THEY DESERVE "BAND UNIFORMS"

(1932 Band Picture)

"Band Uniforms" were missing to make the "college band day tour" a really colorful affair — but overlooking this item the musicians certainly gave surrounding prep schools a treat last week.

Over 3,500 High school and grade students in Portage, Wood and Clark counties were entertained by Director Peter J. Michelsen's college band last Thursday when nine cars and a trailer conveyed the collegiate group to Junction City, Milladore, Auburndale, Marshfield, Spencer, Unity, Colby and Abotsford.

Each time the band rendered its first number in the respective cities, the students came dashing out of the school buildings in hundreds. Farmers hurdled fences, townspeople swarmed the school grounds and kids parked on cars, hayracks and wagons to applaud the musicians as they blow their way to popularity with the home town folks.

The band music, the dazzling instruments, as they reflected the sun and the musicians as they marched on the campus grounds gave the students and people a treat they will long remember. But how much more colorful a spectacle would have been presented had the band members been togged in brilliant and neat "band uniforms" instead of sweaters, shirt sleeves and jackets?

Our band has truly accomplished wonders during the past several years. It has advertised both the college and the city of Stevens Point by its appearances in adjoining localities. Now the time has arrived for the students, college and town to do something for the band. They need uniforms and they should have them.

Mr. Michelsen estimated that it would take approximately \$1500 to tog next year's band with uniforms. If necessary the band should be given a larger appropriation from the student activity fund. Other activities could afford to be slashed a few cents per student. If the college could raise half of the required amount the other half could undoubtedly be raised by subscription, band concerts and other benefit numbers.

College Summer Term Slashed To About \$60

Students can attend the Central State Teachers college 1933 summer term for approximately \$60.

Comparative estimates for the six weeks' term which starts Monday, June 12 and closes Friday, July 28, were made by President Frank S. Hyer.

Fees, including admissions to entertainments and school parties and the college picnic, \$12; board and room, \$42; library fee, none; laundry, \$4.50; texts and references (donated by state) none; miscellaneous, \$1. Total \$59.50.

A similar budget prepared by the University of "Wisconsin shows that it will cost students

TURTLE RACE TO BE STAGED ON CLASS DAY

Class Day, Tuesday, June 6, promises to be an affair of interest not only to the Seniors but to the under-grads as well. The committee in charge is attempting to make the event as free from the usual commencement triteness as possible.

Under-Classmen Invited

Class wills, prophecies, and false dignity will be hurled to the winds in a morning and afternoon of celebration. Many under-grads are planning to remain for the last three days of the school year, which traditionally are the most beautiful of all campus activity, and will participate in the event.

The Seniors will "break bread" together for the last time in an informal breakfast to be held at nine in the morning. The College Orchestra will open the Class Day exercises in the assembly at 2:30 p. m., with a march. The Senior President, Alta Stauffer, will give a short talk entitled "The Death of the Allowance" and then will follow two vocal solos. "Polly-Annas of 1933" will be the title of another short Senior message to be given by Burton Hotvedt.

Awards Presented

The awards for the highest scholastic average, the outstanding man of the College, membership and degree work in professional fraternities, etc., will be distributed to the winners and deserving students after which the audience will remain for a final number from the orchestra.

The Seniors and their guests will then adjourn to the front campus where Sam Bluthe will present the class gift, a beautiful sun-dial, to the college. President Frank S. Hyer will give a short response.

Turtles Compete In Derby

Turtles of every description, kept in captivity for days in preparation for the traditional race, will be massed in a small circle in the center of the floor of the old gym. After the crowd has gathered in the balcony, on the bleachers and around the large chalked circle, the race will begin. The reptiles, with the colors and insignias of the turtle stables of their owners emblazoned on their backs, will "scamper" for the outside of the circle.

Worth-while Awards

The winning turtle will receive a pound of kippered herring; the creeper-up, — glass door knobs for the motivation of hatching more turtles; and the third, — the "missing" fraternity insignias.

held at the Teachers College Saturday, May 20 under the direction of Marion E. Bannach, County Superintendent of Schools. An address by President Hyer and selections by the band and orchestra were features of the occasion.

BOXING FINALS HELD TONIGHT

OLD GYM SCENE OF BATTLE FOR FIGHT AWARDS

Interest Aroused For Championship Bouts; Winners To Be Awarded Handsome Silver Medals

Tonight at eight o'clock a gong will sound, and two boxers will advance with extended gloves in the final all-college boxing tournament, to be held in the old gym. They will be fighting for championship honors, and the handsome silver medal that goes with it.

Crowd Expected

Interest in the fights is running high, not only in the college but in the city, for the boys put on a real show. A capacity crowd is expected, according to "Windy" Thomas, promoter and match-maker of the bouts.

