SERIES VI VOL. IV

Stevens Point, Wis. January 19, 1950

No. 11

## Final Plans Made for State WSGA Convention Here February 10-11

Final plans for the state convention of the WSGA, to be held here on the weekend of February 10-11 were made at the WSGA board meeting Wednesday evening.

Arrangements have been made for representatives to stay at Nelson Hall and the deans will be housed in faculty homes where lodging and breakfast will be given to them.

Some of the activities of the weekend will include the "Woodchopper's Ball" sponsored by Alpha Kappa Lambda on Friday evening, February 10. The AKL's will provide blind dates for delegates attending the convention. Those who prefer not to go to the dance may attend a "get-together" at the Home Economics cottage, Saturday noon tea.

tures a special dinner for all delegates and Saturday night, the River Falls vs. CSTC basketball game.

Roberta Henderson is general chairman of the convention with Betty Mehne and Louise Oelrich in charge of housing; Mary Douville and Dorothy Thompson, tea; Harriet Hennig and Joann Kenney, dates for "Ball"; Carla Kruse and Carol Radichel, badges; Margaret Jones, reception; Mary Jane Buss, luncheon.

It was proposed that there be four representatives and one dean from

## Inter-Sorority Dance Will Be At Legion Hall Saturday Night

### Dinners at Sunrise, Country Spa

each school at the state meeting. Nine teachers' colleges and Stout have been invited. The discussion will be: "Common Problems on Our Campus."

There will be a WSGA meeting for all college women in the auditorium Friday at 10 o'clock. At this time a slate of officers for next year will be presented.

The Inter-sorority dance sponsored by the two social sororities on the campus, Omega Mu Chi and Tau Gamma Beta, will be held Saturday, January 21, from nine until one o'clock at the American Legion hall. Jimmy James and his orchestra will furnish "definitely danceable" music amid a setting appropriate to the theme — "June in January". The admission charge will be \$1.50 per couple.

The dance is open to all college students, and it is the only formal affair in the CSTC social whirl to which the girls have the privilege of inviting the escort of their choice.

Preceding the dance, the Tau Gams and their guests will have dinner at the Country Spa at 6 p.m. The Omegas and their guests will hold their dinner at 6:30 p.m. at the Sunrise Cafe.

Mr. Raymond E. Gotham will be the guest speaker at the Omega dinner. Other guests include Mr. and Mrs. Leland M. Burroughs, Dean and Mrs. Herbert R. Steiner, Mr. and Mrs. Frank W. Crow and Dr. Gotham.

The Tau Gams will hear informal chats in a husband-wife combination from President and Mrs. William C. Hansen and Mr. and Mrs. Gilbert W. Faust.

Mr. and Mrs. Randolph Frazee, guests of the Tau Gams and Mr. and Mrs. Burroughs will act as chaperones for the dance.

Phyllis Peterson, Tau Gam, and Jean Robertson, Omega are co-chairmen of the dinners and dance.

## Burnkrant Here for Interviews Soon; Others to Follow

Eugene Burnkrant, former principal of the Marshfield High school and now superintendent of schools at Plymouth, Wisconsin, will interview graduating students for fall placement. These interviews will take place in the near future when Mr. Burnkrant will visit CSTC personally and select students to fill the vacant positions in his district.

Several school superintendents have been visitors at the CSTC campus to interview teachers for the next semester and this coming fall. Nick Perry, Medford superintendent, will be here Monday, January 23, to appear before seniors and to interview students. Glenn Tinkham of Marshfield and W. F. Kruske of Rhineland will be here on subsequent Mondays.

The following superintendents have already interviewed students: J. E. Jones, Cudahy; Angus B. Rothwell, Manitowoc; Marshall G. Batho, La Crosse; and Leslie W. Johnson, Superior.

### A Few Placed

A few placements have been made for the start of the second semester. Mae Lensmire, a two year graduate from Marathon, will begin teaching at Biron in the new school that was opened just after the Christmas holidays. Lynn Feutz, now teaching seventh and eighth grades at Spencer, will begin work as principal of the new school at Biron and Everett Humke, a CSTC intermediate graduate, will take over Mr. Feutz's vacated place at Spencer.

Mae Schneider, an intermediate student, will be teaching at Phillips, Wisconsin. She lacks seven hours for her degree but will return to CSTC for the summer session and earn the necessary credits.

Ray Blaskey is substitute teaching at Tomahawk this week. Charles Reeves has accepted a position at Superior in the intermediate department and will begin teaching the latter part of this month.

Margaret Johnson, also an intermediate student, will teach at Plymouth next fall.

## Registration Notice

Envelopes containing the directions for registration may be obtained from the Record office at 9 a.m. on Monday, January 23, according to Gilbert W. Faust, Assistant Dean of Administration.

He states that the registration procedure is similar to last year's and emphasizes the importance of complying with directions, especially those regarding consultation with advisers.

