Mr. Lewis Named Assistant Head of Division by Doudna

Robert S. Lewis has been appointed assistant director of the Division of Intermediate and Upper Elementary Education, it was announced this week by Dr. Quincy Doudna, director. Mr. Lewis will become adviser of the Round Table, the division organization, and will assist in advising students concerning their programs.

With the increased number of students in the Intermediate and Upper Elementary Division, Dr. Doudna believed it advisable to have someone assist in these matters, particularly so that the students could receive more time from their adviser in helping to plan their programs. Mr. Lewis will establish conference hours in the north office of the suite of radio studios and offices.

There will be no change in the procedure of being admitted to the division. Students should secure an application blank from Dr. Doudna's office and should have a planning sheet made showing how courses already taken can be applied. They will then confer with Mr. Lewis regarding future programs, Dr. Doudna stated.

Dr. Doudna urges freshmen and sophomores who are not yet in a division to consider the advantages of the Intermediate and Upper Elementary field and to make application as soon as possible so that the programs can be properly planned during the pre-registration period.

Analysis of American Movies Poses Query -- Is Civilization Declining?

By Dick Tosser

Just the other night I discovered that this country is progressing -- backward! The occasion which led to this discovery was my attendance at the cinema -- that form of entertainment which re-enacts exactly every historical event from Adam to Truman (not much of an advancement).

I found by carefully watching with undivided attention that the Indians of the sixteenth century spoke better English than 90% of the population of Brooklyn today. How these magnificent redskins with a 50,000 word vocabulary happened to sell Manhattan Island for \$24 is beyond me. And somewhere along the line the Patent office has lost the plans for an amazing six shooter that holds 28 shots and can be reloaded in two and a half seconds flat. (This model is the type used by such celebrities as Roy Rogers and Hopalong and is most deadly and accurate when fired over the shoulder, while the other hand strums a guitar.)

Other evidences of deterioration were all too noticeable. For instance, the animal world seems to be on the downgrade too. Did you know that at one time the Canadian mounties had a breed of dog which responded to a magic word? One word from the Red Coat, an intelligent "Woof" from Fido and the mountie went to sleep under a tree until the dog returned three hours later, bloody but triumphant, with the world's most dangerous murderer slung across his back. The equine world had its counterpart in the exploring horse that conquered the West, roped calves and kept a harem in the hills -- when everything was well in hand he sent an Indian runner to his master back in "Bahwston" and the Eastern dandy arrived to play the country gentleman, while the faithful horse retired modestly to the hills and his harem.

Most astonishingly degrading to the modern age is the smoothness with which the law enforcers acted in days of yore as compared with today. Twenty years ago when a bank robber or bigamist was being chased, one officer would say to the other, "You go this way and I'll go that way" and they usually would. This simple procedure seemed to net an amazing number of criminals. Today science and psychology have entered the picture and the officers argue about the proper approach until they get an OK from Washington. By this time, the bigamist has died (leaving two widows on federal relief) and the case is referred to the City Morgue.

Providing the fellow does live, it takes a 20 man firing squad or a million volt current to dispose of him. In former days William Tell split an apple with his eyes shut and Annie could light a sulfur match with a bullet at 50 feet. As nearly as I can figure, we'd better look to our laurels or the evolutionary process in the ape is going to catch up with us!

Seventy-nine senior girls of CSC were honored at the annual WSGA dinner held at the Presbyterian church on Monday, May 19. Shirley Sonnenberg was toastmistress for the event, Kay Leahy, president of the WSGA, welcomed the group on behalf of the board members. Nancy Pautz gave a toast to the seniors and Carole Gilbertson responded for the seniors. Helen Isberner gave a humorous reading on "peanut butter" and Barbara Nelson led community singing, with Benita Held accompanying on the piano. A special feature of the program was a parody to the seniors written by Mary Ann Smith and Jane Schultz. It was fashioned after the popular hit "A Guy is a Guy" and it was sung for the group by Mary Ann Smith, Jane Schultz, Ruth Ann Charlesworth, Judy Clayton, and Lois Schottman.

The dinner was a "Music in the Air," and the table decorations and favors carried out this theme. Favors in the form of pipe cleaners fashioned after staff signs were presented to each guest. The centerpiece at each table was a large bouquet of red tulips combined with white lilies.

Ten senior girls were presented special corsages in recognition of their work on the WSGA Board at some time during their four years here at Central State. The girls are Norma Mayer, Mary Douville, Dorothy O'Neill, Margaret Thirkill, Nancie Goebel, Doris Jensen, Peggy Thorpe Tomfohrde, Colleen Schoeder, Letitia Brunner and Margaret Jones. Kay Leahy presented the awards.

Special guests at the dinner besides the senior girls were Miss Susan Colman, Miss Bessie May Allen, Miss Helen Meston, and Mrs. Raymond E. Specht. Mrs. Elizabeth Pfiffner and Miss Miriam Moser, advisers of the WSGA, were also special guests. The committee chairman were as follows: General chairman, Mary Pfiffner; decorations, Mary Louise Boczynski; and invitations, Marjorie Benson and Verna Schaefer.

