ZORN'S GRIDDERS OUR GUESTS

A HUGE PARADE, DANCE AND HOP TO GREET GRADS

New Rules Adopted By Greek Council; No Sorority Pledges

Greek Council held its first meeting Tuesday evening, September 27, following the sorority and fraternity meetings. This year the council is made up of the following members:

Omega Mu Chi, Roberta Lindow and Margaret Lavi; Tau Gamma Beta, Pearl Merrill and Elizabeth Nuebarger; Phi Sigma Epsilon, Cedric Vig and Celeste Nuese; Chi Delta Rho, Donald Duggan and Edward Luehthold. Cedric Vig was elected chairman of the organization, and Edward Luehthold was elected secretary.

Adopt New Rules

The following list of rules comprised the business of the meeting:

1. A student must be enrolled for at least one semester in C. S. T. C. before he or she will be required to be "rushed or pledged" by a fraternity or sorority.

2. Rushing for this semester will commence October 3 and continue through October 10. On October 11 invitations for pledges shall be presented to the respective deans for approval and mailing. The week of October 11 to October 17 inclusive shall be known as "silent week" during which no organization shall engage in rushing or pledging.

Pleading shall begin on Tuesday, October 18 and continue for four weeks, until November 15. The last period of this pledge week shall be known as "hell week", November 8 to 15 inclusive. It is left to the discretion of the fraternity or sorority for the date and manner of formal initiation.

No Paddles in Class

3. No paddles or devices which cause disturbance shall be permitted in the class rooms or halls during the entire pledge period — during school hours.

The fourth Tuesday of every month shall be the regular meeting hour of Greek Council.

No Sorority Pledging

Maybe it's lack of material and maybe it's the "depression" but whatever it is the Omegas and Tau Gammas have agreed not to do any pledging this semester. However the real situation is this: — A great many girls from each sorority were graduated last year and the girls who are left feel that it would be to their advantage to wait until next semester, when they can take more than just two or three girls into the organizations.

Be on your good behavior girls, you're being watched.

Welsh Group To Sing Here Next Tuesday

Next Tuesday morning, Oct. 11, at assembly a real treat in store for local college students. The world renowned "Welsh Imperial Singers" will again entertain us. The singers have the distinction of being Britain's greatest male ensemble.

Dr. Charles E. Barker's lecture on "How to Get the Most Out of Life" was presented with a punch in every word to the student body last Tuesday. Dr. Barker was physical adviser to the late William H. Taft, when the latter was president.

whole raft of pep makers in Fritsch, Schwahm, Vimpan and Holubetz the 756 students should be able to clean up any student body with a moral victory.

Every one knows of Fritsch's ability as a Paul Whiteman, and his cheer leading, has just as many movements. Vaughn and the rest have plenty of "it".

Teachers To Convene Here On Saturday

A convention will be held in the local college this Saturday when 40 professors and teachers from the different colleges and the university of Wisconsin will convene to discuss problems pertaining to geography.

Banquet At Hotel

C. F. Watson, director of the grammar department, said the assembly will open with a business meeting at 9:30 o'clock Saturday morning. In the afternoon at 3 o'clock the guests will be taken on a sightseeing trip. A banquet at Hotel Whiting at 5:30 o'clock will conclude the day's program.

Awarded Our City

In former years the geography instructors meet bi-annually at Madison. Stevens Point is the first city to be awarded the convention outside the capital city. Hereafter the group will meet annually.

FREE TICKETS TO LOCAL SHOW

Last week's winners of the free Fox theatre ticket contest were Doris Leavens, Mosinee; Pete Peterson, Amherst; and Miss May Bosch of the faculty. If you can correctly spell your name from any one of the three lines below report to the Pointer editor. The complimentary tickets are good at the local theatre any time.