A RARE SCENE — Something which students seldom see is this view of the Radio Workshop players in the process of broadcasting. From left to right are: Arlene Kromroy (back to camera), Richard Kowaleski, Virginia Evers, Reginald Schachschneider, Robert Marsh, Frances Gerber, Pete Thomas.

## Local Manufacturing and Business Firms Serving As Hosts on B. I. E. Day

The college is participating in Business-Industry-Education Day being sponsored by the local Chamber of Commerce on Tuesday afternoon, January 31. Local manufacturing and business firms are serving as hosts for the afternoon to public and private school teachers, college teachers and student teachers. The teachers have been organized into small groups, and each group will visit two plants or business firms during the afternoon.

In the evening, the public school teachers, the college teachers, and those student teachers who are graduating in February, will be guests

of the firms they visited in the afternoon at a banquet at the Hotel Whiting. It was felt that as the dining facilities are not adequate for the entire group, the best solution was to include those student teachers who are graduating in February, since there may be a subsequent opportunity for the others.

B.I.E. Day is an enterprise of the National Association of Manufacturers, but is being sponsored locally by the Chamber of Commerce. The purpose of the day is to acquaint educators of the community with some of the industrial and business problems and resources of the community. The visiting groups are encouraged to ask questions of their hosts when making the visit. Participation is voluntary, but it is hoped that all who receive invitations will avail themselves of the opportunity.

## Alpha Psi Omega's Presentation Of "The Rivals" Is Great Success

Alpha Psi Omega and Leland M. Burroughs produced a "hit" according to audience reaction to "The Rivals," a three-act comedy by Richard Brinsley Sheridan, which was presented to the students and public at the college auditorium on January 11-12.

The setting for the play was Bath, England, in the year 1775. Period settings and costumes, plus the clever lighting, provided a rich background for the well-chosen cast to live their characters.

Sir Anthony Absolute, played by Walter Peterson and Mrs. Malaprop, Dolores Kosba are to be commended for their excellent teamwork in their scenes of blustering and ingeniously misapplied words.

Special tribute goes to Bob Acres, the country bumpkin, so genuinely portrayed by Lawrence McKinnon.

The dashing Captain Absolute and romantic Lydia Languish, played by Fred Brewer and Donna Alderton, and Julia with her lover, Faulkland, namely Jean Robertson, and Wayne Salter, come in for their share of merit also. Other members of the cast, all of whom contributed much to the play, were Fred Wenzel, Philip Strand, Phyllis Peterson, John Gruman and Lillian Judy.

### Honors to All

Honors go to the entire cast and technical staff as well as the student coaches, Bernice Delhinger and Bernard Sbertole.

James R. Hicks and Bernard F. Wiewel of the faculty were in charge of the technical staff. Bill Joanis was production manager and Maurice Mead, stage manager.

Local high school students and students from St. Joseph's academy

## New Courses for Second Semester Are Listed

Several new classes are being offered to CSTC students for the second semester. They include Astronomy 101; Art 211; Biology 102, 216, 220; Chemistry 112; Conservation 104, 210; Education 212, 220, 216, 105, 217; English 113, 250, 224, 219; Geography 113, 204, 210; History 214, 224, 218, 229; Home Economics 218, 226, 228, 230; Library Science 204; Mathematics 209, 116, 123, 120; Music 210; Philosophy 110; Physics 103; Psychology 105, 106, 210 110; Sociology 210; and Speech 215.

For a description of the above courses, look in the Catalog for 1949-1951. Advisers may also be contacted for additional information.

A new course in Mathematics of Finance, Mathematics 123, is to be offered during the second semester. This course is intended to fulfill the mathematics requirement of the Pre-  
(See NEW COURSES, page 4)

were special guests of Alpha Psi Omega at the Thursday night performance. The townspeople responded to help fill the auditorium for the Thursday night production.

## ★ A Suggestion ★

A wooden box has been obtained by the Student Council to be used as a suggestion box. It will be placed inside the Pointer office near the door. All students are welcome to write suggestions concerning any improvements or new ideas for the school, or complaints against any of the present policies, and drop these suggestions into the box. These must be signed in order to be considered at the Student Council meetings.

## Chapel Choir Singing at CSTC Assembly Feb. 1

The Chapel Choir, an a cappella choir of university men and women from Capital University at Columbus, Ohio, will be here on Wednesday, February 1, as part of the regular assembly series. The program is scheduled for 8 o'clock Wednesday evening in the auditorium.

Acclaimed as a distinctive group singing the world's choral masterpieces, the Choir is under the direction of Ellis Emanuel Snyder, conductor.

The program is a fine example of unaccompanied singing at its best. Admission will be by student activity ticket.

## Michael's Miss Fortunes!

Dame Fortune smiled three times at Michael Fortune on Wednesday, January 4. Triplets, three daughters, were born to Mr. and Mrs. Fortune at St. Michael's hospital. The girls joined four sons, including a set of twins, to make Michael's family undoubtedly one of the world's most fortunate.

