

Fall 1960

Homecoming Edition

ALUMNI NEWS BULLETIN

WISCONSIN STATE COLLEGE

Stevens Point, Wisconsin

Fellow Alumni, I extend greetings to you on behalf of the faculty and students of our Alma Mater. We're busy and we're crowded, -- over 1800 students and over 110 faculty members -- but all seems to be going well, I hope, going forward. Last summer we had forty-five students enrolled in graduate work, -- our first effort in that field. This College opened 66 years ago. When it opened it offered only one year and two year courses for high school graduates. It even admitted eighth grade graduates. Thirty-three years later it was granting four year college degrees, and now after sixty-six years it is offering graduate work. It's hard to predict what the next thirty-three years will bring.

Our new physical education building is now in use and some time during the year you must see it. If it does as much for the College as the building we opened a year ago, - the College Union, - that'll really be something.

We hope to see you at Homecoming on the 22nd or at Milwaukee on November 3rd. Our best wishes to you for continued success in your work.

Wm. C. Hansen

OFFICIAL HOMECOMING DATES

DATE	TIME	EVENT	PLACE
Fri., Oct. 14	8: 00 P. M.	Queen's Dance	Union
Wed., Oct. 19	7: 30 P. M.	Queen's Assembly	Auditorium
Wed., Oct. 19	8: 30 P. M.	Torchlight Parade

MAIN ENTRANCE, MAIN BUILDING

Dear Friends:

Soon October 22 will be upon us, our date with Platteville State for the big Homecoming battle. In the past that game has always been a good one and I see no reason why this year should be an exception.

We have a fine young team, one which will give a good account of themselves regardless of the competition. We have some very fine veterans back along with a host of new freshmen. All they need is a little experience and they will be great.

We hope you will be with us on that day because without the support of our alumni, homecoming will not mean a thing.

While you are here, make it a must to look over our new field house. A year ago I told you that we will have the finest facilities in the State. After you look over our plant I'm sure you will agree with me 100%.

We'll be looking for you come October 22nd.

H. F. Quandt
Director of Athletics

Dr. Gordon Haferbecker, Director of Admission, Reports on Enrollment

Central State had one of the largest enrollment increases in the State College system for the term beginning in September, 1960. Total enrollment reached 1802 compared to 1609. A record number of 788 freshmen were enrolled. The remaining enrollment was distributed as follows: sophomores 423; juniors 327; seniors 244; and specials 20. There has been some increase in the enrollment of women which is 629 this year. The enrollment of men is 1173.

Eighteen students enrolled from foreign countries including some new students from Hong Kong, Formosa, Kenya, Iran, and India. There are two new students from Hawaii making a total of four from that state.

Stevens Point is now about third among the State Colleges in total enrollment. It is anticipated that the fall of 1961 will see a total enrollment of 2010 and enrollment is expected to cross the 3000 mark in 1967. We are particularly pleased to see an upturn in the enrollment in the teaching divisions and in home economics.

Academic Departments

The growth of the college has resulted in the offering of many new majors in recent years. In the spring of 1960 the Regents approved a new major in sociology. The college administration has recently divided the former social science department into separate departments of history, economics, political science, and sociology. Dr. George Dixon has been named chairman of sociology, Professor Garland Fothergill of political science, and Dr. James Jensen of economics.

It is expected that within another year or two at the most a major in political science will be available. Other new majors added within the past few years include speech, economics, and German. The college also revised the music program within the last year to provide for a new Bachelor of Music Degree which will give a stronger preparation in music for those going into that field. We believe that we now have the largest number of students enrolled in the music major of any of the State Colleges.

Extension and Saturday Class Enrollment

Extension and Saturday class enrollment reached a new high in Stevens Point in September, 1960. A total of 457 students are enrolled in 17 extension classes which are offered at 13 extension centers in Central Wisconsin. A total of 337 students are enrolled in 14 Saturday classes which are being offered on the campus. A list of Saturday and extension course offerings for the second semester of 1960 - 61 can be secured by writing to the Extension Director after October 15.

