No. 25

Baccalaureate Services On Sunday, June 4

Baccalaureate services for the 1950 graduating class at CSTC will be held on Sunday afternoon, June 4 at 2 o'clock in the college auditorium. Reverend Leo Trojanowski, pastor of St. Stanislaus Catholic church, will deliver the baccalaureate address.

The program will open with a professional, "Pilgrim's March" by Felix Mendelssohn, played by the college band under the direction of Peter J. Michelsen. The invocation will then be given by Reverend Jans J. Vander Graff of St. Paul's Methodist church.

Following the invocation a girl's sextette, Gretchen Holstein, Suzanne Swanke, Julie Dean, Joan Fehrenbach, Betty Mehne and Muriel Held, will sing "Lift Thine Eyes." Rev. Trojanowski will then give the baccalaureate address.

A hymn, "Onward Christian Soldiers," will be sung and following

this, Rev. Vander Graff will pronounce the benediction. The band will play "March Royal" by De Smetsky as the recessional.

Band and Girls Glee Club to Give Concert In Honor of Seniors

Members of the college band and Girls Glee club under the direction of Peter J. Michelsen will give a concert to honor the graduating seniors on Wednesday, June 7, at 8 p.m. in the college auditorium. The faculty and seniors will be special guests at this concert.

The program planned is as follows:

The band will open with "Our United States March" by Ventre; "Southern Rhapsody" by Hosmer; clarinet solo, "Adagio Tarantella" by Waln, soloist, Fred Brewer; "Humoresque" by Dvorak; "Oriental

Students' Achievements Honored At Annual Awards Day Program

Suite" in four movements by Gibb.

The Girls Glee club with Grace Peterson as accompanist will sing "The Winds in the South" by Scott; "Spirit Flower" by Tipton; "China Figure" by Klemm; "The Nightingale" by Tchaikovsky.

The band will conclude with "Lady of Spain" by Evans; "Reverie" by Debussy; "Tournament of Trumpets" by Bennett; "Pavanne" by Gould; "Brass Pageantry March" by Ostling.

President William C. Hansen says that such a program is a "fine idea" and hopes that it may become an annual affair, with faculty members and seniors attending in full academic regalia.

Several New Awards Presented

James Koehn, Little Chute, Arthur Witalison, Fish Creek, Hildegard Kuse, Medford, Beverly Barnes, Richland Center, Richard Green, Plover and Mrs. Helen Eagleburger, Stevens Point, were the recipients of the major trophies and honors presented at the annual Awards Day assembly program on Tuesday afternoon, May 23.

Koehn received the Joe Goodrich memorial trophy for being an outstanding senior athlete. The award was inaugurated last year in memory of Goodrich, a former CSTC athlete, who was killed in action during the past war. Scholarship, leadership and athletic skill are the qualities considered in making the selection. Frank W. Crow of the athletic committee made the presentation.

The Phi Sigma Epsilon honor award for scholarship and leadership in extra-curricular activity went to Witalison. The award, made annually to a senior man, was presented by James Whelihan, president of Phi Sigma Epsilon.

The Alpha Kappa Rho trophy, presented by the honorary music fraternity to the outstanding senior girl, went to Hildegard Kuse. Carman Lane made the presentation on behalf of the fraternity.

Beverly Barnes was the recipient of two awards at the assembly, the Home Economics award and the County Home Agents award. The Home Ec award of \$100, which is made annually to an outstanding junior student in the home economics field, was presented to her by President William C. Hansen. Miss Vera Hub, Portage county home agent, presented Beverly with the Home Agents award. This award, a \$50 scholarship given to a junior girl to be applied at the school of her choice, went to a CSTC student for the first time this year.

The Joseph V. Collins award for outstanding achievement in the field of mathematics was presented to Richard Green by Dr. O. Floyd Nixon of the college mathematics department.

Mrs. Eagleburger Honored

Mrs. Eagleburger received the Chi Delta Rho award for having the highest scholastic average in the senior class. Presentation of the award was made by her son, Larry.

Sigma Tau Delta, Sigma Zeta, Alpha Psi Omega and Alpha Kappa Rho, the honorary fraternities on the campus, recognized the outstanding members of their organizations.

The honorary English fraternity, Sigma Tau Delta, annually presents a medal to the senior student who has done exceptional work in the field of creative writing. The recipient this year was Janice Sisley.

Sigma Zeta, honorary science fraternity, made two awards this year. The first went to Joann Kenney as the outstanding member of the organization. The second, a new award, the Culver-Rogers memorial fund was presented to Harvey Peterson. The fund is set up to further the interest of science. This year \$25 was set aside as an award to a junior student.

(Continued on page 5)

Alumni Association Holding Buffet Supper At Nelson Hall June 8

A buffet supper at Nelson Hall on Thursday, June 8, at 6 p.m. will mark the first annual meeting of the re-activated Alumni association of CSTC. A most cordial invitation is extended to the graduating class of 1950, alumni, faculty and friends to attend this alumni meeting on the eve of the mid-century commencement.

A reception will be held at 5:30 p.m. at Nelson Hall and a business meeting will be held after the supper. Reservations for the supper at \$1.25 per plate (amount to be sent with reservations) are to be sent to Miss Syble Mason, alumni secretary here at CSTC by Monday, June 5. The commencement committee will reserve a section of 50 or more seats for alumni for the commencement on Friday, June 9, if there are sufficient reservations.

The strength of the alumni program of activities will be determined by the number of active members in the association. During the past few months, 176 alumni have affiliated themselves as active members. The

Miss Mason

Alumni association cordially invites and urges the members of the graduating class of 1950 to affiliate as active members of the association before leaving the college campus. A strong active membership will be a decided asset to the college in the public relations program with its alumni and prospective students.

About 625 alumni will receive this issue of the Pointer in which will be enclosed a reservation blank for the buffet supper. The January and June 1950 graduates will receive a separate letter with a reservation blank and active membership card inviting them to the alumni meeting and to become active members of the association. Annual dues are \$1.00.

Workshop Broadcasting To Continue In 1951

Plans are now being completed to continue college broadcasting over radio station WLBL until July, 1951. Programs will come from the CSTC Radio Workshop studios in the college basement, according to President William C. Hansen. The State Department of Agriculture, which operates station WLBL, is co-operating in this enterprise and will furnish personnel for program directing.

The plans in general are that the college will be responsible for one and a half to two hours of broadcasting a day. This broadcasting will be carried by direct telephone wire to Auburndale and transmitted from there. The present WLBL studios in the Training school will be closed after July 1, 1950.

After July, 1951, if the arrangement is to continue, the college budget will have to provide the financial support. A more complete announcement will be made on this matter within a few days.

Doris Zimpelmann, Milwaukee; Harlan Stoltenberg, Waupaca, and Joseph Martini, Stevens Point, will receive the Bachelor of Science degree in this division.

Primary Division

In the Primary division, Bachelor of Education candidates are: Esther Berndt, Carol Collins, Ruth Finch, Mrs. Helen Eagleburger, Marchita Newton, Rita Peabody and Colleen Rybickie, Stevens Point; Mary Connor, Auburndale; Harriet Hennig, Watertown; Mary Kearns, Dalton;

by Sigmund Romberg, accompanied by Frank Wesley. Following this, Dean Fowlkes will give his address. The overture from "Fingal's Cave" by Felix Mendelssohn, will be played next by the band.

To Present Graduates

President William C. Hansen will introduce Dr. Quincy Doudna, director of rural, intermediate and upper elementary education; Miss Susan Colman, director of primary education; and Raymond M. Rightsell, director of secondary education, who will present the graduates. Mr. Hansen will present degrees or diplomas to the 128 candidates in these divisions.

After the playing and singing of "Alma Mater," Rev. Davies will give the benediction. The graduates will then leave the auditorium to the strains of "Pomp and Chivalry" by Charles Roberts.

Seniors in the Intermediate, Upper Elementary and Junior High division who will receive the Bachelor of Education degree include: Robert Bennett, and George Phillip, Stevens Point; George Boneske, Athens; Robert Brehm, Wisconsin Rapids; Mildred Gramse, Waubesa; John Gurlholt, Iowa; Yvonne Jacobson, Iowa; Margaret Johnson, Waupaca; Wallace Ludwig, Phelps; Robert Peters, Grand Marsh; Desmond Bragg, Medford; Gerald Quinell, Wisconsin Rapids; LaVerne Schmidt, Wisconsin Rapids; Ray Scheffner, Beloit; Louise Solverud and Rachel Solverud, Nelsonville;

Main Speaker at Commencement Will Be Dean Fowlkes of U. of W.

Dr. John Guy Fowlkes, dean of the School of Education at the University of Wisconsin, will be the main speaker at the annual commencement program to be held on Friday morning, June 9, at 10 o'clock, in the CSTC auditorium.

The college band, under the direction of Peter J. Michelsen, will open the program with the traditional professional "Pomp and Circumstance" by Edward Elgar. Rev. Bertram Davies of Frame Memorial Presbyterian church will give the invocation.

Plans are now being made to broadcast the CSTC commencement program over the entire Wisconsin State network. If the plans are carried through, the AM broadcast coming from WLBL will be picked up at the transmitter at Auburndale and carried to other state AM stations. At the same time, the state FM transmitter at Rib mountain will rebroadcast the program on the FM network. Radio station WLBL will carry the entire two-hour program, regardless of whether present plans go through or not.

This type of program can set a precedent for state-wide broadcasting of other important college functions at CSTC which would be of interest to all the people in this state.

John Kowaleski, a graduating senior in the secondary division, will then sing a tenor solo, "Desert Song"

PICTURED HERE are the winners of the major awards at the annual program on May 23. From left to right, bottom row, are Joann Kenney, Beverly Barnes, Carol Mewa, Bonita Babcock, Mrs. Helen Eagleburger, Lorraine Goltz, Janice Sisley and James Koehn; top row, Dick Lorenzen, Arthur Witalison, Marjorie Myers, Harvey Peterson and Richard Green.