The winners below include one coed, one male student, and one faculty member:

(First Winner) - REDSONANTLOG
(Second Winner) - HOLDREDRAWTUEL
(Third Winner) - NIPLEDSRANKPHN
We have received several letters during the past few weeks from High school students relating to our all school and college parties. Apparently they have misunderstood the meaning of the action taken by our college on this point.

We heartily agree with the action of T. A. Rogers and his social committee in prohibiting outsiders from our private all school parties. We don't try to break in on a Rotary club, young married couples', or High school dance. Why should they be entitled to invite themselves to ours? After our 800 students jam into the gym we hardly have room for more.

However, this action only applies to our school parties. High school students and townspeople are always welcome to our college dances after football and basketball games. Our homecoming game is next week and we openly invite all people to the dance in our new gym at night. We are not overlooking the fact that some of our present High school students will comprise our college group in a few short years. We enjoy having them mix with us and we always try to give them a warm welcome here.

But, to ask a little privacy on our class and college parties, surely isn't stamping on the toes of our prep students or townspeople. When admission is charged at our dances, High school students are taxed the same price as college students. A rumor had it that they were being taxed a higher rate. Townspeople, however, are charged the regular outsider admission.

Let's bury the hatchet. To prove our statement we invite all High school students and townspeople to our big homecoming game and dance on Saturday, Oct. 15.

**OUR ELECTIONS AND POLITICAL**

Class elections will be held on Thursday, Oct. 20, at 11 o'clock after the regular assembly hour. Students should take this matter seriously. Your selection of class officers will, to a great extent, determine the activeness and stability of your group during the coming year. You have two weeks in which to acquaint yourselves with your fellow classmates. Now is the time to scout around for candidates.

Every wide-awake college has a certain amount of politics in it—and we have reason to believe that students will find it here. Our recent state primary election shifted the political power from one group to another partly because of a powerful and successful campaign drive. As college students we should have sufficient initiative and enthusiasm in politics to be concerned in class elections.

When we vote for our officers two weeks hence, let's vote with a serious intent—and let's forget our High school tricks. Pick out your choice of class officers and start campaigning for them now. Why not make Thursday, Oct. 20, a real political day in the local college?

---

**Hard Times Hit Madison Houses**

Five fraternity and two sorority houses active on the University of Wisconsin campus in 1931, have been forced to close their doors because of financial difficulties during the last 12 months. This report was issued by Scott H. Goodnight, dean of men.

---

**REMEMBER**

The Humor Contest sponsored by the Pointer closes Next Monday, Oct. 19. Three big prizes for the best jokes or funny stories submitted. Drop your entries in the Pointer mail box on the third floor.

**BROADCAST**

**RADIO PROGRAM IS ANNOUNCED**

The Purple and Gold Radio Hour, to be broadcast over station WIBI, at three o'clock Friday night, will include several piano solos by Mrs. Carol Van Baskirk, several popular piano numbers by Donald Halver son, the College News by Burton Hoitvedt, numbers by a trio, XYZ, Home Economics hints, and several violin solos by Fritz Knud sen. A very clever playlet, "Don't let the Preps rule me," has been adapted from a story in Colliers Weekly. Gerhard Willecke is in charge of this week's program. He will also do the announcing.

---

**CONSOLATION FOR THE PREPS**

Dear Editor:

Of course there are high school students who will feel hurt now that social committee dances will be limited to the college students who originally pay for them. The argument will be that the preps are good enough when we want to treat them welcome when they haven't any. As a student I believe that we should take that attitude. Paid dances are never as crowded, but it is logical that college students should have first preference, and there just isn't room at a free dance for a second preference.

Sincerely,

**LOUIE LEE AR**

P.S. This is the kind of a letter that makes us student loans delight to receive. Such letters show that our students still believe in the fine virtue of meeting their own obligations.

LOCALS TO OPEN AT WHITewater

GRIDDERS SET FOR HOT SCRAP IN ENEMY CAMP

Kotalmen To Leave Friday Noon For Southern Battle; Squad Fit

Conference football makes its bow Saturday afternoon, when Coach Kotal takes his gridders to Whitewater to meet the strong Purpure squad.

