JOE GUMIN AT JUNIOR PROM FRIDAY

BIG SOCIAL HOP OF YEAR IN GYM FRIDAY NIGHT

"Under Sea" Setting Sure To Thrill Prom Guests; Reception Line At 8:30 o'clock

An "under sea" setting will be the theme of the '33 college Junior Prom which will be held in the new gym Friday night.

Nuesse Is King

Celestine Nuesse, Junior class president, will head the receiving line. Beside him will be "Babe" Goggins, queen of Prom night. Vice-President Alice Sorenson and her friend, Dick Schwahn, will be next in line. Following them will be President Frank Hyer, Mr. and

Celestine
Nuesse

Mrs. T. A. Rogers, Miss Helen Meston and Miss Bertha Hussey. The reception line will be formed at 8:30 o'clock.

Gym Looks "Neat"

Fritz Cochrane and his decorating "crew" have been putting in some long hours on the scenery the past few nights. They've got the spacious basketball court transformed into a typical "deep sea" hide-out.

A sea blue false ceiling will hang overhead. The side walls will be decorated with various sea moss and fishes. In the center of the gym, near the ceiling, a large sea fish will enchant the dancers. As the guests enter the gym they will have to pass through the jaws of mammoth fish, overhanging the two entrances.

Grand March

King Nuesse and Queen Goggins will lead the grand march. Vice President Alice Sorenson and her partner, Dick Schwahn, will be second in line. Next will be General Chairman of the Prom Committee Edward Leuthold and his coed, Vivian Enge. Secretary of the Junior Class Elmer Larson and Elizabeth Neuberger will be next in line.

Clever Band Setting

Joe Gumin and his orchestra will be placed on the stage. Spanish moss, dangling from tree trunks and limbs, will engulf the musicians and their illuminating instruments.

Edward Leuthold is general chairman of the Prom committee. —Fritz Co-

Students Vote On "Iris" Plan Today

Students will vote on the new "Iris" plan at the regular ten o'clock assembly this morning.

Would Reduce Cost

Ballots will be distributed to all registered students. The new plan favors the tuition method of purchasing the annual. Should the balloting favor the new plan, students will secure their annuals for \$2 instead of \$3 each year.

Tuition per semester would be raised from \$21 to \$22. By the new plan each registered student would receive an "Iris" each spring.

"Eddie" Discovers Somethin'

Edward Leuthold, '34 business manager of the "Iris", was digging up some old annuals the other day. He discovered that the collegebook was called the "Nautilua" back in 1901. In 1904 the second annual was edited under the name of "Summum". The first issue of the "Iris" was published in 1907. Since that year the yearbook has been published annually.

Bob Emery Is Elected Head Of Mixed Chorus

Bob Emery was elected president of the college mixed chorus at a meeting held last week. Gilbert Busch was elected vice-president; Vera Kramer, secretary-treasurer; and Bob McDonald, publicity.

The mixed chorus will render a concert at Marshfield next week. The group is also scheduled in other surrounding communities during the month of May.

Through the efforts of President Hyer, adequate facilities for the transportation of the entire band have been arranged. In addition to transportation, a lunch will also be furnished to the musicians participating in the entertainments.

On Monday the band will go to Rosholt to give a similar concert before the high school of that city. The concert was arranged by Burton Hotvedt.

"IRIS" VOTE IN ASSEMBLY TODAY

At the regular ten o'clock assembly program today students will decide the destiny of the new "Iris" plan of purchasing the year-book.

Students should understand the proposed change before casting their ballots. The new plan would reduce the price of the "Iris" from \$3 to \$2. It would increase the tuition per student each semester from \$21 to \$22. Every registered student would receive an annual each spring.

It is mandatory that all students attend the assembly programs each week. In lieu of this requirement there is always a "controlling vote" parked on the iron railing opposite the dorm enjoying their morning fags" during this hour on Thursday mornings. Then there are always a few scattered votes found dipping doughnuts into steaming coffee at our "eat" shops during this same hour.

