SERIES VII V.G.L. III

Stevens Point, Wis., January 14, 1954

No. 7

## "Ebb Tide" Will Be Theme Of Frosh Hop

Birds, fish nets, sea weed and sea shore murals will carry out an "Ebb Tide" effect at this year's Frosh Hop, to be held this Saturday evening at the Union in Delzell Hall. Gene Noonan, Freshman class president, made this announcement today.

Dancing is scheduled from 8:30 to 12:30 o'clock. Party clothes will be the fashion for the dancing to the music of Billy Uthmeier and his band from Marshfield. Entertainment and refreshments are included in the price of the tickets, which will go on sale soon for \$1.50 a couple.

The Senior class of P. J. Jacobs high school and senior classes in area high schools, college students and their friends, are invited.

Committee chairmen, under whose watchful eyes plans are progressing, are: Publicity, Kay Justman; tickets, Doug Martin; refreshments, Margie Blue; decorations, DeWayne Martin; and entertainment, Bob Allen.

General Chairman Helen Bovee says, "Hope to see you there. I know everyone will be sure to have a good time!"

## Audience Pleased With Hortense Love Program

Favorable comments were heard about Miss Hortense Love, the talented young Negro soprano-dramatist, who entertained CSC students and faculty at an evening assembly on Wednesday, January 8.

Included in her program were two scenes from operas, "The Magic Flute," and "Il re Pastore," the Biblical story of "Ruth and Naomi," "Gardens," and the lyrics, and musical settings of lyrics by Paul Lawrence Dunbar, the Negro poet.

Among her individual selections, which were in a lighter vein, were "Winter's Approach," "Lili, Gal," and "Temptation." For encores she sang "His Name So Sweet," "Sit Down Servant," and "The Ferry."

It seemed obvious that such a program appeals to CSC students; in fact, the music lovers seem to think that it is a great opportunity to hear artists like Miss Love.

## The College Service Counter Or Roger Wood's Last Stand

The battle begins at 8:15 in the morning and continues at varying intervals throughout the day, according to Roger Wood, manager of CSC's supply counter on the second floor. During this time Roger is besieged with a sizzling cross-fire of questions such as, "Don't you handle red ink, it writes much better?" and, "Do you have a band-aid for a cut finger?"

At the beginning of the year there was the shy Freshman who timidly crept up to the counter for his textbooks only to find that he was three floors off. Now this same Freshman, as an old and hardened veteran of four months, swaggers confidently up and demands, "What have you got to make a course easier, Buddy? You know, something like old tests."

So sorry, but the counter doesn't stock these little gems. However, it does have just about everything in the line of school supplies from notebooks to nuts. Candy and gum are about the most popular items.

Special services are also available at the counter. These include rental of caps and gowns for commencement, the ordering of commencement announcements, and special orders for textbooks, outline books, and slide rules. Also, the counter handles veterans' accounts for supplies, and orders books, maps, and laboratory manuals for many courses in which they are required.

The manager, Roger, just asks that you know what you want when you invade the counter. "So many

## Korean Student For CSC? Council Accepts Challenge

By Virginia Briscoe  
The question has been presented to CSC, "Would we like to give a Korean student a chance to study in America?" In doing this we would be helping to promote international good will and also be spreading the American way of life to other lands.

The student council, as representative of CSC's student body, has voted "yes" to the question. "We will need a minimum of \$500 to give a Korean student a chance to study here, \$440 for dorm fees and \$60 for food during vacations.

Foreign students here on the campus add to the colour and prestige of the school. They broaden our knowledge by giving talks on their country and impressions of our America. By giving talks to local service groups they improve the public relations of the college.

The donation campaign will be centered around several publicity areas. Would you be willing to take a foreign student friend to the show, at a cost of 50 cents? If each Central State student would donate his 50 cents, the pledges would total up to \$300. Tentative plans are underway for a dance to be held as a culmination to the drive. Letters have been sent to local service organizations and churches asking for pledges, and it is hoped that these will total up the remaining \$200 needed to swing the project into reality.

The proceeds of the Frosh Hop are being donated to this worthy cause. We're off to a good start with our Freshmen in the lead. Come on Sophomores, Juniors and Seniors... get on the bandwagon!

