PLATTEVILLE WINS IN AERIAL ATTACK

C. S. T. C. lost to Platteville last Friday by a score of thirteen to six. The Point went into the game with as much fight as any team has shown on that grid-iron, making their touchdown win the first part of the second period. Neuberger took the ball to the three-yard line after a long pass of thirty yards and a plunge of five more yards. Vrobel hit the line once and made about one yard. Clifford Alberts took the ball over for the touch-down. This is Alberts' fourth touch-down for the year. Marco's attempt to place-kick for the extra point went wide of the goal posts.

The Point's running attack functioned well at all times, Vic Vrobel smashing off good yardage in flashes. Klappa, end, did the kicking for the Point when Alberts was taken from the game with an injury to his left leg.

Play Passing Game

A passing game which started with the first play of the game, and which was still working when the game was over brought victory to Platteville. Passes were made by Captain Blackburne to two of the rangy ends who did the smearing. These two ends were Peacock and Kane, both of these men making touchdowns during the game.

Eau Claire Here Sat.

The Pointers are scheduled to meet Eau Claire on the local grid-iron this coming Saturday.

Winter Tennis In Spite Of Snow

Tennis has become an indoor as well as an outdoor sport at C. S. T. C. Tennis is becoming a major sport as well as football, basketball and baseball. The leading colleges are building tennis courts to induce the students who cannot participate in the more strenuous sports to gain their necessary physical training by playing tennis.

Five years ago, under the supervision of Mr. Schmeekle, four modern tennis courts were built. This has aided in bringing other colleges to Stevens Point to participate in tennis. As prospects for a good tennis team of both girls and boys, Mr. Herrick has given permission to use the new gym. for practice.

Stevens Point is asking other colleges; namely, Ripon, Lawrence, Oshkosh State Teachers' College and others to compete with them in interscholastic tennis.

Students who are interested in tennis will kindly see Mr. Schmeekle in regard to winter practice.

CHORISTERS!!

Attention! All members of the student body of C. S. T. C. interested in the Campus Chorus report to Mr. Percival in the auditorium at 10:00 o'clock, Tuesday, November 18th. At this time all students except those in practice teaching are free. This is an excellent opportunity for such work. Many students have inquired how to become Campus Choristers. Here is your chance, O, Ye Warblers!

On Tuesday the organization of the Chorus will be effected, times for meeting selected, and work started on the Christmas festival, a student tradition at C. S. T. C. The festival this year will be held on Thursday, December 18th, while the final rehearsal will be on the Wednesday night preceding December 17th.

The festival is to be the first work of the Campus Chorus which, however, will continue throughout the year as a permanent organization, and take part in various other college affairs. The chorus will extend the work being done in the Rural Department into a collegiate activity.

This is the last call! No other notice will be made! Don't forget! November 18th at ten o'clock! In the College Auditorium!

Sigma Tau Delta Meeting Held Wed.

At the last meeting of Sigma Tau Delta, on Wednesday, Nov. 5th, three members who were unable to be present at the first meeting were initiated into the fraternity. These students are: Esther Kuehl, Delores Chilsen and Josephine Terrill.

At the program Miss Hussey read an original short story, Dorothy Kingsbury sketched "Journey's End" and Lyman Johnson read some original sonnets.

This hockey tournament is an annual affair and one of the means by which the W. A. A. girls win points for their letters.

Large Attendance At Dances Urged

The dance to be given in the new gymnasium Saturday night is to be sponsored by the Athletic Association and the Iris Staff.

Irv. Lutz Orchestra, which will play again, would appreciate sympathizing for a larger crowd. Students are urged to not feel that they have to "date". Why not make this one just like they used to be?

CHARLESWORTH WILL FINISH UP SEASON

CARL STOCKDALE

Carl Stockdale, director of athletics for the past year, has resigned. The resignation is to take effect immediately. At the beginning of the 1929-'30 season, Mr. Stockdale took over the position previously held by C. S. Moll as director of athletics for Central State Teachers' College. Before coming to Stevens Point, Mr. Stockdale had been coaching at Haddonfield, New Jersey.

"Greg", Three Letter Man

Gregory Charlesworth, a three-letter man, former football and basketball star, a senior in the High School department, is to have charge of football until the close of the season. The season closes with the Eau Claire game this Saturday. "Greg" has been aiding in line coaching since the beginning of the semester.

