8:10 — Daily
- 7:45—9:05 — Wed. Fri.
- 10:00—10:55 — Daily
- 12:30—1:10 — Daily
- 2:10—3:05 — Tues. Thurs. Fri.

Richard, a veteran, is married and has a year and a half old daughter, Judith. At the present time the Greens are calling Plover their home.

## Familiar Faces

One of the members of the 1949 graduating class will be Marjorie Beawer (pronounced "Beaver") "small in stature, great in ability." Marge was born in 1927 at Colby, Wisconsin, in the same house where her mother, aunt and three of her sisters first saw the light of day. She graduated from Colby High school in May, 1945, and entered CSTC in the fall of that year.

Marge has been quite active on the campus. She is a member of YWCA, Sigma Tau Delta, the Pointer staff, Radio Workshop and is president of Wesley Foundation. She is enrolled in the secondary division with a major in geography and minors in English and math.

Marge plans to teach, but not necessarily in Wisconsin. She "isn't fussy about the state." Some of her hobbies are collecting stamps, crocheting and sewing. The inquiring reporter, an ignorant male, made the glaring error of asking, "What do you sew?" The snappy retort came back, "What do people usually sew?"

While not an inveterate mover, Marge does go occasionally and cries sometimes a common failing

charge of purchasing the material used; the Home Ec girls did the sewing and the Art Department the printing. The "S" club wishes to thank the Misses Besie May Allen and Edna Carlsten for their co-operation and assistance in making this event a success.

Lucy Chappell was chosen as the candidate for Homecoming Queen by the "S" club.

Plans were discussed and reports were given concerning the homecoming dance and the football programs.

The final meeting before homecoming will be held next Wednesday evening, October 13, at the Campus Cafe. All members are requested to be at this important meeting.

### Phi Sigma Epsilon

Various committees were appointed to lay plans for Homecoming Week at a meeting of Phi Sigma Epsilon last Thursday at the Campus Cafe. Katie O'Connor was sponsored for Homecoming Queen.

### L.S.A.

LSA'ers gathered in the Parish House of the First English Lutheran church last Thursday evening. Dr. Roland A. Trytten spoke and led a discussion on the subject, "The Scientific Way is the Christian Way." Gilbert W. Faust spoke for a few (See ORGANIZATIONS, page 4)

## Autumn Is Visitor at Annual Tau Gam Tea

Guests at the annual fall tea of Tau Gamma Beta sorority felt that Autumn itself was a visitor in the Home Economics parlors on Wednesday afternoon, October 6. Colorful fall arrangements made an attractive background when the sorority members entertained the college women, faculty and wives.

Sprays of pink and silver peppercorn tied with blue ribbon were presented the guests as they arrived. In the dining room the visitors found the decorations in accordance with the colorful hues of fall. Dainty sandwiches were served from a table bedecked with a striking autumn centerpiece plus glowing tapers.

Pat Lavers, president of the sorority and general chairman of the tea, was first in the receiving line. With her were Mrs. Elizabeth Pfiffner, dean of women, Phyllis Kasper, vice-president, Miss Gladys Van Arsdale and Mrs. Mildrede Williams, advisers, and Jeanette See, a past president.

Those who poured at the tea were Miss Helen Meston, a past adviser, Mrs. Edward Knope, Mrs. Weldon Leahy and Mrs. Gilbert Faust.

of most women. She works in the library at the reserve desk. Her favorite books are "The Robe" and "The Green Years." Marge has seen three states and would like to see many others, preferably the western states. Her nickname is "Midge" and some wag once labeled her "Eager Beaver." Another favorite pastime is watching athletic events. Her favorite baseball team is the Cleveland Indians, a choice which seems vindicated in the light of recent developments in league play.

Most people see Marjorie as a quiet, unassuming girl. Those who have worked with her know she always manages to get things done with a minimum of errors. She is inclined to be sarcastic when things go wrong and has the habit of laughing at self-styled main coigs. In addition she is no mean opponent in a battle of wits.

Marge was asked who the most important political figure of the time is. The reply was, "It's too close to a presidential election to express political views." Oh, if only some of the chief stewards of democracy felt that way!!!

