Stevens Point, Wis., January 13, 1949

No. 13

## Dr. Doudna Announces Candidacy For State Public Instruction Post

Dr. Quincy Doudna, Dean of Administration and Director of Rural Education at CSTC, has announced that he will be a candidate for State Superintendent of Public Instruction in the April election.

Dr. Doudna has held a wide variety of teaching and administrative positions in his 22 years of educational experience. After seven years

as a teacher in the Antigo High School he became principal of the grades and high school at Lone Rock in 1934. In 1937, he assumed the principalship of the county normal school in Richland Center and three years later moved to a similar position in the Door-Kewaunee Normal school at Algoma. He joined the staff of the teachers college in Stevens Point in 1945.

## Art Witalison, New Editor; Al Braem, Business Manager

In addition, he has held summer session teaching positions at Oshkosh State Teachers college, the School of Education at the University of Wisconsin and in the College of Agriculture at the University.

### Announce Tentative List of Mid Year Graduation Candidates

The record office has announced the tentative list of candidates for mid year graduation. They are as follows: Secondary division with a bachelor of science degree: Michael Fortune, Lewis McDermott, Edward Boycks, Virginia Hull, Mary Noble, Harold Weiss, Edward Knope, Norma Worden, Roy Swenson, Frederick Weller, Ernest Link, Rose Dulske, James Cory, Norman Dineen, and Calvin Rasmussen.

Rural: Rolla Shufelt, Bachelor of Education; Stanley Hanish, B.E.; Zita Beigel, B.E.; Anona Anderson, Two-year Rural Diploma.

Primary: Margaret Roberts, B.E.; Intermediate: Stanley Omernik, B.E.; Junior High: Frank Kostuck, B.S.

Following a plan inaugurated last year, a new editor and a new business manager for the Pointer will assume their positions the second semester. Arthur Witalison, newly appointed editor, and Allen Braem, newly chosen business manager, will take over the positions held since last February by George Whitney and Bob Stenerson, respectively. Announcement of the appointments was made by Miss Bertha Glennon and Robert S. Lewis, Pointer advisers.

Witalison has been a reporter, assistant composition editor and composition editor of the Pointer, while Braem has been assistant business manager.

#### Both Ex-Servicemen

Art is from Sister Bay, Wisconsin, and is a graduate of the Gibraltar High school at Fish Creek, with the class of 1944. During the recent war, he served for two years in the army with the Middle Pacific Base Command.

At CSTC, the new editor is a student in the division of secondary education with a major in history and minors in geography and English. He is a member of Forum, of Chi Delta Rho fraternity, Lutheran Student Association and the Social Science club.

Braem, who comes from Marshfield, is a 1941 graduate of the Marshfield High school. Like Witalison, he, too, was in service, spending four years in the Air Corps, where he was a pilot with the 313th Troop Carrier Group.

At CSTC, Al is also a student in the secondary division where he is majoring in mathematics and minoring in geography and physics.

#### Both Ex-bachelors

Both fellows are married, Art having married the former June Bastian of Ellison Bay last summer. Braem was married in 1943 to Marjorie Fitter of Marshfield and is the father of two little daughters, Lynn and Susan.

Janice Sisley, a junior from Phelps, who is enrolled in the junior high division at the college, will continue on the staff in the capacity of news editor.

George Whitney, outgoing Pointer editor, who will graduate in June, will remain on the Pointer staff as a feature writer and will write a weekly column called Wry Chaff. The first appearance of the column will be in the February 3, issue of the Pointer, the first issue of the new semester.

The members of the new hierarchy of the Pointer staff are shown beaming from across the editorial desk. Seated in the center is the editor, Arthur Witalison of Sister Bay. On his right is the news editor, Janice Sisley of Phelps; to his left is Allen Braem, business manager, of Marshfield.

## Annual Shearing of Freshmen "Lambs" Postponed until June

Any of the freshman lambs who are afraid of being "shorn" when the grades for the first semester are revealed will be able to sun themselves in a charitable ray of hope that radiates straight from the Advanced Standing committee.

It used to be that when an undented freshman came to the end of the semester with less than nine grade points, he was patted solicitously on

the head and excluded from the flock. Now, through the graces of the Advanced Standing committee, freshmen who lack these necessary points to stay in the fold will be allowed to remain the second semester to pursue their wool-gathering.

If, at the end of the second semester, academic progress is still unnoticeable they will be classified as black sheep and turned out to pasture.

## WSGA Announces Results Of Monday's Election

Permanent officers for the newly organized Women's Self Governing organization were elected Monday by the women students of CSTC. Victorious candidates are as follows: President, Anne Hunzicker; vice-president, Catherine Weber; secretary, Ina Wood; treasurer, Virginia Gmeiner.

