Music Department All Hustle, Bustle In Preparation for Spring Concerts

With much tooting of the flutes with much tooting of the flutes and singing of merry voices, the music department is preparing to give its spring concerts.

The college band is preparing for its Homecoming concert on Sunday afternoon, March 11, at 3 o'clock, in will appear in the auditorium the college auditorium Sunday afternoon.

afternoon, March 11, at 3 o'clock, in the college auditorium. Several alumni will be guest conductors that day, directing their own original compositions. Admittance to the compett is by a ticket obtained from one of 60 merchants who are giving them to anyone asking for one. The band members alumni band members and guests will attend a banquet on the evening of Saturday, March 10.

The Men's Glee club concert is scheduled very early this year on

The Men's Glee club concert is scheduled very early this year on April 5. Because this concert is attended by many of the townspeople, an extra assembly for the student body will be presented later. The group will be singing several new numbers in the concert, numbers that they have included on their tours. On March 2 the group will go to Eagle River and Minocqua and they are planning future tours to Amherst, Tigerton, Pulaski, Bowler and Suring.

Amherst, Tigerton, Pulaski, Bowler and Suring.

April 26 is the day set aside for the Mixed Chorus and the Girls' Glee club to make a showing at an evening concert for the student body. evening concert for the student body. The concert will be under the direction of Peter J. Michelsen and some of the songs to be sung are "Bidin' My Time," Gershwin, "River Boy," Miller-Elkahn and "I Love My Love," a Cornish folksong,
The chorus has a membership of approximately 80 members, while the Glee club has 35 members. Plans are being made for tours that will

are being made for tours that will begin in March and continue throughout April. No definite places to be visited have been de-cided upon at the present time.

Operation Weekend to Be Revived by WAA PARTY

After a long lapse, Operation Weekend will get back in the swing Weekend will get back in the swing again with a slightly different tempo Saturday night, March 3, when the WAA sponsors a roller skating party to be held at the Stevens Point Armory, beginning at 7:30 o'clock. It's expected that the sport's usual thrills and spills will also be in attendance at this party, so guys and gals, don't be shy. Everybody's doing it.

doing it.

The price of admission is 50 cents and refreshments will be sold at the party. So come one, come all, to wel-come back "Operation Weekend."

Second Semester Brings New Students to CSTC

Several new students have enrolled

Several new students to Cole

Several new students have enrolled in Central State this semester. Most of them are new but a few are old students coming back for further work. The girls are:

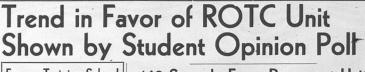

Mary Frances Cutnaw, Stevens Point; Joanne Gierl, Colby; Mrs.
Lois Mason, Stevens Point; Mary Ann Piotrowski, Stevens Point; Mrs.
Phyllis Ravey, Stevens Point; Mrs.
Phyllis Ravey, Stevens Point; Jo-Anne Synnot, Wausau; Helen Pruc, Plover; Delores Plainse, Milwaukee; and Dorothy Thompson, Cuttiss.
The boys are: William Shinkan, East Chicago, Indiana; Howard C. Koeppen, Brantwood; Raymond Feit, Mosinee; Jerome Place, Stevens Point; Harold Swanson, Wausau; Vernon Reimann, Medford; Robert Bostad, Stevens Point; Richard Lucke, Riverside, Connecticut; David Froggatt, Wisconsin Rapids; James Fredrickson, Wisconsin Rapids; William Kirschling, Marshfield; William Lucke, Riverside, Connecticut; David Froggatt, Wisconsin Rapids; James Randlett, Wisconsin Rapids; James Randlett, Wisconsin Rapids; James Randlett, Wisconsin Rapids; James Randlett, Wisconsin Rapids; Kevens Point; Edward McJames Randlett, Wisconsin Rapids; William Mingenbach, Stevens Point; Gilman Stordock, Jr., King.

To Sing Here March 13

The Southernaires Quartet which will appear in the auditorium on Tuesday evening, March 13, ranks among the greatest of vocal ensembles heard today on the air or concert stage. Since 1929 when they were first comparied, the beautiful or the stage of th concert stage. Since 1929 when they were first organized, their beautifully blended voices have thrilled great audiences all over the country. They are exponents of all kinds of vocal music, except popular swing music, presenting classics and ballads as effectively as they do songs of their own negro race and their forte is in the concert fields.

