

THE POINTER

Series III Vol. VII No. 1

Stevens Point, Wis., October 15, 1925

Price Five Cents

BEAT RIVER FALLS

POINT EASILY DEFEATS NORTH- LAND.

In a game full of thrills and featuring a 60 yard run by Quarterback of the Stevens Point Normal team, the Pointers won a 22 to 7 victory. This game showed what the Normal can really do.

In the third quarter the Pointers became confused and when the ball was passed to the backfield there was no one there to catch it. Davis, Northland center, pounced on the ball and carried it for a touchdown. McCune kicked the leather through the bars for the extra point. This made the score 7 all. When the fourth quarter started and it was still a tie the fans of the Purple and Gold almost gave up hope. Suddenly Quarterback Craney a punt and rushed through the entire Northland team for a touchdown. This started a terrific onslaught by the Pointers that netted then nine more points. Next Marsh intercepted a pass and run 40 yards for another touchdown. It must be added that good interference made these runs possible. With only three minutes to go the educated toe of Fritz Vaughn added three points to make a 22 count. In the last minute of play Swetland threw most of his reserves into the game.

Score:

Northland 0 0 7 0—7
S. P. N. 7 0 0 15—22

Line—Ups:

Northland:

Helstein, Davis, c; Marik, rg; Brace, Anderson, Swange, re; Berth, Nystrom, lg; Nedden, lt; Porter, Nourse, le; McCune, qb; O'Brien, rhb; Plant, Blahnik, lhb; Sshultz, fb.

Stevens Point;

Cummings, Krantz, le; Weaver, lt; Kolka, Bannach, lg; Grosby, c; Atkinson, Kleese, rg; Blakeslee, Wunrow, rt; Boone, Vernholt, re; Craney, Ziegler, ob; Vaughn, Holmes, rhb; Hansen, Marsh, lhb; Paukert, fb.

STUDENT DIRECTORY ON SALE SOON.

The Normal Student directory being compiled by Bob Dessereau and Frank Martindale will be on sale Monday October 19 after assembly hour. This year's directory is a thirty-two page booklet giving the names of all the students enrolled, their home town, their course and year in school and their Stevens Point address as well as their telephone number. This last feature ought to be well worth the small price asked for them to both girls and boys. The price is twenty-five cents and that will break nobody. There is no better use to make of this little book than to have it as a souvenir of the happy days spent at S. P. N. during the academic year of 1925—26. Often times there will be someone you will want to look up, having forgotten their hailing point, their course, or whether or not they were a Junior or Senior and then your little directory will come in handy. Have your two bits ready on the date of sale 'cause they won't last long.

MALMQUIST TO NATIONAL LEGION CONVENTION.

Arnold Malmquist, advertising manager of the Pointer, has attended the National American Legion Convention at Omaha, Nebraska which was held recently. As Malm hails from Racine we would naturally suppose he accompanied the famous Racine Drum Corps and such is the case, he being one of the bugle performers with said organization. The Racine aggregation is nationally known, having won first honors at last year's convention at St. Paul and it would be our own mistake if we don't get Malm to tell us about the good times he had on such a trip as well as being a member of this clever and lively Racine Drum Corps.

"PRES. SIMS AND THE SHIPS".

President Sims gave us a very interesting talk on the value of the words whose suffixes are "ship." He emphasized the words fellowship, membership, and stewardship. Let's try to put into practice a few of the things which he suggests, if not all of them. It will help to make a better student body.

FACULTY ADDS NEW MEM- BERS.

This year's faculty has the assistance of four new instructors. Miss Hazel Bair is assistant to Mr. Herrick, the director of the training department; Miss Bertha Courts is a critic of Junior High School work; Mrs. Emma Lovell is a new Primary Critic; and Miss Ina Nichols is an assistant to Miss Allen in the Home Economics department. Two new secretaries are also with us this year; Miss Hilda Hollender in the Normal office and Miss Marie Swallow in the Training School. I wonder how these new folks like us?

MISS ALLEN'S TALK DE- LIGHTS.

Miss Allen recently spoke to the Assembly about her trip to Europe. Space does not permit a writeup, but she held our attention, and we anticipate another such hour.

A PRESENT FOR COACH SWETLAND.

Mrs. Swetland presented Mr. Swetland with a baby girl on Thursday October 8. Coach seems mighty pleased and our congratulations are extended to him. We wonder if the new Betty Anne will grow up to conduct gym classes like her daddy?