Fortune, a February, 1949, CSTC graduate, is now teaching at Three Lakes High school and is working toward his Master's degree during the summers at the University of Wisconsin. While in college, he was news editor of the Pointer.

The twins were born to the Fortunes on March 16, 1948 and will be two years old soon. Two older boys, one of whom will be three in April and the other five this month, complete the list of Fortunes.

Michael's three little Miss Fortunes have presented him with a housing problem. "Our five-room home isn't big enough for seven children, all less than five years old, but they certainly are three fine girls," he said.

Added to Fortune's fortune was the announcement that the Carnation company, processors of "milk from contented cows," had offered to furnish the three girls with a year's supply of canned milk.

Published weekly except holidays and examination periods, at Stevens Point by students of the Central Wisconsin State Teachers College. Subscription Price \$3.00 per year. Entered as second-class matter May 20, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

## 2000 A. D. ??? ?

This issue of the Pointer is remarkable in that it is the first issue of the second half of the 20th Century, A.D. According to Time magazine, Winston Churchill was the man of the first-half century. Perhaps a CSTC graduate will be the man of the second half. Anyhow, we all like to speculate on the future.

In that line, the Radio Workshop has made a recording of what the next 50 years will be concerned with. Cartoonist Abner Dean envisages "thought police" for the year 1984. The idea is not novel to most married men who have been so scrutinized for varying lengths of time.

Wars may come and go, kingdoms rise and wane, but of this you may be sure: In the year 2000, retailers of sedatives will start the new year's inventory with bare shelves in that line of goods, just as in 1950; and the people 50 years from now will be making and breaking New Year's resolutions just as they did 50 years ago.

## STUDENT ORGANIZATIONS

### L.S.A.

Miss Freida Schlueter, supervisor at the Training school, spoke on her post-war experiences in Germany at the meeting of LSA on Thursday, January 12. She used her colored slides to supplement the lecture.

A brief business meeting was held prior to the illustrated lecture. Refreshments were served afterwards. Election of officers will be the main order of business at the next meeting to be held on Thursday, January 26. A nominating committee is now at work selecting the candidates for office.

### Radio Workshop

Recently the Radio Workshop players entered a transcription of an original radio play called "Half Way Mark—A Radio Play for 1950" in the fourteenth American exhibition of educational radio programs sponsored by the Institute for Education by Radio. The play was written by Pete Thomas, a freshman at CSTC. This entry, which was sent to Ohio State university at Columbus, will be judged on educational value, significance, radio quality, interest and appeal, in competition with nation-wide entries.

"The script gives a picture of some aspects of life in the next 50 years. It was produced by Daryl Fonstad and Maurice Mead with the aid of Richard Kowalski, Larry Eagleburger, Bertram Davies, Edward Furstenberg, Arlene Kromroy and Reginald Schachtschneider. In general charge of the production was Miss Gertie Hanson, director of the Radio Workshop.

### Rural Life

Viola Hofer was elected president of the Rural Life club at a meeting held Monday evening, January 16. Other officers named were Irene Luedtke, vice president, Eleanor Hummel, secretary, and Warren Lemsire, treasurer.

Irene Luedtke gave a reading at the group meeting and Dr. Quincy Doudna spoke briefly on the wage scale for rural school teachers.

### Newman Club

The Newman club held its first meeting of the New Year at the Knights of Columbus Hall, January 12, 1950.

President Jerry La Fleur called the meeting to order and opened the meeting for business. The group voted on the members who were nominated to receive membership to the John Henry Newman Honorary society. In order for a person to become a member he must have contributed outstanding service to the Newman club. The first to receive this award was Monica Gill, now teaching at New London. The second person to receive this award was Miss May Roach, a member of the faculty of Central State Teachers college. On Honors Day, next

spring, the member, or members, will receive the membership to the John Henry Newman Honorary society.

Father Chilikci spoke to the club on the importance of daily prayer in daily life. As a part of the meeting the group enjoyed slides on Alaska from the files of Ronald Jary, a former bush flyer in America's land of the unknown.

The next meeting will be on Sunday evening, January 29, at the Knights of Columbus Hall.

### Gamma Delta

Gamma Deltas learned several new square dances from Dr. Quincy Doudna who called the dances at the Gamma Delta get-together in the Rural assembly on Thursday evening, January 12. Dr. Doudna's son Lon played the piano while he called the square dances.

Rev. William Ludwig will show some movies in the church parlors on Thursday evening, January 26. Members and friends are cordially invited.

### Alpha Kappa Lambda

Plans were made for the annual Woodchopper's ball at the last regular meeting of AKL on January 11. The ball is scheduled for Friday, February 10, at the Training school. The club will play host to the girls attending the WSGA convention which will take place at the same time. Eligible bachelors will be "coupled up" with the single girls attending the convention to escort and entertain them at the Woodchopper's ball. All the eligible bachelors are requested to sign up with President Joe Moravec for the affair.

