**C. S. T. C. LOSES TO SOUTHERN RIVALS**

**Defense Weakens In Second Half**

Milwaukee, one of the outstanding championship contenders for State Title, felt the consequences of a打交道 season, decisively defeated the Panthers to the score of 28 to 7 last Saturday evening, played by a homecoming crowd and student body of 2,000 persons. Not only were there iness meeting.

The High School department, better known as the Forum, met with the difficulties of their half-back battery, in the auditorium. Short talks were given by Mr. Smith, Miss Jones and Mr. Bightell, emphasizing the work that is expected of Forum students. These were followed by the election of officers. Richard Marshall was elected president; Gregory Charleworth, vice-president; Joseph Smith, secretary; and Myron Smith, treasurer.

The local department met in the Rural assembly with Mr. Neale. He gave the students a general department talk, emphasizing particular points of interest to those preparing for Rural teaching in all fields. He also spoke of the administration, department routine matters. The Rural Department has been organized in its Rural Life club since the second Monday of the school year.

**Sigma Tau Delta Elects Officers**

On October fifteenth the Psi Beta Sigma Tau Delta initiated two new members of the Psi Beta Club. In the Psi Beta Club there are two new members of the Psi Beta Club.

The regular meetings of the fraternity are held the third Wednesday of each month at seven thirty P.M. You will notice that this does not conflict with the Margaret Ashman Club meetings, which occur the second Wednesday of each month.

The Psi Beta Club consists of four original compositions, approximately fifteen minutes in length, three of which are choose by students and one by a faculty member. Congratulations to all the new members of Psi Beta Chapter of C. S. T. D.

**Rurals Hear Madison Conference Reports**

When "Rural Life Club" met at its regular time Monday night, the members heard the report of the delegates who had represented them at the International Rural Conference at Madison. Not only did they hear Dr. Edgar Orchard, Greta Tetzler, Theodor Rozele, Roland Koyen, and Alex Petersen give a review of the part of the general program or the group forums, but very interesting talks on specific fields, as well as instructive booster. Mr. Koyen in the close of his report on what education can do, to help the status of rural life brought the entire conference very close to us and our job, when he made a strong appeal that we are here to make every effort to become not only certified rural teachers but prepared rural teachers.

The delegates thanked the organization for giving them the opportunity of attending the great conference. "Rural Life" feels amply repaid because such a large portion of inspiration has been returned to us.

The music at the party singing, the program included two piano solos by Kathy Hanson, which were beautifully rendered.

**M. A. Club To Stage Hallowe'en Dance**

Tuesday evening, Oct. 28, the students of C. S. T. C. and their friends will have an opportunity to dance to the music of Irv. Lutz's orchestra. The old gym will be the scene of this gay party.

Dancing will begin at eight o'clock and continue until eleven. The admission is fifty cents per individual.

The committee in charge of the dance is made up of Allen Hedell and Cedric Vig.

**Sigma Zeta Meeting To Consider Pledges**

A special meeting of the Sigma Zeta scientific fraternity will be held sometime within the next two weeks in regard to voting pledges. The meeting will follow the regular November business meeting.

The fraternity held their last meeting October 9. A talk was given by Professor Weilsholt of Columbia University. Eats were served in the Home Economics reception rooms and the Orthophonic furnished the entertainment.

**TEACHERS’ CONVENTION TO BE HELD AT MILWAUKEE**

The seventy-seventh annual convention of the Wisconsin Teachers’ Association will be held at Milwaukee, Oct. 29th to Nov. 1st, inclusive.

Many celebrities in the educational field scheduled for addresses at the general programs. Augustus Thomas, President of the World Federation of Education Assn., will speak on the subject, "Are we better than our grandfathers?" Afterwards, author, lecturer, and interpreter of science has chosen "The Marks of an Educated Man." In the morning, a talk to be given Thursday morning. Dr. Allen Diehl, lecturer, an active figure in city planning and widely known as a writer and lecturer, will address the sponsors of the Tuesday morning. Mr. Edward Howard Griggs, President of the department of Philosophy of the Methodist, is to talk on "Literature and American Culture."

Judge Florence Allan, of the Supreme Court of Ohio, will close the general sessions on Saturday with her address: "The Ohioan OPEN FOR BUSINESS." Judges Allan, during the past ten years, has become recognized for his interpretation of international law, and it is believed that the country's pioneers in the era of abolishing war through law. Her address will deal directly with the question of the "Charter Treaty" and its relationship with the abolition of war through international legalistic.

EDUCATIONAL READJUSTMENTS

"W" are now faced with readjustment problems more serious and more formidable than those that followed the World War," says J. W. Crabtree, secretary of the National Education Association in the October Journal of the NEA. "No war could disrupt conditions as ruthlessly as being done by invention and machinery. No war could put factories into disuse or into part time use more rapidly than is being done by changes in social demands and by consolidation. Machinery has shifted and displaced labor at an appalling rate during the last two or three years.