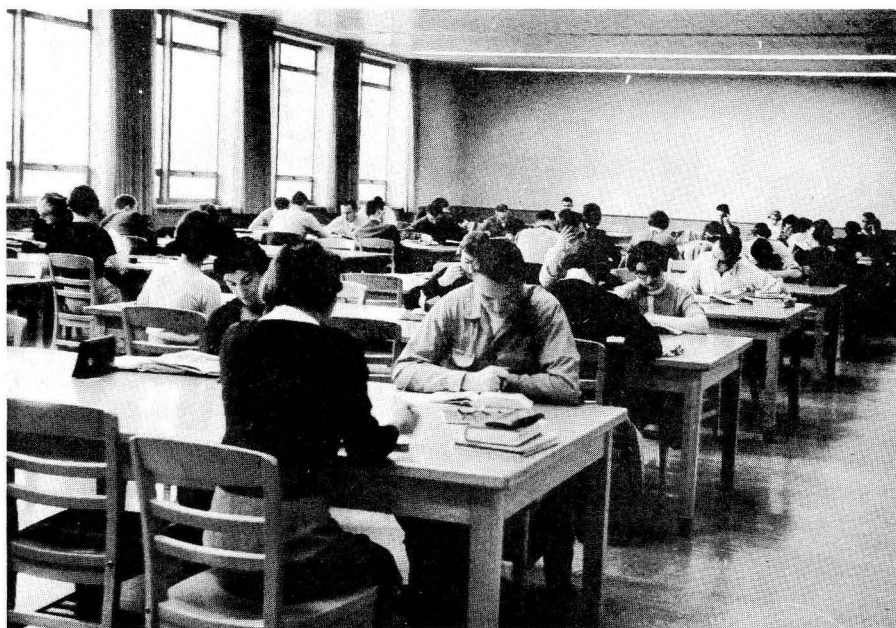

PHOTO BY DR. CHANG

FROM THE COLLEGE UNION

"An invitation is extended to all life members of the College Union to partake in the Homecoming festivities which are scheduled for the Union."

It doesn't seem possible, but there are over 700 Alumni who hold these life memberships, many of whom have had a chance to use the building already. The Union is celebrating its second Homecoming this year, and from all indications the events scheduled for the Union will be the best ever.

The last year has seen many changes in the Union - we have already had our first taste of growing pains. Among the changes are; The addition of 20 bicycles which are available for student use, a new service line for the Snack Bar, additional Kitchen facilities and a wide range of programs and program planning.

The program aspect of the union has really just begun this year. The addition of another faculty member to the Union staff, in the capacity of Assistant Director, enables the Union to offer a much wider range of services, and to help all other Campus organizations with their planning and organization of programs. Among the many events scheduled for this year are: an Outing Club, with week-end trips, curling and tennis teams, bicycle trips, skiing and skating parties, etc. The Social Committee has planned at least six all-campus dances, which are informal, free and open to all students.

The Union has started to become a tradition on the Campus in one short year, and is gradually assuming its role as the true "family room" of the Campus. It is here that the students can find a place to relax or to meet with friends or faculty members. It is here that they learn to make good use of their leisure time and can get help in planning their activities. Through the various committees of the Union Board, it provides a cultural, social and recreational program aiming to make free time a cooperative factor with study in education. In all its processes, it strives to develop the person as well as the intellect. The building, together with the program of the Union tries to represent a well-considered plan for the community life of the College.

The Union Board, as well as the entire Union staff hopes to see many of you during this coming Homecoming Season. A full schedule of events is planned and the Union will be the center for most week-end activities. A most cordial invitation is extended to all alumni to be on hand for the Homecoming assembly Friday evening at 7 P.M. in the college auditorium, and stay through until the glee club concert Sunday at 2:30 P.M. If there is any way the Union staff could be of service during "your" week-end, please feel free to ask.

FRONT, COLLEGE UNION

HOME ECONOMICS ALUM NEWS

1960

The Home Economics Department welcomes you to a coffee hour at the home management house on Saturday morning, October 22, from 9:30 - 11:30. It is a good place to watch the parade and meet your friends. The housing class is in charge of arrangements with Helen Topping, Westfield, and Mrs. Carmen Briscoe, Stevens Point, serving as co-chairmen. Bring your family and friends.

