WISCONSIN 'U' PROPOSES NEW REQUIREMENTS

Entrance Standards for Foreign Languages Made Stiffer

Students who will normally be candidates for the degree in June 1934, as the result of the current semester examinations, will be required to demonstrate one of the following abilities: (a) Proficiency in a language (Greek, Latin, or foreign), in one or two languages; (b) Intermediate knowledge in one foreign language, one or two languages; (c) Intermediate knowledge in two foreign languages. For a foreign language studied in high school, students will be accepted only if they demonstrate the ability to understand and translate simple sentences. The amount of work required by the above mentioned standards will be divided equally among the two following years. Students who are able to earn the required 120 credits for graduation in either one or two years of college, will be accepted only as modern language students who have shown the ability to understand and correctly translate the simple sentences used in college.

Program To Consist Of Light Opera

The Davies Light Opera Singers will appear in the assembly tonight, presenting a program of varied numbers ranging from the gay to the grave, consisting of solos, duets, quartets, operatic excerpts given with costume, action and in the English language. It is light opera, their songs being familiar to the majority of the students.

The interesting feature of the entertainment lies in the personage of Carrol Van Buskirk, a graduate of this school, school organist, in 27, and a resident of this city at that time. Students will be asked to present their student tickets for admission. This is not a 'critics' program. If you do not plan to attend, loan your ticket to a friend. Only those presenting student activity tickets will be admitted.

The reason for the presentation of this program in the evening is to receive the full value of the entertainment, which can only be gotten through the peculiar lighting effects. The entertainment will commence at 8:15 promptly.

C. S. T. C. GRADS WILL MEET AT BIG BANQUET

E. T. Smith, Chairman of Civics Division; P. J. Michelson On Music Program

Echoes from the past will greet the 80th annual convention of the Wisconsin State Teachers Association which will be held in Milwaukee, November 2-3-4.

Most of the local faculty members will leave after the Wednesday afternoon classes. The general sessions of the convention will be held on Thursday, Friday and Saturday morning. The sectional meetings will convene on Thursday and Friday afternoons.

Banquet Thursday Night

An additional feature of the State Teachers Association will be the annual banquet of the Stevens Point Alumni Association. The dinner will take place in the Crystal Ball Room of the Schroeder Hotel, Milwaukee, on Thursday, November 2, at six o'clock P. M. Last year the affair was under the direction of Norman E. Knutson, local English instructor, and was very well attended.

Peter J. Michelson, will speak to the Music section at 2 P. M. on Thursday also.

Due to erroneous information being passed about in regard to the price of the college orchestra, they announce that is possible for organization to engage them for less than 15 or 16 dollars, according to the number of pieces wanted in the orchestra.

Vacation Monday

Thursday and Friday

Series III Vol. VIII No. 7 Stevens Point, Wis., October 26, 1933 Price 7 Cents
Reports from alumni, classmates, and students prove the parade was interesting and the parade couldn't have been better. Homecoming this year was a successful event. We agree with them; the entertainment before and after these events also proved entertaining and were successful undertakings. The Honorable mention was the largest ever to have witnessed any of our homecoming games. Despite all the successful and delightful events of the homecoming, we feel there was something missing which really put a big "blotch" on the entire event. The failure of their hit parade, and at the game in a fashion which deserves a great deal of praise (if we may use that word). They did as well as could be expected of any college band. But think of how much more effective the Band did their bit both in the future. The Band did their bit both in the costume, musical, and visual entertainment and the administration and cooperation of the entire student body. The movement has the backing of the entire faculty with President Hyer taking a decidedly forward step in promoting it. Local business men are willing to do their share; however, we should not depend on them to do so many things for us. Donations of no small amounts are already being made by several members of the faculty. Mr. Hyer has agreed to head the list with what we think is much more than is expected of him; and has also agreed to make arrangements to pay for the balance of the approximate $1,000, providing the students are willing and will do their share. Let's get together on this, fellow students. Are you willing to donate your share? Give us your opinion in a short item to the student broadcast for the next issue of the Pointer. We'll publish all of them.

POINT THIRD IN ENROLLMENT
 Enrollment in the nine state teachers colleges at the end of the fifth week of school show Central State to be third in rank. Our student body numbers 704 while that of Stevens Point is 720 and La Crosse 713. The fact that the city of Stevens Point is one of the smallest in which teachers colleges are located adds significance to this fact.

SOCIETY NEWS

Classes Give Plays
The ten and eleven o'clock classes in speech will present four plays as a part of their work, and also as an extra-curricular activity. The plays are: "Craig's Wife," and "Milestones" by the ten o'clock class, and "Mrs. Bumpstead Leigh" and "The Butter and Egg man" by the eleven o'clock class.