Gridiron Grudge

The Southerners have always been tough picking for the locals, last year they surrendered the local gridiron for a 14 to 0 win, and shame forbids our mentioning the score of the year previous. However, this is another year. If you don’t believe it, look at the calendar.

The Pointers will be in shape for the Whitewater game, according to trainer Shafton. Garber will be fit to go, and Christenson and Reimer are in perfect trim.

After the Whitewater game local fans are looking forward to the big game of the home season, the Homecoming tilt with Eau Claire.

Strong Team

The Whitewater team numbers many veterans of last year’s play, and their new material is outstanding, observers state. Last Friday they indulged in their final warmup for the Point game, meeting St. Viator’s College of Kankakee, Ill. Coach Kotal scouted the game, and brought back a good idea of the Water style of play.

A student manager is expected to start the team out in the right frame of mind to bring back that game.

ColLege Bouts To Be Held On Athletic Field

“Windy” Thomas Directs Pugs In Workouts For The Glove Tourney

Another boxing tournament, staged by “Windy” Thomas and presented by the Athletic Association, is planned for the near future, according to Coach Kotal.

A Real Show

Those who saw the fights held in the new gym last spring will appreciate the treat in store for them this fall.

“Windy”, the school’s outstanding professional boxer, is working out a group of ambitious leather pushers, showing them the

SAM’S SPORT HORTS

Conference football is not regarded very highly by Milwaukee sports writers. They write that the conference looks quite weak.

For instance, Oshkosh was not impressive, although they beat, 13 to 7, Marquette, Michigan. River Falls didn’t show exceptional strength in defeating Maclay.

Superior and Milwaukee alone have shown strength, the Peds defeating Elmhurst, and Superior snowing under her opening opponent.

Stout and Eau Claire are not particularly strong, while our own Kotalmen took it on the chin from Carleton.

And at this time every year, ladies and gentlemen, we start predicting football results. Last year we batted about .500, which is pretty fair guessing.

Next Saturday’s results should be:

Stevens Point to beat Whitewater
La Crosse to whip Platteville
Milwaukee to take Oshkosh
River Falls to beat Stout
Wisconsin to trim Iowa
Point High to edge out Wausau

fine points of the game, and getting them in shape.

Held Outdoors

According to tentative plans, the fights will be staged on the new athletic field, under installed lights. The following men have signed their intention of engaging in this form of modified murder:

Garber, Biemer, Ombolt, Greene, Abel, Koehler, Anby, Fritsch, Roshak, Willscek.

Cross Country Team Proposed

A varsity cross-country team, planned last year, but dropped because of lack of financial backing, has been proposed again by Coach Kotal.

Veteran Material

The fine showing made by the Point tracksters is undoubtedly a factor in the renewed interest in the sport. Track lettermen, such as Scribner and Reichert, could provide a veteran nucleus to the barrier squad.

Real Competition

Another point in the favor of the cross-country team is the possibility of conference competition. Milwaukee has always had a strong barrier squad, and other colleges can provide suitable opposition.

Men who have signified their intention of going out for the team are: Greene, Koehler, Scribner, Reichert, Mills, Tutt, A. Baker, McDonald, H. Mueller, Ringness, Roberts.

Student Managers Will Be Assisted

The call issued by managers Harris Shafton and Bill Herrick brought out many applicants for the job of assistant manager. Out of these were selected three men—Gilbert Busch, Bonduel; Ray Urbanowski, city; and Albin Dumphy, also from Stevens Point.

After one year of service as assistant the two managers and Coach Kotal will select a manager for next year. When the manager has served a year he will be awarded an “S” sweater.

Next year one of the assistants will be chosen to fill the vacancies to be left by Shafton and Herrick who expect to enroll at Wisconsin.

