JOE GUMIN AT JUNIOR PROM FRIDAY

BIG SOCIAL HOP OF YEAR IN GYM FRIDAY NIGHT

"Under Sea" Setting Sure To Thrill Prom Guests; Reception Line At 8:30 o'clock

An "under sea" setting will be the theme of the '33 college Junior Prom which will be held in the new gym Friday night.

Nuese Is King

Celeste Nuese, Junior class president, will head the receiving line. Beside him will be "Babe" Goggins, queen of the night, V. i e President Alice Sorensen and her friend, Betty Schwahn, will be next in line. Following them will be President a.n. Mrs. F. P. an k Hyer, Mr. and Mrs. T. A. Rogers, Miss Helen Meston and Miss Bertha Hussey. The reception line will be at 8:30 o'clock.

Gym Looks "Neat"

Fritz Cochrane and his decorator "crew" have been putting in some long hours on the scenery the past few nights. They've got the spacious basketball court transformed into a typical "deep sea" hide-out.

A sea blue false ceiling will hang overhead, side walls will be decorated with various sea moss and fish. In the center of the gym, near the ceiling, a large sea fish will enchant the dancers. As the guests enter the gym they will have to pass through the jaws of mammoth fish, overhanging the two entrances.

Grand March

King Nuese and Queen Goggins will lead the grand march. Vice President Alice Sorensen and her partner, Dick Schwahn, will be second in line. Next will be General Chairman of the Prom Committee Edward Leuthold and his coed, Vivian Enge. Secretary of the Junior Class Elmer Larson and Elizabeth Meisberger will be next in line.

Clever Band Setting

Joe Gumian and his orchestra will be placed on the stage. Spanish moss, dangling from tree trunks and limbs, will engulf the musicians and their illuminating instruments.

Edward Leuthold is general chairman of the Prom committee. Fritz Cochrane is "head of mixed chorus."

Students Vote On "Iris" Plan Today

Students will vote on the new "Iris" plan at the regular ten o'clock assembly this morning.

Would Reduce Cost

Ballots will be distributed to all regular students. The new plan favors the tuition method of purchasing the annual. Should the ballot favor the new plan, students will secure their annuals for $2 instead of $5 each year.

Tuition per semester will be raised from $21 to $22. By the new plan each registered student would receive an "Iris" each spring.

"Eddie" Discovers Somethin'

Edward Leuthold, '34 business manager of the "Iris," was digging up some old annuals the other day. He discovered that the college book was called the "Nautical" back in 1901. In 1904 the second annual was edited under the name of "Sammam.' The first issue of the "Iris" was published in 1907. Since that year the yearbook has been published annually.

Bob Emery Is Elected Head Of Mixed Chorus

Bob Emery was elected president of the college mixed chorus at a meeting held last week. Gilbert Bush was elected vice-president, Vera Kramar, secretary-treasurer; and Bob McDonald, publicity.

The mixed chorus will render a concert at Marshfield next week. The group is also scheduled in other surrounding communities during the month of May.

FOX THEATRE FREE TICKETS

William Herrick, Carolyn Hanson and Lydia Drewitz were last week's free Fox Theatre tickets winners.

Hyer's Treat

Through the efforts of President Hyer, adequate facilities for the transportation of the entire band have been arranged. In addition to transportation, a lunch will also be furnished to the musicians participating in the entertainments.

On Monday the band will go to Marshfield to give a similar concert before the high school of that city. The concert was arranged by Barton Hotvedt.

Local "Iris" Vote in Assembly Today

At the regular ten o’clock assembly program today students will decide the destiny of the new "Iris" plan of purchasing the yearbook.

Students should understand the proposed change before casting their ballots. The new plan would reduce the price of the "Iris" from $1.75 to $1.50. It would increase the tuition per student each semester from $21 to $22. Every registered student would receive an annual each spring.

It is mandatory that all students attend the assembly programs each week. In lieu of this requirement there is always a “controlling vote” placed on the iron railing opposite the dorm enjoying their "morning fags" during this hour on Thursday mornings. Then there are always a few scattered votes found dipping doughnuts into steaming coffee at our “eat” shops during this same hour.

Whether you favor or oppose the plan your vote today will play an important part in determining the passage of the new plan.

Large Crowd At Annual Play Day

Ninety-eight girls from nine high schools in surrounding cities were here to take part in the third annual play day, sponsored by the Women’s Athletic Association of the Teachers College. And the gods must have regarded the moment as propitious, for the sun shone brightly upon the spectacle.

