## PROSPECTS GOOD FOR GRID SEASON

### Season Opens With Game At Marquette

The finishing touches are being put on the team for the first game next Saturday, at Marquette. With a turnout of thirty-five men a winning team is the prospect of the year. The squad started practice the first week in September in preparation for the season's games. The original turn-out was enlarged last week with the starting of school with the result that a very formidable group of players is on the field every night. In all, prospects are much brighter than a year ago.

The first two weeks were spent mostly in fundamentals and conditioning. Then head Coach "Stocky" opened his bag of tricks and has been dishing them out to his men. Night sessions for "skull" practice are frequent.

Mr. Stockdale is assisted by Gregory Charlesworth, guard on the 1928 championship football team. He has charge of the line, leaving "Stocky" to spend more time on the backfield men and his plays. Ben Weronke, captain and center of the '28 team was here a few days last week to help our new centers get started.

#### Lettermen Back

Several lettermen are back from former years. Among them are Captain Robert "Bob" Kennedy, and, New Lisbon; Ollie "Nubbs" Neuberger, end, Stevens Point; Harry Klappa, end, Wis. Rapids; Richard "Dick" Marshall, center, Red Granite; Arthur "Runt" Schroeder, quarter, Shawano; Clifford "Lucy" Alberts, half, Forestville; Kermit Frater, guard, Wild Rose; Karl Kitowski, guard, Myron "Mike" Smith, tackle, all of Stevens Point; Clarence "Ted" Chvala, Tomahawk.

New members of the squad are: Clausen, Beaudin, Baker, Thompson, all of Stevens Point; Olson, Fritsch, Hansen, Peterson, Sorenson, Bloomquist, Foster, Maas, Green, Mareo, McDermott, Ramsden, Eddie Smith, Jimmy Smith, Trevalli, Andre, Brooks, Willecke, Budge, and Popek.

Several changes have been made in positions. Marshall, fullback on the all second team last year has been shifted to the center position. This, Mr. Stockdale believes, will greatly strengthen the forward wall. Chvala has been shifted from the backfield to guard and Sam Bloch from center to guard.

#### Leave Friday

Signal practice and scrimmage has been the order for the week in preparation for the journey to Marquette, where the squad hopes to take the Michigan teachers into camp. The boys start Friday morning stopping at Escanaba for the night. The balance of the trip will be made Saturday morning. After the game they will return to Escanaba and again spend the night there, returning home on Sunday.

#### FOOTBALL SCHEDULE

Marquette (Mich.)	Sept 27 there
Stout	Oct. 4 there
Oshkosh	Oct. 11 Homecoming
Milwaukee	Oct. 18 there
Whitewater	Oct. 25 there
Open	Nov. 1
Platteville	Nov. 7 or 11 here
Eau Claire	Nov. 15 here

## Play Your Club Is Plea To Preps

New students should be interested in knowing what the various clubs and organizations of Central State Teachers' College are. First, there are the departmental organizations, membership in which is automatic for those registered in the respective departments. The directors of the departments are the advisors of the club.

There is the Forum for all students registered in the High School course; the Home Economics Club for Home Ecs; the Round Table for Intermediate, Grammar, and Junior High School students; the Primary Council for Primaries; and Rural Life for those registered in the Rural courses.

This year a new plan is to be adopted with regard to the departmental meetings. At 10:05 on the first Tuesday of each month there is to be a faculty meeting. At the same time on the second Tuesday the directors meet with the students in their respective departments. It is at this time that the business meetings of the five departments will be held. On the third Tuesday the administration committee composed of the directors and deans of the college, will meet. The fourth Tuesday of each month the 10:05 hour will be taken up by meetings of the students with their deans. On the first and third Tuesdays of each month there will be class meetings for first, second, third, and fourth year students.

Tentative plans are under way for the work of the Forum for 1930. At the first meeting that is to be held at the regular time a program will be presented by the upper classmen of this department. Also, there will be a general organization with the election of officers and anything that can properly come before the meeting at that time.

At an organization meeting of the Home Economics Club officers will be elected and plans made more definite

(Continued on Page 6.)

## Recent Improvements At Central State

During the past year there have been some important improvements at Central State. During the Christmas vacation of 1929-30 the Training School moved over into its new quarters. The new Training School was built at a cost of \$220,545, and is an addition of which to be proud.

The heating system completed at the same time is one large plant that furnishes heat for the Training School, the College, and Nelson Hall. The plant is in a separate building located between the College and Training School.

A contract for the construction of a new central stairway was approved by Gov. Kohler on July 18th. Work on this project was begun the last day of the summer session, and its completion will require about six more weeks. The stairway will be fireproof, being made of concrete and steel. It follows the old plan of stairway, but will be narrower giving more hall space in front of the rooms adjoining it. Construction is being carried on by the W. M. Christensen Co., of Racine.