No Successor Named

Steps are being taken to find a successor to Mr. Stockdale in order that basketball practice will not be hampered. If a coach is not secured immediately a competent man will be selected to take over the coaching of basketball until more definite arrangements can be made.

No Statement

In a personal interview, Mr. Stockdale said he had no statement to make in regard to his resignation.

ARMISTICE DAY

THE passing of another Armistice Day anniversary should recall vividly to mind the many sacrifices made by the boys of 1918 to "make the world safe for democracy". These sacrifices were made at home as well as on the battlefield. Many young men left promising positions to enlist in the defense of their national ideals and returned from this patriotic mission only to find others in their places and with no chances of getting the job back. It is not surprising to find many of these men in the breadlines today, begging, from sheer necessity, alms from the very people whom they saved from the threatened dominance of a foreign power.

It is true that some measures have been taken to recompense the ex-soldier for the price he paid, but the fact remains that he has not been given due recognition for his services. The bronze tablets and memorials are but the performance of perfunctory duties duly carried out, in many instances.

There is a bronze tablet in the main hall of this college. It is safe to say that few students have ever read the names written on this memorial. If you will take a few moments to look over this inscription you will undoubtedly get a thrill of admiration and a feeling of sadness combined if it is remembered that these boys were no older than the students who rove the halls today. At the prime of their youth these boys went through a gruelling experience which, if it did not result in death, returned them to their homes old in spirit and worn in body.

A valuable result of this conflict, however, was the exposure of all the horrors of war in the many writings broadcast to the world. This has been a dominating reason for the insistence of the leading nations of the world on a program of peace and friendliness in international relations.

If another world war should occur, it would be because the men and women of this generation failed to cope with the problems of society. Armistice Day programs should serve to instill in us the determination to avoid such a cataclysm. Highly honor the men who saved their lives and futures for the preservation of our country. At the same time, resolve to do your part in helping to maintain the aims of the last conflict — "a war to end war" — "a war to make the world safe for democracy".

RED CROSS ROLL CALL

THE annual Roll Call of the American Red Cross, November 11 to 27, presents an excellent opportunity to express thankfulness for well-being by subscribing to an organization which is the friend of the destitute. Red Cross chapters are active in many ways throughout the country. The Red Cross program of popular athletics is being carried on in many universities and colleges, giving instructions in swimming, life-saving, and first aid. This program is valuable primarily as physical recreation, and has, besides, a practical aspect. Educators are found among the important groups of Red Cross leaders in the country.

This is the season for thanksgiving. You may be glad some day that such an organization as the Red Cross exists. A worthier cause is hard to find.

THANK YOU

AN example of unselfish cooperation between the men and women of our college has been illustrated by two girls of the dormitory who volunteered to sew the curtains for the men's lounging room. The men wish to express their sincere thanks for this kindness and hope they may be able to reciprocate in some way.

HUMOR

MORE OR LESS

IN PSYCHOLOGY CLASS

Mr. Spindler — "How do you picture a description of a beautiful girl?"

Alex Peterson — "I don't picture it — I get excited."

And then there was the Scotchman who hid his wives false teeth so she couldn't eat between meals.

TUFF LUCK

Jack — "What time do you have to be home, kid?"

Esther — "How much money have you?"

Jack — "Fifty cents."

Esther — "Nine-thirty."

NEWLYWEDS

GOOD ADVICE

Reach for a Lucky instead of a Sweet-ie.

Anyone can play bridge but it takes a cannibal to throw up a hand! — P. S. F.

When a rich man loves them and leaves them he usually leaves them plenty.

Ann — "Let's play the game called Building and Loan."

Dick — "How do you play that?"

Ann — "Get out of the building and leave me alone!"

Prof — "I beg your pardon but what is your name?"

Tom Smith — "Name? Don't you see my signature there?"

Prof — "Yes — that's what aroused my curiosity."

RIGHTS OF MAN

It is better to have loved and lost than to have married and still be losing. — Unanimous.

NELSON HALL NOTES

Greetings Everybody:

Here I am again just as I promised. There's just heaps of news this week and it's all good too.