"These changes may be for the better in the long run," observes Secretary Crabtree. "It all depends on the intelligence and speed with which readjustments can be made. Peace time developments in the past have been gradual and have been made without conscious effort. As machinery took the place of labor, other lines of human endeavor opened up new career opportunities. A balance was easily maintained. But conditions have recently been thrown out of balance. Industry and finance have run ahead of everything else in organizations and power. Things are no longer moving along in orderly fashion. It means more to social progress and to the happiness of people to maintain a reasonable balance than to have wide extremes and sudden fluctuations. The present lack of balance may be due to speeding up industry and finance while permitting other lines of progress to lag behind. Such work is laid out for us. It is to speed up educational adjustments.

As a remedy for the situation the Secretary cites better and greater organization in education as in business. Pointing out that cooperative effort is more and more characteristic of every field of endeavor, he urges upon teachers a recognition of the need for group thinking and planning in the professional problems of education.

NO POINTERS NEXT WEEK

BECAUSE of vacation the latter part of next week on account of the States Teachers' Convention, there will be none of The Pointer for that week.

THE PROOF IS IN THE EATING

Is there any evidence of a lagging school spirit? Not a bit! This coming Saturday our team goes to Whitewater with good chances of winning. Let's show them that we're one hundred per cent with them by giving concrete evidence of our faith. When the buses leave for the game a large group of students should be there to cheer on the fellows out. The real test of the constancy of a school comes when the team runs into adverse luck. It is now up to the student body to prove its reliability in faith. Will the proof reveal weakness or solidity? The answer will be determined by the course of action taken by each individual student.

Some poetic mind called America the melting pot for all races; there have been some disappointments in melting adults, but none will deny that our public schools are the real melting pot, pouring out a new race. Under the provisions of the race class, and religious hatreds fade away. From this real melting pot is the hope of that fine metal which will advance the glory of our national achievement and our national ideals—Herbert Hoover.

A bigger government without public information or the means of acquiring it but a prologue to a farce or a tragedy, or perhaps both. Knowledge will forever govern ignorance, and a people who mean to be the rulers of their governors must arm themselves with the power which knowledge gives. —James Madison.

NOTICE!!!

There will be a meeting of Directors of departments, class advisors and secretaries of student organizations in the recreation room of Nelson Hall Saturday, October 27 at four P.M. for the purpose of perfecting the calendar and school activities for the year.

T. A. ROGERS,
Chairman of Social Committee.

Classes Hold Election Of Officers Thursday

Last Thursday after assembly all of the classes met to elect officers for the year.

Fourth year students met with Mr. Schriver, the scholar, in attendance, elect- ed Fred Rebah, President; Victor Vrebel, Vice President; and Esther Hawkins, Secretary.

Third year students with Mr. Steiner as advisor elected Murilla Roberts, President; Harry Klappin, Vice President; Clifford Alberts, Treasurer, and Alex Peterson, Secretary.

Mr. Steiner and Mr. Schriver met with the Second Year students who chose Burton Hotvedt as President; Orna Stillier as Vice President; Mary Catterick, Treasurer; and Ed. Lemenski, Secretary.

Freshman social election with Mr. Rogers as advisor showed these results: President, Dell Kars; Vice President, Bob Bentz; Manager, and Secretary-Treasurer, Peter Peterson.

Ashmun Club Prints Program

The Margaret Ashmun Club has had a pamphlet printed which includes the Constitution and By-Laws, the names of the past presidents, the active and honorary members, and the complete program for the first and second school year. This pamphlet will be handed out to each of the members at the first meeting.

The club is sponsoring to the extent of $100 the Kiwanis Club of the city, the Kiwanis Club having paid the required amount of money. It is urged that anyone attending the theatre this month purchase his tickets from some member of this club. Your ticket cost you the same as they would at the door. You help the Margaret Ashmun Club and prove your support from your tickets from M. A. member!

Pres. Hyer Speaks At Eau Claire

Pres. Hyer attended the Eastern district meeting of the Wisconsin Teachers' Association held at Eau Claire last Thursday and Friday. While there President Hyer spoke to the members of the Kiwanis Club Thursday noon.

Y. W. C. A.

The Y. W. C. A. discussion tonight will be based on the relations of men and women. Miss Been is to be the leader. Every girl in college is invited to attend.

Last Thursday evening a "pressing" meeting was held by the Y. W. C. A. Miss Ruby Hand, a member of the branch, was called to the charge. Special features of the program were a discussion of Chopin's works, illustrated by one of the Military Polonaises in major by Ruth Rosoloch, Alta Stansfield gave "Brezent" from the opera "Jocasta" by Giordano.
NELSON HALL NOTES

Good morning Everybody:

Everyone seemed to be recuperating from the strenuous week-end of homecoming. Most of you discovered that the best place to recover was at home, I guess. At any rate, Nelson Hall surely was deserted this week-end. We who stayed felt your absence most at meal times. It was so quiet, you could hear a fork drop.