NORMAL ENROLLMENT.

The enrollment this year at Stevens Point Normal is 448 to date. Many new faces are seen wending their way to classes and to these we extend our greeting. We wish to convince them that school isn't as bad as it may seem at first. Once they get in the swim of affairs and get acquainted it won't be hard to make a name for yourself, either in academic achievements or outside activities. There is an appreciable increase in the number of boys this year. The girls will have a lot more competition as well as a far greater chance to see the world. Here's wishing both old and new alike a hearty "Hi, there!"

BIGGEST TIME OF THE YEAR WILL SOON BE HERE.

HOMECOMING.

Plans are now well under way for the big hurrah of the year, the event which both alumnus and the student body look forward to each year. A meeting of the Homecoming committee was held and the following plans were made: First there will be a big mass meeting in the school auditorium on Friday evening at 7:00. This is held at 7 o'clock in order that the visitors coming in on the five o'clock train may attend it. After the meeting there will be a snake dance up town and we want everybody out. On Saturday morning, Oct. 31st, at ten o'clock there will be the Big parade. Prizes will be awarded for the most beautiful car, the most comical car, and for the best stunt. Let's see some clever ideas exposed. At 1:30, there will be the march from the square to the field. The game will begin at 2:00. At 5 o'clock there will be a get-together meeting of the alumni in the assembly. The big bonfire will be at 7:30 in the field back of the main building. The final climax will be the Homecoming dance at the Moose hall at 9:00 P. M.

The Homecoming committee is composed of the following persons:

Chairman—Ferdinand Hirzy
Erling Hegg
Clint Copps
Elmer DeBot
Miss Roach
Miss Carlson
Miss Foster
Mr. Steiner
Mr. Knutzen
Nie Allen
Donald Vetter
Norma Weisner
Mayme Cartmill
Irma Hetzel
Bernice Chapman
Elizabeth Collins
Max Monastersky.

Let's all get behind and push the Homecoming plans. Make it the biggest Homecoming that S. P. N. has ever witnessed.

FACULTY MEMBERS TO MADISON.

Messrs Herrick, Steiner, and Watson attended the meeting of the State Superintendents which was held in Madison Thursday and Friday October 1 and 2. The meeting was held in the assembly chambers of the capitol. The principal speakers were the Professors Barr and Clapp of the University of Wisconsin. It was a very profitable meeting.

YE EDITOR SAYS.

The Pointer staff is at last completed and all of them are on their toes to put out a paper that will keep pace with the rapid advance of our school. That means they must work but we are all willing to do our share if you students will do yours. And your share, normalites, is not to razz the paper each time it comes out nor to refuse a bit of news when asked. You know what should be your attitude. Now follow it up. We all want a paper this year that will boost our school but without every one in normal back of the staff such a task cannot be accomplished and you know it. We can pick the ones every time that are the dead wires around here because they can never find a good word for any school publication or function. Those are the ones who can wear this shoe and we give it to you free gratis. Come across with the goods, folks, and we, the staff will fulfill our promise of a good, live, little paper for Stevens Point Normal.

YOUR HERITAGE.

One of the greatest Americans of all time, Theodore Roosevelt, said, "It is no more than right that a man carry a little more than his own weight through the world." Our lives should be infinitely more pleasant, more altruistic periods of time by virtue of our greater efforts, it this philosophy were manifested.

It is not so much a case of whether or not we care to act concordantly; this axiom should be an obligation. In the years that have passed S. P. N. has gained enviable recognition scholastically and through its many student activities. Stevens Point has come to mean first an incomparable school, and second a city in Central Wisconsin. Across the sky of productive achievement its name is blazoned from Lake Superior to Illinois; from Lake Michigan to Minnesota. Association with its name means the highest degree of respect from all. It is a heritage handed down to us conveniently established by the arduous zeal of those that have gone before.

We cannot afford to do less than that which has been set as a standard. We have a charge to carry out. A challenge! We are invested with the responsibility of "carrying on."

You must be more than just a good student. You must be a good ACTIVE student.

Home Economics.

The Senior Home Economics girls entertained the Juniors and Sophomores at an afternoon coffee on Thursday. Buttered nut bread, cream scones, chocolate cakes, coconut macaroons, and coffee were served.

Miss Meston's Soph. Foods Class have just finished their work in canning.

