#### Dance After Game

A dance and special entertainment will be held in the new training school gymnasium after the St. Norbert's game Saturday evening. The entertainment is being arranged by Phi Sigma Epsilon fraternity.

Central State Teachers college team will play its first conference game at Oshkosh, Saturday, October 10. Tomorrow morning the team leaves by bus for Marquette, Mich., where the tall, lanky mine boys of Northern State Teachers college will entertain the Pointers on Saturday.

### EXPERT ARCHER MAY VISIT HERE, UP TO STUDENTS

#### Miss Seen Able To Hire Pro of National Fame At Nominal Cost

Students of the college who are interested in archery will, if sufficient interest is shown, have an unusual opportunity to receive instructions from Philip Rounseville, nationally known archer.

Mr. Rounseville, holder of many championship records as a bowman, has been spending his vacation in the north woods and has offered to spend a day in Stevens Point on his return home, to give lessons in the bow and arrow art.

Although \$100 a day is the archer's usual fee, Miss Eve Seen, director of girls' athletics, has arranged to have Mr. Rounseville come to the college at a more nominal price providing a sufficient number of students signify their

### GIRLS DISCUSS COMING EVENTS AT DEAN'S MEET

#### Womens' Athletic Association To Offer Many Sports This Year

At a meeting of the girl students of the school in the auditorium Tuesday morning, short talks were given by W. A. A. members to acquaint women students with the work carried on by the organization. Miss Bertha Hussey, dean of women, was in charge.

#### "Fresh Air" Slogan

Before introducing the girls who head the various sports, Miss Eva Seen, girls' athletic director, revealed her one secret to health "Fresh Air and Plenty of Exercise." "All for sports; sports for all" is the slogan adopted by the association.

Crystal Joseph, president of the Womens' Athletic association, called upon several members of the club who discussed the various girls' sports.

Olga Leonardson was the first speaker. Miss Leonardson discussed the hockey sport and its possibilities. Last year there were four teams in college.

Kate Slowey lectured on the volley ball sport. This year class teams will be organized and a tournament held. Kate Wiggins talked on basketball which will commence early the second semester. Alice Sorenson presented short shots on the tennis game.

Esther Sorenson introduced the equipment used in archery. Olga Wolfgram discussed baseball to the assembly. Ruth Lippke, lectured on the unorganized sports including horseshoe pitching, horse back riding, hikes and games. Tap dancing and tumbling will be given in late fall.

### "BOB" ELECTED CHAIRMAN OF HOUSE GROUP

Robert Breitenstein, sophomore, was unanimously elected chairman of the boys' house committee at a meeting held in the rural assembly room Tuesday morning. Herbert R. Steiner, dean of men, presided.

Five students will comprise the committee, a representative from each class and the house chairman. The body will assume responsibility of the boys' room.

"Eddie" Kotal, boys' athletic director, also lectured to the students relative to physical education problems. Classes in coaching will be conducted by Kotal providing a sufficient number of young men are interested in this course to warrant a class.

### Sam. Bluthé Sport Head With Pointer

Sporting news for The Pointer will be handled very capably by Samuel H. Bluthé of Plainfield, Wis. He was appointed last Monday to this position and has assisted in the composition of this week's page.

Bluthé is a Junior here and has had two years of journalistic experience on the staff of The Cardinal, the daily publication of the University of Wisconsin.

Clifford Peickert, originally the student appointed for this position last spring, has enrolled in Notre Dame. Another staff member lost is Gordon Utes, a reporter, who has withdrawn from school and returned to his home in Chicago.

### STUDENT COUNT REACHES 603, STILL RISING

#### Number Of Men In College Doubles Last Year's Attendance

The enrollment figures of Stevens Point Teachers' College surpassed the 600 mark Monday of this week. The number was increased to 603 on Tuesday and is expected to climb up to 625 by the end of the week. The local college has shown the largest increase of any of the other sister teachers colleges in the state according to figures based on 1930 enrollment and announced by E. G. Doudna, Madison, secretary of the board of normal regents.

The increase was figured on the basis of an enrollment of 590, which has since been surpassed, President F. S. Hyer of Stevens Point Teachers' college pointed out.