# Eau Claire's Big Bad Bruins Hand Pointers 13 to 7 Defeat

## Grover-Nauta, Campus Cafe Share Bowling Lead

STANDINGS			
	W	L	Ave
Grover-Nauta Inc	5	1	770
Campus Cafe	5	1	690
Chi Deltis	4	2	810
Phi Sigs	4	2	805

Nighbor Furs	3	3	770
Alpha Kappa Lambda #1	2	4	760
Brunswick	2	4	653
Hannon-Bach	1	5	685
Alpha Kappa Lambda #2	1	5	662

Grover-Nauta and the Campus Cafe, by virtue of winning two of their three games, shared the top spot in the College bowling league last week. Grover-Nauta won two of three games from the Chi Deltis and the Campus Cafe team captured two from Hannon-Bach. Other pair-

ings saw Alpha Kappa Lambda #1 take two from their fraternity brothers, team #2. Nighbor Furs won two from the Phi Sigs and Brunswick won the same number from the Recreation Alleys.

The Phi Sigs rolled for high team honors, topping a 2403 series and an 886 single game. Other high team series were rolled by Alpha Kappa Lambda #1, 2377 and the Chi Deltis, 2363, while high single games were hit by the Chi Deltis, 831 and the Recreation Alleys, 827.

Gilbert Chick took individual honors for the afternoon, cracking out a 556 series which included single games of 219 and 202. Other high games were tipped by Zych, 551; Ley, 531; Plath, 525; Knop, 510; Turzanski, 504. Other high men in the single game were Ley, 203 and Prihoda, 200.

## Pointers After First Victory At Superior Tomorrow Night

Friday night the Pointers travel to Superior in an attempt to post their first win in three tries in the 1948 Wisconsin State Teachers' conference.

Superior has won one and lost one

in conference play thus far, losing to La Crosse and winning from Oshkosh. They have scored 38 points while allowing their opponents to score 39.

Stevens Point has lost two, one to Eau Claire and one to Milwaukee, allowing their opponents to pile up 27 points while scoring only seven themselves.

The up-staters have the ability to score as can be seen from their total of 38 as compared to the Pointers 7.

The Pointers should be able to down Superior if they play the kind of ball that they are capable of playing. Eau Claire tilt should serve as proof of the capability of the Pointers' being able to play a good game.

Other games find Oshkosh at Milwaukee, River Falls at Platteville, Whitewater at Stout and Eau Claire at La Crosse.

The Pointers ran into plenty of trouble Saturday night at Goerke Stadium as the Eau Claire Bruins set back the gridmen of CSTC, 13-7, for their second conference loss in as many starts.

### In Trouble Early

The Quandtmen found themselves in hot water early in the first quarter. The Pointers kicked off and refused to let the Bruins get past their own 28 yard line. Washburn, Eau Claire left end, punted to the Point 29 yard line and after a clipping penalty the ball was put down on the 14 yard line of the Pointers. After a two yard gain by Dave Bliese, local right half, the Pointers fumbled and the Bruins recovered on the Point 13.

The boys from Eau Claire were anxious to get in the scoring column as Buckli carried the ball for five yards. Five more yards were picked up several plays later as Washburn caught a pass on the Point three yard strip. The Pointers dug in and held the Bruins on the three yard mark for the first three downs, but on the fourth fullback Perkins tossed a short jump pass to Reidinger to make the score 6-0. Emanuel converted and Eau Claire led 7-0.

### Bruins Score Again

The next scoring came late in the first half as the Bruins scored their final touchdown. As the quarter was coming to an end, Curry passed to Hanke to put the ball on the Point 44. Curry's next pass which was meant for Haidvogl was intercepted by Buckli on the CSTC 47 yard line. Buckli picked up 12 yards for a first down. Then Walker pitched one to A. Washburn, who lateraled to Reidinger who carried the ball to the local three yard mark.

## The Fifth Quarter

Four teams remain undefeated in the Teachers' College conference after Friday and Saturday's games. Eau Claire stayed undefeated by winning over the Pointers 13-7. Milwaukee shut out Whitewater 7-0 to keep a 1,000 point average. River Falls crushed Stout 26-7 and La Crosse drubbed Platteville 33-12 to remain in the four way tie.

Superior downed Oshkosh 26-13 to win its first conference game and to knock Oshkosh out of the first place tie. Point, Whitewater, Platteville and Stout all are in the cellar.