The same construction company is also converting the old boiler room into a chemistry laboratory. A new Physics laboratory was installed in the old Primary department on the first floor last year.

## FRANK S. HYER ENGAGED AS PRESIDENT AT C. S. T. C.

### Central State Welcomes Frosh

The members of the Freshman class and new students are extended a warm welcome by Central State Teachers' College. The class this year is the largest the school has known. By the end of last week, 250 new students had enrolled. Such a large group should certainly give the old students competition in all activities.

The freshmen have spent the last week and a half becoming acquainted with the faculty, students and traditions of the college. The first social event of their year was a party at Nelson Hall on the evening of Registration day. On Tuesday night of last week a pep meeting and mixer was held at which the old and the new students got together. Friday evening the Frosh were formally introduced to the instructors at the annual faculty reception. Tomorrow evening all the students will be entertained by their respective churches.

As voiced by President Hyer in assembly all new students are cordially urged to take part in the extra-curricular activities. Old students need and request the aid of new students in carrying on all school events, and as the latter named are in the majority much help is anticipated.

Practically all extra-curricular activities are open to freshmen. The department of forensics is in need of people with training or interested in speech work. The music department with its new divisions welcomes more people. Freshman boys are doing their part in helping to form a football team and freshman girls are urged to participate in women's athletics.

The Margaret Ashmun Club and Sigma Tau Delta Fraternity are honorary English organizations. A student may be elected to membership in them after being recommended by his or her English instructor. Sigma Zeta is an honorary science fraternity for students who have done outstanding work in science of some sort. It is not too early to begin taking steps which leads to enrollment in any of these three societies.

During the year each department and club will be expected to put on an assembly program. This is a new idea inaugurated this year and should add pep to our assemblies.

The enrollment of the college as a whole this year is larger than last. The enrollment by the end of last week was 451 students, nearly 100 more than last year at the same time.

## New Faces Present Among The Faculty

Two new faculty members have been acquired by Central State to aid in instruction.

Miss Helen Phillips who was of the State Normal School faculty at Chadron, Nebraska for the past two years is taking the place of Miss Ada Tobias of the Primary Department who is on a leave of absence for advanced study. Miss Phillips is a graduate of the university of Nebraska.

Miss Syble Mason the new assistant librarian is a graduate of Central State Teachers College with the class of 1928. Since completing her course at this school she has been assistant principal at Coloma and has assisted in this library during the summer-school sessions.

## WAS FORMER TRAINING SCHOOL HEAD

Mr. Frank S. Hyer, president of the Whitewater State Teachers' College for the past eleven years, was chosen by the Board of Regents of Normal Schools as president of Central State Teachers' College in August.

Mr. Hyer is not a stranger at C. S. T. C. as before filling the Presidency at Whitewater he was Director of the Training School here.

He was born in 1869 at Aztalan, Wisconsin, attended rural school and later the High Schools at Fort Atkinson and Lake Mills. His general college education was obtained at the Milwaukee Normal and Ripon College and later graduate work was done at the University of Wisconsin.

#### Began As Rural

Mr. Hyer began teaching in rural schools in 1887. Later he was a teacher in the city schools of Green Bay, county superintendent of schools of Jefferson county, a principal at Sheboygan and Green Bay as well as superintendent at Rhinelander. He organized the county training school for teachers at Manawa and was its principal for three years.

In 1904 Mr. Hyer came to Stevens Point to conduct institutes and in 1909 was appointed Director of the Training school and served in that capacity for ten years.

The Teachers' College at Whitewater made spectacular progress under the direction of Pres. Hyer. The enrollment was more than doubled, a new wing was added to the main building, and various other improvements were made. Due to Mr. Hyer's untiring efforts an excellent reputation has been gained by the school.

## Mixed Chorus To Be Formed

It is more than likely that there will be organized a mixed chorus for students this semester. That it will probably be organized is due to the fact that there is opportunity for such an event several times a month on Tuesdays at 10:05.

There is need for such an organization and heretofore little work has been done in this line due to the difficulty in finding time and place. Students' crowded programs have been the main obstacle. The work hitherto has been done by the festival chorus for the annual Christmas Festival.

Having a chorus organized and meeting definitely at this time will enable a larger number of students to receive the benefits of the Christmas Festival chorus.

The young women's chorus, (Girls' Glee Club), began work this week Tuesday. Regular rehearsals will be held each Tuesday at 3:05.

This is a one credit a semester subject and the young women who are interested in the glee club work for later references as well as for now should see about entrance into this organization at once. See Mr. Percival in the Music room when both you and he have a free period.

Published Weekly at Stevens Point by the students of the Central Wisconsin State Teachers' College. Subscription Price \$2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

### OUR NEW PREXY

"THE appointment of Mr. Hyer to the presidency of the Teachers' College at Stevens Point takes from us students a great friend. He has worked hard for our benefit and the school as well. Eleven years of his life have been unselfishly given to our college, eleven years that have shown remarkable changes in the horizon of our institution. His unswerving loyalty has created an atmosphere readily adopted by young people coming here. Mr. Hyer's office door was always open to everyone seeking advice and help. Few of us know of the many times he has given financial assistance to those who might otherwise have been forced to drop out of school. He enjoyed contact with his students, teaching classes when he had the time for it.