★ Placements ★

Here is the latest on placements of seniors who will be graduating and eligible to teach beginning next fall: Richard Green will teach at Gillett, mathematics and science; Fred Brewer, Auburndale, music and English; John Zei, Mellen, English and history; Jack Whitney, Woodruff, music; Lola Van Ornum, New London, home economics; Harry Hemstock, Fall River, music and mathematics; James Whelihan, Unity, music; Betty Trzebiatowski, Amherst, rural; Vernon Maurer, Grand Marais, Michigan, geography.

Lewis.

**Best Wishes, Seniors! - - -
Hello, Alumni!**

This message will serve as a farewell message to those who are graduating and as a "Welcome back" message to alumni who are planning to be on the campus during commencement week. I want to congratulate the graduating class on the completion of your respective courses and wish all of you well in your work next year. There are some of you who would like, and who deserve, a teaching position and who are not yet definitely situated, but we are certain that there will be a good many placements made during the next 10 weeks. I hope you may be among the fortunate ones.

Many of the Pointer readers will be back on the campus next year, and I hope you have a pleasant and very profitable summer.

We are in hopes that quite a few alumni will avail themselves of the invitation to return for a day or so during commencement week. Our Alumni organization is gradually but quite definitely growing. We expect, as we get more financial support, to be able to keep all of our alumni informed about what is going on on the campus. We hope to be able to keep you in touch with what other alumni are doing and where they are, through publications from time to time.

Our best wishes to all of you!

William C. Hansen
President

But Not Goodbye

When this issue of the Pointer rolls off the presses, I shall clear away the mound of assorted debris on my desk, locate my books and spectacles and trudge on to my appointed rendezvous with destiny. I am in a welter of mixed emotions as I leave the newspaper. I am happy at being relieved of editorial responsibility, yet sad at parting company with the fine group of people who comprise the staff.

I wish to take this opportunity to thank the faculty advisers of the Pointer for their splendid co-operation in guiding me past the various pitfalls which beset an untried editor. I sincerely hope that their faith in me was not unwarranted.

Next year, when I can pick up a copy of the Pointer without proof-reading it, I shall mentally travel back to the informal gaiety of the Monday night editorial sessions.

In closing, I want to extend my best wishes to the new editor of the Pointer, who was chosen for the position because he has repeatedly demonstrated his fitness to hold the office. May his participation in college newspaper work be as rewarding as mine has been.

Arthur G. Witalison

STUDENT ORGANIZATIONS

Young Republican Club
Frederick A. Krempfle gave an address on the American bipartisan foreign policy at the last meeting of the Young Republican club. At the conclusion of his talk, Mr. Krempfle was asked questions concerning this topic by members of the club. Following a short business meeting, a picnic was held at Iverson Park with Mr. Krempfle as a guest of the club. Other guests attending the meeting and picnic were Glenna Clark, Barbara Bauman, Tom Lund, Pete Thomas, Bob Marsh and Ashley Slomann.

Home Ec Club
The Home Economics club ended the year of activities with a picnic last week at Bukolt park. After a delicious picnic supper, the club had their monthly business meeting. Officers were elected for next year. They are Beverly Barnes, president; Margaret Jones, vice-president; Hermelinda Bohl, secretary; Delores Newhall, treasurer; and Winnifred Pierce, press representative.

Beverly Barnes initiated the senior girls into the American Home Economics association.

Radio Workshop
Miss Gertrude Hanson's Radio Education Class, Education 231, will broadcast a dramatic show, "Ben Hur," on Wednesday, May 31. This program will be on the air from 3:15 to 3:45 p.m. On Friday, June 2, the Radio Workshop will end its regular broadcasting season with its presentation of "The Music Album." Daryl Fonstad will be in charge of this production, which will be on the air from 3:15 to 3:45 p.m.

The commencement exercises at CSTC on June 9 will be broadcast

over the Radio Workshop facilities according to a recent announcement by Miss Hanson. Fonstad, Maurice Mead, Ed Furstenberg and Ronald Jarvis will be in charge of this program.

Miss Hanson would like to thank all those who have helped to make this, the tenth year of Radio Workshop work, the most successful season for the group. She would particularly like to thank the organizers, Gilbert W. Faust, Grace Peterson, Frank Wesley, Muriel Held and Barbara Clark for their work on the noon time organ melodies program. Miss Hanson feels that special recognition should go to Daryl Fonstad, who is finishing his fourth year of Radio Workshop work, and Arlene Kromroy, who has been with the group for the past three years. Daryl has been the assistant director for the past two years and Arlene has been in charge of "Our Book Corner."

YWCA
The final meeting of the YWCA was held on Thursday, May 18, in the Nelson Hall rec room. Louise Oelrich was elected president with the following officers to assist her: Betty Mehne, vice-president; Beverly Tibbetts, secretary; Barbara Clark, treasurer; Rita Fontaine, membership chairman; Marge Finch, social chairman; Verna Schaefer and Margaret Thorpe, program chairmen; Barbara Nelson, service chairman; and Marjorie Lawrie, press representative.

The vice-president, Harriet Henning, installed the new officers at a candlelight installation ceremony.

Plans were completed for the "Big Week-end" to be held, May 26-28,

NEW POINTER BUSINESS STAFF—Business matters of the 1950-51 Pointer will be handled mainly by (left to right) Charles Hodgdon, assistant business manager; Elmarie Sbertole, advertising manager; and John Mallow, business manager. Robert S. Lewis is the business adviser.

Mallow, Sbertole and Hodgdon Named Pointer Managers for 1950-51

John Mallow has been named business manager of the Pointer for the 1950-51 school year. Elmarie Sbertole was appointed advertising manager and Charles Hodgdon, assistant business manager. These appointments were announced by Robert S. Lewis and Miss Bertha Glennon, advisers of the Pointer.

After his graduation from Wabeno High school in 1946, Mallow spent a year and a half in the army, the principal part of which was spent with the occupation forces in Japan. John is a member of the secondary division and is majoring in geography, with history as his minor. This is his second year at CSTC.

Elmarie, who calls Stevens Point home, graduated from St. Joseph's Academy in 1947. She is a sophomore at the present time and a member of the secondary division, with her major interest in the field of mathematics.

Hodgdon, who comes from Shawano, graduated from the Shawano High school in 1949. He is a freshman, registered in the junior college, and has shown a strong interest in English and journalism and has found time to participate in football and golf.

At the present time all of them

Letters to the Editor

Dear Pointer Staff;
All during the present school year the undersigned has received a complimentary copy of the Pointer through the courtesy of the staff. I wish to assure you that this was a very gracious thing to do and also that this act has given me as an alumnus very much pleasure. Therefore, I wish to extend to the entire staff my cordial thanks for its kindness. Much future success to each member of the staff is the fervent wish of an old grad of 1902 and a former member of the CSTC faculty from 1912 to 1945.

My best wishes for the continued success of the Pointer and CSTC.
Sincerely yours,
Alfred J. Herrick.

at the Wausau camp.

Omega Mu Chi

Omega Mu Chi sorority entertained their nine senior members at a party held in the Nelson Hall recreation room, Tuesday evening, May 23. The sorority gave the graduates, Marilyn Bobbe, Esther Berndt, Mary Connor, Marjorie Kohler, Arlene Kromroy, Ruth Finch, Joann Kenny, Joyce Kruger and Carol Mews boxes of personalized stationery as parting gifts.

A general classroom motif dominated

are busy preparing themselves for assuming their respective responsibilities next fall.

Can't Stop To Concentrate

The rush of the last minute affairs — dinners, picnics, teas, term papers, overdue assignments, etc. — has us feeling like the man who went into a circus and strolled around until he came to the camels. There he stopped, gazed at the cud-chewing animals, then stooped to pick up a straw from the animals' bedding. He placed the straw squarely on a camel's back. He waited. Nothing happened. "Wrong straw," he muttered and hurried away.

The clock on first floor in front of the Pointer office went on a rampage last week. People are spoken of as being two-faced but in this case the hands on one side of the clock were really trying to outdo the other. Confusion was the result when students synchronized their watches with one side and happened to glance back at the opposite side on passing. We'll just have to learn to tell time by the sun again!

Heard this one recently about our progressive younger generation. Little Sammy began to object to attending kindergarten. No form of persuasion could change his mind. Finally his desperate parents dropped the child psychology techniques and insisted that he go. Little Sammy reluctantly agreed with, "If you want me to grow up to be a darn beastringer, I'll go."

We are heartened to see that there is one organization in CSTC that is entirely unselfish. We refer to Sigma Tau Delta, the honorary English fraternity. Signs were posted around the college building reading "Words' Worth (the yearly literary publication of the fraternity) is coming out soon." And graciously beneath that was added "Watch for it." Editor Marsh and his staff of "It" should pay regular advertising rates for that.

Walked over to the Sugar Bowl one evening last week end to have one of the inexpensive but good hamburgers sold there for supper. They have fixed up the yard in front of the place a bit. But we're curious. Is the "lawn" sowed with quick growing grass seed or is it asphalt with green sand sprinkled on it for effect? We didn't want to get down on our knees to inspect as there were too many people around at the time.

The men seem to be taking the women seriously when it comes to this matter of women being independent and padding their own caecoes. For we saw just that at the Sigma Tau Delta outing at the Wausau lakes this last week end. Several men leisurely rode along as the

Saying Goodbye

As the second and last semester of my scholarship approaches its end, I want to express my sincere gratitude for all the kindness, help and hospitality that I received from faculty members, student organizations and students at CSTC. I am especially indebted to Miss Gladys Van Arsdale, President Hansen, Mr. and Mrs. Ray Specht, and to Mrs. Angel, Miss Elstad and the girls at Nelson Hall.

After my return to Germany in the fall, I am going to teach languages, and I hope that for many years — as long as health and modern European history will allow — I shall be able to acquaint young students in the "Old Country" with the American way of life.

If ever you get over there, come to see me!