Whether you favor or oppose the plan your vote today will play an important part in determining the passage of the new plan.

Local "Profs" Busy With Commencements

Six of our college instructors will be kept busy during the next month addressing graduating classes throughout the state.

President Frank Hyer will deliver the commencement address at Prentice on May 25. He will be at Nekoosa on June 1. The following day he will address the Kewaskum prep grads.

Busy Card For Neale

O. W. Neale will be at Banerhoff on May 24; at Viola, May 25; Loyall, May 26; Kimberly, May 30; Humbird, 31; New Lisbon, June 1; Dodgeville, June 2, and on June 3 Mr. Neale will wind up with an address to the Iowa County 8th Grade grads at Dodgeville.

Herbert R. Steiner will be at Spencer on May 31; Necedah, June 1, and the County Normal at Antigo on June 7.

Smith At Local High

Ernest T. Smith will deliver the commencement address to the Stevens Point High school graduating class on Thursday, June 8.

Leland M. Burroughs will go to Cornell on May 30, and will speak at Eagle River on June 1.

Norman E. Knutzen is at Wattersmeet, Mich. today. On May 25 he will speak at Birnamwood; Stratford, June 1; Wittenberg, June 2; Tigerton, June 5; Plainfield, June 9.

Large Crowd At Annual Play Day

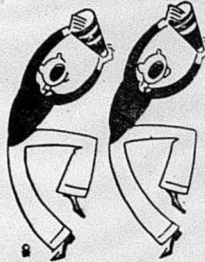

Ninety-eight girls from nine high schools in surrounding cities were here to take part in the third annual play day, sponsored by the Women's Athletic Association of the Teachers College. And the gods must have regarded the moment as propitious, for the sun shown brightly upon the spectacle.

As the idea of Play Day is to emphasize the value of non-competitive sports, it can be said that although no team won, everybody had a good time. Schools competed in tennis and horseshoe with the following results: tennis doubles, Wolf and Weber, Stevens Point, first; Bylow and Bunker, Neenah, second; tennis singles, Cotey, Merrill, first; Berner, Antigo, second. In horseshoe pitching Wisconsin Rapids was first and Antigo second.

After a morning of games, dinner was served at Nelson Hall, and some eating was done. That is, they ate between shouts, for the din was terrific. The mob then returned to the Athletic Field to continue their gaming. The girls were well mixed up, girls from different towns being represented on each team. After a bit of a style show, the meeting adjourned, all pleased, and all vowing to return next year.

The schools represented were: Stevens Point, Rosholt, Wautoma, Marshfield, Antigo, Wisconsin Rapids, Neenah, Merrill, and Wausau.

STUDENT

BROADCAST

Opposes "Iris" Plan

Dear Editor:

Gray Krumm's maxim "if you don't spend it one way you'll spend it another" is without a doubt a most reliable one under ordinary conditions. However, it's true that the Capitol is lousey (perhaps that's why it's closed) and almost everyone prefers a good glass of H₂O (water) or even plain Stevens Point to Hamm's "special".

But three years ago the tuition to C. S. T. C. was \$17. Now the dollar is about twice as valuable and, to most of us, four times as scarce. But, if it's economical value is only double what it was in 1930, we are now paying a tuition, relatively, in terms of 1930 values, of \$42, or, we were paying in 1930 in terms of present values a tuition of only \$8.50.

I am not unappreciative of the value of an "Iris", nor am I complaining that present tuition rates are unreasonable. I am pointing out that they are relatively much higher than they were. To add more to the present sum will make the "tuition problem" a bigger hardship to a great number of students. To those who cannot come because of lack of tuition money (and this number is getting larger) it puts the possibility of school farther away than ever. It's not as it used to be. Today, to many of us, a "dollar is a dollar".