(See ORGANIZATIONS, page 4)

## Miss Ubbelohde Replaced By Mrs. Frank Crow

Mrs. Frank W. Crow replaced Miss Doris Ubbelohde as fifth grade supervisor at the Training school immediately after the Christmas holidays. Miss Ubbelohde was married to Donald Ames on December 30 and resigned her position here. Mrs. Crow especially qualifies for this position since she has substituted at the Training school with this same group of children on two previous occasions.

The first time, she took Miss Gladys Van Arsdale's third grade when Miss Van Arsdale went to Europe to teach; the second time, she replaced Miss Leah Diehl, fourth grade supervisor, who was confined to the hospital recuperating from an operation.

"It is especially fortunate that we can have Mrs. Crow here at the Training school, since there is a minimum of adjustment for both pupils and teacher," says Dr. Raymond E. Gotham, director of the Training school.

## Can't Stop To Concentrate

Breaking the usual tradition of rambling from one thing to the next—Can't Stop is going to Concentrate on numerous announcements . . . object matrimony in its various stages!

### Engagements Among Students

Lola Van Ornum to Don Douglas. Lola is from Wisconsin Rapids and Don from Wittenberg.

Yvonne Jacobson to John Gurlholt. Yvonne and John are both from Iola and have been "steadies" since high school.

Phyllis Kasper to Kent Roerber. Phyllis is from Land O'Lakes and Kent from Medford.

### Engagements Among Graduates

Helen Firkus, a former CSTC student from Stevens Point, recently became engaged to Robert Kropedowski, of Amherst. Helen is teaching at Prairie du Chien.

Jane Thompson, of Stevens Point, and Bob Hartman, a CSTC graduate of last year, are also engaged. There is no date set for the wedding. Bob teaches at Bowler.

### Marriages

On January 7, Bill Bart claimed Jane Steckel as his own in a ceremony held at St. Stephen's church. Bill is from Neenah and Janie is a Stevens Point girl. Both are Juniors here at CSTC. They are now apartment hunting.

Esther Davidson, a graduate of CSTC, and Jerome W. Smith of South Bend, Indiana, tied the nuptial "knot" on December 19, in Chicago. Jerry was a V-5 student here.

Lois Vroman and Charles Webster, both of Plainfield and both students at CSTC were bound by the "tie that binds" on September 24 but announcement was made during Christmas vacation.

On December 26, Helen Brendel of Phillips and Howard Craig of Stevens Point were married. Craig is a student motion picture operator. Helen is a former student of CSTC.

Catherine Daniels, Stevens Point, a CSTC graduate, and Clarence J. Eisenger, Wayzata, Minnesota, were recently united in marriage.

### Look What Happens To News Editors!

Mr. and Mrs. Mike Fortune became the proud owners of triplets on January 4, 1950. Mike graduated from CSTC a year ago and was news editor of the Pointer in 1946-47. For further information see story on page one.

Twin girls, Carol Lynn and Cathryn Lee, were born to Mr. and Mrs. Lloyd Campbell of Oconomowoc on January 5. Mrs. Campbell is the former Beth Johnson, who attended CSTC and was news editor of the Pointer in 1943-44. Mr. Campbell was also a student here when he was in flight training with the 97th Air Corps stationed at the college during World War II.

### New Car On Faculty

Mr. Schmeckle, head of the Conservation Department is keeping abreast of the times. He is not satisfied with an old '49 and is purchasing a new one.

(See CANT STOP, page 4)

## Debate Tournament Set for Saturday

The high schools at Medford, Merrill, Mosinee, Nekeosa, Rhineland, Rudolph, Stevens Point, Wausau, Wausau and Wisconsin Rapids will be represented at the district debate tournament on Saturday, January 21.

The session will be opened by a business meeting at 10:15 a.m. The first round will begin at 11 a.m. followed by a luncheon at Nelson Hall. The second round starts at 1:30 p.m. and the final round at 2:50 p.m. Winners will compete at the regional meeting here in two weeks.

Al Moldenhauer of Mosinee serves as the district debate chairman. Leiland M. Burroughs of the college faculty is in charge of local arrangements assisted by Joe Boettcher.

## Students Hear Miss Hrazdilova Talk on Native Czechoslovakia

In an assembly program last Friday morning, CSTC students were fortunate in having the opportunity to hear a talk by Miss Jirina Hrazdilova, a 17 year old Czechoslovakian girl, who is one of the outstanding undergraduate, foreign students in the United States.

Miss Hrazdilova, a freshman student at Ripon college, is much in demand as a speaker, one of her talks being given at the Wisconsin Education association convention in Milwaukee last fall. She was in Stevens Point last Thursday to speak before a joint meeting of the Lions club and the Business and Professional Women's club. It was largely through the efforts of the CSTC assembly program committee and of Miss Sibley Mason, who is chairman of the B. P. W. international relations committee, that students here

JIRINA HRAZDILOVA

were able to hear Miss Hrazdilova. She was introduced to the assembly audience by Miss Mason.