One representative from each class was elected at the same time and they are Gerry Roberts, Senior; Lorraine Goth, Junior; Roberta Henderson, Sophomore and Mary Douville and Nancy Goebel, Freshman. The above mentioned officers and class representatives, along with Mary Schadewald, who represents the Stevens Point girls, and Beverly Berg and Betty Swenson, who represent the out-of-town girls who live off-campus, make up the executive board of WSGA.

The officers and representatives, who will serve until the mid-semester period next year, will be formally installed at a meeting in the near future.

## Mardi Gras Carnival to Be Held February 28

Although Tuesday, March 1, will be celebrated as Shrove Tuesday or Mardi Gras, the Mardi Gras carnival and program at CSTC will be held on the night preceding it, Monday, February 28.

The Mardi Gras carnival was an annual school affair in pre-war years, and the College Theater revived it two years ago. This same group will stage the '49 show.

Every active college organization is expected to take part in the Mardi Gras and vie for honors as the school's best thespians, dramatic or otherwise. What is wanted is a 10-minute skit in the appropriate theme, consisting of either singing, dancing, or just clowning. As groups decide on their acts, they are asked to contact Norman Dineen, president of College Theater and chairman of the carnival.

Dress rehearsal is scheduled for February 26 and 27, dates not too far away, but distant enough to en-

## Former Pointers Now on Staff of Local Paper

Changing their status from amateurs to professionals, three former members of the Pointer staff are now working for the Stevens Point Daily Journal.

Art Swenson, composition editor on the Pointer in 1946-1947, was appointed sports editor of the Journal in September, 1947. Last summer, George "Sam" Koshollek, Pointer photographer in 1947-1948, became staff photographer of the Journal and Sherman Sword, Pointer editor in 1941-1942, joined the staff as a reporter.

## Radio Workshop Proud Possessor Of New Broadcast Control Unit

Having already jumped (or skidded) two weeks into the new year, you may have forgotten the bouncing cherub who noisily entered this cold world on January 1 and was promptly named 1949.

Now that you have been reminded of this young chap it can be announced that at about the same time the Radio Workshop at CSTC became the proud parents of a new console. "It" was named "Western Electric Model 23-C Speech Input Console."

#### Christmas Present

The new unit arrived just after Christmas and members of the Radio Workshop technical staff completed the installation before the Radio Workshop returned to the airwaves able each club, sorority, fraternity and association to plan a really good act.

## Pres. Hansen Will Dedicate New Organ

CSTC's will be wafted into the assembly on wings of soft melody after Tuesday evening, January 25. At that time a Hammond organ, which will have been installed in the auditorium, will be dedicated. President William C. Hansen, who will preside at the ceremony, has announced that in the future the organ will be used in connection with the band, orchestra and vocal music groups performing in the auditorium. The students and the public are invited to the dedication.

## Mobile Unit X-Rays Over 950 at CSTC

Over 950 students, faculty members, maintenance and office workers took advantage of the free chest X-rays taken on January 3, 4, 5 and 6. The mobile unit, sponsored by the Wisconsin State Board of Health, took about 60 X-rays an hour. The college personnel had X-rays taken purely on their own initiative, as participation in the program was non-compulsory.

Cards informing the participants of the results of the X-rays will be mailed in about four weeks. In the cases in which the results are positive the family doctor will be notified and more complete tests will be made.

on January 4. The installation was planned and directed by George "Ned" Gynn, head of the technical staff, which includes Maurice Mead, Richard Kowalski, Dwight Bowden and Ed Furstenburg.

The new model is called a broadcasting control unit, which is essentially, its function. All microphones and turntables are directed into the unit where the minute sound waves are amplified and "piped" through WLBL facilities to their transmitter. A Collins remote amplifier had previously been used; however, the new console has many advantages including two way control to all studios. Each studio is equipped with a speaker and a microphone. The control operator can, by manipulating a switch, talk with persons in the studio. This (See RADIO WORKSHOP, page 4)

## Placement Office Busy Placing January Grads

The Placement office of the Training school is again sending forth the reports that spell "good news" for CSTC seniors and perhaps also for the schools of their future employment.

The following January graduates have signed on the dotted line and will assume their duties at the beginning of the second semester: Mary Noble, home economics and biology at Rosendale; Edward Boycks, science and mathematics at Port Edwards; and Harold Weiss, algebra, civics, general science and physics at Rosholt.

Several other seniors are considering offers and Dr. Raymond E. Gotham, placement director, states that June graduates can expect to be interviewed in the near future.