All those who did not go to their own home, were guests at some of the other girl's homes. Miss Helen Berfield entertained Loe Harvey. Miss Hilda Lucas entertained, Miss Charlotte Nathier at Antigo; also Miss Crystal Joseph and Lucille Smith spent the week-end at Elderon. Miss Vallee Holand, Doris Erickson, and Ida Lahti left Friday for the eastern peninsula. Vallee spent the week-end at Ephraim with her folks and Doris Erickson enjoyed Friday, Sat, and Sun, with her folks at Sister Bay. Ida Lahti also visited her sister at Sister Bay. Miss Josephine Schroeder spent most of the week-end in bed because of a severe cold. We are glad to see you back again, "Jo". Hazel came back with "Jo" and managed to pop her head into a few rooms to say "hello!" Miss Jean Skinner entertained Dorothy McLain over the week-end. The girls managed to catch up on their sleep and squeeze in a good time too.

Miss Blanche Tyler and Miss Rose Dewar witnessed the exciting events which took place at Madison.

Miss Blanche Tyler was excused from school Thursday to go home. She witnessed a football game between Crandon and Wabeno. Wabeno was victorious which gives the school the championship. This was welcome news for Helen Hammars, who came from Wabeno. Blanche Tyler and Helen got quite excited trying to decide which of the rival towns of Crandon and Wabeno are the best.

Several of the girls entertained their parents, sisters, brothers, and other relatives on Sunday. Frances Johnson was the center of attention at the arrival of her folks from Merrill on Sunday. Miss Bertha Frettick entertained her father and sister at dinner Tuesday. Three aunts of Miss Martha Lockhardt visited her Sunday. They took Martha and Katherine Reiehert to Wausau.

Ask Helen Jordan and Alta Staubler about candy bars, they know all the technical questions on Cherry Knobs, Popcorn Surprises, O’Henry, Butter fingers, etc., as well as can the salesman of the Copp's Company.

It’s getting late and I guess you would like to read the rest of the Pointer so, g’bye—until next time. Sincerely, N.N.

The cold weather has stimulated the girls to more active participation in Hockey. Hockey is a cold weather sport; so the reason has just begun in earnest. Saturday’s practice showed what fun can be had in a game, and the following practices will be repetitions of this fun. We will always have some form of sports, either inside or out on our regular practice dates.

Just to remind you a little about the organization, the executive board consists of the officers, and sport heads. Esther Hawkes—President. Crystal Joseph—Vice President. Miss Josech-Sec., and Tennis Head. Jean Skinner, Treasurer. Murilla Roberts—Head of Archery. Genevieve Paluda—Head of Minor Sports. Patricia Cowan—Head of Hockey.

To become a member, any girl who has been in school one semester, and has shown an interest in Athletics may hand her name to the President. She will be voted on by the executive board, and, if accepted be initiated into the organization. Those in school for the first semester may start preparing themselves for membership by getting out for sports. Remember hiking and roller-skating are minor sports, so keep track of your hours and give them to Genevieve Paluda.

A W. A. A. meeting will be called in the near future and we hope soon to have our regular meeting night determined.

Plans are being made for as many as possible to go to Whitewater Saturday. If anyone is going and has any report to Miss Seen or Esther Hawkes, let’s have a good representation at Whitewater!*

Miss Mertlick Goes To La Crosse

A buffet supper was held last Thursday for Miss Margaret Mertlick who is leaving her position in the office of C. S. T. C. for a similar position in the college at La Crosse. Miss Mertlick’s home is in La Crosse. The faculty together with the help of the senior girls made the occasion a success.

Many Sign Up For Oratory

More people have expressed their interest in the last few days in writing orations. Thirty-six people are now preparing original fifteen hundred word orations. Thru the process of elimination the school orator will be chosen. On November 12th the ten best will be picked. These ten will enter a local contest to take place the first part of December; one will be chosen to represent C. K. T. C. at the State Oratorical and Extemporaneous Oration Contest to be held in our school the third week end of March 1931.

Hallow'en Party At Training School

The entire training school is going to have a big blow-out this week. Friday. The occasion is the Annual celebration of Hallow'en. The affair is in the hands of the student teachers and pupils. Oscar Ziegil is going to be chosen. No one knows what the plans are, but, no doubt, the affair will be "plenty spooky." The committees are doing all they can to make the party a success and a good time is in store for all concerned.

Hyer To Speak At Dedication

On Saturday morning of this week, President Hyer is going to Whitewater to speak at the Dedication Exercises of the planting of a group of Hemlock trees which have been set out in honor of William E. Rider. Mr. Rider, known to the students as "Billie" has had charge of the campus at the Whitewater Teachers College for the past thirty-five years.