The girls now living at the South Cottage are: Ruth Walenta, Helen Stiedtman, Lorna Carswell, and Charlotte McCarthy.

Miss Church spent the week-end in Madison and Walworth.

Misses Helen Stiedtman and Charlotte McCarthy entertained as guests, respectively, Mr. and Mrs. Stiedtman and Miss McCarthy over the week-end.

Miss Allen has been instrumental in getting Mrs. Mary Rose, one of our leading authorities on nutrition, to speak at the district convention at Wausau on Friday October 16. Mrs. Rose will speak at 9:00 A. M. and arrangements will be made to accommodate any girls who wish to go. Please bear this in mind.

Miss Allen will speak at Ashland on Monday October 19, to the Home Economics section of the North Wisconsin Teacher's Association.

Miss Grace Price, teacher trainer of the state department of vocational education visited here on Thursday.

This department is conducted by Irene Haan Help!!! Help!!!

FORUM.

The High School Department is the only department in school which can claim the record of a constant increase in membership. We do not attempt to explain this condition; we are only proud of it. There is an increase of twenty in membership this year. We have fifty-two seniors, fifty-one Juniors, and sixty-five sophomores and everyone of them are loyal boosters for the Forum. Our officers elected recently are:

President Henry Kolka
Vice President Irving Gordon
Secretary Ruth Robertson
Treasurer Donald Vetter

Our members are prominent in every school activity and we are striving to make this year the most successful in the history of the High School department. WATCH OUR SMOKE.

NEWS ITEMS.

Miss Mary Gustin has been confined to her home the past week on account of illness.

Bernie Laabs, a member of the High School department and football captain who has been laid up on account of injuries received in the St. Norberts game, is improving rapidly and will soon be back in school again.

This department is conducted by Elizabeth Collins Help!!! Help!!!

RURALS.

The Rural Life Club of the Stevens Point Normal spent a very profitable and pleasant evening last Monday, October 5. The program was under the supervision of Miss Mary Hanna. It consisted of several talks by members of the club. Mr. O. W. Neale, director of the Rural Department, spoke on the subject of picture study. Mr. Harold S. Dyer led the community singing. Here variety was introduced by novel innovations of several familiar songs.

The next meeting of the Rural Life Club will be held on Monday night October 19. The program will be in charge of William Godson, the president of the club, and promises to be unusually entertaining.

RURAL BRIEFS.

Miss Mae Roach spent last Friday and Saturday in Winona, Minnesota. Miss Roach was invited to sepak at the Teacher's Institute held at that city.

Alfred Wunrow, Rinehart Toebe, Ralph Cummings, and Henry Bannach, the four boys who comprise the rural's contribution to our football team accompanied the team to Superior last Friday.

Miss Veona Schoepke spent last week-end at her home in Bear Creek.

Miss Charlotte Hoag spent an enjoyable week-end at Antigo.

William Godson visited at his home in Wautoma last week.

PRIMARY COUNCIL.

We are back, the Primaries, as strong as ever and with just as much pep or more pep than ever before. We are ready to take up our new life again in the same spirit it was taken up in years before. Watch us go! We came out ahead in most everything last year but this year we shall change it from almost everything to every single thing in the school. We can do it. Just watch us. The Council held a meeting in order to have every one get acquainted with everyone else. Peppy? I should say so! Mr. Delzell, our director, talked to us and Miss Ivey, one of our critics told us stories and everyone was more than pleased at the outcome of the entire meeting. We served a Primary delicacy, "All-day Suckers."

Mr. Delzell, our director, is more lively and good natured than ever. He is a source of helpfulness to all the Primary students and it is for him we are going to do our best. We are going to show our director that we can do things because he has helped us to learn how to do things. Whatever Mr. Delzell requests we shall try to do the best of our ability. These words express the feelings of all the Primary students regarding Mr. Delzell.

October 31, Primaries, is Homecoming. We must do something, a stunt or anything to show the other departments that we can begin at the beginning to do things. Last year we received first prize in the parade. We can do it again so everyone think of something to do and when you think of it tell the rest of us. We are going into this Homecoming event with a 100% enthusiasm and this enthusiasm shall never drop a fraction of a percent until the entire school year of 1925-26 is over. We shall use it in everything so LET'S GO, PRIMARIES, and beat them all.

This department is conducted by Norma Weisner Help!!! Help!!!

Cyril and LeVaun Dall spent last week-end at their home in Chili.

PENMANSHIP WONDERS.

