STAGE SET FOR MAMMOTH HOMECOMING

CENTRAL GRIDDERS TO MEET OSHKOSH

Many Alumni Expected Back

After weeks of planning, arrangements have been completed for the Homecoming Festivities which begin tonight.

Homecoming at C. S. T. C. is an annual affair and is always looked forward to by students, alumni, and faculty with great pleasure, and this year there seems to be even greater anticipation than before. Committees have organized things so there will be something doing every hour, and forecast plenty of fun for everyone.

This evening at 7:30 there will be a mass meeting in the Auditorium with speeches by Pres. Hyer and others, this will be followed by a grand bonfire on the back campus.

At 10 o'clock Saturday morning comes the "Big Parade." Organizations are busy planning their respective floats but it is a lot nicer to keep these things secret, anyway it's going to be great, and second only to the spectacular Mardi Gras Parades in New Orleans.

Nelson Hall is offering a fifty cent luncheon to all visiting graduates at 12:30 Saturday noon.

The feature of the afternoon is the game with Oshkosh, which starts at 2 o'clock at the Fair grounds. It is urged that every-one come to the East Entrance of C. S. T. C. at 1:30 and troop out to the field in a body, thus the cheering will be much better and will aid the team in winning. The W. A. A. girls are to sell hot-dogs between halves.

At 6 o'clock the graduates will have another chance to meet old friends when informal meetings of various school organizations are held.

The final feature of Homecoming will be the dance, to be held in the gymnasium of the new training school from 8:30 to 11:30. Irv Lutz' orchestra will furnish the music.

Prizes for the best float, best individual stunt, most comical stunt, alumni coming the greatest distance, etc., will be awarded.

A large number of alumni are expected back for the event and the student body turnout should be 100 per cent.

Proclamation

Graduates and Former Students,

Dear Friends: Welcome home! It matters not how old we are nor where we may live, there is a feeling of elation when the occasion approaches for going home. However strong the spirit of adventure, there comes a time when one longs to return to the home-site to renew the acquaintances of youth and to strengthen the friendships formed when life was new. Just as your mother looks for your coming on that great home festival day, Thanksgiving, so your Alma Mater has expectantly looked forward to your being here on this Homecoming Day.

There is an enthusiastic spirit about the old school this fall that you will appreciate and enjoy. Your coming will help to inspire those who are here to carry on the best traditions of the school. It will give new meaning to the old tradition that Stevens Point is the college with the friendly spirit.

We hope that you will take time to visit the building, meet as many of your former teachers as possible, and call at the office with a word of greeting.

You will find a real football team on the gridiron this season. We hope our men make it interesting for the team from Oshkosh. Of course, we want to win the game; your presence will help to stimulate every man to put forth his very best efforts. Every member of the team will fight harder for C. S. T. C. because you are on the side lines to cheer them on to victory.

I am glad to bid you welcome. I hope that you will enjoy your stay with us, that you will have a successful year, and that you will come again in the fall of 1931. Don't forget the Reunion Dinner at Milwaukee during the Teachers' Meeting. Plan to be there and bring others with you.

Yours sincerely,

FRANK S. HYER.

Appointments Made For Iris Staff

Iris staff appointments have been completed by Alice Falk, Editor in chief and Elizabeth Rogers, Business manager. No definite plans have been formulated for the year book as yet but work will soon be started.

Appointments are as follows:
Associate Editor — To be voted in by Juniors.

Assistant Editor — Irene Skutley.

Senior Editor — Delores Chilsen.

Literary Editor — Josephine Terrill.

Art Editor — Alta Atwood.

Ass't. Art Editor — Rachel Crocker.

Music and Forensics — Frances Anderson.

Alumni Editor — Lauretta Farrell.

Society — Flora Pike.

Calendar Editor — Burton Hotvett.

Assistant Calendar Editor — Lucille Schmidt.

Humor Editor — Dorothy Johnson.

Men's Athletics — Richard Marshall.

Women's Athletics — Esther Hawkes.

Snaps — Marion Kowitz, John Praguski, Wilbur Stowell, Alice Wallington, Jean Skinner.

Typists — Dorothy McLain, Patricia Cowan, Ellamae Newberry, Ruth Meifert.

