POINT DEBATERS WIN STATE TITLE

MILLS-NUESSE
SMITH-HOTVEDT
POINTER TEAM

Six Colleges Enter Twelve Teams
In Three Day Tournament
Held Here

A state championship, the second of the season, was brought to Stevens Point by Rev. Donald Mills and Celestine Nuesse last Friday when their debate team completed a three-day tournament with one loss and seven victories.

Platteville In Final

The title was gained after successive defeats had been meted out to River Falls, La Crosse and Platteville in the semi-final and final rounds of the eight-team, composed of Tom Smith and Burton Hotvedt, entered the early semi-final stage but lost to River Falls, and was defeated by these Pointers the previous day. Mr. Leland M. Burroughs has coached the local squad through the season.

Six Colleges Compete

Six Wisconsin Teachers Colleges, representing La Crosse, River Falls, Platteville, Eau Claire, Superior and Stevens Point entered two, two-man teams in the ‘Round Robin’ which began here Tuesday. Each coach classified his varsity teams as being A or B teams, and the first two days of the meet were required to have each A team argue with the other five B groups.

The decisions, rendered by three expert judges, were the result of 2-1 conclusion of this process Thursday afternoon when they were announced. It had been agreed upon that the four teams, irrespective of school, having the poorest record would be eliminated. Two additional rounds were decided between superior, Platteville and La Crosse, due to the results of this aspect. Stevens Point and River Falls alone managed to send their full squads into semi-finals.

In the early rounds Mills and Nuesse had been called La Crosse, while Smith and Hotvedt dropped to Superior and Eau Claire. The strong La Crosse team emerged with Mr. Mott.

Point Nips La Crosse

Mills and Nuesse, of the A group, began their drive for the championship by defeating La Crosse Points Friday morning. The climax of the whole tournament was reached when those Pointers won over the undefeated La Crosse men early in the afternoon. The final with Platteville on Saturday drew a small crowd in the auditorium immediately after this upset. The Point men suffered, instead of making the result of the previous strenuous argument, however, all three of the A team ballots giving Stevens Point its championship. O’Neill of Michigan, and Weaver and Brems of Wisconsin decided the contests.

The debate question of “Resolved that the U.S. should agree to the capture of the Maine from the cute little gold fishes to the man eating sharks and ocean turtles. Next in line will be the renowned Field museum. This building occupies several city blocks and contains everything from ancient mammels and Roman bathtubs to pre-historic dinosaurs and mammoths.

After you have been taken thru the World’s Fair buildings which represent millions of dollars of investment you will be taken for a ride to the loop. Until train time you will be free to go bargaining with Chicago merchants, dance to Ben Berale at the College Inn, take in a little barquele attrach as war Wayne King at the Agaron. Coeds, get chummy with your ‘daddies’.

See Mr. Rightwell

Students and their friends who are anticipating the trip may leave their names with Mr. Raymond M. Rightwell in his office on the first floor. Mr. Rightwell will be in personal charge of the Chicago Special!! The railroad must be guaranteed 200 fares.

Burroughs And Nuesse Address School Today

In lieu of the play which was to have been presented during assembly period this morning, President Hyer has asked the school orator, Jack Burroughs, and the school extemporaneous speaker, Celestine Nuesse, to speak before the students, before leaving for the State Forensic contest at White Water.

The play will be presented at a later date.

St. Patrick’s Dance
In Old Gym Saturday

A St. Patrick’s dance will be held in the old gym Saturday night. Dancing will start at 8:30 o’clock and the college orchestra will play.

The Rural Life club is sponsoring the dance. Students who wish to invite outsiders must submit their names to Miss Helen Braatz. Invitations will be mailed to the guests. There will be a 25 cent admission charge.

relaxation of the foreign inter-allied war debts” brought 16 victories for the affirmative and 23 for the negative. The debaters argued both sides of the question.

Point Has Best Record

Including both teams, Stevens Point drew the best record of the tournament as the following statistics reveal:

When the college excursion pulls out of the local 800 Line station on the ‘High Spots’ of Saturday, April 30, it is expected that over 200 students and their friends will be snuggled inside the private cars (not counting those that will be riding the ‘blinds’ and tender).

Price Includes Extras

A special price of $6.85 for the round-trip was secured from the railroad company. This includes a special tour around the “high spots” of Chicago in a special sight-seeing car, breakfast and tours through the Shedd aquarium, Field museum, and World’s Fair buildings. Special guides will escort the excursionalists thru the Century of Progress buildings, and what a program folks, what a program. After you have faced and burned your tonsils the next day, your name will be remembered by the world.