Marshfield And Point Fail To Score In Stiff Opener

VALLEY STANDINGS

Tomahawk ........ 0 2 0 .00

Saturday’s Results

Stevens Point 0, Marshallfield 0.
Nekoosa 7, Antigo 0.
Wisconsin Rapids 1, 1.
Stevens Point 1.
Wausau 1, Shawano 13.

Next Week’s Games

Wausau at Stevens Point.
Merrill at Antigo.
Marshfield at Wisconsin Rapids.
Tomahawk at Rhinelander.

A bitterly fought game between the Stevens Point preps and Marshfield High School ended in a scoreless tie at Lincoln Field, Wisconsin Rapids, Saturday. Although the Pointers literally “mopped up the field” with Marshfield, reeling off seven first downs to the Wood County gridders two, they lacked the scoring punch.

Pointers Threaten

A wonderful scoring chance was missed late in the second quarter, when they had the ball on Marshfield’s four-yard line and were unable to put it over in the half-minute remaining.
Girls' Hockey

COEDS ENJOY SPORTS

Many have reported for the fall sports for women. About a dozen girls are in the advanced tennis class. The bowling class includes twenty-one. Archery claims twenty-four students while hockey draws the largest group—forty girls. It is not too late to report yet. If you are interested in any or several of the activities, report at the regular practice hour.

HAMBURGER STAND

The first regular meeting of the Women’s Athletic Association was held Wednesday, September 28, in the Girls’ Lounge Room. After the routine and special business were taken care of, including all Homecoming arrangements, Professor Culver spoke on Sports, in general, and Archery, in particular.

W. A. will sponsor a hamburger stand on the Athletic Field during the Homecoming Game. Watch for further announcements of this feature!

Hot Dog Feed

Last Thursday fifty girls hiked to Scribner’s for a hot dog feed. Hot dogs were only a few of the vienals upon which the girls feasted. After most of the vienals were capably disposed of, the girls gathered round the bonfire for a “sing”, including folk and popular songs.

JOIN Y. W. C.A.

If you haven’t already signed up and you do want to join Y.W.C.A. this year, see one of the Cabinet Members immediately. Next Thursday the initiation service for all new members will be held. Watch the bulletin board for an announcement of the place and time.

THERE WILL BE A CABINET MEETING TONITE AT 7.30 IN THE RECREATION ROOM OF NELSON HALL.

Thompson Elected Men’s Room Head

Arthur Thompson, senior, was elected Chairman of the House Committee, at the last Dean’s meeting. The other members of this group will be selected, one from each class, as soon as the class meetings are held. The committee will have charge of the men’s lounge room, where improvements, through President Pieters’ efforts, have made it a very “clubby” meeting place.

ADVANCED TENNIS

From 4.30 to 5.30 o’clock on Mondays, one may see advanced tennis players improving their technique. Beginning lessons are given in all gym classes. All girls interested in tennis are urged to practice whenever possible. When you have mastered the fundamental strokes of the game, come to the Monday evening practices.

RIDING LESSONS

The class in horseback riding started its maneuvers Saturday morning at the Riding Academy with a two hour lesson in mounting, dismounting, seating, saddles, and other material necessary for good horsemanship. About thirty girls have signed up for this type of Phy. Ed. work.

GIRLS’ Hike

On Wednesday evening, September 21, more than 50 girls hiked to the Old Waterworks Park for a hamburger feed. And were those hamburgers good! One had to be there to appreciate the extraordinary “goodness”. After the feed, Thyrza Iverson, president of W. A. A., introduced each of the Pointers, in turn, to tell something significant about the particular sport of which she has charge.

DON’T FORGET TO RECORD YOUR PRACTICE POINTS ON SHEETS OBTAINABLE FROM MISS SEEN!

