

The POINTER

Eighty-eight Freshman Scholarships

There are 38 freshman students receiving CSTC this semester on scholarships equivalent in value to payment of all incidental fees. The scholarships are granted either automatically to the highest ranking students of a high school class or by recommendation of the high school principal who considers leadership,

scholarship and the financial need of his students.

Students attending on such scholarships are: Leonard Bahr, Bonduel; Jacqueline Benjamin, Bancroft; Frances Borek, Black River Falls; John Burns, Almond; John Christian, Richard Lundquist, Robert Gilardi, Port Edwards; Barbara Clark, Henry Matuszak, Mosinee; William Creed, Unity; Alice Eichsteadt, Montello; William Fischer, Marathon; Elaine Hagen, Westboro; Gretchen

College Enrollment Still High; Total Set at 836 at Close of First Week

Men Outnumber Women 2 to 1

Additions to Training School Staff Announced

Dr. Raymond E. Gotham, head of the Training school, has announced the addition of several supervisors to the Training school staff.

Miss Hazel Bleck, who is the new kindergarten supervisor, is a graduate of CSTC. Before coming to Stevens Point, she taught at Elmhurst, Illinois. Miss Bleck's home town is New London. Her duties here include the direction of the kindergarten and the supervision of the kindergarten practice teachers in the morning, and the preparation of a techniques course in the afternoon.

Miss Gladys Van Arsdale has returned to her post as third grade supervisor after spending two years in Germany, helping to reorganize the elementary educational system there.

At present, Mrs. Luella Crow is acting fourth grade supervisor in place of Miss Leah Diehl, who is recuperating from a major operation.

The new fifth grade supervisor is Miss Doris Ubbelohde, a graduate of CSTC, who comes from Waldo, Wisconsin.

The new full time music supervisor is Miss Helen Heel, who hails from Gorham, Maine. She will have charge of vocal music, techniques courses for practice teachers, supervision of practice teaching for elementary teachers and music minors, and the Training school band and orchestra. Miss Heel, who is a graduate of the University of Michigan, has specialized in string instruments.

Miss Lois Van Leeuwen of Highland Park will serve the city schools, the college and the Training school as speech correctionist. A recent graduate of the University of Illinois, Miss Van Leeuwen will provide clinical treatment of students with speech impediments and will work with practice teachers concerning the detection and correction of speech difficulties of school-age children.

According to the statistics from the main office, Central State Teachers college enrollment has reached 836. Last year at the end of the first week the enrollment read 879. Of this year's total 295 are girls, leaving the number of men at 541.

An interesting comparison is made by quoting a paragraph from the first issue of the Pointer in 1945. "CSTC's enrollment totals 302 for the first semester, an increase of 79 over last year's 223 students. And here's the best of all, girls! There are 65 men registered!"

The ratio now being two to one should be encouraging news to the girls. Of course, statistics aren't given on the number of engaged and married students.

The number of veterans is estimated at 265, slightly under the 300 mark of last year.

According to the deans, housing accommodations have been adequate. Although there are 50 per cent more rooms available, apartments for married students are not readily obtainable.

CSTC ranks fourth among the nine teachers colleges in enrollment. Milwaukee, 1,780, La Crosse, 1,104, and Oshkosh, 845, hold the first positions. Following are River Falls, 826, Superior, 812, Whitewater, 743, Eau Claire, 721 and Platteville, 668.

Now It's Dr. Doudna

The degree of Doctor of Philosophy was conferred upon Quincy Doudna at the University of Wisconsin's commencement exercises held in June of this year. His thesis was written on the subject of "Financing Wisconsin Schools."

Dr. Doudna, dean of administration and director of rural and upper elementary education at CSTC, received his B.A. degree from Carroll college and his M.A. from the university.

Faculty Bolstered By Recent Additions

Frederic Kremple has been added to the college faculty to teach history and social science. Mr. Kremple is a graduate of Superior State Teachers college and received his master's degree at the University of Minnesota. Previous to his coming to Central State Teachers college, he taught in junior high school in northern Wisconsin and was on the faculty of the State Teachers college at Minot, North Dakota.

Miss Myrtle Spande, Women's Athletic Director, has returned after a year's leave of absence during which time she did graduate work at New York University.

Miss Orisa Lanam, acting Women's Athletic Director of last year, has accepted a position on the teachers college staff at Marquette, Michigan.

On sick leave for the first semester at her home in Frankfort, Ohio, is Miss Harriet Wright, mathematics instructor at CSTC. Other members of the mathematics department are taking over her work this semester.