Published weekly except holidays and examination periods, at Stevens Point by students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year. Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

## EDITORIAL STAFF

Editor-in-chief—George Whitney, 214 So. Michigan, Phone 2585; News Editor—Janice Sisley; Composition Editor—Art Witalison; Assistant Composition Editors—Fred La Leike and Ray Venn; Sports Editor—Elroy Götter; Assistant Sports Editor—Joe Brutteler; Features—Mary Simons, Lucy Chappell, Bernice Albert; Phil Kasper, Nancy Nichols and Fred La Leike; Reporters—Isabelle Steinhilke, David Van Hecke, Gretchen Holstein, Clarence Kriak, Charles Reyer, Jean Zahner, William Wozniak, Dick Malinski, Jean Robertson, Ray Venn, Len Mebake and Françoise Salala; Typists—Elaine Ruffing, Mary Ellen Gmeiner, Lola Van Ornum, Gloria Byrbick, Muriel Neerhof, Marion Stegman; Proofreaders—Marjorie Beawer, Irene Beawer, Harriet Hennig, and Rose Duliske; Photographer—Ted Dowd; Assistant Photographer—John Liebenstein.

## BUSINESS STAFF

Business Manager—Robert Stenerson; Assistant Business Manager—Allen Braem; Advertising Manager—June Ignasak; Ads. Editor—George Hohenstein, and Everett Hamker; Circulation Manager—Earl Crotter; Circulation Staff—Carol Radichel, Joyce Kruger, Lorraine Meyer, Elaine Ruffing, and Barbara Higgins; Editorial Advisor—Miss Bertha Klennert; Business Advisor—Robert S. Lewis.

## THE VALEDICTORY

Dear Faculty and Students,

As soon as this issue of the Pointer is delivered safely into your hands, ye editor will clear away the mountain of confusion that hides his desk, turn over to his successor the reins which he has held for the past two semesters, and will steal silently away into retirement. Few of you will realize this change in the Pointer personnel because the paper has the tendency to carry on smoothly no matter who is at its head. Ye editor alone will notice the change in editorship because his future working days and his prime interests will be far different from the schedule he has followed in the past.

The two semesters that I have edited the Pointer have been the busiest and happiest periods of my attendance at CSTC. As I leave the staff I'm in a confusion of mixed emotions. I am happy at the thoughts of being released from the constant responsibilities that hang upon the shoulders of an editor during his tenure. On the other hand, I am saddened at the prospect of not being actively affiliated with the fine group of students who make up the Pointer staff.

During my tenure of office, I have been the object of much criticism and praise alike. As far as criticism is concerned, I have always taken the responsibility for editorial misnomers upon my own shoulders since it should be the ability and the duty of the editor to see that no mistakes find their way into print. In the light of accepting praise, I have not accepted it for myself alone but have received it in behalf of every member of the staff whose combined efforts make the Pointer possible.

I wish to take this opportunity to thank all members of the faculty and student body for their continual assistance and cooperation concerning the gathering of news and its publication. Your interest in an adequate and reliable news publication has gone far in making such a venture possible. As we have often stressed, the Pointer is your news organ. It is the medium through which any college-connected individual can express his views and sentiments. It is a weekly report on the general welfare of the college, and since the paper is distributed rather widely throughout the schools in this area, your cooperation and assistance is a great help in making this institution appear in its best light.

The members of the Pointer staff are the servants of the people at CSTC. They are continually alert to the duty of serving you in the best possible manner. The new editor has been chosen for his ability, which is more than sufficient to make him the head of the Pointer. We hope that you will continue to assist him in the future as you have done in the past.

Again I wish to thank you, and especially the faculty advisers of the Pointer, for putting such faith and assurance in my abilities as editor. They have made my fairly satisfactory accomplishments as editor a success on my part and have opened to me a field of extra-curricular activity that will be both interesting and beneficial in my career as a teacher.

Goodbye, and continue to read the Pointer along with me.

George Whitney, Jr.

## NEW EDITOR—SAME POLICY

At the close of this semester, one of the most able administrators ever to occupy the editor's chair of this college weekly will step down. However this editorial is not meant to eulogize him; his greatest tribute rests in the opinions of his associates on the staff.

What we are concerned with during a turnover of personnel is that elusive something called editorial policy. The Pointer, like a politician, has often been accused of straddling issues. We have been highly lauded and roundly damned for our middle-of-the-road policy. Call it what you want, but let it suffice to say that we have enough faith in a conservative policy for a newspaper of this kind that we intend to keep it in operation.

For the sake of those with short memories let us reiterate some of the basic principles of our program. We will give impartial coverage to all campus organizations. The scholastic, athletic and social functions of the college will receive our firm backing. Gossip and related nuisances have no place on this paper and will be treated accordingly. At all times will we try to promote better co-operation between faculty and student body.

In addition, we have a goodly supply of chaplain's cards in stock and therefore will gladly listen to all valid complaints. We also promise to listen with open ears to all gripes which we deem groundless in order that the tirade may pass in one ear and out the other.