We Have a Union Now!

On Saturday evening, May 9, the Central State Union at Delzell Hall became a reality. Catchy music, lively ping-pong matches, shuffling cards, and carefree laughter and shouts marked the initial opening of the Union. The crowd of students, in spite of the Mothers' Day weekend, affirmed the long-needed Central Spot for college life.

The Union was gaily bedecked with bouquets of flowers sent by Sorenson's and Walter's floral shops. Monetary contributions were made by Miss Sue Colman, Tau Gamma Beta sorority; Omega Mu Chi sorority, Chi Delta Rho fraternity, and Phi Sigma Epsilon fraternity.

The hours that the Union will be open for student use correspond to the evening and weekend hours of Nelson Hall.

Union officers include chairman, Bart McNamara; vice-chairman, Alton Due; secretary, Sharon Sutton; treasurer, Wilson Groaton; and publicity chairman, Eleanor Curtis.

Opportunities Available In U. S. Civil Service

Recent graduates and alums will be interested in information secured by the Pointer from the United States Civil Service Commission's seventh regional office in Chicago. A representative was on the campus recently, bringing to students' attention excellent opportunities for Federal employment with the commission itself as investigators in a new program which they are undertaking.

Under a recent act of Congress the FBI is turning over a heavy work load to the commission. This consists of investigating applicants for "sensitive" positions in defense agencies. We are told that the Seventh Region alone must hire 100 trainees for this work during the next few months.

The commission is particularly anxious to secure men with degrees in law, commerce or liberal arts, particularly with majors in Political Science, Public Administration or Education. To secure eligibility, applicants must pass a rigorous examination including written tests, standardized interview, and personal investigation. Trainees will be paid \$4,205 per year to begin and after successful completion of training will be eligible for a pay increase to \$5,050 a year.

The Pointer has been asked to encourage all interested alumni either to write the Seventh U. S. Civil Service Commission, New Post Office Building, Chicago 7, Illinois, for an announcement and application form or to secure this information directly from the Civil Service Secretary at their local post office.

Track Squad Takes First, Second In Starts at Oshkosh and Houghton

CSC's thinclads made very impressive showings in their last two outings by winning one meet, a triangular with Oshkosh and Whitewater held at Oshkosh on Saturday, May 10, and by taking second place in a seven-school contest held at Houghton, Michigan, last Friday.

In capturing the triangular meet honors, the Pointers finished 1-2-3 in two events and 1-2 in two others, which, combined with nine of 15 possible firsts, added up to an easy victory, the final score showing 91 for the Pointers. Oshkosh managed to garner 40 points and Whitewater's squad could gather just 28. The meet was run in adverse weather conditions, which accounted for many of the unimpressive times.

Wes Herbst of Whitewater was the big point-getter of the meet, bagging 13 markers, including firsts in the high jump and shot put. High for Oshkosh was "Ziggy" Zarnott with 12 points, which included firsts in the 200 and 440 yard dashes.

Double wins for Central State were chalked up in the two hurdle events by ambling Bill Cook, who also ran the third leg in the winning relay team, and by Tex Toser, who won the mile and javelin throw events. Pointer speedster, Rhody Marquard, wound up high-point man for CSC as he won the 100 yard dash and took seconds in both the 220 and broad jump and ran anchor on the relay team to wind up with 12½ points. Versatile Mark Schommer became another Pointer double-winner as he won the discus, got a second in the 440, a fourth in the broad jump, and ran on the relay team.

"Easy" Ed Jacobson hung up another first in his specialty, the mile, and Chuck Votava pulled down the two mile honors when "Jake" decided not to run in that event.

Schools participating in the Houghton invitational meet included host Michigan Tech, CSC, Soo Tech, Northern Michigan of Marquette, Gogebic, Northland of Ashland and Soumi, which failed to gain a place.

Even though Michigan Tech's aggression breezed home with the win by gathering 103 points to 56, scored by the second place Pointers, the

outstanding performances of the day were turned in by CSC's own Ed Jacobson, who won both the mile and two mile runs in record-breaking times to set new CSC school and Tech relay records. Jake's time in the mile was 4:33.9 and, after a short rest, he ran an impressive 10:09 two-mile, to become CSC's only double winner.

Bill Cook was blanked in the high hurdles event, but he came back to become victor in the lows. Tex Polzin, placing fourth in the javelin, was Point's other first place winner by pole vaulting 11 feet three inches.

Rhody Marquard, even though he failed to win an event, became high Pointer scorer with 11 points. In collecting his total, Rhody finished second in the 100 and 220 and third in the broad jump.

Seven overtime sets highlighted a nip-and-tuck battle between Oshkosh and a greatly improved Central State squad which saw Oshkosh eke out a 5-4 decision. It was the second straight loss for the Pointers, but greatly-improved play by Point highlighted the meet.

