

GRADUATES BUSY GETTING SCHOOLS

OVER 53 JOBS CONTRACTED BY COLLEGE GRADS

School Boards Seriously Considering Many More But Contracts Still Unsigned

More than 53 college graduates have been placed in schools throughout Wisconsin by the training school and rural departments to date.

More Jobs Expected

It is expected that the delay of school boards, to balance their 1933-34 budgets and award contracts, will cause a demand for teachers during the summer months and early fall.

Many Contracts Pending

Principal Alfred J. Herrick of the training school said many other college grads have had personal interviews with various school board members and it is expected that many of these will be awarded contracts within the next week. Director Oscar W. Neale of the rural department said many additional rural teachers will be placed during June.

Following is a list of graduates placed to date:

Mostly Grade Positions

Maybelle Peterson — grades 3 and 4 at Amherst; Lydia Drewitz — Grade 4 at Owen; Carmella Blocha — rural school at Withee; Violet Martin — rural school at Amherst; Adeline Bellman — grades 7 and 8 at Sullivan; Glenn Hart — Principal of schools at Marinisco, Mich.; Helen Lohr — Home Ec. at St. Croix Falls; Leona Henrichs — grades 1 to 4 at Bailey's Harbor; Helen Wind — rural at Cashton; Mildred Olson — rural at Gillett;

Students To Get "Iris" Copies Monday, Tuesday

Word was received from the printers today that the yearbooks will be ready for distribution next Monday and Tuesday.

Only a sufficient number of copies will be available to supply the out-of-town students on Monday. The balance of "Iris" copies will be distributed to the seniors and underclassmen on Tuesday. There will be no "Iris party" this year because of the uncertainty of delivery of the yearbooks by the Appleton printers.

LAST DAYS ARE SAD DAYS

Next Wednesday morning 200 graduates will bid farewell to their Alma Mater when the Commencement exercises will be held in the auditorium.

Graduation day is always a sad affair for the seniors. It means giving up collegiate and happy "college days" for the more serious things in life. However the college basketball team's win over "Doc" Meanwell's cagers, the state debate championship, those social parties and dances, and the other extra-activities that add spice to an institution — all will help make our future alumni think of their friends back in C. S. T. C. As underclassmen we wish them that old fashioned but timely "success".

With the graduation class go seven members of this year's Pointer staff. Their final contributions to collegiate journalism appear in this issue.

As '33 editor of the Pointer I am deeply indebted to these seven staff members and my other two associates for their untiring services during the past year. I am also indebted to the student-body and faculty for their contributions.

Good luck to the '34 editor and his staff is the last wish of the outgoing Pointer "gang".

EDITOR

'33 POINTER A SUCCESS

Next year will find the Pointer Office redecorated and refurnished; for which a great deal of credit must be given Cedric Vig and George Maurer.

This year's paper has been an all around success. Due to Vig's consistent efforts as Business Manager, it was a financial success; and with Maurer's experience and ability to edit it, the Pointer has acquired an "A" rating in the Teachers' College Conference this year.

Burton Hotvedt, '32 Editor, has also done much towards making the paper what it is today, and deserves a great deal of credit.

Succeeding these two men will make the editor's job next year no easy task; for they have worked hard and made a success of their job. It will require plenty of work and time to put out a paper to even equal theirs; say nothing of bettering it, but, nevertheless, we shall try.

Jack Wied, Sam Bluthe and other members on this year's staff have done their bit also. The circulation was well taken care of during the past year, for several comments have come to the Pointer, showing their appreciation of its early and regular appearance in the mail.

In conclusion it would only be proper to bid adieu to those who are to graduate and whose school days at C. S. T. C. are a thing of the past. We wish you good luck, and all that goes with it; and are hoping that, we, of the '34 Pointer Staff, may serve you in the capacity of bringing you all the "good old news" from your Alma Mater, during the next school year.

HARVEY POLZIN
('34 Pointer Editor)

COLLEGE DAY PROGRAM NEXT TUESDAY, JUNE 6

(Continued from Page 1, col. 2)

Bird Singing". Burton Hotvedt will give a short shot entitled "Pollyannas of 1933".

