C. S. T. C. LOSES TO SOUTHERN RIVALS

Defense Weakens In Second Half

Milwaukee, one of the outstanding championship contenders for State Teachers college championship, decisively defeated the Pointers to the score of 38 to 0. The game was witnessed by a homecoming crowd and student body of 2,000 persons. Not only were there Milwaukee rosters but a number of Stevens Point fans.

Stevens Point, playing a defensive game throughout the tussle, held Milwaukee to one touchdown in the first two periods. The second half, however, was marked by continual scoring. Milwaukee crossed the Point's goal twice in the third quarter and added three more touchdowns in the final period.

Milwaukee had four outstanding, hard hitting back field men. Capt. Bill Schroeder, Joey La Gosh, Van Slate, and Boll. By the use of a strong blocking and interference, these men were able to open field running of 15 to 25 yards, most of which led them to scores.

First Half

Milwaukee kicked off to Stevens Point. Just after the opening kick-off, Schroeder intercepted a pass thrown by Marco, on Milwaukee 35 yard line. La Gosh hit the line for two yards and then Schroeder broke away for a 50 yard run to the Point's 35-yard on a delayed buck. Four hard plays through the Point's 9 yard line. Schroeder then took the ball around right end for a touchdown. The Point attempt after the touchdown was short, making the score 6 to 0. The ball was played in the Point's territory during the remainder of the first half, threatening no less than six times in scoring distance. The Point worked hard and held Milwaukee three times for downs. Milwaukee fumbled, and on another occasion a pass was incomplete over the line. The Point held Milwaukee on the Point's 13 yard line to downs which gave the ball to the Point.

Second Half

Coach Clapp's boys came out with a lot of fight. Starting on their 35 yard line, they worked their way to the Point's goal under the fine workmanship of line smashing and passes. A pass from Schroeder to La Gosh placed the ball on the Point's 1 yard line. A line play through right tackle brought second touchdown. The Point after the touchdown fell short. The third touchdown was made possible when a pass La Gosh to Boll made a first down on the Point's 21 yard line. Five yards was made through the line, and on the next play Myhre, right half, broke loose for a 15 yard run over the goal. Schroeder place-kicked for the extra point. Long runs by La Gosh and Schroeder made possible a touchdown early in the fourth quarter. Myhre went on for a touchdown after the ball was run to the 5 yard line. The place kick failed.

Point fumbled the kick-off and Milwaukee recovered on the former's 45 yard line. Van Slate made two runs, one of 30 yard and the other 15, to score the final touchdown. The kick fell short.

Capt. Kennedy played the same old game with a lot of fight, as did Vobell, Marco, and Clausen.

Alberts, Ramsden Out on Injuries
The team felt the loss of Alberts, the Point's right half, and Ramsden was hurt in the game with Oshkosh. He was hit on the back part of the head the first few minutes of play, but carried on the full game playing a fine game. We hope to see these boys in the line up next game which will be next Saturday at Whitewater.

Departments Elect Officers For Year

Brief meetings of the various departments of the Teachers' college were held Tuesday morning, October 14, during the 10:05 o'clock period.

The High School department, better known as the Forum, met with the director, Mr. Smith, in the auditorium. Short talks were given by Mr. Smith, Miss Jones and Mr. Rightsell, emphasizing the work that is expected of Forum students. These were followed by the election of officers. Richard Marshall was elected president; Gregory Charlesworth, vice-president; Joseph Smith, secretary; and Myron Smith, treasurer.

The Rural department met in the Rural assembly with Mr. Neale. He gave the students a general departmental talk, emphasizing particular points of interest to those preparing for Rural teaching in all fields. He also made some announcements concerning department routine matters. The Rural Department has been organized in its Rural Life club since the second Monday of the school year.

Members of the Home Economics department met in the D. S. rooms with Miss Allen, who presented to them a brief survey of what a graduate of the Home Economics department could do. She also spoke of the qualifications of a teacher and what a superintendent looks for when selecting teachers.