As the idea of Play Day is to emphasize the value of non-competitive sports, it can be said that although no team won, everybody had a good time. Schools competed in tennis and horseshoe with the following results: tennis doubles, Wolf and Weber, Stevens Point; first; Bylow and Bunker, Neenah, second; singles, Cotev, Merrill, first, Berner, Antigo, second. In horseshoe pitching, Wisconsin Rapids was first, and Antigo second.

After a morning of games, dinner was served at Nelson Hall, and some eating was done. That is the state between sheets, for the din was terrific. The mob then returned to the Athletic Field to continue their gaming. The girls were well mixed up, and came from different towns being represented on each team. After a bit of a style show, the meeting adjourned, all pleased, and all vowing to return next year.

The schools represented were: Stevens Point, Rosaholt, Wautoma, Marshfield, Antigo, Wisconsin Rapids, Neenah, Merrill, and Wau- sau.

EXCHANGES

The "Rambler", a gossip column in the University of Wisconsin Daily Cardinal, has been discontinued. It was the belief of the authorities that the "Rambler Winchell type" of jour- nalism was unbecoming so august an educational institution. Readers of this column are urged to keep within the lines and do not print in the "Rambler".

There are some, however, who vehemently protest that the Cardinal should be strictly censored by Uni- versity authorities. Freedom of the press, it appears, has no place in a great university…even in 1933.

The Wimnosa, student publication of Winona State Teachers College at Wi- mona, Minnesota, was awarded first place by the National Women’s Press Association in this year’s journalistic contest. This rating is equiva- lent to a grade of excellent. (The Wimnosa.

In Track Meet

Milwaukee, Whitewater, A n d
Oshkosh Top Pointers In Five
Team Contest At Milwaukee

Taking two first places, the Point track team scored 23 points to take fourth place in a five team contest, held at Milwaukee last Saturday.

Milwaukee Wins Easily

Milwaukee, with great team strength, walked off with the meet, scoring 62½ points. Oshkosh scored at midnight with 40½ points. Whitewater, third, with 26½, and the Point directly behind, with 23. George William college of Chicago was fifth with 21½ points.

Scrbner and Fritsch accounted for two firsts for the Pointers, Fritsch in the shot put, and Scrblner in the mile. All other local scores were garnered in seconds and thirds. Wittig of Oshkosh was the high scorer of the meet, scoring 17 points.

Poor Condition

The comparatively poor showing of the Katalmen was due, no doubt, to the short time they have had to practise. Poor weather conditions have hampered their efforts to get into condition. Undoubtedly future meets will see a decided improvement in local track performance.

The Results:

100-Yard Dash — Hayward, George Williams, first; Frientbl, Milwaukee, second; Rhishard, Milwaukee, third; Hegg, Whitewater, fourth. Time, 10.5 seconds.

Final Boxing Tournament
To Be Held Next Thursday

Plans for the final bouts of the all-school boxing tournament are definitely completed, according to promoter "Windy" Thompson and "Tex Richard" of Stevens Point. The fights will be held Thursday evening, May 25.

Six bouts are scheduled, a bantamweight bout, a lightweight bout, a welterweight match, a middleweight scrap, a light heavyweight bout, and a heavyweight battle. The winners of the two previous preliminary tournaments will meet in these exhibitions of prowess.

Attractive medals for the first and second place winners have already arrived and are on display in Coach Kotals office. It is impossible to list the men who are to take part in this issue, for there are several ties that will have to be fought off in the boxing room before the line-up can be given. It will pay to watch the boxing room this week. One match is sure, that between "Punk" Winn and Myles Graney for the heavyweight crown.

May Be Outdoors

It has been hoped that these bouts could be held outdoors, but because of difficulties of lighting and the possibility of non-paying spectators, the fights will probably be staged in the old gym.

SAM'S SPORT SHORTS

We see by the Superior and Stout papers that they are awarding "S" sweaters to their athletes. Now, that sounds familiar. We wonder why?

And we wouldn’t tell anyone for the world that a certain organization held a fishing trip at Lake Emily last Monday night.

Eddie Kotal was a Chicago visitor this last week. He refused to say whether he could get Northwestern for our Homecoming game or not.