Associate Business Manager — To be voted in by Juniors.

Assistant Business Manager — Kermit Frater.

Circulation Manager — Allan Hodell.

Stringed Trio Makes Debut Tuesday Eve.

A string ensemble has been organized under the supervision of Mr. Percival. The organization is composed of students from the orchestra. The members are:

George C. Allez, cello; Ed. Kalsched, first violin; and Virginia Rammer, piano.

The ensemble made its debut on Tuesday evening when it played at the reception given for President Hyer.

Locals Attend Nat'l Meet At Madison

Two groups of delegates from the Rural Department of C. S. T. C. leave this week to attend the National Country Life Conference of the National Country Life Association being held at Madison. The first group, composed of Mr. Neale, Roland Koyen, Alex Peterson, and Theodore Rozelle, will leave early Wednesday morning, returning Thursday evening. The second group, composed of Miss Roach, La Nore Docka, and Greta Tetzler, will leave Thursday morning and return Friday.

"Standards of Living" is the subject to be taken up by this conference. The program promised to be of great interest and value. Hon. R. L. Wilbur, U. S. Secretary of Interior, Hon. J. C. Stone, Vice Chairman of the Federal Farm Board, and Dr. Glenn Frank, President University of Wisconsin are among the principal speakers listed. The program was planned by students from sixteen colleges and universities.

The American Country Life Association is the organized continuation of the Roosevelt Country Life Commission and serves as an information bureau and a co-ordinating agency for Country Life Affairs. This association has held twelve previous national conferences dealing with important issues in rural life. Last year the association brought together 2,500 leaders at a national conference on "Rural Organization". The American Country Life Association has on its board of directors national leaders of the Cooperative Extension Work, Rural Education, Rural Religious Organizations, Farm Organizations and Agricultural Journals.

ATTENTION ALUMNI!

All alumni members may procure lunch at Nelson Hall to-morrow noon if they desire.

POINT SCORES 6-0 WIN OVER STOUT

Alberts Plunges For Winning Touchdown

Coach Carl Stockdale paraded his Purple and Gold Football Players before a large group of spectators on the Menomonic grid iron in a 6 to 0 victory over Stout Institute.

C. S. T. C. lived up to its name of dark horse of the conference. Stout was outplayed, outfought, outmaneuvered at every turn and only once did Stout come within ten yards of a touchdown. This was in the fourth quarter when Stout marched to the Point's seven yard line.

The Pointers played nip and tuck with the boys from Stout the first half. It was a very hard fought first half. Both teams had incurred penalties which hurt their chances of scoring.

A fumble near the end of the first quarter which was taken by Chvala on Menomonic's 18 yard line was carried to the six yard line. On the first play of the second quarter our starring right half, Alberts, took the pig skin over for a touchdown. This was Albert's second touchdown this season, the first being at Marquette when he dove over the Northerner's line for the only point of that game. A line play over tackle was tried for the extra point but failed. Near the end of the first half Alberts was taken out of the game due to injury to his right leg.

The Pointers played a very hard game and never for a minute lost the "win spirit", the Purple and the Gold kept the old pig skin in Stout territory, but not in scoring range. The game was very rough both teams having men taken off of the field for unnecessary roughness. We can see much improvement over the game of last week with Marquette. The line plays went off with a lot of fight which helped the boys on their first conference game victory.

The boys found many of the friends from Stevens Point on the field cheering them on. President Hyer and Mr. Schmeekle were among those present to back our team.

Coach Stockdale was able to use many of the men, thus giving experience to more of the fellows. This showed that we have not only 11 men from whom to choose but 25 good players to assure the call of Stockdale this year.

Next week we find the fighting Purple and Gold playing our friendly enemy Oshkosh. This also will be our homecoming game and we wish our team the best of luck. Let us go to the game and show the boys that we are 500 strong for them.

A CHALLENGE

THE faculty and students of Central State Teachers' College welcome you, graduates, to the homecoming, and sincerely invite you to take as much part in the festivities as though you were of the present student body. We have made big plans for this event, and are going to do all in our power to make you feel right at home and proud of your Alma Mater. It may happen that you do not know many of us by name, but don't let a little thing like that cause you any feeling of shyness! Give us an encouraging signal and you will be rewarded by an instant and hearty response.