Enrollment at the state teachers colleges totalled 6,350 at the end of the first week of school compared with 5,743 in 1930.

#### La Crosse is Next

La Crosse and Whitewater followed closely upon the record of Stevens Point in increases.

Following are the enrollment figures for the nine schools, with last year's enrollment in parenthesis:

Eau Claire, 546 (507); La Crosse, 780 (665); Milwaukee, 1,470 (1,410); Oshkosh, 646 (607); Plateville, 440 (415); River Falls, 561 (475); Stevens Point, 590 (444); Superior, 717 (731) and Whitewater, 600 (489).

#### Superior Declines

Every school but Superior showed an increase and there the decrease of 14 students is attributed

The Purple and Gold linemen will receive added attention, it was announced today, through the addition of Gib St. Mitchell, former all-state and all-midwest end in '28 and '29, to the coaching staff. Mitchell, in addition to

### A VICTIM OF CIRCUMSTANCES

It is the accepted rule that a student medium is supposed to become highly excited and emotional over the possibilities of its athletic representatives and to attempt to pass the spirit on to its readers. We are confident that at the present time our spirit, hopes and expectations are so high that exhortations on our part are not necessary.

However, we fear one consequence. We perhaps are drunk with the idea that we have an All-American Pro coaching a mammoth and enthusiastic squad with another athlete of note assisting him in his endeavors. We fear that we vision state championships and wins without taking a few draw-backs into consideration. To be suddenly brought back to earth would only mean that the "wolves" would begin to howl and demand an unjustified accounting. This possible outcome is not pessimism on our part but a situation that has often found occasion in the sport world before. We do not want it to happen here as we are devoted to our coaching staff and want things to go well.

Collegians and local football fans should not forget that Kotal is handling a large and unfamiliar squad and that this is the first year that the men have had to become acquainted with his tactics. In addition, no easy schedule has been chosen by Kotal for his debut. He has picked one of the hardest possible and this is far from the usual practice with men making their first appearance under new colors. We take our hat off to our coach for this fearless attitude and believe that we should bear with him regardless of what the season may have in store.

We are not alone in our convictions and we do not feel as though we are adding the "wet blanket." Mr. Anton Pfiffner, sports editor of the Stevens Point Daily Journal, has made this attitude the essence of all his news articles and Sportscope editorials this fall. Allow us to quote one that appeared the other evening.

### KOTAL

"Eddie Kotal has made a success at Stevens Point Teachers college if his football team wins only half its scheduled games. Yes, even if it should lose them all.

Fifty young men out in uniforms is success in itself.

Kotal doesn't want sports fans here to expect too much of him. He says nothing about his football prospects this year but those who have had their chance to observe him at work believe that he will have a good squad.

They will know how to play football, know how to comport themselves on the field and in action and above all, they will have to be heads up in the game all the time or Kotal will have none of them.

Eddie knows his stuff. We bespeak for him the kindness of local fans not to judge him or his squads too quickly or too harshly.

Give the man a chance!"

Remember, we do not want to be accused of turning on the damper. If we must have our heads in the clouds on our athletic possibilities (as the writer has), let's keep our feet on the ground.

### LETTERS

The athletes who have been awarded their handsome block "S" sweaters, and the debaters and other forensic people who have their old-English "S" emblems will continue last year's tradition by sporting their captured and envied laurels on Thursday of each week. We like this tradition and sincerely hope that it will continue. We do not want the day marred however, by various and sundry High school emblems worn on the chests of former prep school men.

In the usual college the freshman who dares to produce a high school letter on the campus soon learns from the resulting "violent" reception that his laurels are more at place in his room. At Central State none of this so-called "violence" is resorted to but High school letters are still taboo.

Once out of prep school it becomes necessary to forget one's suc-

cesses and to begin all over again. High school leaders must now prove themselves college leaders. We are confident that our wonderful Freshmen class includes individuals that our school is soon to be proud of. We cannot help but experience an anxious anticipation for these evidences of leadership to appear in our activities.

### THAT MARQUETTE TRIP

Our football squad has been receiving state-wide notoriety because of its remarkable size. It is a tribute to the men of the school and more especially to Kotal's personality and ability as a leader.

