Frat Book Exchange Adjustment Period

by Mary Oertel

Books last while they get your red-hot! Wait a minute. Get your red-hot books while they last!

It seems, "They buy, they sell and they have a "Period of Adjustment." Who and What?

O.K. O.K. The facts: Alpha Phi Omega, national service fraternity, have started a Paperback Book Exchange, located in the old chemistry lab rooms in the basement of the main building.

The Book Exchange will be operated solely for the convenience of the student. Students who have paperback books they have finished and no longer want, or need, can bring it to the Book Exchange where they can set the price they hope to obtain from its resale, anywhere from one-half to three-fourths the original price.

The student will receive a receipt for the book, which the Book Exchange will then re-sell to other students. For this service to the student, the Book Exchange asks a 5-cent service charge on books under one dollar that they sell, and a ten-cent charge on books over one dollar. If they fail to sell the book, the student may pick it up without paying the service charge.

"The period of adjustment," Oct. 15, is a time when students either pick up the money for books they have sold, or claim any unsold paperback they may have left at the Book Exchange. Book Exchange hours are 1-4 p.m. Monday through Friday,

Students may bring their books into the Exchange for resale until Oct. 9. Resale of the books will start Sept. 24.

Enrollment Increases 13 Per Cent

by Sue Stanke

Today 2,735 students are tromping down the many halls of Wisconsin State College, Stevens Point.

Gilbert W. Faust, registrar, said this represents an increase of 328 students, or a 13 per cent rise over last year's enrollment. Freshmen total about 1,050, or over one-third total enrollment.

Faust said that registration this year was an unusually hectic process due to several factors. Room numbers couldn't be assigned or instructors listed in the timetable, due to the fact that it was not known when the science building classrooms would be available, or how many teachers were to be hired, and exactly what classes they would be teaching. Often assignments are changed during the course of the summer, to accommodate the interests and backgrounds of the faculty.

The worst problem was the delay in the passage of the budget bill by the legislature. Normally billings for fee payments are mailed July 1. This year, due to the legislative delay in establishing

Success to All . . .

Let it not be said that the Pointer slipped up on extending a warm welcome to the many freshmen who have been "invading" the old and new walls of our campus. For many of you it probably has been a wonderful and exciting experience, one you will never forget — and I sincerely hope you won't! For all, it has no doubt been bewildering and frantic. As this blows over, we hope, other things will take your interest, along with the serious task of studying. Among the interests, I hope, will be "your" Pointer, for it is a student publication! Just as new to the campus this year, is its weekly publication. With the help of the entire student body and the faculty, the paper can aid in effective communication and make it a successful year for all.

NOTICE

In the future, all letters to the editor must adhere to the following regulations:

1. They must not be more than 300 words in length.
2. They should be typed, or written legibly.
3. They must be signed, although the name will be withheld if the writer so desires.

Faculty Promotions

(Continued from page 1)
Among those promoted was Fred R. Dowling, who has been raised to the rank of full professor of speech.

Given the title of associate professor were Eugene W. Brod-hagen, physical education; William M. Dawson, speech; Marjorie S. Kerst, education; Hildegard R. Kuse, education; Frances J. Norton, philosophy-psychology; Alice L. Peet, speech and Robert F. Wilde, biology.

Those receiving assistant professorships were Oliver A. Andrews, chemistry, Dean G. Blair, music and James G. Newman, conservation.

Promotions depend upon such factors as teaching ability, professional growth, general education service, holding of advance degrees, and experience.

Enrollment

(Continued from page 1)
Publishing new fee rates, billings were delayed until August, or about six weeks later than usual. As a result, the office staff was forced to do in three weeks, work that would ordinarily have been spread over the months of July and August. This also accounts for the delay in freshman registration. The office was simply unable to get out all the forms and necessary papers on schedule.

The registrar's office would like to say that steps are being taken to provide adequate clerical help, and would like to thank the students for their patience and cooperation during registration.

Students Join Search For Lost Amherst Boy

by Mike Bowers

Approximately eighty students from Delzell and Pray-Sims residence halls participated in a search last Thursday morning for an eight-year-old boy who was lost in the vicinity of Amherst.

The boy, Donald Kealisher Jr., son of Mr. and Mrs. Donald Kealisher Sr., Rt. 1, Amherst, was reported missing Wednesday afternoon and a search began later that evening. At 12:30 a.m. Thursday, it was requested that a search party be organized on campus to assist in the search which was to take place at 5 a.m. Thursday morning.

Volunteers from the residence halls arrived at about 7 a.m. in the area near Amherst where the boy's bicycle had been found earlier.

Portage County Sheriff Emil Meshak and other authorities organized the party and the search began shortly afterwards in the

dense underbrush and swamp area.

The group was called to a halt at 7:45 a.m. when the boy was found as he emerged from the woods onto the road nearby and was picked up by a school bus.

He was taken by ambulance to St. Michael's Hospital where he was treated for cuts and bruises as well as shock and exposure.

The students involved in the search were commended for efforts to find the missing boy.

Scholarships To 11 Students

Eleven students receiving May Roach Scholarships were announced by the Dean of Men and Dean of Women's offices.

The fund was set up in 1956 when Miss Roach, a WSC alumna and instructor in rural education, retired after 50 years of teaching.

Local businessmen donate the scholarship funds as a tribute to Miss Roach, and the grant of \$75 a semester is made to students with high scholastic standing and other attributes.