All of these things make his appointment more than a mere change in the administration — we lose a valuable friend. We offer him our very best wishes for success in his new position."

—(Whitewater Royal Purple).

While we regret the loss of our former President, Dr. R. D. Baldwin, we may feel extremely fortunate in having secured Mr. Hyer of Whitewater as our new President.

The above tribute from the Whitewater State Teachers' College paper, paid Mr. Hyer by his former associates, is a wonderful recommendation of his character and ability.

On behalf of the college, we cordially welcome him to our midst and pledge our best efforts to help make his work here a complete success.

### INVOCATION

THE staff presents its first issue of the Pointer for this year with the feeling that this is to be a "big" year in the history of C. S. T. C. and with the hope that the school publication may truly breathe the spirit of the institution by being the voice of the faculty, student body, and individuals.

That this paper may fulfill its purpose, the cooperation of all connected with the college is needed. Write out your ideas and slip them into the Pointer office. If you have any suggestions to make for the betterment of the institution, don't let them go to waste. If you are bubbling over with enthusiasm let us pass it on to the rest. In other words, to voice the trend of thought of our college individual contributions are needed, and it is earnestly hoped that everyone will take a personal interest in making the Pointer a real success.

### WELCOME FROSH!

WELCOME, new students of Central State! With such a large class and the abundance of pep you have shown so far we expect you to help considerably in making this college fairly hum with life. There are many activities in which to engage and which need your support. The leadership in debate, oratory, football, basketball, clubs, societies, etc., will fall on your shoulders in a short year or two. To be successful leaders, that these activities may ever progress, your participation now is needed. Give freely of your fresh vitality — you will find a welcome everywhere. Let's have a one hundred per cent turnout every time and all pull together for a bigger and better college than ever before!

### BOOST THE BAND!

WITH an enrollment of over thirty members an excellent band is assured. It will be under the direction of Mr. Grindle of the High School.

A good band is an essential part of every successful institution. Who is there that does not thrill and respond to the inspiring notes and tempo of band music? What a tremendous amount of pep and enthusiasm a band inspires at mass meetings and games!

Let us make our band a permanent organization by active participation and zealous backing.

## HUMOR

### MORE OR LESS

In the old days a farmers wife could take a roll of butter to town and buy a dress. Now it takes a roll of bills.

When it comes to catching a car the short skirts are better in the long run.

### ODE TO THE BATHING SUIT

Jes' wee little shorts,  
'N' some'spender straps, see?  
That's all there is to it —  
The rest of it is me!

### A LONG STORY

Bob — I know a good story about a skirt.

Frank — Tell it.

Bob — Can't, it's too long.

Hanson — "Why don't you like girls?"

Olson — "They're too biased."

Hanson — "Biased?"

Olson — "Yes, — bias this, and bias that."

The crowd roared.

"What did he do?" asked the co-ed at the ball game.

"He made a hit."

"I can see that he made a hit, but what did he do to make such a hit?"

Many a man who embarks on the sea of matrimony wishes he had missed the boat.

David was a game guy. He got the decision over Goliath with one hand in the sling.

### DEFINITIONS

WIENIE — Midget bologna with an inferiority complex.

PRETZEL — Obsolete twist.

FLAPPER — Song and dense girl.

JAZZ — Swearing set to music.

VEGETABLE SOUP — Liquid hash.

PRUNES — Raisins with inflammatory rheumatism.

HOME — A place where the bill collector never expects to find anyone.

Bob Neale — "Gee there is an awful lot of girls stuck on me."

Dick Marshall — "Yeah, they must be an awful lot."

### I BEG YOUR PARDON

Eddie Smith — "I sure had a swell time at my girl's party last nite."

Tom Smith — "Who was there?"

Eddie Smith — "Me and my girl."

— 652 —

Here's to the girl who steals, lies and swears — steals into your arms, lies there, and swears she'll never love another.

Some girls are hopelessly simple; others are simply hopeless.

It is said that single girls buy more stockings than married ones. Maybe their mileage is greater.

"Statistics show that marriage is a preventive of suicide."

"Yes, and statistics show that suicide is a preventive of marriage."

Prof: Your spelling is atrocious. Why don't you look up the words in the dictionary?

Co-ed: I can't spell well enough to find them.

### CRUEL PRACTICES

1. Shooting Craps.
2. Punching cattle.
3. Striking happy mediums.
4. Pitching hay.
5. Canning sardines.
6. Writing stuff like this for people to read!

Gen — "Warren was arrested!"

Ellamae — "What for."

Gen — "He pumped Ethyl."