The Primary department which is being advised by Mr. Steiner, met with him in his room. He spoke briefly on the opportunities for teachers in the primary field. The officers of this department were elected before the close of the school term last year. Alice Turrish is president.

The members of the Grammar Round Table met with their adviser, Mr. Watson. He also talked to them about the opportunities of the grammar teacher and this was followed by the election of a vice-president, the other officers having been elected last year. Harry Klappa was elected to fill the office of vice-president. The other officers are: Helen Jordan, president; Natalie Gorski, secretary-treasurer; Alta Stauffer, Margaret Martens, Patricia Cowan, Olive Sivertson and Lucille Skutley, permanent entertainment committee.

The special students met with Mr. Thompson in his room. Officers elected were: Burton Hotvedt, President; Dewey Robertson, Vice President; and Peter Peterson, Secretary and Treasurer.

M. A. Club To Stage Hallowe'en Dance

Tuesday evening, Oct. 28, the students of C. S. T. C. and their friends will have an opportunity to dance to the music of Irv. Lutz's orchestra. The old gym with a newly waxed floor will be the scene of this gay party.

Dancing will begin at eight o'clock and continued until eleven thirty. The admission is fifty cents per individual. Everyone is welcome.

The committee in charge of the dance is made up of Allen Hodell and Cedric Vig.

FOOTBALL SCHEDULE:

Whitewater	October 18 — there
Northland College	November 1 — there
Platteville	November 7 or 11 — here
Eau Claire	November 15 — here

TEACHERS' CONVENTION TO BE HELD AT MILWAUKEE

Sigma Tau Delta Elects Officers

On October fifteenth the Psi Beta Chapter of Sigma Tau Delta held its second initiation. A banquet at Nelson Hall accompanied the event. The following members were initiated into the order: Professor Hyer, Mona Aarud, Edward Cook, Laurin Gordon, Lyman Johnson, Loretta Farrel, Dorothy Kingsbury, and John Prolguski. Due to illness all the pledges were not able to be present so a repetition of the initiation services will occur at the next meeting, November 19th. After the initiation election of officers was held. The following were elected:

President—Laurin Gordon
Vice President—Lyman Johnson
Treasurer—Miss Davis
Secretary—Mona Aarud
Historian—Miss Hussey

The regular meetings of the fraternity are held the third Wednesday of each month at seven thirty P. M. You will notice that this does not conflict with the Margaret Ashmun Club meetings which occur the second Wednesday of each month. The fraternity programs will consist of four original compositions, approximately fifteen minutes in length, three of which will be given by students and one by a faculty member. Congratulations to all the new members of Psi Beta Chapter of C. S. T. C.

Rurals Hear Madison Conference Reports

When "Rural Life Club" met at its regular time Monday night, the members heard the report of the delegates who had represented them at the National Rural Life Conference at Madison. Talks were made by LaNore Docka, Greta Tetzler, Theodore Rozelle, Roland Koyen, and Alex Peterson. Each one reviewed some part of the general program or the group forums in a very interesting, as well as instructive manner. Mr. Koyen in the close of his report on what education can do to help the status of rural life brought the entire conference very close to us and our job, when he made a strong appeal that while we are here we make every effort to become not only certified rural teachers but prepared rural teachers.

The delegates thanked the organization for giving them the opportunity of attending the great conference. "Rural Life" feels amply repaid because such a large portion of inspiration has been returned to us.

Besides community singing, the program included two piano solos by Kenneth Hanson, which were beautifully rendered.

Sigma Zeta Meeting To Consider Pledges

A special meeting of the Sigma Zeta science fraternity will be held sometime within the next two weeks in regard to prospective pledges. Initiation will follow the regular November business meeting.

The fraternity held their last meeting October 9. A talk was given by Professor Weinhold of Columbia University. Eats were served in the Home Economics reception rooms and the Orthophonic furnished the entertainment.