In this way we will endeavor to avoid stalling our vehicle of public opinion in the "middle-of-the-road" and doing nothing but loudly honking the horn.

Arthur G. Witalison

## Miss Neuberger Attends U. W. Health Conference

Miss Mary Neuberger, R. N., of the college health department, attended a public health conference on December 20 and 21 at the Wisconsin Memorial Union Theater. It was sponsored by the Wisconsin Public Health Council in conjunction with the University and the State Board of Health.

Highlight of the two day session was the formal organization of the Wisconsin Association for Public Health.

## College Bus for Sale—On a Post Card

Dextone-Kodachrome postcards bearing a fine colored picture of the new college bus are being sold by the members of the Men's Glee Club. The cards are priced at three for ten cents and are available in any quantity. On the back of the postcard is information advertising CSTC. The card was prepared by the company from which the college purchased the bus.

Besides making handy little message senders they might become collector's items in the souvenir line. Stop any member of the Men's Glee Club and ask for the postcards.

## OVER A COKE

The highlight of this publication could well be called "Under the Mistletoe," or "Look what Santa had in his bag this Christmas!" — for what is to follow will be a list of those casualties of Cupid's arrow.

Carman Lane, CSTC student, and Judy Graham, a CSTC graduate, were married Wednesday, December 22. Mrs. Lane is the physical education instructor at Oshkosh State Teachers college.

Marilyn "Polly" Senn, student here, and Eugene Engbrecht of Marshfield are engaged.

Mary Due, dorm president, received the traditional diamond symbol from Ernie Link, a mid-semester graduate.

Anne Hutzicker, CSTC'er, wears the ring of Austiniland, Greenwood, a math major at the U.

Virginia Grass, wartime business manager of the Pointer, now teaching Home Ec in Horicon, is engaged to John Beyer, Horicon, a senior at the U.

Elinore "Toni" Bowman, former student here, is engaged to Howard Kenyon, who is attending Georgia Tech.

Elaine Ruffing, CSTC student, wears the ring of Arthur Stoffel of Auburdale.

Pat Anderson, a CSTC'er, now sports the frat pin that used to occupy a position on Reuben Beilke's chest.

Is studying profitable?

A student preparing to take a test on a book the entire class was to have read made this remark as the test papers were being distributed, "Read a book for a 10 minute test! Boy, I'm glad I didn't!" Incidentally this student made a grade in the upper bracket. Now what could it be? Luck, process of elimination or brains!

Effect of the X-ray unit

"T.B. or not T.B.  
That is the congestion.  
Consumption be done about it?  
Of cough, of cough!  
But it will be a lung, lung time."  
Cheers

To Miss Edna Carlsten and Miss Monica Bainter for their attendance at the basketball game last Saturday evening. They even gave up a bridge game to go!

Semester exams come around for ye writer too, so time was limited by study for collecting clever quips. More in store for next semester. Good Luck!

## Mrs. Thomas Named As Art Supervisor Of Training School

The Training school now has the service of a full time art supervisor in the person of Mrs. Allen Thomas of Stevens Point. Mrs. Thomas assumed her duties, which include supervising the art work of grades one through eight and the art teaching of student teachers, on November 29, 1948.

After attending the Academy of Fine Arts in Philadelphia, Pa., Mrs. Thomas also studied art on the European continent and the British Isles — Paris, Vienna, Munich, Rome and London among other places. Mrs. Thomas taught art at Beaver college, which was formerly the Beachwood School for Girls at Jenkinstown, Pennsylvania.

Teaching Ass'n. Formed

A Wisconsin branch of the Association for Student Teaching, a national organization, was formed at the Training school, Monday, January 10.

Representatives from state teachers colleges, liberal arts colleges and the University of Wisconsin were here for the meeting. CSTC was the host and chairman in charge of local arrangements was Dr. Ray. (See MRS. THOMAS, page 4)

## Mr. Specht Attends Geography Meeting at U. of Wisconsin

Raymond E. Specht of the geography department met with the top-notch geographers of North America when they met at the Union building at the University of Wisconsin last December 27 to 30. The occasion was the convention of the Association of American Geographers which meets annually at top geography centers in North America. Attending the convention were most of the foremost geographers of North America with a sprinkling of foreign associates.

The convention centered around a three-fold program, presentation of papers, visual aids and displays.

Papers Presented

Geographers from the North American continent and a few foreign geographers presented research papers, condensed in order to keep on schedule. These papers covered all fields of geography.

Glenn T. Trewartha, well known head of the geography department of the University of Wisconsin, who had just returned from Japan, where he had been called by General Douglas MacArthur, presented an interesting paper on Japan.