### SUMMER FANCY

She crossed her slim ankles and settled back among the cushions of the hammock.

He put his arm around her and sighed.

She sighed.

He sighed again and murmured, "Darling."

"Yes?" she queried.

"Darling, will you marry me?"

And when he left she cut another notch in the porch swing.

### THEN THERE IS THE SCOTCHMAN WHO —

Bought a dog license for his Whippet. Wears high shoes to get more out of a shine.

Goes through the pockets of his wife's knickers.

Truth is stranger than fiction because there is less of it on the market.

Interviewer: "Are you one of those girls who watch the clock?"

Applicant (with dignity): "No, sir; I've got a wrist watch."

### A CHEAP PRINT

When captain Bob came in from the football field the other day he found the head of a mule painted on the back of his coat. Standing there with the coat in his hand, solemnly scrutinizing the mule-head painted thereon, he turned to his team-mates and said: "Boys, which one of you wiped his face on my coat?"

### IMMATURE GOLFERS

Smitty — Well, how do you like my game?

Ted — I suppose it's all right, but I still prefer Golf."

It's easy enough to look pleasant  
With powder and paint on her cheeks,  
But the girl worth while  
Is the one who can smile  
While perspiring it off in streaks.

Mary Dove — Why, your heart sounds like a drum beating.

Fonda Love — Yes, that is the call to arms.

Passenger — How far are we from land?

Captain — Oh, 'bout three miles.

Passenger — Only three miles. Funny we can't see it.

Captain — Yess'm. Ocean water ain't clear enough.

The movies are still in their infancy, but a lot of their gags aren't.

Rachel Crocker — "That sheik I saw you with last night looked like a flat tire to me."

Esther Helsten — "Yeah, I'm going to use him for a spare from now on."

Attorney: "Were you hurt in the melée?"

Chip: "Naw, Sir, I wuz hit in de stumach."

Father (to son leaving for college): "Good-bye, son. Write to me often." Spendthrift Son: "Thanks, Dad. That is mighty generous of you."

Oboe: You say your ancestors were all killed in the War of the Roses?

Hobo: Oh, yes. Indeed, for several generations the family was extinct.

Miss Jones — "Do you regularly attend a place of worship?"

Bob — "Yes, I'm on my way to see her now."

Mechanics Prof. — Name a great time saver."

Tom Smith — "Love at first sight."

"What's that new-flea song?"

"O for goodness sake, don't you know it? It's called 'My Little Home in the Grey Vest.'"

A blotter is a thing you look for while the ink is drying.

Elda — "We've a wonderful cemetery at home. Everyone is dying to get into it."

# SOCIETY

## Annual Reception Held By Faculty

The training school gym of C. S. T. C. was all aglow with lights and smiling faces on Friday. A large basket of dahlias together with the various colors of the dresses added a harmonious color scheme to the festivity.

The cause of the excitement was the annual president's reception for the new students. It not only provided a chance for the old and new students to get acquainted, but also gave to the entire student body the opportunity of meeting the new members of the faculty.

Mr. Mott introduced each guest to President Frank S. Hyer. Others in the reception line who extended a welcome to all students were Mr. William E. Atwell, the local regent, Miss Helen Phillips, who is taking the place of Miss Tobias, and Miss Syble Mason, who is replacing Miss Goerbing in the library. The other members of the faculty mingled with all present and extended a welcome to everyone.

The happy congenial spirit which seemed to predominate over the crowd was taken up by the orchestra, Irv Lutz and his Florida entertainers. Dancing was enjoyed from 9:00 to 11:30 and punch was served until the last drop was gone. The statement that a "good time was had by all" can be truthfully made.

## Home Economics Club

The Home Ecs. have already started off with an aggressive program for 1930. On Friday afternoon they had an informal meeting at Nelson Hall followed by a hike to Red Bridge. While at the oft-visited but always enjoyed bridge, the girls enjoyed a spread that consisted of sandwiches, baked beans, salad, and pears; it was enjoyed as only Home Ecs. can enjoy such a spread. The hike was planned so that the new and old girls might become better acquainted. There are 32 Freshmen Home Ecs. this year.

On her birthday Miss Meston of the Home Economics Department was remembered by all the girls in that department.

It has been reported that Margaret Richards, a junior Home Ec. student, is rapidly recovering from a recent operation at St. Michael's Hospital.

## Home Ecs. Give Tea

Miss Allen who is the head of the Home Economics dept. gave a tea last Thursday for the new president and his wife, Mr. and Mrs. Hyer. The tea was held in the Home Economics rooms on first floor. Only the faculty and their wives were invited. Miss Hanna and Miss Mansur poured, while Miss Meston and Miss Allen acted as hostesses. The junior and senior girls helped with the serving.

Large colorful dahlias formed the decoration in the two rooms and the center piece on the table was a mixed bouquet of low cut, dainty flowers.