EXCHANGES

The "Rambler", a gossip column in the University of Wisconsin Daily Cardinal, has been discontinued. It was the belief of the authorities that the "Walter Winchell type" of journalism was unbecoming so august an educational institution. Readers of the publication are raising a fuss about it.

There are some, however, who vehemently contend that the Cardinal should be strictly censored by University authorities. Freedom of the press, it appears, has no place in a great university... even in 1933.

The Winonan, student publication of Winona State Teachers College at Winona, Minnesota, was awarded first class rating by the National Scholastic Press Association in this year's journalistic contest. This rating is equivalent to a grade of excellent. (The Winonan).

Six years ago when the four year degree course was introduced at River Falls State Teachers College thirteen faculty members had no degree. Fifteen had a B. A., and thirteen had an M. A. degree. Now, however, in contrast nineteen have the B. A., twenty have the M. A. and three have Ph. D.'s. A dozen or more of those with the M. A. degree have done work toward a Ph. D. (The Student Voice, River Falls State Teachers College).

TRACK TEAM AT PLATTEVILLE

POINTERS COP FOURTH PLACE IN TRACK MEET

Milwaukee, Whitewater, A n d
Oshkosh Top Pointers In Five
Team Contest At Milwaukee

Taking two first places, the Point track team scored 25 points to take fourth place in a five team contest, held at Milwaukee last Saturday.

Milwaukee Wins Easily

Milwaukee, with great team strength, walked off with the meet, scoring 62½ points. Oshkosh placed second, with 40½ points, Whitewater third, with 26½, and the Point directly behind, with 25. George William college of Chicago was fifth with 21½ points.

Scribner and Fritsch accounted for two firsts for the Pointers, Fritsch in the shot put, and Scribner in the mile run. All other local scores were garnered in seconds and thirds. Wittig of Oshkosh was the high scorer of the meet, scoring 17 points.

Poor Condition

The comparatively poor showing of the Kotalmen was due, no doubt, to the short time they have had to practise. Poor weather conditions have hampered their efforts to get into condition. Undoubtedly future meets will see a decided improvement in local track performance.

The Results:

100-Yard Dash — Hayward, George Williams, first; Frindell, Milwaukee, second; Rhinehardt, Milwaukee, third; Healy, Whitewater, fourth. Time, 10.1 seconds.

220-Yard Dash — Lamb, George Williams, first; Fredericks, Milwaukee, second; Frindell, Milwaukee, third; Hayward, George Williams, fourth. Time, 24.2 seconds.

440-Yard Dash — Bohman, Oshkosh, first; Arnold, Whitewater, second; Lamb, George Williams, t h i r d; Schmidt, Milwaukee, fourth. Time, 53.2 seconds.

880-Yard Run — Bohman, Oshkosh, first; Pape, Milwaukee, second; Schoeller, Milwaukee, third; Burzenski, Milwaukee, fourth. Time 2 minutes 8 seconds.

Mile Run — Scribner, Stevens Point, first; Shalk, George Williams, second; McIntosh, Milwaukee, third; Kamens, Milwaukee, fourth. Time, 4 minutes, 51 seconds.

Two-Mile Run — Kelley, Milwaukee, first; Radmer, Milwaukee, second; Nauert, Milwaukee, third; Shalk, George Williams, fourth. Time, 10 minutes, 18 seconds.

120-Yard High Hurdles — Wittig, Oshkosh, first; Wichman, Milwaukee, second; Atwood, Stevens Point, third; Thompson, Stevens Point, fourth. Time, 16.4 seconds.

220-Yard Low Hurdles — Wittig, Oshkosh, first; Atwood, Stevens Point, second; Berard, Stevens Point, third; Wichman, Milwaukee, fourth. Time, 27.5 seconds.

Final Boxing Tournament To Be Held Next Thursday

Plans for the final bouts of the all-school boxing tournament are definitely completed, according to Promoter "Windy" Thomas, the "Tex Rickard" of Stevens Point. The fights will be held Thursday evening, May 25.