### Statesmen Loved by People

In her talk Miss Hrazdilova told something of her own country of Czechoslovakia explaining to its physical features, its history, especially during the period of the Republic from 1918 to 1938, and its fine, democratic government during that time. She mentioned the two great

## Great Books Discussion Group Formed in City

A Great Books discussion group is underway in Stevens Point under the leadership of Mr. and Mrs. Nelis R. Kampenga and Warren W. Blodgett. Meetings take place every two weeks in Room 311 from 7:30 to 9:30 p.m. The next meeting, their second, will be held on Tuesday, January 24, when the group will discuss Plato's "Apology" and "Crito."

The object of these groups is to encourage thinking. Many of the greatest writings of the past and present are discussed. The group is presided over by a discussion leader who asks questions and keeps the discussion moving. He does not offer any of his own opinions and the group chooses its own way of carrying on the discussion. About 45 members are enrolled at present. This necessitates dividing the group, as better results are obtained with a smaller group.

Anyone interested in enrolling in this interesting and educational group may contact Mr. Kampenga, college librarian, for full particulars.

**TO FACULTY AND STUDENTS:** Refunds on textbooks and general library books lost and paid for during the first and second semesters of the 1948-49 school year, and the summer session 1949 will be paid by the library through February 18, 1950. Upon that date, the money collected from payment on lost books will be turned over to the state or spent for replacements. Students who have lost and paid for books during the above periods will undoubtedly appreciate it if faculty members and students knowing of the whereabouts of mislaid books would return them to the college library so that reimbursement can be made.

N. P. Kampenga,  
 Librarian

statements that Czechoslovakia has produced since the end of World War I, Thomas Masaryk and Eduard Benes, who were respected throughout the world and especially beloved by their own people.

Miss Hrazdilova gave a vivid description of the terrible hardships and suffering, especially spiritually and mentally, which her country and her people endured during the seven years of the Nazi occupation. She spoke also of the progress that has been made in reconstruction despite the many difficulties. In closing, she said "Although we live on opposite sides of the globe, your people and my people are very much alike and very close."

### Here Only Short Time

Miss Hrazdilova came to the United States 17 months ago from her home in Brno, Czechoslovakia, where her parents and two sisters are living now. She came on a scholarship sponsored by the American Field Service and last year attended Wayland Academy at Beaver Dam. This year she is at Ripon college through the sponsorship of the Rotary clubs of southern Wisconsin.

In Czechoslovakia, Miss Hrazdilova attended five years of grade school, four years of lower secondary education and one year of higher education before coming to America. She has a working knowledge of Latin, Russian and German. She had only one year of English, but her command of the language is exceptional.

While in Stevens Point, Miss Hrazdilova and Miss Janice Aldridge, a Ripon college co-ed who accompanied her here, were guests at Nelson Hall.

## Dr. Gotham Member of N. C. A. Evaluation Board

Dr. Raymond E. Gotham will act as a member of the North Central association evaluation board at Clintonville High school from February 13 to 15 as a part of the school's requirement for application to the North Central association. A. G. Bostad, principal of P. J. Jacobs High school here in Stevens Point, will also attend as a member of this committee.

In order to be accredited, the school must make a self-evaluation followed by an evaluation by an outside group.

George Whitney, former editor of the Pointer, is now teaching social science at the Clintonville High school.

## Students Urged to Take New Course in Logic

Dr. W. G. Jenkins, Dean of the Junior College, called attention to a new course in Logic. All students are urged to consider this course for next semester. It is being offered by the philosophy department at the request of the Junior college and will be listed as Philosophy 110—Elementary Logic. It is a three credit course which has been tentatively set for the 9:10 hour on Monday, Tuesday, and Thursday, and will be taught by Albert E. Harris.

This course is designed to acquaint students with the elementary methods with which man has learned to check his reasoning and the processes by which he arrives at valid conclusions.

"In this age when there are too many pressures forcing us to make non-rational decisions," Dr. Jenkins said, "our students are fortunate to have an opportunity to acquaint themselves with the aids to rational thought. Modern man has learned to use rational thought in the natural and mathematical sciences but has almost eliminated it from the remainder of his life."

# Winona Entertains CSTC Tonight; Seek Revenge

The Warriors of Winona will be out for revenge when the Pointers invade the Minnesotan's court tonight. Earlier this month Hale Quandt's crew defeated Winona 75-56 in a tussle here at Stevens Point.

The Minnesota team played some ragged ball here at Point and are out to atone themselves tonight. Outside of the Point game, the Winona team has played some very fine ball against other Wisconsin Teacher's college competition. Last Saturday they dropped a close decision to La Crosse, a team which took the Pointers to camp. Playing on familiar grounds, the Winona team is going to be very tough for the local quintet.