But again we fear that Mr. Kotal will find himself in peculiar circumstances due to the game at Marquette Saturday, and he already has expressed himself on this possibility. He has had hardly more than a week in which to drill and scrutinize a half-hundred lot of husky gridders. In this short time he must select but two dozen of these men to make the enviable trip to Marquette, Michigan tomorrow. Our coach will be unable to select the best men and the most deserving of the squad for this trip in so short a time, and he has admitted that impossibility. When the Saint Norbert's game comes here the following week he will have an opportunity to find out what each man on his huge string is good for. But temporarily it will be necessary to "cut" the squad for expense purposes.

What we fear, and also what Kotal fears, is that the boys who must remain at home for the trip will figure themselves definitely "Out" and will drop football on their own accord. The coach wants them to stick with him over the week end and to come in strong in the preparation for the St. Norbert's tussle. It perhaps is easy for a diminutive, soft-handed journalist to remark, but we will not hold the man in very high esteem who drops the squad without Kotal's official "Cut" simply because the griddler thinks "he hasn't a chance." To be able to hold out on that fine string of men until official slashing is done is not a disgrace but instead a tribute to any football man.

We have witnessed plenty of good, vicious blocking and tackling, and what seems to us to be the real football spirit from this large squad of ours. Our curiosity is aroused to the pitch as to the outcome of Saturday's affair with the husky Miners. We will be anxiously awaiting the return of a telegram Saturday afternoon telling us (let us hope) of our first but not last victory of the season.

Perhaps the team would appreciate a few telegrams themselves. The organizations and interested individuals of the school and city should have that locker room covered with yellow sheets when Kotal begins to instill the "old pepper" in his men before the kick-off.

### A SUGGESTION

A helpful hand has just presented the editor with an idea for an editorial. The theme is supposed to be "What this new five-cent cigar needs is a good country."

## NELSON NOTES BY NAT

Back again—

And glad to see you all — freshies and old students. The "family" was home to the Freshmen on Monday evening, September fourteenth, at the annual Frosh Mixer. Besides the Freshmen who responded with their usual enthusiasm there were present, President and Mrs. Hyer, Miss Roach, Miss Seen, Miss Brown and Mr. Mott. A round of clever stunts was sponsored by Harriet Nelson, Dorothy McLain and Alta Stauffer. The crowd enjoyed to the utmost the WLBL broadcast directed by Bob Neale and provided by the Bake-Rite Doughboys. Dancing was enjoyed in the Nelson Hall recreation room. The refreshments were in charge of Helen Hammes.

The Hall-ites were greeted this year with newly decorated walls not outdone by any on the campus. We also have beautiful new drapes and a new dial telephone system.

The usual hum of conversation in the dining room was somewhat dimmed Friday evening when a number of "lucky" girls deserted the Hall for the week end. Amherst claimed Marjorie Moberg and Maybelle Peterson; Manawa, Roberta Lindow; Nekoosa, Frances Korbal; Westfield, Elda Miller, Thelma Crawford, Margaret Mortenson; Wittenberg, Alma Anderson; Marshfield, Marcella Hoerl, Dorothy Koch; Endeavor, Lodemia Johnson. Those who trekked to Medford were: Jane Russell, Marian Howard, Eleanor and Dorothy Griesser; Stetsonville, Sadie Klimeck; Wisconsin Rapids, Laura Kretschmar; Vesper, Carol Hartsough. Wausau claimed Marguerite Schroeder, Arline Dumke, and Margaret Bernard who, of course, enjoyed another "peek" at Rib Hill; Colby, Ruth Smart, Alyce Rohrer; Port Edwards, Jean Lynn; Waupaca, Jennie Newsome; Milladore, Rose-lind Decker; Mattoon, Vera Kramar; Antigo, Loretta Robillard, Carol Keen; Sherry, Dorothy Le Roux; Green Bay, "Way East", Agnes Hayes; Withee, Emaline Martin; Merrillan, Frances Johnson; and Appleton, Mildred Osingar. Of course they enjoyed the week end to the utmost.

