ADMINISTRATION

PRESIDENT JAMES H. ALBERTSON

The pages of this fine annual will help to serve as a reminder of some of the highlights of the 1963-64 year at our college. Immediately, the pictures will remind each of us of events of the past year and in thinking about them other events and activities, not pictured here, come to mind. Over the years, this annual will take on a different meaning for it will serve as a reminder of some of the personalities that were important in our experience at Wisconsin State College. Members of the faculty and fellow students will be thought of in terms of their contribution to this thing called "a college education".

The members of the annual staff are to be congratulated for their efforts in producing this 1963-64 Iris. In the same manner each member of the college family is to be commended for his efforts in making our college what it is. In part, these pages will remind us of our efforts and of the highlights of the year.

President James H. Albertson

ELIZABETH PFIFFNER
Ph.M.
Dean of Women

College life is a many-sided affair. It includes weekly assignments, term papers, exams, bull sessions, teas, initiations, songfests and homecoming activities, to name a few. It's the things you learn, the people you meet, the ideas you glean and the satisfactions you derive from your experiences and contacts. It's the humility you feel in the presence of great knowledge and the joy you experience when a difficult task is completed. It's the dreams and hopes and aspirations you realize as you pursue your course only to find you have outgrown some of the old ones but are finding new ones in their place. And so college is a continuous and challenging experience — full of joys and sorrows — expressing different things to different people but always opening new doors and new visions to those who look.

DEANS OF MEN AND WOMEN

ORLAND E. RADKE
M.S.
Dean of Men

This year has been a rewarding one and I am pleased to have been a part of it. I point with pride to this student body and respect you for what you have done and what you stand for.

You, as young people of America, have challenged the role of higher education and this is good. It is now necessary for us to produce both Doers who can think and Thinkers who can do. I hope you will always refuse to seek the safe places and the easy tasks and to wrestle with the toughest problems and difficulties. One of the rewards of learning to do hard things is the capacity for doing still harder things.

POINTER JUBILEE

The Pointer Jubilee has become an annual success on the WSC campus. The main purpose of the Jubilee is to acquaint the new students with the various clubs and organizations and their activities on campus. The fraternal organizations, along with the religious groups, publications, and the student government, sponsor booths designed to explain the purpose of the organizations. Each year Lynn Winch provides music for listening and dancing enjoyment on the main floor of the student union.

Campaign Week

Campaign week, October 7-11, was filled with SPIRIT — posters, name tags, torch parades, pep bands, free popcorn, and car-smashing — in support of a favorite candidate. On Friday, Voting Day, a new record vote of 73% was set by the student body. The Student Council sponsored a Hootenanny featuring Robert Glaze, The Outsiders, Maxine Sellers, and The Contemporary Folk Group. Robert Epp, Homecoming Chairman, announced the queen, Pat O'Keefe, who was crowned by the 1962 Queen, LuAnn Hyland.

On your mark...

"Frosted Fantasy" was the theme of the fourth annual Winter Carnival, February 17-23. In addition to the beard growing, ice sculpturing, ice skating and tobogganing, and other contests, a new contest was featured — pipe smoking — with divisions for boys and for girls.