Coach Quandt will undoubtedly work his regular five starters a greater share of the game tonight. This quintet is composed of Chet

Polka and Walt Samelstad, at the guard positions, Gene Fick at the pivot post and Tex Polzin and Bill Wagner at the forwards. Wagner and Polzin were the big scoring guns in the last tussle and if they can hit as consistently again, the Pointers may make a clean sweep of the home and home series.

### Conference Standings

|               | W | L |
|---------------|---|---|
| River Falls   | 3 | 0 |
| Milwaukee     | 3 | 1 |
| Superior      | 3 | 1 |
| Platteville   | 2 | 1 |
| Stout         | 2 | 2 |
| La Crosse     | 2 | 2 |
| Stevens Point | 2 | 3 |
| Eau Claire    | 1 | 2 |
| Oshkosh       | 1 | 3 |
| Whitewater    | 0 | 3 |

# Cagers Had Busy Life Since Last Issue of Pointer; 3 Won, 2 Lost

Point 73 — Oshkosh 58

On the night of December 16 the Quandt machine rolled into high gear here as they chalked up conference win number two at the expense of Oshkosh, 73-58. Sammy Samelstad took personal command in the second half to score 19 points. When the final whistle sounded, the scrappy guard had 55 points. Doug Ritchie led the Titans with 18 points, but the temperamental forward was quite harmless throughout the contest.

Point 75 — Winona 56

The Pointer cagers, apparently in excellent shape after New Year's, welcomed the returning student body with a belated Christmas present in the shape of a 75-56 conquest of Winona State Teachers on January 4 at P. J. Jacobs gym. A rare exhibition of free throwing by the Pointers accounted for 39 points. "Tex" Polzin led the Purple and Gold scoring with 22 points.

Platteville 85 — Point 67

The Platteville Pioneers inflicted the first conference loss on the Pointers at Platteville on the night of January 7. The boys from "down under" just couldn't miss and at the end of hostilities the count was 85-67. Big Bill Tellefson led Pioneer scoring by caging 28 points. The best any individual Pointer could do was big 12 points and Wagner and Samelstad did just that. This was CSTC's second defeat in eight games.

Point 71 — Mission House 38

The Pointers chalked up their seventh win the night of January 10 by easily downing Mission House 71-38 here at Stevens Point. Twelve players participated in the lop-sided victory. "Tex" Polzin led the onslaught by bagging 12 points.

La Crosse 62 — Point 47

Inability to hit a foreign hoop cost the Pointers their second loss in conference competition. The La Crosse Teachers came out on top of a 62-47 count in a contest played January 12 at La Crosse. The eve of Friday the 13 held nothing but bad luck for the Pointers and the only bright spot was Walt Samelstad's 16 points. Superior 58 — Point 44

Visitor's courts continued to play havoc with the Pointers as they dropped their third straight game. The latest mar was inflicted by Superior, 58-44, last Monday night. This gives the Pointers a record of two wins and three defeats.

Omernik, Superior center, copped scoring honors with 16 points. Chet Polka, Pointer guard, racked up 15 points.

for Cambridge High school. This happened the night before Bill popped in 28 points for Platteville against the Pointers.

From Superior State, we learn that Quarterback Doc West has been named captain of the Superior griders for 1950.

Coach Quandt's "Join Our Basketball Team and See the World" squad has really put on the miles last week. La Crosse, Superior and Winona have been the spots of interest.

What was missing at the Mission House game? Of course, the band. So far Mr. Michelsen's crew has really been providing the extra spark vital to the crowd's enthusiasm. Hats off to the maestro and his band!

Looks like Nate De Long's record might be contested. Seems there is some feuding, fussing, and fighting down in West Virginia about one of their local boys. George King, Morris Harvey college, has scored 1963 points in 85 games. Big Nate has scored 2414 points in 101 games. The hitch is that Charleston, West Virginia, sport writers are questioning Nate's four and a half years of eligibility.

# Collegiates Presenting Fine Performance in Preliminary Games

A few years ago, doubleheader basketball games were found to be very successful. Whether many students are aware of the fact or not, the athletic board at CSTC has maintained a policy to present top notch preliminary games. However, latecomers see only a tired crew of players walking off the floor and a glance at the scoreboard by the audience satisfies their curiosity as to the outcome of the game.

The Collegiates, who play the preliminary games, have been presenting a fine performance and their present record is five wins and two defeats. A regular schedule is not followed, but games are "picked up" as the season progresses. A regular roster is rather difficult to maintain because some players do double duty on both the varsity and Collegiate squads. However, some of the regular players on the Collegiate squad are: Jack Leichtenberg, Roger (Buda) English, Dave Case, Bill Knickerbocker, John Dabareiner, Phil Strand, Don Benz and Len Rush.