## Rural Life Club Holds First Meeting

Last Monday night the students of the Department of Rural Education met in their assembly room at 7:30 to organize for the first semester of the year. More than one hundred were present and the enthusiasm and interest shown indicate a profitable and pleasant year ahead.

The meeting opened with community singing led by Alex Peterson. Members of the Rural Department faculty and Mrs. Neale then welcomed the new students and greeted those who are returning. Eldore Bergsbaken, a former student, who has come back for advanced study was called upon and responded in a few words of appreciation for C. S. T. C.

After Alex Peterson had told what benefits he had derived from membership in R. L. C., the election was held with the following results:

President ..... Alex Peterson  
Vice president ..... Roland Koyen  
Secretary ..... Greta Tetzler  
Treasurer ..... LaNore Docka

After refreshments had been served by a committee of girls under the direction of Miss Hanna, those who wished adjourned to the recreation room where they danced for a half hour.

## Candlelight Get-together a Big Success

The Y. W. C. A. of Central State Teachers' College gave its first meeting in the recreation-room of Nelson Hall last Thursday evening for the new and old girls of our college. The girls were welcomed by a candle in the door, entered the candle-lit room, and were ushered to davenports circled around a cozy fireplace. Those lucky enough to remember to bring cushions curled on the floor next to the fire. With this general atmosphere, the girls sang pep songs, including "Old McDonald had a Farm" and "Under a Spreading Chestnut Tree" and our Y. W. song "Follow the Gleam". They had a short meditation and Helen Jordan greeted all the new girls in behalf of the organization. After the meeting everyone indulged in roasted marshmallows and went home carrying her pillow.

The Cabinet has planned a variety of programs and social get-togethers for the year. It takes this opportunity to invite all the girls of our college to the meeting tonight. You will attend something entirely different.

## W. A. A.

Every girl should be out for some form of athletics. In the first place, a student's life is more or less muscularly inactive, and mentally tiring. To balance this an hour of some sport every day, preferably out of doors, will make her more fit for her work. That is why the school has equipped four tennis courts and a large recreation field. We urge that all girls join in some organized sport for this reason if no other. But our main reason for hockey, archery, tennis and hiking is the sheer enjoyment we get from the exercise. We play for the fun we get from good, clean, fair, competitive sport, and the satisfied feeling of a well-exercised body is a by-product. Let's have everyone out for sports for both the enjoyment and the balance it gives you.

The W. A. A., Women's Athletic Association of our College has already made a great deal of progress in the years work. Saturday morning a group of outdoor girls knocked hockey balls around the field and played a scrimmage game. Hockey is not at all hard to learn, as the new girls will inform you, and is a great deal of fun and exercise in a little while. We want every girl to know how to play hockey, and when she does, she won't miss any chances to play. The only dire result was when Frances Johnson tried to toe-dance on her ankle.

Sunday afternoon a group of industrious hikers made tracks to McDonald's Farm and back.

The Executive Board met and chose the heads of the fall sports. The board consists of Miss Seen, faculty advisor, Esther Hawkes, President; Crystal Joseph, Vice-President; Ann Jeselun, Secretary and head of tennis; Jean Skinner, Treasurer; Murilla Roberts, head of archery; and Genevieve Pulda, head of minor sports, which includes hiking, roller-skating, ice-skating, etc. The board talked over plans for the year and set Monday night for the first meeting, when they will discuss these plans, the rest room we started last year, and new members.

Many students hearing about the W. A. A. have inquired as to various points in connection with the association. Here is some valuable information.

### 1. Membership

Each woman desiring membership will present her name in writing to the President; after being passed upon by the Executive Board, reading the constitution, taking pledges of membership, and paying initiation fees into the Treasury, she will be declared an active member of Association and her name will be placed on the Secretary's roll.

At the time of the initiation each girl will be given her insignia of membership, with it the first letter of the numeral.

### 2. Dues

Annual dues of fifty cents a term will be paid at the first regular meeting of each semester. New members will pay dues at the time of their initiation into the association.

### 3. Point system

	points
Head of Sport .....	20
One hour practice in any organized activity .....	5
Perfect attendance at practices for any organized activity .....	10
One hour practice in any unorganized activity .....	2
Tournament game .....	15

(Continued at top of Page.)

## Advanced Music Class Organized

Mr. Percival has had several requests for an advanced class in music methods, in which harmony and music history will be studied.

There will be a music methods class, music 202, at 8:15 on Monday, Wednesday and Friday. This will give opportunity for advanced study in this line.

4. Awards	
Letter "S" .....	700
Class numeral (completed) .....	300
Pin (W. A. A.) .....	1200

Give your tennis time to Ann Jeselun, your hiking and roller-skating to Genevieve Pulda, and your archery practice to Murilla Roberts.

Watch the W. A. A. bulletin board to the right of the library. There is a sport for every girl, and we want you all out.