If anyone wants to see a wonderful exhibition of penmanship, he needs but to come to the Rural Recreation Room. The penmanship classes, under the direction of Miss Mae Roach have posted samples sheets of their writing on the bulletin board there and really some of the writing rivals that of A. N. Palmer himself. Probably not only rivals but almost surpasses. Well, it's best to stop raving now, but satisfy your curiosity and see for yourself.

This department is conducted by Julia Lemancik Help!!! Help!!!

Jean Scheur: "My critic just told me I was at the end of my trouble."
Marguerite O'Brian: "Oh, but did she tell you which end?"

Bernice Chapman (arriving at the station loaded with luggage on the way to S. P. N.):

"Ethel, I wish we had brought the piano."

Bernice: "Now don't try to be funny."

Ethel: "But I left the tickets on the piano."

Miss Jones to George Holman: "You have been such a good student in my class for so long that as a reward for time and faithful services I am naming a new bacterium for you."

Ed. Jensen at the Pi House: "Say, it has been half an hour since I ordered that turtle soup."

Earl Mace: Sorry sir, but you know how turtles are."

Eleanor Booth at McCulloch's Drug Store: "Can you recommend this brand of perfume?"

Harry M. "Certainly Miss, its one of our best smellers."

Some people grow old gracefully, others attempt the new dances.

"How big is a battleship?"

"What kind of a battleship?"

"A big one."

"How big?"

Mr. Evans in Biology class: "Deep breathing kills bacteria."

Student: — "But how can I make them breath deeply?"

Bernice Smoot: "How do you like my new permanent wave?"

Ralph Cummings: "Oh, alright, but wait till I get my permanent shave."

Bernice Vinkle at the Northland game: "Allen you'll have to get our seats changed, I can't hear what the players are saying to each other."

NELSON HALL NOTES.

The Nelson Hall family gave their first party Tuesday evening September 15. It was a get-acquainted party and every girl made at least several new friends.

On Saturday September 19, about fifty girls accompanied by Miss Hussey, enjoyed a hike to River Pines and a picnic lunch on Mrs. Walbridge's lawn. Mrs. Walbridge gave a very interesting talk on her sojourn in Florida last winter. Miss Rowe came out later to see the girls devour the good lunch she had put up. Needless to say they did full justice to her culinary taste.

Several of the old girls have been back to visit friends. Miss Caroline Boles and Alice Benson spent the week-end September 26-28 at Nelson Hall. Caroline teaches in the Auburndale High School and Alice teaches in the primary grades at Embarrass. Miss Loretta Cramer and Charlotte Canning also spent a few hours with friends here. Miss Blanche Reeder who teaches in the Marshfield junior High School also spent the

Mr. Swetland: "The rabbit was 500 feet away when I fired."

Don Vetter: "Did you hit him?"

Mr. Swetland: "Of course not, but think of the distance."

If you haven't heard the one about Leaping Lena, we mean the latest one, of course, ask Allen Reading to spill you the glad tidings and the laugh with us.

This column is
Florence Betlach

Conducted by
Help! Help!

Overheard in Donald Vetter's practice class: "Oh, Mr. Vetter looks so different, today."

"No wonder, he has his hair combed today."

Wanted: A clever, young man, good dresser and not too handsome to date little black haired girl occasionally. Apply in person to H. Craney, committee chairman any evening between the hours of six and seven. Bring references if doubtful in any matter. (Paid advertisement.)

Professor Smith: When did Vergil die?

Student: 51 A. B.

Mr. Smith: A. B.! Don't you mean B. C.?

Student: No sir. 51 A. B. Fifty-one years after birth.

Cook: Why were you kicked out of Choral Union last year?

Jensen: I had no voice in the matter.

One normal "grad" applied for a position in a glue factory. He was refused on the grounds that college men do not stick to their jobs.

Gene D. I have a cold.

Earl M. So do I.

Gene D. Let's neutralize them.

Max. M. What are you doing for a living.

Marty M. Breathing.

week end with friends in Nelson Hall.

Mr. Collins of the Normal Faculty spoke to the Nelson Hall girls Sunday September 27 about his travels in Europe. Mrs. Collins added some remarks. Both gave very interesting sidelights on cathedrals and architecture.

Mrs. Wood spent last week-end with her daughter Leone at Nelson Hall.