At the helm of the Collegiates is Marv Hansman. He doubles as coach and student because he is enrolled as a special student working for a Physical Education minor. Marv graduated from Ripon college where he played football and basketball. During the war Marv spent three and a half years in the Marine Corps and saw action on Guadalcanal and the Russell Islands. When asked if he was satisfied with the team's effort Marv replied that he was well pleased with their showing.

### NOTICES

According to plans submitted and accepted by the representatives of the religious groups last year, they will hold their meetings the second and fourth Thursdays of each month, and YWCA and the Social Science club will hold theirs on the first and third Thursdays. If all organizations respect these dates, confusion may be avoided.

Elizabeth Pfiffner  
Chairman, Calendar Committee

My office is trying to compile a list of vacant rooms for the second semester. If any girl knows now that she is not returning will she please report it to my office.

Elizabeth Pfiffner, Dean of Women

The text book library will be open so that students may return first semester books during the following hours:

|        |                   |           |
|--------|-------------------|-----------|
| Wed.   | Feb. 1 9:00—12:00 | 1:00—4:00 |
| Thurs. | Feb. 2 9:00—12:00 | 1:00—4:00 |
| Fri.   | Feb. 3 9:00—12:00 | 1:00—4:00 |

First semester text books that will be needed second semester may be retained. All books not needed should be returned to the library.

If there are any college fellows or girls who will volunteer to act as hosts in the Student Lounge the second semester please contact me or Ed Pliska.

# — Meet the Team —

A consistent scorer and excellent defensive man for the past two seasons of basketball has been Gene "Tex" Polzin.

Graceful Gene's base of operations is Plainfield and it is here that he spent four hectic years banging the backboards. All conference honors were bestowed upon him three times. In his senior year, Gene broke all ex-

the hardcourt. He set a new state record for class "C" schools when he cleared 11 feet 10 inches in the pole vault event. During the spring Gene is one of Coach Crow's mainstays in the pole vault and broad jump events.

isting Big 7-C records by swishing the nets for 339 points.

When asked how he ever got the nickname "Tex," Gene modestly conceded that it was strictly a campus product. At the present "Tex" is a second semester Sophomore planning to enter the upper elementary or secondary division. If he enters the latter, math will be his major with physics and physical education as minors. During the summer Gene works as a mechanic and he also has a "weak spot" for tinkering around electrical appliances. Gene's talents, however, are not only confined to

# The Fifth QUARTER

Coach Bob Kolf of Oshkosh announced that the Teachers College conference has adopted the Big Ten version of the two minute rule in basketball.

The Big Ten version is that players on the offensive team receive two free throws when fouled in the final two minutes, but players on the defensive team receive only one. The ball is in play following the tosses, whether made or not, and the clock remains running.

The Pointers made 39 free throws out of 48 attempted in the Winona game — must be some type of record.

Some books with appropriate titles that could have been given at Christmas — "Cheaper by the Dozen" to Bill Wagner (referring to his point-making capacity), "The Cautious Husband" to Gene Fick; "Jesse James Was My Neighbor" to Tex Polzin; "Guard of Honor" to Walt Samelstad; "Love in a Cold Climate" to Chet Polka, and "Beau James" to Jim Christensen.

Dry Those Tears From Your Eyes — It might be some consolation for the Pointers to learn that Bill Tellefson's brother, Phil, scored 38 points

# Tune-In-Ballroom Loses Top Spot In Bowling League to A. K. L.

| Team                  | W  | L  | Ave |
|-----------------------|----|----|-----|
| AKL                   | 25 | 14 | 755 |
| Dutch's Men's Shop    | 23 | 16 | 795 |
| Tune-In Ballroom      | 23 | 16 | 785 |
| Brunswick             | 20 | 19 | 736 |
| Phi Sigs              | 20 | 19 | 736 |
| Campus Cafe           | 19 | 20 | 740 |
| Chi Deltas            | 18 | 21 | 725 |
| Knudson's Stores      | 17 | 22 | 733 |
| Recreation Alleys     | 15 | 24 | 746 |
| Recreation Restaurant | 15 | 24 | 734 |

The AKL teams hold a two game lead in the College Bowling league, as the Tune-In Ballroom team dropped a series just prior to Christmas and were knocked off the top rung for the first time this year.

The league leaders stayed in the lead by winning their three game series from the Phi Sigs. Second place Dutch's also kept pace by sweeping a series from the Campus Cafe. Other pairings last week saw Recreation Restaurant take two from the Chi Deltas; Brunswick won a pair from Knudson's Stores and the Tune-Ins swept a trio from Recreation Alleys.

Dutch's took team honors bowling a 2516 series and an 875 single game. The Tune-Ins hit the second high on a series of 2482 and a single of 864, while the Recreation Restaurant completed the top three on a 2350 series and 823 single.