Students Get Awards

Presentation of the various awards will be next on the card. The Orchestra will give another selection followed by adjournment to the campus. Sam Bluthe

will present the class gift and President Hyer will respond.

Then the turtles will be oiled up for the big "turtle race" in the old gym — and if you saw the 1931 turtle derby you'll be on hand for this one.

Dance Tuesday Night

A faculty reception for alumni will be held in Nelson Hall at 5 o'clock. The Alumni association will hold a business meeting at 5:30 o'clock. The annual Alumni banquet will be served in Nelson Hall at 6:30 o'clock. The "Alumni Ball" in the new gym at 8:30 o'clock will climax the day's fun.

This is the final list of prominent alumni. It has been a great pleasure to compile this list, and I hope that it has been interesting and stimulating for the present day student to read.

I feel certain that 20 years from now many of the present day students will be found on the graduate's list of that time as prominent alumni. The best places in the future will be distinctly for the best educated people; as the growing complexity of civilization renders it more and more difficult for an uneducated person to succeed in any of the highly technical lines of the present and the future.

COLLEGE PREXY

No doubt these are days of conflicting interests and emotions on the part of those of you who are about to go out as graduates. There are regrets at breaking college days and there are hopes of finding the place in the world for which you have been making preparation. At the moment, the outlook may not be bright, but you have youth and strength and courage. Keep yourselves fit. Let not despondency warp your better judgment. Times will change, opportunities will come, and you will need to be at your best to meet the new responsibilities. Your college will do all it can to help you.

Yours sincerely,

TENNIS TOURNEY HELD HERE

TRACK TEAM PLACES FIFTH IN STATE MEET

Atwood Wins Hurdles For Only First Place; Lack Of Training Blamed For Poor Showing

Russel Atwood came cantering home in the 220 yard low hurdles for the only first place garnered by the Point tracksters in the State track meet, held at Whitewater last Saturday. The Pointers finished in fifth place, topping only Plainville.

Thompson, Scribner Lose

Two of our state champs fell by the wayside. Art Thompson placing third in the high jump. The highest jump was made by Wittig, who went over at six feet. Thompson did 6 ft. 2 3/4 inches last year. Lyman Scribner, mile champ last year, had to be satisfied with a third place in his specialty.

It has never been the policy of this paper to offer an alibi for any failure. However, there are circumstances that deserve explanation. Coach Kotal's tracksters, lacking a suitable place for indoor workouts, have been forced to train whenever the weather permitted. In fact, for the last three weeks they have been able to average about two days a week for practise. No team can get into condition under such difficulties. This is not an alibi, but a statement of a fact.

No Alibi, But —

The answer would be, of course, to provide facilities indoors for track workouts. Milwaukee has them and Milwaukee won the meet. We are not saying that is why Milwaukee won the meet, but we are saying that it is unfair to Coach Kotal and his trackmen to expect them to make a creditable showing without sufficient training.

The summary:

100-yard dash — Healy, Whitewater, first; Reinhardt, Milwaukee, second; Frederick, Milwaukee, third; Frindell, Milwaukee, fourth. Time, 10.1 seconds.

220-yard dash — Healy, Whitewater, first; Frindell, Milwaukee, second; Frederick, Milwaukee, third; Reinhardt, Milwaukee, fourth. Time, 23.6 seconds.

440-yard dash — Arnold, Whitewater, first; Schmidt, Milwaukee, second; Irvine, La Crosse, third; Bohman, Oshkosh, fourth. Time, 51.8 seconds (ties record set by Powell, Stevens Point, set in 1925).

880-yard run — Pape, Milwaukee, first; Jankowski, Milwaukee, second; Irvine, La Crosse, third; Schoeller, Milwaukee, fourth. Time, 2 minutes 3.5 seconds.

One mile run — Burzinski, Milwaukee, first; Espeland, La Crosse, second; Scribner, Stevens Point, third; McIntosh, Milwaukee, fourth. Time, 4 minutes 38.2 seconds.