Miss Hussey entertained the members of the Y. W. C. A. cabinet Thursday afternoon at four-thirty. The Misses Blanche Tyler, Alta Stauffer, Ruby Hand, Frances Johnson, Kathryn Wiggins, Jennie Newsome, Inez Braun, Doris Erickson and Ida Lahti were present. Plans for the Y. W. C. A. program for the year were discussed, and the girls were surprised with a dainty lunch of delicious cherry custard ice cream.

Nelson Hall was quite well represented at the district Inter-denominational Young People's Conference which was held Sunday at Isherwood Hall near Plover.

The Hall-ites who attended were Amy Boeyink, Loretta Lansing, Amanda Marggi, Fern Pedrick and Alta Stauffer. They reported a "good afternoon".

Birthday parties are in order again, Miss Laura Kretschmar's was certainly a novel one. Laura and her roommate, Miss Wilma Wilma Gutknecht were royally entertained by the former's parents at a "marvelous" picnic dinner at Robertson's Park Monday evening.

Miss Eleanor Goerbing, a former C. S. T. C. librarian, was a guest at Nelson Hall Saturday evening. Several other "old faces" were seen here this week end. Miss Josephine Schroeder, '31, brought her sister back from Wausau Sunday evening. Miss Ruth Rosalach visited friends here Saturday, and Miss Esther Hawkes, '31, who teaches at Rosholt, surprised us Sunday night. Oh, those talks about old times!

It is reported that the Nelson Hall girls as a body stand nearly 100% in the use of the municipal library — a true sign of good teachers. We do love to read.

I'll be with you after another week of "hard" work.

W. A. A.

## MEMBERSHIP

All girls interested in athletics and active in extra-curricular activities are eligible for membership in W. A. A.

The following quotation from the constitution will give an idea of the requirements:

"Each woman desiring membership shall present her name in writing to the Secretary, and after being passed upon by the Executive Board, reading the constitution, taking the pledges of membership and paying the initiation fees into the treasury she shall be declared by the President an active member of the Association and her name shall be placed on the Secretary's roll."

Participation in the various athletic events will yield points which will lead to the winning of various awards. Those girls desiring membership in W. A. A. should keep track of the hours spent in the sport activities during the first semester for these will be estimated on the following basis.

Head of Sport ..... 20

1 hour practice in any organized activity including tournament games ..... 5  
Perfect attendance at practice for any organized activity .. 10  
1 hour practice in any unorganized sport ..... 2  
Tournament games (irrespective of number) ..... 15  
Perfect score in stunt tests ... 15

## Hockey

Hockey practice begins next week. The days scheduled are Tuesday and Thursday at 4:00 P. M. on the College Athletic field just west of the tennis courts. As all girls are eligible, whether they know the game or not, we expect big things in the way of hockey this fall.

Previously there have been class teams as well as two representing the school's colors. These girls met with much success last year. To make things much more interesting we can look forward to a banquet at the end of the season.

## Archery

Miss Seen will start archery lessons next Wednesday at 4:00 o'clock. Archery has been a popular sport in the college during past years and we would like to see a good number out this fall. If any girl plans to have instructions from Mr. Rounseville, nationally known bow man, begin practice now.

Watch the W. A. A. Bulletin board just east of the library for further announcements.

# PLAYERS TO SEE PACKER-BEAR GAME

## LOCALS DEPART FOR MICHIGAN EARLY FRIDAY

### Twenty-Four Players To Be Taken On Trip To Marquette

Friday morning at 8:00 o'clock, Coach "Eddie" Kotal's hopefuls will inaugurate the current football season by making their annual trip to Marquette, Mich., to play the strong Northern State team. The Purple and Gold gridders are still smarting under the sting of a 7 to 6 trimming administered by the Upper Peninsula men, but the addition of a little of Eddie's "old pepper" is expected to bring victory to the locals.

### Hard Battle Expected

A hard battle is expected, as a good share of Marquette's varsity squad of last year is back, and several new upper-peninsula stars will be flashed against the Kotalmen. The Point squad is an unknown quantity as yet, Coach Kotal not having had sufficient time to size up his warriors. Saturday's game will give Coach Kotal an opportunity to view his material and select a first string eleven for conference games.