Films Shown

While these papers were being presented in one part of the Union building, in another part, geographers reviewed a series of new and old films designed to aid in the study of geography. These movies

as well as the presentations of papers continued throughout the day. Mr. Specht especially recommends the movie "The Secret State" which describes Byrd's Antarctic Expedition accurately and in an interesting way.

The third part of the program were the displays, chiefly maps from all parts of the world. They served (See GEOGRAPHY MEETING, page 4)

## Canceled Concert Now Scheduled for Feb. 7

The concert by the Hans Muenzer Ensemble, which was originally scheduled for last Monday evening, will appear in the auditorium on Monday evening, February 7, instead.

Peter J. Michelson, chairman of the assembly programs committee, announced that the first concert date could not be kept because icy road conditions did not allow the ensemble to arrive here on time for their scheduled appearance.

Hans Muenzer, accomplished concert violinist, and four other musicians including a pianist, second violinist, cellist and organist make up the ensemble. The program to be offered is made up of a variety of standard symphonic selections that are loved by all concert-goers. The new CSTC Hammond electric organ will be used in the instrumentation.

## Men's Glee Club Presents Concert At Tigerton Gym Dedication

The touring group of the Men's Glee club gave a concert Friday evening, January 7, at Tigerton. The concert was under the sponsorship of the Tigerton Board of Education as part of the ceremonies in the dedication of the new gymnasium-auditorium there.

Dean Herbert R. Steiner of the CSTC faculty was one of the principal speakers at the dedication of the new building, which was built as a result of the consolidation of schools in the Tigerton area.

The Glee club under the direction of Norman E. Knutzen was well received by the audience which enjoyed a varied program of musical entertainment. The Glee club sang "The Purple and the Gold," "Prayer," "It's a Grand Night for Singing," "Prayer, Polish Melody," "Malin," "Joshua Fit de Battle of Jericho," "Webster-Strickling," "Exaltation," "Gibb," "Sweet Little Jesus Boy," "MacGimsey-Andrews," "The Sleigh," "Kountz," "Mosquitoes," "Bliss."

"The Creation," "Richter," "Temptation," "Dacio Brown," "All Through the Day," "Kern-Stickles," "O Susannah," "Foster-Cain," "Hallelujah, Amen," "Handel and "Lullaby,"

Brahms, Robert Karsten was accompanist for the group.

Lawrence McKinnon and Norvin Holm, baritones, and Wayne Salter, tenor, were soloists for the group. Grace Peterson and Robert Karsten played piano duets to round-out the evening's entertainment.

## Combined Religious Organizations Planning Joint Party for Feb. 10

Representatives of the five religious organizations met Monday afternoon with Arol C. Epple to make plans for a joint party in which members of all college religious organizations will participate.

A party of this nature is new to these groups and the appointment of committees and making other arrangements were postponed until they could be discussed among the various groups. The party, however, will definitely be held on Thursday, February 10, in the Training school gym.

The representatives chose Marjorie Beawer as chairman, and planned to meet again today at 4 o'clock in Room 217.

## Familiar Faces

Wood county claims a high percentage of the students at this college. One of those "percentages" is Robert Putzier of Wisconsin Rapids. Bob was born there 25 years ago. He has a variety of experiences to compensate for his being one of the older members of the Sophomore class.

After graduation from Lincoln High school in 1940, "Putz" worked for a department store. He then went into the maritime service plying the West coast-Alaska run.

After seeing the world through a porthole, Bob decided to see it through bomb-bay doors so he enlisted in the Air Corps. His assignment was flying over the "road to Mandalay" as a radio operator-gunner in a medium bomber group. To save time the B-25's would take off one behind the other, and the prop wash of the plane in front often forced the one in the rear into a dangerous sidslip at an altitude of about 50 feet, causing no end of near heart-failures

to Bob and the rest of the crewmen. For this reason he doesn't want to see any more flying although he has logged 600 hours — 300 of them in combat.

Bob entered CSTC in 1947 after working in a paper mill following his Army discharge. He is in the intermediate division and is another budding teacher. Gamma Delta and the Iris claim his interest around school.

Personally, Putz is a slender, youthful-looking gent. You would hardly place his age at 25. He is very friendly and is easy to talk with. As a scholar, he is serious and applies himself diligently. Bob likes hunting, wood-carving, softball and basketball. He is the stoutest (and only) defender of his faithful old '38 Plymouth.

A statement Putzier made when asked "whether he had any pet dislikes pretty well sums up the character of our modest friend. The response was "I like most things."

## Pointers Whip Quakers in 58-47 Foul-Fest, First Conference Win

The Pointers, taking advantage of a Whitewater quintet's seemingly apparent disregard for the rules of basketball, were handed their first conference win by a Quaker squad that fouled its way to a 58-47 setback at P. J. Jacobs gym Saturday night.