Two-mile run — Kelley, Milwaukee, first; Espeland, La Crosse, second; Radmer, Milwaukee, third; Nauert, Milwaukee, fourth. Time 10 minutes 4 seconds, (new record; old record, 10 minutes 4.6 seconds set by Ellison, Milwaukee, in 1922).

120-yard high hurdles — Witting, Oshkosh, first; Wichman, Milwaukee, second; Hough, Oshkosh, third; Atwood, Stevens Point, fourth. Time, 16 seconds. (Ties record set by Armstrong, La Crosse, in 1922, and tied by McKeever, Milwaukee, in 1923).

220-yard low hurdles — Atwood, Stevens Point, first; Hoehschild, Milwaukee, second; Janeshek, La Crosse, third; Wittig, Oshkosh, fourth. Time, 26.6 seconds.

Pole Vault — Reitz, Milwaukee, first;

All-College Boxing Finals Held Before Small Crowd

A disappointingly small attendance took the edge off the final matches in the college boxing tournament, held in the old gym of the college last Thursday. "Other attractions" were blamed for the lack of spectators.

Nine Bouts

Nine bouts were staged, and although there were no knockouts, all the bouts were fairly close. We had no idea there were so many good friends in school, though. They all seemed not only to know, but to like each other. It's all right to be friendly, but when the boys begin to apologize every time they pat one another, it just isn't decent, that's all.

"Windy" Referees

"Windy" Thomas acted as the referee, and Guy Krumm and "Bucky" Miller were the seconds in each corner. Coach Kotal swung a meanlooking pipe wrench on the bell in his assignment as timekeeper. Francis Strand and another slightly bald gentleman acted as judges. Gerhard Willecke gargled the announcements.

The fight results:

John Mayer, Junction City, defeated Asher Shorey, Argonne, 125-pound division.

Fritz Cochrane, Stevens Point, won from Art Roberts, Stevens Point, 115 pounds.

Olaf Auby, Amherst Junction, won decision over Bob Siegler, Oconto Falls, 130 pounds.

Granville Weaver, Wisconsin Rapids, defeated Bob Gross, Wisconsin Rapids, 135 pounds.

Riley Brady, Bancroft, won from Emil Gruna, Rosholt, 140 pounds.

Russ Beppler, Nekoosa, (134), won decision over Ronald Murray, Gladstone, Mich., (145).

Art Laabs, Curtis, defeated Mel Andre, Forestville, 160 pounds.

Frank Exner, Wisconsin Rapids, won from Delbert Riemer, Wisconsin Rapids, 170 pounds.

Ronald "Punk" Winn, Granton, won decision over Myles Graney, Oconto Falls, heavyweight.

Chi Delts Win 'Rubber' Game From Phi Sigs

Profiting by Phi Sig errors, the Chi Delts slammed out a 13 to 1 victory over their fraternity rivals in the final game of the kittenball series, played at the Fair Grounds last Thursday.

No Support

The pitching of Frankie Klement was a feature of the game, Frank allowing only four hits and one run. Rickman and Krumm tossed for the Phi Sigs, but poor support lost the game for them.

The winning of the "rubber" game of the series means that Chi Delta Rho will be the custodian of the "little brown jug" for the coming year. Last year the Phi Sigs held the trophy.

Humke, Milwaukee, second; Nowak, La Crosse, and Butterwick, La Crosse, tied. Height, 12 feet.

Shotput — Bellows, Platteville, first; Derleth, Whitewater, second; Fritsch, Stevens Point, third; St. Peter, La Crosse, fourth. Distance, 41 feet 9 inches.

Discus Throw — Bellows, Platteville, first; Hoviad, La Crosse, second; Tramburg, Whitewater, third; Fritsch, Stevens Point, fourth. Distance, 127 feet 3 inches.

Hammer throw — Paue, Milwaukee, first; Miller, Oshkosh, second; Bohnsack, Oshkosh, third; Dopke, Whitewater, fourth. Distance, 118 feet 7 inches.

High Jump — Wittig, Oshkosh, first; Bjorge, La Crosse, second; Jaggard, Milwaukee and Thompson, Stevens Point, all tied. Height, 6 feet.