## Crow Attends Historical Convention At Chicago

Dr. and Mrs. Frank W. Crow were in Chicago last week to attend the 68th annual meeting of the American Historical Association.

Topics discussed at the convention were "Christian Culture as a Factor in the Development of American Democracy," "The Historical work of Douglas Southall Freeman," "The Awakening of Africa," "Social Ideas of American Historians," and "Test and Testing Procedures."

## "Snow Belles" Theme Of Psi Beta Psi Tea

A beautiful styrofoam snowflake covered with sequins decorated the tea table at the Psi Beta Psi tea Wednesday afternoon at Delzell Hall. On the piano was a huge bell surrounded by many small figurines. The favors consisted of frothy snowbells with gay red ribbons. These decorations added sparkle to the "Snow Belles" idea, the theme of the sorority's annual tea honoring new women students.

The many guests were entertained by Delores McLees and Penny Bullock, who did a modern dance to "Susie Snowflake," Radine McIntee who sang a solo, Maryjo Reznichik, who read a selection about a snowflake entitled "An Informal Biography," and Frances Koch, who provided background music during the tea.

The receiving line consisted of: Mary Ann Panke, president; Cary Edmond, vice-president; Joyce Scheek, corresponding secretary; Miss Jeessiemae Keyser and Miss Alice Hansen, advisers.

The committees for the tea were as follows: Table committee, Virvan Schultz, chairman, Annette Bran, Chloee Brody, decorations, Joan Untiedt, chairman, Maryjo Reznichik, Delores McLees, Penny Bullock; favors, Dorothy Gerner, chairman, Frances Koch, Delores Krause, Edith Helland; food, Radine McIntee, chairman, Mary Jane Wagner, Mary Ann Baumer, Eldora Reineking, Janice Thurston; entertainment, Mary Ann Panke, chairman, Marglene LeMere, and publicity, Cary Edmond, chairman, Mary Ann Donna Walrath, Lenore Gaylord, and Janus Schellin.

## Dr. Doudna Plans Talk, Films On Egyptian Trip

Dr. Quincy Doudna will speak before the student body and faculty Thursday evening, January 21, at 8 o'clock in the college auditorium. The topic of his talk will be his trip to Egypt. Along with the talk he will show films relating to Egypt.

During the month of September Dr. Doudna spent four weeks in Egypt as an adviser to the Egyptian minister of education. While in Cairo he served as a consultant during a conference of school principals and supervisors from four provinces of Egypt. He also participated in a trial project to determine how the American and the Egyptian authorities can work cooperatively to improve their educational system. His trip was made under the auspices of the U. S. department of health, education and welfare.

of the students come to buy an item whose name they don't know," says Roger. "They say that So and So bought one yesterday and they would like one too." But just what that "one" is, is a mystery worthy of the consideration of Micky Spillane.

— The "counter" man —

AT LAST WE KNOW who we are! Above we see President Wm. C. Hansen (right) thanking Don Wilde, president of AKL, Conservation fraternity, as he presented the identifying sign for Central State.

## CSC Band To Present Annual Band Clinic

On Saturday, January 23, the College Band will again present its annual band clinic. It is expected that about 700 high school students from close to 100 schools in Central Wisconsin and beyond will attend. The College Band, under the direction of Peter J. Michelsen, will play the state high school music festival selections in classes A, B, C, and D.

The clinic will begin at 9:30 and last until about 4 with an hour and a half break at noon. A noon lunch will be served to College Band members and alumni by some of the members.

Among alumni who have been asked to come and play with the band are James Wheelan, Plainfield; Fred Parfrey, Beaver Dam; Norman Hinkley, Portage; Ray Rozelle, Athens; Carman Lane, Colby; Robert Bestul, Almond; Sam Winch, Waupaca; Lavern Olingy, Park Falls; Arnold Jindrick, Sparta; and Jack Whitney, Oconto Falls.

## Mid-Year Graduates Receive Placements

Students graduating at mid-semester who have been placed in teaching positions already are: Mary Ann Raschka, at Rhinelander, teaching fifth grade; Curtis Lee Taylor, P. J. Jacobs High school, Stevens Point, teaching ninth and tenth grade Science and Biology; Allan Mortenson, Pulaski high school, Milwaukee, teaching world history, American history and Speech; and Lee Miller, Granton, teaching music.

