OSHKOSH IS VICTOR
IN CLOSE CONTEST

Lead Lost In The
Last Minute Tosses

With 56 seconds to go until the end of the game, Pugh, right guard for Oshkosh, made a basket near the charity toss mark which gave Oshkosh a 28 to 27 victory over the Pointers, Friday night at Oshkosh.

Friday the “thirteenth” didn’t neglect to leave its calling card with Coach Kotal’s haskeeteers. The Pointers’ lead on the long end of the score 27 to 24 with two minutes to play was spoiled by two consecutive goals, one from mid-court by Arnold, the other by Pugh.

Schroeder Starts Scoring

Art Schroeder, the forward for the Pointers, started the scoring with a Point pass and heaved the ball through the net. Schroeder evened the count at two all after being fouled. Oshkosh then took the lead when Arnold made a basket from the side of the court. Neuberger registered a field goal after working the ball down under the Pointers’ basket. Hansen was substituted for Chvala and he soon knotted the score at six. Both teams were scoring, neither team more than 4 points in the lead, when the half ended 14 to 12.

Soon after the tip-off in the second half Petelin capped his second ringer to make Oshkosh’s score 16. Vrobel added a point to the Purple and the Gold after being fouled. Neuberger was given a free throw which brought the count to 14-16. Hansen shot from the side line which went through the net with a swish, to bring the count 16 all. The Pointers took the lead 24 to 22 after Chvala made a shot, and Neuberger and Vrobel added to the Pointers’ score with free throws.

Point Loses In Last Minute

Oshkosh took time out. When play was resumed, Vrobel was fouled again, and added a point to the score for Oshkosh. Soon after his free throw “Vie” was retired from the game because of personals. Pugh missed the free throw, broke through to score, with Stevens Point in the lead 20-24. With the Point leading 25 to 24 the Pointers made a basket bringing the score to 27 to 24. Two baskets by Oshkosh in the last minute gave them the victory.

Astronomer To
Give Talks Here

Central State has something to look forward to next Thursday when Dr. Roger C. Blackman of Chicago will give three lectures on Astronomy.

His first lecture will be given before the general assembly and his subject will be, “In the Depths of Space.” This lecture challenges the imagination to comprehend the vast number of stars or suns comparable to our sun, and answers the following questions: What are the spiral nebulae? How can we determine their size and distance? Is space finite? Is there a limit to the bound of celestial bodies in space?

Two classroom talks will be given the afternoon of the same day, the first is “Astronomy in Mythology”, and the second “The Advent Planetary in Chicago.” These are under the auspices of the Science Department but are open to all students interested. N. P. Dr. Blackman’s lectures are particularly interesting and are made especially so by illustrations and slides.

Freshmen Give
Annual Party

Valentine decorations added to the success of the Freshman party held last Saturday evening in the old Gym. Dancing, played by Ray Jacob’s Orchestra, was enjoyed from 8:30 to 11:30 o’clock. Novelty dances, such as a char- nival dance and a broom cut in dance were the features of the evening.

Ice cream sandwiches were served later in the evening. Several members of the faculty acted as chaperones.

New Lockers Here;
To Install At Once

New lockers for the boys locker room have finally arrived and are to be installed immediately.

Debaters Completing
Extensive Program

This year our debate team are carrying out an exceedingly extensive program. Thus far debates have been held with Lawrence and St. Norbert’s Colleges. These clashes have been exceedingly fine, besides giving practice to our teams. On Wednesday the debate Negative defeated very successfully with Carroll College and Milwaukee Teachers College — even after a hilarious celebration of the Mardi Gras. On February 23 our Affirmative will debate River Falls here. A trip to Madison is also being planned for the near future. On February 24 both of the C. S. T. C. teams will appear before the local Kiwanis Club. And then — on March 6th — the Conference Debates when our Affirmative will debate here with Platteville and our negative travels to Whitewater.