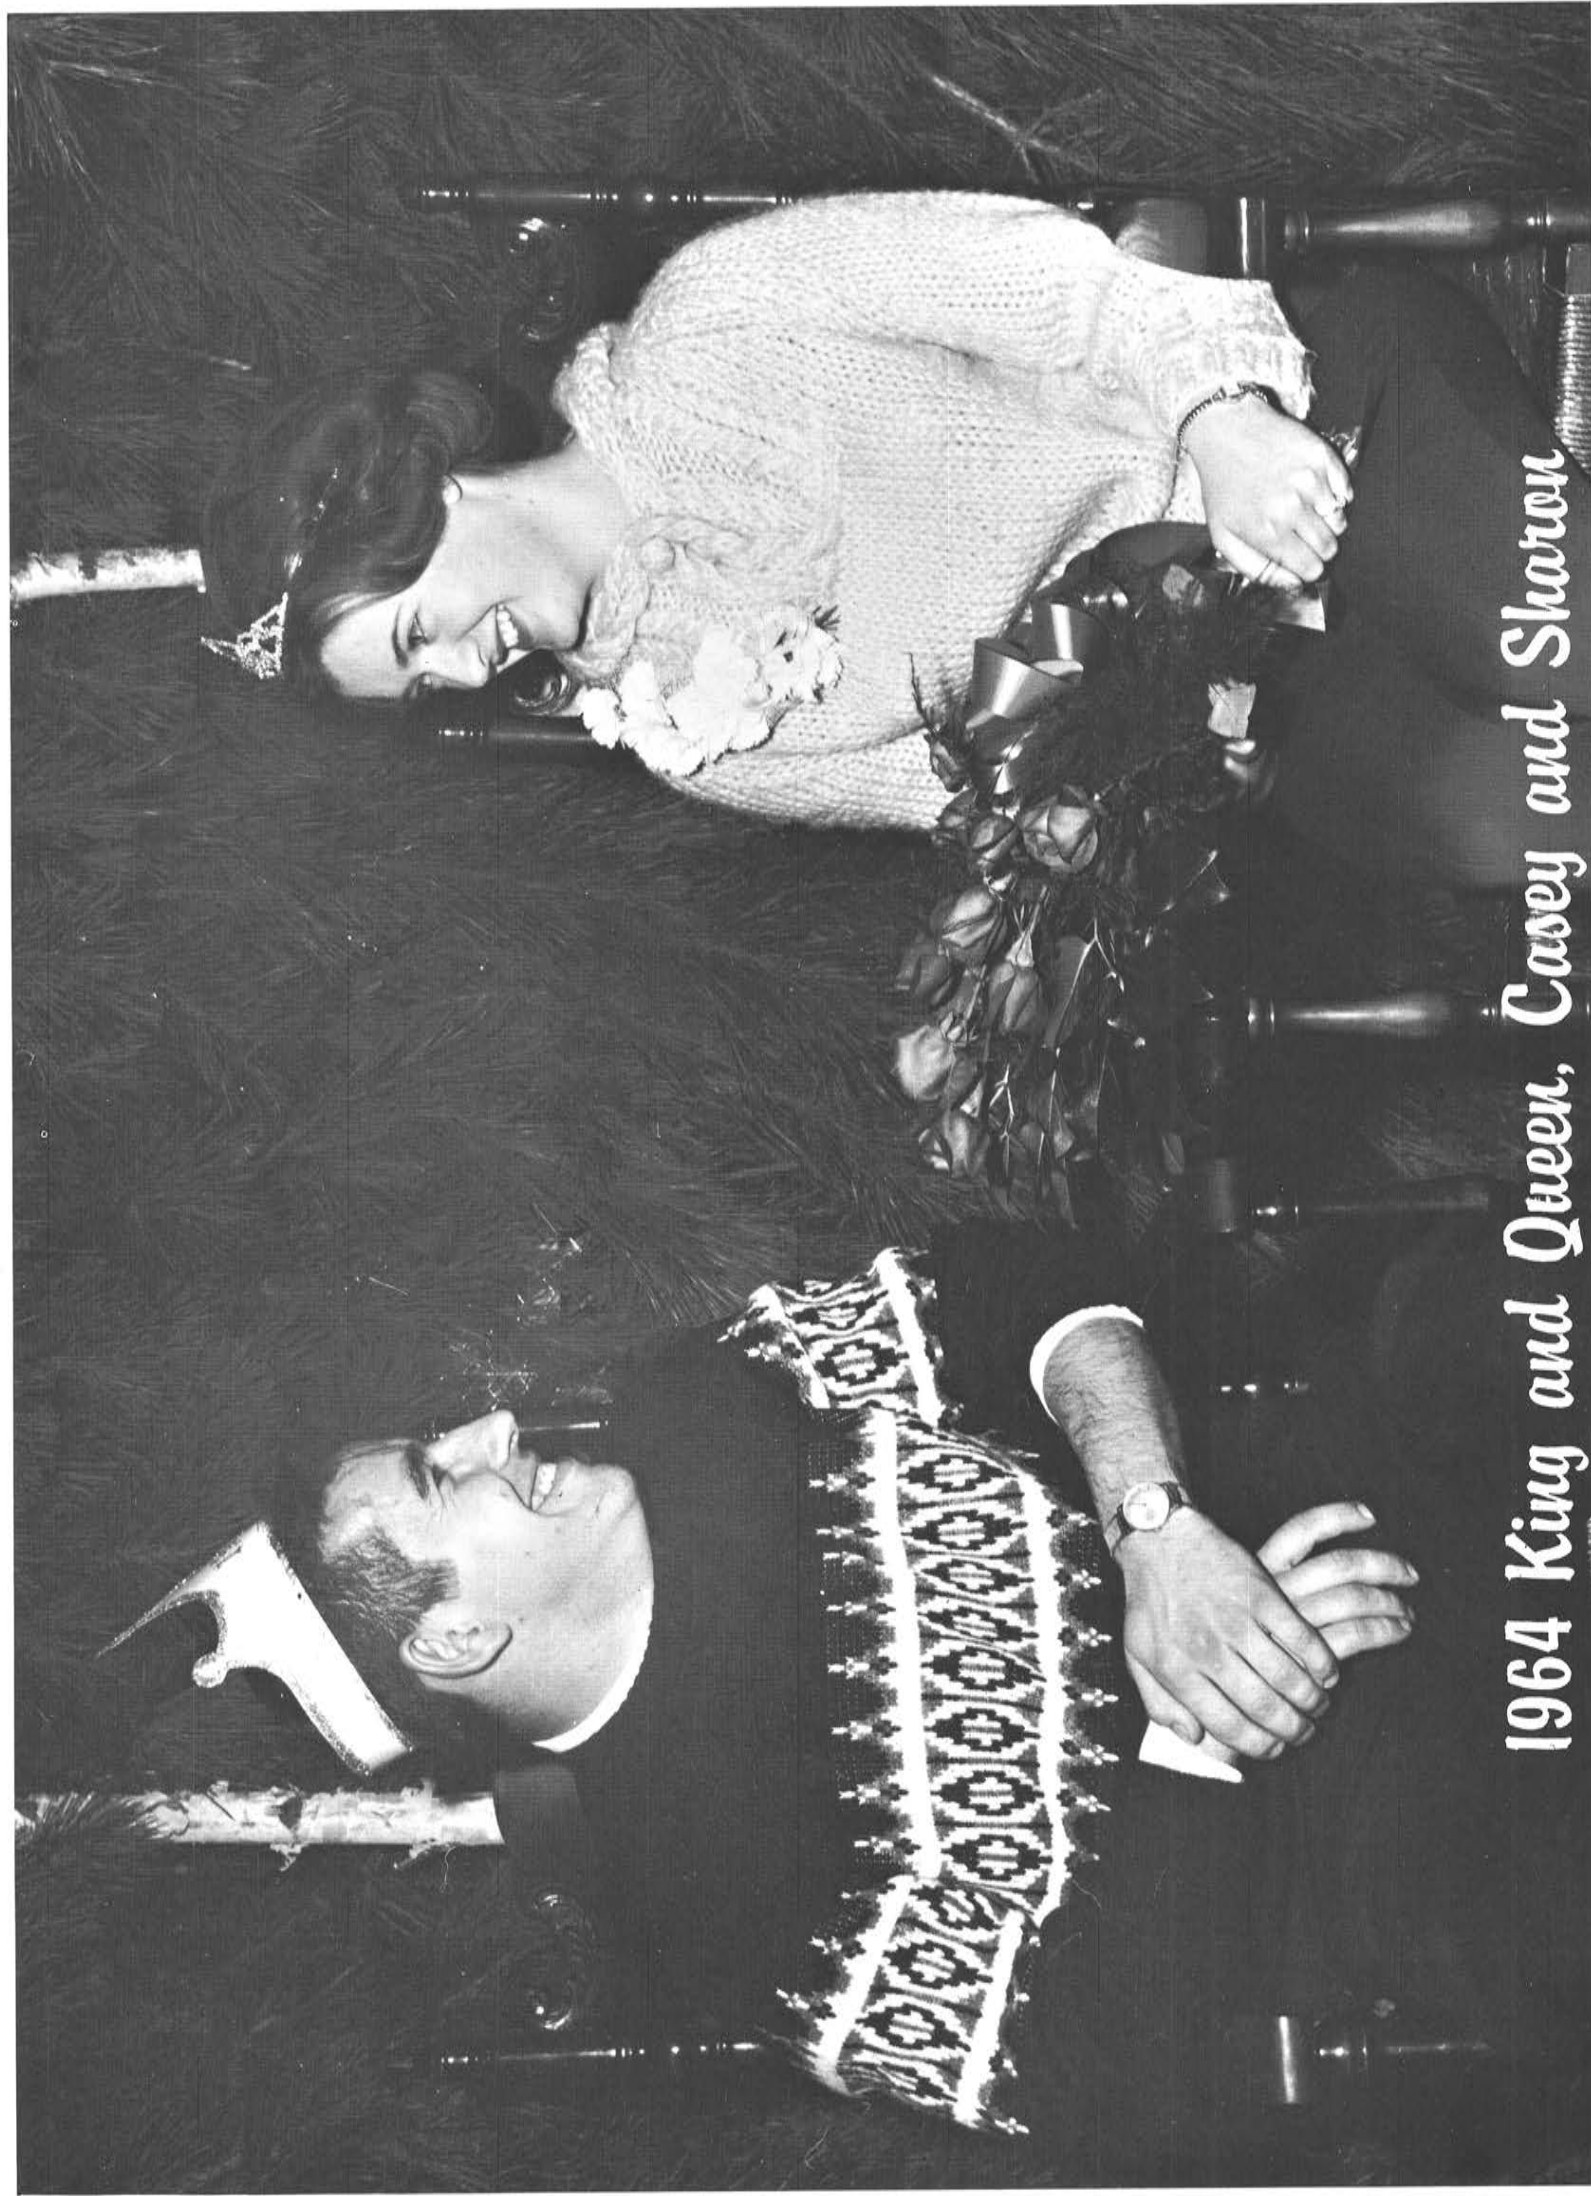

This year was the first time that a women's organization won the trophy. It was presented to Omega Mu Chi sorority during the Journey-men Climax Program. Alpha Kappa Lambda fraternity was second, and Delta Zeta sorority was third. Chairman of the carnival was Marv Hughes of Alpha Phi Omega.

