

## PEARL MERRILL CAMPUS BEAUTY

### KING AND QUEEN OF MARDI-GRAS SELECTED SOON

#### Classes Pick Candidates Next Thursday For Big Carnival Event

Who is to be the Mardi Gras King and who his queen? If one listens carefully one may hear this question asked among the little groups that hide the radiators in the halls, in the Men's Room when the racket of shattering chairs quiets down, in the Coeds' Lounge amid billowing clouds of face-powder. One hears surmises and guesses, arguments and bets, speculations and suspicions, but no one is certain. Not until next Thursday, February 16, at a meeting of the classes will the candidates be known, and from those candidates the King and Queen will be chosen by popular vote.

#### Fun Galore

Much has already been written about what the student body may expect at the Mardi Gras and much will yet be written until the great event has come and gone. All are aware that it is the festive occasion of the year and that one may expect most unusual and surprising happenings... amazing happenings, and gaiety that is, to say the least, a bit unrestrained.

#### Show And Dance

Plans have been made for the Big Show which is to take place at 8 o'clock Tuesday evening, February 28. Details of what is to take place at this event are being kept secret by the members of the committee of which Clarence Styza is Chairman.

The dance following the Big Show promises to be a gay event. Harold Stevens' popular dance orchestra will play. All attending are expected to wear costumes and, if one may judge by the dance last year, what costumes! There is to be a tea dance, too, and, of course everyone will bring his own tea.

#### Tickets To Be Sold

Tickets will be on sale February 16 entitling the bearer to admission to the dance and the show. These tickets carry 1,000 votes for the king and queen. Tickets for the dance alone bear 400 votes, and those for the Big Show when bought separately are worth 250 votes.

### College Cagers Meet "Doc" Meanwell's Quint At Rapids

The University of Wisconsin basketball team, coached by the famous "Doc" Meanwell, and at the present time well up in the Big Ten race, will meet our Pointers in a game to be played in Lincoln field house at Wisconsin Rapids Monday, February 27.

#### Board Okays Game

The original plan called for the Kotalmen to meet the Marquette University quintet, but a conflict in dates made that tilt an impossibility. The Wisconsin Rapids Chamber of Commerce, which is sponsoring the game, kept on trying and with the cooperation of the local Athletic Board, secured the game with the State "U".

#### Badger Cagers Strong

The Badgers have a formidable record, having defeated Iowa, Chicago, and Indiana in conference games, and Loyola and the University of Maryland in non-conference battles. Led by giant Hamann, their center, and "Chubby" Poser, they should upset the Pointers.

#### Expect Tuff Tilt

Coach Kotal will oppose Meanwell with an undefeated quintet which easily ranks with the best of any state college. Wisconsin's reserve power should cause trouble for the Pointers, but it will be a battle all the way.

### 702 Students Register For Second Term

Latest figures from the administration office show the total enrollment for this semester to be 702 students. The number is expected to rise to about 710 by the end of the week. In spite of a small decrease in the number of students registered, the total number of names on the rolls at present is 827, the largest the College has ever seen.

#### Few Failures

At the end of the first semester, the total number on the rolls was 799. Of these, 10 graduated leaving 789. To this number is added 28 part-time students, bringing the total to its present level. There are 36 new students.

Forty-five of the eighty-seven students who dropped were discharged because of failures; the remainder having failed to enroll because of poor health or financial reasons.

### Madison Coed Doing Librarian Work Here

### Nuesse; Hotvedt Extemp. Speakers

Celestine Nuesse, former school orator, was chosen to represent the College in the annual State Extemporaneous Speaking Contest to be held in conjunction with the annual State Oratorical Contest at Whitewater on Friday, March 17. Mr. N. E. Knutzen and L. M. Burroughs made the selection last Friday evening.

Burton Hotvedt, senior, was chosen as alternate. Nuesse and Hotvedt are to accompany Jack Burroughs and Cletus Collins, school orator and alternate, to Whitewater for the meet.

Marquette University for three years. Our eastern coed is making her home at Nelson Hall.

### DRAMATIC PLAY, "THE YOUNGEST", HUGE SUCCESS

#### Harlequin Club Sponsors Three Act Play and College Beauty Contest

Pearl Merrill of Stevens Point was voted the most beautiful coed on the campus by the students and townspeople who filled the auditorium last night to see the three act comedy play, "The Youngest".