Six Bouts Promised

Six bouts are scheduled, a bantamweight bout, a lightweight fight, a welterweight match, a middleweight scrap, a light heavyweight tilt, and a heavyweight battle. The winners of the two previous preliminary tournaments will meet in these exhibitions of modified mayhem.

Attractive medals for the first and second place winners have al-

ready arrived and are on display in Coach Kotal's office. It is impossible to list the men who are to fight in this issue, for there are several ties that will have to be fought off in the boxing room before the line-up can be given. It will pay to watch the boxing room this week. One match is sure, that between "Punk" Winn and Myles Graney for the heavyweight crown.

May Be Outdoors

It had been hoped that these bouts could be held outdoors, but because of difficulties of lighting and the possibility of non-paying spectators, the fights will probably be staged in the old gym.

W. A. A.

There will be a meeting of the executive board of W. A. A. Tuesday evening, May 23, at 9:00 o'clock in room 308 in Nelson Hall.

"On account of there is going to be a big blowout," all W. A. A. members are requested to bring flashlights and wear heavy sweaters for the W. A. A. meeting May 24 at 7:30.

Please hurry and sign for this weeks' bird hike on the W. A. A. bulletin board.

SAM'S SPORT SHORTS

We see by the Superior and Stout papers that they are awarding "S" sweaters to their athletes. Now, that sounds familiar. We wonder why?

And we wouldn't tell anyone for the world that a certain organization held a fishing trip at Lake Emily last Monday night.

Eddie Kotal was a Chicago visitor this last week. He refused to say whether he could get Northwestern for our Homecoming game or not.

So Oshkosh got Superior and felt pretty Stout. He called "Eau Claire", but she was Milwaukeeing where the River Falls. "What Whitewater," she said, and left him Platteville, which was a dirty double La Crosse. Do you get the "Point"?

And the Play Day was just grand, my dears. But the girls are barred from Schmeeckle Field from now on. They want to give the grass a chance.

We spent a heavy week-end planting a garden, assisted by several well-meaning hounds.

They refused to call a spade a spade. They wanted to call it a telephone pole.

The only thing worse than a wolf at the door is a dog in the garden.

W. A. A. wishes to thank all those who assisted in making the Play Day a success.

KOTAL SQUAD IN FIVE TEAM MEET MAY 20

Final Warm-Up For The State
Meet; Tracksters Working
Daily To Improve Standing

Coach Kotal's tracksters will endeavor to better their record this Saturday when they invade Platteville for their second track and field meet.

Five Teams There

Besides Platteville, La Crosse, Whitewater, and Milwaukee are expected to take part in the meet. It will be the final tune-up before the State Meet a week from this coming Saturday.

Practically the same squad which made the trip to Milwaukee is expected to go to Platteville. Scribner, Thompson, Atwood, Baker, Berard, Abel, Kaskey, Blom, Reichert, Fitch, Graney, and Fritsch are the men who compose the varsity team.

Prepare For State Meet

The team will travel by cars, and will remain in Platteville that evening. Regular practise throughout the week has assured the Pointers of better condition for this contest, and the stiff muscles of the first of the year are beginning to get loose and supple again.

The big objective is, of course the State Meet, and while the Pointers would like to make a creditable showing at Platteville, they will probably save themselves for the big trial next week.

Chi Delts Take Third Inter-Fraternity Tilt

Winning the third game of the series, 15 to 6, Chi Delta Rho improved it's chances of repossessing the "little brown jug", now the possession of Phi Sigma Epsilon, and kittenball trophy.

The Chi Delts need to win only one more game to take the five game series, while the Phi Sigs will have to take two to retain the jug. The fourth game of the "crooshal" series will be on the Garfield diamond Friday at 3 o'clock.