Welcome, Alumni

Those of us among the students and faculty here on the campus are happily anticipating the festivities of Commencement week. We are anxious to see a large number of our alumni who will be returning to enjoy the buffet supper on Thursday, June 8, at Nelson Hall. We hope one will tell another so that we may meet old friends as well as make new ones.

The Alumni association, which gives evidence of becoming a strong force in the life of Central State, is the result of wishful thinking by many, careful planning by some, and many hours of good hard work by a very few. It is now in an embryo state. It will continue to thrive and grow powerful only through the cooperative efforts of all who appreciate and love CSTC. This will mean personal sacrifice, but the rewards will be great.

May we have the pleasure of meeting and greeting our alumni in large numbers during Commencement time at this half century mark.

May M. Roach

A Senior Reminisces

By Melvyn Carlson

This I remember —

Fall registration in '46 — the feeling of not belonging — of being too old, as seen in the faces of many vets — the bewilderment of registration for freshmen and upperclassmen alike — the corny jokes — My amazement at the unceasing eloquence of Miss Roach — of Miss Colman's friendly smile — Miss Glennon's careful unfolding of the story of Milton —

My fear of Doc Tolo's tests and overwhelming relief at passing grades — round table talks with Dr. Jenkins — the amusing histrionics of Mr. Steiner —

Biology lab and drawing, genetics and complete bewilderment even under the infinite patience of Doc Pierson — physiology and Mr. Epple — extreme distaste of dissecting frogs

Practice teaching, experience and occasionally utter confusion — Yes, these and many other classes and teachers will remain in my web of memories.

I shall also remember —

The first homecoming bonfire — the snake dance and the unfortunate burning of an outhouse —

The unbroken string of homecoming victories and the resultant celebrations —

The awkward stiffness of vets at athletic events wondering whether they should cheer or not with "the kids" — The heart-failure basketball games — victory won or lost in the final moments — resultant ecstasy or despair — Intra-mural sports and the attending horseplay and good clean fun —

Remember —

Sunny days on the lawn and the dry witticisms of the college clowns —

The Mardi Gras and singing "Cool Clear Water" — the hula dancers of the sororities —

The beautiful Christmas pageants and the blending of singing voices —

Mr. Michelson's unflinching string of fine bands and the excellent concerts —

Glee club and chorus — tuxedos, formals, and beauty of voices raised in unison —

I will remember —

Debate and nonsense over a cup of coffee at the Eat Shop — The rocky road of pledging and candle-light initiations into secret organizations —

School dances — faculty line-ups — good music — tired feet — the Modernistic for a steak — and so to bed —

Eighty Members Attend Music Department Picnic

About 80 members of CSTC's Band, Mixed Chorus, and Girls Glee club enjoyed their annual picnic at Iverson Park on Wednesday, May 17.

Faculty guests included Mr. and Mrs. Peter J. Michelson, Dr. and Mrs. Nels O. Reppen, Mr. and Mrs. Herbert R. Steiner, Dr. Quincy Doudna, Miss Edna Carlsen and Miss Susan Colman.

The food committee was headed by Betty Mehne and Jack Whitney.

Members enjoyed a game of softball before and after the lunch.

Dwaine Drew First in Current Events Test

Dwaine Drew, a Freshman, was the first place winner of the recent Time magazine current events test sponsored by the history department, according to Dr. Harold M. Tolo. Second place went to John Gruman, third to Jack Popeck, fourth to Dick Francis, while Ronald Ohnesorge and Lloyd Wilson were tied for fifth place.

The winners each get a book of their own choice valued up to \$5.00. The contest was sponsored by the Time Educational Journal. The highest score was 92.

Formal affairs and the gorgeous girls in breathtaking formals — (they didn't dare to breathe) —

Summer school and class held early in the cool sweetness of a June morning —

All this and much more, I shall remember, this and binding friendships, laughs and occasional heartaches — the warmth of success and the fear of failure — all in all it adds up to a pleasant picture of four years of study, class, and fun. It completes a sunny portion of life that I shall never — forget.

Junior High School Plans Promotion Day June 6

Promotion Day for the Mary D. Bradford junior high school students will be held on June 6.

The processional will be followed by a welcome address given by Dick Kitzrow, president of the eighth grade. A cornet solo, "Rose of Tralee" will be played by Robert LaBrot, accompanied by William Atwell. An address, "Power Without Control" will be given by Joseph J. Mott of the college faculty, who will be introduced by Kitzrow.

A sextet composed of Shirley Gullickson, Karen Wieman, Rosemary Kostuck, Eleanor Krubsack, Richard Fieting and John Jackson will sing "Deck Thyself, My Soul" by Bach. A piano solo, "Polonaise Joyeuse" by Krentzen will be played by William Atwell.

The presentation of certificates by Dr. Raymond E. Gotham will then take place. The entire Junior High will conclude the program by singing the school song.

To CSTC Alumni:

On behalf of your Alumni association I send greetings to the graduating class of 1950 and to all the friends and alumni of CSTC.

This greeting is particularly appropriate this June after the first year of the existence of the Alumni association under its new constitution. CSTC now has the organization for developing and carrying forward a strong program of cooperation and support between the alumni, the faculty and student body. Its future will depend upon how willing we are to spend the time and effort necessary to chart and to develop its program.

I wish to thank my fellow officers and the faculty committee of the college for their gracious and unstinting efforts of the last year. They deserve full credit for any gains that may have been made.

With the new members of the Class of 1950, the future of the Alumni association should be as bright as its present promise.

Sincerely,
Virgil E. Herrick
President, Alumni Association

Mrs. Crow, Miss Grime, Miss Schleuter and Mr. Knox Honored at Dinner

The Training school faculty gave a dinner in honor of Mrs. Frank W. Crow, Miss Elsie Grime, Miss Frieda Schleuter and William B. Knox on Monday evening, May 22, at the Neil Hotel in Waupaca. These four will not be returning to the Training school next year.

The tables were beautifully decorated with a maypole centerpiece, place cards and nut cups and large bouquets of flowers, which were given to the guests at the close of the dinner.

The members of the committee in charge of arrangements for the event included Miss Gladys Van Arsdel, chairman, Miss Leah Diehl and Burton R. Pierce.

NELSON HALL—This recent "spring" photo of CSTC's home away from home was evidently made at one of the rare times when activity was at a minimum.

Alumni Briefs

Mrs. Marjorie Kerst, chairman, class of 1948, Miss Myra Hill, class of 1947 and 1950, and Francis Roman, class of 1928 and 1944, served as a nominating committee for the election of five directors of the Alumni association. The election was recently conducted by postal ballot. Two slates were presented, with the following nominees being elected: Miss Doris Ockerlander, class of

Important Alumni Dates

- June 4 Baccalaureate Services

1948, and Dr. Frank Klement, class of 1935, for one-year terms; Mrs. Elizabeth Collins Pfiffner, class of 1929, and Mrs. Hazel Beck Gotham, class of 1936, for two-year terms; and William Golomski, class of 1948, for a three-year term. These directors will select the president, vice-president and executive secretary of the association. The directors and officers will be presented at the annual meeting.

Several alumni have received interesting appointments and honors during the year. One of the finest tributes for years of service and devotion to the youth of a community was exemplified at Algoma on Saturday, April 15. This day was known as "Higgins Honor day," when the citizens of Algoma, and former and present students of Miss Alice Higgins, a CSTC graduate of 1942, feted her for 25 years of service in the Algoma school system. An editorial of the Algoma Herald of April 20 declared in part, "Twenty-five years of tenure in one school system is a long time. It is long enough for a teacher to have exerted her influence on father and son — mother and daughter. None will ever be able to measure or evaluate Miss Higgins' contributions to Algoma during the past quarter of a century. 'Higgins Honor Day' was simply a tiny gesture by a community to show its respect and to honor a conscientious and unselfish worker in the field of education. Miss Higgins has brought honor not only to herself, but to her family, her community

Award Presentations Made at Annual Men's Glee Club Banquet

Members of the Men's Glee club concluded one of the club's busiest years last Thursday evening with a 6:30 p.m. dinner at the Presbyterian church parlors. Edward Plank again did a fine job in his annual role of toastmaster.

Brief talks were given by Miss Susan Colman, Mrs. Elizabeth Pfiffner, Miss Carolyn Rollson, Miss Bertha Glennon, Frank S. Hyer, Dean and Mrs. Herbert R. Steiner, Mrs. Frank Spindler, Rev. Bertram Davies, Mr. and Mrs. Gilbert W. Faust, and Carl Strassburg, an alumnus of the organization. The toastmaster introduced Mrs. Hyer, Mrs. Davies, and Mrs. Plank. President and Mrs. William C. Hansen were unable to attend because of a previous engagement.

Norman E. Knutzen, Glee club director, introduced the new officers, Rudy Horn, president; Robert Gilbert, librarian; Norvin Holm, business manager.

First Year Awards

The outgoing president, Kenneth Veselak, presented first year awards to the following: William Clayton, Douglas Harvey, Paul Zei, George Barber, Frank DeGuire, Henry Dreschler, Allan Parkin, Clarke Poad, David Fechter, Bruce Humphrey, Robert Putzier, Gordon Sorensen, Richard Schmidt, William Hong, Jack Hurlbut, Roland Krueger, Leonard Marko, Jerry Moede, Edward McCandless, Robert Peters, John Bruha, Richard Bruha, Malcolm McMillan, Jerome Place, Jack Popeck, Bertram Davies and Frank Wesley.

Second, third and fourth year awards were presented by Mr. Knut-

zen. Two year bronze keys went to Parr Eves, Gerald Quinell, Garth Spees, Willard Knutson, Bernard Laabs, Edwin Heuer, Chester Polka, Rudy Horn, Lester Elmer, Kenneth Kulick, James Luhm, Dick Promen, Donald Sprise, David Van Hecke, David Varney, Charles Webster, Gordon Fairbert, Robert Gilbert, Don Hendricks, Donald Schultz, Charles Hanke and Bill Koch.

Third year silver awards were presented to Kenneth Veselak, Norvin Holm, Roland Rothman, Robert Cook, Lloyd Peterson, Edward Whelihan, and Robert Karsten.