Mrs. Marjorie Kerst, Westfield, is serving as rural school supervisor. Mrs. Kerst is a recent graduate of CSTC.

The band has been holding regular meetings on Monday, Tuesday, Wednesday and Thursday from three to four o'clock. If there are any need players among the students and they would like to sit in on rehearsals, they are welcome to come at one of these times.

Trying out the new registration system during the recent days of enrollment at CSTC are the usual number of students and faculty members. The new system, along with the added help of pre-enrollment during the previous semester, made conditions very easy in comparison to the old sessions of utter confusion.

First Semester Highlights Listed on Calendar

In response to many requests the special Calendar for the first semester of 1948-49 appears in this issue of the Pointer. This schedule of events was compiled last May for the present school year and as few changes as possible will be made in

The calendar for the second semester will perhaps be published at a later date when complete confirmation has been given to the dates of events scheduled.

CSTC Social Calendar—First Semester

- 23—Convocation
- 25—Football—Milwaukee—there
- 1—Football—Eau Claire—here
- 4—Faculty meeting
- 4—Home Economics Demonstration
- 6—Tea for women students and faculty members (Tau Gamma Beta)

All-Woman Symphony to Appear at P. J. Jacobs

The 45 piece All-Woman Symphony Orchestra of Chicago, directed by Bohumir Kryl, will appear at P. J. Jacobs high school auditorium at 15 p. m. on Saturday, September 19.

Mr. Kryl has toured the United States, Canada and Mexico playing over 17,000 concerts. Previous to his own work with the all-woman symphony orchestra, Mr. Kryl played the cornet in John Phillip Sousa's band.

The concert is being sponsored by the Jaycees for the benefit of the Central Wisconsin Symphony orchestra, directed by Peter J. Michelsen. Mr. Michelsen and Leland M. Burroughs will be at the entrance of the high school Saturday evening to give tickets to all students registered in college this semester. However, students must present their activity tickets.

- 8—Central Wisconsin Teachers Meeting at Wausau
- 9—Football—Superior—there
- 11—Faculty dinner
- 13—Tea for college women and faculty members (Omega Mu Chi)
- 16—Football—Platteville—here (CSTC Homecoming)
- 16—Open house after the game (Nelson Hall)
- 16—Homecoming dinners (Tau Gamma Beta) (Omega Mu Chi)
- 16—Homecoming dance ("S" Club)
- 17—Homecoming dinner (Nelson Hall)
- 17—Homecoming concert (Men's Glee club)
- 23—Football—Oshkosh—there (See CALENDAR, page 4)

Nelson Hall Holds Annual Open House

The welcome mat was in front of the Nelson Hall entrance Sunday, September 19, for the annual open house. From three to five o'clock conducted tours were taken throughout the dormitory and refreshments were served. John Kowaleski and Joan Fehrenbach provided musical entertainment. The table decorations featured colorful floral displays and the bulletin boards showed pictures of recent dorm doings.

Elaine Becker and Pat Lavers served as general chairmen of the open house. Working under them as committee chairmen were Lorraine Goth, in charge of food and serving, Mary Ellen Gmeiner, decorations and Virginia Hansen, entertainment.

Dr. Pierson Heads Science Department

President Hansen has announced that Dr. Edgar F. Pierson has been named chairman of the Science Department, replacing Fred J. Schmeckle, who served in that capacity for the past two years. This change has been made so that Mr. Schmeckle can devote his full attention to the Conservation Department which has been making increasing demands on his time.

Annual Convocation Will Be Held Tomorrow

The annual convocation will be held in the auditorium at 10 o'clock on Friday, September 24. The faculty will appear in academic attire and, at the playing of the processional, will march from the main auditorium entrance to the stage where they will remain seated throughout the remainder of the program.

An address will be given by President William C. Hansen and special music will be provided by the college band under the direction of Peter J. Michelsen.

The assembly will conclude with the playing of the recessional by the band.

Another Sinclair Lewis?

As a result of high scores on a standard English test given to all incoming Freshmen during the first week of school, six Freshmen are exempt from English 101 (Freshmen Composition).

The six students, who have entered more advanced English courses, are Gretchen Holstein, Lawrence Eagleburger, David Van Hecke and Bertram Davies of Stevens Point, Helen Luling, Milwaukee and Nancy Nichols, Hancock.

Dr. and Mrs. Wiewel Are Proud Parents

A son, Randall Lee, was born to Dr. and Mrs. Bernard F. Wiewel at St. Michael's hospital on Sunday, August 29. The young Mr. Wiewel, who weighed a husky six pounds, one ounce at birth, is the first addition to the family.