Loseph Crawford is the tenor, John

Joseph Crawford is the tenor, John Taylor, jr., second tenor, Mulford Lee, baritone and William Edmonson, bass. Spencer Odom is the ac-companist.

Former Training School Director Dies in Point

Members of CSTC were grieved to hear of the death of Alfred J. Herrick, 75, retired director of the CSTC Training school, who died last Friday morning at St. Michael's Hospital.

Mr. Herrick was the director of the Training school from March 1920 until his retirement on July 1, 1945. He was a graduate of the Stevens Point State Normal school, as CSTC was formerly called, and began teaching merly called, and began teaching here in 1912 as a physics instructor.

The funeral for Mr. Herrick was held Monday morning at St. Paul's Methodist church.

"CAN SPRING BE FAR BEHIND?" After a long, bitter, cruel, cold winter at last it looks as if spring is on the way, as the muddy puddle of water indicates to (L to R) Marian Rulseh, Yvonne Melzer and Jo Ann Buhrdorf. The girls in the background, who will probably walk around the puddle, are Pauline Weisen and Jackie Piehl.

Young Democrats Urged to Join New Organization

All students interested in joining

All students interested in Joining the Young Democrats are urged to contact Everett Moore, Louis Jacoboski or Delores Jones.

For those who aren't familiar with the aims of this organization, they are as follows:

- 1. Political education.
- Forming constructive programs for better government.
- 3. Keeping the public informed on issues concerning our government.
 4. Giving our ideas on how to en-

March 20, at 10 o'clock. As the usual assembly hour is on Friday at 10, a class shift is being made. All the classes scheduled for Tuesday, March 20, will be held on Friday, March 16, and the Friday, March 16, classes will be held on Tuesday, March 20.

No definite plans have been made as yet for the program, but arrange-ments are being made for an outside

WSGA to Present This

the annual Easter assembly this year, which is scheduled for Tuesday, March 20, at 10 o'clock. As the usual

sometime in April.

Chet Polka Appoints Junior Prom Committees

Juniors met last Friday at 10:30 the rural assembly to discuss plans bers would be allowed to continue in the advanced unit. Only those who met the required standards could continue. Those selected for the advanced ROTC' group would receive pay from the Air Corps. The three credits per semester earned by ROTC members would be included in the 132 credits required for graduation. in the rural assembly to discuss plans for the junior prom to be held on May 19. It was voted that the tickets be \$1.80 per couple. Tentative plans are that the dance will be held in the high school gym.

President Chet Polka appointed the following committees for the prom:

Decorations, Virginia Chairman, Dave Bliese, Don Schneiders, Everett Moore; theme, Lolita Krell, chairman, Pat O'Brien, Ann Phelan; orchestra, Walt Brunsman, chairman, Joan Fehrenbach, Don Olsen; publicity, Ken Nyberg, chair-man, Dick Turzenski, Dorthianne

that an Air Corps cadet training unit was stationed here during the war.

The results of the CSTC poll were as follows: 162 strongly favored having an ROTC on a permanent basis, 156 favored, 38 were opposed, and 62 were indifferent. The second question, an opinion on having the unit only on a temporary basis, showed similar results. 145 strongly favored, 139 favored, 29 opposed and 49 were indifferent. Tickets and programs, Ilse Hirzy, chairman, Howie Kumbier, Jack Da-bareiner; refreshments, Dolores Plainse, chairman, Colleen Schroeder, Gertrude Collum; checkroom, Bill Joanis, chairman, Dave Butler; furniture, Don Stassel, chairman, Bill Cable, Bob Dehlinger.

Cupid's Arrow Takes Toll Ten More Are Victims

Cupid is running wild again at CSTC. The engagements of three more happy couples have been brought to our attention.

Carol Emmerich, who was graduated from CSTC last year and is now teaching at Phelps, is engaged to Reg Huebner of Hamburg.

Marvin Mayer of CSTC has found his one and only in the person of Loretta Laskowski.

James Wilkinson, of CSTC and Stevens Point, is betrothed to Joyce

Niemczyk. Angie Whitman has been pinned to Dick Turzenski, a student in the

intermediate division at CSTC.
Charlene Fontaine has been pin-ned by Chuck Hodgden, a sopho-more in the secondary division.