There will be eight bouts, in weights ranging from the bantam to heavyweight classes. They are: Frank Exner vs. "Punk" Winn 185 lbs. Myles Graney vs. Art Laabs 175 lbs. Russ Bepler vs. Buck Weaver 135 lbs. John Mayer vs. Don Vaughn 122 lbs. Ronald Murray vs. Bill Brady 145 lbs. Ed Ferg vs. Del Reimer 155 lbs. Otto Zeigler vs. Olaf Auby 130 lbs. Bill Berard vs. "Getta" Olson 150 lbs.

Miller In Corner

"Windy" will pass out words of encouragement in one corner, and "Bucky" Miller will wave the towel in the other. The boxers will do the worrying.

The winners of the bouts will be recognized as champions, and will be awarded silver medals for their achievement. The losers, who are automatic second place winners, will receive bronze medals.

Only Two Bits

The popular price of 40 cents for outsiders and 25 cents for students will be maintained, and it is hoped that the mortgage will be paid off immediately.

Series Rubber Game To Be Played Tomorrow

Scoring two runs in the eighth inning the Phi Sigs defeated the Chi Deltas, 8 to 7, and the kitten-ball series between the two fraternities stands tied at two-all.

Battle Expected

Tomorrow's game is the rubber contest, and what a game it should be. The stake is the little brown jug, and the way the boys fight for it looks like it's filled with gold.

Riekman and Smith, Herrick, formed the winning battery for the Phi Sigs, while Larry Bishop and Marlowe Boyle performed for Chi Delta Rho.

Track Team Defeated At Whitewater

Although they captured four first places, the Point tracksters bowed to Oshkosh and Whitewater in a close three team meet held at Whitewater last Saturday afternoon.

Four First Places

Ray Kaskey tossed his javelin 156 feet to capture that event, Thompson tied for first in the high jump with Wittig, Scribner took the mile run, and Myron Fritsch won the shot put.

At the same time the college golf team, playing their first meet of the season, lost to Whitewater and Oshkosh at Whitewater. Sam Kingston, Dale Hansman, George Maurer, and Ralph Bader made up the Point fairway contingent.

Lack Of Strength

The trouble with the Point track team is that it does not possess sufficient team strength. There are enough first place winners, but the second and third places are needed to win meets. A squad of nine men cannot compete with the larger teams of Milwaukee, for instance.

The summary:

Hammer Throw — Dopke, Whitewater, first; Degroot, Oshkosh, second; Bohnsack, Oshkosh, third. Distance, 109 feet 9 1/4 inches.

120-Yard High Hurdles — Wittig, Oshkosh, first; Hough, Oshkosh, second; Atwood, Stevens Point, third. Time, 16 seconds.

Shotput — Fritsch, Stevens Point, first; Derleth, Whitewater, second; Tramberg, Whitewater, third. Distance, 42 feet 1 1/2 inches.

Pole Vault — Thompson, Stevens Point, first; Wittig, Oshkosh, second; Graney, Stevens Point, third. Height, 11 feet 3 inches.

100-Yard Dash — Healey, Whitewater, first; Reichert, Stevens Point, second; Doyle, Whitewater, third. Time, 10.6 seconds.

High Jump — Wittig, Oshkosh, and Thompson, Stevens Point, tied for first; Poullette, Oshkosh, and Abel, Stevens Point, Height, 5 feet 10 inches.

Mile Run — Scribner, Stevens Point, first; Peterson and Pease, Oshkosh, tied. Time, 4 minutes 57.7 seconds.

220-Yard Dash — Healey, Whitewater, first; Reed, Oshkosh, second; Berard, Stevens Point, third. Time, 24 seconds.

440-Yard Run — Bohmen, Oshkosh, first; Arnold, Whitewater, second; Reed, Oshkosh, third. Time, 52.6 seconds.

Discus Throw — Ruthe, Whitewater, first; Tramberg, Whitewater, second; Derleth, Whitewater, third. Distance, 118 feet 11 inches.

Javelin Throw — Kaskey, Stevens Point, first; Folkman, Oshkosh, second; Barlow, Oshkosh, third. Distance, 156 feet 9 1/4 inches.

Broad Jump — Ninedorf, Whitewater, first; Stoegbauer, Oshkosh, second; Doyle, Whitewater, third. Distance, 20 feet, 10 1/2 inches.

Low Hurdles — Wittig, Oshkosh, first; Atwood, Stevens Point, second; Snyder, Whitewater, third. Time, 26.7 seconds.

880 Relay — Whitewater (Doyle, Healey, Tramberg, Arnold), first; Stevens Point, second; Oshkosh, third. Time, 1 minute 36.2 seconds.