THE JOURNEYMEN

Karen Fox receives the trophy on behalf of the Omegs

Hedda Gabler

"Hedda Gabler," Ibsen's play of an "emancipated" woman whose life signifies nothing but hate and destruction was presented in the college auditorium September 25-28.

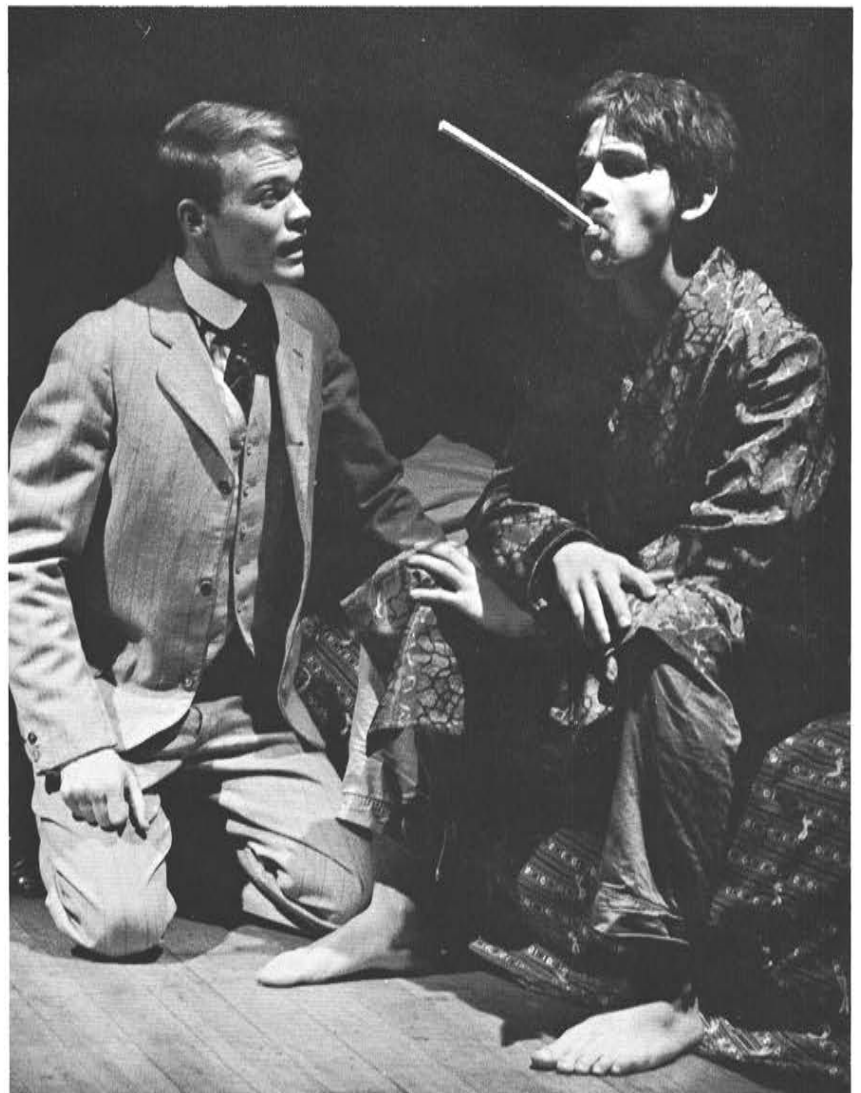

The production was directed by Professor William Dawson. Appearing in "Hedda Gabler," were Ara O'Connell as Hedda Gabler; Diane Hahs as Juliana Tesman, and Cynthia Parkovich as Thea Elvsted.

Rhinoceros

Fourteen Wisconsin State College students were in "Rhinoceros," by Eugene Ionesco. The play was presented by the speech and drama department in the auditorium. It is a satire on herd conformity. Ionesco ridicules the empty phrasings uttered every day by human beings, pokes fun at the use human beings make of logic and scores their pomposity.

Playing leading roles were James Mueller, Berenger, a pompous Frenchman; Jeff Rodman, Jean, the nonconformist, and Sue Siebert, Daisy, a beautiful young French girl who works in the office with Berenger.

Carousel

Wisconsin State College's Music Department presented Rodgers and Hammerstein's "Carousel," on November 14 and 15, 1963. Taking the leads as Julie Jordan and Billy Bigelow were Janice Nichols and Tom Cultice; Carrie Pipperidge and Enoch Fowler were played by Mary Hickner and George Packard. Additional members were Malla Anderson, Jon A. LeDuc, and Madelyn Kelly.

The cast and chorus entertained the audience with "If I Loved You," "June Is Bustin' Out All Over," "When I Marry Mr. Snow," "A Nice Clambake," and "You'll Never Walk Alone."

Write Me a Murder

Murder won out when the College Theater staged a four-night run of Frederick Knott's play, "Write Me a Murder," in the college auditorium.

The cast included: Jeff Rodman, the Hon. Clive Rodingham; Alice Schilling, Dr. Elizabeth Wooley; Michael Worman, Hon. David Rodingham; Jerry Hartwig, Charles Sturrock; Connie Seipel, Julie Sturrock; Paul Bentzen, Mr. Tibbet; Michael Brown, Constable Hackett; Truman Flowers and Thomas Halford, two men.

Wrightson and Hunt

"An Evening with Earl Wrightson and Lois Hunt" was presented as part of the Art and Lecture Series, under the chairmanship of William M. Dawson of the speech department. Wrightson, a baritone, went to New York to study and seek a career at the age of seventeen. He got his big break when he was engaged for a regular radio series co-starring Percy Faith and Eleanor Steber. Lois Hunt got her professional start when she was discovered at a USO canteen in Philadelphia where she had a singing engagement.