Conservation Department Has Own Radio Program

CSTC's conservation department now has its own radio program which can be heard over WLBL on which can be neard over WEDL on Tuesday afternoons from 3:30 to 4 and over the state FM network on Friday evenings from 7:30 to 8. Faculty members and featured guests of the program participate in round table discussions on various natural

ous division. These people, along with their college coaches and Mrs. Edith Cutnaw, their director, will compete in the Wisconsin Junior High school forensic contest to be held at Antigo on March 8. Miss Pauline Isaacson and Leland

The local finals of the Junior high school declamation contest were held last week Friday at Mary D. Brad-ford Junior high with Stephen Jones, Nancy Newby and Marion Freed taking honors in the serious division and Linda Sarchet, Loren Woerpel

annd Westley Scheibe in the hun ous division.

Miss Pauline Isaacson and Leland M. Burroughs of the CSTC faculty served as judges for the contest. The college students who served as coaches to the students were Catherine Konop, Suzanne Swanke, Roberta Henderson, Dorothianne Rebella, Phyllis Jarnick, Eleanor Curtis, Winmifred Pierre, Dick Mulvibill, Pete Thomass, Dorothy Brown, Lett-Popeck, Sally Connor, Galen vihil, Pete Thomas, Dorothy Brown, Jack Popeck, Sally Connor, Galen Parkinson, Mary Searles, Joe Boet-tcher, Virginia Gmeiner, Ethel Far-ris, Ross Papke, Ronald Jarvis and Warren Hamele.

Contributions Now Being Accepted for Words Worth

Accepted for Words Worth

Have you any stories, poems, and
essays which you have written during these long winter months? Or
do you have some good, ideas or
certain hankerings to do some creative writing of your own? Here is
an opportunity for you to have your
works published!

Sigma Tau Delta, National honorary English society, is in the midst
of collecting material for the annual production of Central State's
literary publication, "Words Worth,"
and would be glad to consider any
contributions. These contributions
may be placed in the "Words
Worth" box in the Pointer-office.

CSTC, along with many other schools, including Oshkosh State Teachers, has made application for an Air Force ROTC unit to be stationed here on the campus. Over 100 schools have made application for such units, but only 20 will be selected. Last week, the students of CSTC were polled as to their views on a military unit of this type. A great deal hinged on the outcome of this poll. The results revealed that the majority of the students favord an ROTC program.

A great many arguments have been put forth on both sides of the question. A very strong argument in favor of the program is that it would allow the men to remain in college at least for two years and would also give them a preliminary taste of military life. It would excuse them from the draft only as long as they are members of the ROTC.

On the other side of the issue is the argument that it would increase the prospects of a militarized American youth. The military life does not seem to be that of a free thinking student body.

These are some of the major arguments concerning the program. They must be considered before an agreement can be reached. However, in the very near future, the hallowed halls of CSTC may ring to the sound of marching feet. CSTC, along with many other schools, including Oshkosh State Teach

marching feet.

FAMILIAR FACES

Ginny is a pert and pretty senior in the secondary division, majoring in English and minoring in speech and biology. She is planning to graduate in June and would like to teach speech which she claims is her first love. This is not entirely true, for she is pinned to Jack Whitney, a former graduate of CSTC, who now teaches music in Woodruff, Jack is also the promotor of her favorite hobby, knitting, for his one great ambition is to have a drawer stocked with hand knitted socks. er stocked with hand knitted socks.

When Ginny is not busy practice teaching eighth grade speech at the training school, she devotes her leisure moments to knitting, playing bridge, and writing letters. Albridge, and writing letters. Al-though practice teaching occupies such a considerable amount of her time, she still enjoys it very much. Being only five feet tall, Ginny says she wears heels to keep discipline, for many of her students are taller than she is.

She loves dancing and tolerates

She loves dancing and tolerates any kind of music — even polkas and cowboy songs. Her preference, however, is swing and jazz.

Ginny has been very active in the extra-curricular activities in the college. At present she is president of Omega Mu Chi, vice-president of Alpha Psi Omega, treasurer of Sigma Tau Delta, a workshop player in Alpha Psi Omega, treasurer of Sigma Tau Delta, a workshop player in Radio Workshop, and a member of the Pan-Hell council and Intersorority council. She was also a member of the Student Council, dorm council. Newman club, WSGA board, associate editor of the Iris for 1950, and tenor sax player for three years. Ginny also won the contest for naming "Word's Worth," If you are interested in your own welfare, that of your college, and that of your United States you will English publication. Dramatics have be interested in joining these dis-

From Waupaca, the heart of the also occupied a great deal of her chain-Makes district, has come one time. She portrayed Henrietta in the of CSTC's attractive women students, blonde, green-eyed Virginia Gmeiner, known to almost everyone and had roles in "Life With Father" and "Our Town." For "Twelfth Night" she is helping with the Ginny is a pert and pretty senior scenery."

