WELCOME BACK HOMECOMERS

S. P. N. LOSES HARD FOUGHT GAME TO EAU CLAIRE.

Last Saturday our football warriors traveled to Eau Claire where they met our rivals from that institution, and lost a hard fought battle by the score of 20-7. Although beaten, so far as the score goes, the Stevens Point team outplayed their rivals most of the game and showed the Eau Claire "Gang" just what S. P. N. spirit means and also the meaning of TRUE SPORTSMANSHIP. Time after time the Purple and Gold slipped through and threw their opponents for losses at critical stages of the game only to have a lucky forward pass pave the way for an Eau Claire touchdown. Although the enemy won, there should be no censure of the players or coach.

Stevens Point kicked off to Eau Claire who, with the wind at their back, began to throw long forward passes, which resulted in two touchdowns. Eau Claire was getting 65 yards on their punts due to the wind at their backs, while S. P. N. was punting 35 into the teeth of the wind.

The second half was a bitter battle. Eau Claire scored on a forward pass in the third quarter. Then our team tore huge gaps in their line and advanced down the field only to lose the ball in the very shadow of the goal post. Eau Claire then took the ball up the field. They threw a long forward pass which Vaughn intercepted and with Cummings acting as interference ran 80 for a touchdown through the entire Eau Claire team. Our team then set out to make more points, and had the ball in position to score again when the whistle blew ending the game. Final Score — EAU CLAIRE — 20 STEVENS POINT — 7.

The sad part of the game was the injury of Boone and Holmes. Boone's elbow was dislocated and Holmes ribs were fractured. Both men are out of the game for the rest of the season. They were able to make the return trip with the team.

The team greatly appreciates the support of the "Pep Club" at this game. They cheered the other side into the ground. We hope that they keep this up and at Homecoming there won't be a team in the state that can beat us.

POINTERS TURN IN VICTORY, S. P. N. 7 WHITEWATER 0.

Playing a stellar game on the gridiron last Friday afternoon the S. P. N. Warriors turned in a 7-0 victory over Whitewater Normal. It was a real battle from start to finish with S. P. N. having the edge throughout the game. At the end of the third quarter the score stood 0-0. In the preceding quarters the Pointers ran the ball within scoring distance twice. In the first quarter Vaughn, instead of kicking as was expected, threw a 5 yard pass to Hansen and put the ball on Whitewater's 2 yard line. In the third quarter Vaughn tried a drop kick, but it went wild.

In the fourth quarter Vornholt blocked a kick and Krantz recovered it. Then Holmes, our Red Grange, carried the ball around right end for 18 yards. The Pointers worked the ball out of bounds on the next play. On third down with the ball in the center of the field and on the twelve yard line Whitewater expected Vaughn to drop kick; instead Craney pushed over the goal line for a touchdown. Vaughn kicked goal.

In this game we saw every Pointer fighting as he should. There wasn't a man on the team but who was a star. We have a fighting bunch and they're going to win Homecoming.

WISCONSIN CONFERENCE OF SOCIAL WORKERS MEET.

This last week beginning Sunday Oct. 25 and continuing until Wednesday evening October 28 Stevens Point entertained the representatives of the Wisconsin Conference of Social Workers.

It is an organization which is an instrument of service to local communities in developing the proper organization of their civic and social work; and a fraternity of men and women bent on an organized discovery of the most efficient ways and methods in the field of civic and social endeavor.

Their meetings and programs were held jointly in the Normal and High School auditoriums and many valuable points in social work were discussed.

Many speakers of state-wide importance were on the program and gave interesting talks on this important field of work.

Exhibits unique and forceful in their originality were placed in the High School and Normal buildings.

THIRTY-THREE GIRLS HAVE 100 POINTS IN G. A. A.