SCHOOL CLOSURES FOR FIVE DAY VACATION

The seventy-seventh annual convention of the Wisconsin Teachers' Association will be held in Milwaukee, Oct. 29th to Nov. 1st, inclusive.

Many celebrities in the educational field are scheduled for addresses at the general programs. Augustus Thomas, President of the World Federation of Education Assn., will speak on the subject, "Are we better than our grandfathers?" Albert Edward Wiggam, author, lecturer, and interpreter of science has chosen "The Marks of an Educated Man" as the subject of his talk to be given Thursday morning. Dr. Allen Diehl Albert, an active figure in city planning and widely known as a writer and lecturer, will address the general assembly Friday morning. Mr. Edward Howard Griggs, President of the Department of Philosophy of the Brooklyn Institute of Art, is to talk on "Literature and American Culture."

Judge Florence Allan, of the Supreme Court of Ohio, will close the general sessions on Saturday with her address: "Canons vs. Cannons". Judge Allen, during the past ten years, has become recognized as an authority on international law, and with it she has become one of the country's pioneers in the cause of abolishing war through law. Her address will deal directly with the vital subject of "The Multilateral Treaty" and its relationship with the abolition of war through international legislation.

In addition to these general sessions, there are section meetings to take up special problems of the various educational departments. It is of special interest to student graduates, and faculty that the following Stevens Point people are taking prominent parts on the program in Milwaukee.

Mr. Smith, head of the history department here, will act as chairman of the History Section; Miss Allen, head of the Home Economics department, chairman of the Foods and Nutrition Section; Mr. Neale, head of the Rural department, chairman of the section on Rural education; Miss Roach, instructor in the Rural department, will speak on "Making the Most of a One Room Rural School"; Mrs. Fred Ball, local instructor of the deaf, will be chairman of the section devoted to the education of the deaf.

The alumni of the Home Economics department of Central State will meet at 12 o'clock Thursday noon, October 30, at the Hotel Schroeder. On Thursday evening at 5:30 o'clock the alumni of the entire school will meet at the Hotel Wisconsin.

School will be dismissed Wednesday afternoon at 4 o'clock and will be resumed at the regular time Monday morning.

EDUCATIONAL READJUSTMENTS

"WE are now faced with readjustment problems more serious and more formidable than those that followed the World War," says J. W. Crabtree, secretary of the National Education Association in the October Journal of the NEA. "No war could disrupt conditions more ruthlessly than is being done by invention and machinery. No war could put factories into disuse or into part time use more rapidly than is being done by changes in social demands and by consolidation. Machinery has shifted and displaced labor at an appalling rate during the last two or three years.

"These changes may be for the better in the long run," observes Secretary Crabtree. "It all depends on the intelligence and speed with which readjustments can be made. Peace time developments in the past have been gradual and have been made without conscious effort. As machinery took the place of labor, other lines of human enterprise opened up new opportunities. A balance was easily maintained. But conditions have recently been thrown out of balance. Industry and finance have run ahead of everything else in organizations and power. Things are no longer moving along in orderly fashion. It means more to social progress and to the happiness of people to maintain a reasonable balance than to have wide extremes and sudden fluctuations. The present lack of balance may be due to speeding up industry and finance while permitting other lines of progress to lag behind. Our work is laid out for us. It is to speed up educational adjustments."

As a remedy for the situation the Secretary cites better and greater organization in education as in business. Pointing out that cooperative effort is more and more characteristic of every field of endeavor, he urges upon teachers a recognition of the need for group thinking and planning in the professional problems of education.

NO POINTER NEXT WEEK

BECAUSE of vacation the latter part of next week on account of the States Teachers' Convention, there will be no issue of The Pointer for that week.

THE PROOF IS IN THE EATING

IS there any evidence of a lagging school spirit? Not a bit! This coming Saturday our team goes to Whitewater with good chances of winning. Let's show them that we're one hundred per cent with them by giving concrete evidence of our faith. When the bus leaves for the game a large group of students should be there to cheer the fellows off. The real test of the constancy of the spirit of a school comes when the team runs into adverse luck. It is now up to the student body to prove its reliability in faith. Will the proof reveal weakness or solidity? The answer will be determined by the course of action taken by each individual student.