Gold Keys Awarded

Engraved gold keys for four years went to John Bartelt, Robert Brehm, Robert Ellington, Robert Morgan and Harlan Stollenberg. Certificates for three and a half years were awarded to Carl Torkelson, Robert Stenerson and Harold Humke.

Next year will be the fifteenth anniversary of the organization and Mr. Knutzen stated that a special celebration will be held to which all of the 340 former Glee club members will be invited. Special thanks was expressed to all those who had in any way helped the club and especially to President Emeritus Frank S. Hyer, who was instrumental in starting the organization.

Mr. Knutzen then announced that Mrs. Steiner had been made a Glee club mother. She joins Mrs. Spindler and Mrs. William Scribner, Sr., in that position. In closing, the director recounted the activities of the past year. The club traveled 2,880 miles and sang in 19 towns in Wisconsin and Upper Michigan and also sang 10 local concerts.

and her alma mater.

Miss Prudence Cutright, class of 1913, and assistant superintendent of elementary education in Minneapolis until February 1, 1950, has been appointed associate professor of elementary education at Macalester college, Saint Paul. In an editorial on Miss Cutright's resignation, the Minneapolis Star declared, "Educators all over the country long have acclaimed her attainments in elementary education. She gave the Minneapolis schools a national reputation in that department."

Miss Florence Flugar, class of 1945, formerly of Stevens Point and now of Minneapolis, has been serv-

ing as associate editor of MINE, a magazine for the junior Catholic, published in Minneapolis and widely circulated in Catholic grade schools. Miss Flugar was a former editor of the Pointer.

Mrs. Robert McLure Fairleigh, Hopkinsville, Ky., the former Frances Baker, class of 1909, recently was named Hopkinsville's "First Lady of the Year." The selection is made annually to honor the women who have done most for the community in civic activities in a voluntary capacity. A Hopkinsville newspaper declared, "Her work extends far beyond the call of duty toward her home, family and community, with her

(See ALUMNI, page 5)

Sixteen Regular Faculty Members Will Take Vacations This Summer

Sixteen members of the regular CSTC faculty are going on vacations this summer, as it is their "summer off." Most of them have made definite plans while the others are waiting for possibilities to become definite.

Norman E. Knutzen plans to attend summer school conferences at the University of Wisconsin, and to serve as a consultant for the conservation camp at Eagle River. Then he will travel east to work on a project in Midwestern literature.

Frank W. Crow also will do some traveling. After spending three weeks at the Historical Library in Madison, he plans to visit and to study in eastern libraries. His study in these libraries will be on material for his doctorate.

Attending School

The library will be without Miss Margaret Ritchie, who is going to attend the summer school session at the University of Illinois.

Dr. Harold M. Tolo, who will be having his second vacation in 14 years, will spend most of his time with his family in Park Ridge. He is, however, planning to spend the month of August on the University of Minnesota campus.

Agricultural pursuits will take up the time of Dr. Nels O. Reppen, as he plans to spend most of the vacation period working on his farm in Taylor county. He will, however, travel to the Pacific Northwest and visit relatives in Seattle sometime during the summer.

Miss Pauline Isaacson plans to attend summer school but has made no definite plans concerning the school that she will attend.

Summer at Cottage

Gilbert W. Faust will spend his summer at his cottage near Waupaca, on the Chain of Lakes.

Miss Mildred Davis will attend the wedding of her niece and namesake, Mildred Davis, in the West. After the wedding she hopes to travel throughout the west coast and British Columbia.

Miss Gladys Van Arsdale will attend summer school in California at UCLA. While there she will attend a Bavarian reunion with the people she worked with while serving as a curriculum expert for the American Military Government in Germany.

Going to Maine

Miss Helen Heel will spend some of her time at her home in Maine, but hopes to go to school at the University of Michigan.

Miss Harriet Wright will attend

WSGA Gives Dinner in Honor of Senior Women

Eighty-five students and guests attended the dinner given in honor of the senior women by the Women's Self Government association. The dinner was held at Nelson Hall Tuesday evening, May 16.

Miss Bessie May Allen, Miss May Roach and Miss Susan Colman were special guests at the dinner, in addition to Mrs. Elizabeth Pfiffner and Miss Miriam Moser, WSGA advisers.

The buffet in the dining room was decorated with diplomas and mortar board hats. Miniature garden tools carried out the idea that the "seniors should keep digging." Flowers and pastel tapers centered the dinner tables.

Roberta Henderson, president of WSGA, welcomed the guests. She introduced Norma Mayer, who gave a toast to the seniors and acted as toastmistress for the remainder of the program. She in turn introduced Phyllis Myleby who responded for the seniors. Faith Spencer sang "By the Bend of the River" and "The Lucky Old Sun." Barbara Clark accompanied the soloist and led group singing.

Nancy Sannes served as general chairman for the dinner. Dolores De Rouchey, Colleen Schroeder and Vera Hill were responsible for the decorations. Rose Ann Kearns was in charge of tickets and Virginia Fickens was in charge of the invitations.

Plans Near Completion For Room Reorganization

Plans are near completion for several major changes in room organizations at the Training school, according to Dr. Raymond E. Gotham, director of the school.

On the first floor one large and two smaller rooms are being constructed to be used for the first grade. The present first grade room will be divided in order to add two smaller rooms for practice purposes for the second and third grades.

The sixth grade will be moved from the second to the third floor of the building. This will provide additional room for the fourth and fifth grades on the second floor and adequate room for the sixth grade on the third floor.

After the closing of the WLBL studios, the additional space in the Training school will provide splendid opportunities for the visual education and music departments. An art room will also be equipped for use.

SPRING SCENE—This picture includes that which in spring, a young man's fancy lightly turns to thoughts of— From left to right are: Dolores De Rouchey, Mary Searles, Judy Felton, Jane Mueller, Marion Kavanaugh, Betty Arts, Bonnie Duff; (seated) Angie Wittman, Ann Ziegler.

Stop, Look and Listen!

Survey Shows Lack of Legality Among Pedestrians and Motorists

The members of Raymond E. Specht's Driver Education class, Education 209, recently completed a series of traffic surveys in connection with their driver education studies. Two of the surveys, which should prove of particular interest to the students and faculty of CSTC, were made on Main Street near the college.

The first of these studies was conducted at the intersection of Main and Fremont. In a one hour period the observers plotted the actions of 56 cars and 156 pedestrians and compiled the following statistics:

Automobiles:

1. A total of 56 cars were observed.
2. There were 21 illegal right or left turns. An illegal turn constitutes being in the wrong lane while turning a corner.
3. There were seven incomplete stops at an arterial. These illegal stops were made by the "drive slow, shove in into second and go, boys" who seem to interpret the "Stop" signs on the corner to read "Shift."
4. Of the total of 56 cars observed, exactly half of them were involved in an illegal action.

Pedestrians:

1. A total of 156 pedestrians were observed.
2. There were 79 legal crossings.
3. There were 79 illegal crossings or "jay walkers." According to the Wisconsin statutes, "jay walkers" forfeit their right of way in case of an accident.

In the second survey, which was conducted near P. J. Jacobs High school at the intersection of Main and Michigan, the following statistics

were obtained:

1. 262 vehicles were observed.
2. Eight cut into the wrong lane.
3. Four passed in a clearly marked school zone.
4. 40 speeded in a school zone. (This is an approximation)
5. 14 failed to stop when necessary.
6. 14 failed to stop at a stop sign.
7. There was a total of 80 traffic violations.

A summary of the statistics in these two surveys shows that out of a total of 318 vehicles observed, 108, or approximately one-third, were violating the state traffic laws. In addition to this there were 79 illegal crossings by "jay walkers" who have yet to learn that a straight line is not always the quickest distance between two points.

Annual Senior Tea Given by Mrs. Pfiffner

Spring flowers and pale pink candles formed an attractive setting for the tea-table at the annual Senior tea given by Mrs. Elizabeth Pfiffner, dean of women, on Saturday afternoon, May 20, in the home economics parlors.

Mrs. Raymond E. Specht, Mrs. James R. Hicks, Virginia Gmeiner and Muriel Neerhof presided at the serving table during the afternoon. Colleen Schroeder was general chairman, assisted by the sophomore home economics food class. Assistant hostesses were Harriet Marking, Betty Mehne, Mary Douville, Maxine Buchanan, Nancie Goebel, Joanne Altenburg, Mary Pfiffner, Mary Jane Buss and Roberta Henderson.

FAMILIAR FACES OF CSTC

There are husband and wife teams in practically everything these days — radio, stage and screen — so it's only reasonable that CSTC has a pair too. Dick Berndt from Wausau and Esther Murat from Stevens Point enrolled in CSTC in 1946, unknown

to each other but both in the secondary division. He had just been discharged (honorably) from the army and she had completed a year at St. Olaf's at Northland, Minnesota. "It was OK there," she remembers, "but I like it here a lot more."

The Berndts met at a Training school dance; they were introduced by Warner Christian, who is still one of their best friends. The dates flew fast and furious after that and they were married on August 21, 1948, at Trinity Lutheran church. Dick had boomed out to the reviewer that the date was August 20, but was quickly and carefully corrected by his wife.