The second week of school. The Girls Athletic Association of Stevens Point Normal, was organized with thirty-three charter members, who have earned 100 points or more in some athletic activity in S. P. N. prior to this school year. The charter members are; High School — Harriet Collins, Dana Hill, Gretchen Kelly, Arvilla Franz, Jane Syms Mable Lipke, Florence Betlach, Mary Morgan, Phyllis Fish, Irene Hart, Dorothy Taylor, Marian Hardacher, Muriel Peterson, and Ruth Warren: Home Ec — Margaret Lord, Wylma Truesdale, Lila Olson, Alice Pecha, Eleanor Withee, Mayme Cartmill, Ida Tuttle: Grammar — Pearl Abraham Beulah Rowe, Edna Thalheim, Irma Hetzel, Ruth Krumpen, and Ethel Pedersen: Primary — Nettie Shupe, Bernice Dummock, Edna Carlson, Norma Wiesner, Marguerite O'Brien, and Jean Scheuer.

The following officers were elected to direct the activities of the organization for the year 1925 the organization for the year 1925-1926: President — Mary Morgan, Vice Pres. — Florence Betlach, Secretary — Eleanor Withee, Treasurer — Mable Lipke.

Through the organization of such an association, and due to the ultimate reward of an athletic sweater for 900 points, more girls have a new interest in athletic activities and are entering into them with more zest.

About fifty girls, outside of the Athletic Association are working for 100 points in either Soccer, Hiking, Horseback riding, roller skating or tennis, thereby gaining the school letter and membership in the Association.

THIRTY ONE GIRLS PLAYING SOCCER.

Out of thirty-five girls presenting doctor's certificates of Physical fitness to participate in Athletics, thirty-one are playing Soccer; three nights a week after school.

Five points are awarded for each practise and if the weather permits, these thirty one girls expect to earn 100 points in Soccer by Thanksgiving time.

Fall activities for girls have been rather amiss in the past, but eventually we hope to stimulate enough interest and develop enough skill in Soccer to have it take the place in Fall Athletics that Basketball has taken in the spring activities.

HOMECOMING.

Teachers, students, everybody come,
Join the big procession and Have a lot a fun.
Place to park your Lizzie
A hotel that can't be beat.
Come and see the old gang,
You always like to meet.

S. P. N. is calling you,
Each and everyone, so
Grab your coat and pocketbook
And start out on a run.
Will you be glad you did it?
Well I should hope to shout.
You never will regret the fact
You took "Time Out"

PEP CLUB ADDS MEMBERS.

Sixteen new names have been added to the Pep Club roll call. These people have been appointed by their directors with exception of one, Bernard Laabs, football captain who was elected by the Club. The new members are: Irene Hart, Julia Van Hecke, Ethel Chapman, Claire McClellan, Edna Thalheim, Graal Herrick, Angelyne Duranseau, Hazel White, Bernice Chapman, Frances Olin, Mildred Fricke, Irl Thurber, Clare Swanson, Eugene Downer, and Bernard Laabs.

We have sponsored a Pep assembly each week and helped to send the bus of rooters to Eau Claire for the S. P. N. — Eau Claire game.

We are at present working hard on Home coming plans and we are hoping it will be the liveliest, happiest, and most enthusiastic Homecoming ever held.

FORUM — PEP CLUB DANCE.

The Forum and Pep Club were joint sponsors of a mixer held in the Normal Gym last Friday, Oct. 23. They had as their guests, the Whitewater delegation. An admission fee of twenty-five cents per person was charged to defray expenses. A large crowd was present and according to all appearances, everyone seemed to have an enjoyable time.

WE AREN'T BEATEN.

Nor are we going to be beaten. It seems to be the opinion of some of the school's pessimists that our teams are good for nothing. We want them to get that notion out of their heads right away and unless they can't they needn't come to the River-Falls game because they would only be boosters for the enemy. It is the "stick with the gang" spirit that counts; whether defeat or victor has been our lot need not matter. When the team knows that we are for them alive or dead they will come across with the vim and vigor that will win the game. Students, can you see your part in the homecoming plans? Then play that part well.