Alums who have been placed recently are Clarence J. Karier, who has been in service. He is now teaching citizenship and world history at Marinette.

Lillian Lovedahl, a graduate of '52, has been teaching first grade at Palmyra since December 17.

## Conway President Of Alpha Kappa Rho

Bill Conway was elected second semester president of Alpha Kappa Rho at a recent meeting held at the P. J. Michelson home. Bob Reed was chosen vice-president; Nancy Court, secretary; and Mary Ann Smith, treasurer. Installation followed immediately after the election. Refreshments were then served.

The next meeting of the honorary music fraternity will be held on Monday, January 18, at the E. V. Bukolt residence, where an annual party is always given for members.

## Mrs. Bourn Lectures On Careers To Home Ec Club

Mrs. Dorothy Bourn from the Wisconsin Public Service Corporation spoke on Home Economics as a career at the last Home Economics club meeting.

She spoke on her work and how the field of Home Service has grown. Mrs. Bourn said there was a great need in the field of Home Service for college graduates. Many of the girls seemed interested in the possibilities of going into this type of work.

Work has been started on the annual Style Show and open house given each spring for the college and high schools. The purpose of it is to interest prospective students in Home Economics and to better inform college students of the Home Ec field. Marge Smith is general chairman of the Style Show.

## Miss Grill To Present "Party Primping" Hints

Miss Anna Rose Grill, Public Relations chairman of the Toast company, will present a program of interest to all college women on Monday, January 25 at 6:30 o'clock.

This "Party Primping" party took its theme from planning for the Inter-sorority dance on the following Saturday. All college girls are welcome and its — FREE and INFORMAL (wear your jeans!)

The women's recreation room has been tentatively designated as the place of the demonstration which is being sponsored by the Women's Self-Governing association. In the event that an unusually large number attend, the demonstration will be moved into the gym.

Miss Grill will demonstrate how to achieve hair beauty on a budget through the use of the economical home permanent. Six college women, chosen as subjects for the demonstration, will receive free Tonis. In addition names will be drawn for door prizes consisting of Toni Permanent kits.

Miss Myrtle Henriksen, a CSC alumna, and Woman's Editor of the "Wisconsin Agriculturist" magazine, will be present to take pictures which will be used in a feature story in the "Wisconsin-Agriculturist."

Serving as co-chairmen for the event are Sally Rose and Shirley Sonnenberg.

## New England And Canada Included In Summer Tour

Combining geography and literature, the annual summer school field trip, under the direction of Ray E. Specht and Norman E. Knutzen, has been scheduled for June 23 to July 16. This year the group will visit New England and French Canada.

Highlights of the three week bus trip will include: A car ferry trip from Manitowoc to Ludington; a visit to the Ford Motor Company and Greenfield Village at Detroit; Niagara Falls; Baseball's Hall of Fame and Cooper's Home at Cooperstown; Sturbridge Village; (76 days in the historic Boston area (Concord, Lexington, Walden, Pond, etc.); an ocean trip to Provincetown on the tip of Cape Cod; the Great Stone Face; picturesque Quebec (a bit of old Europe); Montreal; Ottawa; the Soo locks; and Mackinac Island.

The \$200 fee includes tuition, transportation, lodging and insurance. Meals and personal expenses are extra.

The summer school registration date is June 21. From June 22 to 25, the orientation in preparation for the trip will be held here on the campus. After the actual traveling period, June 23 to July 16, the travelers will return to the campus to write their reports.

Three credits each will be given in Geography and Literature.

The bus will accommodate 26 passengers. The first 26 who fill out reservation blanks will be accepted and others will be placed on the waiting list. A \$25 deposit will be required at the time of reservation.

More information and reservation blanks can be obtained from Mr. Specht, field trip director.

## Burroughs-In Hospital

Leland M. Burroughs, chairman of the English and Speech department, is a patient at Wisconsin General hospital in Madison where he will undergo major surgery on Friday of this week.

Students and faculty are sorry to learn of Mr. Burroughs' illness and hope for his complete and rapid recovery.