CSC victories came in No. 1 and No. 6 in the singles, and No. 1 and No. 3 in the doubles. The most savage battle of the day was in the No. 1 doubles, which saw Dave Case and Bob Johnson come from behind on some great plays by Case to win the final set, 12-10, after trailing 9-10. Parr Eves and Dick Toser teamed up to produce the other Point doubles' victory, while Case and Parr Eves gained victories in singles play.

Third in Triangular

Dave Case, playing his heart out, won runner-up honors as CSC's tennis team ended up third in a triangular meet with Whitewater and the host Oshkosh squad.

Case, Point's No. 1 netter and outstanding local performer all season, bowed to Bill Keith of Oshkosh, 6-4 and 6-2 in the finals. Case gained a berth in the finals by defeating Don Beal of Whitewater, 4-6, 6-3, and 7-5, while Keith reached the finals on a forfeit by his teammate, Deubler.

Oshkosh won the three-way meet by totaling 12 points, while Whitewater followed closely with 11 and CSC trailed with eight.

Five local netters advanced to the second round, Johnson, Case, Eves, and Polka on byes, and Dick Toser by defeating Ron Dawson (O) 3-6, 6-3, and 6-0. However, Case was the only Pointer to win his second round of play as he downed Don Cobb (O) 6-3, 6-3.

Case then defeated Gary Coleman (W) 6-2, 6-4, in the quarter finals and went on to the finals before losing to the well-rested Keith.

WRA Play Day Draws 150 High School Girls

"Little Olympics" was the theme of the annual WRA play day held on Saturday, May 17, with 145 high school girls participating. The teams taking part were named after the countries which usually take part in the Olympics. Sweden won first place and the team members, one girl from each participating school, were awarded key chains with rabbit feet.

The championship trophy was presented to Bonduel, which had 87 points. Luxemburg was second with 86 points and Weyauwega was third with 84 points.

Members of WRA were captains of the teams for volleyball, basket ball, ping-pong, relay races, and softball.

The afternoon program opened with a tumbling exhibition by Miss Jessiemae Keyser's physical education classes. The rest of the afternoon was spent enjoying various folk dances and mixers.

A sport celebrity was created on the CSC campus following the Oshkosh-Pointer golf meet. Frank De Guire realized a linksmen's fondest hope when his No. 8 iron drive from the fifteenth tee landed in the cup for that coveted hole in one. The fifteenth hole is 125 yards long and par is three. Oddly enough, despite the ace and some other excellent golf, Frank was beaten by the Titan's Ralph Draeger, 75-73.

Frank, incidentally, is connected with the athletic staff at CSC. Although not officially on the payroll he serves as the golf squad coach.

More golf! Link-fans interested in the rewards of the game should stop in at the Pointer office this week. The Point squad, victors in the Michigan Tech. invitational meet, returned with a foot high trophy for their effort. While the name plate is being engraved, the trophy will be on display in the Pointer office.

The "Little World Series" now rests at three games for the Chi Delt and two for the Phi Sigs. The "Little Brown Jug" possessor will be decided in either one or two more contests, depending on the winner of the next game. Like its big brother, the World Series, the Little Jug says the victor shall win four of seven games.

The track team may not have captured first place honors at Michigan Tech. but enough records were created by the Purple and Gold thinclads. Ed "Gehrmann" Jacobsen pounded out two records in both his specialties. He loped off a good 9:33 mile to set a new school record and men came back for a terrific 10:09 two-mile to easily create another. Bill Cook, Point's hurdle king, set a record in the low hurdles and Jack Brandt set another in the javelin.

Another sport's year draws to a fast finish. Only the state meet in the spring sports remains to fill out the calendar and it will be history after Saturday. All in all it's been a fine season. In the fall the Pointer football squad did not win any of their seven games but they tied four and only lost three, and those by a total of 14 points. The basketball squad had one of its finest seasons, winning 16 and dropping only five. In the process, the Cagers knocked off Champion Whitewater and the perennially powerful Green Knights of St. Norberts. The track squad, until now, has won two meets and finished second in the Houghton Invitational for an impressive record. The golf teams took the Houghton Invitational and dropped three other meets. The tennis squad, despite some fine performances dropped all three of their starts.

CSC's newest sport made its appearance this year too. Wrestling,

Second in Triangular

The linksters revenged an earlier defeat at the hands of Oshkosh, but were downed by Whitewater as they took second place in the triangular golf meet played on the Lake Shore golf course on Saturday, May 10.

The local squad was handed a 10½-4½ defeat by Oshkosh in a dual affair played on the same course the preceding Thursday, May 8.

Ken Kubitz, medalist with a par

under new addition, John E. Roberts, hit the campus and the grapplers lost their only match to the state's wrestling powerhouse, Ripon, by a close 17-14 score.

But it is all in the books now and, with that, this column ends for 1951-52.