SAM'S SPORT SHORTS

Did you know that:

Doctor Reppen of the local faculty was a bulwark of the Platteville team? He played guard. Mr. Reppen says that his biggest thrill came when Platteville beat La Crosse, 44 to 0.

Coach Eddie Kotal plays second base for the Wisconsin Rapids team in the Wisconsin State League? And a good job he does of it, too.

"Bucky" Miller's first name is Edmund? But never call him that.

Ed. Baker is the only three sport man in school? "Moon" has made the football, basketball, and track teams.

Art Thompson is still growing? It's a fact.

Myles Graney has the biggest chest in school. "Chest a little home for the old folks—".

This is the fifty-ninth column of "Sport Shorts"? For no good reason at all.

The Point will have a championship football team next year? It's a bet.

College Golfers Trim Oshkosh Here Tuesday

Oshkosh Teachers' college golf team was defeated, 7 1/2 to 4 1/2, by the local college golfers on the Whiting Country Club course Tuesday afternoon.

First College Golf Team

This is the first year that a golf team has been organized at the college and yesterday's win is the first to be recorded for the school. Two years ago a team was rigged up but after losing a match at LaCrosse disbanded.

Kingston — Bader Win

Sam Kingston nipped Pete Gnagi, 2 to 1. Kingston shot an 81, for the 18 holes and Gnagi turned in an 85. Ralph Bader won, 2 1/2 to 1/2, from Don McMahon. Bader's card was also an 81 and McMahon shot an 85.

Maurer Wins 3—0

Dale Hansman lost to Henry Galow, 3 to 0. Hansman shot a 95 and Galow turned in an 89. George Maurer defeated Tom Anger, 3 to 0. Maurer turned in a 69 for the first 15 holes. He had his partner five up on the last nine at the sixth hole to cinch the match.

Whitewater Here Saturday

Saturday morning at 9 o'clock the college foursome will meet Whitewater on the Whiting course. Oshkosh may also enter the tourney to make it a triangular tilt.

Half Mile Run — Bohmen, Oshkosh, first; Scribner, Stevens Point, second; Arvey, Oshkosh, third. Time, 2 minutes 5.9 seconds.

Two-Mile Run — Peterson, Oshkosh, first; Bullock, Whitewater, second; Converse, Whitewater, third. Time, 11 minutes 3 seconds.

TRACKSTERS GO TO WHITEWATER MEET SATURDAY

Pointers Hope To Make Creditable Showing: Thompson, Scribner, And Atwood Defend Records

On Saturday afternoon the Point tracksters will engage in their final meet of the year, the State meet at Whitewater, with all ten of the teachers colleges participating. Last year the Pointers placed fifth, with three first places garnered by Thompson, Scribner, and Atwood. The meet was shifted to Whitewater from Madison.

Defend Championships

These three men are back again this year, and are expected to repeat again in their specialties, Thompson in the high jump and pole vault, Scribner in the mile and two mile run, and Atwood in the high and low hurdles.

In addition to these possible point winners, Ray Kaskey may surprise us by walking off with the javelin throw, and Myron Fritsch will threaten in the shot put. Graney, Reichert, Abel, and Berard are other potential scorers.

Golf Meet

While the tracksters are working at Madison the college golfers will be the hosts to the Oshkosh and Whitewater fairway experts at the Whiting Country Club. They should get at least third place. Whitewater boasts an expert in Underwood who will act as pro at the Whitewater course this summer.

Coach Kotal promises strenuous workouts to his thinly-clad for the rest of the week in an effort to get into shape for the Madison meet. Milwaukee, with a strong and well-balance team, is conceded championship honors.

No Doped Turtles In Big Derby On June 6

The Class Day turtle race to be held Tuesday afternoon June 6, bids to be no "creeping" classic of the turf. Such an event always brings more cheers and groans than the Kentucky Derby itself when some hard-shelled contestant waddles at fast pace to within a millimeter of the finish and then decides to close his blinking eyes and enjoy a nap. Other turtles have poor senses of direction and crawl everywhere but to the tape.

Turpentine Illegal

Top-Sarg Misch will be on hand with his Milk Strike veterans to maintain order and straight betting; Miss Jones will prevent cruelty to dumb animals (we mean the co-eds who can't stand the looks of those darn things); while Dr. Alex Krembs of the Evan's morgue, will see to it that no turtle is accelerated in speed by such irritants as carbon tetrachloride, ether and turpentine applied to the posterior by eye droppers. The Registrar, who hasn't anything else to do these days, will handle the bets.

We suggest giving the winner a brown jug.