#### Alice Sorenson Second

Miss Merrill received a total of 9,920 votes. She is the daughter of Mr. and Mrs. Fred B. Merrill, and is president of Tau Gamma Beta sorority and a senior. Alice Sorenson of Stevens Point, secretary of Omega Mu Chi sorority, was second with 7,970 votes.

Norma Steinmetz of Marshfield was third with 4,110 votes. Luella Sorenson of Iola placed fourth, with 3,240 ballots. Florence Hubbard of Ashland was fifth with 2,910 votes. Eileen Mueller of Oshkosh and Neva Redemann of Fremont placed seventh and eighth with 1,610 and 1,550 votes respectively. These eight coeds were judged the most beautiful girls in college and were ushers last night.

#### Coach Presented Corsage

This is the first beauty contest in the history of the college. It was conducted in conjunction with the play by the Harlequin Dramatic club. Between the first and second acts, Kay Van Buskirk, director and coach of the play, was presented a corsage by Celestine Nuesse in behalf of the Harlequin club. Lawrence Bordoll introduced the eight beauties and presented the pulchritude queen to the audience.

#### Collins and Roseberry

Cletus Collins characterized the hero and "The Youngest", Richard Winslow in perfect fashion. Elda Roseberry was his heroine as Nancy Blake. Their dramatization and cunning actions warranted their selections for the leads. Sigrid Stark played the part of Mrs. Charlotte Winslow like a real mother. Allan Hodell took the part of Mark Winslow, a young

### LIKES THE COUNTY NORMALS

Last week we published a clipping in our editorial column which favored the abolishing of some of our county normal schools. Here is an article by a citizen from Merrill who takes another view. This opinion appeared in the Milwaukee Journal:

To The Journal: I am in no way connected with the Lincoln County Normal or any other school and this article has not been solicited by anyone connected with county normals, but I want to set forth the actual benefits that a school of this kind gives to the one who has not the means to send his children beyond high school.

The Lincoln County Normal has an enrollment of 40 and last year the cost of operation was below \$9,000, approximately \$225 per pupil, while the state normal cost per pupil is about \$400.

Out of the 40 pupils not one would have gone to a state normal. Parents are not financially able to send them. I have had a daughter attending Lawrence and also a state normal and I am here to tell you it cost me about \$800 a year while she was away from home, while the year she attended the county normal it did not cost me over \$100, including everything.

Another thing: The average pupil coming out of high school is too young to be far away from parents. Another year at home, attending the county normal, gives the pupil a chance to become more mature before going out into the world.

Your editorials state that there are too many teachers. Well, what of it? I have talked with literally hundreds of parents and they are planning on their children attending county normals and are up in arms about any talk of discontinuing them. And their answer usually is: "Sure, fix it so only the rich man's son or daughter can get a better education or become a teacher."

## Hanscom Players Return To Give "Sun Up" Here Tonight

Another treat is in store for college students in the auditorium this evening at 8 o'clock when the famous Hanscom players present the powerful drama of Carolina mountains "Sun Up".

Students will recall the fascinating play "Grumpy" presented by this group last year. Just what part "Grumpy" will play tonight has not been divulged.

### String Quartet Wednesday

Next Wednesday evening in the college auditorium the renowned Liege Quartet will entertain students and those townspeople who have entertainment tickets. This

string quartet has won recognition in America and Europe.

### Coed Comedian Coming

On Tuesday, February 28, Miss Edna Means, humorist, comedienne, and interpreter of the drama, will appear at the regular student assembly hour.

### Programs Not Public

Only college students and citizens possessing entertainment tickets will be admitted to these programs. Practically all of the 1933-34 entertainment tickets being offered townspeople at \$2.50 have been sold. Sale of these 200 tickets enables additional student assembly programs.

## 300 Students Order "Iris"

Nearly 300 subscriptions have already been secured for the 1933 Iris. Those who have not as yet placed their orders are advised to do so at once, for after February 11 no more subscriptions will be accepted. In spite of the fact that expenses have been cut in order to bring the book within range of the pocketbooks of the student body the Iris promises to exceed in quality those that have been published in the past. Yearbooks during recent years have ranked among those chosen for First Class ratings.