Published weekly except holidays and examination periods, at Stevens Point by students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year. Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

EDITORIAL STAFF

Editor-in-chief—George Whitney, 214 So. Michigan, Phone 2585; News Editor—Janice Sibley; Composition Editor—Art Witalison; Assistant Composition Editors—Fred La Leike and Ray Venn; Sports Editor—Elroy Gotter; Assistant Sports Editor—Joe Boettcher; Features—Mary Stimers, Lucy Chappel, Bernice Albert, Phil Kasper, Nancy Nichols and Fred La Leike; Reporters—Isabelle Steinhilber, David Van Hecke, Gretchen Holstein, Clarence Kluck, Charles Reeves, Jean Zahner, William Wozniak, Dick Mulvihill; Marjorie Myers, Jean Robinson, Ray Venn, Len Mehak and Francine Sabala; Typists—Elsie Ruffing, Mary Ellen Gmeiner, Lola Van Ornum, Gloria Rybick; Proofreaders—Marjorie Beaver, Lillian Douglas, Harriet Hennig, and Rose Dulski; Photographer—Ted Dowd; Assistant Photographer—John Lubertson.

BUSINESS STAFF

Business Manager—Robert Stenerson; Assistant Business Manager—Allen Braem; Advertising Manager—June Ignasiak; Ads—Edward Pliska, George Hohensee, and Everett Humke; Circulation Manager—Elroy Gotter; Circulation Staff—Carol Radiche, Joyce Krueger, Lorraine Meyer, Elaine Ruffing, and Barbara Higgins. Editorial Adviser—Miss Bertha Glennon; Business Adviser—Robert S. Lewis.

With this issue the Pointer staff makes its debut in the 1948-49 session. It is not a perfect edition and there is much room for improvement. Still, we are proud of it because it represents a great deal of expended time and effort for everyone involved and because it is a paper about you and for you.

In covering the news at CSTC we shall endeavor to remain impartial and attentive to all sources and no group will receive preference in space allotment or position. The group of organization that makes headline news will be the one that will have priority on the amount of space allotted.

We want you to feel that this is your paper and not merely the tool and hobby of the Pointer staff. We welcome your suggestions and your criticisms, but we want them to be as fair and accurate as we try to make the news items. Constructive criticism can do much to help the workings of a news organ. Criticism for the sake of criticism can sometimes backfire with serious results for the critic and no improvement at all for the paper.

The Pointer staff member's life "is not a happy one." He is grossly over-worked and underpaid. He doesn't mind the work and he knew in the beginning that he wouldn't become any millionaire by doing it, but the world would look almost sunny at times if the layman would give him an occasional pat on the back and whisper a few sweet words of encouragement in his direction.

Read your Pointer — and like vintage wines, watch it improve with age — with your help, of course.

Familiar Faces

One of the more distinguished members of our student body is Stanley Omernik, age 28, of Polonia, Wis. Stan is a 1939 graduate of P. J. Jacob High school. Upon graduation he enrolled at CSTC and completed the two year rural curriculum. He received his "greetings" from the President in 1942 before finishing his first year of teaching.

In the Air Corps his training began with pre-flight in Montgomery, Ala. It was partially completed when Stanley Omernik, 2nd Lt., A. C. received his wings at Craig Field. This was the prelude to an assignment to a P-51 fighter group in England. Lady Luck held out for 16 missions but his number came due on the 17th when his plane was shot down in an aerial melee which, for lack of a better name, is called a dogfight. Omernik stepped out into space over Belgium.

He describes his treatment as a guest of the Luftwaffe as "pretty fair except for three days in solitary." Liberation came eventually, and in January, 1946, Stan was discharged from the Air Corps with the rank of Captain and a few medals which

he does not care to elaborate on. What did he like about the Army? Arizona.

After discharge he worked for the Independent Creamery of Polonia as a bookkeeper. He likes accounting very much and has a natural flair for it. In 1947 Mr. Omernik enrolled in the Intermediate Division at CSTC. He will be graduated at the end of this semester.

Stan definitely is the reticent type. This writer would hardly classify him as a typical "College Joe." He likes to play baseball and is a fan of the Chicago Cubs while the Green Bay Packers hold his attention on the gridiron. In his opinion lemon pie is tops as a dessert while fried chicken leads the field as far as main courses go. His car is a '38 "Chevy," a tried and true veteran of some 90 odd thousand miles. He is able to speak Polish. When asked whether he was married the reply was "not yet", a statement that leaves a lot unsaid, and, as this interview also leaves a lot unsaid, we'll hang our close on this line.