S. P. N. at the present time, does not sponsor a junior prom. Isn't that too bad? The students do not like to admit this fact to their friends in other schools which are not as backward as we here in S. P. N., but it must be done. All of us want one so why can't we talk it up some and see if we can't have one.

The motto of our school is "Forward." I ask you; is this motto lived up to in the matter of a junior prom.

NEWS.

Learn those school songs.

Plans are underway to organize a school band. Will all those interested please see Mr. Steiner as soon as possible. Let's make this band a success.

A very fine pep assembly was held last Thursday in which the school songs were learned. Each department practiced the songs and then a contest was held to see who could sing the loudest and the best. The prize went to the Rural department who certainly did well. We hope to hear them at the Homecoming game.

Here are two new songs developed from our old songs. Please learn them.

Oh! Strive down the field again
Men of the Purple and Gold?
Fight on to victory

Beat Whitewater as of old.

We're here to win again
And we'll cheer on our brave
men.

And we'll fight to the end
And our honor defend

MESSAGES FROM FORMER FORUM MEMBERS.

At the teacher's convention two weeks ago, Mr. Smith, our director, had an opportunity to meet many former High School Department members. Among those whom he saw were Kenneth Hale, Irene Cleaves, Caroline Boles, Hannah Haroldson.

Joe Kraus who is teaching in the High School at Merrill wished to be remembered to the High School Department and said that he hoped they were as loyal and enthusiastic as they were when he was there. He was president of the Forum in 1921.

Mr. Smith has also had a very fine report concerning Walter Bruce, last year's president, who the report said, was doing excellent work at Orfordville.

We are always glad to hear good reports about our old members.

Last Monday evening the members of the Forum were pleasingly entertained by a Musical program featuring Carroll Van Buskirk and Mr. Knutzen.

HOME ECONOMICS.

The first meeting of the Home Economics club was held on Monday evening October 19th. The officers elected for the year are Mayme Cartmill, President; Bernice Smoot, Vice President; and Marjorie Johnson, Secretary and Treasurer. The election was followed by a short discussion on a stunt for Homecoming. A committee consisting of Leone Wood, chairman, Adelaide Griendl, Rose Lowe, and Cornelia Ireson, assistants, to take charge of the float was appointed. The remainder of the program was given over to a talk by Miss Allen. She told us of her travels in various countries abroad and showed us beautiful articles of clothing, jewelry, etc. that she brought back with her. She also showed us the coin used in these various European countries.

The Clothing I classes have finished their uniforms for the Food Classes and we'll see them stepping out all in white now, too.

The Juniors have completed their hand made blouses and dresses. They will be on exhibit in the sewing rooms for some time.

Every Home Ec. is out boosting the Homecoming. Watch for the float! "Blue and White" will tell the story. The committee is pushing it along all they can so let's each and every one do our part to make our end of the parade, of the game, of everything that has anything to do with Homecoming on Oct. 31st better than it has ever been in the past. We can do it Home Ec's. Let's show them what we're made of.

National soups seems to be the topic for discussion in the Food V class. Mulligatwny, Petite Marmite, Consomme Printavier,

Rose Lowe's and Adelaide Griendl's eighth grade Training School cooking classes served luncheons during the past week. The smell was enough to make one hungry.

SPORT CAPTAINS APPOINTED.

A Captain of Sports has been appointed for each department and with Arvilla Franz as Captain of the High Schools, Jean Scheuer, of the Primaries, Mayme Cartmill of the Home Ecs, Kathryn Kitowski of the Rurals and Pearl Abraham of the Grammars the girls are taking some interesting and commendable hikes, as well as playing tennis, roller skating.

Hiking is of especial value in this age of the automobile when people are forgetting how to walk. Hiking is also an excellent individual exercise which can be carried on in later life without the aid of a coach and a referee. We are glad indeed to have so many girls doing such splendid work in this particular sport.

RURAL LIFE CLUB.