Lauds Band Program

According to Miss Maybell Bush, State Supervisor of City Grades in Wisconsin, the students who directed the band during assembly period last Thursday day did an outstanding job of work. Miss Bush went on to say that our concert was far superior in point of directing talent than that shown at a similar concert observed by her at Columbus University.

Mr. Michelsen was complimented particularly on the progress shown through the student directors in his course. It was remarked that the band seemed to have confidence in the leaders and followed their movements closely.

ORATORS LEAVE FOR STATE MEET
AT WHITEWATER

Burroughs And Nuesse Enter
Oratory And Extempore Contests Friday

Stevens Point entrants and the local delegation will leave today for the 38th annual State Oratorical contest to be held at White Water.

Jack Burroughs, Freshman, will represent the college with his oration; “The Spirit of Youth”. A member of the College and 1933 State championship debate team and winner of the State and Tri-State oratorical meets last year, will carry the extemporaneous-speaking contest to be held in the afternoon.

Collins - Hotvedt Alternates

Cletus Collins, Junior, and Burton Hotvedt, Senior, will accompany the school representatives as alternate orator and extemporaneous speaker respectively. Collins’ oration is entitled “The Liberation of Intelligence.”

Only six of the nine colleges in the conference are competing this year, Milwaukee, River Falls, and Oshkosh having failed to enter.

Mr. Joseph Mott of the Stevens Point college faculty and secretary of the State Teachers’ College faculty and secretary of the State Teachers’ College Forensic League announced the entrants to the contest. George Dickson, Eau Claire, will present “Pools Among Men.” William Welter, La Crosse, will present “Blind Worship.” “Banking in the Bank” is the oration of Glen Davis, Platteville. Carl Ritzman, Superior, will present by Leo Beat, Whitewater.

To Propose Changes

Accompanying the speakers and alternates will be Mr. Brack Rogers, coach, Mr. Knutzen, Mr. Mott, and Miss Coleman, all of the local faculty. Due to the great distance between here and White Water, there will probably be no student delegation.

At the meeting of the league, a proposal will be made to hold all future contests at Stevens Point in conjunction with the annual State debate meets. This would be particularly desirable because of our central location. It would also remove the added expense of securing judges, since the same criticisms could be used, for both
STEVEN'S POINT WINS ANOTHER CHAMPIONSHIP

Winning state championships is getting to be a habit for Central State Teachers College. Stevens Point is still rejoicing over our basketball title. Last Friday Coach Leland M. Burroughs' debaters carried off another silver trophy by winning the State Teachers' college debate tournament which was held here.

It was the fine work of Celestine Nuese and Donald Mills that directly contributed to the college's success. Burton Hotvedt and Tom Smith, runners-up in the tournament comprised the other team. Clarence Styczka was alternate and Marlowe Boyle has been the sixth member of the forensic squad.

Stevens Point will make bids for additional honors. At Whitewater tomorrow when Jack Burroughs and Celestine Nuese will represent the college in the oratorical and extemporaneous divisions, respectively. Cletus Collins and Burton Hotvedt are the two respective alternates.

OH those SWINGING DOORS

Something should be done about it. We're referring to the traffic jam that occurs in the hall-way on the third floor of the building just outside the rural assembly room between classes.

Apparently it would be far easier to remove the doors entirely rather than to have them block half the stairway while they're open.

Observe the situation sometime and then see if you can blame "spin" for threatening to "tire the blame things off one of these days".

THE QUESTION: What do you think of adopting some mild form of having to teach freshmen proper respect for upper-classmen?

Virgil Pizer: It's all right, but you never could get anybody to do any thing. You were always thrown over your own self. You know how you would have felt if you'd been asked to do anything.

Arn Nordgaard: I thought it'd be grand, really. They're insignificant enough to wear green suits. Supercreas--crea supercrazy is peachy.

Gordon Utsch: I think it'd be a good idea. Occasionally, this school they are a little tame. But how is it going to be done? There's another question.

Arn Nordgaard: I believe that they should at least say "hello" as they go by or put on a free dance to show their respect.

Ed. Baker: If you had some way to call who are and who aren't freshmen it'd be all right, 'cause this way you don't know who they are. If you had 'em wear a green cap or something it'd be all right.