Words of Welcome From the Deans

May I again welcome you to CSTC. To those of you who are "Old Timers" on the campus these words are not new, but nevertheless they are sincerely said. A new year is beginning — one that is full of promise and interesting new experiences. Make it your best! And may you realize in the spring of 1949 that you're a better person because you had this year with us.

Elizabeth Pfeiffer,
Dean of Women

Conforming to a long established practice, it is again my pleasant privilege to extend a greeting to the new and to the returning students of this college. Here, every effort will be given to aid you in making your college experience contribute to your ultimate well being. The curricular content and organization, the adequate physical facilities and the co-operation of a friendly student body and a competent instructional staff all combine to help you to realize your educational goals. We welcome you to participate fully in the advantages offered here at CSTC.

H. R. Steiner,
Dean of Men

Rural Life Elects

Jim Wood President

The first Rural Life meeting was held Monday, September 20, in the rural assembly. Group singing was directed by Joan Quinn accompanied by Margaret Doherty. Get acquainted games were directed by Bernice Yonkee and Elizabeth Torzewski. Dr. Quincy Doudna, director of the division, addressed the group and other faculty members present were Miss May Roach and Mrs. Marjorie Kerst.

The following officers were elected: President, James Wood; vice-president, Doris Cutler; secretary, Carol Emmerick; treasurer, Elizabeth Torzewski. The press representative will be appointed by the executive committee.

Class Advisers Listed In College Catalog

According to the college catalog, class advisers for the school year 1948-49 are: Senior class: Dr. Edgar P. Pierson (permanent) and Miss Mildred Davis (rotating); Junior class: George R. Berg (permanent) and Dr. Roland A. Trytten (rotating); Sophomores: Miss Edna Carlsen (permanent) and Robert S. Lewis (rotating); Freshman: Mrs. Elizabeth Pfeiffer (permanent) and Miss Bertha Glennon (rotating).

OVER A COKE

The writer of this column was trying to think of a new and clever name for it, but up to the time of writing hasn't been able to do so. If any of you brilliant students have any mental cyclones drop around to the Pointer office and let us hear what you have concocted. "Spouse a contest could be run but there aren't any washing machines or electric ranges around the Pointer office to offer as prizes! You'd only have the privilege of seeing your creation in print!"

Had thought of calling it "Bored of Education." However, in due respect to Art Swenson, of the Daily Journal, a former Pointer staff member, and to CSTC as a teachers' college, that idea will be put aside for a later date.

Slow! Cupid at Work —

The little fiddler with the bow and arrow has certainly been busy. In fact he's been working so hard that to list the victims of his toil is all that can be done without filling the paper. Coming under the heading "Marriage" are Esther Murat and Dick Berndt, both attending CSTC, Eva Peterson and Bob Stenerson (Eva is teaching at Goodman and Bob is a student here), Bess Jones and Bernie Alberg (Bess is teaching at P. J. Jacob High school and Bernie attends CSTC), La Verne Haskins and Don Madsen (La Verne is teaching and Don is attending the U.), Martha Stock and John Henshaw — both being former CSTCers, (John was here with the cadets) and Betty Ann Richardson and Bert Hummel — Betty is going to the U. of North Dakota and Bert is employed at Grand Forks, North Dakota.

Those answering to the engaged title are Althea Boorman, CSTC student and Jack Ockerman, Toma-

Workshop Represented On Station WTWT Staff

Students who tune their radio dials to Stevens Point's new radio station WTWT will probably be surprised to hear the voices of John Kowaleski and Frank Kostuck. John and Frank are students at CSTC and are veteran members of the Radio Workshop. They were informed of their new positions as part time announcers a few days after being auditioned in the WTWT studios.

The prospect of facing a microphone at 6:15 a. m. to greet early risers did not seem to dampen John's enthusiasm and he hailed the new position as a wonderful experience. In addition to the 6:15 a.m. program on Tuesdays and Thursdays John may be heard at other times throughout the day.

Frank Kostuck has had the benefit of some experience in commercial radio at station WDLB in Marshfield. Frank does not as yet know the nature or time of his programs but he expects that his broadcasting schedule will also be varied.

Station WTWT also employs Elinore Bowman and Verne Lotz, both former students of CSTC and former members of the Radio Workshop. They hold the positions of script writer and announcer respectively.