## Four Games in Eight Days On Point Menu; To Spend One Big Weekend On The Road

Coach Hale Quandt's cagers will be plenty busy in the next eight days, playing three conference and one non-conference game. On Friday, January 15, they are visitors at Menominee, for Stout Institute. Saturday, January 16, they tangle with Eau Claire while still on the road. Then on Monday, January 18, they play host to Winona College of Minnesota, a non-conference tilt. On Saturday, January 23 they travel to Whitewater for another conference tussle.

The Stout Blue Devils will be led by high scoring Roger Lowrey. Lack of adequate height advantage the Blue Devils have made up for it somewhat by being aggressive and scrappy. The home court advantage also is quite important because of the size and shape of the gym. Coach Hale Quandt had not named his traveling squad when the Pointer went to press, but the starting assignments in recent games indicates the possibility of 12 or 14 Pointers making the trip. Coach Quandt has indicated he may start the quintet of Les Thompson, Jerry Boldig, Orr Koepke, Ken Roloff and Erv Redding or Jerry Vance.

Roger Hanson, a 6 foot 11 inch pivot man, is Eau Claire's main point maker. He gets most of his support from a speedy hard driving forward called "Jet" Johnson. In two recent games those two players accounted for 77 of their team's 137 points. In a previous game this season Hanson had hit for 39. The Pointers will be stretching their defensive tactics to hold down Hanson and stop Johnson.

Little is known about the Minnesota team of Winona college. They have a roster of veteran players and should give the Pointers a battle. However the Quandtmen are on their own floor and in comparison to Winona's gym they have a definite advantage from the floor size. This

## CSC Grapplers Trounce Vikings in Home Debut

Central State's wrestlers averaged two last season defeats as they gained a 16-14 decision from Lawrence Saturday afternoon, January 9, in a meet staged in the college gym.

More than 300 enthusiastic fans watched the Pointers check the Vikings in the first home meet of the season.

CSC started out with five "gift" markers as 137 pound Fred Bohm was awarded a forfeit. Terry McMahon at 123 pounds and John Langton in the 130 pound class added six more points to the Purple and Gold cause as they both pinned their man. Then two close decisions suffered by Eugene Junior and Ralph Seefeldt and a rough-and-tumble decision over Dave Jersey brought the score to 11-9 in Point's favor, before veteran Dave Hurlbut iced the meet with a quick pin of his opponent. Ken Hurlbut gave Lawrence their final five points as he was pinned by his monstrous, heavy opponent in the final round.

The results:

123 — McMahon (P) decisioned Pseringer (L), 10-2.  
 130 — Langton (P) decisioned Jackson (L), 4-0.  
 137 — Bohm (P) won on forfeit.  
 147 — Coppetta (L) decisioned Junior (P), 7-5.  
 157 — Robbins (L) decisioned Seefeldt (P), 7-6.  
 167 — Hall (L) decisioned Jersey (P), 12-5.  
 177 — D. Hurlbut (P) pinned Prange (L) in 2:34.  
 HW — Oetting (L) pinned K. Hurlbut (P) in 6:36.

## COLLEGE EAT SHOP

"You wouldn't have to do this to get waited on at COLLEGE EAT SHOP, Louise! You get quick and efficient service there!"

game will get underway Monday, January 18, at P. J. Jacobs gym after the wrestling meet featuring the same two colleges.

On Saturday, January 23, the Pointers will invade the Whitewater campus to battle the scrappy Quakers. Coach Hale Quandt's cagers will again be faced with a small floor but because of practicing at the Training school this shouldn't prove much of a disadvantage. Whitewater doesn't seem to have one point maker, but a more balanced scoring threat. Gil Daniels and Mike Povich, Dan Drott, Clay Jackson and Ray Zwolinski have had their share in scoring laurels. Zwolinski is a former letter winner here who transferred to Milwaukee and then to Whitewater.

## Red Hot Comeback Gives Pointers Win Over Ripon

The Pointers started the New Year off with a bang. A brilliant fourth quarter made up for a lagging first half and enabled them to hand Ripon a 73-53 drubbing before a home crowd at P. J. Jacobs High school Saturday, January 2.