Ginny also has a sister, Mary Ellen, who graduated from CSTC in '49.
Their friends would never believe they were sisters, for Mary is 5'5" and has flaming red hair. In explanation of their difference, Ginny always told everyone that her mother left them out in the rain too long — she shrunk and her sister's long — she hair rusted.

Letters to the Editor

Editor, the Pointer:
Should political parties be formed on this campus to make student council representatives responsible for the programs they initiate?
Can our student council better reflect the wishes of the majority of State's students if its representatives

State's students if its representatives are committed to positive programs at election time? Will student government be made more effective through the organization of political parties? These are questions a group of students are analyzing over cups of students are analyzing over cups of offere at the Campus, nightly. A LINES SL

By Zick

This boy Schadewald sure keeps popping up in the news around here. The other day some fellows were telling us about the beautiful bird houses he built for his cottage at Sunset Lake. It seems he got kind of carried away, and, according to them, there is now more lumber hanging on the trees than there is in the trees

Ray Anderson must be connected with the U.S. Army recruiting service judging from the tempting propa-ganda about army life in Mexico which he is continually spreading among our basketball players.

We went up to Minneapolis re-cently. A bunch of the boys were whooping it up in the back seats of the bus when the conversation turn-ed to the best means of safeguarding on to the best means of sateguarding money in the big city. One fellow jokingly remarked that his mother had advised him to hide it under his pillow. With a look of incredulity flashing across his handsome face, Ed Wenzel admonished in all earn-Ed Wenzel admonshed in all earn-estness, "No you dope, that's the first place they always look! Put it in your shoe." As Ed has done a lot of traveling and stayed in most of the larger cities in the United States, we all put a lot of stock in what he said. He has just returned from Washington, D. C. where he conferred with Algernon Algae, chairman Student Council's Actions

The Student Council resolved itself into a discussion of N.S.A. at its February 26 meeting. Louie Jacoboski reported on a conference in Madison of N.S.A. executive of ficers and several students from CSTC including Jacoboski, Jim Hyer, Norris Lindquist and Jack Popeck.

It was suggested that the purpose it was suggested that the purpose.

answer any questions concerning N.S.A.; bulletin board displays; a workshop discussion as a part of an 'Operation Weekend' activity; and

of the senate Squirrel Investigating committee. They discussed on the best means of clearing up the grave best means of clearing up the grave safety hazards which are presented in certain areas of the U. S. by the subversive activities of a peculiar species of Russian squirrels which persists in leaving nuts and acorns strewn all over the highways. This is the first year in the history of the United States that this phenomenon has been encountered, which only goes to show that com-munistic forces are becoming more active than ever throughout the en-tire world.

(See SLY LINES, page

Popeck.

It was suggested that the purpose and ideals of N.S.A. be presented to the student body by various means. Some of the suggestions included the following: A student assembly at which Elmer Brock, vice-president of students affairs, could inform the student body on N.S.A. activities and students affairs, could inform the student body on N.S.A. activities and students affairs, could inform the student body on N.S.A. activities and participation on campus. The success of "Operation Weekend" now depends on the cooperation and participation of the student coned specific week-ends to the various organizations on campus. The suc-cess of "Operation Weekend" now depends on the cooperation and participation of the student organiza-

Conservation Leaders Visit CSTC Classes

I. O. Hømbre, soil conservation education leader from the University of Wisconsin's college of agriculture; Art Jorgenson, director of conservation education for the Wisconsin conservation department, and Roy Ihlenfeldt, conservation su-pervisor for the state department of public instruction, were at CSTC last Monday. They are visiting the state teachers colleges in an effort to inteachers colleges in an effort to in-terest more prospective teachers in conservation. While here, they spoke to one of the conservation classes and had a conference with the senior conservation majors.

ARE THEY AS GOOD AS OURS?" seems to be the question in the minds of the Iris staff members as they put in one of their Monday night sessions. The group (from L to R) Beverley Tibbetts, Suzanne Swanke, Itm Greathouse, Norma Mayer and Nathalie

cussions. Just a nickel cup of cof-fee can get you started. Jim Hyer

Dear Sir:

In regard to Mr. Hyer's letter in last week's Pointer, I cannot bear him out in one of his statements. It said, "Mr. Jacoboski neither originally proposed NSA, nor did he introduce the all-important motion that we apply for admission." The fact is this, as quoted from the Student Council meeting minutes:

December 3, 1947.