Ray Krzoska, Whitewater cage mentor, had a hard time keeping up with the officials, who evicted his men via the five-foul route almost as fast as he could send them into the contest. Six Quakers, four of them starters, were sent to the bench for having committed five personals.

Both teams tallied 17 field goals but it was the Pointers' 24 free throws, against 13 for Whitewater that proved to be the big difference. The Quandmen made good on 24 of 45 gift shots as the Quakers were charged with a total of 39 rule infractions.

The Quakers took an early lead but were lost in the rush as Wagner, Polka, and Flugaur led the Pointers to a 26-16 half-time advantage. Whitewater came back strong in the second stanza and managed to knot the count at 33 all before Wagner sent the CSTC cagers into a lead

that the bench-bound Quakers couldn't overcome.

Wagner with 15 and Polka with 10 were high point men for the night while Kallies and Kimball were the most effective members of the Whitewater squad with nine points.

## Pointers Take Two While Dropping One

The Pointers won two and lost one game since the ending of the 1948 school session as they drubbed Winona and Whitewater and lost to the Green Gulls of Milwaukee.

On Friday, December 17, the Quandmen traveled to Milwaukee to lose their second conference game of the season as Coach Guy Penwell's sharp shooters handed the locals a 52-42 loss. The Pointers led at halftime by a 24-23 score and were definitely in the gall game until about midway in the last half when Fick and Haidvoegl left the game via the five foul route.

The high point man for Point was Chet Polka of Mosinee who racked up a total of 15 points. He was followed by Haidvoegl and Hartman with 8 apiece, Curry with 5, Flugaur with 4 and Fick with two. Bolz, Green Gull's center, led all scorers with 16 points.

On Tuesday, December 28, the Pointers traveled to Winona, Minnesota after only two days of practice to avenge an earlier Winona team's 51-47 victory by drubbing the Minnesota team by a 58-51 count.

The highly favored Warriors trailed at the half 29-24 and the Pointers continued their winning pace as they added 29 points in the second half to clinch the victory. Big Joe Haidvoegl led both teams in scoring by dropping in six field goals and four gift shots for 16 points. Curry and Flugaur followed with 11 points while Polzin and Polka were good for six points apiece. Fick had five, Hartman two and Lund one. Dennelly led the losers with 14 points.

Last Saturday night the Whitewater Quakers visited P. J. Jacobs gym to become the victims of the Pointers first conference win as they crushed the Quakers 58-47.

## Conservationists to Set Up Soil Courses in Two Counties

Fred J. Schmeckle will accompany a group of conservationists to Eau Claire on January 19 to help establish a course in soil conservation in the rural and urban schools of Eau Claire and Trempeleau counties. A similar course is being planned for the schools of Portage county and will be put into effect sometime in the near future.

### NOTICE

Lost: Multi-colored, silk head scarf in college building the morning of Monday, January 3. Was received as a gift. Finder please return to Phoebe St. John.

## Phi Sigs Still Leading College Bowling League

Team	Standings	W	L	Ave.
Phi Sigs	.....	25	14	788
Grover-Nauta	.....	22	17	799
Chi Delts	.....	20	19	769
Alpha Kappa Lambda #1	.....	20	19	761
Recreation Alleys	.....	19	20	779
Brunswick	.....	17	22	670
Landon-Bach	.....	17	22	737
Campus Cafe	.....	17	22	698
Alpha Kappa Lambda #2	.....	16	23	675
Nigbor Furs	.....	15	24	733

The College Bowling League is again in a deadlock for first place. Grover-Nauta won their three games from the Campus Cafe, while the former league leaders, the Phi Sigs, were dropping one of their games to the Recreation Alleys. In other pairings the Chi Delts won two from the Brunswick and Alpha Kappa Lambda #2 captured a pair from the Nigbor Furs.

Grover-Nauta topped a 2461 series to lead the way in team series. The Phi Sigs with 2408 and Chi Delts with 2399 were runners-up in that department.

The Phi Sigs cracked out the high individual single game of 866, while Grover Nauta, 862, and the Chi Delts, 848, shared runner-up honors.

Jack Knope's 541 individual series was the high for the evening, while other high series were bowled by Bandow, 528; Chick, 523; Formella, 519; Christian, 518; Minton, 514; Pihoda, 506; Lanigan, 502; Sengstock, 500 and Reis, 500.

Formella and Minton were the only bowlers to hit a 200 game or better, each garnering a 201 game.