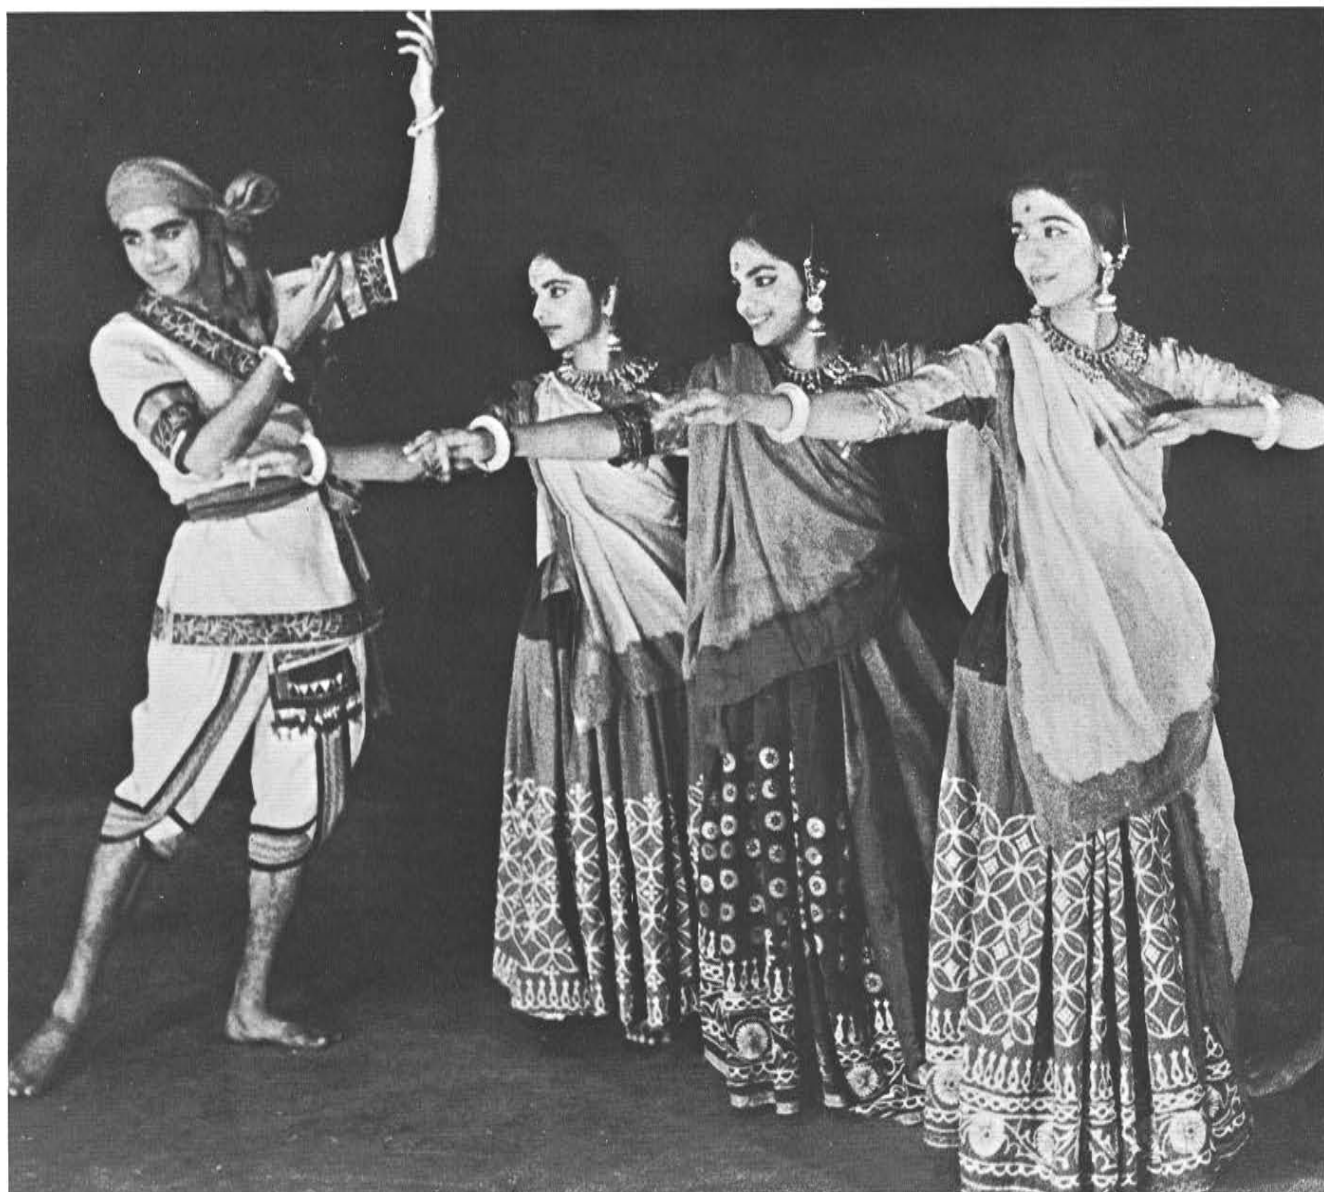

University of Cracow Anniversary

Dr. Helena Znaniecki Lopata, assistant professor of the Department of Sociology at Roosevelt University, Chicago, Ill., spoke in a program sponsored by the WSC history department. The ceremonies commemorated the 600th anniversary of the University of Cracow, Poland.

Dr. Lopata, President Albertson, Winnie Lauby, Mr. Frank Nalbor.

Kathak Dancers

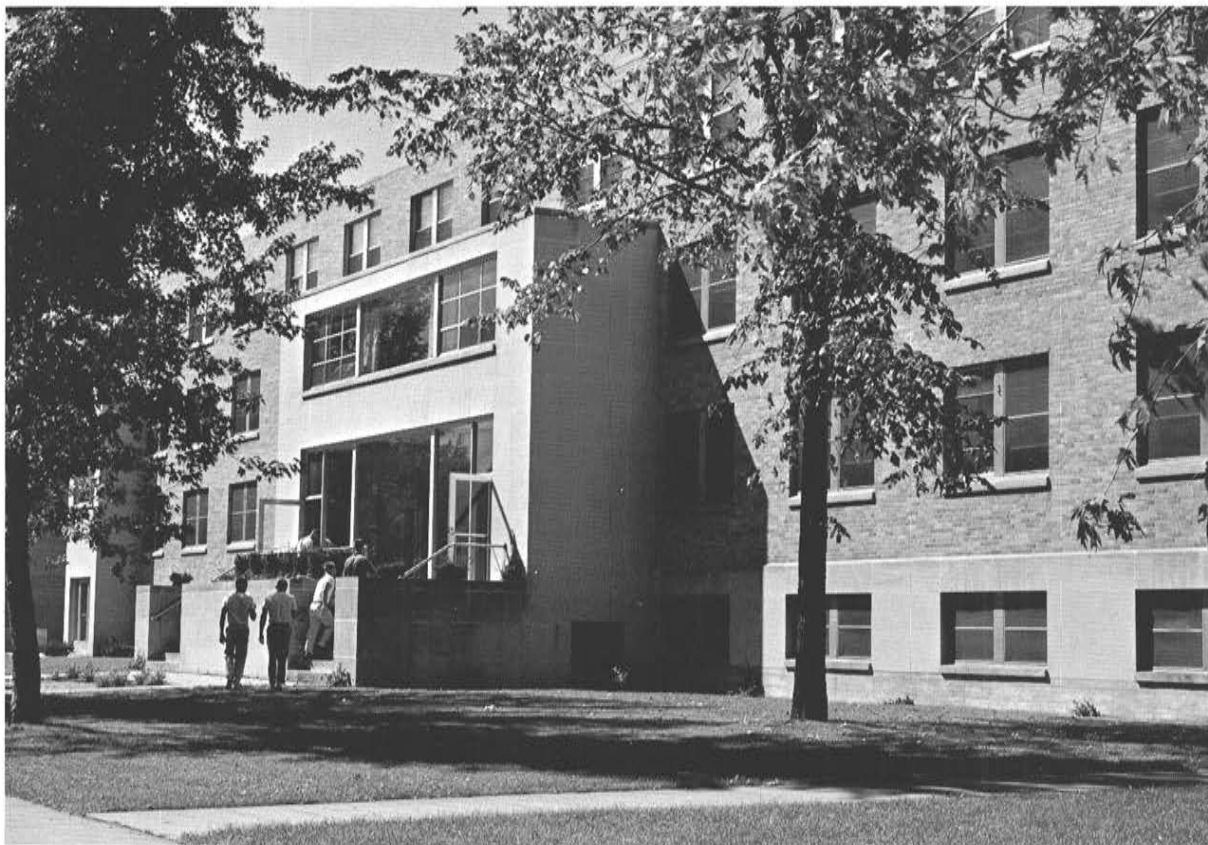

Dancers of the Bharatiya Kala Kendra, celebrated North Indian company were brought to American audiences for the first time this season. The company has revived the exciting rhythms of Kathak dance and music, one of the great forms of classical Indian art never seen in this country before. They are seen here in "Hindola", one of the regional dances of North India included in the repertory chosen for America.