December 3, 1947;
"Richard Miller and Louis Jacoboski appointed as representatives to NSA." 1947:

December 10, 1947:

"Louis Jacoboski reported on Stu-dent Problems Committee. It is plan-ned to have . . . etc."

"The dues for CSTC to become a member of NSA would approximate STO. District and foreign news is to be sent to members. An Atomic Week is planned with speakers from the United Nations." the United Nations.

November 27, 1950:
"Louis Jacoboski gave a talk on NSA. Discussion was held. Motion made and seconded that we join NSA."

These quotes should prove some-thing. I am not trying to be facetious but trying to prove a point.

Louis Jacoboski

Coach Quandt can depend on such Coach Quandt can depend on such reliables as fiery Chet Polka, "Honus" Wagner, Don Schneiders, Walt Samelstad, "Tex" Polzin, Ray Zwolinski, which gives Quandt a well balanced scoting attack.

This will be the last game for two CSTC cagers, "Tex" Polzin and Gerald Rued, who will be graduating this semester.

Pointers Win!

In a rough, hard-fought battle the In a rough, hard-fought battle the Pointers, combining a tough defense with a divided scoring attack, edged out a rangy Oshkosh five by a score of 51-47 last Tuesday night. The lead changed hands ten times.

Big, scrappy Don Schneiders led the Quandtmen by scoring 13 points. Polzin, Wagner, and Samelstad con-tributed 12, ten, and nine points, respectively.

Phi Sigs Top Old High By Bowling a 948 Game

The pins fell fast and furiously last Wednesday afternoon as the lowly Phi Sigs blasted a 948 game to top their old high of 935. To add insult to injury, they swept three games from the Brunswick to accommiss the state of the games from the Brunswick to accom-plish something they had failed to do since the opening night of bowl-ing when they scored the previous high game of 935. In the big 948 game, Ralph Roberts' 201, Jim Wil-kinson's 212 and Gil Chick's 221 were the honor counts. These same three bowlers ended up with five series of 563, 501, and 573 respective-ly.

AKL team-mates to a series sweep from the Chi Delts. Giving Dick plenty of help were Bill Conachen, with a 503 series and Kraus, with a 201 game.

Although Bruce Menzel hit a 567 and 207, it was not enough to prevent the Knudtson's Market team vent the Knudtson's Market team from dropping two to the Belke Lumber team. In so doing they lost ground to the Coney Island five who took the measure of the Campus Cafe keglers. Rod Bahr with a 515 and Jim Fritsch with a 550 series paced the winners. Ron Buttke rolled a 507 count for the Cafe team.

Pointers Will Attempt to Match Previous Victory Over Platteville

The Pointers take to the road been announced by Coach Quandt, The Pointers take to the road been announced by Coach Quandt, Tuesday, March 6, in an effort to better their conference record against Platteville's Pioneers. In their previous meeting, the Quandt cagers disposed of the Pioneers 66 to 56 on the Samelstad, Don Schneiders and Chet strength of a phenomonal free throw average.

Coach John Barth will rely heavily

on center Loren Rheineck, 62" sophomore center and guard Rudy Van Fleet, to carry the battle to the Pointers. These two men have been consistent performers all season and were the only heavy scorers in the

were tift only heavy scorers in the preceding fray.

The effectiveness of the "P and G" attack will depend upon the effectiveness of high scoring "Honus" Wagner, who came out of the Eau Claire tussle with a badly sprained ankle. If the big center's ankle responds to treatment, then the Pointers should enter the game in the roll of the favorite. However, whatever advantage they might have is considerably lessened by the fact that the game is on the Pioneer's home court.

No definite starting line-up has

football great from P. J. Jacobs high school, has transferred from Marquette university to CSTC. He went to Marquette on a football scholarship last fall. Because of a sustained knee injury which occurred when playing baseball the past summer, Bill thought it best to come to Stavene Point where his home is not Stevens Point where his home is and attend CSTC until, or if, his knee gets better. Then he may return to Marquette.

While in high school, Bill com-piled quite a record for himself when he was named all-conference and all state end while playing for Point high. He also was named on the fifth team in the high school All-American list

"Tests and Grades or Chicago U.?"