EXCHANGES

The QUIVER staff of Oakshor State Teachers College announced recently that the year's academic would be based upon a teaching theme. "It is planned for the students to carry out this scheme throughout the book, depicting, by means of sketches, the various phases of teaching from the high-school department to the rural school divisions. It was also revealed that the book would be dedicated to the alumnae who are in the field of work for which the school was originally established. (The Teachers College Advance of Oakshor State Teachers College).

Students at Winona State Teachers College at Winona, Minnesota recently cast their ballots for songs that they wish to sing at assembly during the next quarter. "Moonlight and Roses" received the largest number of votes. Other preferences were "When Irish Eyes Are Smiling", "Put On Your Old Grey Bonnet", "Mighty Lak a Rose", "Tip Too Trough the Tulips With Me".

"A total of 891,454 was added to the athletic department treasury of the University of Wisconsin by 42,923 spectators who witnessed the varsity basketball team in action this year. Despite the fact that the Badgers were the only team to have "fulfilled" the $250 admission only 297 less than last year. The games with Loyola, U. of Chicago and Stevens Point Teachers College added $1,262 to the total receipts. "Win" of the latter figure $1,262 was gained by the game with the Pointers at Wisconsin Rapids.

"Numerous mermaids, sprites, and water serpents have been reported for the W. A. W. Water Culival, which is to be held Saturday, March 18. The stunts of the "audience" and the mermaids will meet will be good amusement for entertainment. Tickets will be sold for only a dime. After the main performance, the swimming pool will be open to all students for fun and to "take a dip."

ALUMNI NOTES

We are going to run in the next few weeks the names of some of the more prominent of our graduates. We hope to have the names of the students who will now read this list carefully and observe the professions and lines of endeavor in which our graduates have attained true success. What they have done in the present day student can do in the future in life.

INTRA-MURAL CAGE TOURNAMENT ON
BISHOP LEADS POINT SCORING FOR CAGE YEAR

Thompson, Krumm, Runners-up For Scoring Honors; Gregory Leads In Production Of Free Throws

Complete figures on the 1932-33 basketball season have been compiled by Ray Urbanowski, assistant athletic manager. These figures include not only the ten conference games played, but also the eight non-conference games played.

Bishop High Scorer

The figures reveal that Bishop, our tall forward, was the offensive star of the Point aggregation, garnering 169 points in the eighteen games, an average of 9.3 points per game. Larry's scoring activities slumped in the Oshkosh and River Falls' games, and as a result Schwogeier of La Crosse beat him out for conference scoring honors.

Captain Art Thompson, playing in his last and most successful season, placed second in scoring with 132 points for the eighteen games. Art and Guy Krumm scored the same number of field goals, 57, but Thompson scored 13 free throws to 10 for Krumm to lead his team, mate by eight points. Krumm scored 124 points.

Free Throw Wizard

Fourth in the list of scorers but first when it came to making free throws was the diminutive Nolan Gregory, who made 31 baskets and sank 35 gift shots for a total of 97 points. "Greg" also led in making personal fouls, being penalized 45 times.

"Jugger" Marsh finishes the list of high scorers with 67 points for the season. Marsh made 24 baskets and 19 free throws during the season, beside playing a consistent floor game in every contest. He made 19 personal fouls, the lowest total of any of the regulars.

Baseball? Sure, Says "Eddie" In Interview

In a recent interview with Coach Kolai we asked him about the possibility of a baseball team to represent the school. To our surprise something like this, "Sure, I'm in favor of a baseball team," and if the kids want it we'll have one. However we can't expect financial help because of the conditions. It will be necessary to schedule games with some of the independent teams around here because the other colleges have no ball clubs. This will by no means supplant track as the major spring sport.

These are "Eddie's" views on baseball and now it's up to the joining of you fellows who are interested in this sport to let the coach know your attitude so something definite can be done.

College Golfers Given Room For Tee Practise

Golfing enthusiasts (some call them "nats") will be delighted to hear that the old boxing room located just east of the coach's office will be opened for driving practise.

Everyone Invited

All college men are invited to come in and try to knock the cover off the ball. A net will be hung to keep it from going through the wall. The only catch in the whole thing is that the golfers must bring their own equipment. The school has all it can do to support the football team.

S NO'S SPORT SHORTS

The slickest thing in the world, it seems to us, is a sport page when there are no sports to write about. Or maybe its just as silly when there are.