Javelin throw — Xerigan, La Crosse, first; Powers, Milwaukee, second; Babel, Platteville, third; Barlow, Oshkosh, fourth. Distance, 167 feet 4 3/4 inches.

Broad jump — Nindorf, Whitewater, first; Horr, La Crosse, second; Graney, Stevens Point, third; Stoegbauer, Oshkosh, fourth. Distance, 21 feet 3 3/4 inches.

Half mile relay — Won by Milwaukee (Schmidt, Reinhardt, Frederick, Frindell); Whitewater, second; La Crosse, third; Stevens Point, fourth. Time, 1 minute 34.5 seconds.

SAM'S SPORT SHORTS

And now the time has come, ladies and gentlemen, to lend thine ears to "au revoir, pleasant dreams" — as Ben Bolnie would say.

It's been a great year. A state basketball championship, climaxed by a victory over Wisconsin. A powerful football team, robbed of a chance for championship by the so-called ineligibility of one of the players.

Minor sports have come to the fore in the last year. Besides track, the college athletes have been active in tennis and golf. Intramural athletics have been developed, all-school basketball and volleyball tournaments have been held.

In addition to this, the school boxing tournament, in which three separate rounds of bouts were presented, was an outstanding success. A college hockey team met strong city teams of surrounding towns during the winter months. Baseball and cross-country teams were dropped only because of insufficient funds. All in all, it's been a big year.

Sport Shorts extends best wishes to Co-captains Gregory and Krumm for another successful basketball season, and to Coach "Eddie" Kotal for a championship football team.

We also gratefully acknowledge un-failing cooperation of Coach Kotal and Mr. Schmeeckle in helping us put out this sport page. Thanks too to Francis Strand for the use of his sport page in the Stevens Point Journal every Monday night.

And thanks to you, gentle readers, for your kindness in reading this material every Thursday morning. We only hope you have had half the enjoyment in reading this that we have had in writing it.

Concluding this last column of Sport Shorts, we would like to express our appreciation to the men who have played their last game for the Point. It's the end of the trail for Art Thompson, Ed. Baker, Oscar Christenson, and Russell Atwood. So long, fellas, — it won't be the same college without you.

WEGENER WINS SINGLES TITLE IN HARD MATCH

Oshkosh Team Wins Doubles Crown; Arvie Gordon And Bob Neale Place Third

Playing before a Memorial Day crowd the Point tennis team acted as hosts to teams from Whitewater, Oshkosh, Milwaukee, and La Crosse in the second state tennis tournament held here last Tuesday.

Wegener Singles Champ

Wegener of Milwaukee won the singles title, beating H. Anger of Oshkosh in the final match in what was considered one of the hardest fought games ever played here. The battle lasted from 4 o'clock to 7:30, Wegener winning in five sets, 4-6, 6-2, 4-6, 6-4, 11-9.

Oshkosh won the doubles title from Whitewater. The Point doubles team of Arvie Gordon and Bob Neale flipped a coin and won third place from Milwaukee and La Crosse. (That's playing headsup tennis).

Anger Brothers Star

Suchy of Milwaukee beat E. Anger of Oshkosh to place second in the singles, while Whitewater's doubles team were the runners-up in that event. The two Anger brothers from Oshkosh make a real tennis team.

Because of its central location and adequate facilities, the Point will probably become the permanent location for the annual State tennis meet. It is hoped that all the colleges will be able to participate in next year's tournament.

College Golfers Lose In Whitewater Match

Scoring 7 1/2 point to the college golf team's 4 1/2, the Whitewater golfers won a match played on the Whiting course here Saturday afternoon.

Kingston Wins

Sam Kingston turned in rounds of 39 and 37 to secure three points for the Pointers, defeating Underwood, who went around in rounds of 40 and 38 for a 78 total.

Ralph Bader lost both rounds to Uttech of Whitewater, going around in two rounds of 42 each for a total of 84, while Uttech shot a 79.

More Matches Promised

Whitewater went ahead when Kreuger won from Dale Hansman, hitting the pill for eighteen holes in 81, while Hansman was taking an 87. George Maurer and Ralph Ball split their match, each taking 1 1/2 points. George went around in 82, while Ball shaded him by one one point, playing the course for an 81.