We want you to actively participate in every one of the events on the program. If you don't, we shall feel that we have failed in our efforts. We are sure, however, that when you have been with us but a few minutes you will have imbibed so much spirit and enthusiasm that you will be unable to keep out of the "doings".

Look the place over and notice the improvements made in the last year or so. The new training school, chemistry laboratory in the basement, physics suite on the first floor, new stairways, library, and others, are something of which to be proud and well worth investigating. We know that you will feel as cocky about it as we do, and envy us our good fortune.

You don't have to be told to notice the pep, because the buildings are fairly bursting with it. The way we will cheer the team at the game will be something marvelous, and something to remember when Homecoming of 1930 is but a memory.

Another new development is the College Band. How a band does inspire pep! But you'll find that out, too, when you emerge from the fog and find your foot, or feet, fiercely beating terra firma in time with the music.

At this opportune time, we have a warning to serve. Grads, take notice! We're going to get you head over heels into the spirit of homecoming, then we're going to do our best to "show you up" in pep. Who is going to be the "also ran"? We shall see — we shall see. Allons!

IT'S YOUR MOVE

NOW that the first four weeks of school have passed, the flurry and excitement annually attendant with the opening of college, is gradually dying down and students can begin to ease up a little on the tension. Already, some are beginning to congregate in halls and stairways as a place to spend a large percentage of their spare time. It is hoped that this practice will not become prevalent.

An individual's usefulness and future are determined to a certain extent, by the way he uses his spare time. There are so many useful and interesting hobbies to pursue to advantage that everyone should have at least one of them to take up a portion of his spare time. It seems almost incredible that an individual can go through life today without becoming actively interested in some hobby.

Another valuable occupation for spare time is browsing in the library. "Browsing" is not to be here construed as reading the first and last pages of a book, but means the selecting of some interesting book or magazine from the shelves and getting something of value from it. The library in this college is one of which to be proud, and should be used extensively by every student. Information and books can be found dealing with almost any subject. Many important additions have been made in the last year. Such an opportunity is one which, generally, is not realized until too late. Keep the books busy. It, at least, keeps the dust from collecting!

Besides these pastimes, there are many extra-curricular activities open to every student. Band, orchestra, chorus, oratory, debate, etc., are some of these activities. They are not yet filled to capacity. There is still ample room for more entrants.

Now is the time to get into the right habit in the use of free time. There are many avenue along which to travel, good and bad. Which will you choose? Will you swim or drift?

SUMMER DOINGS OF THE FACULTY

Coach Stockdale took a two week's canoe trip thru the Canadian north woods, after he had taught at summer school in Stevens Point. Later he visited his folks in Cleveland, Ohio. The last part of the summer was spent at the Northwestern Coaching School under Pop Warner and Dick Hanley.

Miss Carlsen spent one week at Chisago Lake, Minnesota after teaching in summer school at C. S. T. C. The rest of the summer was enjoyed at her home in Paxton, with the exception of county institute work done in Waupaca and Manitowish.

Miss Rowe spent her entire vacation, with the exception of three week ends, at Nelson Hall and the John Sims Cottages. She stayed at the Cottages while the floors at the Hall were being painted in the new "pumpkin pie" shade. One of our Nelson Hall matrons' week ends was spent at Beloit while the other two were enjoyed at Pelican Lake. While Miss Rowe was at the dormitory, she was constantly interviewing prospective Nelson Hallites either in person or by correspondence. From September fourth to the coming of the permanent inhabitants of the dorm, Miss Rowe was busy providing three meals a day for about thirty husky football players. Our prospective fine football season owes much to the Nelson Hall matron.

Miss Allen taught in the summer session and then took a three weeks' tour, visiting the Black Hills of South Dakota, Yellowstone National Park, Salt Lake City, Colorado Springs, Denver and the Rocky Mountains in general.

After teaching for six weeks in summer school at C. S. T. C., Mr. Burroughs motored to Worthington, Indiana where Mrs. Burroughs and the children had been visiting. Later the Burroughs drove to Detroit, across the Ambassador Bridge into Canada, and across southern Ontario to Toronto. On the return journey Niagara Falls was visited by the family.