A graduate program in home economics is now being considered. We are making tentative plans to begin the program in the 1961 summer session with a course in clothing and textiles. The specific requirements of the program have not been completed, but will most likely follow the general plan of 3 - 6 credits in liberal arts; 3 - 6 credits in pedagogical foundations including three semester credits in a seminar in home economics education; 12 - 15 credits in home economics with two summers being offered at Stevens Point and two at the University of Wisconsin or Stout State College. Eventually, we expect the total program to be held at CSC.

Those interested in graduate work should write to Dr. Burdette Eaton or Dr. Agnes Jones.

During the summer Miss Ethel Hill taught clothing and textiles at the University of Saskatchewan for six weeks.

Miss Doris Davis attended the Foods and Nutrition Institute at Iowa State University for two weeks in June.

Miss Elvire Thomson attended the "Institute on Counseling Consumers on the Use of Credit" at the University of Wisconsin, July 28 and 29.

Mrs. Agnes Jones served as publicity chairman for the Wisconsin School Food Service Association Convention in Stevens Point, August 17 - 19. She was elected secretary of the association for 1960 - 61. She also taught summer school at CSC.

Mrs. Fay Clifford has been added to the staff to teach clothing on a part time basis this semester.

The kitchen at the Home Management House and Miss Thomson's bedroom were redecorated this summer and presently the dining room and living room at the college are having a face lifting.

A workshop for clothing instructors in the Wisconsin Valley Vocational Schools was conducted on Saturday, September 24th. Miss Ethel Hill of the college Home Economics Department presented information on pattern selection, alteration of patterns and construction of a basic garment for fitting. Minerva Jipson of the Stevens Point Vocational School was in charge of arrangements. Twenty-five instructors representing seven cities attended the meeting.

We wish to thank our loyal alums for their support and encouraging home economics students to attend CSC. Our enrollment went up 20% this fall. We now have 133 majors.

INTRODUCING

THE NEW DIRECTOR

OF SECONDARY EDUCATION

John J. Gach joined the college staff in the capacity of Director of Secondary Education in September. He has been a native of Wisconsin except for the past two years at which time he has served as Principal of the West Division High School, Niles Township, Skokie, Illinois, a school of 3800 students.

His educational background includes a B. A. Degree with a major in history from Beloit College, an M. A. Degree in Educational Administration from Northwestern University, and additional graduate work at the University of Minnesota, Stanford University, and Northwestern University, where he has specialized in the fields of guidance, curriculum, and administration.

He has taught at the Public Schools of Whitewater, Janesville, and Racine. His administrative experience includes positions of Vice-Principal and Principal at Racine and West Allis. Mr. Gach has been very active in a number of educational organizations within the state and contributed much to the disseminating of professional information through various professional publications.

In addition to his position as Director of the Secondary Division, he will serve as Assistant Director of Teacher Education and Placement and charged with the responsibilities of the off-campus student teaching program at the secondary level. We are sure that alumni will be interested in becoming acquainted with Mr. Gach as they have an opportunity to visit the campus.

From Your Placement Office

The listing of the placements of the 1959-60 graduates is expected to be included in this issue of the News Letter. If space is not available, it will be included in the Christmas edition. For those whose record is not up-to-date as to their location, their names will be included as soon as this information has reached this office.

We have only a partial list of the placements of the Letters and Science graduates. We are now contacting those who have not as yet reported their present positions and will include the placements of the Letters and Science graduates in the next edition. At that time we will also include a list of the alumni placements. This will include those who have accepted promotional opportunities.

The Placement Office is indeed pleased with the splendid positions which graduates of CSC have accepted and the fine promotions which many have received. It is an indication of the quality of their teaching records or their record in whatever employment in which they may be engaged. We hope that many more graduates of this college will avail themselves of the opportunity for continued education at the graduate level and, thus, to be available for these opportunities as they present themselves.