Ethel Winter Dancers

Ethel Winter and her dance group of five appeared at the Wisconsin State College auditorium on November 19.

Their program ranged from the expression of primitive cultures and their animistic worship to a lively arrangement of Southern and Appalachian Mountain folk tunes.

Performing in Europe and the Far East under the sponsorship of the State Department, Ethel Winter has made many international appearances. Other than her tour, she has appeared in Broadway musicals, on television and in the New York Center Opera Company.

Delzell Hall

Delzell Hall started out the year with a Freshman Dance with Steiner Hall. The men of the hall participated in Homecoming by building a display on the front lawn entitled "Bye-Bye Redbirds". During the Yuletide season a party was held with Hyer Hall. Delzell Hall participated in the annual inter-hall decorating contest and won first place for the second consecutive year. St. Patricks Day was celebrated in grand style with a party with Nelson Hall. The hall council this year organized a scholarship system and made plans for improving athletics facilities and landscaping behind the hall.

Nelson Hall

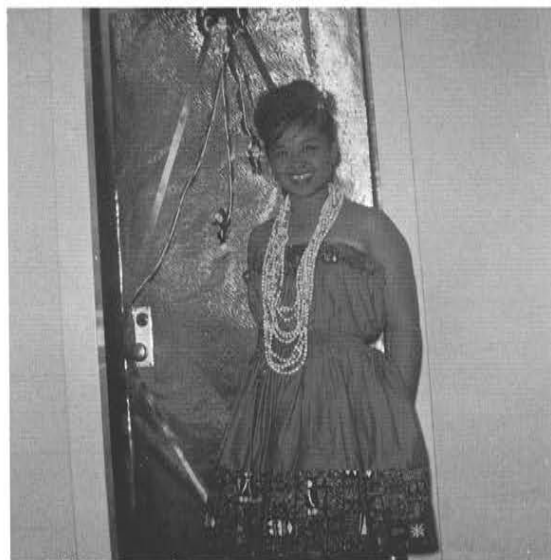

The girls of Nelson Hall, headed by a very active Hall Council, have participated in the Songfest, placing second; and outside Christmas Decorations for which the hall received honorable mention.

The annual Christmas Tea, Nelson Hall Ball, and close lounges which featured guest speakers, have rounded out a very active year for the hall.

This year's officers are: Carole Rynar, president; Noreen Scully, vice-president; Anita Knaack, secretary; and Jane Gromoll, treasurer.

Hyer Hall

Hyer Hall, which is named after a former president of the college, was dedicated December 8, 1963. Through the Hall Council the hall has had social and educational programs, participated in inter-hall activities, and entered other school events. This has been accomplished under the direction of Miss Joan Doyle, Head Resident, and the officers, Doris Wadzinski, President; Jan Holzmiller, Vice-President; Sylvia Christensen, Treasurer; and Cathy Kaiser, Secretary.

Gamma Beta chapter of Alpha Sigma Alpha, first national sorority on campus, began its' year's activities by participation in the annual Pointed Jubilee. Fall rush was held this year, and seven new members were welcomed into the chapter.

The Alpha Sigs sponsored their annual Harvest Festival, "Dogpatch", with members dressed as traditional Li'l Abner characters. Homecoming activities included enthusiastic campaigning for Laurie Frederick, building of a float, and a party given for the visiting alumnae.

The Alpha Sigs retained the trophy for Songfest by placing first in the Creek division for the second year in a row. The Alpha Sigs also achieved first place in scholastic honors for the first semester.

As a part of the national philanthropic project, the Alpha Sigs bought Christmas presents for the mentally retarded children at Northern Colony, Chippewa Falls.

Candidates were nominated for the Elizabeth Bird Small Award based on outstanding leadership, scholarship, and personality, and the Frost Fidelity Award based on loyalty and "unsung" service to Alpha Sigma Alpha. Gamma Beta's nominees competed with candidates from the other 40 chapters in the United States for these national honors.

Second Semester activities included participation in Winter Carnival, with Barb Jakubowski and Del Stueck as the Alpha Sig candidates for King and Queen, attendance at the State Day held at Stout State College, and spring rush parties.

Delta Zeta, the newest national social sorority on campus, participated in Pointer Jubilee via their "Fishing Pond".

Old acquaintances were renewed at Homecoming, 1963, because of Delta Zeta's active participation. Delta Zeta's entry, "I like to see it lap the miles . . ." won first place in the float competition's serious division. Judy Hines, Alpha Beta Rho's queen candidate, received enthusiastic support from her sorority.

"Snow Swirl", Delta Zeta's annual dance, was well received by the entire campus — complete with "Dance of the Dolls". Delta Zetas have continued their successful work with the handicapped children.

"Frosted Fantasy" gained momentum from the D Z's — three Delta Zetas were nominated for Winter Carnival Queen and they earned third place in total points.

Delta Zeta's "style show" entertained at Intersorority Tea. Rush parties were held; new members initiated, and a parents' tea was held. Advisors: Miss Carolyn Sands and Mrs. Robert Lewis

Omega Mu Chi sorority triumphed in this year's Winter Carnival by accumulating the most points throughout the week long activities. The Omegas won first place in the poster contest, the games, and had their royal candidates Sharon Smith and Charles Kahsen elected as King and Queen. Two other Omegas, Kathy Menzel and Sue Holthusen, were also candidates.

The Omega booth "Your Lucky Star" acquainted new students with the sorority at the Pointer Jubilee.

During this year's Homecoming festivities old actives reminisced with new actives at the Omegas' first annual Homecoming Tea. The Omega float "Et tu, Brute?" won third place in the serious division, and Omega Pat O'Keefe was Homecoming Queen.

The sorority has always prided itself in its service projects and this year it worked with the young women's clubs of Stevens Point to raise money for incubators for St. Michaels Hospital. In March, the Omegas joined the Phi Sigs in the Mothers March for the March of Dimes.

In spring, the sorority initiated nineteen pledges and held a Mother's Day Tea. Advisors: Mrs. Raymond Gotham, Mrs. Ronald Hatchet, Mrs. Mary Samter.

Psi Delta Psi, a local sorority, was established in 1959, and is the newest sorority on the WSC campus. Psi Delta Psi began the year by joining the other organizations in Pointer Jubilee. "Who's Rave'n 'bout the Cardinals?" was the title of their Homecoming float. They won a pizza party and an award from the College Variety Store for the furtherance of American Literature.

Service projects are an important part of the sorority motto, "Fun, Friendship, and Service". Each month the children and the aged people in the hospital infirmary receive tray favors made by the members.

Phi Sigma Epsilon is a social fraternity composed of men of high scholastic and social achievements. Granted a national charter in 1931, the Phi Sigs are not only the oldest fraternity on campus, but also the oldest Phi Sig chapter in the state.