To change or not to change — at is the question that has been that is the question that has been floating around CSTC this week. Many varied and interesting opinions have been offered by the students and faculty in regard to the roving reporter's current question, "Do you prefer the traditional system of tests and grades or would you rather have a system similar to the University of Chicago's plan — a system in which the student is not confronted with frequent tests, but is allowed to work at his own pace, finally taking one large comprehenfinally taking one large comprehen-sive examination for each course but

sive examination for each course but without ever receiving a grade!"
Margaret Jones. "I'm in favor of the University of Chicago's system. I think classes would be much more interesting because yoù would be working at the rate you felt, you needed — and this way you would ge the grade you had really earned."
Charles Robinson. "I am in favor of the U. of Chicago's plan for class attendance but in my case I'd miss too many 8:15 classes."
Isabelle Landowski. "No tests — no jumping nerves every six weeks. But, no grade system — no stimulus to work."

Florence Payne. "I think all of us would do better without this war of nerves in the present system."

Charlotte Duckart. "I don't care

for tests very much, so perhaps there is something to their system of test-ing that really appeals to the stu-

Joan Wysocki. "The U. of Chica-go's plan is probably good for some courses, but not for all."

Norman E. Knutzen. "I think we eed a different way of evaluating

need a different way of evaluating work of the classroom, as too frequently we place too much emphasis on what a person does not know the than on his ability to express what he does know!"

Bob Konopacky. "With the present system we are sure of but one thing in regard to our grades — they are never exactly what we deserve. A change would be welcome."

Jack Harrison. "I doubt if tests and grades are reliable indications of what a student has learned, but they are perhaps the only practical method of determining which student has the best memory and ability to think the best memory and ability to think clearly under pressing circum-stances."

Eleanore Curtis Discusses Coming WSGA Activities

Eleanor Curtis, WSGA president, discussed the coming WSGA activities for this semester at a meeting of all college women last Friday. She announced that WSGA is in She announced that WSGA is in Charge of the Easter assembly on Tuesday, March 20, at 10 a.m., for which Dorothy Kuhnke and Jane Powell are acting as co-chairmen. Those chosen to work on publicity are Doris Schultz, Mary Ann Panke and Iowe Zellinger.

are Doris Schultz, Mary Ann Panke and Joyce Zellinger.

The co-eds were informed that WSGA is to be hostess to Kathryn Turney Garten on April 10 when she will give a talk on "The Art of Becoming A Woman." High school senior girls from surrounding areas will be invited, with CSTC co-eds from their home towns acting as hostesses to these girls. A social hour will also be held in honor of Mrs. Garten following her talk. Janice Gruen is general chairman for the tea.

Kay Leahy, Shirley Sonnenberg, and Mary Douville, three of the six girls who had attended the recent WSGA convention at Milwaukee, each gave a short report about the meeting.

Eleanor Curtis also brought up the idea of WSGA spending a sum of money in one of these three ways:

Setting up a scholarship for a freshman or junior woman, using the money for some improvement in the school, or supporting a child through a non-profit, non-political organization. This will be voted on at a later time.

Norma Weber. "Doesn't matter. I'll flunk anyhow

Delores Plainse. "I don't think I Delores Plainse. "I don't think I would prefer the system at the University of Chicago, for if you are given one test which determines your grade, it really isn't fair. Everyone knows that nervousness is the cause of failures in some tests. Then, I don't think it would be right to fail a course just because of this one condition."

condition."

Getrude Collum. "I think I'd learn more in lab classes if we worked at our own rates. However, I like short tests better than one large one, and having a regular class schedule. Of course, we could sleep all day the other way."

Joan Summers. "I'm all for the Windy city's easy way of breezing through the "U". It has its drawbacks though — no quarters for all those "A's".

Mary Lund. "The University of Chicago has a good system. I def-initely prefer it to our outmoded kindergarten system of grades and exams. One can learn much more exams. One can learn much more working at his own rate and ability than by being pushed or dragged through a course by a teacher. If a person is not willing to work and study, he should not be attending college in the first place."