Graduates are urged to keep their credentials up-to-date so that as new positions are reported to us we can notify you of them and assist you should you be interested in making a change. May we remind you that there is no cost for this service but instead is a pleasure for a Placement Office to provide as you make the information available to us. To avoid delays in bringing your credentials up-to-date, we would urge that you contact the Placement Office by letter in the first half of the school year which will permit us to extend this service before the rush of credentials for the seniors begins. If you have preference as to the type of position and location, it would be well to include this information. We would appreciate your letting us know of vacancies about which you may learn so that we could pass this information along to CSC graduates who are looking for these new opportunities. Many fine positions have been made available through the splendid cooperation of our loyal alumni.

Your Alumni Office Requests

1. That you send us personal information about yourself, your family, your new position, your travels, any scholarships you received, and other information, which would be of interest to your former college friends and associates. We are sure that finding this information in the issues of the News Letter would be most interesting as it is to those of us at the college. It is one way to share the good fortunes of our fine graduates with others who may have moved here or there and unable to keep track of their friends other than through such a News Letter.

2. That you request any CSC alumnus who is not a member or who has not been receiving the News Letter to get in touch with us and add his or her name to our active list. We find in comparing our list of alumni with those of other colleges that we have considerable distance to go to meet their progress. It takes the cooperation of all of our members to help us in this effort.

3. That you keep your address up-to-date so that communications sent you would not be returned to us because of the wrong or incomplete address. This not only adds to the cost of the alumni services but delays your receiving the News Letter when it is issued.

4. That you find it possible to assist your alumni Association in some of its projects being planned for the year. Communication will come to you soon in connection with recent planning.

5. That you clip the printed active membership form from the back page and send it to an alumnus who, as far as you know, is not a member and encourage active membership.

Homecoming Social Hour

Free Coffee and Doughnuts for all Alums and Faculty
Following Homecoming Game

Union Lounge

PLEASE COME!

It is your opportunity to meet and visit briefly with classmates and former instructors.

ALUMNI DIRECTORY TO BE ISSUED

Your Alumni Association is preparing an official directory of all active members. The name, address, profession, as well as personal information (wife or husband's name - children - extent of graduate preparation, etc.) will be included. Many names not now on the list are needed before the directory can be published. The name of every alumnus should be included. Won't you assist us by sending us the name and address of every CSC alumnus you may know. It will help us to prepare a complete and useful directory. We receive so many requests for the whereabouts of our graduates that a directory is very useful. Many colleges have already prepared a directory of their graduates. We should not be the exception. Your assistance is needed if we are to do a good job. Your continued loyal support is deeply appreciated.

YOUR ALUMNI ASSOCIATION

News Concerning C. S. C. Alums

RAYMOND M. URBANS, '37, has been promoted to Senior Engineer in the Power and Service Mechanical Engineering Department at Western Electric Company, Chicago, Ill.

MRS. ROBERT ENGEL, the former ELAINE ESKRITT, '57, is presently living at Glendive, Montana where her husband is employed as an electrical engineer with Shell Oil Co. The Engel's live at 1024 N. River Ave., Glendive, Montana.

A tour of Europe was enjoyed this summer by four CSC alums - ARDIS RACE, '58, MAXINE SEEFELDT, '58, JOYCE HANNEMAN, '58, and NANCY SZALKOWSKI, '58. They joined the tour headed by Lewis of the college staff.

At Menasha are two '58 graduates of CSC - LEONARD MARKO and DALE LOOMANS. Both have been teaching the fifth grade in the Menasha School System.

ROBERTA VAUGHN SOHR, '56, has just returned from Germany with her husband Charles and their son. She is now living in Oshkosh where her husband is a bio-chemist at Mercy Hospital.

Also living at Oshkosh is '58 grad V. ANNE ZIMMERMAN SCHEUERMAN. Anne is teaching school while her husband, Conrad, is attending school.

RUGH HETZEL HARSHAW, a '13 grad, has for fifteen years conducted a children's radio program called "Carnival of Books" on NBC at 7:45 on Sunday mornings. The program presents an excerpt from a book and introduces a panel of children to discuss the books. The "Carnival of Books" has been given four local awards and seven national awards. Also for the past twenty-one years Mrs. Harshaw has conducted a quiz program based on children's books called the "Battle of Books" for the Chicago Board of Education on Station WBEZ. She now resides at 303 Crestwood Village, Northfield, Ill.