Mr. Rogers has been enrolled at Penn State at State College, Pennsylvania during the past year. During the summer he continued his work there doing graduate research work.

After teaching summer school Miss Davis left on July 25th for Europe. She sailed from Quebec on the fourth of August. During her trip she visited Canada, England, Holland, Belgium, Germany, Switzerland, and France. In England she visited the Shakespeare land, Stratford-on-Avon, Oxford University, St. Paul's Cathedral, Westminster Abbey, and various other interesting localities in London. The distance from London to Harwick, where she sailed for Holland, was covered by boat.

At Oberammergau our instructor attended the celebrated Passion Play and reports that she liked it exceedingly well. While in this quaint German town Miss Davis stayed at the home of the character, Apostle Andrew. It is reported that some of the participants speak English fluently while others know none whatsoever. The pottery-maker, Anton Lang, and the wood-carver, Alois Lang, are of the former group. This is the first year that Alois Lang has taken the part of the Christ.

Switzerland was most enticing to our C. S. T. C. representative.

In Paris there were many attractions sue has the Versailles Peace Palace, the Fountain Bleu, and not least of all the latest fashions.

From Paris a boat-trip was taken through Normandy to Cherbourg. In Normandy, as well as in the other countries, many peasant costumes, such as, shown in story-books, are still to be seen. It was interestingly noted that all fishermen's wives wear black except for white head-dresses and aprons.

Of especial interest to Miss Davis were the masterpieces in the art galleries. In London she enjoyed Sir Joshua Reynolds's "Age of Innocence" and "Heads of Angels", at the Hague, Rembrandt's "Lesson in Anatomy"; and in the Louvre, Paris, "Venus de

PURLOINED QUIPS

Point 6 — Stout 0

"Everything's under control."

STOUT'S JOKE

Stout stude to sub: "I notice you played in the Stevens Point game, Saturday." Sub: "Oh no, I was hit by a truck."

Joe S. We're leaving for Stout in ten minutes, Lois.
Lois R. By Eau Claire?
Joe S. No, by bus.

FUNNY THINGS HAPPEN AT STOUT:

Mr. Schmeckle lost his voice while helping yell the ball over the line. (News note: There seemed to be some unexplainable deficit in the bass section during the congregational singing at the Baptist church on Sunday.)

HIT OF THE WEEK
"Hail! Hail! The gang's all here!"

FUNNIER THINGS HAPPEN AT STOUT:

Pete Peterson, local Irishman, said he hadn't had so much fun since he was a kid and the schoolhouse burned down.

NOTICE

This is your column. It is a combination "Voice of the People," "Beauty Hints," "Advice to the Lovelorn," "Line," "Health Hints," "Inquiring reporter," "Embarrassing Moments," "Etiquette," and "Bright Sayings of Children and Faculty." Why not contribute.

THE FUNNIEST THINGS HAPPEN AT STOUT:

The Point bus went through Menominee with colors flying.

Ted Chvala thought some of his sidekicks were all wet and wanted to bring a couple of towels home with him.

Miss Hanna: George, will you give me the principle parts of the verb drink?

George M. Drink, drank, drunk.
Miss Hanna: Most people fall down on the last one.

Do you know that some of our football men are terrible flirts? At least, they invigiled a Menomonic Ten Cent Store clerk into playing "I Love You SO Much" most of one afternoon.... and they didn't buy the song.

Officers Elected For College Band

What is the latest addition to the pep organizations around C. S. T. C.? The band, of course. It was organized last week and officers were elected. They are as follows: Pres. Jack Frost; Vice President, Fred Hebal; secretary, Dale Eagleburger, and treasurer, Ray Boyer.

There are over thirty members in the band. They have pepped up the assembly, but just watch them at homecoming.

The welfare committee consists of President Hyer, Mr. Schmeckle, Tom Smith, Carl Kitowski.

Milo'; "Winged Victory", "Whistler's Mother", "Mona Lisa", and "The Gleaners".

All of the journey through Europe was made by auto with the exception of the two short boat-trips mentioned here.