Some poetic mind called America the melting pot for all races; there have been some disappointments in melting adults, but none will deny that our public schools are the real melting pot, pouring out a new race. Under our schools, race class, and religious hatreds fade away. From this real melting pot is the hope of that fine metal which will carry the advance of our national achievement and our national ideals.—Herbert Hoover.

A public government without public information or the means of acquiring it is but a prologue to a farce or a tragedy, or perhaps both. Knowledge will forever govern ignorance, and a people who mean to be their own governors must arm themselves with the power which knowledge gives.—James Madison.

HUMOR

MORE OR LESS.

STATE OF UNCERTAINTY

I motor in a reckless way
And carefully contrive
To read the paper every day
To see if I'm alive.

A PRETTY LITTLE DAME

She doesn't like a shady joke,
She doesn't drink, she doesn't smoke.
She doesn't swear, she never flirts,
She doesn't wear those awful skirts.
She doesn't use those bewitching smiles,
But won't refuse to show her calves.
You ask her name? Well, that's a vow!
She's not a dame, she's just a cow!

Love is a feeling that you feel, when
You feel that you are going to feel,
A feeling you have never felt before.

Some people get an education late in
life and then others never have any
children.

Robert Krembs — "How do they
judge a beauty contest in Hawaii?"
Alex Krembs — "I suppose they
take a straw vote."

Fonda Love — "I've just lost my
entire fortune to a slick stock pro-
moter. What have I to offer you
now?"

Irma Jazzbaby — "Give me his
address."

How can we tell what the younger
generation is coming to when we don't
know where the older generation is go-
ing to?

Then comes the question of who in-
vented high heels. No doubt it was a
small pretty girl who became tired of
being kissed on the forehead. Jack
Johnson suggests that she had brown
hair also.

SPIELEND SPRECHEN

FRED COCHRANE

Point 0—Milwaukee 38.
"Das war nicht sehr gut."

Reports verify the statement that the
Point need no longer wait until the
second quarter before they start work-
ing. They held the Milwaukee team to
one touchdown in the first half.

C. S. T. C. Hit of the Week
"Betty Coed"
(In honor of the girls of Nelson Hall.)

Some of the students went into a cafe
after the game. They inquired the cost
of a glass of ginger-ale. "One dollar,"
said the waiter. Needless to say, no
further inquiries were made.

It is reported that Karl Kitowski, the
evening after returning from Milwaukee
spent four hours looking for the Gaity.

In spite of the overwhelming score,
Milwaukee was proud of their victory.
The Sunday Journal gave the game a
headline in the Sport section, with a
full column write-up and a cut.

This person, and others of the rah rah
group are not writing to high-school
friends this week. We do not care to
talk any football until next week.

After all, don't you think that Mil-
waukee is a little premature with their
Hallowe'en pranks.

Upon siteing a student drawing one
of the prominent class-room master-
pieces on the back of a test paper, Miss
Davis allowed a sigh of relief to pass
from her lips. "Well, at least it isn't
a picture of the teacher. I see a miss-
placed eyebrow."

NOTICE!!!

There will be a meeting of Di-
rectors of departments, class Ad-
visers, and Presidents of all or-
ganizations in the recreation
room of Nelson Hall on Monday,
October 27 at four P. M. for the
purpose of perfecting the calen-
dar of social activities for the
school year.

T. A. ROGERS,
Chairman of Social Committee.

Classes Hold Election Of Officers Thursday

Last Thursday, after assembly all of
the classes met to elect officers for the
year.

Fourth year students met with Mr.
Schmeeckle and Miss Carlsten and elect-
ed Fred Hebal, President; Victor Vro-
bel, Vice President; and Esther
Hawkes, Secretary and treasurer.