Late in the second quarter the boys really started to click. The unit of Pointers, namely Wieman, Redding, Schadewald, Thompson, and Roloff, outscored the Redmen by a 9-1 margin while they were in. Ripon was dazed by the Pointers' shooting, rebounding, and alert defenses.

The lead changed hands five times in the first half of the third quarter before the Quandtmen got the lead for keeps. The home stretch was all Stevens Point as the locals really found the range.

Thompson was high man for the night with 19 points, while Schadewald was the spark plug of the unit. Redding and Roloff played outstanding ball while Wieman engineered the attack, firing in several long shots at crucial moments.

## St. Norberts Hands Pointers 78-61 Loss

The Pointers couldn't come back to overcome an early lead and dropped a non-conference game to St. Norberts by a score of 78-61 in a tilt played January 5, at DePere. It was the Pointers' third defeat in seven games.

The team's shooting was off, as the 25 percent average shows. Coach Quandt started the same team that began the Ripon game but this unit as well as other units just couldn't turn the tide.

Les Thompson was again high for the Pointers with 19 points, followed by Roloff with 13. Thompson and Schadewald led the team in rebounding.

Maneuvering on the free throw line wasn't too good for the Pointers. They made 23 of 38 while St. Norberts made 22 of 29.

The boys could pull within two to three points of St. Norberts but then would falter and then drop behind again. They were in the game all the way up to the last five minutes but St. Norberts hooped nine straight points to put the game on ice.

## Milwaukee Is Too Tall; CSC Loses In "Stretch"

A good fourth quarter rally by Milwaukee was too much for the Quandtmen as they dropped the game 67-59 in P. J. Jacobs gym here on January 9. The loss of Vance and Roloff hurt the team, as up to that time they fought the "Green Gulls" on even terms. This was the second loss in conference play suffered by the Pointers and gives them a 4-4 season mark.

Roloff shared scoring honors with Thompson and Koepke. Roloff had 15, Thompson 15, and Koepke counted 14.

The starting team consisted of Thompson, Roloff, Desorey, Vance, and Redding.

The Pointers made 20 of 72 shots for a 27.8 average. The starting team lacked scoring from the guard slots but the rebounding was good, considering Milwaukee's six-foot four-inch average height.

Milwaukee's Krueger had 17 points followed by Netzel's 16 and Hanrahan 15. The "Green Gulls" played a good brand of ball in the second half, making 21 of 58 shots for a .362 average.

Both clubs had the lead at various stages of the game, but a final point

## Side Lines

by Jerry Baerenwald

The Pointer hoopsters found their ex-teammates in an unholiday-like mood as they dropped (again) a close 69-67 decision to the alumni in a ball game played as the opener of a college-high school alumni twin bill staged December 28.

Alums Chet Polka and Bill "Honus" Wagner, '52 graduates, were the "big guns" for the old timers as Polka garnered 18 points on nine buckets, while Wagner tipped in a two-pointer with 30 seconds left to provide the winning margin. Dick Lorenzen added another 15 points to the winning cause.

Ken Roloff displayed his terrific shooting eye as he whipped in 23 markers for the evening, many of which were the result of long, spectacular shots. Carl Huberty coined 16 for the evening, while Erv Redding, stellar Pointer guard, meshed 13. A two-pointer by Erv from far out knotted the count at 67 all with 60 seconds on the clock before "Honus" tipped in the clincher.

This and that: Bill Watson, Beloit frosh, active in football and basketball while at CSC, withdraws from school — Ken Hurlbut's girlfriend loses all her fingernails at the wrestling match last Saturday — Jerry Vance suggests official basketball scorekeepers be required to take one semester of math as a prerequisite course —

Les Thompson becomes team high scorer with three-game totals of 19, 19, and 15. Ken Roloff ranks second — Dave Hurlbut wins his eighth straight collegiate wrestling bout — Jack Young, ex-Pointer grid guard, will re-enroll the second semester as a phy ed minor. Jack was recently released by Uncle Sam.

Ripon hands John Langton his third straight win via forfeit in the 130 pound class. Ripon must grow them big — Ed Jacobsen begins pounding over his third floor mile course as he commences training for his final year of collegiate track competition as star miler and two miler.

spreed and stalling techniques in the final period gave the "Green Gulls" the game.