Fonstad Again Student Director of Workshop

Miss Gertie L. Hanson has announced that the Radio Workshop will resume broadcasting on October 4 and will be heard daily at 3:15 p.m. Personnel will include Miss Hanson, director; Daryl Fonstad, assistant director; Marne Guth, secretary; George Gynn, technician. Five varied programs will be presented each week with Anne Hutzicker, Arlene Kromroy, Dick Miller, John Kowaleski and Frank Kostuck as program chairmen and with a large group of students participating.

Radio Workshop invites Freshmen to become members. Watch for the detailed program schedule to appear in next week's Pointer.

hawk, and Marion Barker, student at Oshkosh, and Tom Madsen, — Tom is attending the U. this year.

Then comes the "pinned" stage. Patty Jones and Dick Parsons, Aderaine Olson and Carmen Lane, Lorraine Laszewski and Fred Brewer are the known ones in this category. (It is entirely possible some have been missed so don't feel left out if your twosome isn't listed. Let us know and we'll print it next week.)

Where there is smoke

(The following news item was turned in by a student considering it of interest. If something occurs in (See OVER-A-COKE, page 4)

Dr. Lyness Takes A Stitch in Time

In the "Letter" column of the September 13 issue of Time magazine, the following message led all others in denoting obvious faults that occurred in the news print of a previous week.

"Sir: From Illinois to Arkansas, the cornfields nudged in silky tassel" (TIME, Aug. 23).

The above sentence is beautiful English, but very poor botany.

Corn silks are not borne on the tassel. They are the stigmas and styles of the pistillate flowers, borne in the form of a spike called the ear on a branch about midway down the side of the stalk or stem. When the silks are first projected from the tip of the ear, en masse, they are pendulous and flexible enough to be swayed by the gentlest breeze.

The staminate flowers are borne on the tassel, which stands rigidly erect at the top of the stalk, and would nod or sway only if the wind were blowing strongly enough to bend the whole corn plant.

Arthur S. Lyness
Instructor in Botany
Central State Teachers College
Stevens Point, Wis.

*TIME's Corn Editor is bending in the breeze.—TIME Editor"

In these times, especially during the election year, with so much "corn" seeping into the magazines and newspapers throughout the land, it is comforting to run across such a letter of correction. On the other hand, it is the hope of the editorial staff of the Pointer that Dr. Lyness will not scrutinize their endeavors as closely as that of Time.

AKL Receives Lesson on Proper Watermelon Care

On Wednesday evening, September 15, after the first meeting of Alpha Kappa Lambda, conservation fraternity, the 44 members present were given lessons out on the football field by Fred J. Schmeckle on the use and proper manner of how to take care of watermelons. By the way the majority of the group grabbed their quartered melon and hoisted it to the ear-to-ear position it was felt that they had had previous experience in this enjoyable art. Although everyone accomplished the proper way of eating watermelon in short order, there were two gentlemen present who brought along forks and persisted in using them.

If there had been a prize given for the champion watermelon-eater, the members were all sure that Bill (Ole) Peterson would have taken it. It was a close race, though, right up until the last when runner-up Charles (Ace) Lanigan conceded Pete's victory.

But that fellow Lanigan, in spite of his defeat, shouldn't be underestimated. As the party broke up, he was seen leaving the field with a huge watermelon in his arms.

When the final count was taken it was found that 35 mammoth watermelons had been consumed by the conservationists.

Miss Pfeiffer Appointed Temporary House-mother

Nelson hall has a new mom. Miss Lydia Pfeiffer, retired intermediate supervisor at the Training school, has become temporary house-mother until a new one can be obtained. At a future date — and the dormites hope it will be in the far distant future — Miss Pfeiffer plans on making her home in Denver.

Miss Leona Bovee, former house-mother, has accepted a position as coordinator in adult education at the Vocational school in Menasha. Miss Bovee served as house-mother and dietitian at Nelson hall for the past two years.

Miss Marion Damon, a native of Wausau, has taken over the duties of assistant house-mother. A former physical education instructor, Miss Damon has worked in a Chicago office for the past twelve years. Read- (See HOUSE-MOTHER, page 4)

Greetings from President Hansen

One of my pleasant duties each year is to extend a word of greeting to you who are new students in the college and to welcome you into our coffee community and wish you well in all your activities. You have many pleasant occasions ahead of you during the next two or four years, depending on the length of your stay. I hope that you have come with a seriousness of purpose which will serve as a momentum to carry you over some of the tougher places that you will encounter. No one wants an easy job. We want something which will challenge our best efforts and enable us to test our abilities and our interests and I hope that some of your assignments in college will do that for you.