The vanishing American Redman has come back into the limelight as the major league World Series got underway Wednesday and saw the Cleveland Indians and Boston Braves go into action. In keeping with our policy of giving you the best sports

coverage with the facilities at our disposal we will post the scores by innings of all the World Series games. So watch the Pointer office for the scores by innings as the games are being played in the 1948 World Series.

Ted Fritsch, former Pointer and brother of Bob who is now a member of the Quandtmen, kicked 27 and 46 yard field goals as the Packers trounced the Detroit Lions 33-21 Sunday at Green Bay.

Friday night the Pointers meet Superior. We look for the Pointers to finally enter the win column by beating the up-staters in their third try of the conference season.

### STANDINGS

Stout	0	2	.000	7	32

er. Schaff pitched one to A. Washburn in the end zone to make the score 13-0. Emanuel missed the extra point.

### One for the Pointers

A scoring opportunity finally presented itself late in the third quarter for the Pointers. Curry was good for two yards, Thompson for 10 and Emmerich for 13 before Koehn ran the ball over into the end zone for the Pointer lone tally of the game. Curry made it 13-7 with his conversion.

**ORGANIZATIONS**

(Continued from page 2)

minutes on the subject of "Evolution."

The devotional meeting came to a close with the singing of hymns, and with prayer. The group then gathered in the church basement for games and refreshments.

**W.A.A.**

An initiation party for new members of the WAA was held last Wednesday night in the college gym. Twenty-five girls performed the duties planned by Lorraine Goth and her committee. After they returned from a scavenger hunt the pledges reported their success to Betty Meche who acted as mistress of ceremonies. Yvonne Jacobson administered the oath of membership and welcomed the new girls to the club. Cider and doughnuts were served.

Guests of honor were Miss Lydia Pfeiffer and Miss Edna Carlsten.

All members interested in bowling are urged to come to the South Side Bowling Alleys each Tuesday night at 5:15 p.m.

**Alpha Kappa Lambda**

Fred Jacobson, Wood county conservation warden, talked to Alpha Kappa Lambda, conservation fraternity, on Wednesday evening, September 29.

Warden Jacobson stressed the various jobs a warden is expected to do — the average is about 70 hours of work per week. Jacobson also gave other students first hand information on their possibilities of getting some upland game birds and deer this fall. He answered all the questions the members could ask, ranging from his pay to some of the excuses he hears.

Leo Gwidt, a local druggist, showed several movies on prairie chickens, moose, ducks and pheasants.

**Chi Delta Rho**

Preparations for Chi Delta Rho fraternity's part in the activities of Homecoming were discussed at a meeting last Thursday evening.

After the business meeting the Chi Delta candidate for homecoming queen, Irene Morris, was introduced to the members who had not already made her acquaintance. Her publicity agents are hard at work to put her in top place and all Chi Delta brothers are expected to do their utmost in helping out.

**Primary Council**

The Primary Council met at Iverson Park on Monday evening for a picnic held in the lodge. A short business meeting followed.

The food committee for the picnic included: Carol Collins, Grace Peterson, Jean Zahner, Ruth Finch, Julie Dean and Harriet Hennig. Everyone was on the clean-up committee.

When everyone had all the hot dogs and potato salad it was possible to hold, the business meeting was called to order by Mary Connor, president. A new secretary to replace Jeanette See and a Student council representative were elected. They were Marge Finch and Mary Chenowith, respectively.

This year Primary Council has its largest enrollment since before the war. There are 75 members enrolled.

About 55 girls attended the picnic along with their adviser, Miss Susan Colman. Other guests included Miss Hazel Bleck, Miss Gladys Van Arsdale, Mrs. Mildred Williams, and Mrs. Mary Samter from the Training school.

**Bohumir Kryl Presents Impressive Concert**

Bohumir Kryl and his Women's Symphony Orchestra presented an impressive concert to an appreciative and receptive audience on Saturday evening, September 25 at P. J. Jacobs high school auditorium.

The choice of selections made the concert most enjoyable, as all of the numbers, though varied in type, were of the popular classics. The encores were semi-classical in nature with Rimsky-Korsakov's "Flight of the Bumble Bee" and "Sweethearts" by Romberg.

The soloists featured were violinist, Vlasta Sedlovska, harpist, Shirley Miller and two vocalists, Bette Zastrow, soprano and Herbert Moulton, tenor. All were exceptional in their performance and were audibly approved by the audience.