Third year students with Mr. Steiner
as adviser elected Murilla Roberts,
President; Harry Klappa, Vice Pres-
ident; Clifford Alberts, Treasurer;
Alex Peterson, Secretary.

Mr. Evans met with the Second Year
students who chose Burton Hotvedt as
President; Orva Stiller as Vice Pres-
ident; Irene Twetan, Secretary; Ann
Baird, Treasurer and Ed. Lemaneik,
Sergeant at Arms.

Freshman Class election with Mr.
Rogers as adviser showed these results:
President, Dell Kare; Vice President,
Bob Breitenstein; and Secretary-Treas-
urer, Peter Peterson.

Ashmun Club Prints Program

The Margaret Ashmun Club has had
a pamphlet printed which includes the
Constitution, the history of the organiza-
tion, the names of the past presidents,
the active and honorary members, and
the complete program for the 1930-1931
school year. This pamphlet will be
handed to each of the members at the
first meeting.

This club is sponsoring to the extent
of fifty dollars the coming of Dr. Rollo
W. Brown, Professor Emeritus, of Am-
herst College. Dr. Brown will be here
the middle of November for three days.
The club members are selling thrift
books of theatre tickets in order to raise
the required amount of money. It is
urged that anyone attending the theatre
this month will purchase his tickets
from some member of this club. Your
tickets cost you the same as they would
at the door. You avoid delay. You
help the Margaret Ashmun Club and
your school. Buy your tickets from
a M. A. member!

Pres. Hyer Speaks At Eau Claire

Pres. Hyer attended the Eastern dis-
trict meeting of the Wisconsin Teach-
ers' Association held at Eau Claire last
Thursday and Friday. While there
President Hyer spoke to the members
of the Kiwanis Club Thursday noon.

Y. W. C. A.

The Y. W. C. A. discussion tonight
will be based upon the relations of men
and women. Miss Seen is to be the
leader. Every girl in college is invited
to attend.

Last Thursday evening a pleasing
musical program was presented at Y.
W. C. A. Miss Ruby Hand, a member
of the cabinet, was in charge. Special
features of the program were a discus-
sion of Chopin's works, illustrated by
a part of the Military Polonaise in
major by Ruth Rosolach. Alta Stauffer
gave Berceuse from the opera "Joce-
lyn", by Godard.

NELSON HALL NOTES

Good morning Everybody:

Everyone seemed to be recuperating from the strenuous week-end of homecoming. Most of you discovered that the best place to recover was at home, I guess. At any rate, Nelson Hall surely was deserted this week-end. We who stayed felt your absence most at meal time. It was so quiet, you could hear a fork drop.

All those who did not go to their own home, were guests at some of the other girl's homes. Miss Helen Berfield entertained Ione Harvey. Miss Hilda Lucas entertained Miss Charlotte Gauthier at Antigo; also Miss Crystal Joseph and Lucille Smith spent the week-end at Elderon. Miss Vallee Holand, Doris Erickson, and Ida Lahti left Friday for the eastern peninsula, Vallee spent the week-end at Ephraim with her folks and Doris Erickson enjoyed Friday, Sat. and Sun. with her folks at Sister Bay. Ida Lahti also visited her sister at Sister Bay. Miss Josephine Schroeder spent most of the week-end in bed because of a severe cold. We are glad to see you back again, "Jo". Hazel came back with "Jo" and managed to pop her head into a few rooms to say "hello". Miss Jean Skinner entertained Dorothy McLain over the week-end. The girls managed to catch up on their sleep and squeeze in a good time too.

Miss Esther Hawkes and Miss Bess Dewar witnessed the exciting events which took place at Madison.

Miss Blanche Tyler was excused from school Thursday to go home. She witnessed a football game between Crandon and Wabeno. Wabeno was victorious which gives the school the championship. This was welcome news for Helen Hammes who comes from Wabeno. Blanche Tyler and Helen get quite excited when trying to decide which of the rival towns of Crandon and Wabeno are the best.