I also want to welcome back all students who have been here previously and wish you continued success in your college work and your college activities. We are living in perilous times and it is going to require qualities of leadership and a keenness of understanding on the part of your generation to avoid some of the serious troubles which threaten us today both in our domestic and in our international affairs. It is a temptation in this day and age with employment conditions what they are to discontinue one's education and accept some employment which seems very good at the moment. I am about as certain as I can be of anything that you are choosing the safer course both for yourself and for your society. I hope that time may prove that we are right. My best wishes to all of you for a good year filled with lots of hard work interspersed with wholesome fun and recreation.

President William C. Hansen

Best Bet's a New College Bus; Ask the School That Owns One!

The new college bus is something that Central State can be proud of. The 160 h.p., 35 passenger vehicle is bigger and better than the old one, and thus more able to handle the needs of the school, according to Fred J. Schmeckle, chairman of the bus committee.

Some of the many features of the bus include a 1,500 cu. ft. luggage compartment in the rear and luggage racks above the seats. Large "Central State Teachers College" and "Stevens Point, Wisconsin" markings are painted on both sides of the bus to give it sufficient identification.

The new bus was purchased for \$10,500, \$7,000 of which was ap-

propriated from the bus fund. The balance of \$3,500 was borrowed. If the financing plan continues on its present basis, the bus will be completely paid for in two years.

The bus fund is financed in two ways: Each student contributes \$1 a year through the Student Activity fund, and a fee of 20 cents a mile, plus driver expenses, is charged to those organizations using the bus. A financing plan similar to this operated for the old bus, and with the continuation of such sound business tactics, CSTC should always have a good bus.

The value of a bus to the student

Mission House Falls to Fighting Pointer Eleven by a 27-0 Score

body is beyond estimation. Having to charter a bus would not only cost more but would mean much inconvenience. A bus such as CSTC has is available at all times and at a minimum cost.

A little on the history of the old bus — it was purchased in 1939 for \$5,200. Its longest trip was to New York with the Mens' Glee club. It was sold this year for \$2,300 to the local high school, so CSTC students may see it around town if they can recognize it under its new trimmings.

Coach Hale Quandt's grid men smashed the Mission House Muskies by a score of 27-0 to open their 1948 football season at Plymouth last Saturday. Dave Bliese, freshman halfback from Wausau, was responsible

ing a Muskie pass on his own 25. Emmerich dove for a first down and a pass from English to Curry picked up four more yards. Bliese gained 10 before Curry connected to Koehn and Koch with two passes that put the

1948 FOOTBALL SCHEDULE

Sept. 25	Point	at	Milwaukee
Oct. 2	Eau Claire	at	Point (N)
Oct. 8	Point	at	Superior (N)
Oct. 16	Platteville	at	Point (Homecoming)
Oct. 23	Point	at	Oshkosh
Oct. 30	Whitewater	at	Point (N)
Nov. 6	Stout	at	Point (N)
Nov. 13	Point	at	DeKalb

(N) Night games

Pictured above is the new college bus that was purchased through the efforts of the bus committee last Spring and delivered at CSTC from the factory at Loudenville, Ohio, during August. This beautiful vehicle is already making trips and has a very busy schedule ahead of it for the rest of the year.

Season's Big Test Comes up Saturday

On Saturday, September 25, the Pointers travel to Milwaukee for the first conference game of the season. Milwaukee, defending champion of last season, is, according to Coach Hale Quandt, the team to beat this season.

Coach Herman Kluge's Green Gulls consist of practically the same players as did last year's championship team. Of the 39 men on the Green Gull roster 36 are lettermen of last year. And of the 11 starters nine are first stringers of last season.

Coach Quandt said that it should be a good game because "Milwaukee has plenty of power."

Other games in the teachers college conference find La Crosse at Superior, Stout at Eau Claire, Oshkosh at Platteville and Whitewater at River Falls.

Kotal Made Technical Adviser for MGM Film

Eddie Kotal, athletic director at CSTC from 1930 to 1942, has been made technical adviser for all sports sequences that appear in films produced by the Metro-Goldwyn-Mayer studios in Hollywood. At present he is working on a football picture called "Interference," starring Victor Mature.

Mr. Kotal is also a scout for the Cleveland Rams football team.