The first regular meeting of the W. A. A. was held Monday night, in Miss Seen's room. It was entirely a business meeting and many things discussed. First we have voted in six new members, Alta Stauffer, Ruth Lippke, Blanche Tyler, Vivian Enge, Jennie Newsome, and Lila Kenyon. They will be formally initiated into the work of the society. The initiation committee is Adeline Bellman, chairman, Dorothy McLain and Ruth Meifert, and we hear they have no mercy. We plan to continue the work on our rest room, of which the girls will hear and see plenty this year, under the guidance of Stella Buhl. Last year within the W. A. A. we organized a pep group; as the boys bring us the occasions for displaying our pep, it is the girls' part to back and boast them. Blanche Tyler, Natalie Gorski, and Alta Stauffer will be the instigators of this pep. The big occasion of the year is Homecoming, so the W. A. A. has plans under way for a float. Patricia Cowan, chairman, Ann Baird, and Esther Hawkes will head the float. A homecoming game is never complete without school colors and hot dogs for the crowd; so Estelle Buhl, chairman, Vivian Enge, and Jean Skinner are planning some sale of flowers bearing school colors, Frances Johnson, chairman, Dorothy McLain, and Jennie Newsome will tend to the hot dogs at the football games. We plan to make this homecoming the biggest ever.

In the meantime we want all the girls out for athletics on Tuesdays and Thursdays after school.

## Cottage Capers

The John Sims practice cottage of home Economics has claimed several of our Nelson Hall girls this year. We're sorry to lose them but they are not so very far away after all. Alice Falk, Irene Skutley, Lucille Schmidt, and Marion Kowitz are living in the south cottage this semester. Ruth Stiller, Alice Wallington, Laura Shoening and Flora Pike have the north cottage. The south cottage girls have just completed a week of "scrubology" and are ready to take up honest-to-goodness house-keeping. They have taken inventory and are now supplied with everything from a can opener to shoe blacking. We all wish the girls heaps of success, in everything from boiling water to firing the furnace.

## NELSON HALL NOTES

Hello Everybody!

Welcome to C. S. T. C. and Nelson Hall. It seems like old times to hear voices and laughter in the halls and inhale those appetizing odors "of eats" that find their way through the open transom or under the doors. The new girls have already fallen into this habit and I do believe that we old girls can learn how to prepare some new dishes of food if we "stick around".

I know that you girls have been doing your best to entertain the freshmen and make them feel at home. I've been listening at keyholes — you'll pardon me, I hope, because it's really part of my work, you know, besides my having a keen sense of curiosity. These are some of the things I've heard this last week. Listen, I'll burst if I don't tell.

The first dance of the year was given by the old girls of Nelson Hall for all freshmen on Monday night of last week. The floor was crowded all of the time and dancing was enjoyed by all to the time of our old faithful player piano. Punch was served and the test as to its goodness was told by its rapid disappearance.

Did all of you have a good time at the "Sing" Tuesday night? Although things did happen sooner than was anticipated and then were as quickly squelched with the help of the fire department, we enjoyed the singing led by Mr. Percival and accompanied by Alex Peterson, didn't we? Burton Hotvedt, our cheer leader, showed us that he hasn't lost any of his pep since last year. Let's catch the spirit and back the team. They're going to beat Marquette, you know. Let's give three cheers for the president too, for opening the gym for dancing. We appreciate Janet Alban's playing for us too. Weren't the doughnuts and coffee good?

I'd like to have been along on the hike to Red Bridge Tuesday. That new combination of crackers and bananas must have been scrumptious from the remarks I've heard. Ione Harvey and Mildred Lonsdorf said that their swim was great. I imagine it was quite invigorating at any rate.

Have you seen the unusual twelve inch dahlias on the McDonald Farm? Ruth Meifert, Genevieve Pulda, Mildred Bonas, Mildred Mulk, and Marie Rodosovich hiked out there Sunday afternoon and are still talking about it. Not satisfied with just returning the same way they had come, the girls explored unknown regions by trying to cross the river on stepping stones. When they found that the path ended in a clump of bushes half way across the river, they returned by way of the railroad bridge near the Soo Depot. They reached home just in time for supper with surprising appetites.

I also have some news and rumors for the old girls. Gertrude Siebert, who is teaching at the Lakeview School west of here visited several of the girls this week-end. She together with Helen Hammes, Ruby Hand, and Frances Johnson enjoyed a chicken dinner at the school Sunday. They developed their appetites by riding in the rumble seat of Gertrude's car.

Lola Belle Amidon stopped for a few minutes at Nelson Hall Sunday on her way to Madison, where she will enroll this year. Anita Dalton is also Attending Madison this year. We shall miss Lola Belle and Anita here but we hope they will have a successful year at Madison.

(Continued on next column.)

All of you who were here two years ago will remember Vivian Nichols who was enrolled in the Home Economics course. Word has been received of her marriage to Mr. R. W. Wood, and they are the proud parents of twin girls. We may have an opportunity to see them when Mr. and Mrs. Wood visit Nelson Hall soon.