### Group Pictures

Organizations and classes desiring to have pictures in the Iris are requested by the staff to watch the Pointer and the college bulletin boards for the announcement of the date for photography.

### Contracts Awarded

Contracts for engraving have been awarded Jahn and Ollier of Chicago. The printing will be done this year by the Badger Printing Co. of Appleton.

### THE INQUIRING REPORTER

**THE QUESTION:** Do you favor the "tuition plan" of purchasing an "Iris"? The plan suggests raising the tuition per semester from \$21 to \$22. This would enable the Iris staff to sell the annuals to the students for \$2 instead of \$3. All registered students would receive a book.

**GUY KRUMM** — It's a great idea. We'd never miss an extra buck each semester. If we don't spend our dollars one way we will another anyway, so what's the difference?

**MAGDALEN GOGGINS** — I refuse to talk to the press. Between you and myself I think it's a good idea — but don't you dare put my opinion in the Pointer.

**RAY KOEHL** — Right now money is scarce but students will enjoy the annuals in years to come.

**AGNES MADSEN** — It's a fine plan. Oh, no-o-o, I won't say, because I don't want my name in the column.

**SAM KINGSTON** — A good idea. Students would save a dollar and everyone would have a book which certainly will be appreciated in years to come.

**HENRY KLIMOWITZ** — OK. It's easier to scare up \$1 each semester than to pay under the present plan.

**VELMA SCRIBNER** — A "snootie" idea. Everyone would have a book and for less money.

**BOB McDONALD** — Now you're talking sense. I hope the idea goes through. Everyone should have some remembrance of college days.

**BERNITA DANIELSON** — It's immaterial to me. I graduate this spring. I think the plan is a good one.

**ELLA KLEIST** — My gosh! It's hard enough gathering \$21 a semester together. The idea is a good one anyway.

### Mr. Allez Willing To Return Book "Fines"

Approximately 30 library books were lost by students the first semester. Fines for the lost texts varied from \$1 to \$3.

Mr. George Allez, librarian, said, "I hate to charge students for lost books but we must account for each text to the state. May I ask that students who have found college books, return them to me. Many students who have paid fines are badly in need of the money. It would be a treat for me to refund all fines. We would much rather have the books. I know the students who paid fines need the money".

Point basketball fans expect the Kotal-coached varsity quintet to add another win to their victory string when they meet Coach "Mopey" Zorn's Eau Claire five here tomorrow night.

### Win First Game

In their last meeting at Eau Claire the Pointers romped to a 49 to 31 victory over the Zornmen, with Larry Bishop scoring twenty-five points alone. At that, Eau Claire made a better showing than did the highly touted Stout Institute team, which bowed to the locals the preceding night.

Eau Claire also showed itself to be dangerous when it downed the Superior quintet, and came close to defeating River Falls. The Zornmen are small and fast, and present a fast-breaking offensive. They feature two sharp-shooting forwards in Clemenso and Burkhardt.

The Pointers resumed their strenuous workouts Monday afternoon, and have continued their work throughout the week. It is likely that the second-stringers will see much action Friday, with the varsity resting for coming games with Stout and Oshkosh.

**Oshkosh And River Falls—Oooh!**  
Coming games with Oshkosh and River Falls are causing the team most worry. Both are to be played away from home, and both will be hard. Oshkosh, especially, is poison for the Pointers on their own floor. River Falls, led by Morrow, is apt to be much more difficult at River Falls.

## POINTERS WIN LAST MINUTE BATTLE, 28-19

Strong Start And Strong Finish Spell Defeat For Coach Agnew's Whitewater Quintet

With only three minutes to go the score tied, 19-all, Coach Kotal's cagemen cut loose with an attack which garnered them four baskets and a 28-19 victory over the Whitewater quintet at Whitewater Friday night.

### Start Strong

The Pointers started out strong, with Bishop eaging goal after goal, and early in the first half they led the Southerners, 15 to 7. Then the offense stopped clicking and an encouraged Whitewater crowd saw the score creep up to 15 to 12 at half time.