-The lineups:

Phi Sigs: Peterson, fss; Krumm, cf; Collins, lf; Shorey, ss; Thompson, lb; Mish, 2b; Bluthe, rf; Rickman, 3b; Maurer, p; Herrick, c; Rothman, rf; Nygard, rf; Skinner.

Chi Delts: Steiner, ss; D. Schwahn, 3b; Klement, p; Bishop, lb; Kingston, cf; Blood, lf; Gregory, ss; Boyle, c; W. Schwahn, rf; Murat, 2b; Turrish, 2b; Laabs, rf.

Attends Omega Formal

Miss Ventura Baird of Medford who is teaching in the Rhineland-er public schools was a guest at the Oscar W. Neale home, 402 Church Street, for the week-end. Miss Baird was here to attend the Omega Mu Chi sorority dance in Wausau last Friday evening. Miss Baird's second grade pupils won the city grade music contest conducted at Rhineland last week.

Attend Junior Prom

The Misses Jean and Janet Alban, formerly of this city, and now residents of Chippewa Falls are guests of Miss Roberta Sparks, 306 Dixon Street. The Misses Alban will attend the Junior Prom this week-end. Both were enrolled in the Grammar Department last year.

Loyola Club Meeting

A program appropriate to national music week was given at a meeting of the Loyola club, held Thursday evening in the rural assembly room of the college. Mrs. Irene Hite Thompson discussed the history of church music, playing records to illustrate the various steps of development. Three solos were sung by Miss Lucy Doyle, accompanied by Robert Krembs. Mr. Krembs presided over the meeting as president of the club.

National H. E. Convention

Women of the Home Economics Department are making plans to send several delegates to the National Home Economics Convention which is to be held in Milwaukee, June 26 to 30.

A novel way of raising money to send delegates from this college is being carried out. Each Home Ec. student is to raise one yard of pennies before the close of school. We predict a two point rise in 'Inspiration Copper'.

Primary Tea

A tea was given by the girls in the Primary Department Tuesday afternoon in the Home Economics Rooms from 3:30 to 5:00 o'clock. The committee in charge included Roberta Lindow, Ruth Stange, and Norma Steinmetz.

Senior Class Party

Seniors, their friends, and members of the Senior Class Play and chorus were entertained at a private dancing party in the old gymnasium Saturday evening from 8:30 to 11:30. Ben Mannis and his "Collegians" played for the dancing.

Mr. and Mrs. C. C. Evans and Mr. and Mrs. G. C. Allez were the guests of the evening. The chaperones entertained themselves by participating in the collegiate steps.

NELSON HALL

Banquets, luncheons, and picnics are now on in full swing. Saturday noon our dining-room was the scene of the Play Day luncheon. Healthy appetites, and lusty cheers and songs were in evidence. The W. A. A. members sat at tables arranged in the form of a W., and the groups of high school girls sat at their respective tables.

A program depicting "ancient" and modern sport dress was given between courses. Attractive sport motifs decorated the colorful aprons worn by the waitresses. Mrs. Hyer, Miss Hussey, Mrs. Dorothy Dunn Hoffman, and Miss Seen were guests at the luncheon.

The Stevens Point Women's Club held a banquet in our recreation room Monday evening. Miss Claire McClellan of Antigo, a former student, visited with old acquaintances Saturday.

"Slim" Beardsley Entertains

Margaret Beardsley entertained Elinor Eubanks and Elda Miller at her Wisconsin Rapids home this week-end. Mildred Poeske of Wausau visited with Betty Hoyer Saturday and Sunday. Mildred took part in the Play Day activities Saturday. Thyra Iverson entertained Ruth VonBerg of Mosinee Friday evening and Saturday.

Grace Hardrath and Maybelle Kline have signed contracts to teach rural schools in Clark county.

Zetans Picnic At Nekoosa

Members of Sigma Zeta Society enjoyed an outing at Nekoosa and the surrounding territory last evening. The members left here at 4 o'clock P. M. and drove to Nekoosa where they visited the Nekoosa Nursery. Problems of reforestation and conservation were explained by the proprietors.