Members of the Rural Life Club were entertained by an unusually good program on Monday evening, Oct. 19. Bill Godson, president of the club had charge of the program which consisted of an impersonation of a parent teacher's business meeting in a rural school. Mr. Schmeekle gave a very excellent talk on the Relation of the School to the Home in the rural community.

After the program a social hour was enjoyed by all. Music for the dancing was furnished by a trio composed of piano, violin and trumpet played by Laura Nelson, Royland Koyen and Carl Kitowski.

Cecelia Helf is chairman of the program committee for the November second, meeting.

RURAL BRIEFS.

Mr. Neale conducted institutes at Horicon, Oct. 17 and at Florence Oct. 22—24.

The Demonstration school at Arnott has reopened after the "potato digging vacation" and two student teachers from the Rural Department are sent there each week for practice work. Owen Emmerson and Lawrence Kline are the cadets for this week and Charlotte Hoag and Julia Lemanek are to cadet next week.

Miss Roach and Miss Hanna attended the Convention at Eau Claire on Oct. 15—16. They reported a profitable meeting and an enjoyable stay at Miss Roache's home, Eau Claire.

Mr. Neale addressed the Rural Conference, at the Wausau Convention on the subject of "Dad, Mother and the Schoolmarm".

Plans for Homecoming have also been made. The committee in charge are doing their best to make the 1925 homecoming for S. P. N. a live one.

JUNIOR HIGH SCHOOL SPIRIT.

The Junior High School is going to take a large part in the Home coming parade. They are going to have, well; I don't think that I'll tell you our secret. Come and see what it is Saturday, Oct. 31.

JUNIOR HIGH SCHOOL HALLOWEEN PARTY.

The Junior High School is giving a Halloween party, this Thursday. The student teachers, President Sims, and Mr. Herrick are invited. It is understood that Fred Kuhl will play the saxophone.

Various games will be played and refreshments served, followed by a dance.

TENNIS FACILITIES LIMITED.

Facilities for tennis are limited and inadequate and the Association is hoping for new courts next spring and such an urgent desire in each girl to play tennis that the courts will be filled all of the time.

"Police dog."

"Augwan"

"Yeah. Secret police. He's in disguise."

Buck — I found a splinter of wood in my soup today.

Chet — What did you do with it?

Buck — Oh, I ate it with the rest of my board.

Fritz — I wonder what a red headed angel would look like?

Bernie — Oh, he'd look like the devil.

"I have a pain in my tummy, dear!" said the cannibal to his mate.

ZIMBALIST'S CONCERT.

Taken In Part From The Daily Journal.

Efrem Zimbalist, violinist who appeared in the first of the winter series of musical events on the Stevens Point Artists' course, was at the Normal auditorium Friday evening and the concert he played was from a program of wide appeal to his audience.

It was refreshing in that Zimbalist, who appears to care more about pleasing his audiences than to make an exhibition of his technical skill for the edification of the crowd and the satisfaction of his own vanity, played more numbers the public likes than is customary, for that, at least, is an observation derived from previous concerts.

Among the numbers which Mr. Zimbalist played were The Chopin-Wilhelmj Nocture, the Chopin-Spalding Valse, Fritz Kreisler's Leibesleid and last, but not least, Percy Grainger's Irish reel, Molly on the Shore.

The audience liked these numbers immensely.

He was not miserly with encores when the concert had finished, and played three of them for

The town was devastated. Buildings, demolished, trees uprooted, streets torn up. Homeless and dispirited, unfortunates wandered aimlessly about, scarcely able to realize their loss. A traveller came to this scene of misery. He was deeply touched.

Mr. Burroughs has started work on two new plays in his public speaking class. They will be given within the next few weeks. He has an unusually talented class and they are working hard. We hope Mr. Burroughs doesn't keep us waiting too long.