Normal school students are cordially invited to dance in the Recreation Room on Tuesday evenings after dinner. We are cooperating with Pres. Sims and Mr. Swetland in setting aside one evening a week for entertaining of campus students. Friends of the Nelson Hall Girls are most welcome on Tuesday evenings.

The old girls entertained the new girls at a party Thursday evening October 8. Games, stunts, and dancing were the program of the evening. Costumes were worn and many odd characters appeared in the parade. The refreshments were coney islands, doughnuts and coffee.

The Question: What does homecoming mean to you?

Ethel Chapman, Junior High School, Senior, Homecoming to me, is a time for every one to be happy. It is a time of general enthusiasm when the spirit of loyalty and appreciation should be expressed by every student in S. P. N. It is a time when we meet old classmates and show them how we are carrying on the honor of their alma mater.

Luman Precourt, State Graded, Junior, Homecoming to me, means a real get-together of old and new students of S. P. N. to renew old acquaintances and to solder better the links in the chain of good fellowship, to show the world that we are out to boost for God, Country, and S. P. N.

Geneva Foster, Primary, Senior, To me there is no other time during the academic year like Homecoming. Alumni look forward to it and students enjoy it as much as their elders. Homecoming! It's a great institut on which, like Christmas comes once a year. If it came more frequently there would be more empty pocket-books than there are now and the spirit of the thing would lose its significance. I say, let's make it the one grand vacation of the year, despite the fact that most of it takes place on the campus.

Eleanor Withee, Home Economics, Senior, I think Homecoming is the biggest event in the year. This is the one time that the graduates and old students can come back. I know if I was not here in school I would try my best to come back to Homecoming.

Kenneth McCarr, High School, Senior, Homecoming to me means: when the entire student body wakes or shakes up their dormant spirit and makes the returning "Old Timers" admit that the present student body has more pep than they had.

MARGARET ASHMUN CLUB.

The first meeting of the Margaret Ashmun Club was held Wednesday evening Sept. 23. New officers were elected as follows:

President Mae Vetter
Vice President Irving Gordon
Sec. Treas. Claire McClellan

Mr. Collins told the club about his travels in England and Scotland and to illustrate his talk passed out pictures of interesting places and shrines. The last shrine wasn't one of England's picturesque scenes—it was S. P. N. before the wings had been added to the main building. What a shrine.

At the next meeting Borghild Odegard will have charge of the program. The ten best plays of 1924-25 will be reviewed and

GRAMMARS.

Mr. Watson, director of the Grammar department, has an enrollment of sixty-five in his department this year. Not a very big bunch but we are all here to do things and show the rest of the school that the grammars are by no means out of the swim. Officers for the Grammar Round Table were elected last year and our officers for the year are as follows:

President Irma Hetzel
Vice President Beatrice Swanent
Sec. and Treas. . . Ruth Krumpen

A meeting of the Round Table will be held soon to plan the year's work. We believe that our organization will be bigger and better than ever before. Watch us Grammars.

This department is conducted by Claire McClellan Help!!! Help!!!

discussed. The question of taking in new members will probably be taken up also. At present the membership is comparatively small because so many of the shining lights were graduated last June.

SUPERIOR TROUNCES POINT.

Stevens Point Normal lost its first conference game of the season 13-6 against Superior Friday Oct. 9. - Point kicked off and Superior fumbled, Weaver, Point tackle, grabbed the ball and raced over the lines for what seemed a sure touchdown. He was not fast enough and he was downed on the four yard line. The Point was unable to cross the line in three downs and Fritz kicked the leather over the bars for three points. Superior in the third quarter secured a touchdown on line plunges. A little later Fritz made a forty-three yard drop kick tying the score. In the last quarter Superior completed several passes and scored another touchdown. The try for goal was successful and the score stood 13-6 and remained so until the end of the game.

Y. W. C. A.

The Young Woman's Christian Association of this school is affiliated with the local chapters situated at the various state normal schools, colleges and universities of Wisconsin, and of other states. The work of this organization is under the direct supervision of the National Y. W. C. A. officers.

The local "Y. W." is in full swing now. Interesting programs, both instructive and entertaining, have been enjoyed at the regular weekly meetings.

The two vacancies in our cabinet have been filled by Ruth Robertson, as Social Service Chairman, and Bernice Smoot as Bible Study Chairman.

If you have not already joined we want you to now.

Mr. Neale speaks to us at our next meeting, Wednesday October 14. Refreshments will be served. Everybody welcome.

If you come once

You Will Come Again.