A picnic lunch was staged at a nearby park.

Miss Blanche Tyler was in charge of the committee which planned the last meeting. Election of officers was held.

Say It Isn't So — that it's possible to hear a still explosion.

Something happened over at the dorm the other night and one of our poets got out the pen and scribbled thus:

A quail self-styled "M. N."
Is a gentleman-adoring wren
But when we got her a date
She made him wait
Don't think it will happen again.
Dorm Detective

Edna Crocker went way to Milwaukee to buy some decorating moss for the Junior Prom "under sea" setting. When she entered the shop and asked for a package of "Spanish moss" the old boy in back of the counter echoed back thru his tobacco stained teeth, "Ye gods, I wouldn't take ye for a Spaniard, little girl."

It looks like the Phi Sigs are going to have a "frat" house next year. What a job the house mother will have on her hands getting the college boys accustomed to milk and doughnuts for breakfast instead of pretzels and beer.

If the Chi Deltis win tomorrow's indoor game from the Phi Sigs they win the "little brown jug full of beer".

Bob Steiner bats first for the Chi Deltis. He should. He bingled a home run off Maurer on the first ball pitched in the last two games.

When you enter the new gym at the Prom tomorrow night you'll have to walk thru the mouths of large, ugly looking fish. Don Blood's skill with the hammer and saw created them. Vaughn Walch is going to keep them supplied with spiked punch during the evening.

Rural Play Amuses Audience; Success

"Wind in the South", an American comedy in three acts was staged in the college auditorium Tuesday evening, May 16, under the auspices of the Rural Life club. A large number of students and townspeople turned out to witness the splendid acting that always characterizes a Rural Life Club play.

The cast was unusually well-chosen. Elda Roseberry showed excellent ability in her portrayal of the young Italian wife of a Dutch farmer, played by Clarence Styza. Bob Neale interpreted the character of a wondering Italian peddler almost faultlessly. Other members of the cast are: Clara Peterson, Veryl Way, Rosalie Timm, George Bartel, Helen Wroldstad and Margaret Putz. Miss Hanna was the director.

Ashmun Club Elect Heads

New Margaret Ashmun Club officers were elected last week Wednesday. Ella Kleist is president; Carolyn Hanson, vice-president; and Jean Lynn, secretary-treasurer.

Ear-ring Lost

An ear-ring was lost at the Phi Sig dance, May 5. Return to office. Thanks.

Officers Meet Monday To Set Social Dates

An important meeting of all officers and faculty advisers of the various clubs and organizations will be held in Mr. T. A. Rogers' chemistry lecture room on the first floor next Monday evening at 7:30 o'clock.

Organize Social Calendar

Next year's social calendar will be drawn up at the meeting. The "Student Handbook" will be printed during the summer vacation so that it will be ready for distribution in September.

Dates For Spring Formals

All organization heads, including fraternities and sororities, are urged to be present at the Monday night meeting. Failure of representatives to be present will deprive them of dates for benefit dances and other social feats. Dates for next year's spring formal parties will also be decided Monday night.

Speaking at the annual staff banquet of The Daily Cardinal, President Glenn Frank of the University of Wisconsin reaffirmed his desire for a free and uncensored student newspaper, but stressed the need for responsible management. "The need for a student newspaper 'run by students', without faculty, or alumni supervision is obvious the president stated. He points out, however, that freedom carries with it a necessity for the observance of good taste, a decent respect for privacy, and accuracy". (The Daily Cardinal U. of W.).

E. T. Smith says he wouldn't be a bit surprised if the government soon slapped a revenue tax on sleeping. That'd be a great incentive to spring more "over night" parties".

One of "Herb" Steiner's hot history students said "The Tenure of Office Acts" brought "Habeas Corpus" charges against Johnson.