The concert was sponsored by the Junior Chamber of Commerce for the benefit of the Central Wisconsin Symphony, which is directed by Peter J. Michelsen.

**Garden Romance**

"A dead beet and an old tomato!" 660, please

Noticed that Nelson Hall has a new telephone at the reception desk. Would say it was about time. The old model was worn away to the point of snapping in the midst of a tender conversation!

**Back to Nature!**

Several students from Mr. Knutson's English 217 class took a trip up

**WAIKIKI**

(Continued from page 2)

ous Kona Inn is an ideal spot for vacationists.

On the 26th of July she regretfully said "Aloha" to her many friends who had placed leis around her neck. She followed the Hawaiian custom of throwing her leis in the Pacific as the ship rounded Diamond Head, the idea being that the currents would carry them back to the island. This Hawaiian custom signifies that the person wishes to return some day. Mrs. Williams said that she disliked throwing her beautiful leis in the water but she definitely hopes to make a return visit to Hawaii so did throw them overboard.

**Meets Former Pointer**

Enroute to Hawaii, Mrs. Williams saw a former CSTC Phy. Ed. instructor, Miss Eva Seen, who is now teaching at Oregon State College, Corvallis, Oregon. On her return trip she spent two weeks at Long Beach, California, and a short time at a ranch home in the Jack London territory of the Valley of the Moon,

to the Northwoods last Saturday to see the scenery. The trees were in their height of color and the weather was typical "fall." On the homeward journey after it was too dark to enjoy the sights of Nature, the group sang songs taking in everything that was ever known from Tin Pan Alley to Broadway. It's amazing that any of the gang were in voice on Monday morning. The chauffeur could even yodel!

**EDUCATION**

reau of Labor Statistics, Carnegie Corporation, Institute of International Education, Harper and Brothers, Kohler Corporation, Milwaukee Vocational School, Wisconsin State Board of Vocational and Adult Education, Allis Chalmers, Encyclopedia Britannica Films, and General Elec-

tronic Corporation, and General Electric.

tronic Corporation, and General Electric. She also visited Tucson, Arizona, and in Austin, Dallas, and San Antonio, Texas. The temperature at San Antonio was 107° F. so she didn't stay there as long as she had planned. She visited many universities and colleges while away. Her delightful and interesting trip ended at CSTC just in time for the faculty meeting on September 7.

**PLACEMENT**

(Continued from page 3)

Sotebeer, Marinette, Grade 3; Joyce Taylor, Elcho, Grade 1; Clara Thorsberg, Wisconsin Rapids, Primary; Violet Tieman, Withee, Rural; Elizabeth Wallner, Hancock, Intermediate; Evelyn Weigel — R. 4, Edgar, Rural School; Merle Weik — R. 2, Campbellport, Rural; Jane Shier, Gillet, Rural.

Mary Ann Abrahamson, teaching position, Primary, Seymour; Bess Albert, Home Economics, Stevens Point; Dorothy Averill, Home Economics, Antigo, Vocational School; Lillian Belter, Grade 3, Lac du Flambeau; Lois Brock, Grades 1 and 2, Harford; Vincent Brunner, Mathematics, Shawano; Dorothy Coggin, Grades 1 and 2, Tomahawk; Vivian Cornwell, Intermediate, Wisconsin Rapids; Edna Dahl, Grade 4, Lac du Flambeau; Ebba Dahlberg, Grade 6, Sheboygan; Clara Fons, Intermediate, Sheboygan; Eldred Judd, Science, High School, Loyola; Mrs. Esther Kaukiske, Grade 1, Merrill; Beatrice Kelly, Supervising Teacher, St. Croix Co., St. Croix Falls; Esther Ninnan, Grades 2 and 3, Goodman; Bernadine Peterson, Home Demonstration Agent, Price Co., Phillips; Orland E. Radke, Mathematics, Antigo; Janice Schuettel, English, Plainfield; Raymond Schueffner, Mathematics and Social Science, Athens.

**POINTER**

(Continued from page 1)

and bring them in at the end of the year to be sent into the binders along with those from the Pointer office files. A slight service charge will be made to each student.

Bound volumes of the Pointer are fine souvenirs to have of life at CSTC. In years to come they will be the basis of many fine memories of the old Alma Mater, and the task of saving and collecting Pointers is a small job well repaid.