### NOTICE

TO FACULTY AND STUDENTS: Refunds on textbooks and general library books lost and paid for during the first and second semesters of the 1947-48 school year, and the summer session 1948 will be paid by the library through February 18, 1949. After that date, the money collected from payment on lost books will be turned over to the state or spent for replacements. Students who have lost and paid for books during the above periods would undoubtedly appreciate it if faculty members and students knowing of the whereabouts of mislaid books would return them to the college library so that reimbursement can be made.

Nelis R. Kampenga, Librarian  
Textbooks which will not be needed next semester, should be returned to the textbook library at the close of this present semester. Please return all books, except those which your instructors tell you they wish retained for future use. The textbook library will be open during examination week at the following times:

Tuesday, January 18  
10:00 to 12:00  
2:00 to 4:00

TO THE FACULTY: Please announce to your classes the author and title of all textbooks which you wish them to retain for use next semester.

### NOTICE

Because of examination week and the succeeding week in which registration takes place, the next Pointer will not appear until Thursday, February 3.

## CSTC Cagers Meet La Crosse Tonight, Superior Saturday

League leading Superior and fourth place La Crosse invade Pointland this week in games that will end the first semester's basketball schedule. La Crosse will be here tonight and Superior on Saturday night at the P. J. Jacobs gym.

Last week La Crosse and Stevens Point went into a fourth place tie as the River Falls Falcons drubbed La Crosse and the Pointers stopped the Whitewater Quakers.

Oshkosh in a surprise upset, defeated Platteville to put Superior in

undisputed possession of first place. The Superior Yellowjackets, play here on Saturday night.

Both games should be thrillers as the Pointers continue on their upward journey in the conference standings. Superior is determined to finish the season undefeated, but the Quandmen are just as determined to put them in the lost column. The La Crosse game should be just as interesting as both teams battle to stay in the first division race.

## Newman Club to Hold March of Dimes Dance After Superior Game

A March of Dimes dance will be held in the P. J. Jacobs High school gym after the Superior game on Saturday. The Newman club is sponsoring the affair. Music will be by recording.

A donation will be collected at the door, the proceeds of which will go to the March of Dimes for the relief of victims of infantile paralysis. It almost goes without saying that this is a very worthwhile cause, so let's make it a point to attend.

## Pep Assembly at Noon; Come Out and Cheer!

The cheerleader's club will sponsor a pep assembly in the auditorium today at 12:45 p. m. The assembly is to be a "preliminary warm-up" before the basketball game in P. J. Jacobs gym tonight between the Pointers and La Crosse State Teachers.

The Phi Sigma Epsilon "brass ensemble" will provide music for the occasion and everyone is urged to be there to help shout and sing the boys on to victory.

### STUDENT ORGANIZATIONS

#### Home Ec Club

The monthly meeting of the Home Economics club was held Monday evening, January 3. An election of officers was held and Dorothy Schmidt was elected president of the club. Other officers for next semester include: Joyce Kruger, vice-president; Ina Wood, secretary; Donna Davison, press representative.

The club decided to begin its football jersey mending project. This will be one of the new activities scheduled for next semester.

A budgeting committee was also appointed with Pat Jones as chairman. Assisting her will be Joyce Kruger, Lois Vroman and Kathleen Kollok.

#### Rural Life Club

Last Monday night the Rural Life club was fortunate in having Senator Oscar W. Neale, a former teacher at CSTC for 29 years, speak to the members of Rural Life and a number of other students interested in state legislation.

Senator Neale's speech covered the composition of the state legislature, its organization into committees, the legislative committee, how a bill is passed, the new state officers and recent legislation. A discussion period followed.

#### Phi Sigma Epsilon

Bob Cole was elected president of Phi Sigma Epsilon at a meeting held on Tuesday evening, January 4.

Other officers for the second semester are vice-president, Jim Stauss; secretary, Otto Westenberger; treasurer, Fred Hirzy; corresponding secretary, Louis Jacoboski; historian, Cliff Robbins; guard, Elliot Riggs; Pan-Hell representative, Al Malm. Reuben Beilke will continue as press representative.

The installation of the new officers was held Tuesday, January 11, at the Belmont clubrooms.

The meeting for next week will be suspended, due to circumstances beyond control — semester final examinations.

#### YWCA

At the last meeting of the YWCA on January 6, Dr. Warren Jenkins spoke on religion. He defined fundamental words and gave some basic beliefs in a very interesting discussion.

This is the first in a series of talks on religion that the organization will sponsor. Plans are being made for clergymen of various churches in town to come to present their views.

#### Radio Workshop

The daily Radio Workshop broadcasting schedule will continue unchanged in the year 1949, beginning with the Radio Workshop Players production of "Orville's Big Date" today at 3:15 p. m. Marne Guth directs the players in their portrayal of Orville and his date-bargaining ideas.

A program of favorite symphonic selections will be presented to music lovers on Friday at 3:15 p. m. Beatrice Maliarik and Frank Kostuck arranged the program, with Maurice Mead as the controls operator.