So Oshkosh got Superior and felt pretty Stout. He called "Eau Claire", but she was Milwaukee going where the River Falls. "What Whitewater," she said, and left Jim Cummannville, which was a dirty double La Crosse. Do you get the "Point"?

And the Play Day was just grand, my dears. But the girls are barred from Schmeckle Field from now on. They want to give the grass a chance.

We spent a heavy week-end planting a garden, assisted by several well-meaning hounds.

They refused to call a spade a spade. They wanted to call it a telephone pole.

The only thing worse than a wolf at the door is a dog in the garden.

W. A. A. wishes to thank all those who assisted in making the Play Day a success.

Final Warm-Up For The State Meet; Tracksters Working Daily To Improve Standing

Coach Kotals' tracksters will endeavor to better their record this Saturday when they invade Platteville for their second track and field meet.

Five Teams There

Besides Platteville, La Crosse, Whitewater, and Milwaukee are expected to take part in the meet. It will be the final tune-up before the State Meet a week from this coming Saturday.

Practically the same squad which made the trip to Milwaukee is expected to go to Platteville. Scrblner, Thompson, Atwood, Baker, Berard, Abel, Kaskey, Blokh, Reiche, Fritsch, Graney, and Fritsch are the men who compose the varsity team.

Prepare For State Meet

The team will travel by cars, and will remain in Platteville that evening. Regular practice throughout the week has assured the Pointers of better condition for this contest, and the stiff muscles of the first of the new beginning to get loose and supplre again.

The big objective is, of course, the State Meet, and while the Pointers would like to make a credible showing at Platteville, they will probably save themselves for the big trial next week.

Chi Delts Take Third

The Chi Delts need to win only one more game to take the five game series, while the Phi Sigs will have to take two to retain the jug. The fourth game of the "crochall" series will be on the Garfield diamond Friday at 3 o'clock.

-The lineups:

Phi Sigs: Peterson, f; Krumm, o; Collins, f; Blood, f; Skurner, s;

Chi Delts: Stein, s; D. Schwahn, b; Klement, p; Bishop, b; Kingdon, f; Blood, f; Gregory, s; Boyle, c; S. Schwahn, r; Murat, c; Turrish, b; Laabs, b.

Rural Play Amuses Audience; Success

"Wind in the South," an American comedy in three acts was staged in the college auditorium Tuesday evening, May 16, under the auspices of the Rural Life Club. A large number of students and townpeople turned out to witness the splendid acting that always characterizes a Rural Life Club play.

The cast was unusually well-chosen. Edna Roseberry showed excellent ability in her portrayal of the young Italian wife of a Dutch farmer, played by Clarence Styza. Bob Neale interpreted the character of a wondering Italian peddler almost faultlessly. Other members of the cast are: Clara Peterson, Veryl Way, Rosalie Timm, George Bartel, Helen Wrolstad and Margaret Putz. Miss Hanna was the director.

Ashmun Club Elect Heads

New Margaret Ashmun Club officers were elected last week Wednesday. Elia Kleist is president; Carolyn Hanson, vice-president; and Jean Lynn, secretary-treasurer.

Officers Meet Monday To Set Social Dates

An important meeting of all officers and faculty advisers of the various clubs and organizations will be held in Mr. T. A. Rogers chemistry lecture room on the first floor next Monday evening at 7:30 o'clock.

Organize Social Calendar

Next year's social calendar will be drawn up at the meeting. The Student Handbook will be presented during the summer vacation so that it will be ready for distribution in September.

Dates For Spring Formals

All organization heads, including fraternities and sororities, are urged to be present at the Monday night meeting. Failure of representatives to be present will deprive them of dates for benefit dances and other social feasts. Dates for next year's spring formal parties will also be decided Monday night.

Speaking at the annual staff banquet of The Daily Cardinal, President Glenn Frank of the University of Wisconsin reaffirmed his desire for a free and unencumbered student newspaper, but stressed the need for responsible management. "The need for a student newspaper run by students, without faculty, or alumni supervision is obvious the president stated. He points out, however, that freedom carries with it a necessity for the observance of good taste, a decent respect for privacy, and accuracy." (The Daily Cardinal U. of W.).

E. T. Smith says he wouldn't be a bit surprised if the government soon slapped a revenue tax on sleeping. That'd be a great incentive to spring more "over night" parties.

One of "Herb" Steiner's hot history students said "The Tenure of Office Acts" brought "Halifax, Corpus" charges against Johnson.