This was the third match of the year for the college golfers, they already having met Whitewater there and Oshkosh here. Other matches are in the offing.

Three Day Excursion To Chicago, June 22

(Continued from Page 1, col. 3)

Soo Line Dining car. For the convenience of those who wish to remain in Chicago for a longer period the Soo Line will accept all return tickets on any train for 10 days.

Plenty To See

The success of the excursion which was run April 27, and popular demand warranted another college trip. The three and one-half miles of almost super-human buildings scattered along Lake Michigan, the various Spanish, Italian, Japanese, Chinese, German, French and other foreign concessions found at the World's Fair will give sightseers a genuine thrill.

After the tour of the World's Fair buildings there will be plenty of time remaining during the three days in Chicago to do other sightseeing and shopping. Then there are the baseball games, shows, Wayne King, Ben Bernie and hundreds of other city amusements to entertain the college excursionists.

Open To All

The tour is open to all and reservations may be had by sending remittances direct to Professor Raymond M. Rightsell, Central State Teachers' College, Stevens Point, Wis., on or before June 20.

Special Priced Rooms

The \$9.70 price includes four to a room at the hotel. For an additional dollar the hotel will furnish two to a room accommodations.

SOCIETY NEWS

By FLORENCE WOBORIL

Tau Gam Formal

Tau Gamma Beta sorority closed the series of five college formal-affairs with a delightful affair at Hotel Whiting last Friday evening. Ninety three couples, including the active members and their escorts who attended the banquet preceding the dance, were present. George Benson's orchestra of Beloit played for dancing and made the evening most interesting with several stunt numbers.

The program carried out a novel check book idea, following the type of the invitation cards, which had been sent out in the form of statements.

The tables for the banquet were decorated with bud vases of snapdragons, sweet peas and feverfew. The sorority songs were sung before and following the dinner. Mr. and Mrs. Eddie Kotal, and Mr. and Mrs. Erling Hegg chaperoned the party, and Mr. and Mrs. John Alexander of Port Edwards were special guests.

Loyola Club Elects

At a meeting held last Thursday evening in the Rural Assembly the Loyola club elected its officers for the coming year. They are President, Frank Klement; Vice President, Magdalen Goggins; Secretary Treasurer, Alice Van Adestine. Robert Krembs is the outgoing president.

Reverend Edward B. Horyza, of St. Peter's Parish was the speaker for the evening.

Koyen Gives Concert

Roland Koyen, a senior in the state graded department, pleased an audience of 250 last Thursday evening in the college auditorium when he gave a recital of classical music. Mr. Koyen, who has a tenor voice, responded with three encores, "All For You," by Brown, "Her Dream," by Waller, and "A Brown Bird Singing," by Wood.

Mr. Koyen has been a voice student of Miss Anne Marie Russell for the past three years. Accompanying him at the piano and assisting with piano numbers was Miss Kathryn Breitenstein.

Seniors Kept Busy

The Seniors are getting all of the attention these balmy days and the underclassmen are felt to be more under than ever before. Activities are in preparation for

NELSON HALL

A new fence was built for our tennis court, due to the efforts of Miss Rowe, and Miss Hussey has given us a new weather-proof net. The tennis enthusiasts certainly appreciate this, and will make good use of the court.

Oh! Those Exams

The "stay-overs" for Memorial Day did heaps and heaps of studying according to Miss Hussey. Ida Lahti has broken a year's record by becoming a "week-ender" at her home in Phelps. Incidentally, the "kid brother" was valedictorian of his graduating class at Phelps. Ione Harvey tried the northern roads to Iron Mountain, Mich.

Frances Korbol entertained Kay Wiggins at her home in Nekeosa during part of the Memorial Day recess. Alta Stauffer was hostess to Natalie Gorski for the week-end at Fond du Lac. Margaret Novitski visited with friends in Mosinee. Florence Hubbard reveled in driving her father's big car while her parents were visiting her over the vacation period. One of the week-enders at Waupaca Lakes was Erma Groth. More sun-tan?