Pres. Hyer Leaves
For Convention

President Hyer is to leave today for Detroit, Michigan, where he will attend the American Association of Teachers Colleges Feb. 20 and 21, Monday, Tuesday and Wednesday of next week Mr. Hyer will attend the Superintendent Section of the N. E. A. which also is to be held in Detroit.

LARGE CROWD ATTENDS
SNAPPY ANNUAL SHOW

With the crowning of the king and queen at the semi-weekly dances the Mardi Gras was started to a climax.

Hebal Crowns Winners

Richard Marshall, the senior class candidate for king, and Thurza Iverson, the freshman class candidate for queen were the winners in the contest. King Richard and Queen Thurza, both attired in long flowing trims were crowned by the senior class president, Fred Hebal. Sylvia Brickson and Mary Agnes Boyle, alumnus of the college, acted as pages. The pair led the grand march, followed by all those who had costumed for the affair.

Shows In Main Building

The annual fiesta took place in the main building, with the shows being held in various classrooms on the first, second, and basement floors. The Mardi Gras was started with a matinee dance from 4 to 6 P.M. in the old gymnasium. Shows sponsored by a number of organizations began at seven o’clock and lasted until nine. A prize is to be awarded to the organization whose show took in the most money.

Main Show a Success

An enthusiastic audience in the auditorium greeted the performance of the main show, which was an old time Negro Minstrel. Mr. Allen, master of ceremonies introduced the orchestra and the various speakers, singers and dancers, including Mr. K. A. as Madame Queen. A special feature of this show was the harmonica player, Jimmy Hartley of St. Paul, who represents the Hohner harmonica people, and who is considered one of the best.

Join The Purple and Gold

The “Purple and Gold” is the name of the Radio Club sponsored by C. S. T. C.’s radio hour from 3 to 4 every day. Membership may be obtained by merely writing or telephoning the College Radio Hour, in care of WLIL or Mr. Burroughs. Many students and others persons who are not connected with the college have already joined this club. This is an annonymous club. Let us boost its membership!

Some girls are like seven days—
they make one weak!

Then there was the co-ed that thought the necks were used for head supports.

"Hop to it," yells Papa toad.

Miss Jones—"What is a worm?"

Tom—"A worm is a caterpillar what played strip poker."

Carolyn—"Toobad Shakespeare wasn't born in London."

Mrs. Ev—"If I were you, I'd have a thing in a fashion which may be understood by the most ignorant people."

"Yes, Miss Davis!" answered Wolf, "what part didn't you understand?"

Well, friends, farewell while I tie me to the stables to procure for me a horse and chaps to wear at the Mardi Gras.

IMPORTANCE OF THE T. E. EXAMINATIONS

The examinations conducted here last week under the auspices of the Wisconsin Anti-Tuberculosis Association offered a fine opportunity for the students of this college to check up on themselves under the guidance of men who have specialized in the field. To those students who showed any particular weaknesses valuable advice was given which, if followed, would make the danger much less or possibly eradicate it altogether.

This is not the case of the young people. For this reason, every student should be doubly careful of his health. What precautions are taken now will yield large dividends in later life. The fact that the mortality list of women is larger than that of men does not mean that the men can safely disregard themselves in this respect.

Most of the students have taken the advice given them seriously, but a considerable number have "pooh-poohed" the idea. The latter group of people either have a distorted idea of the importance of the advice, or they are not businesslike enough to figure out that a little care now during the critical years will insure a longer usefulness and happiness than otherwise. An earnest appeal is here made to these people to get "down to brass tacks" in this matter.

THE S. P. H. BAND

The Stevens Point High School band is an example of the high degree of excellence to which a high school band can be developed. This band gave a concert during the college assembly period last week that was thoroughly appreciated by everyone in the audience. Mr. Grindle, director, deserves the credit for the height to which this organization has risen.