Changed to Primary

When Esther entered school she enrolled in secondary, but as a junior she changed to primary, losing a year in the switch. Since she had gone to St. Olaf for a year, she has spent a

1950-51 Social Calendar

September

- 11-13, Monday-Wednesday — Registration
- 15, Friday — Faculty Reception
- 29, Friday — Football here

October

- 6, Friday — Wausau Convention
- 9, Monday (evening) — Football here
- 13-15, Friday-Sunday — Homecoming and football
- 26, Thursday — Band Concert by CSTC band
- 28, Saturday (afternoon) — Football here

November

- 2-3, Thursday-Friday — Milwaukee Teachers Convention
- 6, 10, Monday, Friday — Jr. High Operetta
- 20, Monday evening — Men's Glee Club concert
- 23-24, Thursday-Friday — Thanksgiving vacation

December

- 11, Monday — Basketball here
- 17-18, Sunday, Monday — Christmas Concert
- 21-January 2 (inclusive) — Christmas vacation

January

- 10, 11, Wednesday, Thursday — Alpha Psi Omega play
- 27, Saturday — Band Masters' Clinic
- 29-February 2 — Final Exams

February

- 2, Friday — End of First Semester
- 5-6, Monday-Tuesday — Registration
- 7, Ash Wednesday, beginning of Lent
- 19-23, Training school play in Auditorium

March

- 10-11, Saturday-Sunday — Band Homecoming
- 22-26, Thursday-Monday — Easter vacation
- 30, Friday — Senior Day
- 31, Saturday — Pan-Hell

April

- 8, Sunday — Symphony Concert
- 19, Thursday — Mixed Chorus

May

- 2, 3, Wednesday, Thursday — Alpha Psi Omega play
- 19, Saturday — Junior Prom

June

- 8, Friday — Commencement

Awards Day Program

(Continued from page 1)

dent based on scholarship, interest in science and need. Selection was made by a committee composed of the heads of the science departments, President Hansen and a member of Sigma Zeta.

Recognition to Seniors

Recognition was given to senior members of Alpha Psi Omega, honorary dramatic fraternity. Bernard Alberg, Melvin Berg, Phyllis Kasper, John Kowaleski, Arlene Kromroy, Kathleen O'Connor, Phyllis Mykleby and Janice Sisley will receive gold pins as a reward for their services.

Batons were given to Jack Whitney, Marjorie Kohler, Walter Peterson, Harry Hemstock, Fred Brewer and Grace Peterson by Alpha Kappa Rho, honorary music fraternity.

The winners of the sign contest sponsored by the Student Council were announced. Hildegard Kuse and Lucien Roy were declared co-winners. Each will receive a \$5 award.

Fred J. Schmeckle, head of the conservation department, presented two \$50 scholarship awards in behalf of the Fox River valley district of the Wisconsin Federation of Garden clubs to Robert Cook and Galen Parkinson. Alternates named were Gene Raddant and Alan Bowers.

Another new award, the Primary Council scholarship award, was presented to Marjorie Myers. The prerequisites for the award which pays the semester fees, are scholarship and need. The award is given to a junior girl.

Babcock Receives Award

Bonita Babcock received the Mrs. Winifred Spindler award sponsored by the Tau Gamma Beta sorority. The award, also a new one this year, is given to a junior girl who is a member of Tau Gamma Beta and has maintained a scholastic average of 1.5 or above and has contributed both to the school and the sorority. The recipient of this honor, named for a past patroness of the sorority, is chosen by the senior members and the advisers.

Dr. Harold M. Tolo, business adviser of the Iris, presented pins to Robert Putzier, business manager, Bill Worzalla, advertising manager, Dick Francis, photographer and Harry Johnson, editor, in recognition of their services in assembling the 1950 yearbook.

Other publication awards in the form of gold keys were given to Arthur Witalison, editor of the Pointer, and Ed Pliska, business manager. Robert S. Lewis, business adviser of the Pointer, made the presentations.

Band, Girls Glee club and Mixed Chorus awards were made by Peter J. Michelsen, head of the music department. Grace Peterson received a four year Glee club award. Three year honors went to Yvonne Jacobson and Colleen Rybickie. Betty Mehne received a president's pin. Grace Peterson also received a four year Mixed Chorus award. A president's pin and a three year award went to Jack Whitney.

Band Awards

Gold keys for four years service in the band went to Fred Brewer, Harry Hemstock, Jack Whitney, Grace Peterson, James Whelihan, Marjorie Kohler and Walter Peterson. Silver keys for three-year band membership were awarded to Nancy Boehme, Don Douglas, William Metzgar, Betty Mehne, Andrea Miller, Betty Gilbertson, Carman Lane and Virginia Gmeiner.

The Womens Athletic association recognized member participation with appropriate awards. Pins signifying four years service were awarded to Lillian Douglass, Lorraine Goth and Carol Mews. Betty Mehne, Muriel Neerhof, Harriet Obinger and Marcella Schantz received three-year sweater awards. Letters for two years of active participation were given to Letitia Brunner, Gertrude Collum, Delores Jones, Ruth Olson, Beverly Berg and Rita Peabody. One year emblems went

to Glenna Clark, Carol Gilbertson, Ellen Green, Amy Kampenga, Donna Morgan, Helen Nulty, Mary Ann Petersen, Cydelle Stecker, Virginia Trapino, Lauretta Wallner and Florence Zanella. Yvonne Jacobson and Carol Radichel were awarded past president's pins.

The Little Brown Jug, symbol of the Chi Delta Rho-Phi Sigma Epsilon softball rivalry, was awarded to Phi Sigma Epsilon, winner of the 1950 series. It is the first time the Phi Sigs have possessed the trophy since 1934.

The Hirzy Athletic award was presented to Dick Lorenzen by Miss Susan Colman of the faculty. This award is given annually to the outstanding all-around athlete of the year. The donor, Ferdinand Hirzy, Colonel, U.S.A., Ret., is a graduate of CSTC. Honorable mention was given Bill Koch.

Frank W. Crow, representing the athletic committee, distributed sports awards for the year. Basketball letters were presented to Eugene Fick, Eugene Polzin, Chester Polka, William Wagner, Walter Samelstad, Don Schneiders, Bruce Menzel and William Conachen.

Student manager James Curry also received a letter. Roland Krueger and Jim Fumelle received sweaters in recognition of their managerial services.

Track Letters

Track letters went to William Koch, Harold Pinther, James Luhm, Don Olson, Eugene Polzin, Brice Warner, Robert Kowalski, Chester Polka, Richard Lorenzen, Edward Havitz, Warner Christian, Kenton Stewart, Tom Albers, Robert Gilbert, Al Dippel, Lester Elmer, Kirby Krbec and James Fumelle.

Bill Bart, Earl Korth, Kelley Douglas, Robert Johnson, James Christenson, Dave Case and James Benson received letters for their participation in tennis.

Golf letters went to Gerald Scheel, Frank DeGuire, Bruce Menzel, George Hohensee, Ransom Rhode and Gerald Reed.

John Kowaleski served as master of ceremonies for the awards assembly which is sponsored by the Student Council.

Dr. Gotham Points Out Practice Procedure

The advantage of completing practice teaching by the middle of the senior year is again pointed out to students by Dr. Raymond E. Gotham. Students are urged to complete their first techniques course during the first semester of the junior year and to request their first practice teaching during the second semester of the junior year. While all students are not able to schedule their programs in this manner, as many as are able will find it to their advantage.

The need for at least one good extra-curricular activity is also becoming increasingly apparent. Several good positions have been lost by students who had no extra-curricular activity that could offer. It is essential that students become proficient in these activities and that the activities are related to the major or minor whenever possible.

The quality of students' work is becoming far more significant. Formerly, school supervisors were not so concerned, because of the shortage of teachers. Now the supply is greater and both academic and professional work are being carefully considered.

The placement office also reports that although there is an oversupply of teachers in some fields there are not enough capable people. A number have not been selected because of the quality of their records. Dr. Gotham also wishes to remind those without positions that opportunities are available during the summer. Those who are interested are urged to leave their names, addresses and phone numbers at the Training school office.

SIMS COTTAGE AND RURAL DEMONSTRATION SCHOOL—The cottage in the foreground is used to train home economics majors in housekeeping and homemaking. Each major must live here during a part of her junior or senior year. The demonstration school in the background is a completely equipped schoolhouse with facilities enabling people in the rural department to gain experience under approximate conditions encountered in the teaching area.

Interested in Driver Education? Why Not Enroll in Institute

Students wishing to enroll in the Driver Education Teacher Preparation institute to be held here from June 12 to June 16 are asked to register as soon as possible with Raymond E. Specht, who will be one of the directors of the institute.

The purpose of this institute is to prepare high school teachers in Driver Education. It is sponsored by the Motor Vehicle department, Department of Public Instruction and Central State Teachers college and is open to all high school teachers and graduating college seniors.

Classes for the institute are scheduled from 8 a.m. to 6 p.m. No fees are required for the course but reservations for the Institute must be made in advance as the group will be limited to 35 students.

Mr. Specht is at present conducting a similar Driver Education institute for the Madison school system which is planning on inaugurating a 12 month driver education program in the near future. There are at present 10 teachers from the Madison schools attending these Saturday meetings. Mr. Specht stresses the advisability of taking this course to students interested in year-round employment.

The Motor Vehicle department presents all graduates of this course with a temporary permit that enables them to instruct classes in driver education.

Add Four New Courses To Science Curriculum

The curriculum committee of CSTC has announced the addition of four new five credit courses in the science field. These courses, Geography 150, Chemistry 150, Physics 150 and Biology 150, are shortened one semester versions of the two semester, ten credit courses in these subjects. They are designed primarily to give a general knowledge of fundamentals to those students in the elementary and home economics fields or others not intending to major in the science field.

Chemistry 150, which was formerly taught under the designation of Chemistry 101, will be included in the summer school curriculum and the other new courses will be offered during both semesters of the next school year.

MAIN SPEAKER

(Continued from page 1)

Hildegard Kuse, Medford; Kathleen O'Connor, Mosinee; Grace Peterson, Iola; Carol Radichel, Hortonville.

Secondary Division

Secondary division graduates who will receive the Bachelor of Science degree include: Mary Bemowski, Donald Guzman, Eugene La Marche, Leonard Jacoboski, Donald Kluck, Marjorie Kohler, William Martini, Donald Mayek, Joseph Moravec, Clarence Novitzke, Harold Pinther, Bernard Sbertole, John Whitney, Thomas Yonah and John Zei, Stevens Point; Fred Altmann, Blenker; Alex Aschenbrenner, Auburndale; John Bartelt, Marathon; Donald Bednarek, Princeton; Earl Benjamin, Bancroft; Melvin Berg, Milwaukee; Richard Berndt, Wausau; Marilyn Bobbe, Nelsonville.