Students and alumnae will be interested in hearing Miss Gladys Van Arsdale of the Training school in a special talk, "Education in Germany." She will appear on the "Our College" program on Monday at 3:15. Edward Pliska will give a review of college news and coming events in a five minute commentary, and Daryl Fonstad will operate the controls.

The children of the primary grades will prepare for another trip to storyland on Tuesday afternoon as Marne Guth narrates the story, "The Happy Little Family" taken from the shelves of the Book Corner. Richard Kowalski will be at the controls.

A group of CSTC students will express their opinions on the current

news topics again this week upon the subject "What are we fighting against?" The Roundtable broadcast will be heard on Wednesday.

#### Omega Mu Chi

Omega Mu Chi sorority members honored their graduating seniors at a party held at Mrs. Earl Kidder's home, Sunday, January 9. Mrs. Kidder is a patroness of the sorority.

Bingo was played for amusement, first prize going to Leone Hein. Margaret Roberts won second prize, and Geraldine Roberts received a prize for low score. A poem dedicated to the graduating seniors was read by Priscilla Sullivan and gifts were presented to the graduates. The honored seniors were Margaret Roberts, Mary Noble, Virginia Hull, Norma Worden and Mary Jane Rankin.

A lunch of "twenty-four-hour salad," and a variety of wafers, mints, nuts and coffee was served.

Guests included Mrs. Harold Tolo and Mrs. Albert Harris, honorary members; Mrs. Charles Cashin, patroness; Miss Bertha Glennon and Mrs. Mary Samter, advisers; Mrs. Raymond Gotham and Miss Susan Colman.

Lois Mouch served as general chairman, assisted by Ruth and Marge Finch, invitations; Mary Shadewald, Joyce Kruger and Marilyn Bobbe, food; Pat Jones and Geraldine Roberts, decorations; Priscilla Sullivan, entertainment; Leone Hein, Jean Crosby, Margaret Hull, transportation; and Joann Kenney and Marion Hummel, clean-up.

#### WSGA

Objectives and purposes of the WSGA were explained to the women of the college at a special assembly in the auditorium last Friday by Jane Fowler, vice-president, and Juanita Mauthe, treasurer of the Milwaukee State Teacher's college organization. They were introduced by the local association president, Mary Dae.

The Milwaukee girls emphasized the opportunities for leadership which is afforded college women by the WSGA. They told how the various committees functioned in their college and of the activities which they are carrying on. A discussion period followed the talks by Miss Fowler and Miss Mauthe.

#### Chi Delta Rho

At a meeting Tuesday evening, January 4, the Chi Delta Rho fraternity made the final adoption of its new constitution. The constitution is unique in the way of having an absentee clause which makes attendance at weekly meetings highly compulsory. A fine of 25 cents is levied against any member who

misses a meeting and only three unexcused absences are allowed each member per semester before he is put on the inactive list.

#### RADIO WORKSHOP

(Continued from page 1)

has a distinct advantage in the directing of radio plays and similar programs. This two way control (broadcasting and receiving) can be extended to the Auditorium, Room 103 and the Band room. In fact, the remote amplifier makes it possible to broadcast from any classroom in the college.

#### Set for FM

The new console is equipped for frequency modulation (FM) broadcasting.

The new equipment makes possible a standard broadcast arrangement, that is, the console is directly in front of the operator's chair with one turntable on either side, giving ease of operation and a clear view into the broadcasting studios.

In addition to the console, the Radio Workshop is equipped with a two-speed transcription recorder, two RCA turntables, speakers, microphones, time clocks — all the equipment used in standard radio stations, the only exception being the transmitter. The next time you are near the Radio Workshop step inside and see the standard radio station at CSTC. Miss Bertie L. Hansen is director of Radio Workshop and Daryl Fonstad is assistant director.

#### CSTC to Be Host For High School Debate Tournament

The district High school debate tournament will be held at CSTC on Saturday, January 29. Superintendent Moldenhauer of Mosinee will be chairman of the event. Four rounds of debates will be held, with the coaches acting as judges. A 12:30 luncheon will be served the debaters and coaches at Nelson Hall.

The regional debate tournament will be held here on February 12

and will include winning teams from the Oshkosh, La Crosse and Stevens Point districts. Superintendent Schmidt of Kaukauna will be chairman and CSTC faculty members will judge the debates. Those winning in this tournament will go to the state meet at Madison.

#### Geography Meeting

(Continued from page 2)

as a comparison of the geographical works of various countries. These displays included a collection of maps contributed by a federal agency of the United States.

Aside from these activities, included in the convention was an alumni get-together of the various schools. The annual geographers' banquet was held at the Loraine Hotel.