FOR THOSE WHO FAIL

A little sketch will serve to point a moral and adorn a tale. The early career of Sir Edwin Arnold, famous poet and savant, was marked by an alluring teaching experience. One day as headmaster of a school, while taking a stroll, a lad across the hedge spoke to him, saying, "I am called a dunce, but I am not a fool." The lad had been classified and tagged. He had reached the fifth proposition in Euclid, the isosceles triangle, and it was for him the pons asinorum (the bridge of donkeys). Sir Edwin sat down with the boy and used the isosceles triangle as a figure merely to talk about other matters. After restoring confidence in this boy in the little episode, something was said about the fifth proposition. Sir Edwin remarked: "Are you going to let that old baldheaded mathematician of Alexander dicker you?" Pretty soon the boy said "Oh, I see it." Some years afterward Sir Edwin was traveling in Canada. At the approach of a very remarkable bridge across a mighty river he noticed a large isosceles triangle displayed, bearing the legend, "My First Bridge." The master engineer feat was the bridge across the stream. A table was there, the inscription, "My Second Bridge." The lad was Tompkins, who became the famous bridge-building engineer. Somewhere in that spirit we mean to carry on, regardless of the protest that democracy is a thing infrangible and a thing that lacks efficiency. Tompkins was labelled a dunce, but he was not a fool.

Nelson Hall Notes

Gasuntchit! I have just a few lines to let you know that the Nelson Hall family withstood the test. Upon my "noisy" tour, I didn't find very many rooms empty so you can see we have found healthy souls. Do you want to know our secret? Sleeping and eating are our favorite indoor exercises.

Fraying to the "unpredictable" weather, there were several family reunions again this week-end. Miss Lukas' mother visited her Sunday, and Miss Virginia Wetzel's brother had a "visit" of Nelson Hall Saturday. Miss Gertrude Conklin entertained a girl friend from her home Sunday. Mrs. Bruno Wetzel had a Sunday with her daughter Inez. Marjorie Rymer was delighted to see her "folks" on Sunday. Marjorie, who sprained her knee Thursday was able to return to the dorm Sunday. She will continue her rest cure before she resumes her studies.

The head waitress at the dorm is beginning to specialize in diets. Although the girls seem to insist that they would be well for Mardi Gras is a three week trip necessary. Marjorie is not able to come downstairs as yet. Mina Hunt has been suffering with tonsilitis, and Irene Miller has a touch of gripes.

Miss Ruth Roslock will be with us again next week. Her doctor has decreed a little longer vacation in order to regain her health. Misses Agnes Rindal and Mabel Malteg have gone home for two weeks rest following doctor's orders.

Miss Rowe almost became desperate this week due to the fact that the vestibule at Nelson Hall was overflowing with hearts. She was very willing if she would have to add a few feet to hold them all. What bothers me is the thought of all these men mailing their hearts to the very few unlucky ones who cannot boast of beaux. Miss Rowe held a Valentine Party Saturday night. Napkins, candles, and heart shaped candies carried out the "sweetheart" idea.

Some of the girls were lucky enough to see our team play Oshkosh. Miss Roach drove a car which accomodated several girls. The cheer leader together with the following girls represented C. S. T. C. Ann Jeselun, Estelle Buhl, Alice Lyman, Lila Kentropy, Ruth Stauffer, and Virginia Thiele.

Many of the girls have decided that they would like to have their birthdays on St. Valentine's Day because they will be served hot roast chicken, candy and other good things too numerous to mention which Wilma Gutzknecht received for her birthday Feb. 14.

Miss Bess Dewar spent the week end at Madison. She is not very rested but happy nevertheless.

The fund for the radio is steadily increasing. Helen Hammes and her helpers contributed $5.50 to

NELSON HALL NOTES

Tao Gamma Holds Formal Initiation

The social activities of Tau Gamma Beta sorority for the past week consisted of a dinner party and dance, Tuesday Feb. 10, and a theater party, the following evening.