DOROTHY CUFF WEGE, '58, may now be reached at 23466 Buckingham, Mount Clements, Michigan. Her husband, David, has recently been stationed at the Air Force Base near Selfridge, Michigan.

DESMOND H. BRAGG, '50, has been appointed Assistant Professor of Education in the Drake College of Education, Des Moines, Iowa. Dr. Bragg has the Master of Science and Doctor of Philosophy Degrees from the University of Wisconsin.

Teaching in Honolulu, Hawaii this coming school year are two CSC grads, JOAN SUMMERS, '53, and BETTE WARNER, '50. Joan will be teaching third grade at Koko Head School while Bette will have the second grade at the same school.

JEROME A. BOETTCHER, '54, was selected by Marquette University to be a group discussion leader for a summer course on high school English. He led informal discussions on such subjects as appreciation of literature among high school students, how student writing can develop from the study of literature, and a four-year plan to provide continuity in a high school literature program. Jerry is currently Chairman of the English Department at Brookfield High School.

LEONARD M. ROHDE, '48, recently received an appointment as Acting Postmaster of Weyauwega. The Rohdes have purchased a home in Weyauwega and plan to remain there

for a long time. Their family includes Mary Ellen, 12, Thomas, 11, Robert, 9, Mike, 5, and Patrick, 1. Prior to his appointment, Mr. Rohde taught science at Weyauwega High School.

JERRY M. MADISON, '57, world history teacher and debate coach at New London High School, heads the Social Studies Department there. He recently spent the summer in Europe with Mr. Lewis's group.

ALAN A. DANKE, '59, who is serving with the U. S. Army, was recently awarded the job of operations and ceremonial clerk. He is responsible for fulfilling all of the U. S. Army funeral commitments at Arlington National Cemetery each day and for the Honor Guard Company's special jobs. Their last commitment was participation in the activities for the King and Queen of Thailand.

JOYCE KRUGER NATZKE, '50, resides at R. 1, Bonduel, where she and her husband run a farm and also raise purebred holsteins. Their family consists of three boys, David, 4, Teddy, 2 1/2, and Mark, 1. In addition, she served as Acting Shawano County Home Agent from October, 1959, to April, 1960.

Heading the Home Economics Department at West Bend High School is '32 grad HELEN HAMMES GOSKA. She has two children, Leon and David.

RODNEY F. JOHNDON, '58, attends the Candler School of Theology in Florida where he has two more years to complete before beginning full-time work in the Florida Conference of the Methodist Church. During the summer he worked as an Assistant Pastor for a summer work scholarship.

A month's vacation touring the Western United States and Hawaii was enjoyed by '59 grad JOANNE WALLNER. She visited such places as the Badlands, Mount Rushmore, Salt Lake City, San Francisco, Disneyland, Grand Canyon, plus many interesting points in Hawaii.

JERRY MUNDERLOH, '56, and his wife, the former MINA JOHNSON, '56, are currently residing at Mayer Rt., Prescott, Arizona. They have two children, Jenny and Marty. Both Mina and Jerry plan to teach this fall.

RALPH T. POTTER, '59, has accepted a new teaching position at Thornridge High School at Dolton, Illinois. His new address is Box 1231, 13240 Avenue F, Chicago 33, Illinois. The Potter's have two children, Diane, 2 1/2, and David, 5 months.

Teaching at Parkway School, City of Glendale, Milwaukee County, is MARGARET MARTENS FARRELL, '31. As of June, 1960, she completed the 27th year of her teaching career. She has one child, Mary Frances, 11.

ROGER WORLUND, '58, has accepted a position as biologist in the Basic Research Section at S. C. Johnson & Son, Inc. in Racine. The Worlunds have two sons, James, 5 1/2, and Thomas, 2 1/2.

With the completion of work on his Master's Degree in School Administration at the University of Wisconsin, Milwaukee, DONALD R. PAGE, '56, accepted a position as Supervising Principal of the Elcho School System. Prior to this appointment Don taught for four years at the Arrowhead High School at Hartland. His wife, the former ROBERTA NETZEL, '55, taught for one year at Marshfield and for four years at Hartland. Because of an expected addition to the family, Mrs. Page has retired from teaching for the present.