Phi Sigma Epsilon was established to promote a closer bond among men students of higher educational institutions, so that they might enter into more intimate fellowship with those dedicated to education and a better understanding of men. Last year the Phi Sigs once again took part in the activities of the Inter-Fraternity Council, Pointer Jubilee, Homecoming, Winter Carnival, and Greek Week. They also sponsor a bus to the annual Oshkosh basketball game.

The Phi Sigs not only are active in the social and academic life, but they also do their share for the community, including regular visits to the bloodmobile and a door-to-door canvas of the city for the March of Dimes.

Savoy, B. Schenk, D. Kleinschmidt, B. Kress, K. Warden.

The purpose of Alpha Beta Rho, the only local fraternity on campus, is to promote fellowship among its members through the promotion of scholarship, loyalty to school and fraternity, and the establishment of an environment for life-long friendships.

Homecoming was a busy time for the members. They sponsored Judy Hines as their homecoming queen candidate and built a float which placed second in the humorous division. At Winter Carnival they sponsored Bob Kerr and Mary Hastreiter for king and queen and participated in the various games and contests.

Traditionally valuing high scholarship, Alpha Beta Rho has had the highest grade point of all the social fraternities on campus for 13 of the last 14 semesters. Other high points of the school year include Alpha Beta Rho's annual sweater dance, spring swing, safaris, and various pledging activities. The spring swing is an annual service project within Wisconsin.

The fraternity colors are silver and green. Advisors: Mr. Robert Whitmire, Mr. Russel Nelson

Sigma Phi Epsilon, one of the three national social fraternities on campus, actively participated in school affairs, as well as its own social and service activities.

Homecoming this fall meant victory for Sigma Phi Epsilon and their queen candidate Patricia O'Keefe. The Sig Eps also placed second in the serious division of the float contest. The Sig Eps held their all-school gold tournament which once again proved to be a very successful affair. This year with Marilyn Sherman and Ken Multerer as their candidates, Sigma Phi Epsilon placed third in the King and Queen contest of Winter Carnival. The Sig Eps also participate in intramural and inter-fraternity sports as bowling, basketball, football, and softball. The climax of the fraternity's social activities takes place with the selection of the Sig Ep Sweetheart at the annual Sigma Phi Epsilon Sweetheart Dance held in April.

The Sig Eps are of service to the school and the community by sponsoring such projects as donations to the Bloodmobile, and decorating Christmas trees for the Main Building and the Library. The Sig Eps also helped in the renovation of Old Main this past year.

The fraternity colors are purple and sanguine; their motto "The fraternity with a heart".

Tau Kappa Epsilon

At the close of another active year, Tau Kappa Epsilon, the only international social fraternity on campus, is proud to have been able to initiate many "firsts" on campus. With the theme, "Victory, Victory, Where Fore Art Thou Victory", the Tekes took first place honors in the homecoming humorous float division for the third consecutive year. This brought the first permanent possession of the traveling trophy for any fraternity. Among other firsts, TKE won the Ugly Man Contest, took first place in Interfraternity Athletics, sponsored sky divers for the first time on any college football field at homecoming time, and in the realm of scholarship, has initiated a semester scholarship awarded to outstanding members.

Besides taking part in social activities, the men take pride in being of service to the campus and the community. Last year Tekes could be found raking leaves at the River Pines Sanatorium, moving Civil Defense supplies into college buildings, serving as guides during High School Visitation Days, and helping distribute Sabin Polio Vaccine to the student body and the residents of Stevens Point.

Through a melted Winter Carnival the Tekes managed to chisel a second place award in the ice sculpturing contest with the theme, "The Sword and the Stone".

Fraternity colors are Cherry and Gray.

Young Democrats

The Young Democrats began the year by injecting interest into the student body on matters of local, state and national politics. "The History of the Democratic Party", a lecture given by Dr. Crow, introduced the students to the birth, growth and maturation of the party.

The Young Democrats also sponsored a series of faculty lectures on current political crises and "political headlines" in both parties. Student debates were also on the agenda of the Young Democrats' program.

This year, the Young Dems innovated a scholarship program. They also actively participated in the State and National Young Democratic Conventions.

Republicans believe that government must remain always the servant — never the master — of the people. With this creed of individual freedom through private enterprise and integrity, the members of this club gather together with a common basis of understanding. The members do not profess to know "all" about politics, but they meet to learn more about the American political way of life so that they may become better citizens. Conventions, panel discussions, movies, well-known speakers, but most of all, expression of individual ideas and philosophies, are characteristic activities of this club.

The French Club is a newly organized group first begun in October of 1963. It is composed of members who have a sincere interest in the many facets of what we know as French culture. Meetings are held once a month. Topics thus far introduced have centered on music, literature, films, religious practices, and conversation in French.

The objective of the Club is to acquire a better understanding of French culture and to achieve a greater fluency in actual speaking.

The German Club has two main objectives for its members: the deepening of an understanding of German culture and a source for stimulating a deeper interest in the German language. Monthly meetings were held which gave members an inside view of German life, art, and philosophy.

The first Russian Club to be organized at WSC has found its first year dedicated to the search for a better understanding of Russian art, literature, music, architecture and dance. Several projects were also undertaken to familiarize club members with some of the Russian customs especially during the holiday seasons of Christmas and Easter. Faculty and student presentations comprised the several programs enabling the club to get an inside view of Russian Culture. Proposed projects for the coming year include "Russian Through Humor" which will give a humorous approach to learning the Russian language at linguistic club meetings. Several one act plays depicting Russian life and presented in Russian folk music, Russian movies, and another look at historical Russian culture will round out the program for the coming year.

The 1963-64 WSC Ski Club organized in the late fall and had a series of instructional ski films in anticipation of the first snow fall. During the semester break forty-five of the seventy-five members enjoyed a highly successful trip that included beginners lessons, competitive skiing, and beautiful northern Michigan scenery. For Winter Carnival the club presented its annual style and film show, sponsored a king and queen candidate, and participated enthusiastically in the competitive games. Another successful function of the club was the renting and maintaining of the Union Board's ski equipment. The second major trip of the season will be during Easter vacation. The WSC Ski Club has enjoyed a very successful year.

As the only elected representative body on campus, the Student Council is charged with general responsibility for student welfare.

In this light, the Student Council provides an organization through which affairs of the student body can be administered, through which student opinion can be expressed and through which communication between the faculty and student body can pass.

To facilitate these purposes, the Student Council operates three committees, cooperating with the college administration and the community.

Each year, the Student Council organizes the Homecoming Activities, selects and places students on the various student-faculty committees, selects cheerleaders, conducts the award day program, regulates the use of the mailboxes, provides bulletin boards for organization. It also recommends allocation of the student activity fees.

The Student Council is a member of the United Council of Wisconsin State College Student governments, whose purpose is to promote the exchange of ideas among the student governments of member colleges and to serve as a liason group between state student governments and college presidents and the Board of Regents. The Student Council also selects and insurance policy for the students.