CAMPUS CAFE

INTRA-MURAL FOOTBALL

The schedule of games for next week is as follows:

- Monday, Sept. 27
- 1 Indians vs. Eagles
 - 2 Nomads vs. Tigers
- Tuesday, Sept. 28
- 1 Pirates vs. Redbirds
 - 2 Orioles vs. Tigers
- Wednesday, Sept. 29
- 1 Indians vs. Nomads
 - 2 Pirates vs. Eagles
- Thursday, Sept. 30
- 1 Seals vs. Nomads
 - 2 Orioles vs. Indians

All men who have not as yet played in the league and would like to are asked to check the bulletin board at the physical education room for the time and place of their respective team's game.

Six Students Entered In Tennis Tournament

Six men are entered in the tennis singles tournament being sponsored in connection with the intra-mural program of the college.

The six men entered are Richard Schwabe, James Benson, Gerald Rued, William Bart, John Christian and Conway Maas.

The men are playing a complete round robin schedule on five different evenings after school at the col-

lege courts. Two of the rounds have been played to date. The remaining schedule is as follows:

- Tuesday, Sept. 28
- Bart vs. Maas
 - Christian vs. Rued
 - Benson vs. Schwabe
- Thursday, Sept. 30
- Bart vs. Christian
 - Benson vs. Maas
 - Rued vs. Schwabe
- Tuesday, Oct. 5
- Bart vs. Benson
 - Christian vs. Schwabe
 - Maas vs. Rued

SHEP FIELDS & HIS RIPPLING RYTHM

Thursday — — — September 23
P. J. JACOBS GYM
DANCING 9:00 P.M. to 1:00 A.M.

for two touchdowns with runs of five and 40 yards. Veteran Jimmy Koehn of Little Chute dashed 25 yards for six more points. The final tally came when quarterback Duaine Counsell downed a point kickoff after Weber of Mission House let the ball roll dead. Tom Curry was credited with three points after touchdown.

The first quarter saw several good running plays by Emmerich, Koehn, Potter and Bliese plus a number of good passes by English, but Point fumbles kept the period scoreless.

Late in the second quarter the Pointers took over on their own 35 yard line. A series of plunges by Emmerich picked up 20 yards for CSTC. A pass from English to Curry put the ball on the Mission House 18 yard line. English drove to the five and Bliese carried it into pay dirt on the next play. Curry's kick was wide and the score stood at 6-0 at the end of the first half.

Bliese Goes 40 Yards

In the third quarter runs by Koehn, Bliese and Emmerich put the ball on the enemy 40. Bliese carried it from the 40 to the end zone for the second tally. Curry's kick was good and the score was 13-0.

Koehn started the drive for the third Point touchdown by intercept-ball on the opponents 35. Haidvogl

caught a pass on the 25 and another pass from Curry to Koehn accounted for six more points. Curry connected to make it 20-0.

Final Score By Counsell
The fourth touchdown came after Weber, Mission House fullback, let a point kickoff roll dead in the end zone and Counsell fell on it for the final tally. The pass from center for the conversion was high and English fumbled it, but Curry picked up the loose ball and ran it across the goal for the final point.

The greatest losses came to Quandt's men in the form of penalties, fumbles and injuries. The Pointers lost exactly 100 yards in penalties and fumbled five times. John Potter injured his right ankle early in the first quarter.

Point's line held the Muskies to only 45 yards gained by rushing, whereas the CSTC's picked up 335.

Dr. Gotham, Miss Bleck At Education Meetings

Dr. Raymond E. Gotham will attend a meeting of the Directors of Training in Madison on September 23 and 24. The purpose of the meet is to study a report to be given by one of the directors who is collecting data for the Board of Regents. The other directors will receive assignments to assist in the collection of other data for the long term planning of the Teachers' colleges.

Dr. Gotham, together with several representatives of the State Department of Public Instruction, spoke at the Marquette County Teachers' Conference at Westfield on Monday, September 13. The subject of Dr. Gotham's talk was "Teacher Recruitment, Training and Placement."

Miss Hazel Bleck, kindergarten supervisor, will attend a kindergarten teachers meeting called by the State Department of Public Instruction in Madison on Tuesday, September 28.

The aim of this meeting is to outline a plan of reorganization, improving the kindergarten services of the state. The large number of children entering kindergarten has necessitated this reorganization.

SCHOLARSHIPS

(Continued from page 1)

Hoglund, Tomahawk; Jeanette Holm, Tigerton; Charles Kellogg, New London; Alvin Long, Eagle River; Jerry Moede, Oconto Falls; Nancy Nichols, Hancock; Darrell Overturf, Rudolph; Herbert Post, Wautoma; Dorthianne Rebella, Melton; Gerald Scheel, Wausau; Barbara Schleicher, Portage; Keith Schoff, Marshfield; Donald Schulz, Colby; Olive Sprecher, Brooklyn; Leland Thompson, Scandinavia; Beverly Tibbets, Antigo; Fred Wenzel, West De Pere; Richard Wiczorek, Rosholt; Jean Yaeger, Wittenberg; Dorothy Rejzek, Necedah.