The people who went to Eau Claire are still raving about the trip. They are to be congratulated on the wonderful spirit shown at the game. Mr. Mott and Miss Swanson gave very lively accounts of the game. This is the kind of a spirit we want at S. P. N.

We want news. Please hand it to the News Editor.

The high school department art classes are making some very excellent posters for Homecoming. By those we have seen so far, (Miss Betlach's and Miss Glass') we know Homecoming will be well advertised.

**Question—WHAT EVENT NOW
LACKING DO YOU THINK
SHOULD BE ON THE
S. P. N. CALENDAR?**

Graal Herrick — An annual Junior Prom would be a decided addition to the school calendar. Stevens Point and Platteville are the only Normals of the state that do not have a Prom. Surely we aren't going to let River Falls and Eau Claire get ahead of us socially anymore than in athletics. Practically the only school dance is the matinee dance. There are the fellows who go out for football or basketball and the girls who work who can't come to these affairs, who could come to an evening dance. The students of S. P. N. have to go elsewhere for recreation generally when the school could be furnishing it for them. The social calendar of the school is not so crowded but what a Junior Prom could be easily handled. It is necessary for the students to get together more socially, and a Prom would help to do this.

Marguerite O'Brien, Primary—The Junior class is now an organization in name only. Such a project as a Junior Prom would be a unifying influence, and would also help to discover executive ability which could be used to a good advantage in the senior year.

Erwin Schroeder, High School—One thing which, I think, is especially lacking in this school, is "get together" events for the students. If there were more occasions when the students could mix together, they would become better acquainted and this would do much toward strengthening school spirit. I think a good matinee dance every week or two would accomplish this purpose very nicely.

Marjorie McKinley, Jr. Home Ec.—On a par with the far famed S. P. N. Homecoming and our peppy Mardi Gras, should be placed our Junior Prom. When our chums back home ask us what we wore (etc.) at our Prom it's embarrassing to say "We don't have one" isn't it?

Robert M. Dessureau, State Graded Department — I suggest the inauguration of Normal Day, or Anniversary Day at S. P. N. This noble institution's stability and fame permeates into every corner of Wisconsin and adjacent states. Founded and established over thirty years ago I think its birthday should be observed each year with a semi-civic program. Cities have their anniversary days, great commercial establishments have their anniversary days, good old U. S. A. has its Anniversary Day — now why not place an Anniversary Day on the

calendar for S. P. N.? What do you think about it?

GETTING OUT A PAPER.

Getting out a paper is no picnic.

If we print jokes, folks say we are silly.

If we don't they say we are too serious.

If we publish original matter, they say we lack variety.

If we publish things from other papers, we are too lazy to write.

If we stay on the job, we ought to be rustling news.

If we are rustling news, we are not attending to business in our own department.

If we don't print contributions, we don't show proper appreciation.

If we do print them, somebody calls it junk.

Like as not some one will say we swiped this from an exchange.

So we did.

**DIFFERENCE BETWEEN AN

One socks her roll and the other rolls her sock.

Plumber: — I've come to fix your old tub.

Man: — You'll find my wife in her room.

"For heavens sakes, Mabel, haven't you done your hair yet?"
"Done it! My goodness, I haven't found it yet."

"Let's talk about the whether."

"What do you mean, about the whether?"

"Whether to or whether not to."

**WANDERING SCRIBE WRITES
TO S. P. N. STUDENTS.**

The first impression on my mind when a mass meeting was called for, was the utter lack of spirit shown by the student body toward their football team. The first game at home the students were scattered all over the field, here and there a handful, and although your cheerleaders tried for a while you gave them no support at all until the Point scored the first touchdown, and then you only feebly responded. The condition is pitiable, in fact it is almost a crime. WHY DON'T YOU WAKE UP? It is your team, and it is up to you to support it. If the team had quit Saturday against Northland it would have been your fault partially. So let's go gang, get alive, stay together in some part of the field and support your cheerleader at all times; it helps. Unless we acquire more spirit homecoming will indeed be a very sad affair.