These plays are to be coached by the following student coaches respectively: Mrs. Ethel Lawrence, Rogers Constable, Otilia Vogel and Ethlynna Baerwald.

Royalty plays will be produced for the general public later on. Previews will be held for these in about four weeks.

To Produce Play
At the last regular meeting of the Dramatic Club plans were made to sponsor the Play, "Daddy Long Legs" by Jean Webster. Jack Ogg, a member of the Harriquin Club and a Junior of this institution, will coach the production.

Tryouts for the play will be open for all who are interested in any type of work. Watch the bulletin board for further announcements in regard to tryouts.

Meeting Postponed
The regular meeting of the Loyola Club planned for this evening was postponed because of the appearance of the Davies Light Opera Company in the auditorium. This meeting will be held on November 16th instead.

Sophomore Dance
Tonight, October the 27th, the Sophomore Class will have its annual dance in the new gym, which was contracted to be ten o'clock admission. The class, expects a large attendance because the admission for the evening will be ten cents for students and twenty-five cents for outsiders.

Irv. Lutz and his orchestra were contracted to furnish the music for the evening.

NELSON HALL

Big Parade
(Continued from page 1, col. 2)
1914 to 1924 and 1924 to 1934. By this arrangement a spectacular picture was provided of the 40-year period in which the college has been in existence.

Chii Delta Place
First prize for floats was awarded to the training school, representing an old singing school in the second decade of this training school. Chii Delta Rho fraternity was awarded second place with a float showing the contrast between the football hero of 1899 and 1933. The stunts prize was given the Women's Athletic association, which had girls march in two different divisions, white girls representing the women's sports of the period, showing the change in costume in 1914 to 1924. The 1934 float was given the faculty, who had impersonations of faculty members and their families at the time of the affiliation with the school. Mrs. Fred A. Mears, Mrs. Edward A. Oberweiser and Mrs. Hugh L. Hoffman were the judges.

ALLEZ ATTENDS CONVENTION AT STEVENS HOTEL

Last Tuesday afternoon Mr. G. C. Allen, Librarian of this college, left for Chicago to attend the annual convention of the American Library Association held in Chicago. While there he attended the regular meetings of the association in which he had the opportunity to hear some of the prominent and distinguished speakers of today in the field of library work.

Mr. Allen stated that he brought away a realization of two distinct trends in the library movement in the United States.

Every modern method of education needs in order to insure success an efficient student body and well administered library. That such a library is not only needed in institutions of higher learning but should be provided for by every large educational cottage. That in addition to methods of teaching, there is no more important need of a method of learning. A method in education for the student. That method is essentially a knowledge of how to use the tools of scholarship. That libraries should be provided and students taught how to use them from the grades through to the University so that when they come to institutions of higher learning the methods and technique of study are established.

In public libraries the emphasis is being placed on the whole subject of adult education. That the most important duty and obligation of the public library is to provide, support, inspire, and study after formal education has ceased. That one of the most essential elements in keeping and maintaining our democratic government is the intellectually live and awake people.

Some of the speakers at the convention were: Monsignor Eugene Tessard, director, Vatican Library, Vatican City, Italy, who spoke on "The preservation of the records of scholarship means to changing civilizations."

Arundell Eadie, secretary, British Museum, London, England, whose subject was "The social responsibility to maintain institutions of education and scholarship."

Howard Mumford Jones, professor of English, University of Michigan, Ann Arbor, who talked about "What the preservation of the records of scholarship means for the new education in reading in modern education."

While here he also found time to visit the Newberry Library, the John Crear Library, the library and library school of the University of Chicago and the browsing library of the International house at the University of Chicago.
WHITewater Bows to Point 13-6

Menzel Stars as Agnew men Rough It Up

Whole Half Season Gone With Purple-Gold Still Unbeaten

Coach Chick Agnew will have to work hard to find something to protest about now. At the big homecoming game Saturday at Schmeeckle Field, the Purple and the Gold again came through without the services of Graney to win, 13 and 6. The game was distinguished by roughness and frequency of rules. Menzel twisted the statistics since many first downs came from those fifteen yard penalties.

Whitewater Leads

Whitewater scored first after Holm had fumbled on an attempted end run. Taking the ball on the Point 30 yard line, the Agnewmen took the ball down the field, Day scoreing it over. He missed the extra point kick.