W. A. A.

Start Tennis Tourney

A tennis tournament is under way. Those participating are, Gorski, Podaeh, Iverson, Groth, Reisinger, Madsen, Erickson, Hassel, Sorenson, Tyler, Wiggins, and Kenyon. The tournament is being held all this week, and will conclude Friday, June 2.

Three women's baseball teams have been engaging in a round robin tournament. The finals will be played off today.

Sunburn seems to be the order of the day. You can spot a woman athlete by the color of her nose, arms, or back. The shade of red indicates the degree each have obtained in the Mystic Order of the Worship of Mother Nature.

Sigma Zeta Elects

At a picnic held at Nekoosa, Wednesday, May 17, the following officers were elected to serve the Sigma Zeta Society for the coming year:

Master-Scientist, Edward Leuthold; Vice-Master-Scientist, Kathryn Wiggins; and Recorder-Treasurer, Reinetta Reisinger.

Plans were made and committees appointed to investigate the possibility of giving some recognition either to members of the society doing outstanding work in science or to eligible students in school. An indefinite sum of money was set aside by this year's organization to purchase the award.

Say It Isn't So — That when a tree sheds its leaves, and its limbs are bare, down in its trunk it finds its underwear.

Editor Eileen Mueller said all copy for the "Iris" is in the hands of the printer. The annual will be distributed to the students on Friday at the regular "Iris Party" in the old gym on the night of June 2.

We understand that the fraternities and sororities are spending the Memorial Day vacation out at Waupaca Lakes — just to rest up a bit for those tough exams next week.

Tuesday's 10 and 11 o'clock classes will meet today. There will be no more assemblies this year. This news should be a relief for Dean Steiner and his flock of truant deputies.

It cost our Prom Committee only \$30 to decorate the new gym and construct all the scenery and carve all those fish.

Joe Gumin let Jim Ritchay direct the band and sing a solo as the concluding number and it wasn't bad.

During the dance people were continually asking whether that large fish dangling from the center of the ceiling wasn't just another one of those "pink elephants".

The Phi Sigs accused the Chi Deltas of stealing their insignia which "used" to hang above their bulletin board. The next day the Chi Delta sign was gone. Whatya know about that. No foolin' those signs cost money and should be returned.

The college gofers stopped at Madison on the way home. Bader called up the Gamma Phi Beta Sorority house. "This Is Kate Smith speaking", came the melodious voice from the other end. "Well this is Eddie Cantor", responded Bader. Later Bader discovered that the Gamma Phi's have a "Kate Smith" — and she isn't bad looking either.

They had a cloudburst at Whitewater last Saturday. At the golf meet down there Sam Kingston said the water was so deep on the fairways that he had to pay his supper meal ticket with rusty coins.

That red nose Ralph Bader contracted is really a "sun burn" and hasn't any connection with the Heidelberg tray he accidentally walked off with from a Madison Inn.

We'll have to hand it to our Training school journalists for the "Junior Pointer" they've been putting out this year. We're going over there next week and get a story about their paper. The kids have done a mighty good job this year and the paper is always bulging with news.

Whata game it's goin' to be over in the Garfield lot tomorrow at 3 when the Chi Deltas and Phi Sigs play off the "rubber" game for the brown jug.

Supt. Paul Vincent is taking the prep students from the local High school to Chicago June 1 to see the World's Fair. We'll bet there'll be plenty of burned tonsils and sore necks when the kids get back from the city of skyscrapers.

Flowers Consecrate War Hero's Memory

The flowers below the memorial plaque on the second floor are placed there by the family of Rex C. Beekler commemorating his death in 1918. Beekler was the first man from the college to meet his death in 1918. Beekler was the first man from the college to meet his death as a victim of German gunfire while actively engaged in battle.

Beekler was prominent in athletics during the two years he spent as a student at this institution. He was a member of the High School department and roomed at the home of A. J. Herrick.

Dates For '34 Social Calendar Are Decided

Next year's social calendar was drawn up when organization heads and faculty advisers met with Mr. T. A. Rogers Monday night.

Social Calendar Printed

The dates of the college social events for next year will be printed in the "Student Handbook" which will be distributed free to all registered students who enroll next September.

Some of the important dates decided Monday night include the Freshman mixer at Nelson Hall

on Monday, Sept. 11, and the Sophomore "hop" on October 27.

Senior Ball, Dec. 15

The Senior Ball will be held on December 15. A new social event will be the Freshman "low down brawl" on January 26. The Junior Prom will be held on April 6. The Chi Delta Rho fraternity dance, April 20; Tau Gamma Beta sorority dance April 27.

Sorority Dance Last

The Phi Sigma Epsilon fraternity dance will be given on May 11. The Omega Mu Chi sorority formal will conclude the '34 spring formals on May 16.