The first thing that just won't keep any longer is about that rumor you heard not so long ago. Nelson Hall has a radio, rather it belongs to Miss Hussey, but its put in the living room where everyone can hear it. It's a Radiola—not very big, but Oh my! Perhaps the greatest fault with it is that one can't tune in on the Packer football game and have Galli Gueci singing at the same time. The girls manage to be quite submissive, however.

This week-end was like a breath of summer and everyone took advantage of the weather. On Saturday Ruth Meifert, Esther Hawkes, Genevieve Pulda, Wilma Gutnecht, and Natalie Gorski took a hike. They planned to explore Horse-shoe Bend but discovered that they had lost all sense of its location. They therefore retraced their steps homeward after stopping for a bite to eat. They're all willing to attempt to find it again, however.

The dormitory formed the dining hall of several guests on Sunday. Miss Hussey entertained Dr. and Mrs. Coon, Miss Coon and Miss Hanson.

Miss Florence Niemi and Miss Virginia Thiele also entertained at dinner Sunday, having special tables. The guests at Florence's table were: Mrs. and Dr. Kitter, who are from Florence's home town. They now reside in Stevens Point. The other girls at the table were Vivian Enge, Lila Enge, Lila Kenyon, Alice Lyman, Wilma Gutnecht, and Martha Elmer. The guest at Virginia's table were: Margaret Cochrane, Magdalen Knapstein, Thurza Iverson, Vera Hillis, and Gertrude Conklin.

Miss Hussey entertained her table at the Baptist Church last week. The girls enjoyed the dinner very much.

I suppose all of you who went home have some interesting things to tell also it's too bad we can't make this column longer, but it's quite impossible. Don't forget hockey practice and studying.

Nosey Nan.

W. A. A.

The regular meeting was held Wed. night. After the business and report of athletic heads, Miss Seen gave a very instructive talk on "How to act intelligently at a football game". Now if we see the Referee pick up the ball and walk back three steps, "It must be off side".

Saturday a group of industrious hikers were looking for Horse-Shoe Bend, but ended up in a couple of back yards. They got a free Bar-B-Q, and a motorcycle ride, which brought them back to their starting point, so that took away the edge of their disappointment, and a good time was had by all.

There are many prospective W. A. A. members out on the Hockey fields nearly every night after school. Want to know who they are? Just come and see.

Y. W. C. A.

This evening the Y. W. C. A. will hold its annual candlelight service in the College Auditorium at 7:30 o'clock. The ceremony is always very beautiful and impressive. Every one is invited to attend. The service will be preceded by a 5:30 supper at Nelson Hall for all Y. W. C. A. members at twenty-five cents.

Members are requested to wear white or light dresses and meet in Mr. Smith's room at 7:15.

Clarence S: Weren't you thrilled when you looked down into the Grand Canyon?

Miss Davis: Yes the guide had his arm around me.

HOME ECONOMICS

A "Get-Acquainted" Party was held for all Home Ecs. at the Sims cottages Monday night of this week. A deciphering of names written backwards and pinned to the girls backs was the first mixer of the evening. The girls were next introduced to the faculty by means of pictures representing the names of each member of the faculty.

This also was a method of showing the Freshmen all parts of both cottages.

The closing game consisted of writing a letter to the girl to each one's right using the letters of that girl's name as the beginning of at least every other word in the letter.

The Home Ec. enrollment this year is so large that half of the girls remained in the North Cottage and the other half in the South Cottage. While the refreshments consisting of cider and doughnuts were being served, the Home Ec. Quintette consisting of Ruby Hand, Murilla Roberts, Thurza Iverson, Crystal Joseph, Helen Larson and Inez Braun sang several songs. The Quintette is just the beginning of a Home Ec. Glee Club which is being organized within the club.

Schmeecke Talks On Honor As a Student

A large group at the Y. W. C. A. meeting last Thursday enjoyed Mr. Schmeecke's talk upon "What is the standard of campus honor?" "Honesty", said Mr. Schmeecke, "is the hub of campus honor."

It is easy to follow the crowd, but the things which take grit and are honorable are those which will improve our lives. Then he enumerated specific standards to live up to stressing loyalty to ideals, loyalty to friends, and loyalty to institutions.

"If you don't have ideals no matter how your intellect is dressed up, you have no place to go."