SOCIETY

NELSON HALL NOTES

Greetings everybody:

How do you new girls feel after the initiation party? We felt rather sorry for you, but it wasn't so bad, was it? Sometime you explore that back hall in the day time and you'll see that it's only steps and floor, and corners that you ran up against.

Now we're ready to take you into our great big family on equal terms, after the test. We old girls welcome you again and we all think you're a peppy bunch and good sports. Here's our hand on it.

You showed us that you were much the brighter too by taking the two prizes that were offered for pinning the stem on the pumpkin and interpreting those names of states which were written in topsy turvy fashion.

It seems that the radio project is not merely a rumor any more. The dance on Saturday cleared \$5. Let's keep it up. Who knows about some kind of scheme to make money? Let's have it.

Did you know that Miss Rowe had deserted us for the week-end? She together with Miss Allen, Miss Meston, and Miss Wilson were camping at Pelican Lake. Miss Rowe reports a "scrumptious" time, and I think the other members of the party will put their O. K. on that declaration.

Miss Diehl, who is a critic in the training school was the guest of Miss Hussy at dinner Sunday. She told some of her experiences during her school years at Milwaukee which showed some of the girls that they are not the only ones who have a great deal of work and also some fun.

Miss Estelle Buhl also ate dinner at Nelson Hall Sunday noon.

Hoping I haven't missed anything that happened or forgotten anyone this week, I'll close—wishing all of you success and rewards for your efforts in preparing for homecoming.

Remind your friends of the Nelson Hall Luncheon Saturday.

Sincerely,
Nosey Nan

Mr. Neale Addresses Rural Life Club

The Rural Life Club met in the rural assembly room Monday night with nearly the entire membership of the department present. The president, Alex Peterson, presided.

During the business meeting the chairman of the committee for the float for the Home-Coming parade, Dale Spry, reported. The Club voted to send the four officers and Theodore Rozelle to Madison for the meeting of the National Rural Life Conference, which begins on Tuesday night and continues through Friday. This is a big undertaking, but the Club feels that the benefit to the Club from having ample representation at such a gathering well warrants the effort.

After community singing Mr. Neale addressed the students and visitors. He pointed out clearly the opportunities which the school and department offer, and made a strong plea that every member make an honest effort to cultivate the attitudes, habits and ideals which will mean future happiness and power for real service. The Club expressed its appreciation with hearty applause. Dell Kjer played two piano solos, and Mildred Mack gave a musical reading. Both were very well given and pleased the audience. The program closed with community singing.

At the close of the meeting those who had time to remain, danced in the study room until nine o'clock.

Local Instructors Attend Convention

Central Wisconsin Teachers' Association is holding its 18th annual convention at Wausau today. Because of Homecoming activities school was not closed but teachers from C. S. T. C. who were to take part in, or wished to attend the meeting, motored to Wausau when possible.

The general sessions started at ten this morning when an address was given on "The Unknown Continent" by Will Irwin a famous New York Journalist and with President Hoover's party in South America. Frank Cody, Supt. of Schools in Detroit gave an address on "Education in the Spirit of Life." Music and a business meeting completed the morning's schedule.

Sectional Meetings are being held this afternoon with several Stevens Point teachers taking part. Mr. Smith will give an address to the High School group on "What Subject Matter can contribute to Secondary Education." "Relation of Reading ability to the Study of History" will be the subject of Mr. Steiners talk before the History department. Other teachers at C. S. T. C. are officers of the association, Miss Carlsten is Pres. of the Music and Art section, Mr. Pierce of the Math. Section, and Mr. Schmeekle, the Science Section.

Noted Educators throughout Wisconsin are giving addresses this afternoon also.

The evening session closes with a concert by the Wausau High School Band and a speech by Mr. Irwin.

Firp — "What's the best month to get married in?"

Joe — "Octembruary."

Firp — "Why, there's no such month."

Joe — "Just so!"

Mrs. Jacobstein — "Poppa, I caught Rosie petting mit dot ice man again. You better speak to her."

Mr. Jacobstein — "Oy, yoy, petting mit de ice man — unt ve owe so much to de butcher!"