Mallow rolled a 592 series to take the top spot in that department. He

# Ubbelohde-Ames United In Holiday Ceremony

Miss Doris Ubbelohde, former fifth grade supervisor at the Training school, was married to Donald Ames of Madison at her parent's home at Waldo on Friday afternoon, December 30. Mr. Ames is the son of Mr. and Mrs. Carl Ames of Brooklyn, Wisconsin. The nuptial service was read at 2:30 o'clock by the Reverend Bernard Kasslike, pastor of the Waldo Methodist church.

The bride's sister, Miss Marian Ubbelohde, was maid-of-honor, while the bridegroom's brother, William Ames, was best man. Edwin and Carl Ubbelohde, brothers of the bride, served as ushers.

A buffet supper was served to 30 guests at the Ubbelohde home.

Live in New Mexico  
After January 16, the bridal couple will live at Los Alamos, New Mexico, where Mr. Ames is a chemist at the scientific laboratory located there.

Mrs. Ames is a graduate of CSTC in the Class of 1946 and has done work on her master's degree at the University of Wisconsin. After teaching at Appleton, she returned to Stevens Point to teach in the Training school in September, 1948.

She is a member of Psi Beta chapter of Sigma Tau Delta and was editor of the Pointer in 1945-46.

Mr. Ames received his Ph. D. degree from the University of Wisconsin this fall. He belongs to Sigma Xi, Phi Beta Kappa and Alpha Chi Sigma fraternities.

was followed by Chick, 563; Stenz, 540; Boneske, 538; Kulick, 535; H. Peterson, 525 M. Johnson, 506 and Weing, 501.

Mallow also topped the high single game of 225 and followed up with a 201 game. Other games of 200 or better were posted by M. Johnson, 204; Kulick, 203; and Chick, 200.

## NEW COURSES

(Continued from page 1)

Commerce course of the Junior College. It is primarily intended for commerce students in the sophomore year. It cannot be applied to meet major and minor requirements in the mathematics department. Those who wish to take Math 123 or to make further inquiry with respect to this course, please contact Kenneth W. Boylan.

Biology 116 has also been added to the list of courses to be offered the second semester. Education 225 — Social Studies was listed erroneously and will not be offered.

## ORGANIZATIONS

(Continued from page 2)

A nomination committee was formed to investigate and list possible candidates for the offices to be vacated at the end of the semester.

After the business meeting, Roman Koenigs, district forester, gave a talk on the forestry and deer situation in Wisconsin.

All members are urged to attend the next meeting which will be held on January 25, to complete preparations for the Woodchopper's ball.

## Wayland Club

The home of Mr. and Mrs. Frank W. Crow, club advisers, was the scene of the regular Wayland club meeting on Thursday, January 12. Reiner Rodenhauer, guest speaker, gave an interesting picture of church life in Germany. Games were played and refreshments were served. Those members who were present at this meeting spent an enjoyable evening.

The new Baptist minister will be

introduced at the next meeting. Watch the bulletin board for notice of the time and place.

## Chi Delta Rho

Plans for the second semester pledging season were discussed at the Tuesday meeting of the Chi Deltas. The length of the pledging season and the date of the Pan-Hell formal were the major topics under discussion.

An informal picture was taken for the Iris at the close of the business meeting.

## Conservationists Plan Game Refuge Management

Walter R. Sylvester's wild life management class has been asked to prepare a plan for the management of the local Izaak Walton League's game refuge. To aid them in the formulation of the plan, they have invited various people connected with conservation and wild life management to speak to them.

Their speaker today will be William Threinen, a biologist for the northeast fisheries area of the Wisconsin Conservation department. He will talk to the class on fish management in lakes and streams and try to answer some of their questions on the subject.

On January 3, Frank King, game manager for the Wisconsin Conservation department, spoke to the class about farm game management practices. At the present time Mr. King is cooperating with farmers in developing farm wild life plans.

Ben Hubbard, supervisor of Wood county's public hunting grounds, addressed the group January 12. His topics were forest game management and water fowl management.

## CAN'T STOP

(Continued from page 2)

ing a '50 Studebaker which he should have by now.

The Pointer should launch an investigation into the connection between the Student Activity fund and the '49 Chevie Mr. Boylan is now driving!!

In Miss Isaacson's speech class one noble youth was expounding on the possibility of man's taking over the kitchen and of woman's going into the business world. Turning to the fellows in the class, he said, "Now don't fear that it is going to be a chore. Just think of the fun you'll have when the icewoman comes!"

## From 1 Capitalist to Another

Kindly bear in mind we've got used cars. And, brother (or sister), they're for sale

As capitalists (in our modest way) we're glad of the good ol' American competition that's forc'in' us to sell some of these here vehicles at a sacrifice

As capitalists, too, you future teachers should likewise appreciate this competition

So, we say, see our Clark Lampe or our Cliff Lepinski for helpful sales service sans high pressure Also — howdy again from the (round dozen) Crowns Crew