Melvin Carlson, Ogema; Warner Christian, Wausau; LaVerne Collum, Wild Rose; Wilmar Cox, Soperton; Lillian Douglass, Coloma; Robert Ellingson, Amherst Junction; Daryl Fonstad, New London; Ellsworth Gaulke, Wausau; Wilbur Gierl, Colby; Lorraine Goth, Phillips; Douglas Graham, Wisconsin Rapids; Richard Green, Plover; Ernest Griff, Wausau; Lorraine Hakes, Bancroft; George Heinz, Brookway; Harry Hemstock, Sparta; Phyllis Kasper, Land O' Lakes; Joann Kenney, Marshfield; John Kowaleski, Milwaukee; Arlene Kromroy, Coleman; Joyce Krueger, Westfield.

Jerry La Fleur, Soperton; Charles Lanigan, Tomahawk; Robert Leklem, Wausau; James Mau, Marshfield; Carol Mews, Auburndale; Robert Morgan, Marathon; Phyllis Mykleby, Star Lake; George Negley, Crivitz; Gary Nelson, Waupaca; Russell Olson, Iola; Herbert Ottow, Oconto; Archie Parker, Pittsville; Marie Peterson, Eland; Walter Peterson, Cashton; Roland Sacho, Edgar; Phoebe St. John, Birnamwood; Dorothy Schmidt, Two Rivers; Janice Sisley, Phelps; Donald Sprise, Wisconsin Rapids; James Staus, Marshfield; Ray Szymanski and Wallace Szymanski, Marathon; Frank Wedder, Marshfield; Herman Wedder, Westfield; Edward Winkler, Unity.

Rural Division

In the Rural Division, Myron Koehler, Merrill; and Warren Lensmire, Athens, will receive the Bachelor of Education degree. Three-year diplomas in the Rural division will go to Grace Weaver, Neshkoro; Charles Webster, Plainfield; James Wood, Wausau. The

following will receive two-year diplomas: Leona Breske, Lorraine Laszewski, Francine Sabala, James Skupniewicz, Louis Slattery and Claire Thomson, Stevens Point; Frances Borek, City Point; Janice Colvin, Stratford; Alice Eichstadt, Montello; Carol Emmerich, Hamburg; Bernice Fletcher, Plover; Joyce Jensen, City Point; Joan Jewell, Redgranite; Thelma Jones, Friendship; Patricia Kelley, Tomahawk; Irene Luedtke, Edgar; Edith Phillips, Neshkoro; Gloria Redmann, New London; Dale Sickler, Schofield; Bette Rae Warner, Wisconsin Rapids; Joyce Zastrow, Athens.

ALUMNI

(Continued from page 3)

interest largely centered on public health and welfare."

Raymond Bartkowiak, class of 1949, is the census district supervisor of the 7th congressional district for the 1950 federal census with headquarters in Stevens Point. This office covers the counties of Adams, Green Lake, Langlade, Marathon, Marquette, Portage, Shawano, Waupaca, Waushara and Wood. The district office has 385 workers.

Celestine J. Nuesse, class of 1934, assistant professor of sociology at the Catholic University of America, Washington, D. C., is co-editor of "The Sociology of the Parish: An Introductory Symposium," a forthcoming Bruce publication. Mr. Nuesse is the author of "The Social Thought of American Catholics, 1634-1829," published by the Newman Bookshop in 1945.

Virgil E. Herrick, class of 1927 and president of the Alumni association, has compiled a monograph entitled "Toward Improved Curriculum Theory," views of noted educators in the major problems of curriculum theory, published by the University of Chicago press. Mr. Herrick is a professor of education at the University of Wisconsin.

Several CSTC alumni have entered the library profession. Kathryn (Becker) Sauerman, class of 1938, has been assistant librarian of the State College at Long Beach, California since Oct. 25, 1949. Elizabeth (Stadler) Simmons, class of 1948, has been branch librarian of the Boston Public Library in the suburb of West Roxbury, residential section about eight miles from downtown Boston and about 10 miles from

(See ALUMNI, page 9)

Changes in Training School Staff Announced by Dr. Gotham

Several changes in the Training school staff have been announced by Dr. Raymond E. Gotham, director of the school.

William B. Knox, who has had the position of supervisor of the sixth grade for three years, plans to return to the University of Wisconsin this fall to continue work for his doctorate in the field of elementary education. He has finished nearly half of his work and expects to complete the requirements within the next two years. Mr. Knox has a home in Madison which will make it very convenient for his work at the university. His family will accompany him there. He will, however, continue in his present position during this summer session.

Miss Elsie Grime, kindergarten supervisor, is also leaving, following the summer session. Miss Grime, whose mother died recently, is going to St. Paul so that she may be with her father and grandmother, who are living there.

Miss Schleuter Leaving

Miss Freida Schleuter, who filled the position vacated by Miss Mary Ullman, as social science supervisor of the junior high, is leaving in June. Miss Ullman, who has been on leave of absence while working on her doctorate at Columbia university, will return in the fall. Prior to her service at the Training school, Miss Schleuter taught in the occupied zone of Germany where she met

Miss Gladys Van Arsdale of the Training school staff.

Mrs. Frank W. Crow, substitute fifth grade supervisor, is also leaving. Mrs. Crow has been filling the position vacated by Miss Doris Ubbelohde, who left to be married at Christmas time.

Candidates for these positions are now being considered by President William C. Hansen and Dr. Gotham.

Council Recommends Dance Hours Change

The Student Council voted at its meeting Thursday evening, May 18, to go on record as recommending that college formal dances last from 9 to 12:30 without intermission. This was the action taken on the first of a series of proposals made by a CSTC faculty member.

The other proposals, which were designed to reduce extra-curricular activities on Tuesday, Wednesday, and Thursday evenings, were discussed thoroughly. It was decided that the proposals are too far-reaching to act upon at this time and an interim student-faculty committee was appointed to formulate and recommend definite action to be taken next year.

The meeting was attended by many students and representatives of organizations affected by these proposals.

Elmer Debot, 1024 Main st. In the absence of Mrs. Debot, who is ill, Mary Douville and Mary Pfiffner acted as hostesses. A May pole scene of pastel colored crepe paper adorned the table.

A group of girls sang an original song dedicated to the seniors, then each senior was called upon to tell her plans for the coming year.

A fruit punch was served before the entertainment and a buffet style lunch concluded the party. Marjorie Myers was general chairman for the party. Miss Gladys Van Arsdale and Mrs. Marjorie Kerst are the sorority advisers.

Sigma Tau Delta

Edmunds' Boat Landing at King on the Waupaca chain of lakes was the scene of the Sigma Tau Delta outing last Sunday, May 21.

A group of 25, including the fraternity members and their guests, attended the all-day affair. A launch trip through the chain, a softball game, canoeing and the eating of a substantial picnic lunch made up the program for the day.

Donna Alderton was in charge of food for the occasion.

Alpha Psi Omega

The national dramatic fraternity, Alpha Psi Omega, had its second semester outing in the form of a picnic at Iverson Park, Thursday, May 18.

The members of the fraternity asked as their guests all those who had participated in the last play, "Years Ago," in both dramatic and technical capacities. Special guests were Leland M. Burroughs, fraternity adviser and Mr. and Mrs. James R. Hicks. Mr. Hicks is technical adviser of the play productions.

In charge of food were Donna Alderton, Janice Sisley and Phyllis Kasper. Invitations were sent out by Phyllis Mykleby.

Gamma Delta

The Waupaca chain of lakes will be the scene of the annual Gamma Delta picnic on Sunday afternoon, May 28.

Officers and committee members have mapped out an afternoon of fun with plenty of good food to follow. Members are requested to be at Nelson Hall at 1:30 p.m.

Girls' Glee Club

Members of the Girls' Glee club have elected the following new officers for the next school year: Nancie Goebel, president; Delores

FAMILIAR SCENE—This same scene 50 years ago would include just a portion of the present building, few of the trees and certainly none of the modern mechanical conveyances. What will it include in 2000 A.D.? (Food for thought—)

Newhall, vice-president; and Sylvia Abrahamson, secretary-treasurer.

Newly elected officers in the college band are Bob Bestul, president; Beverly Barnes, vice-president and Don Stassel, business manager.

Newman Club

The annual Newman club picnic was held at Iverson Park last Sunday afternoon and evening. Prior to the supper a softball game was played. In the evening dancing was enjoyed by those attending.

The committee in charge of arrangements and food consisted of David Van Hecke, Robert Lewis, David Varney, Rosemary Leahy, Mary Pfiffner, Barbara Bauman, Kay Leahy and Frank DeGuire.

come back Safe and sound

● It was fun having a few of you people from the college stopping now and again. A safe summer and a happy life to you

● Also — it's fun having new Plymouths and De Sotos (and fresh stocks of tradeins) coming in again

Will you remember

"Words' Worth", the official publication of Sigma Tau Delta, honorary English fraternity at CSTC, is now on sale. Its 21 pages are filled with humorous and serious poetry, prose and short stories contributed by the student body and judged and compiled by Jack Zel, Joe Bettcher, Don Jaeschke, Phyllis Kasper and Janice Sisley.

The editors of this magazine were gratified by the response of the student body and by the cooperation of CSTC English instructors and Sigma Tau Delta members. Joann Kenney, Mel Carlson, La Verne Collum and Lorraine Hakes helped with the typing and the CSTC office staff mimeographed the finished product.

As was announced earlier in the Pointer, the name "Words' Worth" was suggested by Virginia Gmeiner, a junior at CSTC.

ORGANIZATIONS

(Continued from page 2)

ated the decorations. A maypole with miniature diplomas attached to the end of the streamers centered the main table. The individual tables, at which a dessert luncheon was served, had dunc stools, slates and pointed dunc caps as their centerpieces, with small diplomas serving as place cards.

Several classroom games were played during the evening and a poem, written by Gretchen Holstein, about the seniors was read.