SLY LINES

(Continued from page 2)

During our stay in Minneapolis we were constantly embarrassed by the unfriendliness displayed by the native Minnesotans (people who live in Minnesota). Just about every time we took off our shoes to get time we took off our shoes to get money to pay for lunch, we were be-sieged by a devastating deluge of curious stares and uncomplimentary remarks. We think they were just jealous because they didn't have any flashy Wisconsin argyles. Carrying on in true Pointer style, we jotted down notes throughout

we jotted down notes throughout the entire trip. We were going to sort them out when we got home, but didn't have time, so you can do it for yourself. Just read the ones that you like best.

It's really amazing how these driv-ers handle their buses. But they can't fool us, we think it's done with

As we came to a stretch of harvest-ed cropland, the boys began to tell jokes. Such jokes! We looked out the window and saw that even the corn was shocked.

corn was shocked.

We watched the Minneapolis
Lakers make pellets out of the
Baltimore Bullets. The game was
very exciting, but was held up when
George Mikan, 6'10" Laker center,
drove in for a lay-up shot and got
his belt buckle hooked on the rim of
the basket. It took thesa 10 minusef the basket. It took them 10 minutes to get him down.

Gee, it's hard to get away from the thought of school life. Even on our trip, we were reminded of the girls in the three o'clock gym class as we rode by a grove of bare, straggly poplar trees.

We imagine that most of you are familiar with Bill Stern, the famous sportscaster and teller of dramatic and heart-rending stories about sports personalities, but we wonder how many of you realize that he is the main figure in just such a story himself

He was starring in football, base-ball, basketball, and crew at Pennsyl-vania Military college in 1926 when suddenly a horrible misfortune changed his destiny. He was in an automobile accident and his life was saved only at the price of his left leg. This former athlete licked his handicap and went on to rebuild his shattered life with a microphone at his lips. Portrait of a great sports-man!

As Abie replied when the doctor asked where he wanted the penicillin shot, "This is the End!"

** **Around the Circuit**

John Rankin of the Milwaukee John Rankin of the Milwaukee Teachers college Echo wishes to thank Mrs. Theresa O'Malley for her excellent cooperation. Mrs. O'Mal-ley's attempt to rob the women's locker room, and her subsequent chase and capture by two fleet- foot-ed coeds came just after his plea for someone to do something unusual so that the Echo would have some exciting news to print.

Don Buch, a 1949 graduate of Superior State Teachers, has, in cooperation with Lyman Shaffer, invented a slide rule to take much of the work out of figuring earth work volume. Judging from tests carried out by the Superior office of the Wisconsin Highway commission for the past year, this device is superior to any previously used method of computing earth work.

Sportswriters are always looking Spotswitters are always looking for ways to liven up the sports news. Many old cliches are worn even thinner in the process, but some colorful descriptions do turn up. The following is a quote from the Distriction. Platteville Pioneer on the intramural

basketball race in their school.
"Washington Street was closed for repairs by the Squeeze Inn, 21-12. The Kickapoogians finished the paving job 11-10.

Unfortunately the Kickapoo Road Repair company was put out of business as Frank Kennedy paved 14 blocks for the Pioneer Grill's 29-

The following quote is from the River Falls Student Voice. "There were more drips than usual at a recent meeting of Miss Vera Moss' Contemporary Literature class.

Students entered room 2235 to find one mon four odd sized poils.

find one mop, four odd sized pails, a tin tub and two janitors. Reason for all the unusual additions was a leaky window."

Whitewater Teachers College isn't the only place that this quote from the Royal Purple seems to apply:

the Royal Purple seems to apply:
"The war scare seems to be prevalent on the campus. The girls are getting marcied ahead of schedule, the boys (those who are-draft eligibles) are enlisting — some in an effort to beat the draft; others in an effort to dodge the semester finals."

The Oshkosh Advance has come to The Oshkosh Advance has come to othe conclusion that the persons to blame for the tragic growth of the epidemic known as "teenicide" are the parents. As the Advance sees it, the numerous teenage highway accidents are easily explained. "It is a clear cut case of irresponsible parents allowing their children to play with dynamite regardless of what might tappen to their activated souned up. tappen to their activated souped up offspring!"

Caption of a cartoon in the Eau Claire Spectator: "By George, Henley for the last two months I thought you'd swiped my copy of 'Love Light', . . . an' all the time it's been up here with my textbooks."

The following quote is part of a dissertation by a feature writer of the La Crosse Racquet when asked to do a feature on the library. "To be, or not to be — that is the question. Whether 'tis nobler in the Racquet office to suffer the caustic remarks of fellow reporters slandering one's writing or to take matches against the library and by burning, end the source of the trouble."