At any rate, we're getting sick and tired of listing all the free meals that the basketball boys are getting. And then to add it all off they invite Francis Strand, sports editor of the "Journal" local town publication, and not us. That was the straw that broke the fried chicken's back.

A little good news from Stout. They listed Thompson and Marsh on their all-opponent team, and give Bishop, Krumm, and Gregory honorable mention. I guess that leaves only Mr. Schmeesee, of our regulars, out.

Others listed on the Stout team were Neval of La Crosse and Collins of Superior at the forward posts, and St. Peter of La Crosse at the guard position. Incidentally, the "Stoutonia" has perhaps the best sport page of any of the state teachers colleges.

Of course we don't like to brag...

We had to win a championship to gain the Milwaukee papers, while the Milwaukee papers made headlines while making ambitious efforts to lose every game. Is there no justice?

Precious soon the track men will take off their pants and start to run. We hope they get somewhere.

**DIRECTIONS FOR PLAYING**

The letter on each tee is merely a key letter and is not counted as a stroke. For example, “d”-ally would be a par 4 hole. Synonym starting with the letter designated on each hole but below the par number of strokes are below par golf. The number of letters used is your score for that hole. Each letter over par counts an extra stroke. Words scrawled count double the par for that hole and this total is used in the score.

St. Patrick's Day

It's here! The party the students have been waiting for! Just wait until you see Miss Roach get up in assembly to give the announcement and you will know it is going to be some party.

Now you have all guessed the story will continue. Yes, (to those of you who were smart enough to guess it correctly) it is the St. Patrick's Day party sponsored by the members of the Rival Life Club. One of the big events of each school year and it is always a success. Just ask someone who has been to one.

The dance will be held in the old gymnasium Saturday evening, March 18th from 8:00 to 11:30. The party will be open to all students for the admission price of 25c. (Let's hope the banks open up before Saturday). Outsiders may come upon the invitation of some student if they can find the name of the person who is to be invited is given to Miss Mary Hanna. Miss Hanna is in charge of the invitations and will see that one is sent to your friends.

Mr. O. W. Neale is in charge of the music arrangements and Ben Manns and his "Collegians" will furnish the dance music.

Atwells Entertain

Regent and Mrs. W. E. Atwell, 101 Clark St., entertained Coach Kotal and his "champs" at dinner Saturday evening Members of the Athletic Committee and President Hyer were also guests.

Kondale Delegates Chosen

The regular meeting of Sigma Zeta was held Wednesday evening at 7:30 in Mr. Watson's Room. The meeting was in charge of Professor Watson who introduced the science group to "A Phase of Geography". Mr. Watson's assistant, Miss Stauffer, after the program Miss Evelyn Wimme, Master Scientist presided at the business meeting. Delegates to represent the society at the national Kondale were chosen. The national Kondale will be held in Alton, Illinois, April 14 and 15, and it is hoped that many of the members will be able to attend. Last year the society had ten representatives at the Kondale in Cape Girardeau, Missouri.

Basketball Team Entertained

Mr. and Mrs. Victor E. Thompson and Mr. and Mrs. Marion Tardiff entertained the Teachers College championship basketball team and their coach, Eddie Kogan, at dinner Thursday evening at the Thompson home, 210 North Michigan Avenue. Other guests were President Frank S. Hyer and Fred J. Schmeeckle, chairman of the college athletic committee. Covers were laid for 16 at a large table with a center-piece of purple iris and gold jonquils, carrying out the colors of the college. The place cards were basket ball silhouettes mounted in gold standards. At the conclusion of the four-course dinner, a large cake was placed before Coach Kotal. Iced in gold color, the cake was decorated with a miniature chocolate basketball and purple lettering. Around it were placed 12 little cakes, each surmounted by a chocolate basketball, for individual members of the team.

Stevens Point district High school tournament starts at 3 o’clock today with Manawa meeting Iola. At 4 bells Neosho opposes Redgranite. Tonight at 7:30 o’clock Weyauwega and the Rapids clash. The final evening game will see Point and Westfield scuffling.

As a feature before the championship game Saturday night the various High School coaches and our “Eddie” will play the “state champs”.

The coaches lineup will include Kotal, Ringdahl, Mingst, Klandrud, Wierzenzski and others. Frank Wierzenzki of Westfield is a college grad. We’re broke but we’re betting on the “old men”.

Ralph Bader forgot about the dinner he promised the college team if they’d trim Wisconsin — but they didn’t. Kotal and the gang dropped in on ‘em the other night.