Michelsen Forms New Band Group

At a band concert given at Almond Friday evening, Mr. Michelsen, head of the local music department, directed the “Bueche neer March”. Alex Peterson, who was graduated here last June, is the head of the Almond High school music department and was in charge of the program. Mr. Michelsen will select a 98 piece band from high schools in central Wisconsin and will direct this band at the Central Wisconsin Teachers Convention at Wausau tomorrow.

Organized combat between freshmen and sophomores is still contemned at some Universities.

SIGMA ZETA NOTICE

All active members of Sigma Zeta are asked to be on the lookout for new members, both active and associate. Names of ineligible students are to be handed to Miss Jones, chairman of the membership committee.

SOCIETY NEWS

“Bloo” Meets Tonight

Members of the recently organized “Bloo” club will hold their regular bi-monthly meeting tonight at the home of Tom Smith, 500 Division street. Mr. J. R. Pfiffner, local attorney, will be the guest speaker. Next week the organization held its first meeting at the home of Professor Norman Knutzen, 1204 East Normal Ave. Professor E. T. Smith and Capt. Ferdinand by Hirzy, the club’s guests last week. The club membership is limited to nine. Burton Hotvedt is chairman.

Fraternity Dance

The Chi Delta Rho fraternity will sponsor a dancing party next Saturday evening. The dance will be held in the new gymnasium, and the music will be furnished by Ray Jacob’s six piece orchestra. Chaperones for the affair will be Mr. and Mrs. Rightsell, and Mr. Knutzen. A small admission price will be charged.

Soph. Party

A record crowd attended the dancing party last Saturday night in the new gymnasium. Ben Mannis and his seven-piece orchestra furnished the music for the evening. The Sophomores, under the direction of Richard Schneelck, in cooperation with the social committee, sponsored the delightful party. Mr. and Mrs. Schneelck were the chaperones for the evening.

Phi Sig Smoker

Phi Sigma Epsilon fraternity entertained prospective pledges at a smoker at the Gingham Tea Room Friday evening. Refreshments were served.

Dorm Dance

A very congenial crowd gathered at Nelson Hall for a dancing party Friday evening. Music was furnished by the most human of orchestras, the player piano. The receipts are to be used for the Nelson Hall Homecoming Float.

Rural Life Club

The second meeting of the Rural Life Club was held Monday night, October 3, in the Rural Assembly room. A very interesting program was in store for the members. Community singing was led by Roland Koyen after which Irl Thurber, the president of the organization, gave a short address. His talk conveyed to the new members the thought of how much the Rural Life Club had meant to him as a former student. Two vocal solos were given by Roland Koyen, “Danny Boy” and “Brown Bird Singing.” An interesting recreation in Swedish dialect was also given, and Mr. Neale showed and interpreted several of his favorite pictures.

New Singers Turn Out For Mixed Chorus

According to Professor Peter J. Michelsen, over 75 reported for mixed chorus tryouts on Monday night. The number is almost double that of last year and with the addition of several more voices, it is expected that the chorus will be greatly improved.

To Work On Opera

Perhaps the most important function of the chorus this year will be the rendering of all vocal selections from the opera “Faust”, by Gounod, to be presented before the assembly sometime in March.

The music has arrived, and the College orchestra is now practicing for its part in the opera.

“IRIS” Staff To Be Picked Soon

Plans for the new 1932 “Iris”, annual yearbook of Central State Teachers college, is well underway. The officers chosen last year by the Junior class are Eileen Mueller, editor; and Art Thompson, business manager.

Mr. T. A. Rogers is the faculty advisor. The selection of a complete staff, at the first class meeting, will start the work of the annual yearbook.

THE POINTER
NEW SYSTEM TO BE ADOPTED FOR LOCAL DEBATTERS

Stevens Point Is Croned As Site For Tournament Many Veterans Back

Intercollegiate debates this year will be conducted under a new system, according to Prof. Leland M. Burroughs, head of the speech department, the plan of three-men teams with debates held at each of the nine colleges in the league has given place to what is known as the "two-man tournament system".