Ann Jeselun was maid of honor at the wedding of her sister at Kenosha. The bride and groom brought Ann back to the dorm Sunday.

Dolores Chilsen had the pleasure of being bridesmaid at the marriage of a girl friend at her home in Merrill this week-end.

We're sorry to learn that one of the old Nelson Hall girls, Miss Helen Tisserand, is at home suffering from a nervous breakdown.

Those of you who attended summer school will remember Elsie Chapman. She is the sister of Mae Chapman who attended C. S. T. C. last year. Both of the girls have secured positions in Manitowoc.

Miss Helen Greenwood has gone to the General Hospital at Madison.

Little Miss Patricia Emmons who is taking her lunches at Nelson Hall adds much to the daily excitement and pleasure.

I nearly forgot to mention the "Pumpkin Pie" floors at Nelson Hall. Mr. Davidson and Mr. Schmeeckle are responsible to some extent since it was their summer effort which adds to the cleanliness and brightness of the rooms and corridors.

Before the entire student body arrived the football team caused a great deal of commotion and excitement both by their actions and appetites. The cooks were kept busy and were initiated into cooking for the regular family a couple of weeks before regular school began. I think they like cooking for the regular family, too, judging from the meals.

Miss Lauretta Farrell is assisting Miss Hussey this year in her evening work. This will make it possible for both of them to get enough sleep.

I guess this is all the gossip and hearsay I have heard. If you have any news or give any parties of which I don't hear of, I wish you would tell me about them or drop an account of the happening in the basket in the Pointer office on third floor.

Don't be surprised if you find me at your keyhole sometime.

Sincerely Yours,  
Nosey Nan.

P.S. The Nelson Hall family cordially invites the students and faculty members to their after dinner hops on Tuesday and Friday nights only. It is impossible to have "open house" every night because of other activities.

## NOTICE

College students interested in orchestra and band will have their desires gratified to their utmost this semester, if everything goes as planned. The orchestra will continue meeting on Thursday at 3:05 in the auditorium.

Bring your instruments and come today. If it is impossible to have your instruments today, Mr. Percival urges you to come anyway and have them here as soon as possible.

## ANNOUNCEMENTS

The friendly spirit of the citizens of Stevens Point is shown especially in the cordiality of the churches. All churches are planning special parties for Friday night to which the students of the college are invited.

Also, the Knights of Columbus will give a dance in their club rooms beginning at 8:30 to which the Catholic students are invited.

Get the "Bulletin Board Habit". The Bulletin board at the head of the main stairway on the second floor contains important announcements for all classes and clubs and also a list of the student mail. Get the habit of looking at the bulletin board, it may have a message for you.

for a tea to be given in the near future in honor of the Freshmen Home Economics students. This meeting will be held at the time set for departmental meetings.

The Round Table will hold its first business meeting at the regular 10:05 hour. The officers elected last spring were:

President: Helen Jordan.

Secretary Treasurer: Natalie Gorski.

At the first business meeting a vice president will be elected. Plans will be continued for an aggressive program for 1930. The Round Table is planning to carry out its full share in the school program for this year. It is especially planning to help carry out our home-coming program. The regular business meetings will take place in the evenings as the plans are now arranged.

At the assigned time for departmental meetings the Primary Council will meet with their new director, Mr. Steiner, to organize so that they may carry out their work for the coming year as effectively as possible. As stated above all students who are engaged in the Primary Course at C. S. T. C. are automatically members of this organization.

The Young Women's Christian Association and the Loyola Club are also functioning at C. S. T. C. The Y. W. C. A. is an active organization whose meetings are generally held in the recreation room at Nelson Hall. Any and every girl in school is eligible for membership. The Loyola Club is for Catholic students. Weekly meetings of the club are usually held in the Rural Assembly. It is under the direction of Miss Roach, Miss Hanna, and Miss La Vigne.

The Margaret Ashmun Club, named in honor of the author, Miss Margaret Ashmun, an alumna of C. S. T. C., is composed of students who have distinguished themselves in English and Public Speaking classes. In the Club contemporary literature is studied. The officers are:

President: Allan Hodell.

Secretary-Treasurer: Cedric Vig.

This organization is getting under way for the coming year, and plans are in the process of formation for an exceptionally successful year.

As yet no definite date has been set for the first meeting of Sigma Tau Delta, National English Fraternity. In the near future Mr. Burroughs will call a meeting when the officers for 1930 will be elected.

Sigma Zeta, National Scientific Fraternity, the Zeta chapter of which was organized in 1929 at C. S. T. C., has already made plans for a portion of this year's work and is looking forward to a successful year. The purpose of this organization is to reward those who have demonstrated ability in the field of science and to encourage scientific work in our college.