KEN McCARR, '28, is Registrar of the U. S. Trotting Association, which records the blood lines and changes of ownership of all trotting and pacing horses in the U. S. and the Maritime Provinces of Canada. He also has done a series of historical articles for the magazine "Hoof Beats" of Columbus and "The Horseman and Fair World of Lexington, Kentucky." At the present time he has a book on the history of the trotting breed awaiting publication. He and his wife recently celebrated their silver wedding anniversary.

Employed at Central College, Pella, Iowa, as Director of Gaass Hall, a men's dormitory, is MRS. MILDRED GIEBINK, '57. She also serves as Assistant Librarian.

RAYMOND L. SCHUEFFNER, '50, was the recipient of the Special Teacher Award from the State Historical Society of Wisconsin on State Award Day. This included the Parker Pen Award for outstanding work in the Junior Historian Program.

Assuming a new position as Supervisor of the Guidance and Counseling Services under the Department of Public Instruction, Madison, is '42 grad ROBERT N. SCHUNK. He will assist in creating guidance programs in schools throughout the state as well as assisting schools which already have guidance programs. Prior to this new position, Mr. Schunk was Guidance Director and Dean of Boys at Clintonville High School. He is married to the former ALICE WAGNER, '42.

ROY HABECK, '59, has accepted a position as Elementary Supervisor and Administrator of the New Glarus Grade School. Prior to this time Mr. Habeck served as principal-teacher in the Adams Grade School.

GERALD D. MENZEL, '59, and his wife, the former PATRICIA ISHERWOOD, '57, have moved to Springfield, Ohio, where Jerry has accepted a position with the International Harvester Corp. Prior to the move he was attending the University of Illinois, Urbana. His wife taught first grade at the Bottenfield Grade School in Champaign, Illinois.

Teaching at the Navy Dependents School at Sasebo, Japan during the 1960-61 school year is '49 grad ELIZABETH J. SWENSON. Prior to the assignment in Japan, she taught in the U. S. Navy Dependents School at Argentia, Newfoundland.

Also teaching abroad is '55 grad ARNOLD E. LENIUS, JR. He is currently teaching for the Air Force Dependents Schools in Spain.

Now a homemaker, EVELYN KIEK MARKO, '57, resides in Thorp, Wisconsin where her husband is employed by Thorp Finance Co. The Markos have two boys, Timothy John and Gregory Allen.

GERALD QUINNEL, '50, has been elected President of the Guam Teachers Association. He is active in Guam's stateside recruitment of teachers. This past year he has served as supervisor to the college cadet teachers, as well as being a part-time college instructor.

CAROL NELSON SUKOW, '58, is teaching second grade in the Cleveland Public School System. Her husband, Wayne, a '59 River Falls graduate, is beginning his second year of graduate work in physics at Case Institute of Technology in Cleveland, and has received a reappointment of a graduate assistantship for the year. The Sukows live at 2052 Cornell Road, Cleveland 6, Ohio.

Currently doing child welfare work for the Sheboygan County Welfare Department is MAXINE LANGTON COPPEL, '58. She has completed credits of work for her Master's

Degree in Social Work which are equivalent to one year of graduate work. Maxine's husband, originally from Denver, Colorado, is the Assistant District Supervisor for the Wisconsin State Department of Public Welfare.

JACK V. PERRY, '47, is teaching world history and American government and institutions at Winneconne. The Perrys have a daughter, Jill, born October 9, 1959.

PHYLLIS KASPER ROEBER, '50, lives in Galesville, Wisconsin where her husband is engaged in business. She teaches at the high school in Holmen, Wisconsin and also does cooperating field supervisory work for La Crosse State College with student teachers.

Beginning his second year of teaching at Wisconsin State College at La Crosse is TOM E. WIRKUS, '56. He is the author of an article on speech education appearing in a national education magazine, *The Catholic Educator*. His wife, the former LOIS LANGFELDT, '55, has recently completed the requirements for a physical education major at La Crosse.

RUDOLPH A. HORN, '51, has been employed by Hardware Mutuals for the past five years in Illinois. His current position is that of Loss-Prevention-Audit Manager. His wife is the former ELVIRA LINDOW, '46.