Tourney Held Here

C. S. T. C. has been honored in being chosen as the place for this year's tournament. Every teachers college in the state will send its debate teams here for competition, the winners of the tournament to be adjudged the state champions. Each team will be expected to debate both the negative and affirmative sides of the question.

Plans Being Drawn

The "Council of Three", the executives of the debating league, the members of which are; Professor Burroughs of C. S. T. C., Mr. Williams of River Falls, and Mr. Donaldson of Eau Claire, will meet Oct. 8 at Eau Claire to draw up final tournament plans for recommendation to the Milwaukee convention.

The question chosen for debate this year is: Resolved, That all banking functions should be regulated by the federal government with deposits guaranteed.

Squad of 12

The debate squad this year, according to Mr. Burroughs, will be composed of twelve men. The competitive system will determine which two teams will have the honor of representing the school in the state tournament. All prospective debaters are advised to acquaint themselves with the details of the question and be prepared for the call for candidates which will come sometime within the next few weeks.

Veterans Back

It is expected that competition this year will be unusually keen, inasmuch as many of last year's squad will be back and a number of students with successful high school careers and a propensity to try out. Those with college debating records who are expected to turn out are: Celentine Nuese, Alta Stanfield, Cedric L. Crocker, Burton Hotvedt, Marlowe Boyle, Clarence Styza, Tom Smith, and Frank Werner.

CROCKETTER'S CRACKS

Illinois Students Not Allowed Autos

Students at the University of Illinois will have to do their parking from benches or dumpsters instead of cars hereafter as a result of the new law concerning automobiles, which was recently put into effect.

Only upon written request of the students may students at the university drive cars. A $2 license fee will be charged for the privilege and no student may use an automobile outside the city limits of Champaign-Urbana except in cases of demonstrated necessity.

Ben Mannis Forms New Junior Band

Plans are well under way for the organization of a Junior band. Ben Mannis, a practice teacher in the junior high school, has in mind a band which is expected to grow to about twenty members, the regular band will be used until they qualify for Mr. Michelsen's senior organization.

MANY BOOKS ARE ADDED HERE

Among the new books to be received at the library will be the very valuable and interesting set of 24 volumes, The Dictionary of National Biography. This set is an outstanding one of English Biography. It is edited by Leslie Stephen and Sidney Lee. The work contains signed articles by specialists, some 30,955 biographies exclusive of living persons. The book dates way back to the times of the Caesars and continues through, taking up some of the leaders who migrated to the English colonies in America.

Fiction Synopsis

Another handy book is the "Guide to Best Fiction," by Ernest A. Baker. This book contains the author, title, publisher and a fine synopsis of all fiction up to the present date. The book is the revised edition and is of a useful nature. Many books have been received from the binders, and are in very attractive colors. The complete list of magazines bound, are here and will be issued soon.

New Books Ordered

All orders for text books are out, and many have been filled. The rest will be issued at the earliest possible date.

**Hikers Gone, So's Hyer's Dodge Sedan**

We have no objections to people's hitch-hiking to and from places but when they only hitch to Stevens Point and hike off with our college President's automobile when they leave our city we draw the line.

**Stolen From Garage**

President Frank S. Hyer's Dodge sedan was stolen from his garage, 626 Clark street, on the night of September 17. It happened that Appleton High school was defeated here on that day, 12 to 0. Several hitch-hikers attended the game, and while we are not committing ourselves, it is believed that some of the road trodders failed to "Hail a Ride" so selected our President's car for the return trip.

The car was stolen from Mr. Hyer's garage sometime Saturday night. It apparently was pushed from the garage to the road.

**Found In Appleton**

Our President went to Appleton to get his car last week after police in that city had informed him that a Dodge sedan had been found in an Appleton garage. Damage to the car indicates that it was tipped over on its right side, then righted and driven again. Windows on the back were broken, the body dented, paint scratched, and the cylinders badly scorched. Loss of oil also burned and damaged interior parts of the engine.