Lucy Chappell and Suzanne Swan-kee served as co-chairmen for the event. Mary Schadevald headed the luncheon committee, with Marge Crosby, Jackie Hall and Bette Artz as aids. Gretchen Holstein, chairman, Delores Kosbab, Joyce Pinkerton and Nancy Sannes composed the entertainment committee.

Joan Fehrenbach and Beverly Tibbetts were in charge of the gifts; Julie Dean headed the decorations committee; Isla Mae Friberg served as chairman of the clean-up group. The transportation committee consisted of Jean Robertson, chairman, Marge Finch, Molly Knope and Esther Berndt.

Tau Gamma Beta

Eight senior Tau Gam girls were guests of the sorority, Tuesday evening, May 23 at a party which was held at the home of an alum, Mrs.

Milwaukee Gulls Win First Place At La Crosse; Pointers Fifth

While the Milwaukee Gulls were running away with the annual track meet at La Crosse on Saturday, May 20, Coach Crow's representatives were earning 12 points for a fifth place. The big lawn party consisted of seven schools.

The final box score showed Milwaukee with 93 7/10 points, La Crosse 57 3/5, Oshkosh 41 1/2, Whitewater 16 1/5, Stevens Point 12, River Falls 9, and Eau Claire 8.

Pinther Takes Second

One of the point makers for the Purple and Gold crew was Harold Pinther, who won a second in the discus, fifth in the javelin, and a fifth in the shot put. Bill Koch was tied for a third in the shot. Kirby Krbec earned a tied third in the high jump and Al Dippel a fifth in the high hurdles.

Ken Lemmer of Milwaukee established a new record in the 440 yard dash when he skipped it off in 50.6 seconds.

Coach Crow was rather pleased over his team's showing because this year's outing did show an improvement over last year's meet.

Not included in the point winners bracket was Tom Albers who ran his 1/2 mile in 2 minutes, 10.5 seconds. His time was the best since the

war for a CSTC runner. Ken Stewart won a sixth place in the hurdles just missing a fifth place.

Golfers Take Fifth in State Meet at Oshkosh

Coach James R. Hicks' golf team followed the pattern of the track team and ended up with a fifth place in the state golf meet at Oshkosh. The track team also won a fifth.

The new champion golf team is La Crosse. Stout was second. The firing by the Point club was as follows: Rued, 76-79-155; Scheel, 80-79-159; De Guire, 83-77-160; Hohensee, 81-79-160; Rhode, 88-88-176.

Athletic Department Offers Well-Rounded Sports Program

A well-rounded sports program, both inter-collegiate and intra-mural, was the feature here at CSTC this school year.

An inter-collegiate program, directed by Hale F. Quandt, consisted of participation in football, basketball, track, tennis and golf, while intra-mural activities under the direction of George R. Berg, took place in touch football, basketball, softball and volleyball, as well as many individual activities.

'49 Champs

Perhaps the strongest aggregation of the year was the 1949 football team. Coach Quandt's powerful Pointers shared the conference crown this year along with La Crosse and Stout. The Pointers dropped only one contest, that being a 14-13 decision to Eau Claire on a wind swept field. Outside of this, the local team ran roughshod over all the other opposition.

Only a few of the co-championship team will be lost by graduation and the purple and gold should be well represented in the conference again this year. A rigorous spring training period, topped off by a great intrasquad game, showed local fans that the Pointers are going to be up and in there next fall.

Cagers All Underclassmen

In basketball, Coach Quandt had a team composed entirely of underclassmen. The Pointers enjoyed a fairly successful season, winning only three conference games but faring a lot better against non-league foes. The team had an up and down season, at some times being unbeatable but at others leaving something to be desired. They ran up a string of six straight wins in non-conference and conference competition before running into their first snag, but from then on the season had its ups and downs. Another feature about this year's club was their scoring punch, especially on their own court. In several of their contests, the Pointers rang up almost unbelievable scores. All in all, the cagers furnished the fans with plenty of thrills, and with all the boys coming back again next year, look out for the Pointers!

The track team completed their outdoor season last week-end by participating in the state meet. They finished sixth in the meet, but this is only the second year of track here at CSTC and not too much can be

expected in that short a time. However, Coach Frank W. Crow did groom some fine performers and many of these will be back next year.

Golf, Tennis Try, Too

Not too much is heard of the tennis team, coached by Bernard F. Wiewel, and golf team, coached by James R. Hicks, but they were in there trying all the way. These squads, along with the track team, were hindered by the unseasonable weather, and as a result, they didn't fare too well, although they did show an improvement over last year.

The sports situation for next year looks very bright for Central State. There are a goodly number of experienced lettermen returning in every sport and with the new crop of freshmen coming in, CSTC should be one of the powerhouses in the conference in every sport.

(George R. Berg, director of physical education, is ill at St. Michael's hospital. The following letter is addressed to him).

Dear George Berg,

We, the men of Central State, wish to express our thanks to you for the time that you have devoted to us. A man as enthusiastic about his work, and as devoted to his work as you, is a rarity. You worked endlessly to give us a complete intramural program, and the success of the program can be measured by the large number of men who participated in the program. Through our associations with you, your ideals and standards have been indoctrinated into many of our lives, and they will always be an asset to us.

We wish to pay tribute to a friend who has done so much for us and has asked so little in return. Here's to a great guy and his fast recovery.

The Men of Central State

Bart-Korth Win Third

Bill Bart and Earl Korth won third place in the doubles combination for the only Pointer score in the tennis tournament at Oshkosh on Sunday, May 20. The host Titans easily retained their crown by scoring eight points.

The singles entries of Bob Johnson and Jim Christenson failed to advance past the quarter finals.

Across From The Post Office

The Fifth Quarter

Several CSTC men are participating in America's favorite pastime — baseball. Recently Jack Potter pitched a no-hitter in the Classic league. Pointer athletes again were very much in evidence at the Bancroft-Fancher game last Sunday. Bill Bart started with the pitching assignment for Bancroft while Ken Kulick caught. During the course of events Bart departed from the premises and Kulick toed the rubber while Judd, class "49", donned the catching equipment. Bancroft won, 5-4.

The much heralded Nate De Long has signed a contract to play basketball with the Sheboygan Redskins. It will be interesting to watch De Long in the fast company of the professionals. Here's wishing you best of luck, Nate!!

That cloud-touching fellow you might have seen walking around town is none other than Gene Englund, former great Wisconsin basketball player and, of late, professional player. Gene is working for the Hardware Mutuals.

Howard (Chick) Kolstad, husband of the former Jackie Stauber, one time Pointer editor, will be the coach at St. Patrick High in Eau Claire next year. He has been coaching at Mondovi.

CSTC athletes who played under Athletic Director George R. Berg when he was coach gave him a purple and gold-colored jacket just before his present illness. They are hoping that he will be well enough to wear the jacket very soon.

Seeing that this is the last issue of the Pointer we on the sports staff want to thank the readers, coaches and players for all the help and information they have given us.

Our first thanks to our readers for their helpful suggestions, hints and endurance. However, it is rather difficult for us to know what to put on the sports page from time to time because we don't know what the readers

Ecology Class up with Birds to Observe Same

Walter R. Sylvester's ecology class apparently believes in the old adage "The early bird gets the worm." Last Tuesday morning and again today, they left on field trips at 5 o'clock in the morning to observe bird life.

Mr. Sylvester said that he pacified the class by serving them a pancake breakfast at his home upon the completion of the field trips.

want. If our page is to be readable we must have suggestions from the student body — this not only applies to the sports department but also the entire paper. The Sports staff total amount of incoming mail for the entire year was three letters — but not one of them coming from a student. So, next year, let's have letters of all shapes and sizes and then the sports page will truly become yours.

Our next round of thanks goes to the coaches. Their valuable information has been of utmost importance. The players, themselves, have aided us tremendously in bringing you readers a little of their pasts and presents.

A quick glance into the future reveals that in about three months CSTC's championship football team will begin drills. So here's hoping we can repeat as a winner. See you next fall!

A Fairy Tale

For "Educated" People Only

(Editor's note:

The following "fairy tale" was written by Phyllis Kasper for Miss Susan Colman's advanced writing class. Several Pointer staff members read it and considered it a very interesting allegory. It is presented below for your consideration.)

Once upon a time there was a big ugly beast of a man. He had a head which was too heavy for the rest of his body, and over his bulging eyes were dark round sheets of glass and in his ears were plugs. He stretched quite tall but was not at all broad, no matter which side you looked at. His feet were suction cups that stuck to the floor and wouldn't go fast enough to keep up with his head.

His name was EDUCATION. EDUCATION ate anything and was especially fond of children. Before he ate them, however, he built high cells in which each one was kept in solitary confinement. Each year he would make the walls thicker, leaving just enough room for the children to grow upward. Systematic torture, whereby they screamed back his ideas to him, without doing any thinking of their own, was his favorite pastime. This way, they all got suction cup feet and big heads.

Once in a while, when he was in good humor, EDUCATION told stories to the boys and girls of times long past. That way they knew the things which had happened before but nothing about the time in which they were living. Because of this,

many children often walked backward so they could see where they were going.

EDUCATION's big castle was called SCHOOL. Here many of his funny little helpers ran around all day mumbling words and seeing no one to whom they were speaking. He called his helpers PROFESSORS AND TEACHERS. Their mumbling sounded as if they were saying UNRELATED FACTS over and over again.

Things would have taken an even worse turn, I am sure, but one day something happened. EDUCATION fell in love. She was a nice beast of a girl and was called COMMON SENSE. EDUCATION and COMMON SENSE were married and shortly afterward had a baby. He was very strong and, after much deliberation, he was named UNDERSTANDING. He had big eyes and ears.

His younger days were spent in play. He and a little friend would explore all the rooms in the castle. The little boy friend was a handsome lad, with vivid features. His name was INTEREST. Just as most little boys get into mischief . . . even without trying . . . these two did not lack excitement. INTEREST was running through the halls one day, looking for a place to hide. By accident, he pressed a button sticking out of the wall on the first floor. In amazement he watched as he saw all the cell walls around the captive

children who were human crumble and fall to he ground, giving them a chance to grow in all directions instead of just up.

