Pointers Outplay Oshkosh Squad In 6-6 Grid Battle

Greg Breaks through to block Place kick for extra Oshkosh Point 

By Carlton Lintner

Encouraged greatly by their easy 28-6 win over the Bluejays the Pointers met the unbeaten Oshkosheleven on the local gridiron last Monday night and outplayed them right and left until a break gave the Sawdusters a touchdown in the try for extra point to score 36-6.

The Purple and Gold had their own way the first half, ripping holes in the Purple and White line and driving their yards and McDonald made yardage. A pass, Laabs to Neuberger, interfered with Yale penalty on Oshkosh another 10 yard penalty — only 4 yards to go. For Point, Laabs held for two downs but on the third, Laabs took the ball over for the Point touchdown. The Owls scored and kicked for the point. A pass to Gamey, failed.

Huskies kicked to the middle of field where Pointer couldn't do anything to put athletics here on such a basis that neither coach, team or the

Eggbrecht Asks Aid In Athletics

One is not sure, but it seems to me that we have found a new spirit here at Central this year. I am sure the football body has found it. The team has it.

If the alumni, student body, and town-people will stay with us, will continue to back us up, a new era will develop for Central.

I have an interest in Central as I should have and would like to see something done to put athletics here on such a basis that neither coach, team or the

STUDENTS TO HEAR FIRST NUMBER OF CONCERT PROGRAM

Mr. Farbmam to Appear in Concert

The first number of the Artist's Course for 1928-29 will be given in the College Auditorium Wednesday, Nov. 14.

This opening number will be a solo concert by an American violinist, Harry Eggbrecht, who is considered one of the most outstanding violinists who deserve special consideration. A few years ago Mr. Farbmam toured South America, where he was received with encores and his efforts to concertizing in the United States.

His latest appearances in the metropolitan centers of this country have been attended by distinguished recognition.

ARRANGE OTHER NUMBERS

Other numbers of the Artist's Course which are arranged for by the Concert Committee are by Stanley Deenon, an American Baritone, and Elon Swanson of the violin; recital by Ralph Leopold, outstanding American Pianist; and the Arthur Hartman String Quartet.

The entertainment committee considers this probably one of the best Artists Courses yet arranged for in Stevens Point.

Arrange For Meeting Of Class Presidents

Heads of the Pointer Staff request that the Class Presidents of all organizations and departments of the college will meet in Mr. Collin's room Friday, Nov. 12, at four o'clock.

It is the desire of the staff to secure cooperation between the departments and the Pointer and it will evidently result in a better paper.

It is for this purpose and other details that the Class Presidents are urged to keep this date in mind.

To Change Programs Of Rural Students

This week marks the close of the first semester of the year. In the course of study of the one-year rural classes. Next week the one-year Rural students will pursue an entirely new schedule of study.

Due to the short time in which the one-year Rural students are prepared, as compared to the students in the other courses of this institution, it is necessary that change has been made in the programs every nine weeks in order to cover the required amount of material.
FOOTBALL—PAST AND FUTURE.

The 'Pointer' has boosted the football team through the season past because it considered it one of the best teams in college

circles and also because of the selfish reason that news about the

team was news that was interesting and motivated to a great degree of

the reading of the entire 'Pointer' each week.

We wonder if another team of the conference can show a record as good as our boys have established for us — five wins and one tie,

piling up a total score of 130 points to their opponents 20. Just think

that what team will accomplish next year with only a few of the present

graduating this year. The new material expected will swell the ranks, and what a temptation there will be.

We extend our heartiest goodwill to the team and Coach Carl

Eggbrech for the excellent record set this year. The students, the

faculty, the alumni, the townpeople, and the 'Pointer', take this

invitation to your good cheer.

IN MEMORY OF HOMECOMING

Tonight I linger long in reverie

With meditation and my memory.

I wonder if another team of the conference can show a record as good as our boys have established for us — five wins and one tie,

piling up a total score of 130 points to their opponents 20. Just think

that what team will accomplish next year with only a few of the present

graduating this year. The new material expected will swell the ranks, and what a temptation there will be.

We extend our heartiest goodwill to the team and Coach Carl

Eggbrech for the excellent record set this year. The students, the

faculty, the alumni, the townpeople, and the 'Pointer', take this

invitation to your good cheer.

The shock of battle and the sting of steel.

It is for us to do our part; to cheer

Those men who love us, those men who held most dear

The thought that, when that “day of days” was done,

They would have done their best, and nobly won.

It would be vain for me to e’en suggest

That one of them did better than the rest;

For well I know, if there is love within

You’ll all agree: “It takes a team to win!”

(EDITOR’S NOTE: Our pictures, Monroe and Roger Eggers, Casper, was so inspired by the efforts of the boys in the Homecoming game that he wrote this little poem and dedicated it to every member of the team.

Take time to read it, to study the deep meaning in the words and be-

tween the lines — it’s worth the time.

RAZZ-BERRIES

Ach, vat a bunch of lumpheads us students is. Vere is dot “popp-

SOCIETY

NELSON HALL NOTES

One of the corridor groups will give a stunt and a dancing party to the faculty and other students of the school on Saturday night, November 17. An admission of ten cents will be charged for the benefit of that new orthodontic that is being talked of and wished for so much. Those who know about the stunt say that it is "prophetic" and "realistic!"

Miss Lewis Andrew entertained her parents on November 3 and 4. Miss Lucile Hyland entertained her mother over the week end before the Teacher's convention. Friends discovered later that Mrs. Hyland was here to celebrate Lucile's birthday.

On Wednesday afternoon, Nov. 6, there was a general migration from school. Fifteen of the thirty-five girls in Nelson Hall, however enjoyed the Teacher's convention vacation in Stevens Point. Besides getting all "caught up" in school work they assisted Miss Reine in serving the beautiful luncheon which she gave on Friday, November 9, in conjunction with Mrs. S. Cady, Misses G. Lynx, and Miss Lillian Annott.

Central Coeds Take Plenty Of Exercise

The girls are planning inter-class hockey games. They know how to play now. Watch for further notices.

In spite of the cold weather, the tennis courts have been in use. The girls are getting to be good players. A bunch of girls, recently hikied to Red Bridge and enjoyed a marshmellow and weiser roast. All girls are welcome on these hikes.

Rural Life Members Receive Prize Candy

On Nov. 5 the Rural Life Club met and was entertained by groups selected from its members. The program included group singing, impromptu dramatization of two stories, a reading, two musical selections, an impromptu poem and last but not least, the opening and distributing of the box of candy that the department's float won in the Homecoming Parade. Although it was only one piece to a person, the members of Rural Life are looking forward to another chance to win a box of candy, for they all agree that the Homecoming Committee sure knows how to select candy.