Teaching at Otis Air Force Base at Bourne, Mass. on Cape Cod is '56 grad SUSAN MAYNARD LINDSTROM. Prior to this assignment Susan taught at Albany, Georgia and at Miami, Florida. The Lindstroms spent the summer of 1959 at San Antonio, Texas where Capt. Lindstrom went to school at Randolph AFB to learn about the KC97 Air Refueler of which he is an Aircraft Commander.

DR. MARTIN SCHAEFER, '47, has been appointed Director of Extension at Eastern Illinois University, Charleston. Dr. Schaefer assumes his new post after serving as Assistant Director of the Eastern Illinois University Laboratory School since June, 1958. He received his Ph.D. in 1958 from the State University of Iowa. The Schaefers have two sons and one daughter.

MRS. EMIL RACKAY, the former DOROTHY RICHTER, '57, is currently living in Chicago, Illinois where her husband is an attorney. They have a young son, Mark.

Serving a two-year period in the Army is JAMES R. MILLER, '58. He received his basic training at Fort Leonardwood, Missouri. His wife, the former JANET MADISON, '57, is currently teaching kindergarten at Antigo. Prior to this time she taught for two years.

AMY L. MOODY, '54, is living in Cheyenne, Wyoming at the present time. She drives into Colorado during the school week to teach a small ranch school. Her son, T. Sgt. John W. Moody, was presented the Air Force Commendation Medal recently at Ent Air Base, Colorado by Brig. Gen. Arthur C. Agan, Jr. He spent a year at CSC prior to enlisting in the Air Force.

Beginning her sixth year of teaching at West Allis is SHIRLEY SHEETS KLUG, '55. Her principal is another CSC graduate, AL J. WUNROW, '26.

ROSEMARY POLZIN SCHUMANN, '55, is presently living at 110 Avenue D, Cloquet, Minnesota where her husband is a chemical engineer with the Northwest Paper Co. They have two daughters, Patty and Carol.

After receiving his Ph. D. Degree in Organic Chemistry from the University of Wisconsin, DONALD R. VISSERS, '53, has accepted a position as research chemist at the Morton

Chemical Company. Dr. Vissers, his wife Mary Ann, and daughter Kathleen reside at 66 S. Williams St., Crystal Lake, Illinois.

For the past four years IRENE BEAVER MILLER, '52, has been teaching in the East Whittier City School District in California. She can be reached at 14351 Lanning Drive, Whittier, Calif. The Millers have a son, Billy, 2.

In his fifth year of teaching at Wautoma is ALLEN HASSELQUIST, '54. He spent last summer doing graduate work at the University of Wisconsin. The Hasselquists have two children, Robin, 6 months, and Randy, 3.

MRS. DONALD J. WALTER, the former MADELINE WILLIAMS, '51, is currently residing in Toledo, Ohio, where her husband is employed as a horticulturist. The Walters have two sons, Joseph, 3, and James, 4 months.

Teaching at the new Wisconsin School for Boys at Wales is '43 grad BERNARD J. SLOWEY. For the past sixteen months he has been doing the educational testing. He spent the past summer working towards his Master's Degree.

KATHRYN L. ARNDT, '58, who has been teaching at Marinette for the past few years, has accepted a new position at Margaret Hall School, Versailles, Kentucky, teaching second and third grades. In addition, she also serves as house mother to senior, junior, and sophomore high school girls and as maintenance supervisor.

Employed in the drafting department of the Ladish Company at South Milwaukee is MAYNARD O. STROMBERG, a '48 graduate.

Beginning his third year of teaching at Clintonville is VERN RASMUSSEN, '58. Also at Clintonville is DALE VOLLRATH, '59.

MRS. LILA MAE HECKEL, '59, who taught for fourteen years in Wisconsin, moved to California where she has accepted a teaching position in the San Bernardino City Schools.

BERNICE J. YONKEE, '59, is teaching second grade in the Alum Rock School District, which is a suburb of San Jose, California. She hopes to start work on her Master's Degree at San Jose State College.

Graduates Persuing Further Studies