INTEREST ran to tell little UNDERSTANDING about what he had just seen, but couldn't find him any place. And, no wonder, you will say when we tell you where UNDERSTANDING was. He was hanging from a chandelier in the main room . . . trying hard to climb inside the bowl to retrieve an arrow which he had shot up into it. All of a sudden . . . and whoosh!

UNDERSTANDING fell down. He landed like a streak out of the sky on the shoulders of the mumbliest PROFESSOR. The PROFESSOR was so frightened that his tongue, which hadn't been used in ages, came unglued from the roof of his mouth and he gave a big scream for help. Nobody paid any attention to him, since each one was in his own little world. After the PROFESSOR saw what had landed on him, he went around and loosened all the helpers' tongues with a crowbar, and they began to put their good knowledge to use to stop little rogues from running around when there were so many good ways in which they could spend their time. Surprisingly enough, the helpers learned some things from each other, too.

This was a day of great changes. EDUCATION didn't like the way his wife dressed and insisted that she stop wearing so many veils over her pretty face. COMMON SENSE finally extracted a compromise from EDUCATION. She would take off her veils and show herself if he would take off his dark glasses and pull out the ugly car plugs he wore to keep from hearing unpleasant things whenever he went outside.

Well EDUCATION did. And COMMON SENSE did.

AND THEY BOTH LIVED HAPPILY EVER AFTER IN AN ENLIGHTENED WORLD.

feet than any other way.

Miss Isaacson received a bouquet of yellow roses as a tribute on May 17, the Norwegian Independence Day. The donor remains anonymous, although Miss Isaacson has some suspicions as to the identity of said donor.

In case there are still a few of you who aren't familiar with the personage behind this column, now is the time to inform you that the Pointer news editor for the past three years has been responsible for the drivel and otherwise which has come to you under the guises of "Over a Coke" and "Can't Stop To Concentrate."

To leave the journalistic "we" for a moment, I wish to thank those students and faculty members who have contributed on occasion the interesting anecdotes which have occurred to them. Special thanks go to Phyl Kasper, another senior, who took over the column in several pinches. (Of particular note was when I was in the hospital with an appendectomy and Phyl, together with some of the other "clever" staff members, arranged a little ditty about my "coming out party.") It's been a tedious job trying to find something somewhat unusual to write about nearly every week. And I'm sure you'll agree that it wasn't always unusual. It's been educational, as well — but don't ask me what principle I'd apply to it. And fun, too. Especially when the printers make the errors as they often times do. Although it's hard for me to realize the next year's Pointer staff will be carrying on quite successfully without me, I'll extend my best wishes to them anyway.

Jan Sisley

Third Graders Give Tea In Honor of Mothers

Last week, the Training school third graders gave a program and tea in honor of their mothers. The program, which included short stories and skits, was based on a unit of fairy tales they have been reading. In accordance with the theme the walls were covered with murals of Bambi, Br'er Rabbit, Snow White and the Seven Dwarfs, and the gingerbread house of "Hansel and Gretel" fame, while the tea tables were decorated with wooden fairy figurines.

Refreshments of gingerbread and punch were served. The 20 guests received wastepaper baskets which the third graders made from ice cream buckets.

Student teachers who assisted in the arrangements for the tea are Mrs. Helen Eagleburger, Kathy Brown, Viola Hofer, Pat Vroman and Barbara Hale. Miss Gladys Van Arsdale, third grade supervisor, was in general charge.

FAMILIAR FACES

(Continued from page 4)

and the athletic committee. He played football four years and has refereed many high school sports. He was sports editor of the Iris for two years and is a member of Sigma Zeta. Dick has a rather strong opinion about fraternities. The Phi Sigs and Chi Dels like to say that there are three good sororities and one good fraternity on the campus, although they disagree on which is which. Dick, however, has no such bias; he says that there are four good sororities and that the girls seem to have the most fun.

Esther is no slouch at club activities. She was elected president of the Omegas and the Pan-Hell council this semester and is a member of the primary council. She is fond of travel and has made trips to Canada, Florida, and Yellowstone with her family. She and Dick have gone north several times for fishing and hunting, which are their favorite hobbies. He shot a doe and four partridges this fall; Esther shoots too but hasn't hit much, man or beast, yet. They fished for pike during a lake canoe trip they took last year and might cover some of the bigger trout streams this summer.

Expert Knitter

Although she is not a home ec, Esther has taken a few of those courses. She is an expert knitter and has painted some very handsome smorgasbord plates. She is an excellent cook, as the Omegas found out when she prepared the refreshments for their parties. This fortunate reviewer, who finished off three of her tender, delicious brownies and two bottles of coke during the interview, agrees with them wholeheartedly.

While Esther prefers to spend her summers traveling, Dick has been slaving away in a Wausau brewery. Less pleasant jobs of his have been selling insurance and working for the Wisconsin Public Service. However, there will be little opportunity for any outside activities in the next few weeks, since Dick and Esther are right now packing all their belongings and leaving their bright little apartment at 1037 Main street. Mr. and Mrs. Raymond Specht will be the next tenants. The Berndts will live with Esther's parents on Shaurette street, until they find a house in Laona, where they will both teach next year. Dick will be a biology and phy ed instructor and Esther will take over the kinder-

garten. Beyond that and for the summer months their plans are happily up in the air. One thing is certain, however. Dick will be going to Iowa State sometime for his master's degree.

Until then it will be to little Laona ("Yes, of course it's in Wisconsin") for the Berndts, when they shove off for the North and the new house they hope to find sometime this summer. They'll depart in their '50 Nash which, they assure you, is one thing that's all paid up.

CAN'T STOP

(Continued from page 2)

gals did the rowing. The gals were apparently enjoying it, however.

A picnic has been described as too far to go to eat too much and we heartily agree. Picnics do give one a chance to commute with nature, that is the sand and the insects.

"Spouse many of you — both students and faculty — have made your plans for the summer vacation. Some of you will be doing the same old thing — studying. Others of you will be enjoying "beautiful Wisconsin" by working at resorts, etc. We think we'll see how much junk has accumulated in the storeroom at home. If there is a sufficient quantity we'll set up a Ye Olde Roadside Antique Shoppe, as this seems to be the latest craze in this nation of fads.

Gerald Quinell and Charlotte Paulson are planning a summer wedding. Charlotte was a student here and is now employed at the Hardware. Gerald will be teaching at Bruce this fall.

The bulletin had a "funny" in it this week. In the announcement of the Rural Life club picnic, the line read, "Pick-ups at Nelson Hall beginning at 4 p.m." A trifle early, we'd say.

This is National Foot Health Week so take care of your feet because, as you know, more people walk on their

ALUMNI

(Continued from page 5)

Cambridge, Mass., since Sept. 1, 1949.

Miss Jane Livingston, class of 1938, has recently been named director of the Door-Kewaunee county regional library at Sturgeon Bay. Miss Livingston was chief librarian of the Sturgeon Bay Public Library prior to her appointment. All three are graduates of the University of Wisconsin Library school.

The Waupaca High School War Memorial library, dedicated to the 27 high school boys who died during World War II, was given special recognition in ceremonies conducted on Friday, May 12. The memorial library is a project of Miss Sophelia Kurkowski, class of 1928, and the librarian of the school. The project has been carried out by the junior class; the furniture was made by the industrial arts students; an honor roll was donated by the Latin club; and a flower vase was given by the sophomore students.

Among alumni who have had outstanding experiences is Jeanette Fierek, class of 1940, who is in government service. She recently received an appointment as education supervisor of the army education program for the air force at the Greenland base command at Narsarsuaq, the southern tip of the island. Miss Fierek's work in Greenland will be similar to that which she did in Japan, prior to her return to the United States last December. She has also had experiences in education work in Korea. One of her prized possessions is a citation as an "Honorary Teacher of Korea," presented by the National Department of Education "in recognition of outstanding service to Korean education as instructor of the American Language Institute."

Two interesting and worthwhile radio programs, "The Battle of Books" on WJJD and "Carnival of Books" on WMAQ are the contributions of Mrs. Ruth (Hetzl) Harshaw of Winnetka, Illinois. Mrs. Harshaw, class of 1913, was formerly of Almond, and is a noted author and lecturer. She is author of "Council of the Gods," "Reindeer of the Waves" and "What Book Is That."

News of CSTC alumni has no bounds in the mid-century year of 1950. The Guam News reported the birth of triplet daughters to Mr. and Mrs. Michael Fortune, Stevens Point, on January 4. Mr. Fortune is a 1949 graduate of CSTC. There are four other children in the family, Michael jr., 5, Pat, 3 and Richard and Ronald, twins, age 2. The Carnation Milk Co. is furnishing one year's supply of milk for Sandra, Susan and Sharon.

June 2 Set as Date For Training Eighth Grade Class Trip

Shawano, Green Bay, and the Fox river valley will be visited by the eighth graders of the Training school when they make their class trip on Friday, June 2. After stopping at the Menominee Indian reservation, they will see the oldest house in Wisconsin, Tank Cottage, which was built by the first Dutch settlers for a woman who was a granddaughter of a lady-in-waiting at the court of the queen of Holland.

The graduating eighth graders will make a special point of observing the industrialization of the Fox river valley with its numerous paper mills. At Oshkosh they will see the Oshkosh museum and have a lake-side picnic.

Of special interest will be the Butte Des Morts or Hill of the Dead, an old Indian burial ground near Oshkosh. Student teachers who will accompany the eighth graders are Janice Sisley, Arthur Witalison, Phyllis Kasper and Leonard Jacobowski. Burton R. Pierce, principal of the Junior High and Mrs. Edith Cutnaw, Junior High school English supervisor, will also attend.

AMONG OUR SOUVENIRS—In years to come, our 1950 graduates will look upon this picture and recall many of the pleasant moments which they spent within these hallowed walls.

To the Graduating Class of 1950, we offer our sincere congratulations
on your completing four years of college work at a school
that is now your Alma Mater

CENTRAL STATE TEACHERS COLLEGE.