The Purple and Gold boys buckled down to business and pushed the ball deep into the opponents’ territory. Becker fumbled and Whitewater recovered on their 18 yard stripe. A fifteen yard penalty put the ball back to the three. On an attempt to buck the line Whitewater fumbled and Fran Menzel pounced on the ball on the one yard marker. Becker carried it over by an inch. His attempt to convert was wide.

Menzel Blocks Punt

About a minute before the end of the half, Ted Menzel smashed through the line to block Kinney’s punt on the 22 yard line. He picked up the ball and ran over the goal line. This time Becker’s kick was good. Score 13 to 6.

The second half was marked by frequent penalties and time outs with neither team keeping the ball long.

The local team functioned well most of the time with the offensive power centered around Becker, Anderson, and Nugent.

Starting line-ups:

Point Pos. Whitewater Schwan le Healy Kujaawa lt Phillips Lake Kw表 Jr Slott Johnson Jr F Menzel re Ebbott Gregory q Hahn Unferth lh Doyle Holm rh Kinne Fritsch f Chovan

Klugeman Set Oshkosh Down A Peg Or Two

Stout defeated Eau Claire Saturday in a game featuring passers. The score was 20 to 13 with all the points scored directly or indirectly the results of passes. Shunning to Walker and Shunning to Walter scored for Eau Claire. Beckman to Hendrickson scored for the winners. The winning score was made from the three yard line after a pass to Storl.

La Crosse — Falls Tie

La Crosse showed great defensive strength to hold River Falls scores, although the ball was on their one-yard line and again on the six-inch line. La Crosse failed to make a first down while River Falls collected 12 points.

Milwaukee came through to knock Oshkosh off the undefeated list. The Saviors defeated 7 to 0 when Barlow missed the extra point. The Oshkosh team outweighed the Milwaukeeans 22 points per man but got off to a slow start.

Whitewater — Toss for Kinney Lamble, 5

The Pointers are the only undefeated team in the Southern half of the conference. Saturday’s game with La Crosse is a non-conference affair leaving only Oshkosh and Plateau to stop the Purple and the Gold. And don’t think Oshkosh isn’t tough.

River Falls is the only undefeated team in the northern half. They’ve never played on Schmeeckle Field. They might have a chance if they stay on top of their half of the conference. The Pointers, of course, is picked to come through in the southern half.

Myles Graney played a bit of ball with the Chippewa Marines professional team Sunday when they defeated the Wisconsin Rapids-Dells team 3 to 0 after four minutes. Graney was called back. Olle Neuhoffener played with the Rapids-Dells eleven.

The college cross-country team led by Underman Scribner put on a little show for the homecoming fans Saturday. The boys ran 9.7 miles to finish before the game ending on the track around Schmeeckle Field. Lyman Scribner came in ahead, finishing in 22 minutes flat.

Anyway, we’re picking Purdue to spoil the Badgers’ homecoming by two touchdowns.

TOUGh GAME AT La CROSSE THIS SATURDAY

Non Conference Game. No Setup for Pointers

Saturday the Pointers journey to La Crosse to meet Coach Howard Jones and his squad of lettermen. 18 of his last year’s co-championship eleven are back this year. In the two conference games they have played, the Maroons lost a hard-fought battle to Superior 13 to 7 and played a scoreless tie with River Falls.

The game is not a conference tilt since Stevens Point is in the Southern Conference and La Crosse in the Northern. We’d like to see how the two divisions rate.

The Pointers are in good shape, having survived the Whitewater battle with minor injuries.
BETWEEN ME `N YOU
By CLET
E. T. Smith says that people just won't think about sensible things. Now they're all wondering where Sally Rand's panties went to.

When the Jubilee Singers sang "Going Home", Mr. Michelson said, "I went.

Krumm's Coed Qualifications:
1--Brown hair, preferred (wavy).
2--Stevens Point High School product.
3--Body by "Fischer".
4--Pleasantly Plump.
5--A so-called "Golden Calf".

Some "big" woman stood up at the football game and immediately a man behind her remarked, "Three yards around end".

Spin talked of some ancient God having several arms. Then said, "Wouldn't that be nice, girls?"

Have you read the oatmeal story; it's a cereal. I call that a pun--am I right?

A short story next week.

In return to the article written in this column last week:

To the man who edits, "Between me `N You";

We are two little freshman girls, a blonde and a brownhead. We are not bad looking and have been taking dancing lessons for three weeks. We have just lots of girl friends but would like so much to go out with a gentleman. We wonder if that cute little Arbo Shorey would be interested in dating one of us, and maybe his darling brother would like a blonde. Would you please try to promote something, mister?