The former was held in the private dining room of Hotel Whiting, the occasion being the formal initiation. Leonard Richards, Catherine Krembs, Jean Boyington, and Irene Skutely are the new members taken in to the sorority. Following the dinner program was held for the members and their escorts.

On Wednesday evening the girls entertained prospective pledges at a theater party at the "Fox", followed by refreshments served at the home of Madeline Rice.

Fraternity Visits Telephone Building

The members of Sigma Zeta fraternity enjoyed a novel meeting last evening in that they were the guests of the local Telephone Company. They were admitted to the building and the works of the various departments were explained to them in talks by members of the concern.

Rural Life Club

The regular meeting of Rural Life Club took place Monday evening in the Rural Assembly, the president, Eldore Bergsbaken, presiding. After a brief business meeting the following program was given:

Community singing, directed by Alex Peterson. The Rural Life Club sang two selections which were much enjoyed by the audience.

The meeting was turned over to Mr. Burroughs and the debating teams. This debate was between St. Norbert's affirmative team of West De Pere and the negative of Central State. This was a non-decision debate.

W. A. A.

We are getting ready to initiate some new members Wednesday, Kate Wiggins, Alice Lyman, Wilma Gutzknecht, Alice Sorensen, and Olga Leonardson, will suffer the dire ceremonies of the inferior delicious "scrumptious" for the Bagnall and Margaret Martens, though new members, will be initiated.

Skating season is nearly over, but riding is not. Sunday, many were getting into trim by the old five and eight mile hikes. Some turned their hikes into rides, but enjoyed the fresh air, and exercised their legs some too.

The way women try to elevate themselves is to wear high heels.

Y. W. C. A.

A large group of Y. W. C. A. girls attended the indoor picnic last Thursday. Mise Blanche Tytler, with the assistance of Miss Rowe, had planned a delicious luncheon. This meeting was the first of a series of monthly social gatherings, and was a decided success.

Rev. Shaver to Speak

Rev. Shaver will address the Y. W. C. A. this evening. The meeting will be interesting as well as profitable. Everybody out!!

Six Girls Pledge Omega Sorority

The Omega Mu Chi Sorority held formal pledge service by candlelight for the new girls Monday evening in the girls' rest room at the college. Refreshments were served after the service. The girls who took the pledge are Margaret Beardsley, Katherine Wiggins, Jeanette Marshall, Margaret Levy, Irene Miller, and Mildred Lonsdorf.

Chi Delta Initiate Murat And Luethold

The Chi Delta Rho fraternity formally initiated Edward Luethold of Shawano and John Murat of Stevens Point as new members last Thursday. A thirty-six hour banquet was served in the private dining-room of Hotel Whiting following the initiation. After the banquet the members entertained their lady friends with an evening of dancing. Mr. and Mrs. Allen Leahy were chaperones.

Speech Classes Give Two Plays

The assembly this morning was sponsored by Mr. Burroughs' first semester speech classes. The plays and the characters were as follows:

"Our Inner Selves"

Harriet                            Agnes Gaffney
Hettty                             Hilda Lukas
Margaret                          Ann Grady
Maggie                            Margaret Spangle

There were not as many costumes to judge, as last year, but all of them were very effective.
The prize for the best costume, a beautiful necklace, was awarded to Sylvia Brichton, who was dressed as Pierrot. This prize was donated by Mr. Ferdinand Hirzy. The judges were Mrs. Hugh Hoffman, Mrs. F. Marrs, and Mr. Ferdinand Hirzy. A carnival dance with balloons and confetti took place after the awarding of prizes.

Lunch was served in the Home Ec. department under the direction of Irene Skutley. A refreshment stand in the basement aided also in satisfying hungry revelers. Chaperones for the evening were Mr. and Mrs. Watson, and Mr. and Mrs. Rogers. Mr. Evans and Mr. Rogers, the faculty advisors of the Iris, aided by Elizabeth Rogers, as student chairman and Kermit Frater as head of the decoration committee were in charge of the gala affair.