If the persons eligible for scholarships were unable to attend CSTC, alternates were chosen, beginning with the salutatorian down through the upper six in the graduating class.

OVER-A-COKE

(Continued from page 2)

the classroom, on the campus, or in the vicinity that you think would interest others jot it down and bring it in. That will aid in getting an all-over coverage of the "news."

A murmur of excitement went through the band room one day last week as alert Don Douglas drew attention to a steady stream of smoke coming from the molding below the far north window.

A relief squad composed of George Gynn and an unidentified character (no offense) arrived, analyzed the cause and remedied the situation — a short circuit in the wiring. Pass the Hat!

Mr. Mott made money at the Nelson Hall Open House last Sunday. He left his straw sailor on the window ledge of the porch and when he went to retrieve it found it full of pennies! Homespun Philosophy

Oscar W. Neale, State Senator, and former CSTC faculty member, was overheard making this remark the other day when he casually call-

ed on Mr. Knutzen's English 217 class. Some mention was made of his constant activity and his reply was, "I'd rather wear out than rust out." Bright sayings from the classroom — Geography has Mr. Lewis in its hold. One class period resulted in his using this phrase, "In those days you could buy land dirt cheap!"

Another instructor should consider himself an expert in enunciation. He came out with "specific statistics" without stuttering an "s". You try it!

A fitting conclusion — "Knowledge comes from know or "no" comes knowledge." Quote, Mr. Mott.

Faculty Reception Held At the Training School

The annual faculty reception and dance, given by the faculty to the students, was held in the Training school gym on Friday evening, September 11. In the receiving line were President and Mrs. William C. Hansen, Dean Elizabeth Pfiffner, Dean Herbert R. Steiner, Mrs. Marjorie Kerst, Miss Hazel Bleck, Miss Doris Ubbelohde, Miss Helen Heel and Frederic Krepmler.

After the formalities of the receiving line, the students and faculty danced to the engaging music of Cliff Hoene and his orchestra.

Punch was served by Miss Pauline Isaacson and Miss Margaret Ritchie. Plans for the affair were made by the faculty social committee under the chairmanship of Mrs. Mildred Williams.

HOUSE-MOTHER

(Continued from page 2)

ing, knitting and embroidering occupy any spare moments she may have.

Both Miss Pfeiffer and Miss Damon enjoy their new jobs very much and find the dormites an unusually cooperative group.

New Students Guests at Gamma Delta Meeting

The first meeting of Gamma Delta members was held on Thursday evening, September 16, when guests of the group were all new students of the college. Officers of the organization had charge of the evening's entertainment and the president, George Negley, gave a few words of welcome to the 40 assembled students. He introduced the new student pastor, Eugene Brueggemann, of St. Paul's Lutheran church, and extended the best wishes of Pastor W. L. Ludwig, who is away on vacation.

Following an entertainment program of parlor games, a lunch of cantaloupe, ice cream and coffee was served by the club officers.

During lunch each person introduced himself. Songs were sung and Joe Moravec played the piano. Since it was also Reuben Beilke's birthday, he was presented with a special token. Louise Oelrich won the door prize for guessing the correct number of peas in a jar.

Gamma Delta meets regularly every first and third Thursday of each

Home Ec Club Holds First Meeting of Year

Lorraine Meyer, president of the Home Economics club, presided over the first meeting of the year for that organization on Monday evening, Sept. 13. She welcomed old and new members and invited all Home Ec students to attend the next meeting to be held on Monday, October 4.

The following committees were appointed to plan the program and refreshments for the monthly meetings. Refreshments: Marilyn Bobbe, chairman, Ina Wood and Donna Davison; program: Elaine Becker, chairman, Joyce Kruger and Susan Hemanek.

The club will hold a rummage sale again this fall. The annual Christmas sale committee includes Dorothy Schmidt, chairman, Beverly Barnes and Lola Van Ornum.

Orders will be taken for Home Economics Association pins with Elaine Becker in charge. Margaret Jones and Kathleen Kollock, freshman members, volunteered to keep the bulletin board attractive.

month unless prior to a school vacation. Watch for the announcement of the next meeting. All Lutheran students are welcome and urged to attend.