It was unlucky "15" for the Pointers till late in the second half, when Bishop, who was pulled out of the game after incurring three fouls, was sent back in. He was fouled almost immediately, and made one of two free throws to break the deadlock. Both teams made frantic efforts to score as the game was drawing to a close, and a basket by Mundt brought the score to Whitewater 18, Point 19.

### Whitewater Pulls Up

Captain Art Thompson then called for a time out, the fourth taken by the Pointers, thus incurring a technical foul. Mundt made the gift shot to pull his team to a 19-all tie. The rest must have done the locals good, though, for they came through with a flurry of baskets to win.

Whitewater's star forward, Kreuger, was ruled ineligible, and did not play, but spectators say that the Whitewater quintet was even stronger and smoother without him. The play of Whitewater's guards, Janiseek and Stevenson was outstanding for the Southerners. The Pointers played an entirely offensive type of game, while Chick Agnew's quintet waited for the breaks, and usually capitalized on them. The lineup:

## "B" Squad Meets Battery D Friday

As a preliminary to the Point-Eau Claire tussle, Moon Baker's "B" squad will engage the Battery D team which is now leading the City Amateur League. The "B" squad is anxious to add another scalp to its collection and in attempting to do so will undoubtedly work the fans into the desired frenzy for the second event of the evening.

The Battery D team is composed of former high school stars who have lost none of their court tricks. Among those on the Battery D team are Schwahn and Murray who are anxious to tangle with their former mates. This promises to make the game more keenly contested.

Probable lineups are: B Squad — Forwards: Shorey and Nygard; Center, Gordon; Guards, Garber and Christianson. Battery D — Forwards: Wanta and White, Center, Golla; Guards, Murray and Schwahn.

## SAM'S SPORT SHORTS

Mr. Joseph M. Davidson of our faculty is bemoaning the loss of a gold Eversharp pencil given to him by his mother, and treasured as a keep-sake. It seems that "Davy" lent it to the River Falls score-keeper at the River Falls game. The scorekeeper averred that he put it in the Point score-book after the game, but immediate search revealed no pencil. It's still missing.

"Prexy" Hyer was so tickled when the basketeers succeeded in defeating his old school, Whitewater, that he invited the whole team to his home for a duck dinner, and they didn't have to bring the ducks, either. We haven't heard whether any of the boys ate their peas with a knife.

At this stage of the conference race it looks as though both Stevens Point and La Crosse are apt to go through the season without defeat. La Crosse still has two stumbling blocks in Platteville and Superior, while the locals are worried about Oshkosh and River Falls.

Superior is given consideration because three of her men who have contributed to a successful pre-season record, but who have been ineligible for conference competition, are now eligible.

Whitewater will also benefit by second-semester eligibility, as will other schools. The locals will carry on with the same roster.

Any suggestions or criticisms will be appreciated by this department. We try to make this page appeal to everybody. If there is anything you don't like, drop your criticism in the door of the Pointer Office.

## Glen Hoffman Is Secretary Of Band Group

At a meeting of the Band early this week, Glen Hoffman, Freshman, was elected secretary of that organization for the coming semester. Hoffman was chosen to succeed Raymond Boyer, former secretary, who has withdrawn from school.

Other officers of the Band organization are Aaron Monaster-sky, president; Bill Nason, vice-president; and Morris Skinner, publicity director.

Cold weather this week-end did not prevent the usual "trekkers" from going home for a visit. Myra Jacobson motored to Land o' Lakes, Wis. with her parents. Erma Groth was a guest at the home of Eunice Peterson at Tigerton. Ruth Kjendalen, a new student, has joined the "week-enders".

Margaret Piehl of Rhinelander called on her sister, Helen, at the Hall this week-end. Blanche Tyler entertained her mother Saturday afternoon.

## Local Debaters At Madison Tomorrow

L. M. Burroughs, College Debate coach, is to choose five men today from the squad to make a trip to Madison for a series of practise debates to be held there Friday and Saturday, February 10-11. The meet is of the same type as that held in Madison last year and will be participated in by Whitewater, Platteville, and Stevens Point Colleges.

Following the debate on Saturday morning, the participants will be given a luncheon at which Professor Kirk of the University Political Science Department will talk. The return trip will be made on Saturday afternoon.