Football

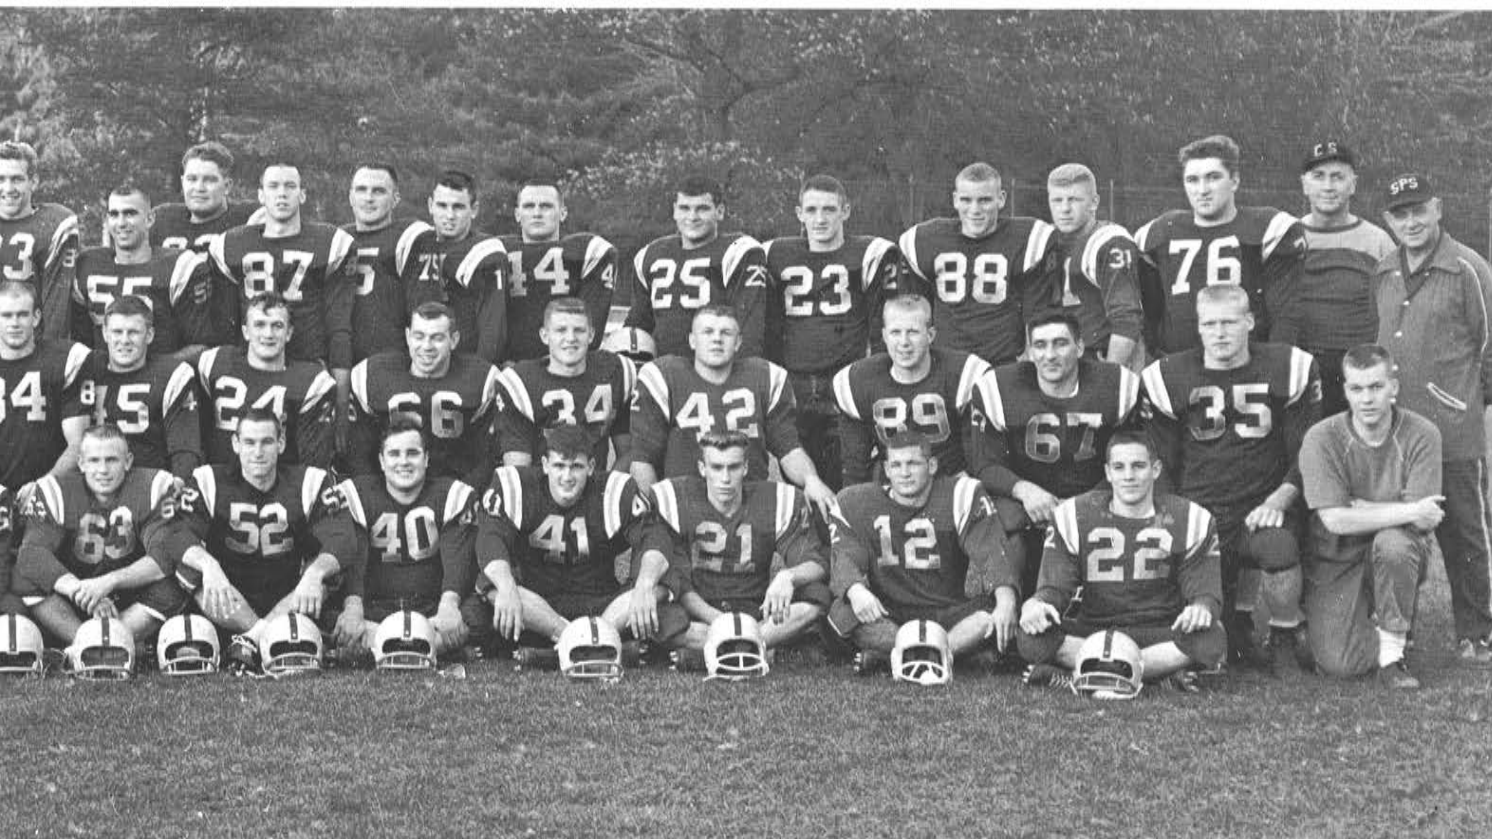

Leadership

Stevens Point State College's 6-1 football record in conference play and an over-all record of 6-2 enabled the "Pointers" to secure a respectable second place in the rugged Wisconsin State College Conference.

An explosive offensive team accounted for a total of 2,463 yards. This included 1,610 yards rushing and 853 yards passing. The "Pointers" attempted 350 rushing plays and "churned" to the tune of 4.6 yards per carry. The team completed 61 of 129 passes for a 47 per cent average, and had a salient advantage in first downs—netting 115 to the opponent's 73.

Individually, junior halfback "Sonny" Redders garnered a majority of the honors. "Sonny" led the team in rushing with 658 yards in 122 carries for a 5.3 average. He also set the scoring pace with 79 points on 10 touchdowns, 16 PAT kicks and 1 field-goal.

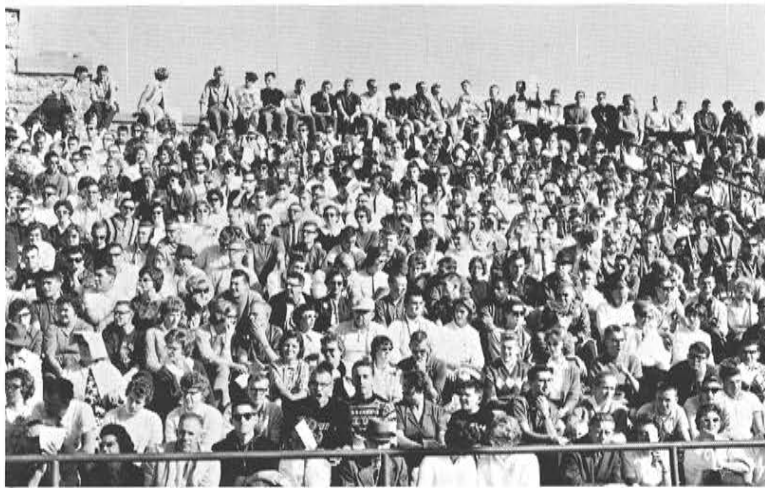

FIRST ROW: G. Seering; J. Sutliff; P. Richter; D. Emerich; H. Gustrowski; A. Fish; D. Balousek. SECOND ROW: J. Googins; E. Molenda; L. Mahoney; D. Tucek; J. Kiedrowski; G. Herman; B. Boll; S. Schultz; G. Brodhagen, defensive coach; H. Quandt, offensive coach.

More power was supplied in the potent backfield in the person of George Rivers as he tallied 463 yards in 101 carries for a 4.6 pace. Dave Emmerich handled his halfback position well in netting 387 yards in 61 carries for a hefty 6.3 average. Depth was shown in sophomore speedster Larry Holmes who added 132 yards in 18 attempts for a robust 7.3 average.