WHAT SHE LOOKED FOR

Williams—She boasts that she's not the kind of woman who's always looking for the latest wrinkle in clothes. Thompson—True enough—she spends all her time looking for the latest wrinkle in her face.

## New Books Added To The Library

During the summer vacation quite a number of new books have been purchased for our college library. A few of which will be helpful in the various departments are:

### Biographical:

The Adams Family—Adams  
Figures of the Revolution—Madeline  
Biography of George Washington—  
Rupert Hughes  
Rupert Hughes (3 volumes)  
Rutherford B. Hayes—Eckenrode  
Roger Williams—Easton  
My Life—Trotsky  
Emerson the Enraptured Yankee—  
Regis Michard  
Rockefeller, Giant-Dwarf, Symbol—  
W. H. Allen

### Scientific:

The New World of Physical Discovery  
—Darrow  
Man Versus Microbes—Nicholas  
Koppleoff  
Great Experiences in Psychology—  
Garrett  
Psychologies of 1930  
The Treason Shrubs of Minnesota—  
Rosendahl

### Modern Life:

Humanism and America—Norman  
Foerster  
Toward Civilization—Beard  
The Awakening College—C. C. Little  
The New Humanism—Samson

### Historic:

Jewish Influence on Modern History  
—Roback  
The Lost Tribe, a Myth—Goodbey

(Continued from page 1.)

The officers who were elected last year are:

Master Scientist — Fred Hebal.  
Vice Master Scientist — Miss Jones.  
Recorder Treasurer — Esther Hawkes.  
Contributing Editor—Theodore Rozelle.

The following committees have also been appointed:

Program Committee:  
Mr. Rogers, Mr. Pierce, Flora Pike,  
Fred Kuhl.

Membership Committee:  
Mr. Schmeekle, Miss Wilson,  
Mr. Rightsell.

Initiation Committee:  
Mr. Evans, Wilbur Stowell,  
Kermit Frater.

The first meeting of Sigma Zeta has been planned for October 9. Business will occupy the first part of the meeting. Plans are also being made to secure a Professor of Physics of Columbia College, Dubuque, Iowa to speak at this time. This man is the inventor of a new apparatus for the detection and showing of transverse waves for use in the teaching of physics, and should be of extraordinary interest to every member of Sigma Zeta.

We are all very earnestly hoping that this year C. S. T. C. can have another very effective Pep Club. It's up to everyone to help.

## PEICKERT'S SANITARY MEAT MARKET

JOHN N. PEICKERT, Prop.  
451 Main St.

Mrs. Minor — "What do you think of our steaks?"  
Greg — "Too small for their age."

### THREE CHEERS FOR THE ENGLISHMEN WHO GET THIS ONE

Scene I

Say! Look up my friend Lummuck when you're in St. Paul, will you?  
How will I ever remember his name?  
Oh, just remember it rhymes with stomach.

Scene II (Three months later)

Say! I couldn't find your friend Kelly.

## STUDENTS! A REAL PLACE TO EAT GRILL CAFE

### CATCH

I cannot sing the old songs,  
I sung long years ago;  
For all my notes are shaky;  
They will not sweetly flow!

But I can sing the new songs;  
Their tunes I love to bawl;  
For, luckily, the new... songs,  
They need no voice at all.

"I spotted that girl from a long way off," said the sun, as he beamed down on the freckled co-ed.

## Home Made Candy AT "THE PAL"

!!?&?\$(?)!!

Our subject for morbid wonder is as follows; a Welsh spelling bee.

Professor: "Where would Americans be to-day if it weren't for prohibition?"

We presume they would be in America!

### MONEY FROM SAP

He—You evidently think money grows on trees.

She—Well, it usually comes from the sap.

## TAKE YOUR FILMS TO NOAH'S ARK FOR RESULTS 123 Strongs Avenue

### NEVER LOST

He—My college was founded in 1864.  
She—I never even heard it was losted.

### LOTS OF PLUCK

She—It takes pluck to get to the top.

He—And when you're there, you get plucked.

### CAUSE FOR WRINKLES

She—You go to college, don't you?  
He—No. This suit looks this way, because I slept in it last night.

## HIPPITY HOP TO BERENS' BARBER SHOP [Under Hirzy' Store]

"That will be enough out of you," said the doctor as he stitched the patient together.

## SPORT SHOP GYM CLOTHING 422 Main St.

### HEARD AT THE DORM

"Oh, Gracious, there is a fly in my coffee, will it hurt it?"

Marshall: "Hurt it? Heavens, It'll kill it!"

"Don't you just love to see these young couples spooning around these nice nights?"

"I'll say I do — I'm in the furniture business!"

## BAEBENROTH'S DRUG STORE The Store For Everybody HOTEL WHITING CORNER

### SUSPICION

He—One-half the world doesn't know how the other half lives.

She—No, but I'll bet they suspect.

### THE HAPPY MEDIUM

"Why are you going to marry that jolly spiritualist you met?"

"He's the happy medium, my dear."