Several of the girls entertained their parents, sisters, brothers, and other relatives on Sunday. Frances Johnson was surprised by the arrival of her folks from Merrillan on Sunday. Miss Bertha Frericks entertained her father and sister at dinner Tuesday. Three aunts of Miss Martha Lockhardt visited her Sunday. They took Martha and Katherine Reichert to Wausau.

Ask Helen Jordan and Alta Stauffer about candy bars, they can answer all technical questions on Cherry Knobs, Pineapple Surprises, O'Henry, Butterfingers, etc., as well as can the salesmen of the Copsps Company.

It's getting late and I guess you would like to read the rest of the Pointer so, g'bye—until next time.

Sincerely,
Nan.

W. A. A.

The cold weather has stimulated the girls' to more active participation in Hockey. Hockey is a cold weather sport; so the season has just begun in earnest. Saturday's practice showed what fun can be had in a game, and the following practices will be repetitions of this fun. We will always have some form of sports, either inside or out on our regular practice dates.

Just to remind you a little about the organization, the executive board consists of the officers, and sport heads. Esther Hawkes—President. Crystal Joseph—Vice President. Ann Jeselun—Sec. and Tennis Head. Jean Skinner, Treasurer. Murilla Roberts—Head of Archery. Genevieve Pulda—Head of Minor Sports. Patricia Cowan—Head of Hockey.

To become a member, any girl who has been in school one semester, and has shown an interest in Athletics may hand her name to the President. She will be voted on by the executive board, and, if accepted be initiated into the organization. Those in school for the first semester may start preparing themselves for membership by getting out for sports. Remember hiking and roller-skating are minor sports, so keep track of your hours and give them to Genevieve Pulda.

A W. A. A. meeting will be called in the near future and we hope soon to have our regular meeting night determined.

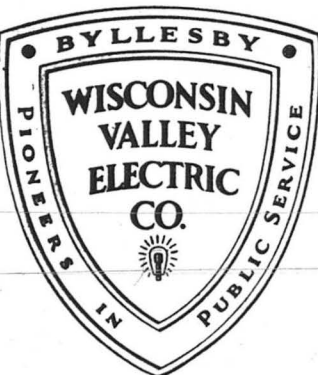

Plans are being made for as many as possible to go to Whitewater Saturday. If anyone is going and has any room report to Miss Seen or Esther Hawkes. Let's have a good representation at Whitewater!

Miss Mertlick Goes To La Crosse

A buffet supper was held last Thursday for Miss Margaret Mertlick who is leaving her position in the office of C. S. T. C. for a similar position in the college at La Crosse. Miss Mertlick's home is in La Crosse. The faculty together with the help of the senior girls made the occasion a success.

Many Sign Up For Oratory

More people have expressed their interest in the last few days in writing orations. Thirty-six people are now preparing original fifteen hundred word orations. Thru the process of elimination the school orator will be chosen. On November 12th the ten best will be picked. These ten will enter a local contest to take place the first part of December; one will be chosen to represent C. S. T. C. at the State Oratorical and Extemporaneous Contest to be held in our school the third week end of March 1931.

Hallowe'en Party At Training School

The entire training school is going to have a big blow-out this week Friday. The occasion is the Annual celebration of Hallowe'en. The affair is in the hands of the student teachers and pupils, Oscar Ziegel being the general chairman of Junior High department; the Training Teachers at the head of the Intermediate department.

No one knows what the plans are, but, no doubt, the affair will be "plenty spooky." The committees are doing all they can to make the party a success and a good time is in store for all concerned.

Hyer To Speak At Dedication

On Saturday morning of this week, President Hyer is to go to Whitewater to speak at the Dedication Exercises of the planting of a group of Hemlock trees which have been set out in honor of William E. Rider. Mr. Rider, known to the students as "Billie" has had care of the campus at the Whitewater Teachers College for the past thirty-five years.