Those receiving scholarships are Lee Herrickson, Helen Marguardt, Scott Mori, Stanley Nichols, Josephine Russ, Halide Satar, George Schreck, Warren Schimpff, James Staff, Sandra Westphal and Jane Woudstra.

Berta, Mrs. Janet Arducant; George Tesman, Jeffrey Rodman; Judge Brack, Michael Worman; Ellert Lovborg, Jim Mueller.

All seats are reserved. Regular tickets can be obtained by presentation of an I.D. card. Premium seats closer to the stage include a 25-cent charge. In both cases each ticket will be for a specific seat and aisle. Students planning to attend with dates or as a group must pick up their tickets together if they wish to sit together. Box office hours are 9:30-12, and 1-3 p.m. daily, in room 113.

The most spectacular play of the game occurred in the third quarter. Dennis Robichaud intercepted Schipper's pass on the 20-yard line, and returned it to midfield. Before being tackled, Robichaud lateraled to his left to end Jim Goggin, who continued untouched to the end zone. Redders' kick was wide and the score was 20-0 with 11:47 left in the third quarter.

In the fourth quarter the Pointers struck twice. Lee Bogatin, who replaced the injured Balousek, passed 10 yards to end Jim Hackbart for a touchdown. Redders' kick was wide again, and the score was 26-0 with 10:40 left in the game. With only twelve seconds remaining on the clock, reserve defensive halfback Jim Liebenstein intercepted a Stout pass on the left flat, and ran untouched 20 yards to the end zone. Redders' run for the conversion was ruled illegal because the ball was handled first by Aubrey Fish who was holding for the place kick. The final score was Stevens Point 32, Stout 0.

Fine Season Foreseen By New Coach

by Dick Disher

Robert Jones succeeds Orville Rice as head coach of the Cross Country team. He has had experience in track as assistant coach at Wausau and at the UW in Madison, and views the up-and-coming season very optimistically.

Jones feels that although there are only two lettermen returning, some of the new boys just might be enough to have a winning season. The two returning lettermen are George Morara and Chuck Pankratz, both juniors.

He noted that freshman Mike Harville, who has done well in the mile and two-mile events in high school, and Tom Frank look good in practice.

He feels that these four boys can bring home some very valuable points and that the team has a fair chance of taking the conference championship. As for the season's first meet with Oshkosh, he predicts a moderately simple win.

The schedule for this season is as follows:

- Sept. 28 — Oshkosh (T)
- Oct. 1 — Lawrence (H)
- Oct. 5 — UW-M (H)
- Oct. 16 — Beloit Invitat. (T)
- Oct. 19 — La Crosse (T)
- Oct. 26 — Conference (at Whitewater)
- Nov. 2 — Platteville (T) * *not certain.

Football Schedule

- Sept. 14 — Stout (H) 7:30
- Sept. 21 — Platteville (T)
- Sept. 28 — Oshkosh (T)
- Oct. 5 — La Crosse (H) 7:30
- Oct. 12 — U. of Wis.-M (H) 7:30 (Homecoming)
- Oct. 19 — Supervisor (T)
- Oct. 26 — Whitewater (H) 7:30

Pointers Defeat Blue Devils, 32-0

by Mike Dragolovich

Stevens Point State College opened the 1963 football season by soundly beating Stout State College on Saturday evening, Sept. 14.

It was a wild, circus-type football game featuring a total of seven pass interceptions and six fumbles.

The Pointers, whose offense for the most part was stymied by early season poor timing and a strong Blue Devil defensive line, rose to the task by capitalizing on Stout's mistakes, and scored with the opportunities these mistakes provided.

Although the Pointer offense displayed tremendous potential, it was the defensive platoon which essentially provided the large margin of victory. It held Stout scoreless with hard jarring tackling, which spilled the Stout backs time and again for a loss or no gain. It forced Stout to lose the ball four times on fumbles, and it returned two pass interceptions for touchdowns.

The Pointers, however, displayed versatility in their offense which will go a long way in establishing the Pointers as a contender for the Wisconsin State College Conference championship in 1963.

Although Stout contained halfback Sonny Redders and Larry Balousek's passing game, the Pointers still countered with fullback George Rivers whose power smashes off tackle and up the middle bent the Stout defense for 100 yards in 19 carries for a 5.3 average. This provided the offensive highlight of the game.

Dick Emerich displayed good defense and a threat as a breakthrough runner from his right half-back position.

Valent her newcomer, tall Jim Hackbart, headed in several outstanding catches, including a 10-yard touchdown pass from Lee Bogatin in the fourth quarter. Fine offensive blocking was contributed by All-State center Dennis Arthur, guard Bucky Bay, and tackles Ken Krueger and Dave Schroeder.

The Pointers scored in every quarter against the Stout Blue Devils. In the first quarter, linebacker Dennis Robichaud recovered the first of four fumbles on the Stout 27-yard line. Five plays later Rivers punched over from the one-yard line. Sonny Redders' conversion made the score 7-0 with 9:45 left in the first quarter.

Midway through the second quarter, Stout quarterback Mike Bogatin fumbled on his own 21-yard line, and tackle Bernie Christianson recovered for Stevens Point. Three plays later halfback Larry Holmes tried to sweep left end for the touchdown, but he was pulled down for an 8-yard loss on the 30-yard line. On the next play, Sonny Redders took a pithout from Larry Balousek and cut through a big hole over right tackle into the end zone. His own conversion made the score 14-0 with 7:10 left in the first half.