Wanted, by Mr. Evans and the Homecoming Committee, several slightly used Fords of a vintage not later than 1916. No car will be accepted that still contains its original engine, or any sign of upholstery.

**Faculty Flashes by Mother Goose**

Our Prexy is loyal and true; Such leaders we know to be few; Well does he inspire Our aims to be Hyer. Without him, oh, what would we do? The next is Psychology Frank, Likes to make believe he's a crank; For wisdom and wit He surely has "It," And He's likely to play any prank.

Two good girls are Bertha and Ione; They always find plenty to do; Were it not for their care Every day everywhere This college would look like a zoo. (More next week)

**Membership Rules**

Due to the request of several new students, we are printing here the section of the W. A. A. Constitution which deals with eligibility for membership:

*Membership in the Women's Athletic Association shall be open to all women of Central State Teachers College.*

No woman shall be eligible to membership in the Association unless she has completed one semester, has a scholastic standing of 81, and has shown an active interest in the activities sponsored by the Association.

Each woman desiring membership shall present her name in writing to the Secretary, and after being passed upon by the Executive Board, reading the Constitution, taking the pledges of membership, and paying the initiation fee, her name shall be placed on the Secretary's roll.

Still, we feel that Teachers College football will be just as strong as it has been in other years. The limited time of practice undoubtedly had much to do with the poor initial showing of the teams.

**Graders Total 57; 25 Degrees**

Total enrollment for the 25th annual summer session of Central State Teachers College which came to a close July 29 was 688, another record mark in the history of the college.

This represents a gain of 57, or nine per cent over last summer. Forty-seven students were graduated, 25 receiving bachelor of education degrees and others diplomas.

Edgar G. Doudna, Madison, Secretary of the board of regents of normal schools, delivered the address. President Frank S. Hyer conferred the degrees and granted the diplomas.

**Silent Whispers**

We understand that Bill Scribner's canary is getting circles under his eyes on account of Bill got a new girl friend. We see that Bill has circles too for a different reason.

We see by the Daily Cardinal that Northwestern Profs are going to use dialogues instead of lectures to their classes. We suppose that it will be a relief to have someone to listen to them.

Also at Madison the farmers have installed spray rings in their orchards. Well, there never was anything like a good wetting to discourage an appetite for fruit.

An Obee is "an ill wind which blows nobody good."

It takes twelve feet of film to make a kiss in sound pictures. The word love spells a scrawly roommate's canary, after its invent or, Dr. LouisLouison, after its invent or, Dr. Louis

**COEDS REALIZE NEAT SUM FROM FRIDAY DANCE**

Betty Balch Improving; Dorm Girls See World Series

Betty Balch Improving; Dorm Girls See World Series

The Nelson Hall float committee realized $9.75 from the "Hop" given last Friday evening. The committee appreciates very much the patronage of the students at the dance. Their slogan now is, "Watch our nine dollar float!"

Betty Balch Improving

Bittersweet now decorates our living-room. Miss Hussey's living room, and Betty Balch's room at the hospital. The sprays came from Miss Rowe's farm in Iowa and from Oconto Falls, where Margorie Wilson found some. We are glad to hear that Betty is getting along very well.

Our sport fans took in some thrillers this week-end. Jane Wright saw two of the World Series games at Chicago. Frances Koral was one of the fans at the Wisconsin-Marquette game. Jean Lynn was the guest of Berenice Edick at Gillette this week-end. Helene Waterman of Mosinee visited relatives at Granston. Catherine Sargent was entertained at Ripon. Thyrza Iversen enjoyed the week-end camping at Hazelhurst in northern Wisconsin. Ella Holm was hostess to Agnes Hayes at Rio. Mary Kosovec was the guest of her roommate at Westfield.

Watch our nine-dollar float!

