Series Rubber Game To Be Played Tomorrow

Scoring two runs in the eighth inning the Phi Sigs defeated the Chi Delta, 8 to 7, and the kittenball series between the two fraternity stands tied at two-all.

Battle Expected

Tomorrow’s game is the rubber contest, and what a game it should be. The stake is the little brown jug, and the winning of the fight looks like it’s filled with gold.

Rickman and Smith, Herrick, formed the winning battery for the Phi Sigs, while Larry Bishop and Marlowe Boyle performed for Chi Delta Rho.

Interest Aroused For Championship Bouts; Winners To Be Awarded Handsome Silver Medals

Although they captured four first places, the Point tracksters bowed to Oshkosh and Whitewater in a close three team meet held at Whitewater last Saturday afternoon.

Four First Places

Ray Kaskay tossed his javelin 156 feet to capture that event, Thompson tied for first in the high jump with Wittig, Scribner placed second, and Myron Fritsch won the shot put.

At the same time the college golf team, playing their first meet of the season, lost to water and Oshkosh at Whitewater. Sam Kingston, Dale Hans, George Maurer, and Ralph Hader made up the Point fairwayconfigurations...

Lack Of Strength

The trouble with the Point track team is that it does not furnish different team strength. There are enough first place winners, but the second and third places are needed to win meets. A squad of nine men cannot compete with the larger teams of Milwaukee, for instance.

The summary: K no r th y: Too, Dophe, White
tax 1st; Dengoot, Oshkosh, second; Bohsnaak, Oshkosh, third. Distance: 101-Yard High Hurdles - Wittig, Oshkosh, first; Houg, Oshkosh, second; Atwood, Stevens Point, third, Time, 16 seconds.

Shotput - Fritsch, Stevens Point, first; Wittig, Oshkosh, second; Tramberg, Whitewater, third. Distance, 42 feet 15 inches. Pole Vault - Thompson, Stevens Point, first; Wittig, Oshkosh, second; Schreiber, Stevens Point, third. Height, 11 feet 3 inches.

College Golfers Trim Oshkosh Here Tuesday

Oshkosh Teachers’ college golf team was defeated, 71⁄2 to 4½, by the local college golfers on the Whiting Country Club course this afternoon.

First College Golf Team

This is the first year that a golf team has been organized at the college. The team’s yesterday’s win is the first to be recorded for the school. Two years ago a team was rigged up but after losing a match at LaCrosse disbanded.

Kingston - Bader Win

Sam Kingston whipped Pete Gunzi, 2 to 1. Kingston shot an 81, for the 15 holes and Gunzi turned in an 85. Ralph Bader won, 2½ to 15, from Don McMah-...Bader’s card was also 81 and McMah hon shot an 85.

Whitewater Here Saturday

Whitewater High School track team will host IIT at an afternoon meet at 156 feet to inn in.”...the Interest Aroused For Champion-

The Point Track Team will host three team meets at Whitewater this Saturday, with the three team meets to be held at Whitewater last Saturday afternoon.

Coach Eddie Kotal pays second base for the Wisconsin Rapids team in the Wisconsin State League. And a good job he does of it, too.

“Bucky” Miller’s first name is Edmund? But never call him that.

Ed. Baker is the only three sport man in school! “Moon” has made the football, basketball, and track teams.

Art Thompson is still growing? It’s a fact.

Myles Graney has the biggest chest in school. “Chest a little home for the old folks—”

This is the fifty-ninth column of “Sport Shorts’? For no good reason at all.

The Point will have a championship football team next year? It’s a bet.

Trackers Go To Whitewater Meet Saturday

Points to Make Creditable Showing: Thompson, Scribner, And Atwood Defend Records

On Saturday afternoon the Point track team will engage in their final meet of the season. Atwood will be there, with all of the teachers colleges participating. Last year the Pointers came in third. With three first places garnered by Thompson, Scribner, and Atwood. The meet will be shifted to Whitewater from Madison.

Defend Championships

These three men are back again this year, and are expected to repeat again in their specialties. Thompson in the high jump pole vault, and Atwood in the high and low hurdles.

In addition to these possible points, Coach Kotal may surprise us by walking off with the javelin throw, and Myron Fritsch threaten in the shot put. Flyers, Bader, and Berard are other potential scorers.

Golf Meet

While the tracksters are working at Madison the college golfers will be at the house to the Oshkosh and Whitewater fairway experts at the Whiting Country Club. They should get at least third place. Whitewater boasts an expert in Underwood who will act as pro at the Whiting course this summer.

Coach Kotal promises strenuous efforts to his thinnycldaz for the rest of the week in an effort to...get into shape for the Madison meet. Milwaukee, with a strong and well-balanced team, will conceed championship honors.

No Doped Turtles In Big Derby On June 6

The Class Day turtle race to be held Tuesday afternoon June 6, bids to be no “creeping” classic of the turf. Such an event always brings more cheers and groans than the Kentucky Derby by far. Harding’s advertised contestant waddles at fast pace to within a millimeter of the finish line when, at the last second, his blinking eye and a snip. Other turtles have poor senses of direction and crawl everywhere but to the tape.

Turbentine Illegal

Top-Surd McGee, will be on hand with his Milk Strike veteran to maintain order and straight betting: Miss Jones will provide the refreshments while the barge Mrs. (we mean the co-eds who can’t stand the look of the music)...Dolores Smith, the Dr. Alex Krembs of the Evan’s morgue, will see to it that no turtle is “doped” before the race. Instead, as carbon tetrachloride, ether and turpentine applied to the posterior by eye drops. The Register, who hasn’t anything else to do these days, will handle the bets. We suspect giving the winner a brown jug.