### "Eddie" Has Hard Job

With a turnout of 55 gridders, only four less than Coach Thistlethwaite's squad at the U. of W., Kotal has been confronted with a difficult job in sifting over this material, and finding eleven men of varsity caliber. Twenty-four players will make the trip to Marquette. As we go to press Coach Kotal is still adamant in refusing to reveal the make-up of the squad. When questioned on this, he replied, "The only one I know who is sure to make the trip is myself."

### Leave Friday Morning

The gridmen will leave Stevens Point by bus at 8 o'clock Friday morning, stopping to eat at Antigo or Crandon. They will debark at Iron River to limber up and run through signals, and will arrive in Marquette at 9 o'clock Friday evening.

After the game Coach Kotal's warriors will move on to Escanaba to recuperate, and, we hope, celebrate victory. Sunday they will journey to Green Bay, and attend the Packer-Chicago Bears game. This will give Coach Kotal a chance to meet his old friends, and tell them how he would do it if he were in there.

#### Not a One-Sport Man

That Mitchell is not a "one sport" man is evidenced by his record, which includes two years as a letterman on the Lawrence basketball team, playing a guard position. He also was active in swimming, track, and boxing during his college career. It is rumored that "Gib" will be induced to remain at the Point through out the year. His services will give an added impetus to sports at the Point.

### Miller And Atwood Will Box At Armory

When Stevens Point's first boxing show gets under way at the armory building tonight two local college "pugs" will be included on the pugilistic program.

Russell Atwood and "Eddie" "Buckie" Miller, both members of the local football squad, will appear in four round bouts. Atwood will meet Vern Skinner and Miller will meet "Chief" Ira Miller. Atwood and Miller have been receiving instructions in the use of the gloves from "Chick" Miller, a former pro and now local boxing instructor.

## KOLLIN'S KRAZY KUTUPS

Notice to Freshmen!!!

Wrap your troubles in work and then work your troubles away.

They say a sharp nose denotes curiosity, therefore, a flat nose denotes a little too much curiosity.

### LOST

Russ Atwood — "Did you see my dog, Sport?"

Bud Van Roo — "What's your dog's name, Fido?"

Russ Atwood — "No, Rover."

### POOR VISION

While talking to a few of the Freshmen I discovered that they thought "a blind date" was a place where you keep your eyes shut.

Senior — "What is your greatest ambition?"

Junior — "To die a year sooner than you."

Senior — "Why?"

Junior — "So I can be a great Senior in Hades when you get there."

Johnny and his Mother at the Circus.

Johnny — "Mother, ain't that a hell of a big elephant?"

Mother — "Johnny, how many times have I told you not to say 'ain't'."

A Co-ed speeding down Main Street was stopped by a policeman.

Policeman — "Where's the fire, young lady?"

Velva — "Right in your big brown eyes."

When girls used to go swimming they reminded us of Mother Hubbard, now however, they remind us of her cupboard.

### WHAT A MAN

Clarence Styza — "I am a self-made man."

Mr. Burroughs — "Why didn't you finish yourself?"

### ODE TO LANDLADY

Give us this day some wheaten bread

For that's the stuff we're paying for

This junk you feed us, made of lead

Would surely choke the gods of war.

Unless you give us something new I'll not be here to heed your bell

If fate should send some review I'll kick the stuff clean into Well I'll send it where it will be warmed for the last time.

## Point Shows Biggest Gain Of Colleges

(Continued from page 1, col. 4)

to the fact that many part time students from Minnesota were refused admission this year.

The total enrollment will increase in the next few weeks, but the proportional increase will remain the same, Mr. Doudna believes.

The increase was not expected by the regents and the presidents, as it was believed that the depression would materially decrease the enrollments, particularly since there was a sizable increase last year.

### More Paying Way

"From reports I receive," Mr. Doudna said, "More students are seeking work at school than ever before. This would indicate that many students have returned to school because there is nothing else to do and they intend to use this slack time in continuing their education. Since the university reports that its freshman enrollment will be smaller, it seems logical that many students are choosing the institutions nearest their homes. Also, it seems that students think the teaching profession, overcrowded as it is, offers a better opportunity for the job seeker than any other."

One of the outstanding features of the enrollment here is the fact that the number of men students at the college has been doubled.