Poppy Sale

Miss Hussey and her corps of helpers realized the sum of \$15.32 from the school poppy sale. The girls who sold the posies were: Leora Streblov, Doris Erickson, Mary Kosove, Helen Piehl, Fern Mangerson, Barbara Fulton, Kathryn Slowey, Jean Lynn, Alice Van Adestine, Kay Schultz, Frances Korbol, Katherine Wiggins, Ida Lahti, Blanche Tyler, Agnes Hayes of the dormitory; and Ethelwyn Baerwaldt, Lily Scheider, and Sarah Fish.

— and "Nosey Nat" bids her public "Adieu" with her last column.

Activities are in preparation for Commencement Week under the general supervision of Natalie Gorski with the following Seniors assisting: Burton Hotvedt, Evelyn Wimme, and Helen Lohr.

Social functions will occupy much of the time before the actual graduating occurs. President and Mrs. F. S. Hyer will receive students at their home Monday, June 5 from 3 to 5 P. M. The Alumni-Senior banquet and ball will be held in Nelson Hall Tuesday evening, June 6. All students are asked to make reservations with Mr. Spindler.

The four-year graduates are planning a 9:00 o'clock breakfast Tuesday morning of Commencement week. This will be the last intimate gathering of that group after the college days are over.

W. A. A.

At the last W. A. A. meeting officers for next year were elected.

Kathryn Slowey was chosen president, Roberta Sparks, vice-president; Bonita Newby, secretary; and Velma Scribner, Treasurer.

The last W. A. A. meeting of the year was held May 23rd. The following sports' heads for next year were installed: Tennis, Erma Groth; Scrap Book, Katherine Schultz; Volleyball, Ruth Wagner; Tap Dancing and tumbling; Thyra Iverson; Basketball, Reinetta Reisinger; Baseball, Winifred McGillivray; Minor Sports, Helen Bunker; Hockey, Vivian Meyer; Archery, Jean Lynn.

HOME EC.

Katherine Wiggins was elected president of the Home Economics club for the 1933-34 term at the last regular meeting.

Roberta Sparks will be vice-president, and Sophia Nicolazzo was elected secretary-treasurer.

Say It Isn't So — that women paint what they used to be — and some powder goes off with a bang while some goes on with a puff.

News from Waupaca Lakes says that people are moving back to their cottages now that the fraternity and sorority folks are gone. The cottage owners will welcome the news that next week the Lawrence college coeds and frat boys are movin' in.

We'll bet that "purple cow" that was runnin' loose out at the lakes would have won a blue ribbon at any stock exhibit.

Don't tell a soul — but May Roach was relieved of \$8.50 over the week-end for galloping thru the village of Unity with her flivver.

Dale Hansman, one of our college golfers, says that lifting the elbow is the cause of erratic drives and wild swings. This is particularly true when the elbow lifting starts in the clubhouse.

Bader says if you can't afford golf you can throw an aspirin tablet out on the lawn and spend the afternoon hunting for it.

You should have heard the Pete, Guy and Jim trio sing at the Casino Monday night.

Those meals Frank Klement prepared for the Chi Deltas out at the lakes were enough to make any pantry mother envious. No foolin' coeds, he can cook.

The Phi Sigs and Chi Deltas did lots of fishin' over the week-end and every-time they seemed to come home with a load.

Next Tuesday afternoon at the college day program the Phi Sigs have to hand over the little brown jug to the Chi Deltas and drink a toast to the champs.

Korbol says the laziest woman in the world is the one who puts popcorn in her pancakes so they'll turn over by themselves.

"Russ" Beppler's boxing style last Thursday was the best exhibition of necking we've seen for a long time.

The Pointer editor got a letter the other day complimenting him on the paper but bawling him out for being too Phi Sighish. Now, who would do a thing like that?

Reports have it that some mighty neat coeds are coming to summer school. We'll be seein' Bill Herriek here.

Speaking of Bill — he stayed with the Chi Deltas down at the lakes. After his kittenball exhibition with the Phi Sigs they maybe felt a little obliged.

We understand "Pete" did a little shadow boxing at the Casino and brought home a little of the shade.

Say It Isn't So — that this is the last "dirt" column.