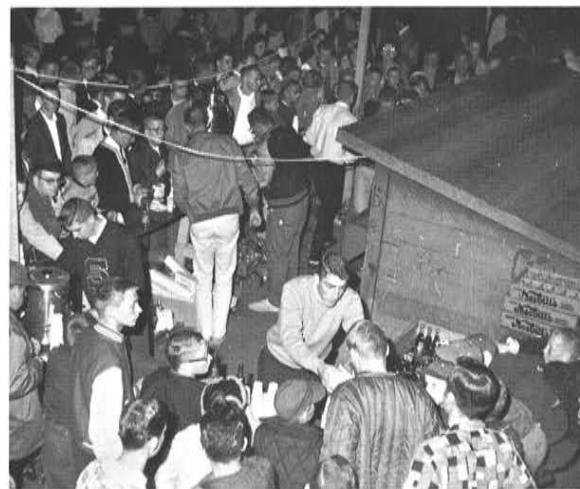

On the receiving end, freshman end Jim Hackbart led the team in snagging passes — a total of 22 for 300 yards and three touchdowns. The power of most of those passes was supplied by junior quarterback Larry Balousek. Larry directed the team in fine style in completing 49 of 103 passes for 655 yards and five touchdowns.

"Where'd they go?"

Cross Country

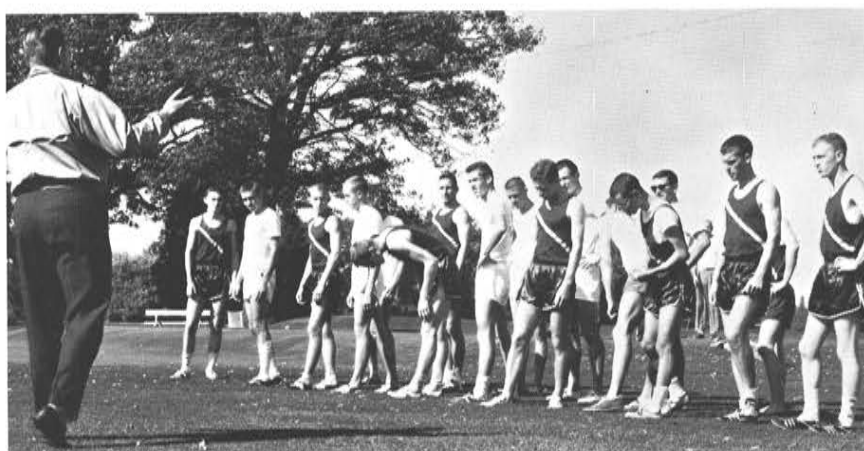

The return of only two harriers from last year's squad left new coach Bob Jones with a tremendous rebuilding job. Leading the team was freshman Mike Harville who set a new course record of 15:29. The old record was 15:54. At the conclusion of the season Mike was voted the team's most valuable runner.

As a team the Pointer's failed to secure a victory, although they did manage to defeat three opponents in conference and invitational action.

Letter winners for the year were Harville; Chuck Pankratz, a junior; Tom Frank and Jeff Barsch both freshmen.

Swimming

Although Coach Jones' "tankers" secured only one victory in seven conference outings, the team was sparked by several individuals who stole the limelight.

Leading the way was Bill Gelwicks, a freshman, who broke conference records in the 50, 100, and 500 free styles. Other outstanding performers were Dick Larsen, who led the way in the back-stroke, Aubrey Fish, who led the team in diving, and Ed Peters, who was second high point man on the squad behind Gelwicks.

Basketball

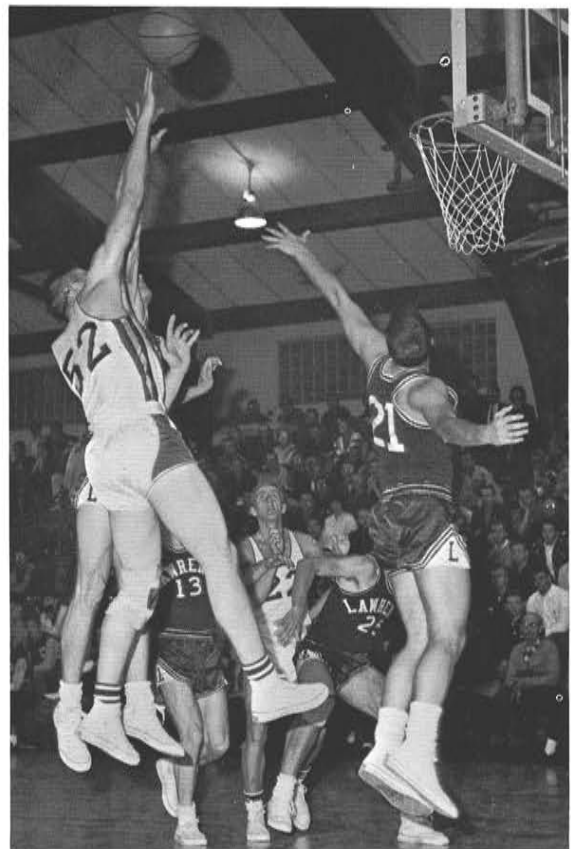

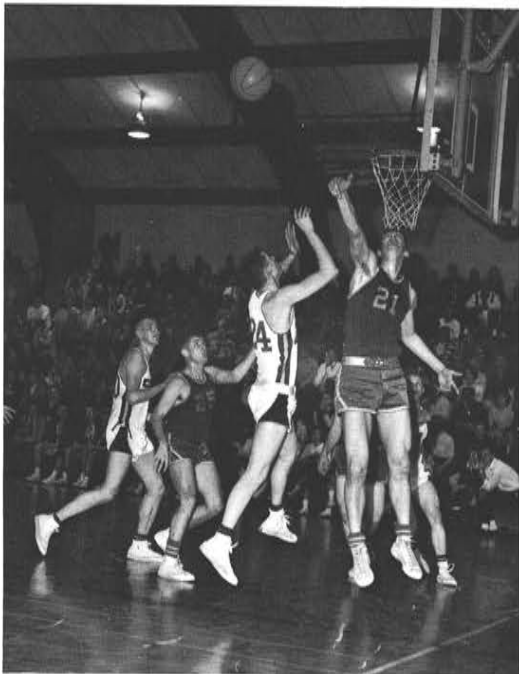

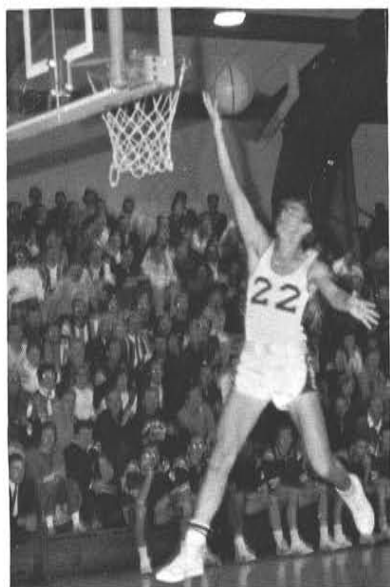

George Pouba, captain
Duane Downie, most valuable player

The sophomore-studded Pointer squad completed a highly successful season with a 12-8 overall record, and an extremely respectable second place in the W.S.C.C.

With only one senior on the 1963-64 squad next year should be a big one in "Pointer Land." This year we saw many great efforts displayed and next year should be no exception with five returning guards, four returning forwards, and two returning centers.

Much credit should be given to Coach Krueger who molded his young talent to give Pointer backers a winning season.

With a well-balanced team, the "grapplers" of W.S.C. sported a 5-3 record in dual meets and a respectable second place in the conference meet. Coach Burns had a fine line-up of men to work with resulting in many fine individual efforts. Many of the boys had an outstanding season as is shown by the fine records of Pete Seiler, Todd Wise and Larry Ironside.