**Coming Events**

Oct. 8
Whitewater game—there
Chi Delta Rho—Party
Oct. 14-15
Homecoming Parade, College, Dance.
Oct. 20
Class Elections—11 a.m.
Nov. 3-4, 5-6
Selection—Teachers Meet.
Dec. 10
Senior Ball

**SEZ YOU**

True False Score

1. There are 12 planets in the solar system
2. Oxygen is the lightest gas
3. Anne Hathaway was the name of Shakespeare's wife
4. Toledo is situated on the Vermillion river
5. Saturday is a legal holiday on week in Illinois
6. Ohio is the only state in the Union where the term of the governor is three years
7. The gullotine was originally called the Lousi, after its inventor, Dr. Louis
8. Wilderness was originally written "Wilderness"
9. "Acrrobat" is derived from the Greek word signifying "to run on tiptoe"
10. New York is the only state that has not chosen a state flower

TOTAL

Here's how to get your intelligence score: If you think a statement is true, place a check beside it in the column headed "True." If you think it false, place a check beside it in the column headed "False." After you have completed the questions locate the correct answers and put a down in the "Score" column every time you are correct. A perfect score is 100.

Brain Storms

Prof. Shiner: "You can't sleep in my class, Joe!"

Wied: "If you'd talk lower I could."

Peter: "Listen, Finer, if I'm studying when you get back, wake me up."

We can definitely state that the lassid's depression has turned the corner.

All Gaul was divided into three parts... some of our classes should be.

They say Samuel Blithe has been going in for patent medicines lately. Has he asked you yet whether or not you've tried NUGOL?

Overheard in Library Science the other day...

Mr. Alles: "All assignments will be posted on the back of the magazine rack. I want all of you students to visit the rack, at least periodically."

And 150 students never cracked a smile.

INNOCENT MAIDEN
(By Estelle B. Marlowe)

"I have never been kissed but twice," she said.

So slim, blonde and frail.

The first time was by Harvard...

The second time by Yale. (Exchange)

DO YOU INHALE?

(By Henrietta Freeman)

I don't care for the stars that shine. Nor for the moon they rave about; Towards dieting I'm not inclined... I've other things to think about.

I never read the latest books; Sports get on my nerves. I don't care if a girl has looks; Nor am I interested in her curves.

I've never yearned to go to sea; For me it has no lure. I don't know if I'm glad I'm free, Or that I'm not quite sure.

There is one thing has me annoyed... I want to ask each frail... (I really ought to consult Freud)

"My dear, do you inhale?" (College Humor)

GENTLEMAN WHO GETS PAID ON THURSDAY AND WHO IS USUALLY BROKE BY SATURDAY WILL EXCHANGE SMALL LOANS WITH PERSON WHO IS PAID ON SATURDAY AND IS NOT BROKE UNTIL THURSDAY. REFERENCES ASKED AND GIVEN. APPLY BOX 60.

Dumb: I don't see how football players ever get clean.

Dumb: What do you suppose the scrub teams are for?

(Anapolino Log)

Answers to "Sez You"

1. False. There are eight known planets in the solar system. 2. False. Hydrogen is the lightest gas. 3. True. 4. False. It is situated on the Mississippi river. 5. True. 6. False. This is true of New Jersey. 7. True. 8. True. 9. False. From syringa is the only state that has not chosen a state flower.

Welcome Back

PETER GIOVANNINI

Welcome Back

Two new faculty members have been added to the local staff which was necessitated by the increased enrollment. Nels Reppon, Madison, was engaged last week. Peter Giovannini, who served with the college faculty last year as art instructor during Miss Edna Carlsen's one year leave, is the second teacher to be hired. Giovannini won a multitude of friends in college during his stay last year. He was instructor at the Oak Park High school, Illinois, prior to his contract here. Giovannini will teach English and History and undoubtedly will work in other fields. He was in charge of the Junior Prom art decorations last year. He also was responsible for many of the elaborate Christmas festival ornamentations.
